LITTLE BIG LOVE  
(By EIRelator)

Ben and Natalie had been living together for a month since they started dating. Naturally, due to her size, they had moved together into Natalie's, which was huge from Ben's perspective. The walls were full of their pictures. They didn't know that Kayla was planning something to get Ben. The little guy was so happy that he didn't have to live with his abusive brother anymore, now that he was sharing his life with a beautiful giantess who loved him and protected him from any harm. He felt like the luckiest man on Earth. But, for all their love, they hadn't had sex yet, and Ben desired her so much that it was very hard for him. That very day, Ben felt the moment had arrived to talk to Natalie about his hardship...

LITTLE BIG LOVE  
(By EIRelator)

-Nat... could we talk, please? -Ben asked, looking very serious.

-Of course, Benny... Is there anything wrong? – She said, worried.

-Well, you've been my girlfriend for more than a month now and, we still haven't... You know...

-Sweetie... We've talked about that... I don't think I'm ready to have sex for the first time...

-I know, I know! But... - Ben protested, feebly.

LITTLE BIG LOVE  
(By EIRelator)

-But you must understand that is very hard for a man like me to have a girlfriend like you, and not being able to... have sex with her...

-Maybe we don't have sex, but you've been sucking my nipples every day since we started dating -she reminded him, smiling mockingly.

-Well, that's different, babe! -he said, feeling a bit embarrassed - I need your milk to keep my size, I just suck your tits because if I don't do it, I would shrink even more!

- Yeah, maybe, but you have an erection EVERY TIME I feed you. So, you can't say that you are not having fun with me, can you? – she added, matter-of-factly.

LITTLE BIG LOVE  
(By EIRelator)

- Of course, I love doing it! Natalie, you can't understand how amazingly HOT you are... Sometimes I think that if you weren't a million times stronger than me... I.... I would.... I would...- he begged, caressing her giant legs, his hand feeling her warm, perfect calf.

- You would... force me, little guy? -said Natalie, finishing his sentence.

- Er... well, no! I'd never do something like that! -he answered deftly, catching himself in time.

LITTLE BIG LOVE  
(By EIRelator)

- Come on, why don't you try to force me, tough guy? – she teased him, playfully pushing him back with her gigantic foot.

- Whoaah!! N... Natalie! I didn't want to say that! -he stuttered

- You know, if you tried to force me... Maybe... I think I might accept it -

- R... Really? -he asked, flabbergasted.

LITTLE BIG LOVE  
(By EIRelator)

-Yes, the idea of a tiny man like you are acting in a dominant way would turn me on so much... I get wet just thinking about it -she revealed, picking him up easily, with just one hand.

- I... I didn't know you liked dominant men – he said, his feet dangling in the air.

-I don't like them in general, silly. I like the idea of YOU being dominant.

- It would be very difficult for me to act authoritatively with you... I mean, you are so BIG and POWERFUL... you are practically a GODDESS compared to me -he explained.

LITTLE BIG LOVE  
(By EIRelator)

-Not today, little one. Today you will be the master, and I'll be your submissive girl - she whispered sexily.

- If that turns you on, I'll do it! Could... Could you put me on the floor, please?

- Nah, a dominant male wouldn't ask it like that...-she teased.

- Ok babe! Now I COMMAND you: put me down, or else... -he said, sternly.

- Yes, master – she replied softly.

LITTLE BIG LOVE  
(By EIRelator)

- That's better. Now you'll do exactly what I say -he ordered- and if you are good, I might give you something you will really enjoy later -he then added teasingly.

- I wonder what that could be -she said with a sensual tone -I'm ready to obey, master.

- Good for you -Ben sneered, feeling a hard-on and discovering this other side of his personality, a side which had been always hidden, but which promised an exciting development – Now take off your skirt and top, and come to bed with me.

- As you wish, master – she said, submissively.

LITTLE BIG LOVE  
(By EIRelator)

Natalie then turned around to get undressed, while Ben couldn't help gazing at her amazing body. Once again, he couldn't believe that his girlfriend was such a beautiful giantess, and today she was even being his slave.

-Chop chop, don't make me wait! - he just said, hiding his secret emotions.

LITTLE BIG LOVE  
(By EIRelator)

**Natalie, with her back to Ben, slowly unbuttoned her skirt and let it slowly slide along her beautiful, seemingly endless legs, along her toned, strong thighs and her chiseled calves.**

**Ben, panting incredibly aroused at the view, quickly took off his pants and t-shirt, ready to the action but willing to keep playing that amazing game.**

LITTLE BIG LOVE  
(By EIRelator)

**-Do you like what you see, master? – she asked teasingly, turning around and revealing her amazing body to him.**

**Obviously, Natalie was the sexiest woman he had ever met; his heart still pounded at the mere sight of her; but he was trying to act as if he wasn't impressed.**

**-Not bad, not half bad- said Ben, trying to keep it cool, despite his increasing arousal- And why are you wearing so sexy an underwear, when you didn't know you were supposed to get naked for your master? Do you usually wear it when you go out? - he inquired, only half-jokingly.**

**LITTLE BIG LOVE  
(By EIRelator)**

-What are you going to do, master? – she asked, seemingly preoccupied.

-You are going to find out pretty soon, doll- said Ben, keeping on caressing the wonderful ass.

LITTLE BIG LOVE  
(By EIRelator)

**-Are you ready for your punishment? – he asked perfunctorily, preparing himself to spank her as hard as he could. He wasn't afraid to hurt her, as due to her size difference she would hardly feel any pain at his blows.**

**-Please, master, don't be too harsh... -she begged with her most feminine and sensual voice.**

LITTLE BIG LOVE  
(By EIRelator)

When he spanked her, she started moaning, as if it was hurting her. Natalie was really getting turned on by the situation. Knowing how much more powerful than him she was, the idea of letting him dominate her like that was extremely exciting.

Ben was experiencing similar feelings. As Natalie, due to her size and her amazing "growing" power wasn't used to being "dominated" by anyone, Ben wasn't used to dominating other people. They were both exploring a new, breathtaking territory.

LITTLE BIG LOVE  
(By ElRelator)

-Please master... I've learned the lesson! -she implored, turning around.

-I'm the one who decides when it's enough, babe...- he answered, without stopping.

-But please... Your hands are so powerful and masculine, don't spank me so hard... I'm begging you...

-I hope this is the last time you have worn that kind of lingerie when you go out! – he went on.

LITTLE BIG LOVE  
(By ElRelator)

-Of course, Master! From now on, I'll wear my sexy lingerie only to please you! – she hurriedly pleaded.

-I'm the ONLY man you can please, understood?

-Yes! I promise!

-And you'll start pleasing me right now... - he stated, mysteriously.

-Ok, master! What can I do to please you?

LITTLE BIG LOVE  
(By EIRelator)

**-To start, take off your panties, I want to have fun with you- he sneered.**

**She took off her panties obediently and spread her legs in front of him, her intimate parts throbbing in anticipation, ready to have sex for the first time with her little boyfriend.**

**-Please master, penetrate me... I'm all yours to please you -she said sexily.**

**He took off his underpants, showing his tiny dick to her. Obviously, he could never satisfy a woman like Natalie with that insignificant thing, but their roleplaying was exciting them so much, that they decided to just keep pretending that he was a powerful alpha male.**

**LITTLE BIG LOVE  
(By EIRelator)**

-Oh God... This... This feels so good! -she said, aroused by the idea of Ben taking her, some kind of pleasure she had never felt before.

- Oh Yes!!! -he shouted, penetrating her with his little shaft – D... Do you like it, babe?

- I love it, master!

LITTLE BIG LOVE  
(By EIRelator)

Suddenly, Natalie experienced an odd sensation. She could actually feel something inside of her pussy and that wasn't possible: how could a girl her size feel that tiny dick? – Oh... Ben... is like... as if your dick was... GROWING inside of me

Yes!!! -he said – I... I can feel something too! --he said, as he somehow felt that his penis was rubbing against the sides of her vagina.

LITTLE BIG LOVE  
(By EIRelator)

- I think that, when it was inside of you, somehow it absorbed your "growing" power and used it to adapt to your size! – he tried to explain.

-Do it again!!! Penetrate me! -she said, drunken with endorphins, looking at his huge member with desire – I want to feel that thing inside of me!!!- she blurted.

- Yes!!! -he answered, happy to notice that it was the first time he had seen Natalie so utterly excited.

LITTLE BIG LOVE  
(By ElRelator)

He penetrated her again, and his dick kept growing inside of her female parts. His manhood grew so much that Natalie felt as if it was almost stuck in her "tight" vagina (tight for a GIANTESS like her)

Natalie started moaning, louder and louder, and Ben kept thrusting deeper and deeper. She squirmed and begged him not to stop, and Ben discovered a virility he didn't know to possess. He went on for a while, until he realized, by her hurried screaming, that she had reached orgasm.

LITTLE BIG LOVE  
(By EIRelator)

Suddenly and surprisingly, she got up- Look!!! I can lift you like this!! Hahaha! This is so funny! -she laughed hysterically.

-Oh God!!! I can't believe this is real! – Ben exclaimed, astonished.

LITTLE BIG LOVE  
(By EIRelator)

-I could even carry you around the house like this... So you would give me pleasure while we talk...so practical! - she said, moving a few steps and squirming in pleasure, feeling his manhood inside her.

-Hey!! Don't make fun of me, Nat! I'm your powerful master, remember?!- he reproached her.

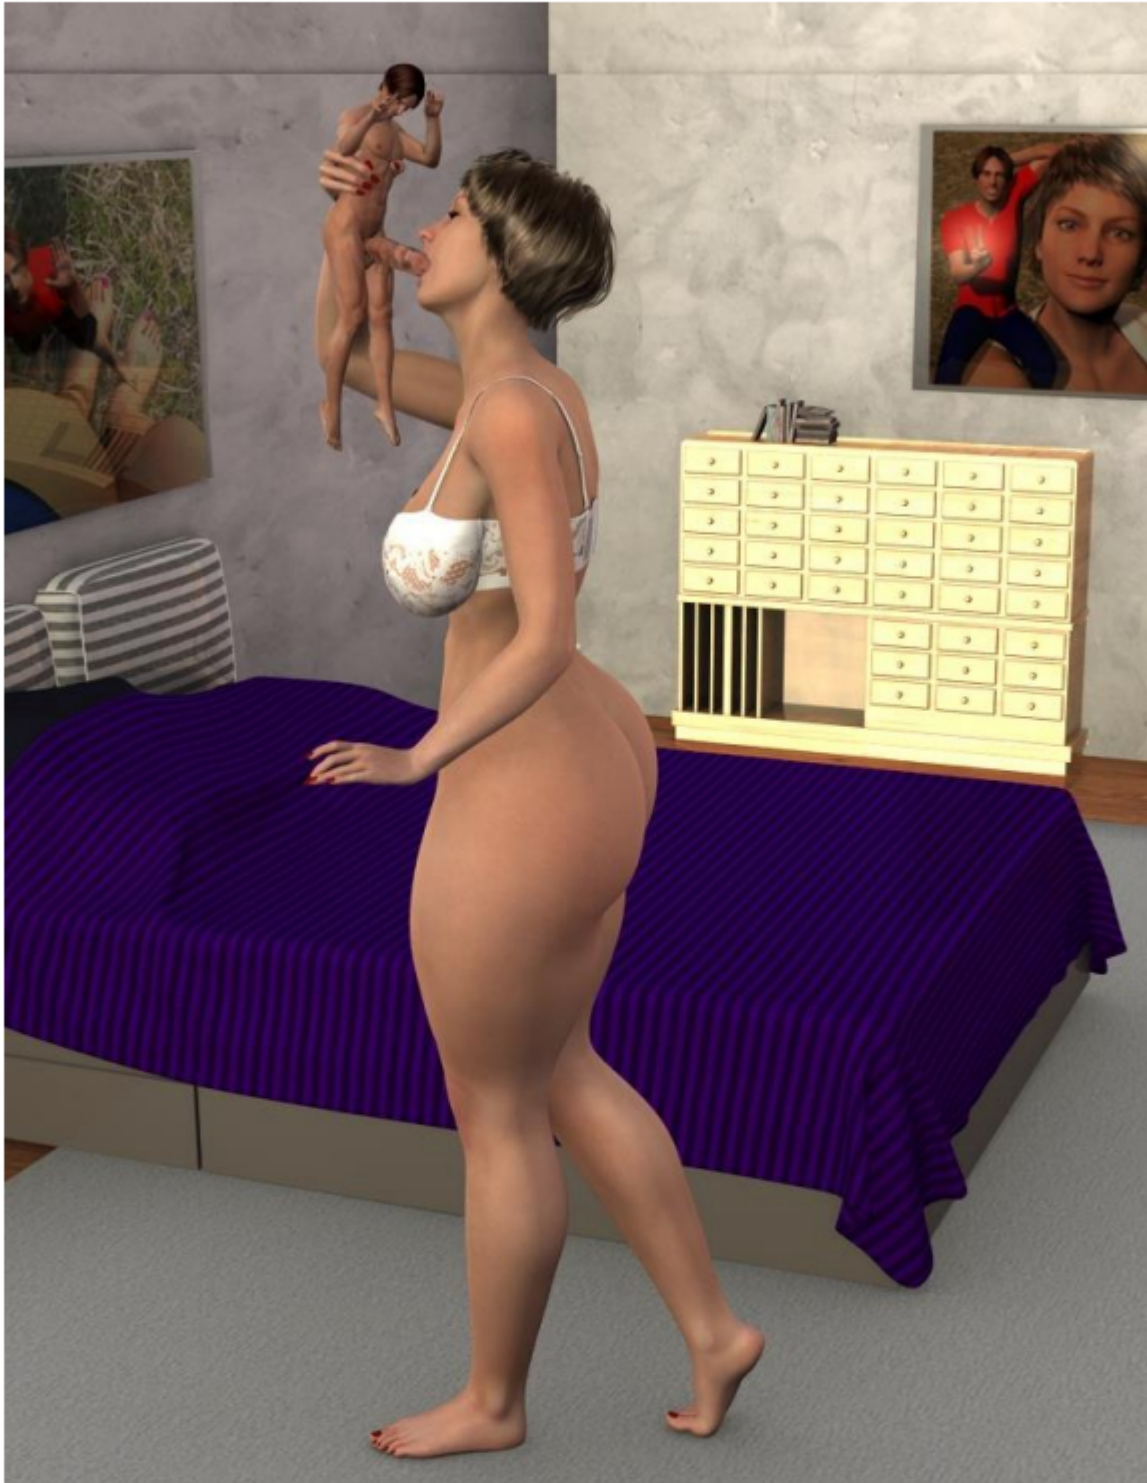

LITTLE BIG LOVE  
(By EIRelator)

**Natalie gently put his member into her mouth and started sucking it, experiencing an amazing pleasure as she had never felt before, as the idea of making Ben happy, of being the cause of his enjoyment fulfilled her with an unexperienced joy.**

**For Ben, it was amazing too. Knowing that his dick was now big enough to satisfy a Goddess was something he would have never imagined, even in his wildest dreams.**

LITTLE BIG LOVE  
(By EIRelator)

She kept pleasuring him, with her sweet feminine lips around that amazing cock, enjoying every minute of his delight.

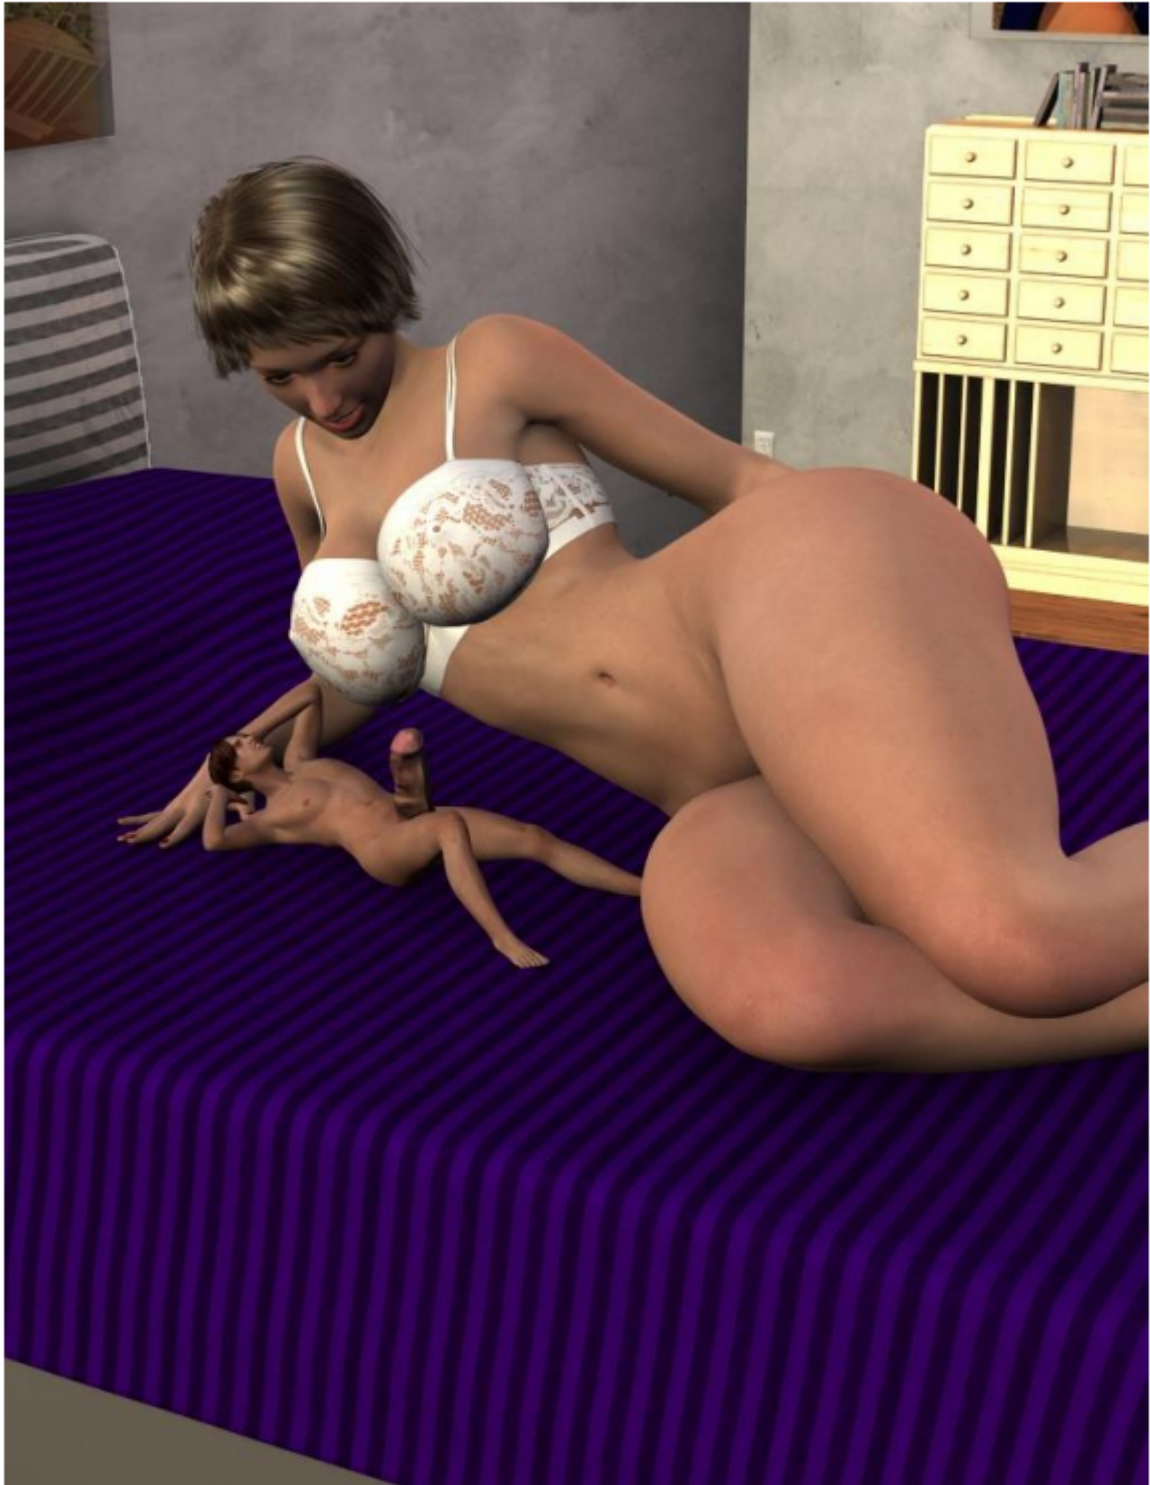

Ben's heart pounded in excitement, he was both physically and mentally experiencing total bliss.

LITTLE BIG LOVE  
(By EIRelator)

**His breath accelerated, and when he was about to reach orgasm, she took him off her mouth and he came.**

LITTLE BIG LOVE  
(By EIRelator)

After that, they both lay in bed, exhausted, and fell asleep together.

LITTLE BIG LOVE  
(By EIRelator)

He managed to climb the bed, something really hard, for a man his size.

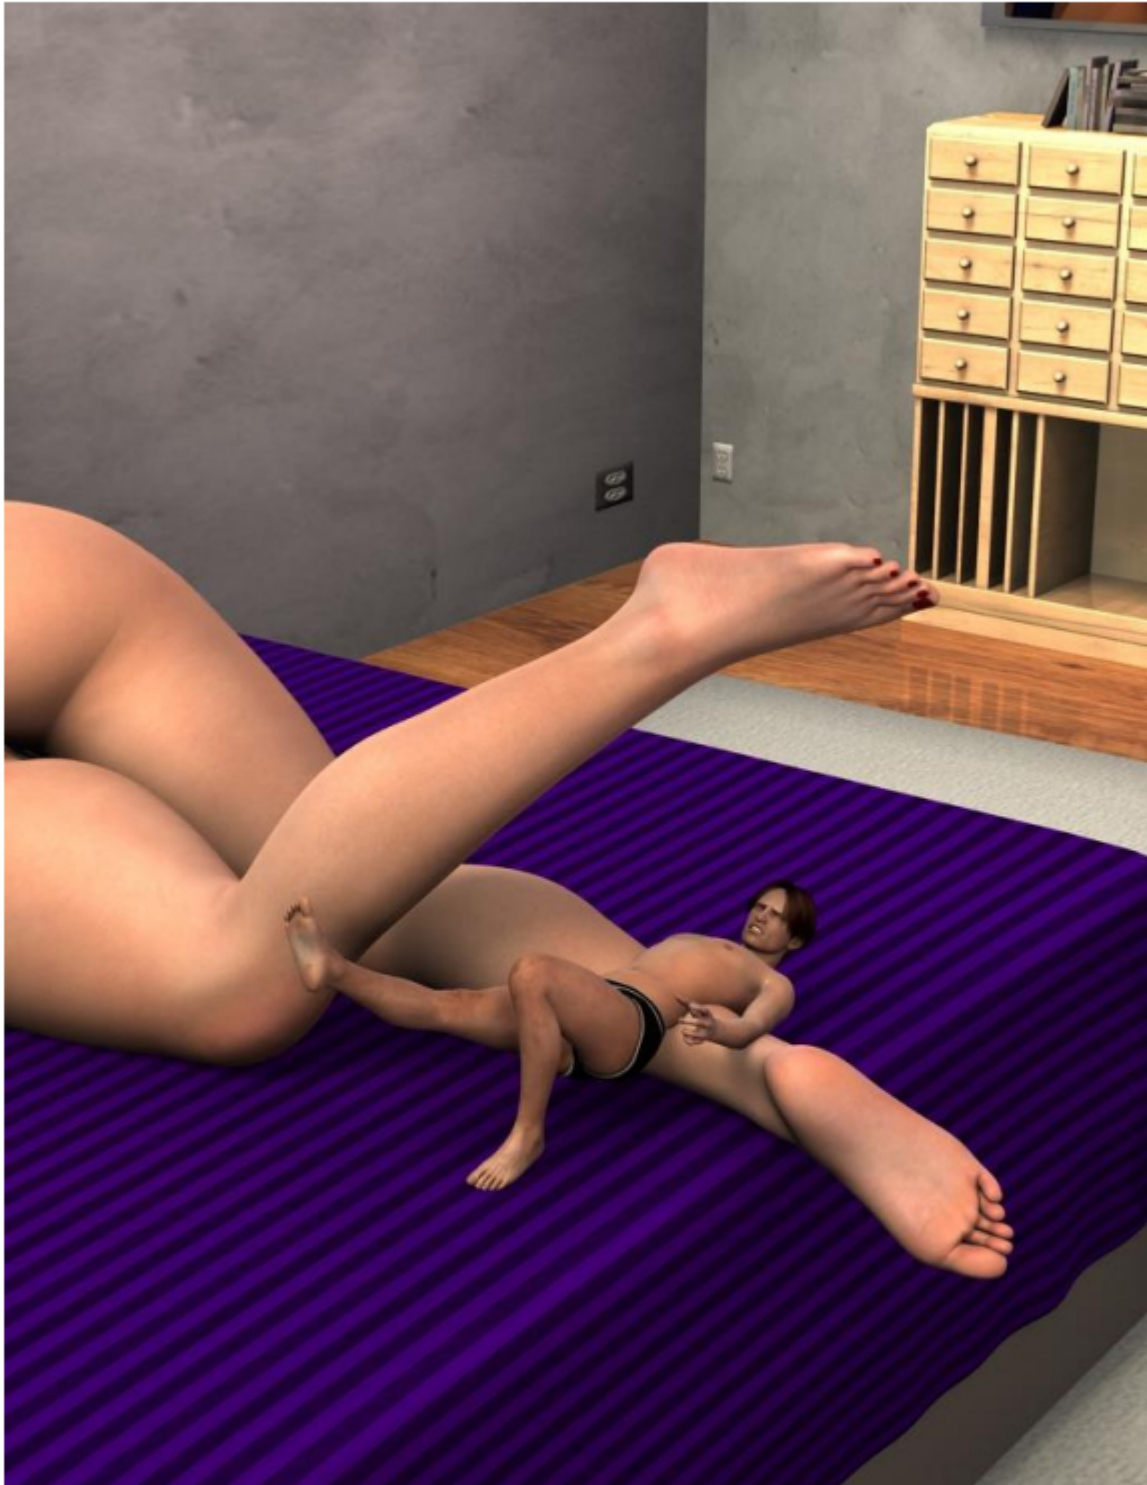

LITTLE BIG LOVE  
(By EIRelator)

But then she suddenly moved her foot, which he couldn't avoid in time.

-Whoahh!

LITTLE BIG LOVE  
(By EIRelator)

Trying not to be hit, he moved back and tripped.

-Ouch!

LITTLE BIG LOVE  
(By EIRelator)

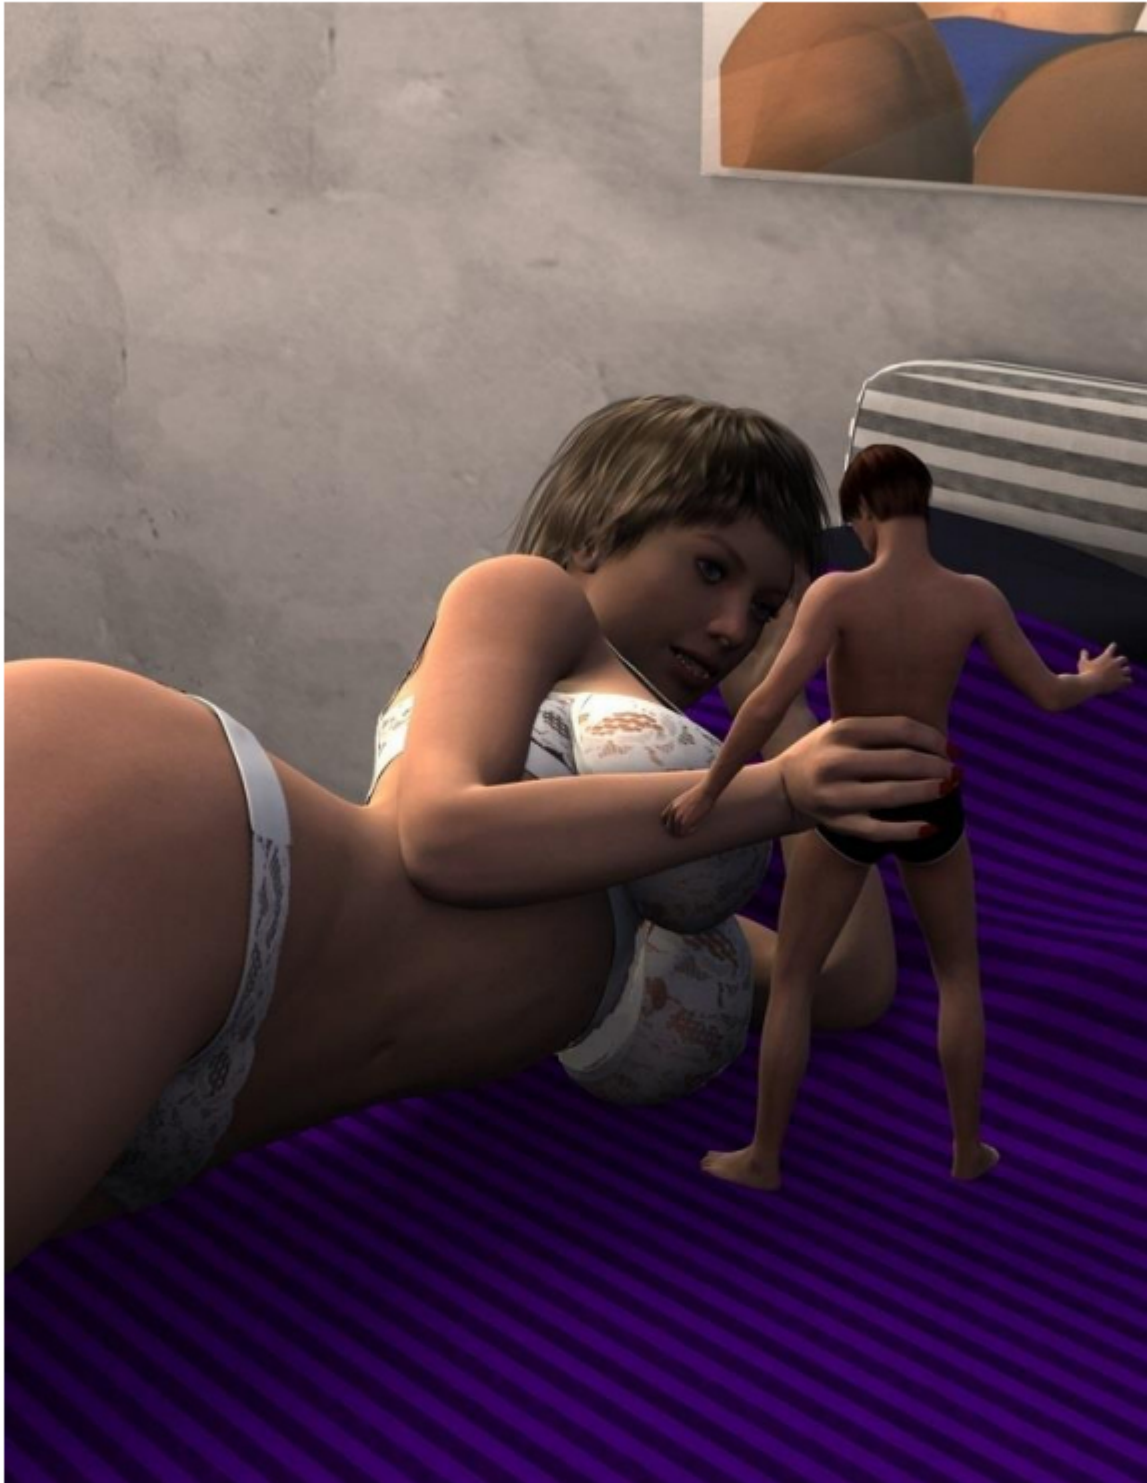

Without realizing, Natalie crossed her leg, squeezing Ben between them, and almost crushing him.

He tried desperately to move them and release himself from the unbearable pressure, but even sleeping, Natalie was several times more powerful.

-N... Natalie! Please, princess.... W... wake up!! You are going to crush me between your legs! -he begged with his tiny weak voice, not being heard by her.

LITTLE BIG LOVE  
(By EIRelator)

-Or what, hmmm? Are you going to punish me again? –she teased, coiling her fingers around his waist.

- Natalie! -he insisted – Come on, babe, I'm talking seriously! Stop acting like a little girl!

-Yes, I'm being very bad... Maybe you should spank me again...

-Yeah, I agree on that!

LITTLE BIG LOVE  
(By ElRelator)

-But this time I won't let you, Little one! -she said, suddenly turning around and holding him with one hand above her head.

-Whoaah! Please Natalie, put me down! -he begged -Come on, stop bullying me!

-I defeated you, little alpha male... -she said, playfully.

- I'm talking seriously, Nat! Put me down! – he said, while his weak little legs dangled helplessly – We can play as much as you want, but I really need to drink some milk before!

LITTLE BIG LOVE  
(By EIRelator)

-Ok, ok...I was just joking- she said soothingly, placing him between her giant breasts.  
-Better now? Are you comfortable?

- More than ever... -he said, staring into her eyes, completely in love with her, forgetting about the milk for a moment.

LITTLE BIG LOVE  
(By EIRelator)

- I think we are the perfect couple, we are made for each other, Benny- she started, gazing into his eyes, a surge of love and tenderness overwhelming her.

- I know babe, I still can't believe what happened today... But as you said, it proves that we are made for each other, that's for sure.

- Well, I'll sit up so I can give you some milk, ok? -she asked softly, with an almost motherly tone.

LITTLE BIG LOVE  
(By EIRelator)

He sat on her warm thigh and caressed her bra, containing her boob, with his hand- So... could you take off your bra, please? I should start drinking before the process starts.

-Ben, since we had sex for the first time today... I think I wanna experience something else for the first time...- she uttered.

-What do you mean, Nat? – he asked, puzzled.

-I want to see you shrinking

LITTLE BIG LOVE  
(By EIRelator)

-What?! Are you talking seriously! Natalie, I don't wanna shrink!- he protested.

-It's fine, don't be afraid, Little one - she reassured- Even if you shrink, when you taste my milk you'll come back to your normal height, right?

-Yes...

-Then I want to see you shrinking-she declared.

-But why??

LITTLE BIG LOVE  
(By EIRelator)

-Because I want to know what would happen if one day I can't feed you, and you don't have your medicine to keep your size. It is better to test it now that you are safe, so we'll know how much you can shrink- she explained.

-I... I've never tested this. But... long ago, before we met, once I shrunk smaller than a mouse... fortunately I got my medicine and recovered my size, but it was scary.

LITTLE BIG LOVE  
(By EIRelator)

- This time you won't be afraid, I'm here with you. You trust me, don't you? You know that as long as I'm here with you, you'll be safe...

-Of course, I trust you more than anyone- he whispered, sweetly.

LITTLE BIG LOVE  
(By EIRelator)

- But you know how much I care about you. There's no danger here. Even if you become as small as an ant, your giantess will be here to protect you.

-Ok, if you really want to...- said Ben, unconvinced – Let's do it!

LITTLE BIG LOVE  
(By ElRelator)

After a few minutes, Ben could feel how that sensation was becoming more intense. He knew that the shrinking was about to happen, but Natalie was by his side, so he was ready.

LITTLE BIG LOVE  
(By EIRelator)

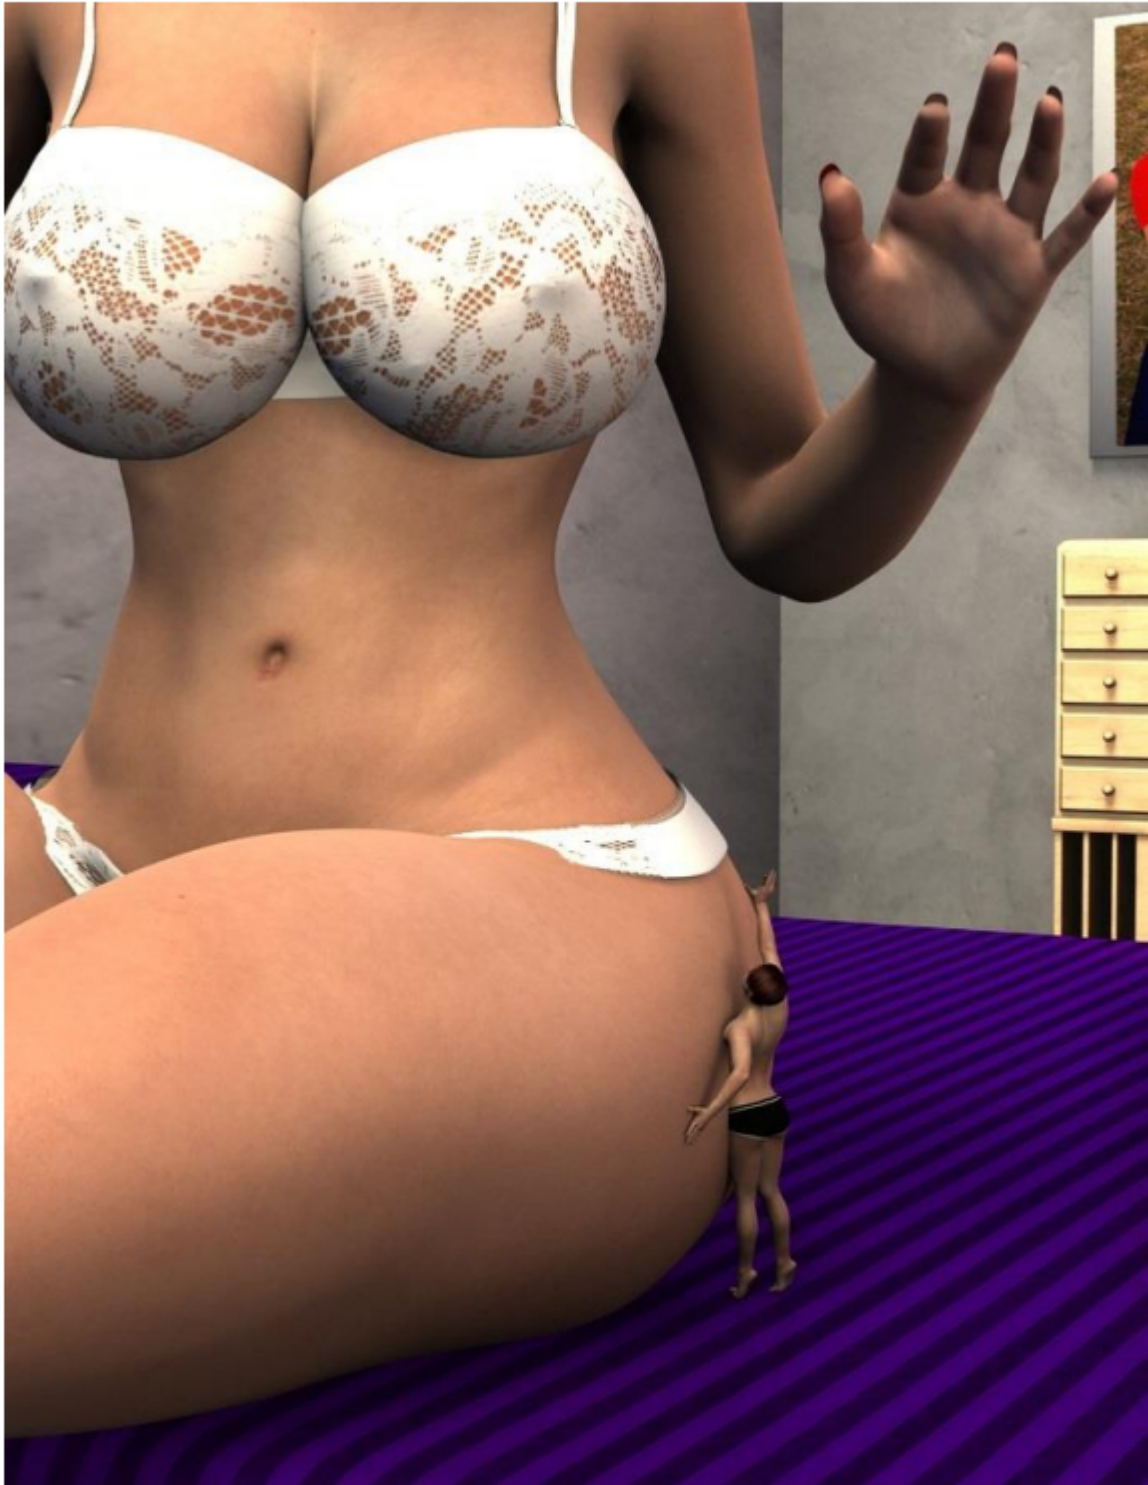

Then, suddenly, it started, Ben's size decreased before their eyes, he got smaller and smaller every second. It was astonishing. He couldn't do anything to stop that.

-Oh my God!! This is... so shocking! -said her.

-See? -he said, looking down at his own body – I think I'm smaller than a mouse now!

LITTLE BIG LOVE  
(By EIRelator)

-Ben, you are so small! God... if one day you shrink this small and I don't notice... I could even step on you accidentally -she worried.

LITTLE BIG LOVE  
(By EIRelator)

I can't believe my eyes, Ben! you are really the size of a mouse! How can a human male be so tiny? - she uttered, amazed, with Ben standing on her palm.

LITTLE BIG LOVE  
(By EIRelator)

-Ok, Natalie, this is too much, I'm still feeling that shrinking sensation... I... I REALLY need to drink your milk right now... -he said, panicking, and ready to jump towards her breasts.

Ben, what are you doing?! - she inquired, worried, seeing his determination.

LITTLE BIG LOVE  
(By EIRelator)

-Ben!!!- she shouted, seeing the puny man jumping off her hand, risking his life, only to get hold of her breast.

LITTLE BIG LOVE  
(By EIRelator)

-Please. Natalie! Remove your bra! -He begged as he landed onto her gigantic boob, frightened, realizing that he depended completely on her will.

Protectively, she placed her huge powerful hand under him and smiled down at him.- Shhhh... calm down sweetie, come on, let go of my bra. Trust me, I won't let anything bad happen to you.

LITTLE BIG LOVE  
(By EIRelator)

She then picked him up between her finger and thumb and placed him in front of her eyes. -God, you are minuscule, Ben... But I think the shrinking just stopped! See? Now we know where the limit is. If anytime I can't feed you, you'll shrink this small, but then it will stop.

LITTLE BIG LOVE  
(By EIRelator)

- Please, Nat, don't hold me like this! I... I don't wanna fall from here! -he shouted, feeling pathetic and vulnerable- I... I feel like an insect next to you!

- It's fine, my love... You are safe between my fingers... I'd never let my little man fall.

- I know but.... I'm not sure the shrinking has stopped! ...I... I think I still can feel the sensation...It always starts with a tingling feeling.

LITTLE BIG LOVE  
(By ElRelator)

-Are you sure? Maybe is just because you are scared... you look the same size to me...- she whispered , looking closely at him, sitting on the palm of her hand.

- Oh God... p.. princess, you are so... c... colossal right now! -he said, intimidated by his gigantic girlfriend, as she held him in the palm of her hand.

LITTLE BIG LOVE  
(By EIRelator)

**-Oh God, you were right!-** she then added, seeing him becoming smaller in front of her eyes.

**- Natalie! P.. Please! I don't wanna become an ant! Give me some breastmilk -he implored, with a trembling voice that was weaker and weaker every second.**

LITTLE BIG LOVE  
(By EIRelator)

**-I told you! I told you! –he shouted, while he started squirming and almost fell.**

**-Ok, ok! Don't panic... let me take off my bra...- she said, delicately holding him between the tips of her fingers again.**

LITTLE BIG LOVE  
(By EIRelator)

-Stay here for a moment now, please. I'll put you between my boobs, I need both hands to remove my bra- added Natalie, letting him slide down her breast and between her enormous tits.

- Whoaah!

LITTLE BIG LOVE  
(By EIRelator)

She got up and slowly, not to harm him, and proceeded to undo her bra.

LITTLE BIG LOVE  
(By EIRelator)

- Natalie, maybe placing me here is not a good idea, if I keep shrinking I could slide between your boobs.

- Don't worry sweetie, I'm increasing their size, so they are holding you -she answered, reminding him that, as a macro-female, she had the power to make grow any part of her body at will.

-Wait, I'll make them bigger, they would produce more milk.

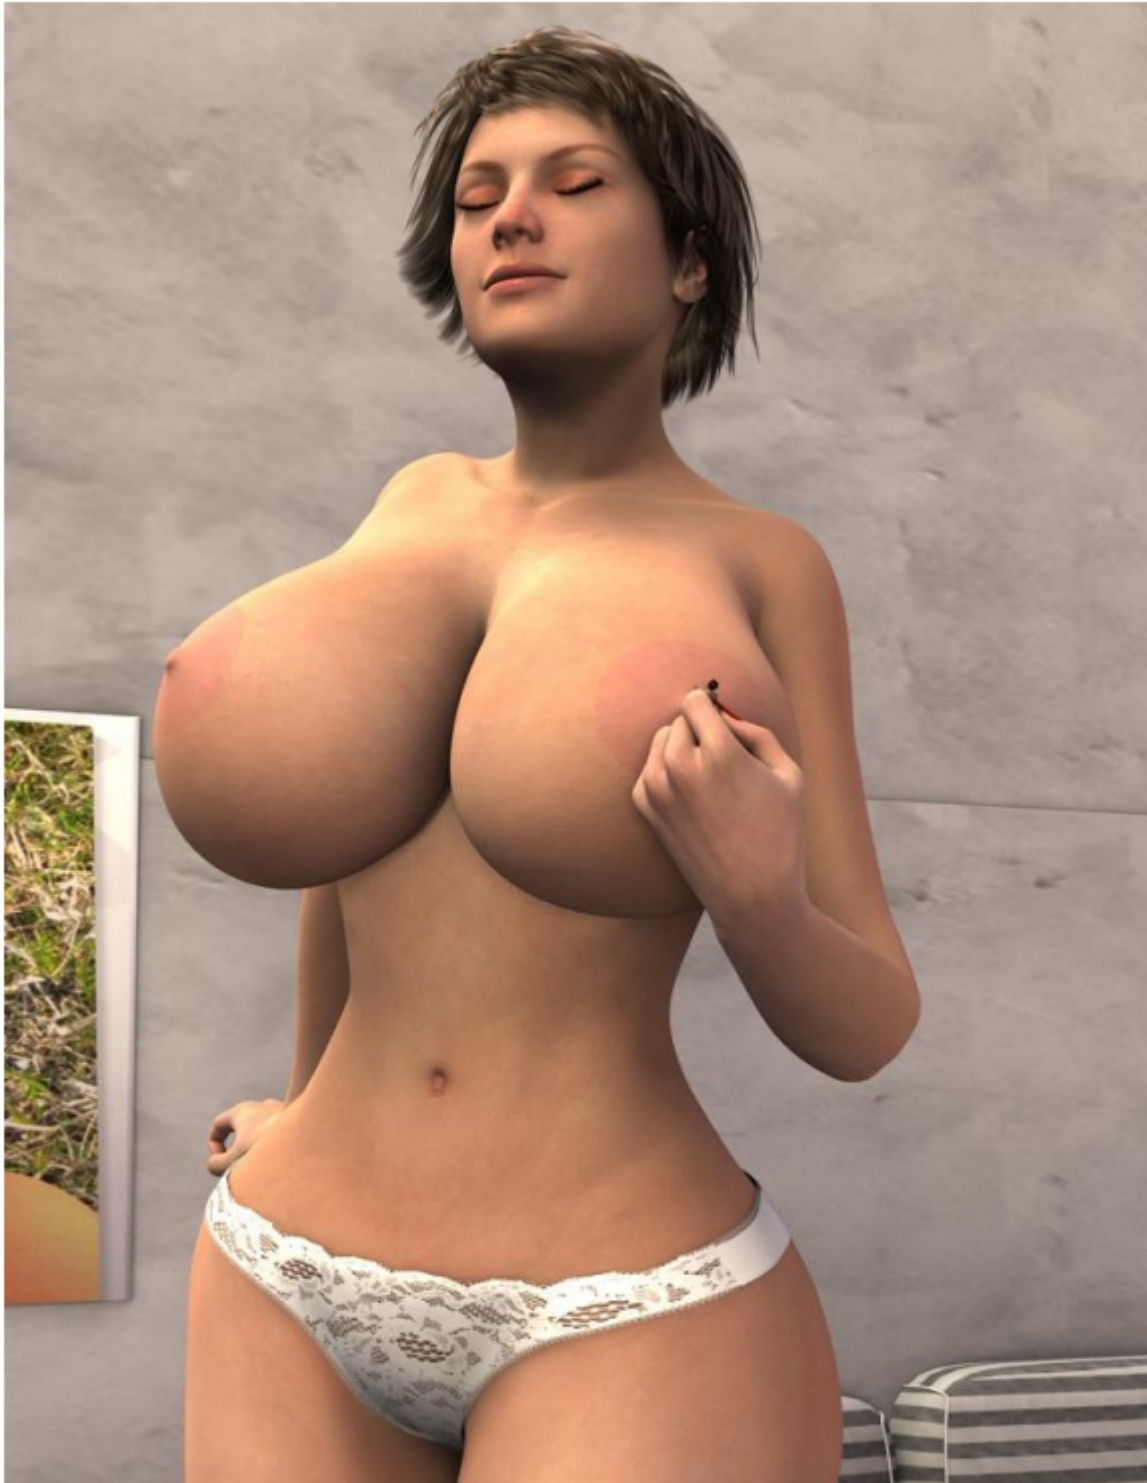

LITTLE BIG LOVE  
(By ElRelator)

- Please babe! Not so much, you could crush me!

-Don't be silly, I know how to control it, Benny -she said- Now don't move, I'll pick you up carefully and I'll rub you against my nipple, that will help.

LITTLE BIG LOVE  
(By EIRelator)

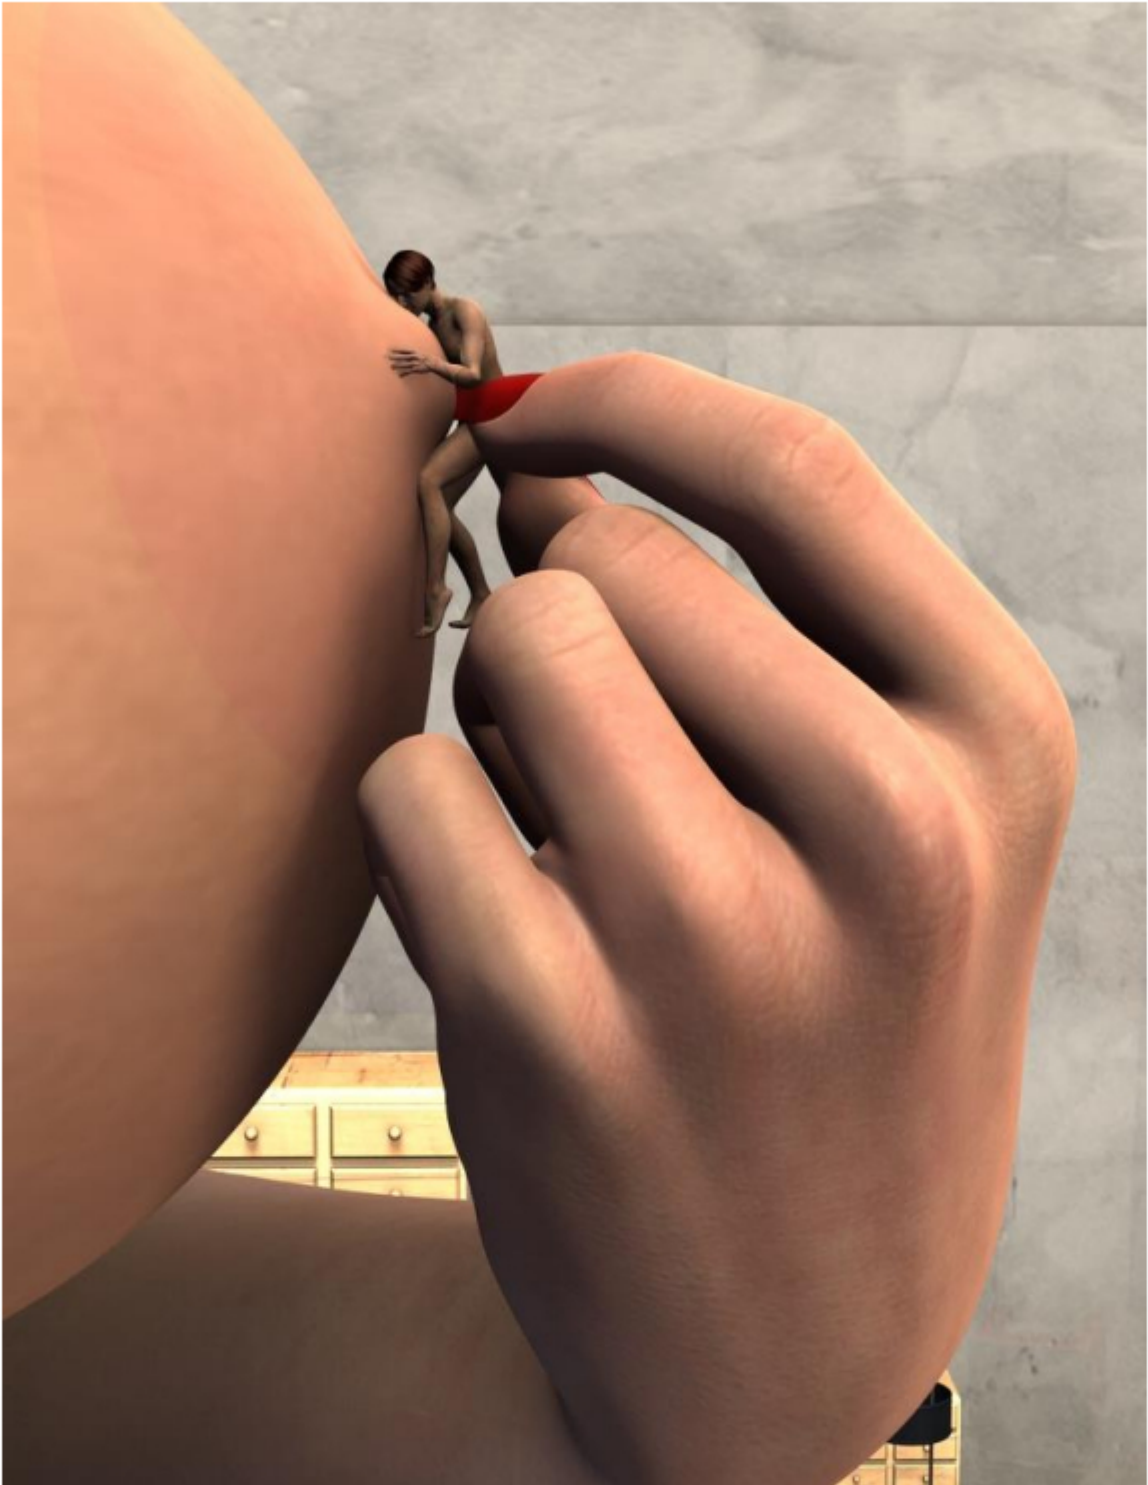

**Natalie picked him up and rubbed him very softly against her left breast, massaging the areola and stimulating the nipple, to make the milk start flowing.**

**Ben couldn't believe what he was experiencing. He had never been so small before, but now he knew how extremely tiny he could get if Natalie didn't feed him. It was a scary experience, but he was glad he was brave enough to do it. After all that's what a scientist is supposed to do.**

**Moreover, deep inside, that experience had been sexually arousing to him. Feeling like a puny insect between Natalie's fingers was amazing.**
