Reunion In The Locker 4

Abigail: [A dark, hungry anticipation burning in her eyes as she looks down at Jasmine's tiny form on the couch, her voice a low, sultry purr filled with promise] We're going to have so much fun tonight, little one... [She traces her gaze over Jasmine's small body, her lips curved in a predatory smile] So much fun... you have no idea what I have planned for you... [Her body is already tingling with arousal, the lingerie stretched tight across her massive curves] This is going to be a night you never forget...

Abigail: [An intense, throbbing heat already building between her legs, her pussy dripping with need as she looks at the tiny woman beneath her] God... I'm already so fucking horny for this... [She bites her lip, her thighs pressing together, the wetness soaking through her lingerie] I've been thinking about this all day... dreaming about what I'd do to you when I got you here... and now you're right here... so small... so perfect... I can barely contain myself...

Jasmine: [A nervous laugh escaping her as she looks up at Abigail's towering, lingerie-clad form, her heart racing with a mix of excitement and genuine fear] Ooh yeah... me too... [She swallows hard, her tiny body trembling on the vast couch cushion] But it's all so scary... you're so big... everything is so big... and I'm so small... I don't know if I'm ready for... whatever you have planned... [Her voice is small and honest, a mix of desire and vulnerability]

Abigail: [A warm, reassuring softness replacing the hunger in her expression as she looks down at Jasmine, her voice gentle and sincere] Everything is going to be alright, sweetie... I promise... I would never hurt you... [She reaches down and strokes Jasmine's tiny face with one finger, the touch impossibly tender] Now let's start immediately... [Her voice shifts back to a commanding, seductive tone]

Jasmine: [A jolt of surprise and panic shooting through her at the word "immediately"] What? Like... right now? Already? I just got here... I haven't even caught my breath from... [She gestures vaguely at the couch beneath her, remembering being sat on] Can I at least... prepare... or something...

Abigail: [A slow, deliberate movement as she climbs onto the couch, her massive frame settling over Jasmine, her knees on either side of the tiny woman's body, her pussy and ass hovering just above Jasmine's face, the scale of them overwhelming] Mmm... [She positions herself carefully, her enormous thighs on either side of Jasmine like walls, her lingerie-clad pussy and ass directly above, the heat and scent radiating down] There... that's better... now we're both comfortable...
Jasmine: [A dizzying, overwhelming sensation as Abigail's massive body settles above her, her pussy and ass impossibly close, the view both terrifying and deeply, intensely arousing] Oh my god... [She stares up at the sight above her, Abigail's massive cheeks and wet pussy looming like a landscape, the scent filling her lungs]

Jasmine: [A breathless, awestruck whisper as she takes in the view above her, Abigail's enormous pussy and ass framed by her massive thighs, the lingerie barely containing anything] What a view... [Her voice is barely audible, her eyes wide, her mouth going dry, her own pussy throbbing with an intense, helpless desire] I can see everything... you're so close... so big... I can feel the heat coming off you... smell you... god, you're so wet I can see it through the lingerie...

Abigail: [A confident, satisfied smile as she looks down at Jasmine's tiny face between her thighs, one hand reaching up to rub her own massive breast through the lingerie, the sensation sending shivers through her] Mmm... it is hot, isn't it... [She squeezes her breast, her nipple hardening visibly through the fabric, her eyes locked on Jasmine's tiny form below] Seeing you down there... so small... between my legs... looking up at me like that... it's the hottest thing I've ever seen... [She moans softly, her body tingling with arousal]

Abigail: [A deep, desperate moan as she grinds her hips slightly, her pussy dripping with need, the wetness visibly soaking through her lingerie] God... I'm so ready for you... I've been wet for hours... [Her voice is thick with desire, her body trembling with anticipation] Ever since the gym... all I could think about was getting you here... getting you between my legs... having your tiny little mouth on me... I've been dripping the entire time... I need you so badly...

Abigail: [A commanding, authoritative tone in her voice as she looks down at Jasmine, her eyes dark with desire] Now... get your clothes off... I want you naked... Jasmine: [A nervous, slightly embarrassed response as she looks up at Abigail's massive form above her] Is that necessary? I mean... I'm already so small and... you're... you're in lingerie... do I really need to... [She fidgets with her tiny clothes, a flush of embarrassment and arousal coloring her cheeks]

Abigail: [A playful but firm response, her voice dropping to a teasing purr as she looks down at Jasmine with a mischievous glint] Cmon... I'm in all sexy lingerie... at least I want you naked... [She gives a small bounce, her massive body jiggling above Jasmine, the point made] It's only fair, little one... I dressed up for you... the least you can do is strip for me... [Her eyes travel over Jasmine's tiny body with hungry intent] I want to see every inch of you... all of you... completely bare... completely mine...

Jasmine: [A quick, slightly awkward effort as she wiggles out of her tiny clothes, pulling the fabric over her head and stepping out of the makeshift garments, her small body now completely bare on the massive couch cushion] There... [She settles back down and looks up, her eyes immediately drawn to Abigail's pussy hovering above her, the lingerie soaked through, the wetness glistening] Oh god... you weren't lying... it is wet indeed... [She stares at the dark, wet patch, the scent overwhelming her senses, her mouth watering] You're absolutely soaked...

Jasmine: [A genuine, reverent admiration in her voice as she looks up at Abigail's glistening pussy through the lingerie, her own body responding with an intense, aching need] It looks so good... [She licks her lips involuntarily, her pussy throbbing with desire] I missed it already... it's only been a little while since the gym but... god, I missed tasting you... [She looks up at Abigail with wide, eager eyes] I'm ready to eat it... I'm so ready...

Jasmine: [A hungry, eager motion as she reaches up and pulls Abigail's lingerie aside, exposing her massive, dripping pussy, then presses her tiny mouth against the wet folds, her tongue diving in with desperate enthusiasm] Mmm... [She works her tongue deep into Abigail's folds, the taste and scent overwhelming her completely, her tiny face buried between the enormous lips, her hands gripping Abigail's massive thighs for support] Oh god... you taste even better than I remembered...

Jasmine: [Deep, involuntary moans vibrating against Abigail's pussy as she works her tongue in circles, her own body on fire with arousal, the act of pleasuring this massive goddess intensely satisfying] Mmm... oh god... [She moans against the wet flesh, the vibrations sending shivers through Abigail, Jasmine's own pussy dripping with need, her hips grinding against nothing, the pleasure of giving pleasure overwhelming her] I love this so much... I love eating you out... I love being this small between your legs...

Jasmine: [Pulling back just enough to speak, her face slick with Abigail's juices, her voice breathless and eager for validation] How am I doing, Abi? [She looks up at the towering woman above her, her tongue darting out to lick her lips] Is it good? Do you like it? Am I doing okay being this small? [A hint of insecurity in her voice, wanting to please, wanting to be good enough despite her tiny size]

Jasmine: [A moment of confusion as she hears no response from above, just the sound of Abigail's heavy breathing and the wet sounds of her own mouth working] Abi? [She pulls back slightly, wiping her mouth] How am I doing? Can you hear me? [She calls up again, her tiny voice barely reaching Abigail's ears from between her massive thighs] Abi? Hello? Is this okay? [The silence from above making her nervous, wondering if she's doing something wrong]

Abigail: [A warm, breathless laugh from above, her voice thick with pleasure and amusement] Ooh... I'm hearing you perfectly, sweetie... [She moans deeply, her hips grinding down toward Jasmine's mouth] I'm just... enjoying the moment... [Her voice is strained with pleasure, her body trembling] Don't stop... please don't stop... I was just savoring it... savoring you... my perfect little tongue...

Abigail: [A deep, kinky, sultry voice dropping to a low purr as she looks down at Jasmine's tiny form between her thighs, her words dripping with dominant, possessive satisfaction] You know how good it feels... having a tiny woman eating me out... [She moans, her fingers tangling in Jasmine's hair] Your little mouth... your little tongue... working so hard on my big pussy... you're so small down there... so tiny... so desperate to please me... it's the most incredible feeling... knowing someone this small is dedicating everything she has to making me feel good... my perfect little pleasure pet...

Abigail: [A loud, unrestrained moan tearing from her throat as Jasmine's tongue hits a particularly sensitive spot, her body arching, her thighs squeezing together around Jasmine's tiny form] Oh fuck! Yes! [Her voice echoes through the large room, her body trembling with the intensity of the pleasure] God, your little mouth... right there... don't stop... don't you dare stop... [She grinds her hips, pressing herself harder against Jasmine's face, the wetness flowing freely]

Abigail: [A familiar, electric tingling spreading rapidly through her entire body, the precursor to another growth spurt, her skin buzzing with supernatural energy] Oh god... I can feel it coming... [She moans deeply, her body shuddering with anticipation] I'm so tingly... so fucking tingly... it's happening again... I'm going to grow again... [Her voice is strained with pleasure and excitement, her body trembling as the energy builds] Yes... more... I want to grow more... grow bigger for my little Jasmine...

Abigail: [A powerful surge of energy rushing through her body as she expands, her frame growing even larger above Jasmine, the couch groaning under her increasing weight] Yes! Oh fuck yes! I'm growing again! [She moans with intense, unfiltered pleasure as she feels herself rise higher, the power of the expansion sending waves of ecstasy through her] Jasmine: [A dizzying, disorienting sensation washing over her as she shrinks even smaller, the world above her expanding, Abigail's pussy that was already massive now moving further and further away] Oh god... I'm shrinking again... and she's getting even bigger... everything is moving away from me...

Abigail: [A massive, body-shaking orgasm ripping through her as the growth peaks, her entire body convulsing with the intensity, a scream of pure ecstasy filling the room] OH FUCK! YES! YES! [Her body trembles with aftershocks, a surge of pure, electric energy flooding through her, making her feel more alive and powerful than ever] God... I feel so energetic... so fucking alive... that was incredible... [She pants, her body buzzing with residual power, a satisfied, hungry grin on her face]

Jasmine: [A sudden, alarming realization hitting her as she reaches up toward Abigail's pussy and her tiny arm falls short, the massive, dripping lips now impossibly far above her head] Oh no... [She stretches her arm up desperately, her fingers barely brushing the bottom of Abigail's folds] This is so hot but... I'm even tinier than before... I can't even reach her pussy anymore... [She stares up at the glistening, wet pussy hovering far above her, the scale of it now completely beyond her reach]

Jasmine: [Panic and frustration mixing with intense arousal as she stretches up on her tiptoes, her arm extended fully, still nowhere near Abigail's pussy] I can't even reach her pussy anymore... [She jumps, trying to reach, but the gap is too massive, Abigail's dripping lips now high above her like a ceiling she can't touch] Oh god... I was just eating her out and now I can't even touch it... I'm too small... I'm way too small... how am I supposed to pleasure her like this...

Jasmine: [Desperation and confusion in her voice as she looks up at Abigail's massive form above her, her tiny arms reaching uselessly toward the pussy she can no longer access] What shall I do? I can't reach it anymore... [She looks around frantically, trying to find a solution, the couch cushion stretching out around her like a vast landscape] Abi? I can't... I'm too small now... I can't get to you... what do I do? Please... help me... tell me what to do...

Abigail: [A calm, commanding, almost lazy tone in her voice as she looks down at the tiny, struggling Jasmine, a mischievous smile on her face] Figure it out... [She gives a small shrug, her massive body shifting above Jasmine, her pussy still dripping with arousal] You're a smart little thing... I'm sure you'll think of something... [She grins down at Jasmine, the challenge clear in her eyes, clearly enjoying watching her tiny girlfriend struggle to find a solution] I believe in you, little one... be creative...

Jasmine: [A sudden, mischievous inspiration striking her as she looks at her tiny arm, then up at Abigail's dripping pussy, an idea forming] Okay... figure it out... [She reaches up with her left arm, stretching as high as she can, and pushes her tiny hand and arm directly into Abigail's wet, dripping pussy] Oh god... [She feels the warm, slick walls close around her arm, the sensation overwhelming, the heat and wetness enveloping her hand and forearm completely]

Jasmine: [A bold, confident motion as she begins working her arm in and out of Abigail's pussy, her tiny fist pushing deep into the wet, hot folds, her voice filled with a mix of arousal and pride] How do you like that, my goddess? [She pumps her arm harder, feeling Abigail's walls clench around her, the sensation of being inside her incredible] Is this good? Is this what you wanted? [She grins up at Abigail, her arm buried deep inside the massive, dripping pussy] I figured it out...

Abigail: [Complete and utter shock crashing through her as she feels Jasmine's tiny arm push inside her, the sensation completely unexpected and overwhelmingly intense] Oh! OH FUCK! [Her entire body jolts, her back arching, a massive orgasm hitting her immediately, the surprise and the sensation too much to handle] WHAT THEâ€" OH MY GOD! [She screams, her body convulsing, her pussy clenching hard around Jasmine's arm, juices gushing out around the tiny limb] I'm cumming! I'm cumming so hard! FUCK!

Abigail: [A state of pure, overwhelming, mind-breaking pleasure as the orgasm continues, her body trembling uncontrollably, her mind completely blank except for the sensation of Jasmine's tiny arm inside her] I don't... I don't know what to... [She gasps, her words broken and incoherent, her hands gripping the couch cushions so hard the fabric tears] It feels so god damn good... I can't think... I can't... every time she moves her arm I... oh fuck... oh fuck... [She moans loudly, her body writhing, completely at the mercy of the tiny woman's arm inside her] How is... how is she this good... she's so small and she's making me feel this much... I can't take it...

Abigail: [Another powerful surge of growth hitting her as the aftershocks of the orgasm ripple through her body, her frame expanding even further, the couch cracking under her weight] Oh god... again... I'm growing again... [She moans with deep, intense pleasure as she feels herself rise higher, the energy of the orgasm fueling another expansion] Yes... so much bigger... I can't stop growing... every time I cum I get bigger and bigger... Jasmine: [Feeling the walls of Abigail's pussy stretching around her arm and then pulling away as Abigail grows, her tiny limb slipping out as the scale shifts] Oh... oh no... she's growing again and I'm...

Jasmine: [Awe and disbelief flooding through her as she watches Abigail's already massive body expand even further above her, the scale becoming almost incomprehensible] Oh my gosh... she grew again... [She stares up at the towering form, her neck craning back, Abigail's body now stretching up like a skyscraper] She's so big now... so impossibly big... every time she cums she just gets bigger and I get smaller... how is this even happening... how is this even real...

Jasmine: [A frustrating, helpless realization as she looks at her left arm, still extended upward, now nowhere near reaching Abigail's pussy which has moved even higher and further away] My arm is basically out of her pussy now... [She waves her tiny arm in the air uselessly, the gap between her hand and Abigail's dripping lips now enormous] I can't even reach with my arm anymore... it was just inside her and now I can't even touch her... I'm too small... I'm way too small now... [She looks at her arm, then up at the pussy far above, the distance almost comical]

Jasmine: [A staggering, almost paralyzing moment as she stands up fully on the couch cushion and looks straight ahead at Abigail, the reality of the size difference hitting her with full force] Oh my god... [She stands there, her tiny body completely dwarfed by Abigail's enormous form, her head barely reaching a height that puts her at Abigail's shin level, the sheer scale of the woman before her almost beyond comprehension] How big is she... how big am I... I'm standing up and I'm still nothing compared to her... she's like a building... a living, breathing building...

Jasmine: [A deep, hypnotic, almost trance-like state settling over her as she tilts her head back and takes in the full, overwhelming scale of Abigail's body from top to bottom] The size of her... [Her eyes trace up from Abigail's massive feet, past her enormous calves, her towering thighs, her dripping pussy far above, her stomach, her massive breasts straining against the lingerie, and finally her face impossibly far away in the sky] She's like a monument... a goddess... a mountain of a woman... I can't even see her expression properly from here... she's so far above me...

Jasmine: [An intense, throbbing heat building between her own legs as she stares up at the massive, moaning Abigail, the sounds of her pleasure echoing through the room like distant thunder] Oh god... I'm getting so hot myself... [She presses her thighs together, her own pussy dripping with need, the sight and sound of Abigail's massive body trembling with pleasure above her triggering something primal and desperate inside her] Hearing her moan... seeing her body move... knowing I did that... knowing I made her cum... it's making me so fucking wet... I need... I need something...

Abigail: [A deep, satisfied, wondering tone in her voice as she looks down at the impossibly tiny Jasmine on the couch, her voice booming down from above] God... you must be so tiny down there... [She shakes her head in disbelief, a smile spreading across her face] This whole situation is amazing... I never thought... I never imagined it would go this far... [She moans softly, her body still tingling with residual pleasure] You're so small... so impossibly small... and you just made me cum harder than anyone ever has... with just your little arm... my perfect, tiny little girlfriend...

Abigail: [A moment of genuine, focused attention as she leans down slightly, her massive face coming closer to inspect Jasmine's tiny form, her eyes widening with shock at what she sees] Wow... [She stares at Jasmine, her mouth falling open slightly, the reality of the size difference becoming concrete and real in a way it hadn't before] You're... you're really tiny... like... really really tiny... [She holds her hand next to Jasmine for comparison, her single palm dwarfing the tiny woman completely] You're like... the size of my finger... maybe smaller... oh my god, Jasmine...

Abigail: [A wicked, hungry, deeply kinky smile spreading across her face as the shock transforms into dark, possessive desire] I love it... [Her voice drops to a low, sultry purr that still rumbles through the room] I love how tiny you are... I love that you're this small because of me... because you made me cum... because you pleased me... [She licks her lips, her eyes dark with desire] Every orgasm makes you smaller and me bigger... and I love it... I love it so much... my perfect, shrinking little toy...

Jasmine: [A genuine, heartfelt admission escaping her as she looks up at the towering goddess, her voice small but sincere, her body trembling with a mix of fear and deep, overwhelming desire] I love it too... [She whispers, her eyes shining with emotion and arousal, her tiny body completely exposed and vulnerable before the massive woman] I love being this small for you... I love that I made you grow... I love being your tiny girlfriend... [She takes a shaky breath] It's scary but... it's the hottest thing I've ever experienced... and I don't want it to stop... I want to keep making you grow... I want to keep shrinking for you... I want to be yours completely... however small that makes me...

Abigail: [A gentle, careful motion as she lowers her massive hand down to the couch cushion, her palm open and inviting, her fingers curling slightly to create a safe perch] Come here, little one... [She waits patiently for Jasmine to climb onto her palm, the warmth of her hand radiating up like a heated floor] Jasmine: [A careful, slightly shaky climb as she steps onto Abigail's massive hand, settling onto the warm, soft palm, her tiny body fitting comfortably in the center with room to spare] Oh my god... [She sits down on the palm, her legs dangling over the edge of Abigail's fingers, the scale of the hand beneath her almost beyond belief]

Jasmine: [Awe and disbelief flooding her voice as she looks around from her perch on Abigail's hand, the view from here both terrifying and exhilarating] This is crazy... [She runs her tiny hands over the surface of Abigail's palm, the skin warm and soft beneath her, the lines of her palm like grooves in a landscape] I'm sitting on your hand... your actual hand... like it's a chair... like it's a bed... I could lie down on this and have so much room... this is insane... I'm so small I can sit on your hand like it's furniture...

Abigail: [A warm, genuine, delighted laugh as she lifts her hand slowly, bringing Jasmine up to her face level, her eyes crinkling with affection and wonder] Yes it is... this is so crazy... I love it... [She looks at Jasmine sitting in her palm, the sight filling her with a deep, possessive warmth] And I love that you love it as well... [Her voice is soft and genuine, her massive face inches from Jasmine's tiny form] That you enjoy being this small... that you want this too... it makes it so much better... knowing we both love it...

Abigail: [A moment of genuine care and concern as she holds Jasmine at face level, her voice soft and sincere] Are you okay, sweetie? Do you want to continue? [She looks at Jasmine with genuine, tender eyes, checking in despite the dominant dynamic] We can stop if it's too much... if you're too scared... I don't want to push you too far... Jasmine: [A confident, eager response, her voice small but firm, her eyes meeting Abigail's massive gaze] Of course I want to continue... [She nods, a determined smile on her face] I said I love it and I meant it... I want everything... don't stop now...

Jasmine: [A vulnerable, honest request as she looks up at Abigail's enormous face, her voice small but serious] Just be careful, alright... [She reaches out and touches Abigail's massive thumb, the digit bigger than her entire arm] I don't want to get hurt... I'm so small now... one wrong move and... [She trails off, the vulnerability clear in her voice] I trust you... but please... be gentle with me... I'm fragile at this size...

Abigail: [A warm, reassuring laugh as she gently cups her other hand slightly around Jasmine, creating a protective barrier, her voice filled with genuine affection] I have you perfectly safe... [She smiles, her eyes warm and tender] Nothing is going to happen to you, little one... I promise... you're the most precious thing in the world to me and I would never let anything hurt you... [She brings Jasmine even closer, her breath warm and gentle against Jasmine's tiny body] You're safe with me... always...

Abigail: [A slow, deliberate motion as she brings Jasmine's tiny body closer to her massive lips, her mouth opening slightly, her tongue emerging to trace across Jasmine's small breast, finding her hard little nipple] Mmm... [She sucks gently, her lips closing around Jasmine's entire breast with ease, the sensation overwhelming in its warmth and wetness]

Jasmine: [A sharp, shocked gasp as she feels Abigail's massive lips close around her breast, the sensation completely overwhelming her tiny body] What the hellâ€"! [Her entire body jolts, her hands flying out to brace against Abigail's massive face, the scale difference making the gesture almost comical] Oh my god... your mouth... your whole mouth is... oh fuck... [She stares down at Abigail's enormous lips wrapped around her tiny breast, the sight almost beyond comprehension]

Abigail: [A confident, knowing smile as she pulls back just enough to speak, her lips still brushing against Jasmine's wet breast] I know you like it, little girl... [Her voice is a low, rumbling purr that vibrates through Jasmine's entire body] Enjoy it... [She winks, her massive eye blinking slowly] Don't fight it... just let it feel good... you deserve it... my perfect, tiny girl...

Jasmine: [A loud, unrestrained moan escaping her as Abigail's lips close around her breast again, the suction gentle but intense, her tongue swirling around the tiny nipple with devastating precision] Oh god! Oh fuck! [Her tiny body arches in Abigail's palm, her hands gripping the giant woman's thumb for support, her legs kicking weakly] That feels so good... so fucking good... your mouth is so big... so warm... my whole breast is inside your mouth... oh my god... I can't... I can't take it... it's too much... don't stop... please don't stop...

Jasmine: [An overwhelming, all-consuming wave of pleasure crashing through her tiny body as Abigail's massive mouth works her breast, her moans growing louder and more desperate with each passing second] Oh god! Oh my god! YES! [Her tiny body writhes in Abigail's palm, her back arching, her hands gripping the giant thumb, her voice echoing through the room in tiny, desperate cries] I love this... I love this so fucking much... being in your hand... your mouth on my tits... it's the most incredible feeling... I never want it to stop... never...

Jasmine: [A sudden, familiar, dizzying sensation washing over her as her body begins to shrink even further, the pleasure of Abigail's mouth triggering the transformation] Oh... oh fuck... I'm shrinking again... [She moans deeply as she feels herself diminish in Abigail's palm, the giant hand seeming to grow larger around her, the fingers stretching out like massive pillars] It's happening again... I'm getting even smaller... and it feels so fucking good... every time I shrink it feels better... oh god...

Abigail: [A deep, overwhelming satisfaction and arousal radiating through her as she feels Jasmine shrink in her hand, the sensation of the tiny body getting even tinier against her lips incredibly stimulating] Mmm... I can feel you shrinking... getting even smaller in my hand... [She moans against Jasmine's breast, the vibration sending shivers through the tiny woman's body] I love this so much... having you shrink while I suck your tits... feeling you get smaller and smaller against my mouth... it's incredible... you're becoming so tiny...

Abigail: [A powerful, electric surge of growth hitting her as the pleasure of sucking Jasmine's breast peaks, her body expanding even further, her hand growing larger around the diminishing Jasmine] Oh god... I'm growing too... [She moans deeply as she feels herself expand, the sensation intensely erotic, her frame towering even higher] Yes... more... I'm getting so big while she gets so small... this is perfect... this is exactly how it should be...

Abigail: [A loud, deep moan rumbling through her chest and vibrating against Jasmine's tiny body as she continues sucking, the dual sensation of growing while feeling Jasmine shrink driving her wild] Mmmmm... [She moans again, the sound like thunder to Jasmine's tiny ears] Jasmine: [A desperate, overwhelmed moan escaping her as she feels Abigail's mouth grow even larger around her, the suction intensifying as the scale shifts, her tiny body trembling with pleasure] Oh fuck... you're getting bigger... your mouth is getting bigger... I'm getting smaller... everything is changing... and it all feels so fucking good...

Jasmine: [A deep, warm, overwhelming afterglow settling through her tiny body as Abigail finally pulls back, the sensation still tingling through every nerve, her body smaller than it has ever been] Oh my god... that was... [She lies back in Abigail's palm, her tiny chest heaving, her body trembling with residual pleasure] I feel amazing... I'm smaller than ever... but I'm enjoying it more than ever... [She looks up at Abigail's massive face, her eyes glazed with satisfaction] Every time I shrink it feels better... and this time... god... this time was the best yet...

Abigail: [A warm, satisfied smile as she gently sets Jasmine down on the floor, her voice filled with wonder and desire] I did too, sweetie... that was incredible for me as well... [She stands up slowly, her massive frame unfolding like a building rising] Now... I want to see the height comparison... [She looks down at Jasmine with a mischievous, excited glint in her eyes] Stand up for me, little one... let me see how tiny you are now...

Jasmine: [A careful, slightly wobbly effort as she stands up on the floor, her tiny legs still trembling from the afterglow, then looks up at Abigail's towering form above her] Oh... [The word escapes her as a breathless whisper, her neck craning back, back, back, Abigail's body stretching up and up and up into what feels like the sky] Oh my gosh... [She can barely take in the full scale, Abigail's feet alone massive next to her, her legs like tree trunks, her body rising like a tower into the ceiling far above]

Jasmine: [Pure, unfiltered shock and awe flooding her voice as she takes in the impossible scale of the woman before her] I'm so little... [She holds her hand up next to Abigail's foot, the comparison almost laughable] And you're so freaking huge... [She shakes her head in disbelief, her eyes tracing up Abigail's enormous body] I'm like... I don't even know what I am anymore... I'm so small next to you... you're like a completely different species... a giant... a literal giant... and I'm just... tiny... so tiny...

Jasmine: [A breathless, overwhelmed comparison escaping her as she stares up at Abigail's towering form, the reality of the situation hitting her with full force] You look like a skyscraper next to me... [She cranes her neck back as far as it can go, Abigail's face impossibly far away at the top of her massive frame] A living skyscraper... I'm standing next to a building... a building that breathes and moves and moans... [A pause, her voice dropping to a whisper filled with wonder and arousal] And I made her that big... I did that... by letting her suck my tits... I shrank and she grew and now she's a skyscraper and I'm... nothing... I'm absolutely nothing next to her... and I love it...

Abigail: [A confident, satisfied smile spreading across her massive face as she looks down at the tiny Jasmine, her voice a deep, rumbling purr] I bet I do look like a skyscraper... and I love it... [She runs her hands down her own massive body, feeling the scale of herself] I love being this big... this powerful... this towering... I love looking down at you and seeing how small you are... how insignificant... how completely mine... [She grins] Every time I grow it feels better and better... and knowing you're shrinking for me makes it even more perfect...

Abigail: [A knowing, kinky, seductive tone in her voice as she looks down at Jasmine with dark, hungry eyes] And I know you love it too, Jasmine... [She traces her own massive curves with her hands, putting on a slow display for the tiny woman below] I look so big... so powerful... so dominant... don't I? [Her voice drops to a low, sultry whisper that still rumbles through the room] You love that I'm this huge... that I could do anything to you... that you're completely helpless next to me... that I'm a skyscraper and you're a speck on the ground... [She smirks] Admit it... it makes you so wet...

Abigail: [A mischievous, suggestive grin as she looks down at Jasmine, her voice dropping to a teasing purr] Now... do you want to lick my foot, little one? [She wiggles her massive toes, each one bigger than Jasmine's entire body] I bet you love feet... [A knowing wink from far above] I bet the thought of being down there... at my feet... licking them... worshipping them... makes that tiny pussy of yours drip... doesn't it?

Jasmine: [A shocked, flustered reaction as the question catches her completely off guard, her face flushing red] Huh? How did you know that? [She stares up at Abigail with wide, embarrassed eyes, caught completely off guard] I never told you that... I never said anything about... how did you... [She stammers, her body language betraying her arousal even as she tries to act surprised] What makes you think I... I mean... I don't... okay maybe I...

Abigail: [A slow, deliberate motion as she lifts her massive right foot off the ground, the movement like a building shifting, and brings it directly toward Jasmine's tiny face] I just had a feeling... [She presses her enormous sole gently against Jasmine's body, the warm, soft skin completely overwhelming the tiny woman's senses] There you go, little one... [She holds her foot steady, the sole pressed against Jasmine, the scent and warmth enveloping her completely] Jasmine: [A shocked, overwhelmed gasp as Abigail's massive foot fills her entire field of vision, the warm sole pressing against her tiny body, the sensation both terrifying and deeply, intensely arousing] Oh my god... [She presses her hands against the massive sole, her entire body pressed against it, the warmth and softness surrounding her] It's so big... your foot is bigger than my whole body... oh fuck... [She inhales deeply, the scent filling her lungs, her pussy immediately throbbing with need]

Jasmine: [A determined, eager effort as she begins licking the bottom of Abigail's massive foot, her tiny tongue working across the warm, soft sole, the taste and scent overwhelming her senses] Mmm... [She licks harder, dragging her tongue across the enormous surface, the scale of it meaning she can only cover a tiny fraction with each pass] It's so big... I can barely cover any of it... [She works her tongue along the arch of the foot, the warmth and pressure building] But it's getting difficult... the weight... even though you're not pressing down, just holding it against me is so heavy... I can barely stay standing...

Jasmine: [A sudden, overwhelming moment as the weight of Abigail's foot becomes too much, her tiny legs giving out beneath her, sending her falling backwards onto the floor] Ohâ€"! [She hits the ground on her back with a tiny thud, and Abigail's massive foot follows, settling directly on top of her, the enormous sole pressing her flat against the floor] Oh my god... [She stares up at the massive foot covering her entire body, the weight pressing down on her, pinning her completely] I'm... I'm under your foot... you're stepping on me... I'm literally being stepped on...

Abigail: [A playful, teasing motion as she wiggles her massive toes above Jasmine's tiny body, the movement creating intense, stimulating pressure and friction against the tiny woman's skin] Oops... [A mischievous laugh from far above] Let me just... [She wiggles her toes again, each one pressing and rubbing against different parts of Jasmine's body, the sensation overwhelming]

Jasmine: [An intense, throbbing arousal shooting through her as the toes wiggle against her, the pressure and movement hitting sensitive spots all over her tiny body] Oh fuck... your toes... they're... oh god... [She moans loudly, her body trapped beneath the massive foot, the wiggling creating an almost unbearable stimulation] That feels so good... every time you move your toes it... oh my god... I'm getting so horny... this is insane...

Jasmine: [A deep, overwhelming, all-consuming pleasure radiating through her body as she lies beneath Abigail's massive foot, the weight pressing down on her with a comforting, possessive pressure] I love this... I love the weight... the pressure... everything... [She moans deeply, her tiny body writhing beneath the sole, the sensation of being completely covered and dominated overwhelming her in the best way] Being under your foot... being stepped on... feeling your weight on me... it's the most incredible thing I've ever felt... I'm completely trapped... completely at your mercy... completely yours... [She presses her tiny hands against the sole, not to push it away but to feel more of it] Don't move... please don't move...

Jasmine: [A sudden, familiar, intensely pleasurable sensation washing over her as her body begins to shrink again, the excitement and arousal of being under Abigail's foot triggering another transformation] Oh god... I'm shrinking again... [She moans deeply as she feels herself diminish beneath the massive foot, the sole growing even larger above her, the weight increasing as she gets smaller] It feels so good... being stepped on... the weight... the pressure... your toes... it's all making me shrink... and it feels so fucking amazing... [Her body trembles as it diminishes further, the pleasure intensifying with every fraction of size she loses] I'm getting even smaller... even tinier under your foot... and I love it more than ever...

Jasmine: [A deep, overwhelming, almost euphoric pleasure flooding through her as Abigail's massive foot presses down on her, the weight crushing her in the most intensely satisfying way] I love how you're crushing me... [She moans deeply, her tiny body completely flattened beneath the enormous sole, the pressure intense but somehow deeply, intensely pleasurable] It feels so good... so fucking good... the weight... the pressure... being completely covered by your foot... I'm nothing down here... just a tiny thing under your giant foot... and it's the best feeling in the world...

Abigail: [A frustrated but amused attempt to look down at Jasmine beneath her foot, her massive breasts blocking her view as she tries to peer over them] God... I can't really see you... [She shifts her upper body, trying to look past her enormous breasts, but they're too big, blocking her view of the floor below] My boobs are in the way... [She laughs, the sound rumbling through the floor and into Jasmine's tiny body] But I love knowing how small you are down there... that you're under my foot and I can't even see you because my own body is too big... that's so hot...

Abigail: [A genuine, wondering tone as she tries again to look down, craning her neck, but still unable to make out Jasmine's tiny form beneath her massive foot] I can't even see you properly... [She shakes her head with a mix of amusement and disbelief] You're so tiny... so impossibly tiny... that even from up here I can barely make you out... [She wiggles her toes gently, feeling Jasmine's tiny body beneath them] I can feel you though... I can feel every little movement... every breath... you're so small you're basically just a little speck under my foot...

Abigail: [A seductive, suggestive tone as she slowly lifts her foot off Jasmine, her voice dropping to a low, hungry purr] Now... should we finally have some more sexy time? [She grins down at the tiny woman, her eyes dark with desire] I've been waiting for this all night, little one... Jasmine: [An eager, desperate response, her body tingling with anticipation as the weight lifts off her] Ooh yeah... please... [She nods enthusiastically, her tiny body already buzzing with need] I need it... I need you... please...

Abigail: [A slow, deliberate, sensual motion as she lowers her massive body to the floor, lying down on her side, her enormous frame stretching across the room, her lingerie-clad body on full display] Come here, little one... [She spreads her thighs slightly, her massive, dripping pussy visible between her legs, the scale of it overwhelming] Come to mama... [Her voice is a low, seductive purr, thick with desire] You know you want to crawl inside... feel those warm walls around your tiny body... be completely surrounded by me...

Abigail: [A knowing, confident, teasing whisper as she looks down at Jasmine with half-lidded, hungry eyes] I know you want to, Jasmine... [She traces a finger along her own massive thigh, drawing attention to the glistening pussy between her legs] I can see it in your eyes... you're desperate for it... you want to be inside me... completely inside me... [She moans softly] Don't fight it... come to me... crawl inside your goddess...

Jasmine: [A breathless, admiring response as she takes in the sight of Abigail's enormous body laid out before her, the sheer scale of her beauty overwhelming] Ooh yeah... you look so sexy... I love it... [Her eyes trace over Abigail's massive curves, her enormous breasts, her wide hips, her dripping pussy glistening between her thighs] You're the most beautiful thing I've ever seen... so big... so perfect... so impossibly sexy... [She takes a step toward the massive body before her] I want you so badly...

Jasmine: [A confident, playful, slightly cocky response as she looks up at Abigail with a mischievous grin] And do you really think there was a possibility I wasn't going to enter? [She laughs, a tiny, confident sound in the enormous room] Like... seriously? You're lying there... massive... dripping wet... your pussy is literally the size of a house to me... and you think I might not go in? [She shakes her head with mock disbelief] Please... there was never any doubt...

Jasmine: [A casual, confident assurance as she takes another step toward Abigail's massive pussy, her eyes locked on the glistening prize] Of course I'm going to enter... I'm just catching a tiny breath... [She takes a deep breath, her tiny chest expanding, her eyes never leaving Abigail's enormous, wet folds] After being under your foot... I need a second... but I'm coming... don't you worry... [She grins up at Abigail] I wouldn't miss this for anything...

Jasmine: [A playful, teasing, confident comment as she finally reaches Abigail's massive pussy, standing before it like a person standing before a cave entrance, the wetness and heat radiating out toward her] Since that pussy needs a lot of action... [She places her tiny hands on the wet, swollen lips, the warmth and slickness immediately coating her palms] And I'm just the right size to give it everything it needs... [She looks back over her shoulder at Abigail's massive face far above with a wicked grin] Get ready, goddess... I'm going in...

Abigail: [An intense, visible trembling running through her massive body as she watches Jasmine approach her pussy, her thighs shaking with anticipation] Oh god... what has she got planned... [She bites her lip, her body already buzzing with need, the sight of her tiny girlfriend standing before her enormous, dripping pussy almost too much to handle] She's looking at me like that... with that mischievous little grin... what is she about to do... I can't... I'm already shaking... I'm already so close just from the anticipation...

Jasmine: [A confident, mysterious, teasing grin as she looks back up at Abigail's massive face far above, her tiny hands resting on the wet, swollen lips of Abigail's pussy] Ooh... you just wait... you are not ready for this... [She laughs, a tiny, wicked sound, her eyes glinting with mischief] Abigail: [A desperate, excited, almost frantic response, her voice strained with anticipation] What is it?! What are you going to do?! [She tries to look down past her massive breasts, her body trembling] Tell me... please... I can't take the suspense... you're driving me crazy, little one...

Jasmine: [A sudden, bold, fearless motion as she takes a running start and leaps directly into Abigail's massive, dripping pussy, her tiny body diving headfirst into the wet, hot folds] Here I go! [She disappears into the enormous, slick opening, her tiny body swallowed completely by the wet, warm cavern, the walls immediately closing around her] Oh god...! [The sensation of being completely enveloped hitting her instantly]

Jasmine: [An instinctive, desperate, intensely pleasurable wiggling as she finds herself completely buried inside Abigail's pussy, the warm, wet walls pressing against every inch of her tiny body] Mmm! Oh god! [She wriggles her entire body, her arms, legs, torso all moving against the slick, sensitive walls, the sensation overwhelming her completely] I'm inside... I'm actually inside her... completely inside her pussy... the walls are everywhere... so warm... so wet... so tight... [She kicks her legs, pushes her arms out, twists her body, each movement stimulating the massive walls around her]

Abigail: [A massive, earth-shaking, completely unexpected moan tearing from her throat as she feels Jasmine's tiny body wiggle inside her, the sensation unlike anything she's ever experienced] OH FUCK! WHATâ€" OH MY GOD! [Her entire body jolts, her back arching, her hands slamming against the floor, the pleasure so sudden and overwhelming she can barely process it] She's inside me! She's actually inside me! Oh fuck... oh fuck... she's moving... she's wiggling... I can feel her tiny body inside my pussy... every little movement... oh god... I can't... I can't think...

Abigail: [An overpowering, all-consuming wave of emotion and sexual tension crashing through her, the sensation of Jasmine inside her triggering something deeper and more intense than any physical pleasure she's ever felt] Oh god... I can't... this is too much... [Tears prick at her eyes, the intensity overwhelming her in every way, her body trembling, her pussy clenching around Jasmine's tiny form] The feeling of her inside me... moving... living... breathing inside me... it's not just physical... it's... it's everything... I've never felt anything like this... it's like she's part of me...

Abigail: [A familiar, electric, overwhelmingly intense surge of energy building rapidly inside her, the precursor to the biggest growth spurt yet, her entire body buzzing with supernatural power] Oh god... it's coming... I can feel it... it's so strong... [She moans deeply, her body shuddering, the energy building to an almost unbearable level] It's never been this intense before... she's inside me... she's making me feel so much... the growth spurt is coming... it's coming so fast... I can't stop it... I don't want to stop it...

Abigail: [A massive, powerful, explosive growth spurt hitting her as the pleasure peaks, her body expanding rapidly, her frame growing even more enormous, the floor shaking beneath her] YES! OH FUCK YES! I'M GROWING! [She screams with pure, unfiltered ecstasy as she feels herself expand, the power surging through every cell of her body] SO BIG... I'M GETTING SO FUCKING BIG... [Her body stretches out further, the room seeming to shrink around her, the sensation of growth more intense and pleasurable than ever before]

Abigail: [A deep, overwhelming, all-consuming horniness flooding through her as the growth peaks, her body more sensitive than it's ever been, every nerve ending on fire with pleasure] Oh god... I'm so horny... I'm so fucking horny... [She moans loudly, her body writhing on the floor, her pussy clenching and releasing around Jasmine's tiny form inside her] I love this... I love it so much... having her inside me... growing because of her... feeling her wiggle inside my pussy while I get bigger and bigger... it's the most incredible thing I've ever felt... I never want this to end...

Jasmine: [Still wiggling deep inside Abigail's pussy, her tiny body working against the warm, slick walls, when she suddenly feels something different â€" a shift, a tightening, a strange, intense sensation building around her] Oh... oh god... [She pauses her wiggling for a moment, feeling the walls around her shifting, pressing, the space changing] I feel something... something's happening... the walls are getting tighter... no wait... they're getting bigger... she's growing... she's growing while I'm inside her... [She resumes wiggling with renewed enthusiasm, the sensation of the expanding walls around her incredibly stimulating] Oh fuck... it feels so good... everything is getting bigger around me... I'm getting even smaller inside her... and it feels amazing...

Jasmine: [A shocking, unexpected, completely surprising sensation as she feels her body shift inside Abigail's pussy â€" but instead of shrinking, she feels herself expanding] What the... I'm... I'm growing?! [She gasps as she feels her tiny body expand inside the tight, wet walls of Abigail's pussy, the space becoming even tighter around her] Oh my god... I'm growing inside her... I'm getting bigger inside her pussy... it's so tight... so fucking tight now... [She moans deeply as the walls press against her from every direction, her expanding body creating intense friction against the sensitive flesh]

Abigail: [A massive, earth-shaking scream of pure, overwhelming pleasure tearing from her throat as she feels Jasmine grow inside her, the pressure and fullness unlike anything she's ever experienced] OH MY GOD! OH FUCK! YES! [Her entire body convulses, her back arching off the floor, her hands tearing at the carpet beneath her] She's growing inside me! I can feel her getting bigger inside my pussy! The pressure... the fullness... oh my god... it's so tight... she's stretching me... filling me... I can't... I CAN'T... [Her scream echoes through the room, raw and desperate and completely overwhelmed]

Abigail: [A deep, overwhelming, euphoric wave crashing through her entire being, the pleasure so intense it borders on transcendent] This is... this is incredible... [She moans between screams, her body trembling with the intensity of the sensation, a wild, ecstatic grin spreading across her face] I'm having so much fun... this is the most fun I've ever had... having her grow inside me... feeling her stretch me... I never knew anything could feel this good... this is euphoria... pure euphoria...

Abigail: [The biggest, most powerful growth spurt yet hitting her as the pleasure reaches an impossible peak, her body exploding outward in size, the room groaning under her expanding frame] OH GOD! I'M GROWING! I'M GROWING SO MUCH! [She screams, her voice shaking the walls, her body expanding rapidly, her legs stretching out, her torso widening, her breasts swelling even larger] YES! YES! YES! MORE! I WANT MORE! [She orgasms simultaneously, the growth and the climax hitting together in a massive, overwhelming wave of pure ecstasy] I'M CUMMING! I'M GROWING! I'M CUMMING AND GROWING AT THE SAME TIME! OH FUCK!

Abigail: [A massive, violent, body-shaking orgasm ripping through her with the force of an earthquake, her entire body convulsing, her pussy clenching hard around Jasmine's body before releasing in a powerful gush] OH! OH! OH! [Her body shakes uncontrollably, wave after wave of pleasure crashing through her, her pussy contracting and releasing in powerful spasms, the force building] YES! FUCK! I'M CUMMING SO HARD! I CAN'T STOP! I CAN'T STOP CUMMING! [Her body arches one final time before a massive release]

Jasmine: [A sudden, violent, explosive expulsion from Abigail's pussy as the orgasm forces her out, her body shooting out in a gush of juice, landing on the wet floor, gasping desperately for air] OHâ€"! [She gasps, her tiny body soaked, her lungs burning, her chest heaving as she gulps in air] Air! Air! [She lies on the floor, trembling, covered in Abigail's juices, her body still tingling with the residual pleasure of being inside her] I was... I was inside her... and then she came so hard I just... flew out... oh my god...

Jasmine: [A breathless, overwhelmed, deeply satisfied reaction as she lies on the floor, her body still trembling, a massive smile spreading across her face] How fucking good that felt... oh my lord... [She laughs breathlessly, her tiny body shaking with the aftershocks of the experience] Being inside her... growing inside her... feeling her cum around me... being shot out of her pussy... it was the most insane, most incredible, most overwhelming thing I've ever experienced... [She looks up at the ceiling, her eyes glazed with satisfaction] I can still feel her walls around me... the warmth... the wetness... the tightness... my god...

Jasmine: [A shared, quiet moment of recovery as both women lie on the floor, breathing heavily, their bodies trembling with aftershocks, the room filled with the sound of their ragged breaths] [Jasmine's tiny chest heaves as she struggles to catch her breath, her body covered in Abigail's juices, her skin tingling everywhere] Abigail: [Her massive frame spread across the floor, her chest rising and falling dramatically, her body still trembling with residual pleasure, a satisfied, exhausted smile on her face] [They both lie there in silence for a long moment, just breathing, recovering, the intensity of what just happened slowly settling over them]

Abigail: [A warm, affectionate, promising tone as she slowly props herself up on one elbow, looking down at the tiny, soaked Jasmine on the floor with a satisfied but hungry smile] Now... it's your turn to enjoy it, Jasmine... [Her voice is soft but filled with intent, her eyes dark with promise] You've been making me feel good all night... giving me everything... shrinking for me... growing inside me... [She reaches down and gently strokes Jasmine's tiny body with one finger] Now it's my turn to make you feel incredible...

Jasmine: [An eager, excited, anticipating response as she looks up at Abigail's massive face, her body still trembling but her eyes bright with excitement] I can't wait... [She grins, her tiny body buzzing with anticipation, the promise of pleasure making her pulse race] What's in store for us? What are you going to do to me? [She looks up at the towering goddess with wide, hungry eyes] After everything we've done tonight... I can't even imagine what could be next... but I want it... whatever it is... I want it...

Abigail: [A mysterious, confident, deeply promising smile as she looks down at Jasmine, her voice dropping to a low, intimate whisper that still rumbles through the room] Something really special... I promise you that... [She traces her finger along Jasmine's tiny body, the touch gentle and deliberate] Something I've been thinking about... planning... ever since I first saw you shrink... [Her eyes hold a dark, excited, deeply loving intensity] You're going to love it, my tiny girlfriend... I guarantee it...

Jasmine: [A flush of excitement and nervous anticipation flooding through her as she looks up at Abigail's enigmatic smile, her heart pounding in her tiny chest] I'm so excited... [She whispers, her eyes shining with trust and desire] I trust you completely, Abi... whatever you have planned... I know it's going to be amazing... [She reaches up and touches Abigail's massive finger] I'm ready for anything...
