

You heard me,  
stupid bitch! Walking  
barenaked like that, you  
offend our lord! You'll  
burn in hell!

Throw me the  
missile, would  
you Jim?

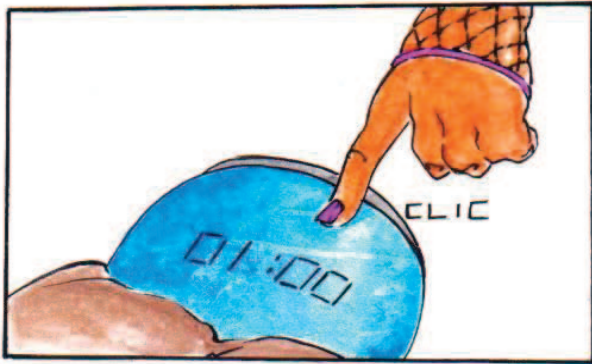

Let's get  
rid of this

And shove it  
up your ass!

No!  
Save me lord  
please!  
I beg you!

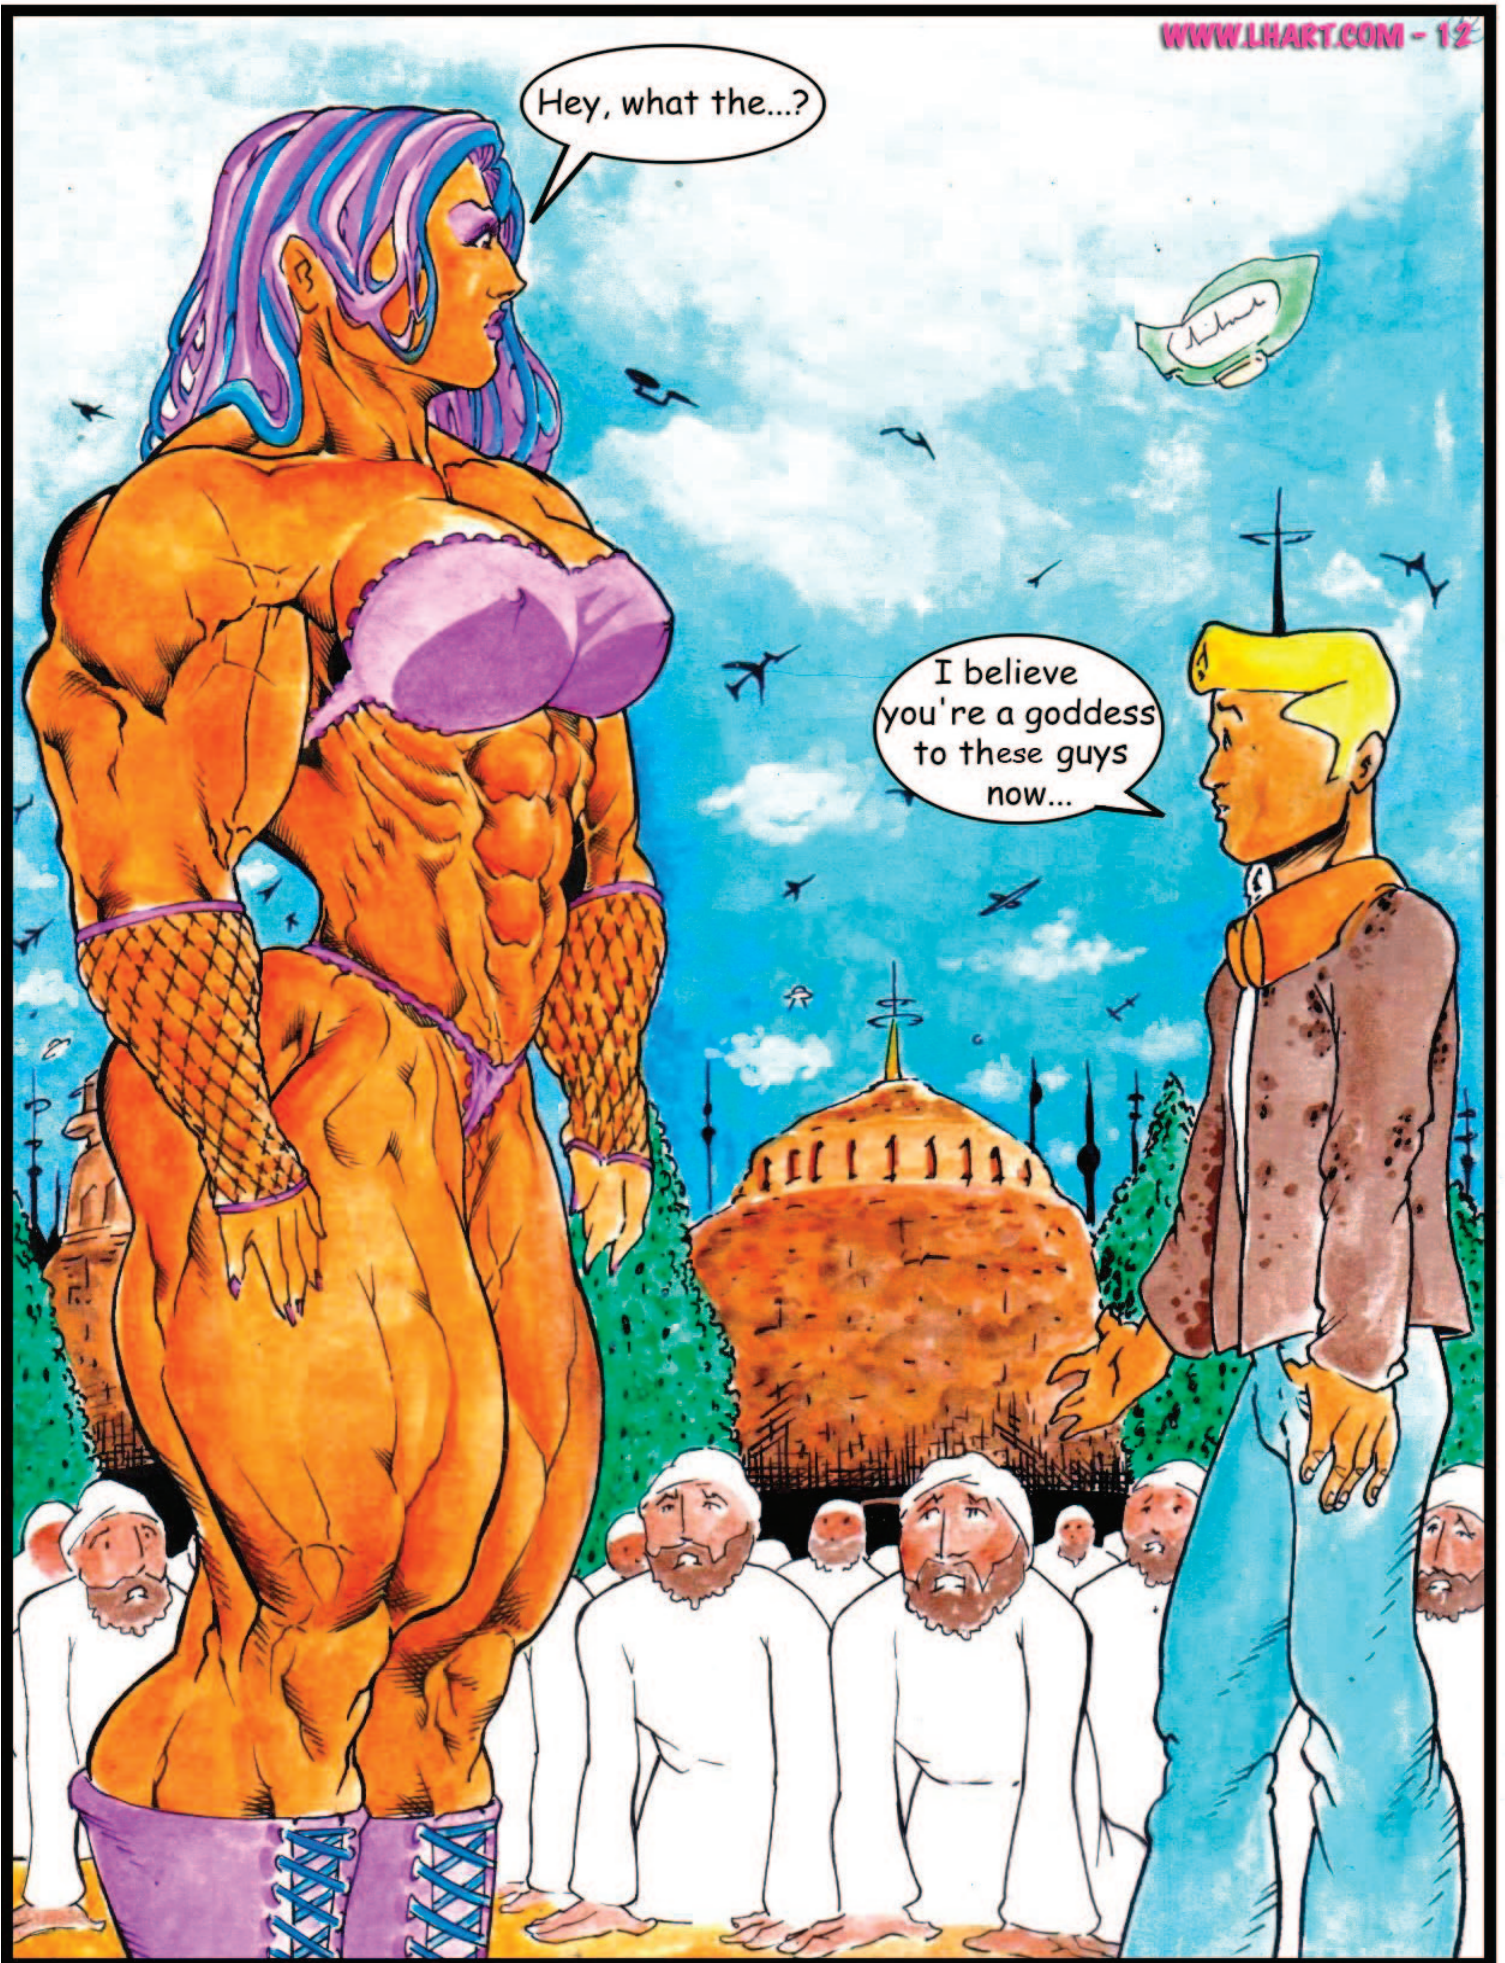

**Th-boooooommm**

Hey, what the...?

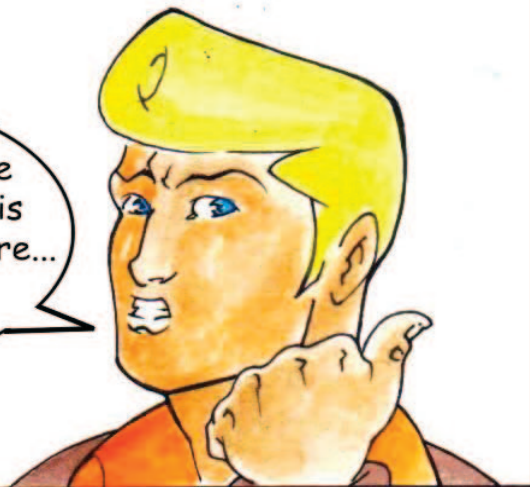

I believe  
you're a goddess  
to these guys  
now...

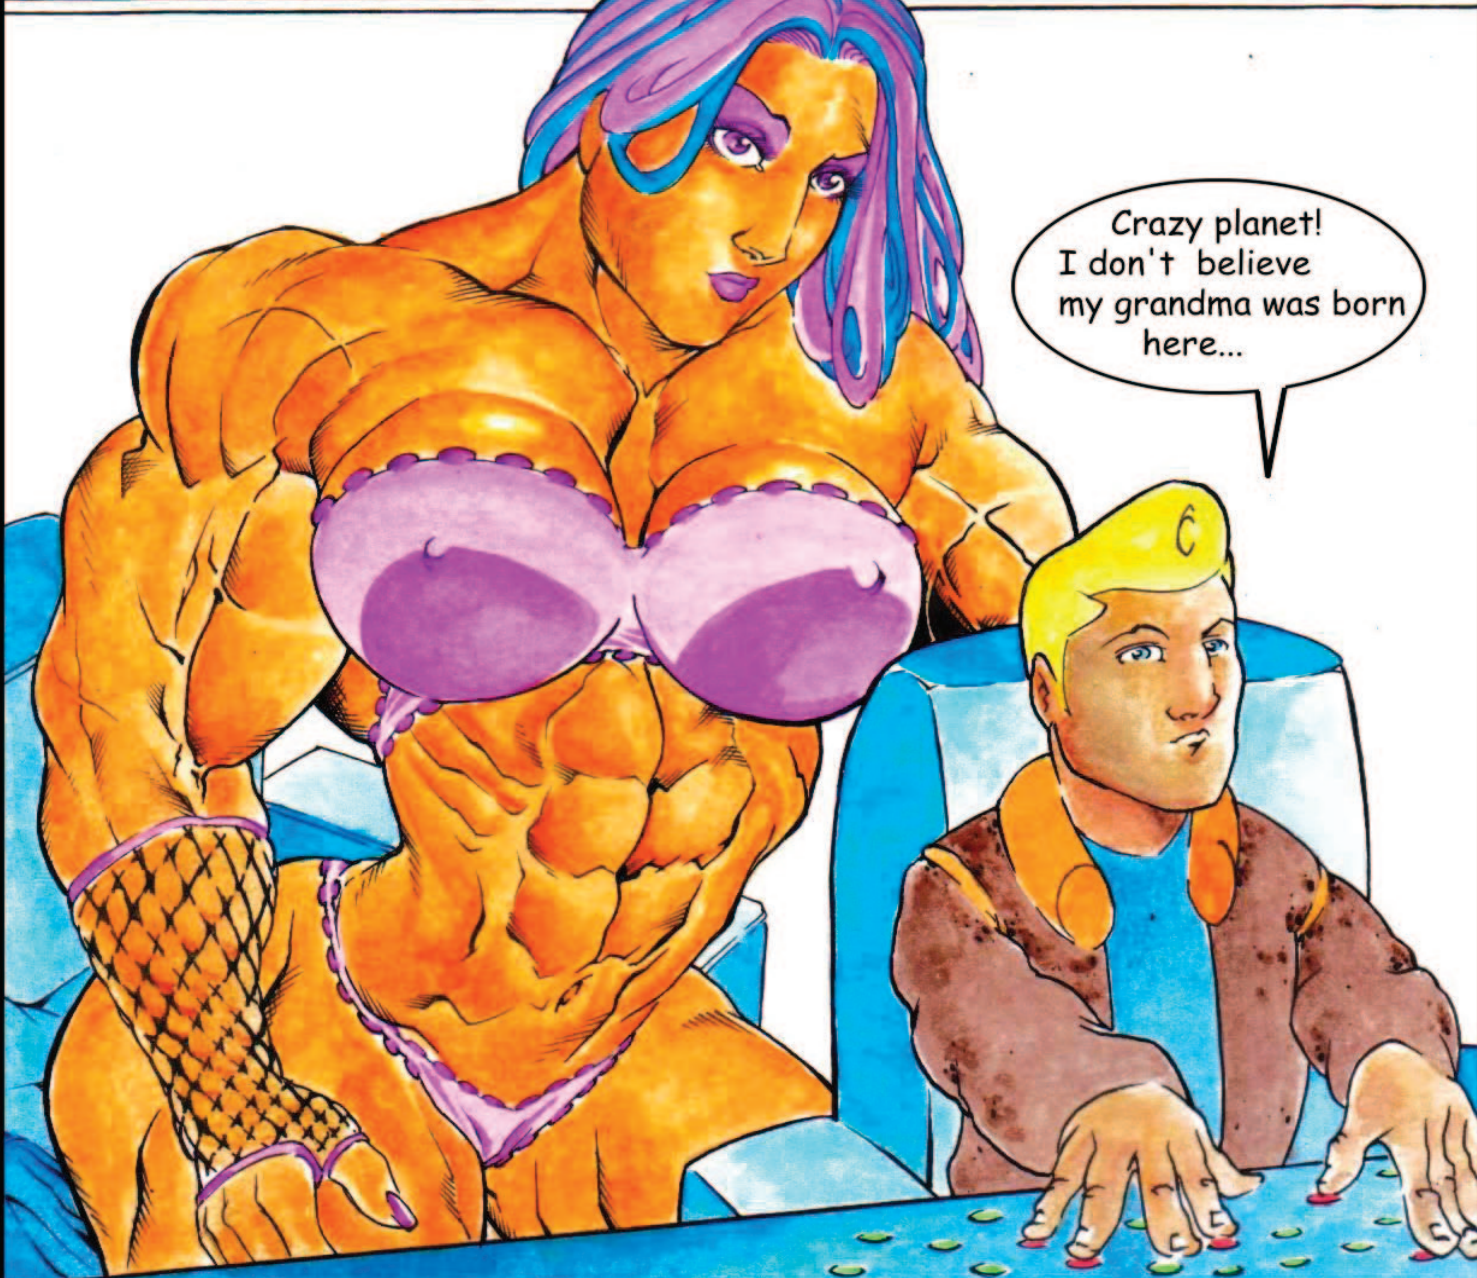

I don't know  
how to respond  
to that...

In that case, the  
best we can do, is

After that dream, i was hoping

...poop!

Nevermind...

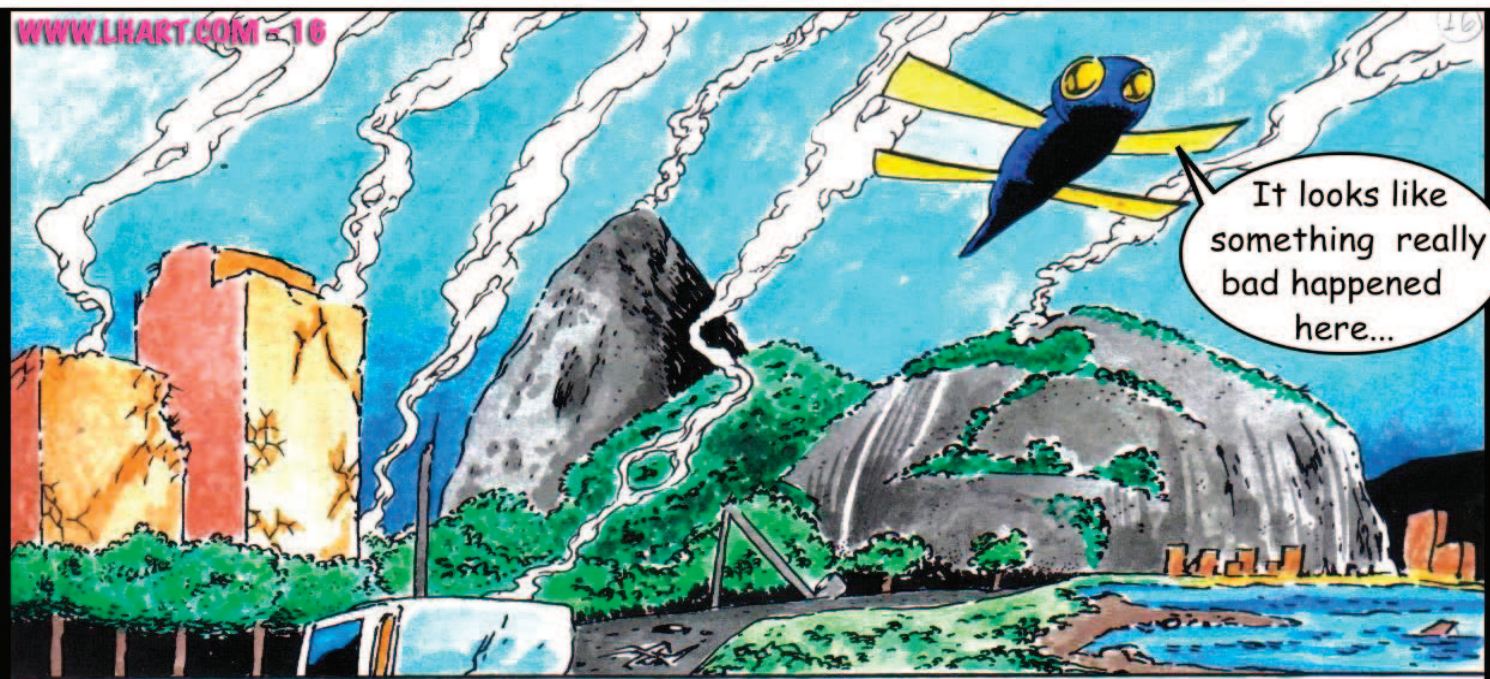

Hey, wait up! The earth's a big planet!  
We could just be on the wrong side of it!  
How was your dream again?  
The place i mean? Beaches, montains like  
a camel's back, and a statue on top  
of a higher montain, right?  
I'll try to match this description on  
the ship's computer.

Ok...

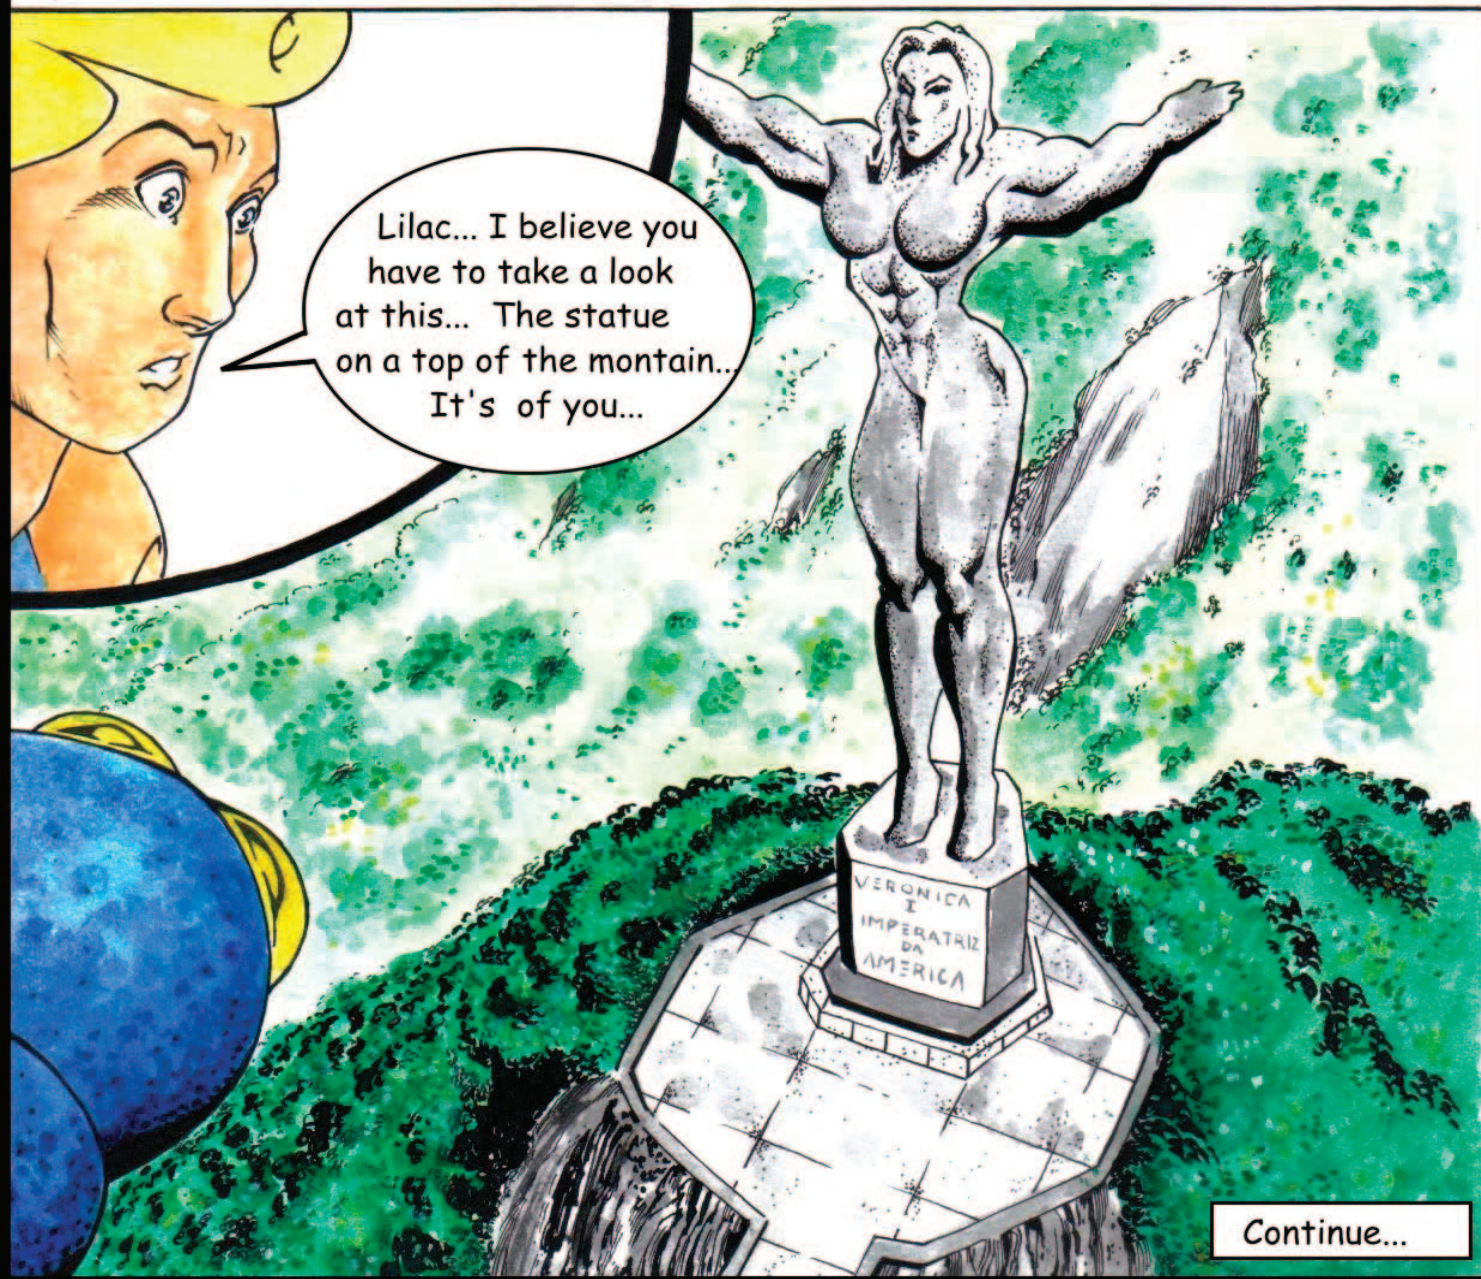

I got it!  
It's in a country named Brazil.  
A city called Rio precisely.  
It must be there! We're already  
on the way!

It looks like something really bad happened here...

Lilac... I believe you have to take a look at this... The statue on a top of the montain... It's of you...
