

In the morning

Yawn No... No, I was just about to get out of bed. So what's up?

Wait, already?

But you said they wanna catch you in the airport, don't they?

Hey, I didn't wake you up, did I?

Just wanted to tell you that I'm leaving today.

Yeah, I'm packing the bag right now. Gotta deal with this sooner or later, so it better be sooner.

Umm, they won't... That is kinda taken care of... You know, you might be a little surprised when you see me next time.

Yeah... It was mostly Maria's idea... In short, we decided to go a little further into my disguise... Umm... Though it was a big mistake to ask Sam for help.

Uh, Maria convinced me that Sam is the best person who can set up the makeover... And she kinda did... But that bitch decided to make it a little too good...

Surprised?

Sam? Your ex? What does she have to do with this?

Ouch!

Slap

Hey! Why'd you do that, Lola?

Don't even think about doing it again!

Yeah, right... I see someone's head is filled with fat.

Giggle Sorry, chica, but dat juicy booty of yours just made for eet. You should be more careful sticking eet out like dat.

I can't promise anything...
Giggle Gee, I just love what you did to yourself! Though you could ask to put some of dat fat into your boobs too.

No, really... Look how tiny dey are... Mine were bigger where I was, like, fourteen.

Hey, don't touch them!..

Giggle I see dey're as sensitive as before... The new piercing really suit dem.

T-That's enough, you can't just squeeze them like that.

Shh... Dere's no need resist eet... You should play with dem more often, chica... Just like dis...

Moan No, I won't let you do what you did last time!

C'mon, don't run away from me! Oh, Maria said dey also did something to your little thingy! Show eet to me!

Fuck off, Lola!

Uh... Sorry, that girl is just unbearable... So where were we?

Oh, sure... She totally is! I thought I'm gonna kill her when I saw those tattoos!

Yeah, they're so girly!.. And those piercings too! Gosh, she just had to make me look like a Latina, but not a slutty one... Ugh, she's gonna pay for it!

No, I'll deal with her myself when I come back from Mexico. Right now I have other things to worry about. Actually, I gotta get ready for the plane.

You were talking about Sam being a bitch.

Tattoos?

Shit... Ghm... It sounds terrible... So what are you gonna do? Look, if you need help to pressure her...

I'm sorry... You know, it's better not to attract unnecessary attention right now.

You'd rather visit me later in Mexico when I settle in. You'll come to visit me, won't you?

Great, then I'll be waiting for you, cariño.

Uh-huh. See ya!

I see... Umm... So we won't have time to meet before you leave?

Of course, I understand...

Yes, yes... Umm... Of course, I'll come!

Yeah... Umm... Take care out there, Daphne!

Bye!

Oh, shit...

At the airport

Whistle

Look over there,
dude!

Hey, not everything ees about you, Dee. Dey look at us too.

And, chica, you wore such skirts before, no?

Well, get used to eet, chica. Dat's de longest skirt you can wear.

Si, you gotta match our vibe, Dee.

I told you this skirt is too short, girls! Everyone is looking at me!

Yeah, but there was the hip shaper under them and now... Umm... It feels totally different.

No way, I'd rather match my sister's vibe, right, Maria?

Wear what you want, cariño, but I think dis ees not de way you should talk, no? Where ees your accent, chica?

Sophisti-what? Listen, Hermana, I'll tell you secret... You just need smile and giggle when you talk. Dat make you look like you know something.

Oops, I forgot about eet, lo siento.

Well, those thugs won't listen to dese excuses. And get ready, once we're in Mexico, only Español should come out of your mouth, got eet?

Sure... Umm... De problem ees, I still don't know many words and have some troubles wiz making sentences... I'm not sure I'll manage...

Eet's okay, nobody's expecting sophisticated talk from a girl like you. Look at Lola and Tali, dey've lived to dese days without knowing what ees "Sophisticated".

Eet doesn't help you, Lola...

Hmm, Camila Ramirez,
is that right?

Just a minute, I'll check
the database... Also could
you take off your glasses,
Miss Ramirez?

Si, dat ees me, señor.

Ghm... N-No, not at all... I just... I just had to check if you look like...

Yes, yes, very fine... I mean... Everything is in order here... Umm... I won't delay you any longer. Have a smooth flight, miss!

Uh... Ees dere any problem, señor?

Aaand... Do I look fine?

Oh, dere's no need...

Giggle Just my stuff, actually. I barely squeezed eet dere.

Oh, muchas gracias, señor!

In fact, let me help me with your luggage, miss!

I'd insist! A lady like you shouldn't lift such a weight... Oh, what's in there? Stones?

Don't worry then, I'll take care of it. You may proceed to the plane.

Whew, it actually worked!.. I never thought that Rosalinda's tricks from "Rosa, la flor del amor" would ever come in handy.
Giggle He totally fell for that...

Wait, why am I so happy about that? I was just flirting with a dude!.. Okay, this was just one time thing due to the emergency and you better forget about it, girl!

Hey, chica, what you chirped about wiz dat cute guy?

What?.. Umm...
Nothing...

Did he? I didn't notice.

Sure, sure... Listen, eef you liked him we're not gonna tell anyone.

What? Oh gosh, let's hurry up, chicas, we're gonna miss de plane!

Really? Den why he smiled from ear to ear?

Si, you gave him your number, didn't you?

Adiós, Los Angeles, I'll see you in a year, I guess... Gosh, I hope Granny eesn't looking at me from up dere.

Really? Oh, so where exactly are we gonna live?

Well, if dis isn't de adventure she wanted for you, den what ees?.. Trust me, time will fly by quickly. You won't even be able to miss LA. Besides, I think you're gonna like your new home.

You'll see. Dat's de place where I grew up... So many memories about eet...

An hour later
