After having some more fun with LEXI...

And after verifying that changes can be reverted...

The girls start to play a LEXI enhanced game!

I want those tits back... Or maybe half their size?

Are you ready, girls?

Let the Game of Change begin!

How will the girls change one another?

LEXI, tone Jessica's body up. Make her a real fitness babe.

*Affirmative.
Toning up muscles
in target Jessica...*

Now, my turn!
Sierra, if I remember

LEXI, Make it so that Sierra does not grow any body hair below her head.

Sierra!
What are
you doing?!

What?
Don't you

look cute?
