

Chapter 9

Jealousy

At night in
Fuutaro's room...

Why
did I wear
that bra?

Unfortunately,
it's not that
easy.

I still don't
understand why
I did it.

It's
probably because
of these stupid
mental changes,
I have to find some
way to get rid
of them.

Maybe
I should try apologizing
to Naomi again for what
I said?

Maybe it's
better not
to.

She's probably
still mad at me for
what I said.

And she's right.
She wanted to
grant me a wish
and I laughed at
her.

There's no denying it, I deserved to be punished.

Mutsumi-chan, are you sleeping?

I wanted to talk for a while.

I think he's asleep.

I wanted to talk to him about what happened today.

I guess I'll have to wait until tomorrow.

There's also some other things I'm wondering about.

???

I don't know how to do this assignment.

It's just too hard.

I can't handle this assignment.

Sure.

Is something wrong?

Can I see?

First you add the two numbers and then you subtract.

Now I get it, thanks.

You're really smart and you always help me, Mutsumi-chan.

Of course.

You're only half a minute older.

After all, I am your older sister.

But still, you and the others can always count on me.

And Miku, Ichika, Nino and even Yotsuba can always count on me to help you.

After all, we are sisters.

But I won't do it for you, don't even think about it.

And I thought you were going to do this assignment for me.

No, but now let's get back to work, you still have a few assignments left.

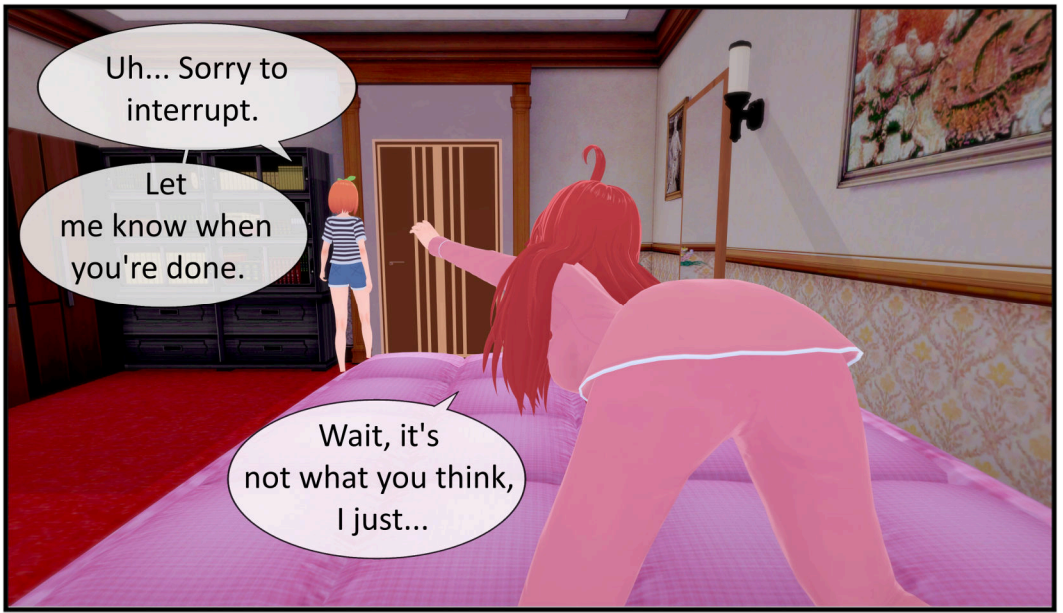

I'll help you with them.

Early in the morning...

What was that?

Wait a minute, was it just a dream?

Later, on the way to the spa...

Maybe I better get out of here before Mutsumi-chan even wakes up.

Mutsumi-chan, I understand that grades are important.

But do you always have to study, even when you're going to rest?

Of course, I can't take a break from studying because my grades will get worse.

Take a break for a while.

Besides, if I don't study regularly I'll get lazy.

Hey! What are you doing?

Relax for a while, that's why you go to the spa.

You see.

Maybe you're right.

After all, that's why I asked for this time off.

By the way, did you change your hairstyle because you look different?

Yeah.

Actually, my hair's grown again for some reason.

Oh, I just forgot, congratulations.

Maybe it has something to do with that weird dream from tonight?

On what occasion?

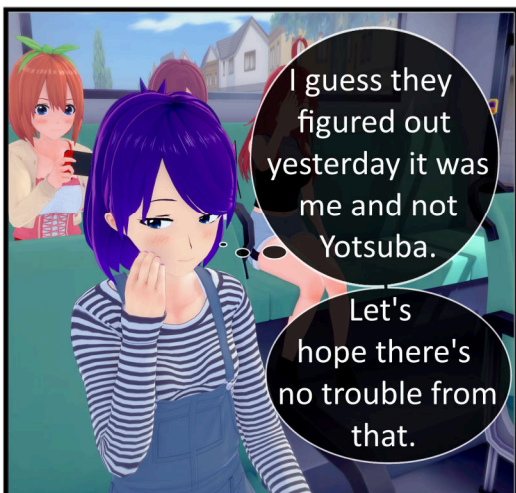

The girls said you broke the school record again yesterday on the test.

So congratulations.

Uh... Thanks.

I guess they figured out yesterday it was me and not Yotsuba.

Let's hope there's no trouble from that.

But no wonder, you're the best in sports at school.

When you get to the spa...

depressed

jealous

Cheer up
it's not the end
of the world after
all.

You're still
second best in
the sport.

I think it's
because of what
you said.

What happened
to Yotsuba, she looks
like she broke down, it's
not like her.

But it's always
been like that, why
did she suddenly
react like that.

I guess
that wish
wasn't a good
idea.

I just wanted
her to get a good
grade.

Hi girls,
what a surprise.

Shocked

What are
you doing
here?

Is she
stalking
me?

I live
here.

I see
Mutsumi-chan
has changed
again.

So that's
why you wanted to
come here. To visit
your friend.

You really
wanted to visit me,
how nice.

What, no.
I didn't even
know you
were here.

Come
on, don't
hide it.

If I knew
you were gonna be
here, I never would
have come.

Tell me you
missed me.

Weird.
What's with
Yotsuba today she's
always smiling and
today she looks
broken.

Is something
wrong?

depressed

I have to
find out what
happened.

After all, I'm
some kind of
guardian angel
for them now.

A little while later...

Okay, and this will be
your room. You've got
two rooms, so I think you
should have enough.

Yes,
you'll find everything
you need there.

The
mattresses are
in the closet,
right?

Why are you looking at me like that?

I have an idea how I can fix this easily.

I'll teach Mutsumi-chan another lesson right away.

I already know how to fix it.

Really?

Yes. Hehe.

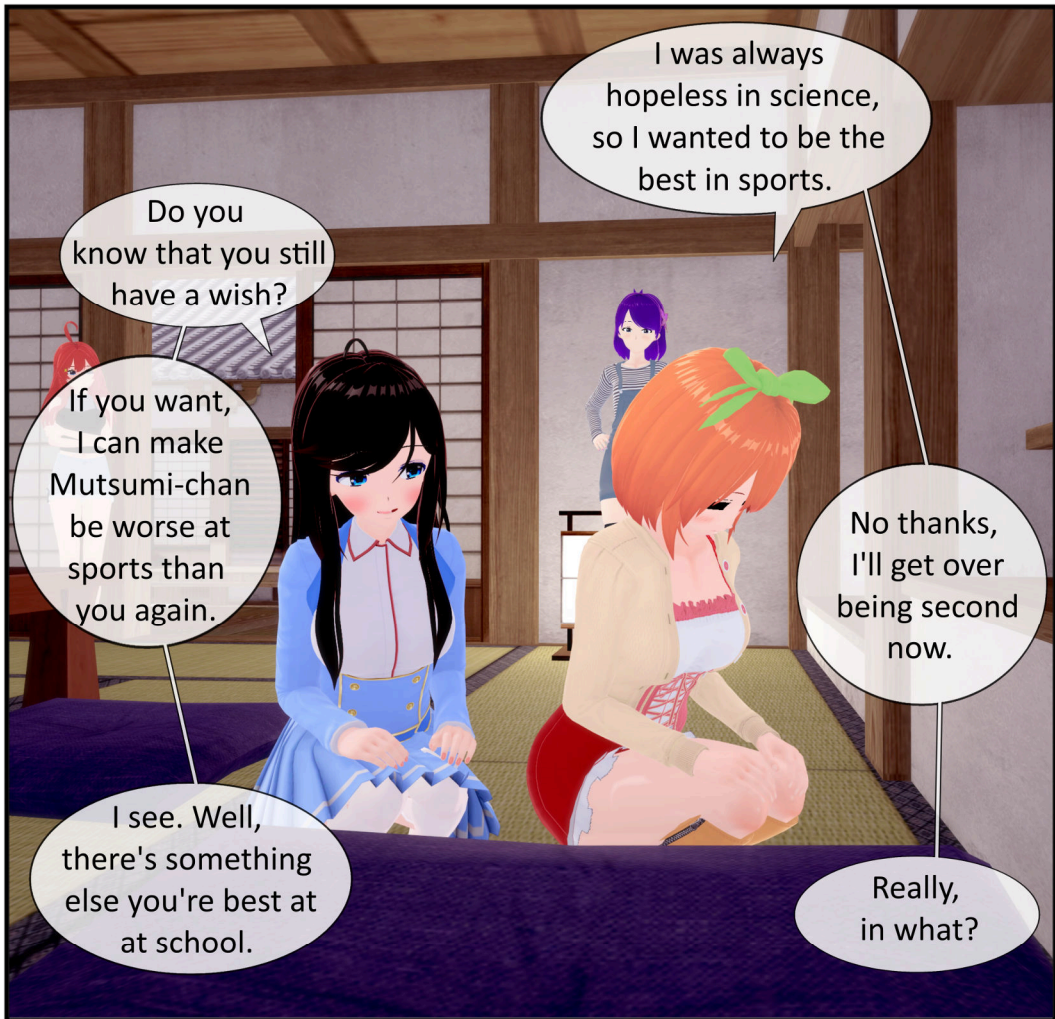

Wait, what are you going to do? And why did you laugh?

What is she planning?

Yotsuba, can I talk with you?

I don't feel like it.

Do you know that you still have a wish?

If you want, I can make Mutsumi-chan be worse at sports than you again.

I see. Well, there's something else you're best at at school.

I was always hopeless in science, so I wanted to be the best in sports.

No thanks, I'll get over being second now.

Really, in what?

There's one thing you're best at.

And everyone even Mutsumi-chan envies you.

Really? What's that?

I can't say. You came here to relax, not to worry about school.

Come on, tell me.

No.

Well, at least give me a hint.

No.

Thanks

I wonder what Naomi meant.

No problem. After all, it was my fault, too.

Or was she lying to cheer her up?

Mutsumi-chan will die of jealousy when she finds out what Yotsuba's better at than him.

But unfortunately I have to give her something in return.

Some time later...

Girls, hurry up, everyone's probably waiting for us.

Besides, if we don't hurry, the water will be cold when we arrive.

Don't worry, we'll make it.

Besides, I'm going to the co-ed one anyway.

And don't worry about the water, I'm sure it will be hot. hehe

Yeah, she found out that there are things she's best at.

Yeah, is that a problem?

I see Yotsuba's mood is back.

Good, by the way do you really want to get into the co-ed one?

But you know, guys can get in there too.

In the locker room...

sigh I was a little short.

I can't let them see my breasts.

I have no intention of bathing with the girls.

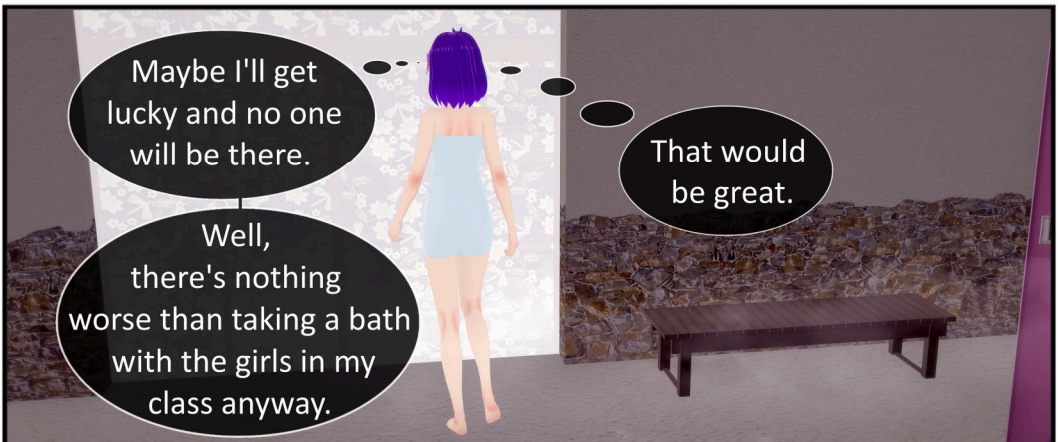

I'm sure it would bring nothing but trouble.

That's why it's better to avoid it.

I feel silly having to cover my breasts now.

But I guess I have no choice.

Maybe I'll get lucky and no one will be there.

Well, there's nothing worse than taking a bath with the girls in my class anyway.

That would be great.

I think someone wants to take a bath with us, what do we do?

Let him jump in, the water is just right.

How cute. Don't worry one-san will take good care of you. Hehe.

What, no, this is a misunderstanding!

No, I have to get back before they start looking for me.

Don't worry about that, they won't notice if you disappear for a while.

And you'll be fine with us.

Moments later...

Rule number one, never say it can't get worse.

It can always get worse.

And especially when you say it can't get worse.

Although I have to admit, I kind of like it for some reason.

Peace and quiet.

Tell me,
why don't you take
off that towel?

What?!

Shocked

Why don't
you take this
towel off?

You'll be much
more comfortable
without it.

Exactly.

Besides, they're
not allowed to bathe
in them.

There's
just a little
problem.

I know
what you're
gonna say.

Don't worry,
we're all girls.
There's nothing to
be ashamed of.

embarrassed

What?

You're embarrassed that you have small breasts.

I knew it. Relax, there's nothing to be ashamed of.

Really?

I'm sure your breasts will grow and even if they don't, a lot of guys like girls with small breasts.

Of course.

What am I saying, I want to get rid of my breasts, not make them bigger.

After all, I'm a guy, right?

confused

Mutsumi-chan. I made a bet with Yuki earlier that you're still ignorant, and you'll never recognize me.

I promised that if you recognized us, I'd undo one of the changes or tell you how to undo this wish.

Or I'll tell you how to undo the wish. It's up to you.

Really, you're going to undo one of these stupid changes?

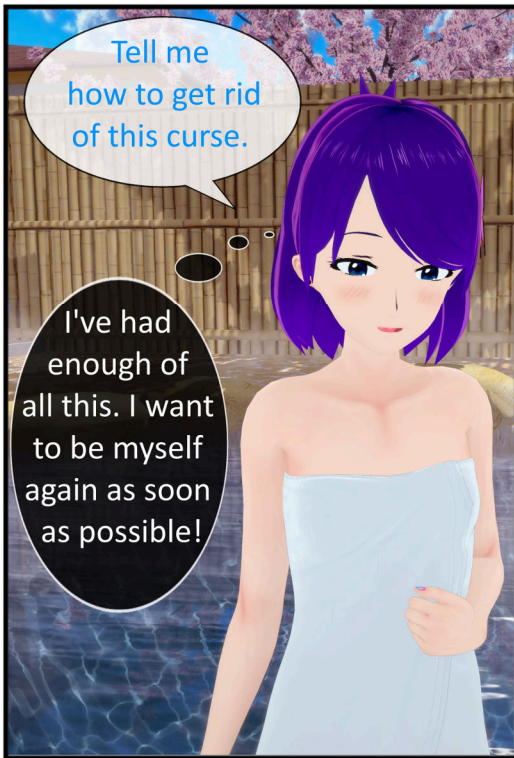

Wait a minute.

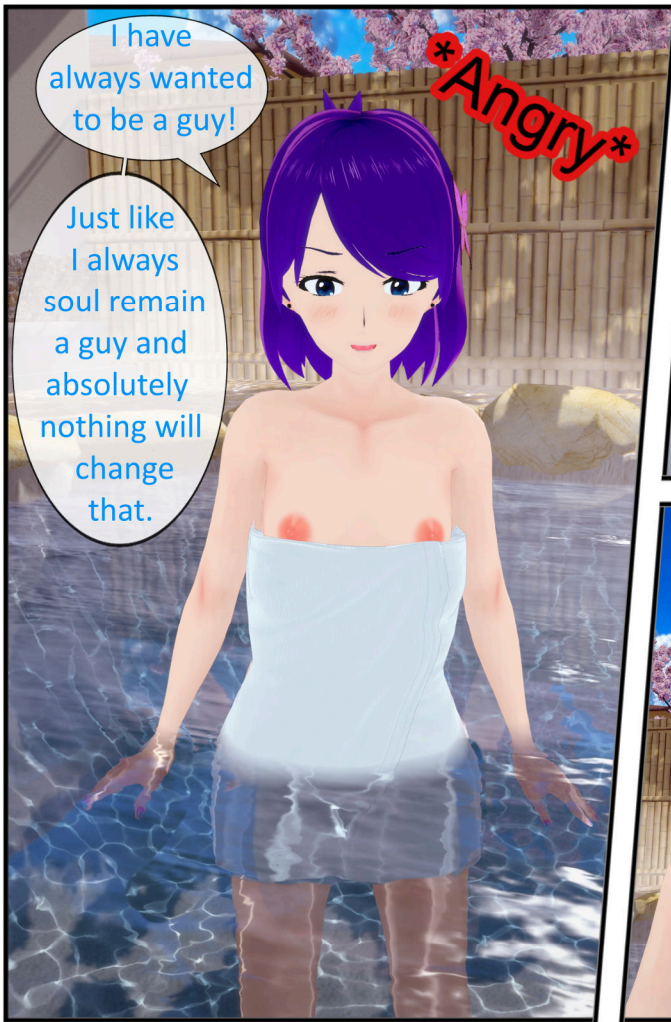

I can get rid of these stupid mental changes or I can figure out how to undo this wish and thus get rid of all the changes.

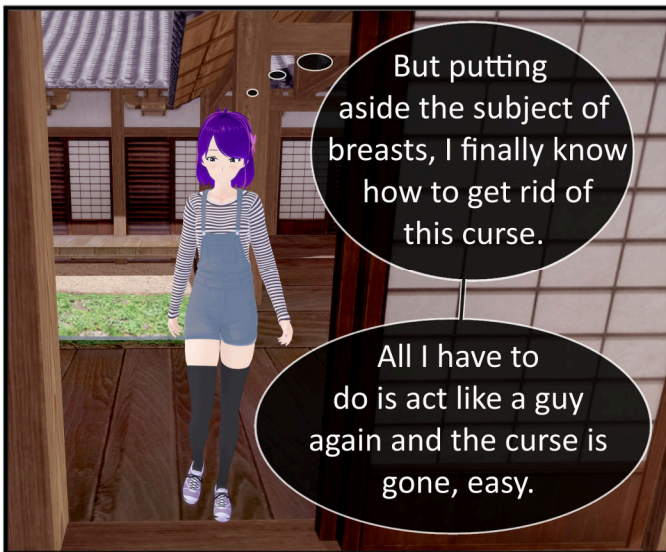

So I have a choice of something certain or information.

Tough choice but another opportunity like this may not happen.

A moment later...

Unbelievable,
I did it again.

Just like
I did then.

I wonder whose
bra that is.

I guess
we better take it
off quickly.

It's way
too big on me
anyway.

Ah,
I wish my
breasts were
bigger.

Heartbeat

Some time later...

Maybe we should take her to the hospital?

Mutsumi-chan

Mutsumi-chan!

Mutsumi-chan, can you hear me?

Mutsumi-chan

I think she's slowly waking up.

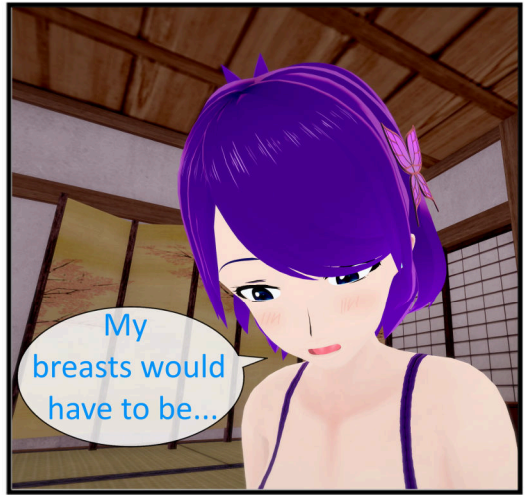

Thank goodness, I was starting to get scared that something had happened.

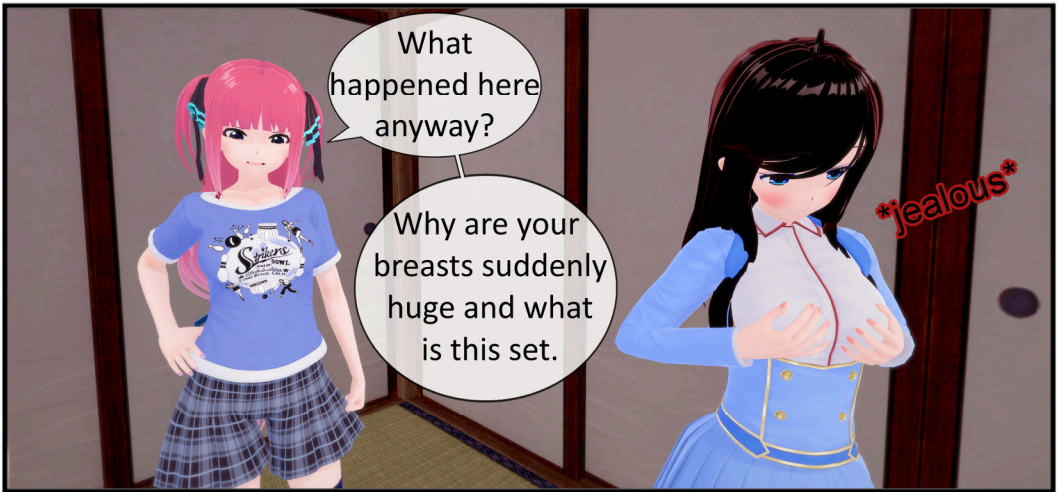

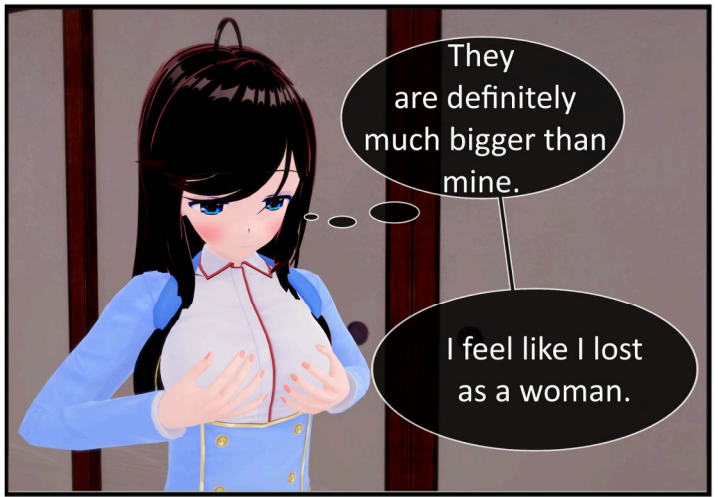

I don't know. I suddenly felt really bad.

What happened, why were you lying on the floor?

How do you feel now?

I guess my center of gravity has shifted.

Well... I guess I have to get used to it for now.

I always thought it was just a prank but breasts really are that heavy.

Nino, don't you think Mutsumi-chan has bigger breasts than us now?

Yes, I noticed that too.

Unfortunately, that means we have to do a little shopping.

Shopping?

Yes, Mutsumi-chan only has one bra left, and it's not hers.

a while later...

I'm slowly getting jealous myself.

I guess Mutsumi-chan needs to buy more than just a new bra. hehe

They're even bigger than I thought.

I don't like it but I think you guys are right.

My clothes have gotten awfully tight because my breasts have grown so much.

HE?

Didn't one of the maids leave a set of underwear here by any chance?

After a while
in Yuki's room..

Why
won't this
stupid zipper
move?

They're
not that big
at all.

Sorry, girls.

Looks
like this blouse
is too small
on me too.

Try it again.

jealous

Try again!

I don't care,
try again!

But...

But I'll
break the
zipper.

E... Sorry.

I told you I'd break the zipper.

I wanted to get rid of my breasts, not get bigger.

And now they're so big, I'm definitely not wearing any men's clothes.

Shocked

Unbelievable, even my loosest sweatshirt is too small for her.

Don't worry, I should have something that fits her.

Couldn't I have said that right away?

Angry

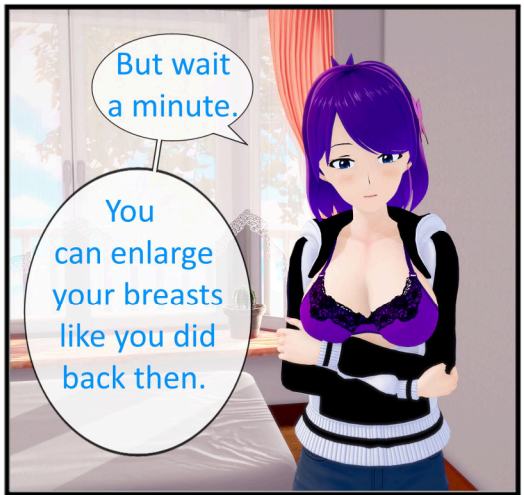

Naomi!

You didn't ask. hehe

By the way, aren't you jealous of me?

Because I feel like it.

But wait a minute.

You can enlarge your breasts like you did back then.

Sigh Unfortunately, it's not that easy.

Let's just say there are rules against it.

Naomi, are you jealous too?

Uh... Maybe a little.

Besides, did I say I wasn't jealous?

Some time later
in the city...

Can
you stop staring
like that?

Yeah,
sure.

Mad

You were right
about it being a
nice view.

jealous

Me? Nothing.
Besides, can't
I look?

Too bad~

Hey,
what are you
looking at?

No, you
can't!

Mad

Why is
everyone
looking at us
like that?

I don't think
they're looking
at us.

You don't think this shirt is too short.

But it doesn't even cover my belly button.

embarrassed

Relax, it's meant to be that way.

Because it's that cut.

Don't worry, you look great.

By the way, what happened to your sisters?

They seem kind of offended.

It probably bothers them that I have bigger breasts than them now.

What are you talking about?

You've always had bigger breasts than the others.

So why would it suddenly bother them?

You're right. That's probably not the reason.

It seems like her memories of my breasts have changed.

It's a bit further.

No, not just you.

How far is it to the store?

Tell me, am I the only one who's getting annoyed by all this?

Why do I feel like a loser as a woman?

jealous

I can't believe Mutsumi-chan has bigger breasts than us.

jealous

Later at the store...

Okay, now please stand still.

I'll measure your size and then we'll get you the right bra.

embarrassed

I still can't believe I'm actually doing this.

Okay, thanks.

Okay... Your size is 90, which means you're an E cup.

Er... Yes, it's a lot. Your boyfriend is really lucky. hehe

Is that much?

Japanese E-cup = American D-cup

I'll be right back.

I don't have a boyfriend.

And I have no intention of having one that would be gay.

Moments later...

Uh... What is this?

confused

Your sister said you love lace underwear.

Especially the very sexy ones.

Mad

Nino! I'll get revenge for this!

Just make it go away.

But it's not surprising, after all, you have a perfect figure.

That's true, actually.

I really have a good figure.

I'm not going to buy such sexy lingerie, but I think I can try it on.

To be continued...
