I was alone in this laboratory...

DOUBLE_A4

It takes me a lot of time
just to research these, and it is
difficult to find volunteers...

This is not my problem.
If there is no any real case, I don't think I need to stay here anymore.

DOUBLE_A4

In addition, the news said that two people were missing from a gym near the laboratory where the accident occurred. It seems to be the one you often go to.
