

Chinatown. 6.30 p.m. Chloe Burns (29 years old, 175 cm) was a little late at work and now returning home in a light rain...

A woman with dark hair in a bun, wearing a blue and white striped tank top and blue jeans, is walking in the rain. She is holding a black umbrella and talking on a silver flip phone. The background shows a city street with buildings and a yellow pole. Rain is falling heavily around her.

You might have disagreed with him, Chloe. Why didn't he even give you a ride home? Why do you have to walk in this weather. After all, a strong thunderstorm was promised today!

No, Carmen, I just had to stay! What could I do? It's good that I took an umbrella in the morning. Although the rain is very small, but I don't really want to get wet at all...

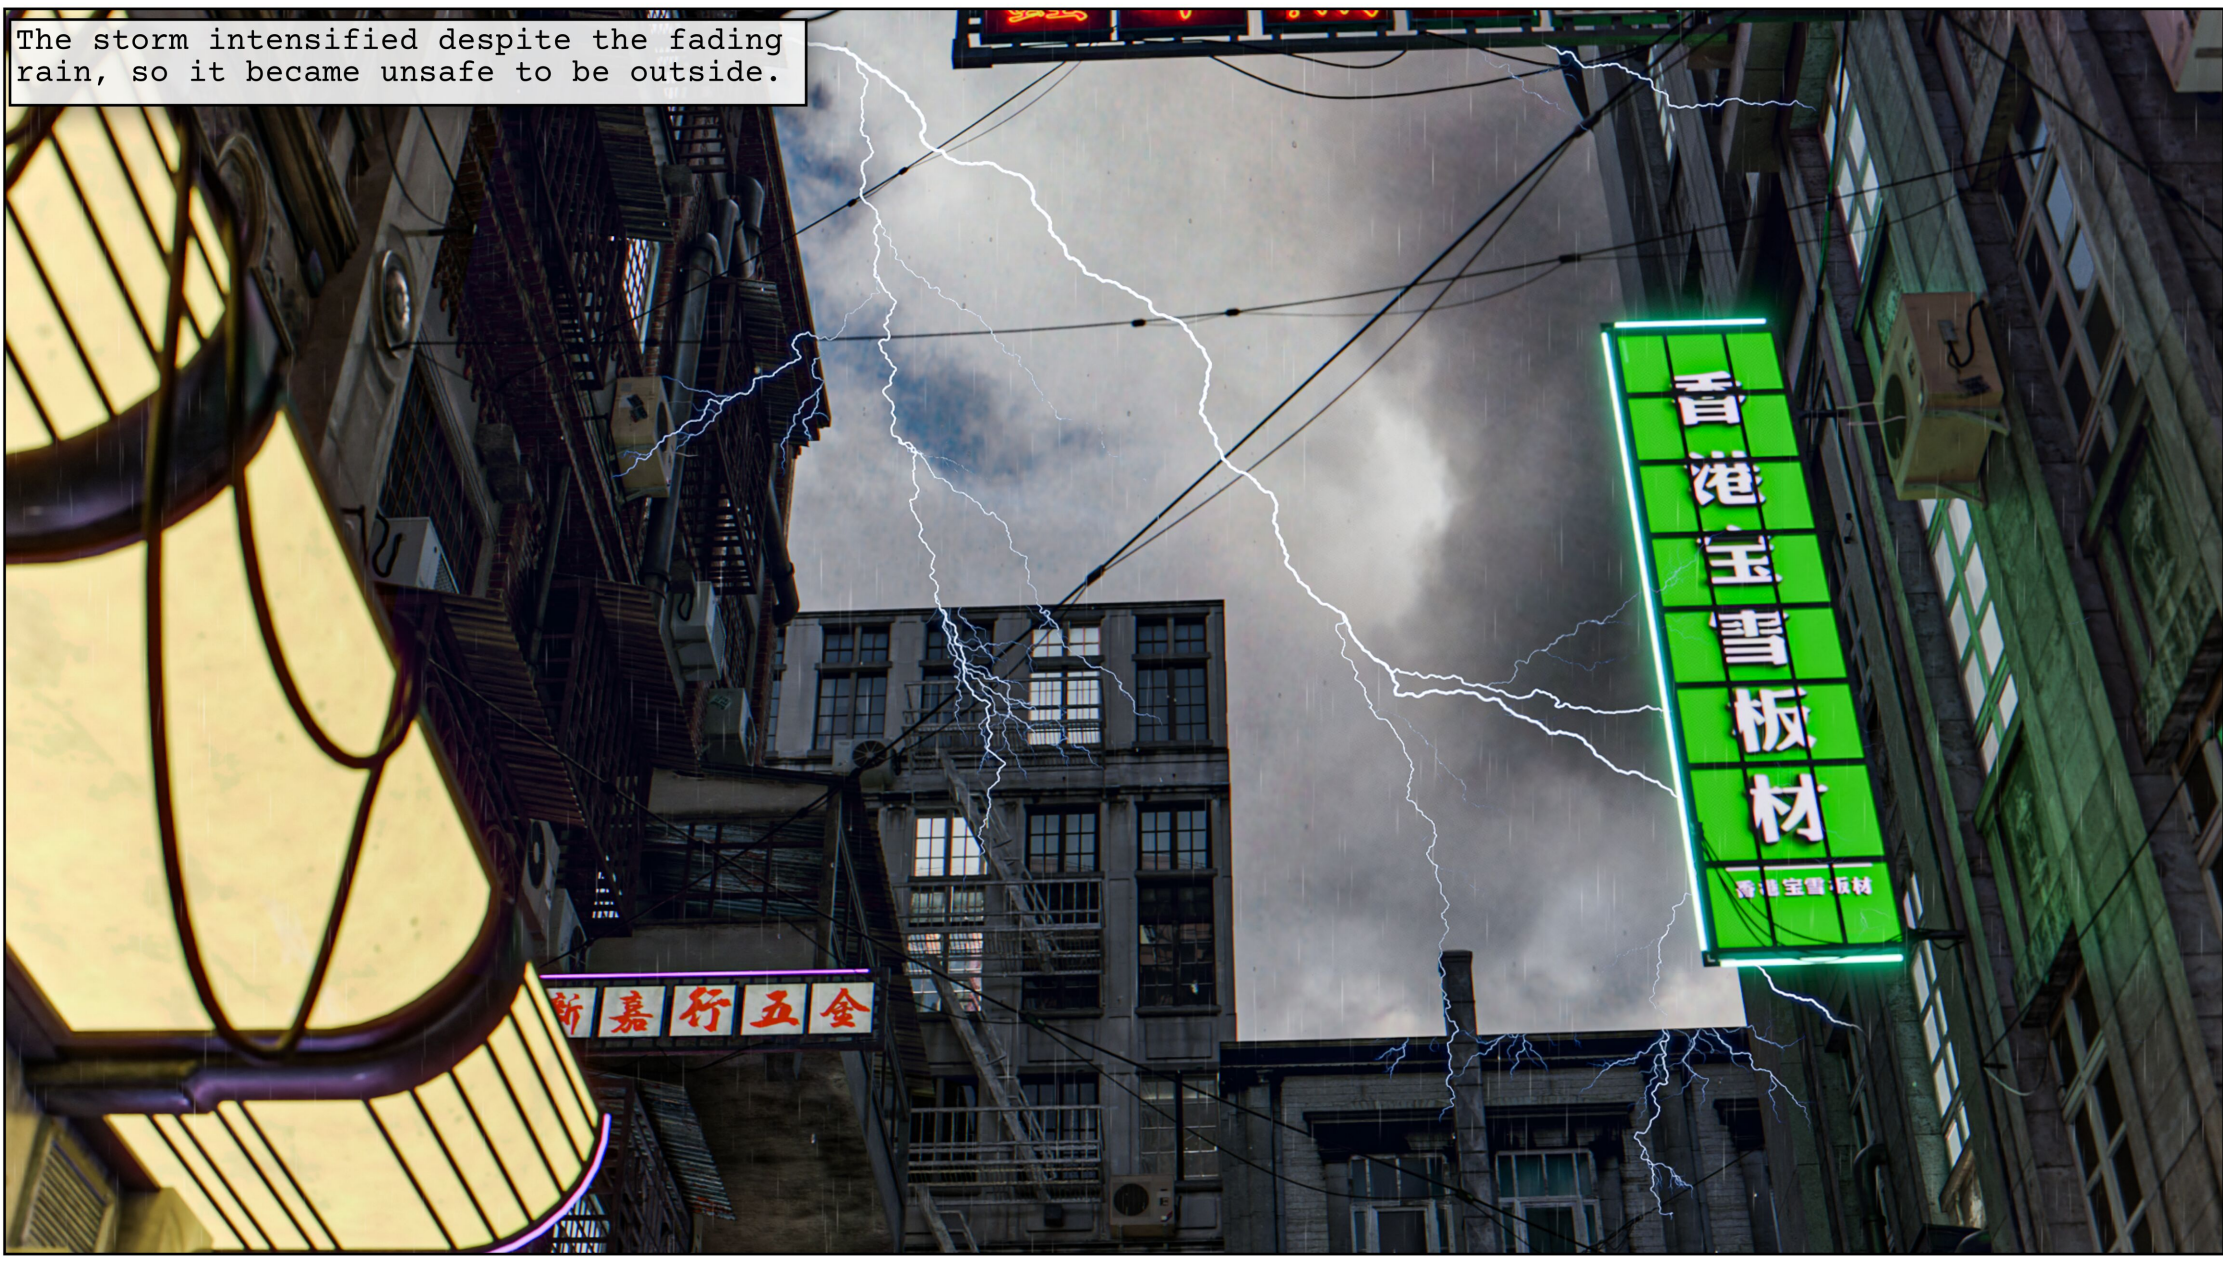

THUNDER

Wait a second, Carmen,  
there's something...

The storm intensified despite the fading rain, so it became unsafe to be outside.

Dear God...

Chloe, what is it?  
What's happening?

A woman with dark hair in a bun, wearing a blue and white striped tank top and jeans, stands in the rain. She holds a large black umbrella in her left hand and a smartphone in her right. She has a surprised expression with her mouth open. The background is a stone building with windows and graffiti. Rain is falling all around her.

WOW! This is the most beautiful  
and dangerous thing I've ever seen in  
my life!

Chloe, Chloe, can  
you hear me?

I'm sorry Carmen, I just saw a strong lightning bolt and I... what were you saying? Wait a little more, please, I need to cross the road.

A woman with dark hair, wearing a black and white striped tank top, dark blue jeans, and red high-heeled shoes, is walking on a wet, reflective street at night. She is holding a black umbrella and talking on a mobile phone. A white speech bubble originates from her, containing text. The background shows a city street with a sidewalk, a building with a neon sign that says 'Cocktails', and some graffiti. The ground is wet and reflects the streetlights.

Chloe, if you just saw a lightning bolt,  
you should put your phone away immediately!  
I've read that electronic devices like phones  
attract lightning in a thunderstorm!

SHIT,  
WHAT???

Chloe didn't have time to understand anything, as a strong thunder rang out and at the same moment lightning tore through the sky and hit straight into the tip of Chloe's umbrella!

The lightning bolt was so strong that it lit up the whole street! But for Chloe, this feeling was something special, despite the expectations, it was a kind of pleasure...

Of course, the lightning burned through the umbrella, but who cares? Chloe felt a huge surge of strength and energy that permeated her entire body!

MMM...

What, what just happened to me?

Oh, my head... Did I just get struck by lightning?

A woman with dark hair in a bun, wearing a white and navy blue striped sleeveless top, dark blue jeans, and red high-heeled shoes, stands on a city street. She is holding a black umbrella behind her. Her arms are slightly outstretched. In the background, there is a dark wooden bench, a building with windows, and a sidewalk. The ground is paved with cobblestones and has some litter. A thought bubble is positioned above her head.

This is something new...  
My body is completely  
electrified!

Pure power seems  
to flow through my  
veins! Who would have  
thought of such a  
thing?!

While Chloe was wondering what the lightning had done to her, something else started happening to her body. Something completely different...

Wha...

The girl's muscles, like herself, began to increase in size. It was so unexpected and at the same time pleasant that Chloe didn't even understand anything.

A woman with a very muscular physique, dark hair in a high ponytail, and a striped tank top stands in an urban setting. She has her arms raised and palms facing up, looking at her hands with a surprised expression. A speech bubble is positioned above her head.

Oh my God, oh my God!  
What's going on with my body?  
But... how pleasant it is!

A woman with dark hair in a high ponytail, wearing a white and blue striped short-sleeved shirt and blue jeans, is posing with her arms raised. She is standing in front of a building with a stone facade, windows, and a blue sign with yellow Japanese characters. A speech bubble is positioned above her head.

If this keeps up, I'm going to need  
a new T-shirt and jeans! Although I  
don't mind at all...Whatever it is, I want  
to continue!

A woman with extremely muscular arms and torso is standing on a city street at night. She is wearing a white tank top with thin blue horizontal stripes, dark blue jeans, and red high-heeled shoes. Her hair is dark and pulled back. She is flexing her right bicep, and a speech bubble originates from her hand. The background shows a city street with a bench, a building with graffiti, and a wet pavement reflecting the streetlights.

I've only seen such hands on those bodybuilders on TV. And now I have exactly the same! This is amazing!

A woman with dark hair in a high ponytail, wearing a white tank top with dark horizontal stripes and dark jeans, stands on a city street at night. She is looking to her right with a slight smile. The background shows a building with a bench and some blurred lights.

And what, having  
such power not to try it out  
in action? No way!

A woman with dark hair in a high ponytail, wearing a white tank top with dark horizontal stripes, stands in a workshop. She is looking towards the camera with a slight smile. Her right arm is extended forward, palm up. The background is a dimly lit workshop with various tools and equipment. A speech bubble points to her from the right.

Hmmm...it seems this thing is just what I need!

Chloe walked over to  
the lonely bench.

When Chloe bent down to grab the bench, her jeans couldn't stand her gorgeous grown muscular legs and tore in several places...

Chloe didn't even feel the weight of this bench, as if she had lifted a plastic cup!

藥

She was so engrossed that absolutely did not notice the approach of someone else.

Hey lady, I'm sorry,  
but what are you doing  
with this bench?

Oh hi! I'm just trying to rid the streets of these ugly benches! Can't you see?

A cinematic scene featuring two men in an urban setting. On the left, a man is seen from the back, wearing a white tank top with thin blue horizontal stripes and dark blue jeans. He is looking towards the right. On the right, a man with dark hair, wearing a dark navy blue button-down shirt under a grey blazer and dark trousers, stands looking back at him. He is holding a brown leather briefcase in his right hand. A speech bubble originates from the man in the suit. The background consists of a grey brick wall with some graffiti and a utility box.

Are you out of your mind?  
Put that thing down or I'll  
have to call the police!

Listen, little man, I've just been struck by lightning and I want to train, right now! My body has grown so much that I can easily lift such things! And you want me to stop? Really?

Oh my God, what are you talking about? Is this a joke?

Oh, no! I'm not kidding at all!  
And I liked this transformation so much  
that I want my body to become even bigger!  
My height is already probably about 230  
cm...

A blurry night scene of a city street. In the foreground, a light pole stands with a yellow diamond-shaped sign showing a right-turn arrow. To the right of the pole is a yellow utility box covered in graffiti. The background shows a building with lit windows and a closed storefront with a roll-up door. A speech bubble is in the lower-left corner.

... I think I know what to do next...This  
light pole is just suit for that...
