Sakura is fighting a werewolf, his attacks are so fast that she barely has time to block them and little can she do to attack back.

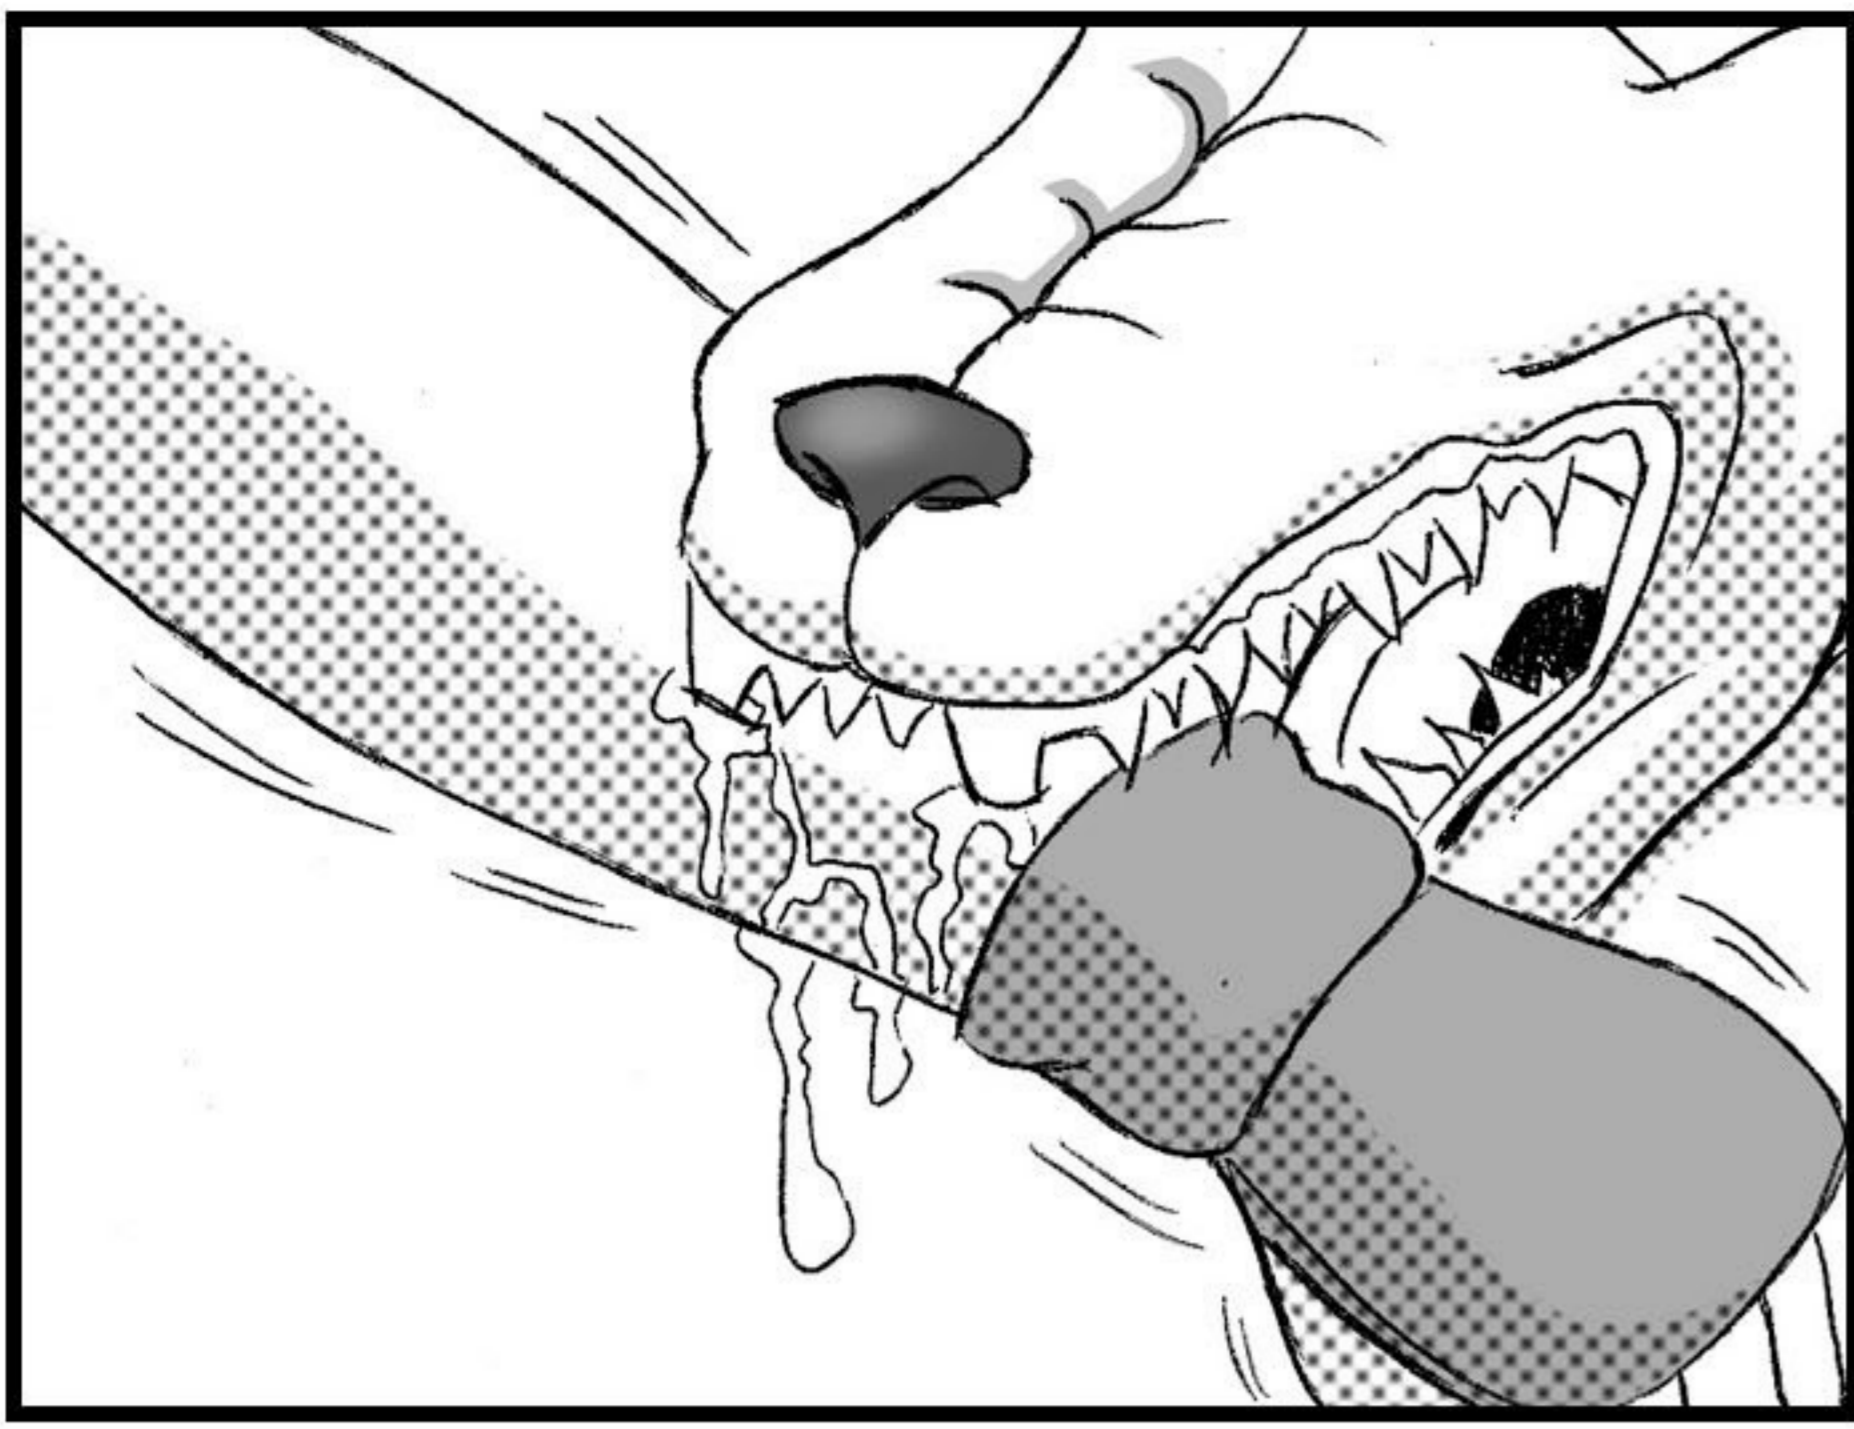

At last his guard is down, this is my time!

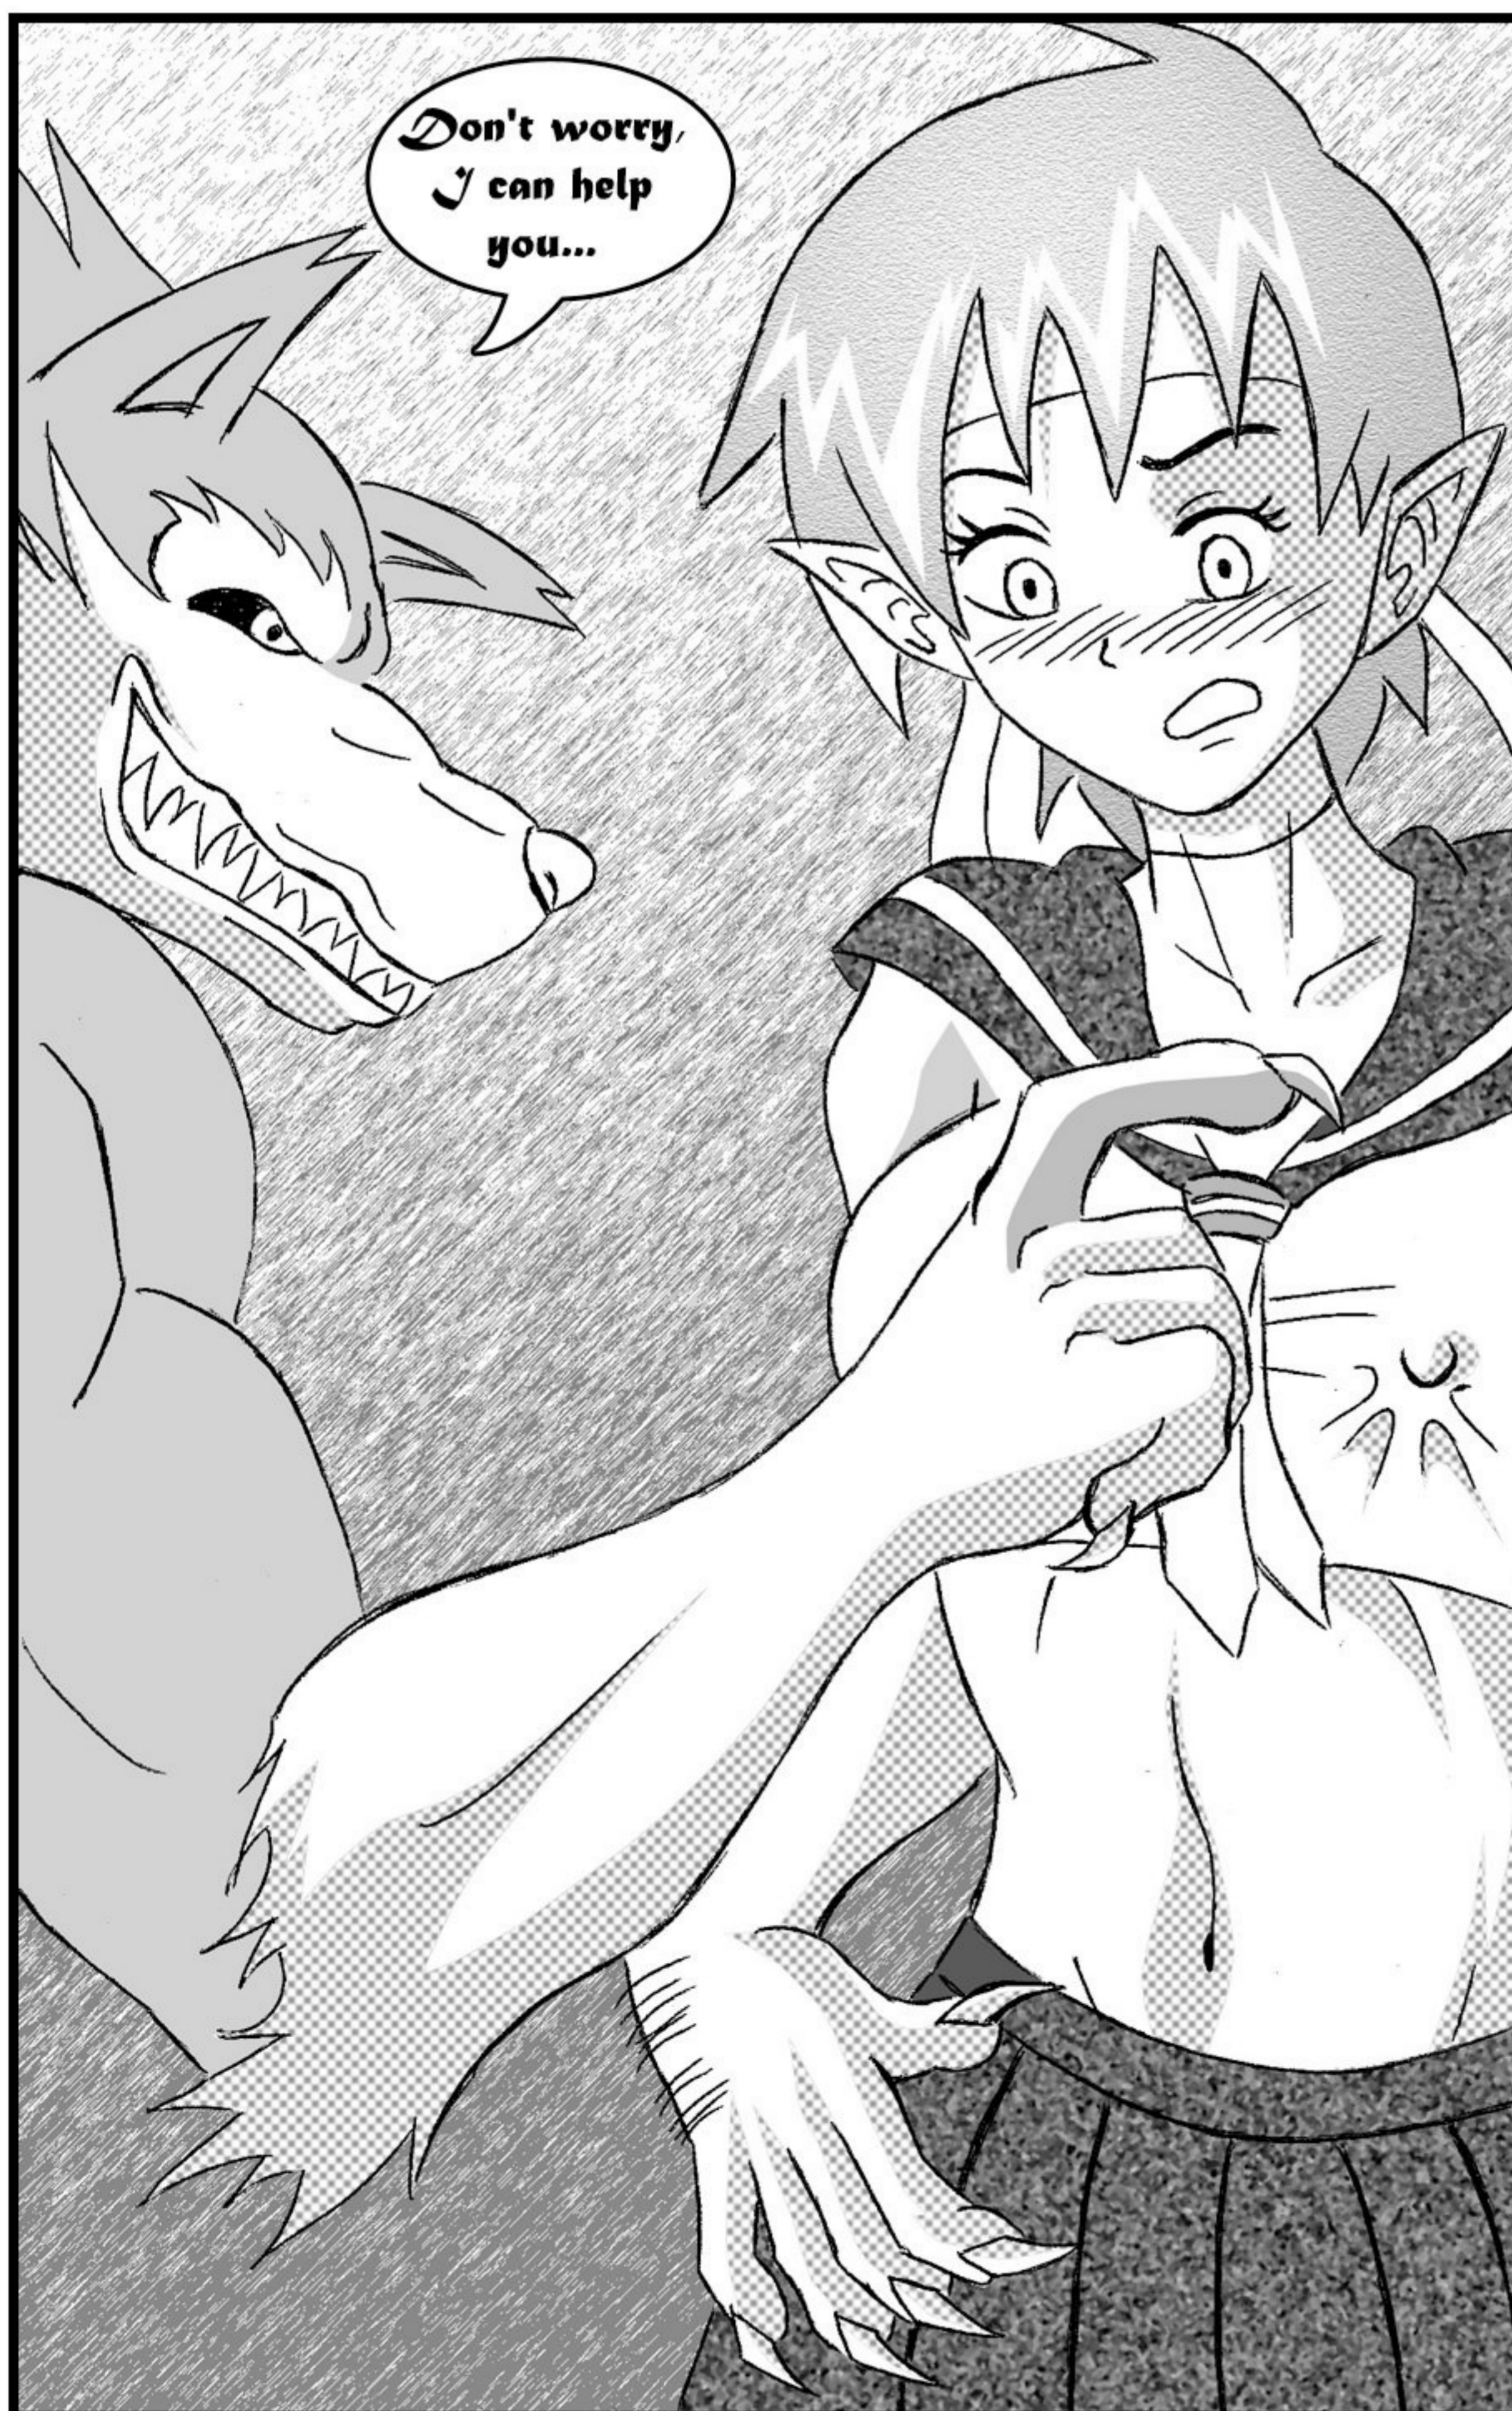

Take this, damn wolf!

It can't be! He blocked my attack!!

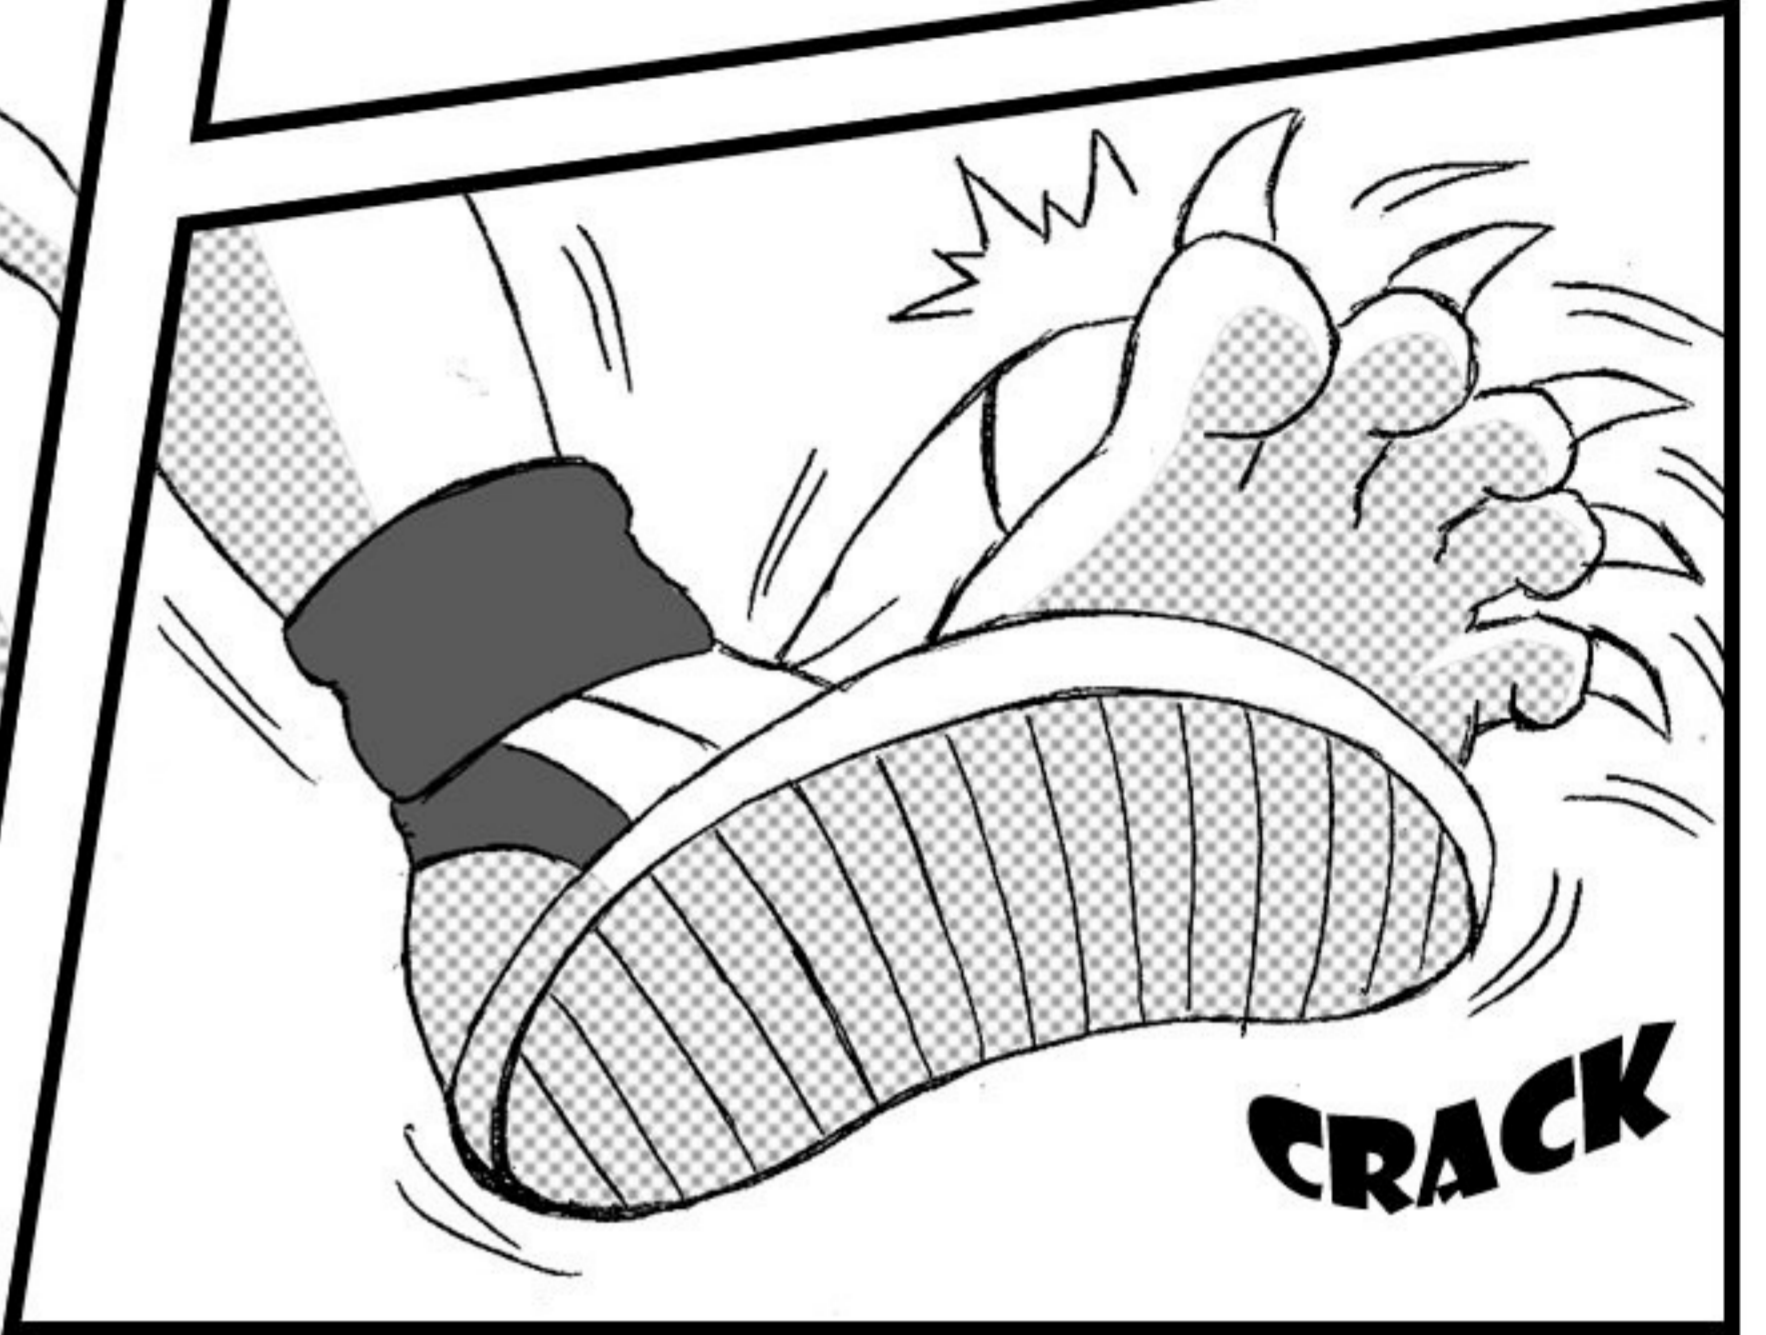

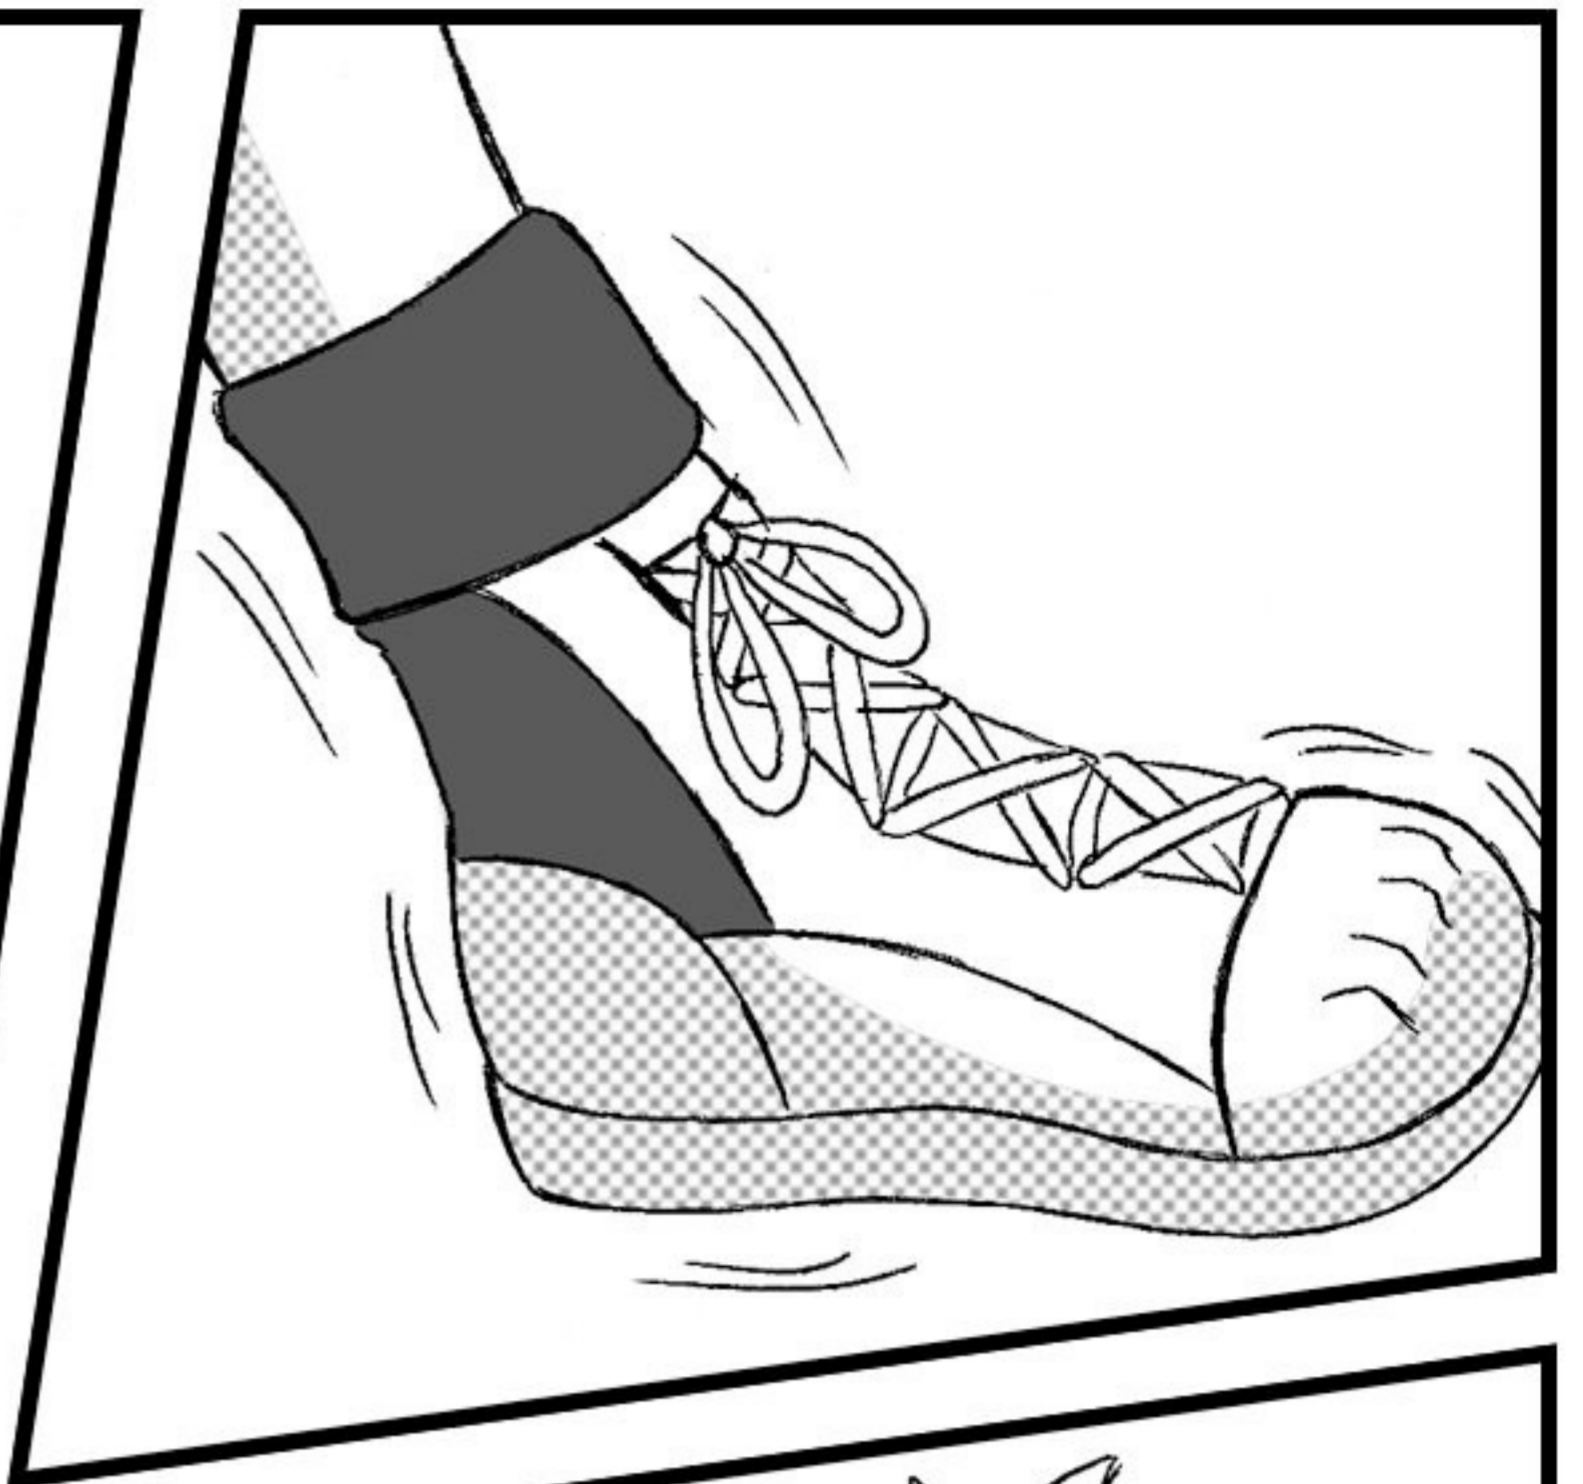

Oh my...my breasts have swelled like two melons and now my feet...eh...

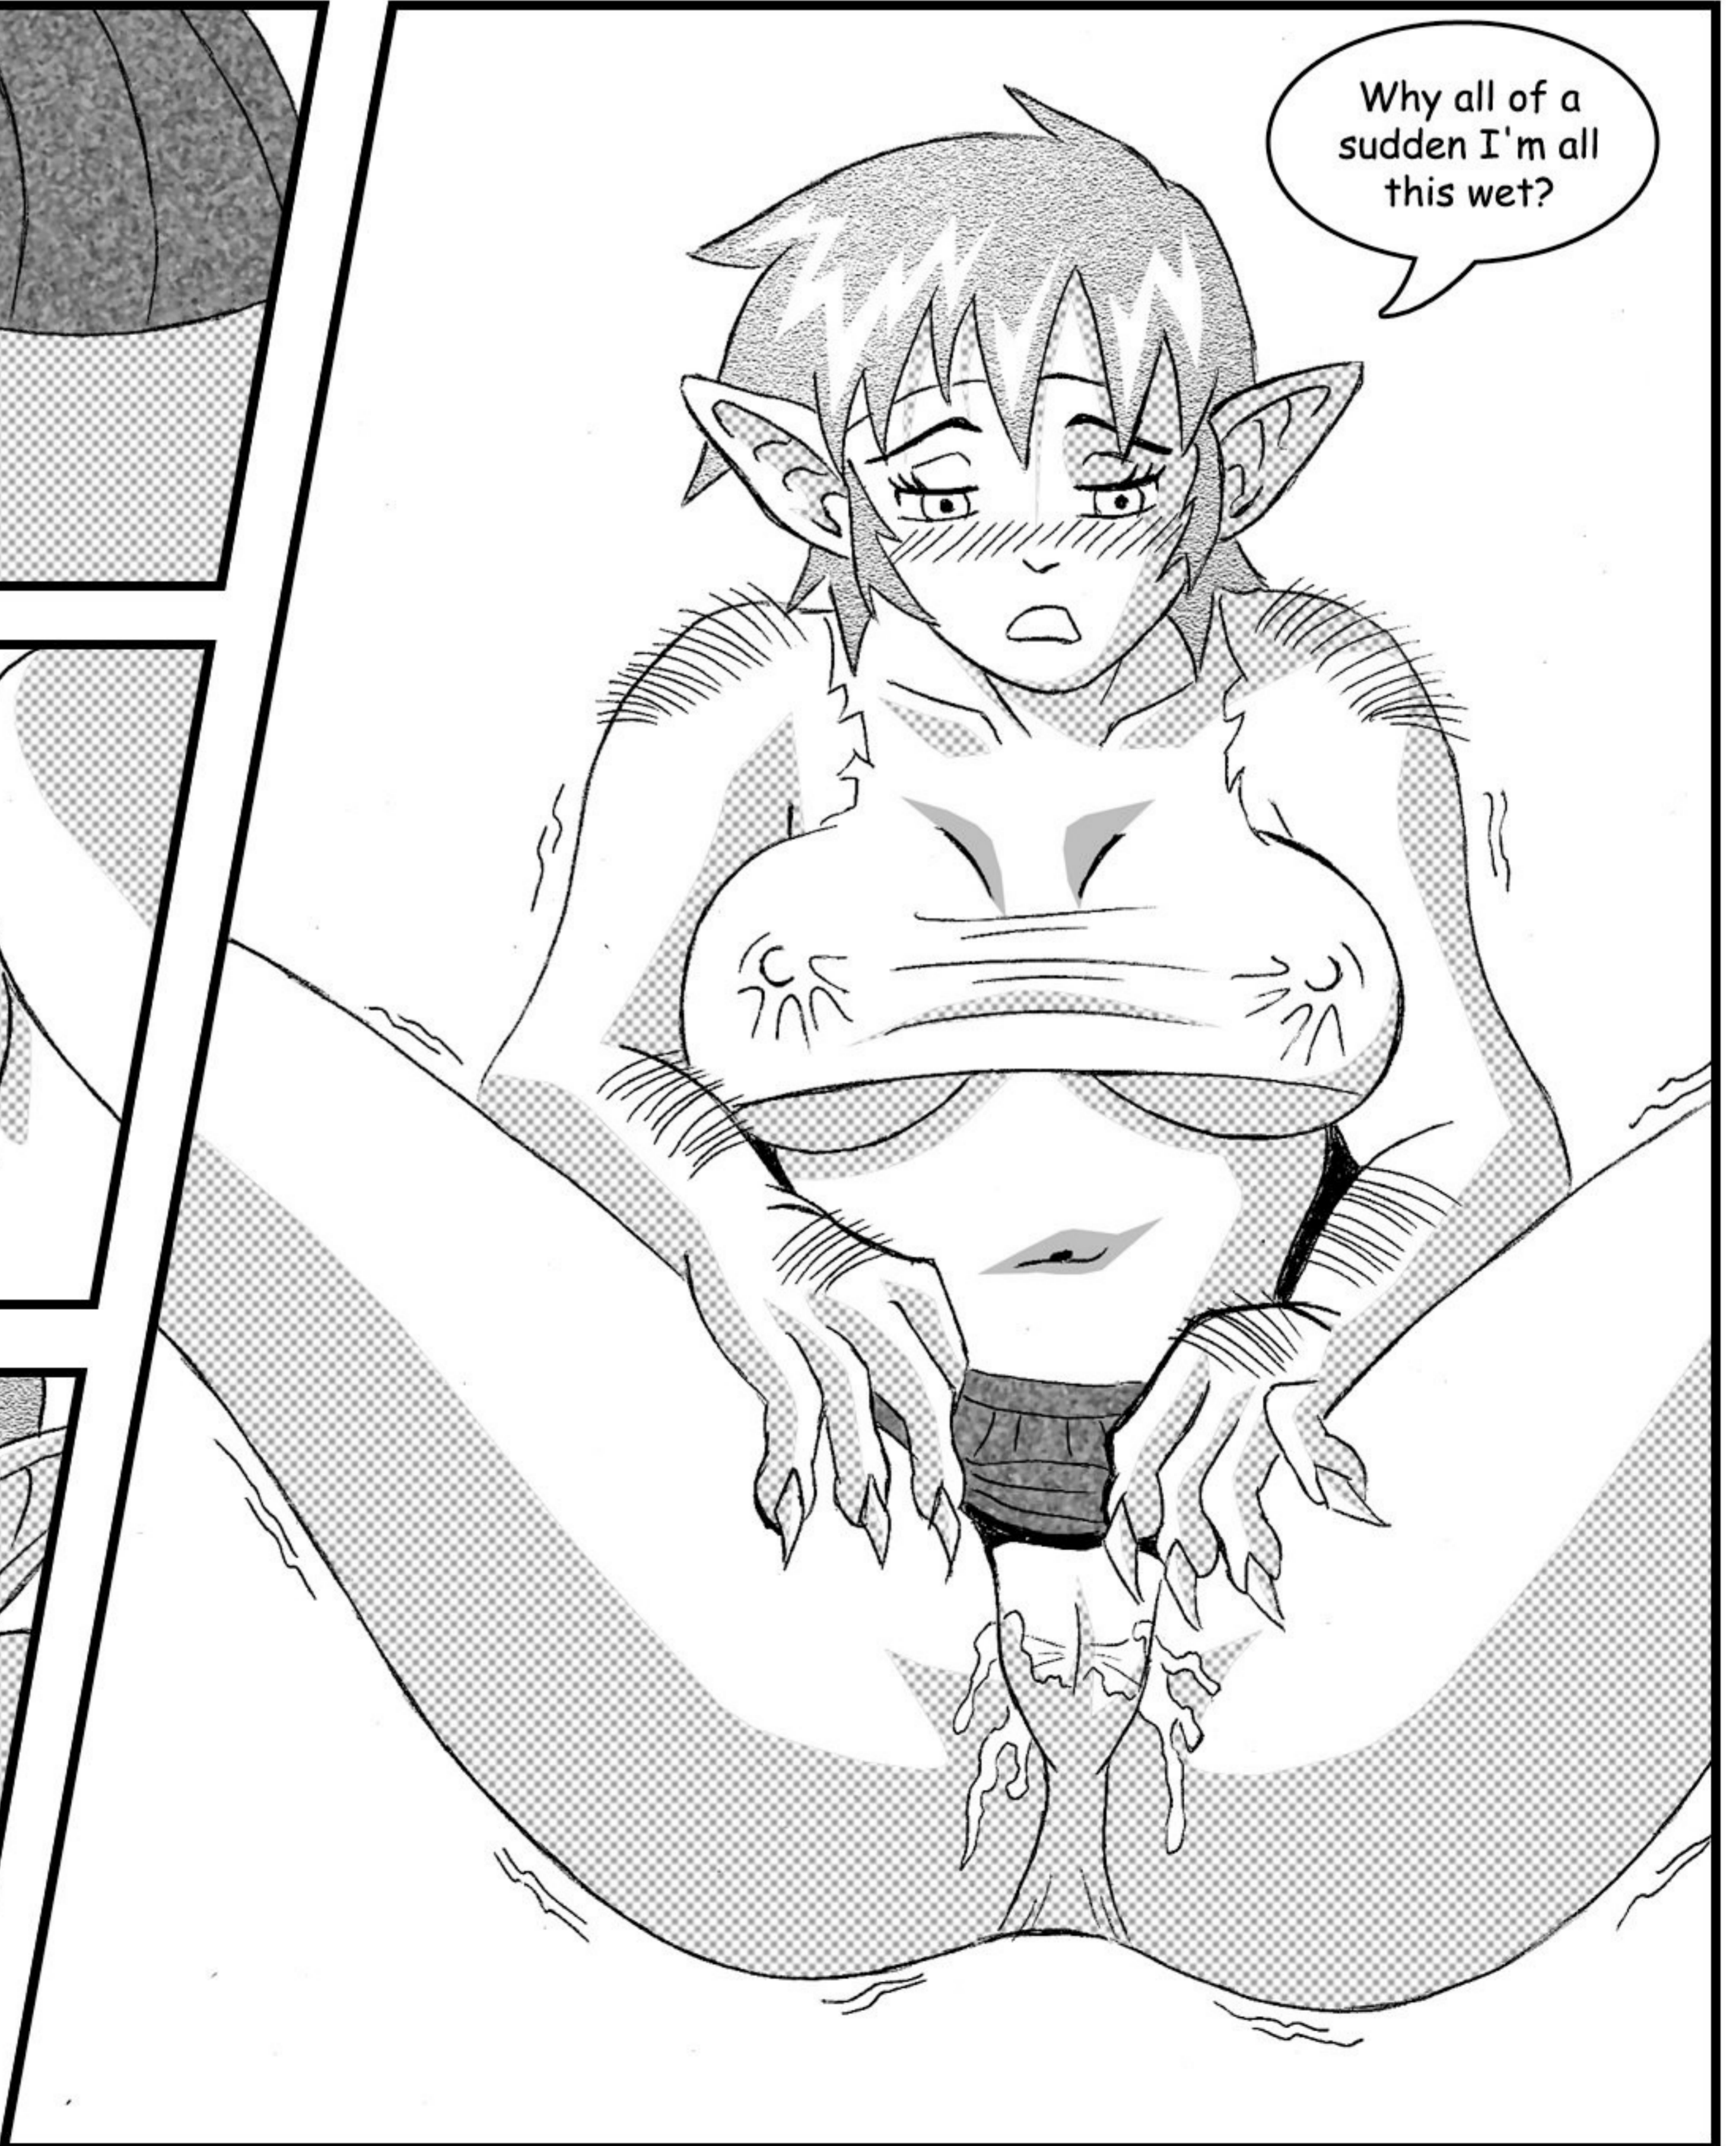

CRACK

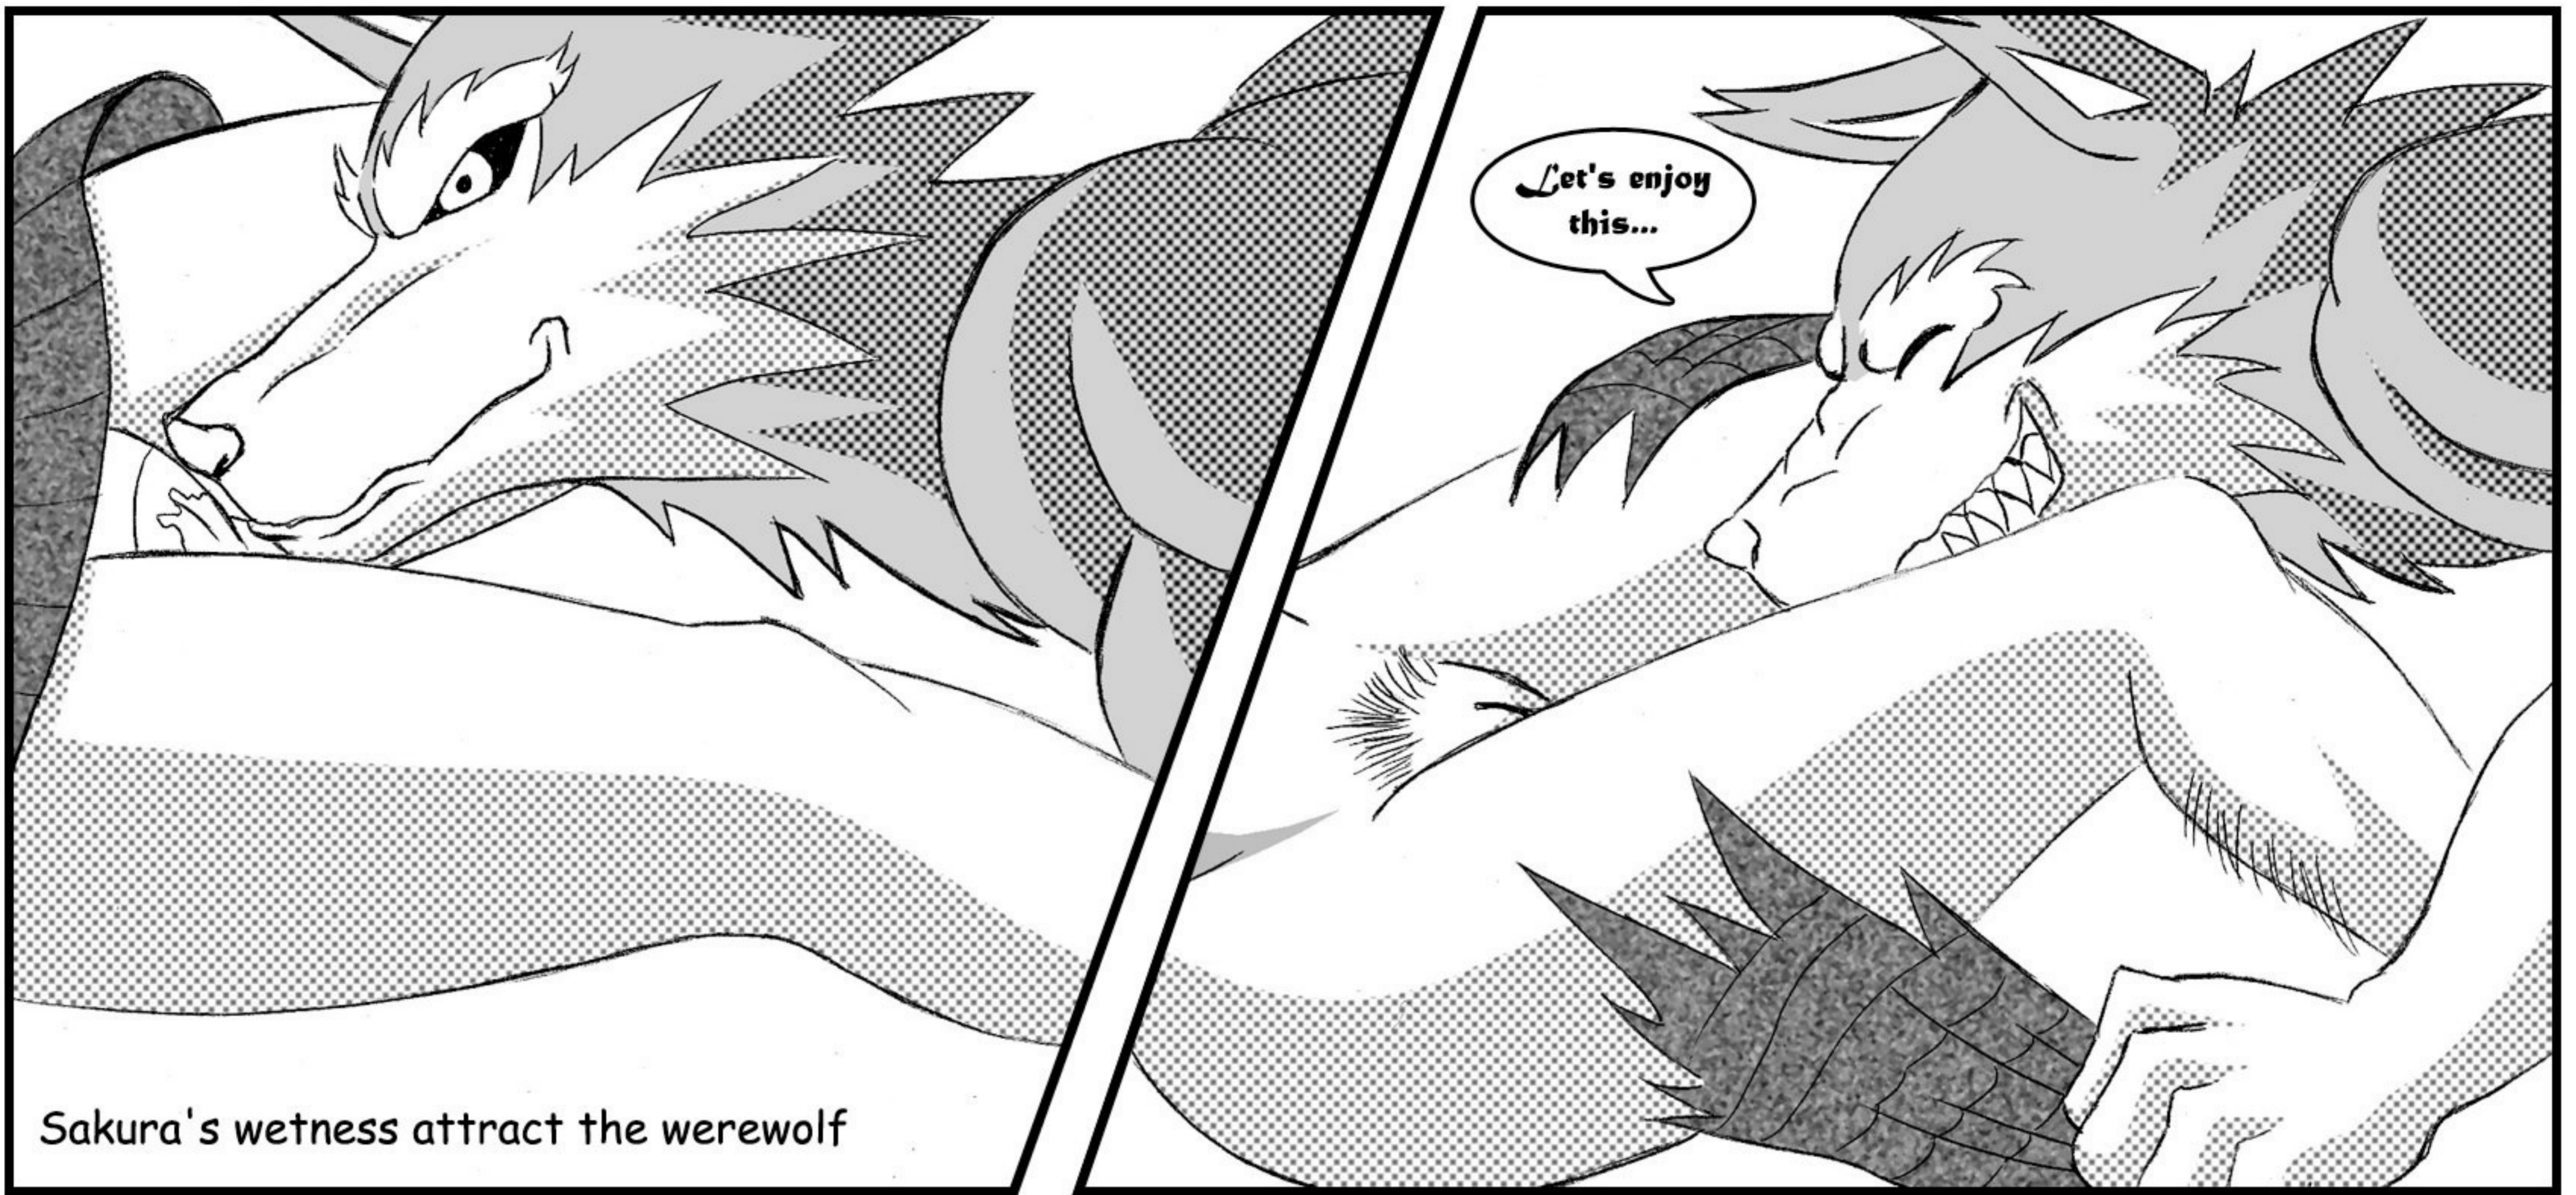

What's this?

Why all of a sudden I'm all this wet?

Sakura's wetness attract the werewolf

No please,
I beg you...

Now comes
the best

What's this pain
in my breasts
and my belly?

Ah...!

You will love this...

No...not like that...is so hard...

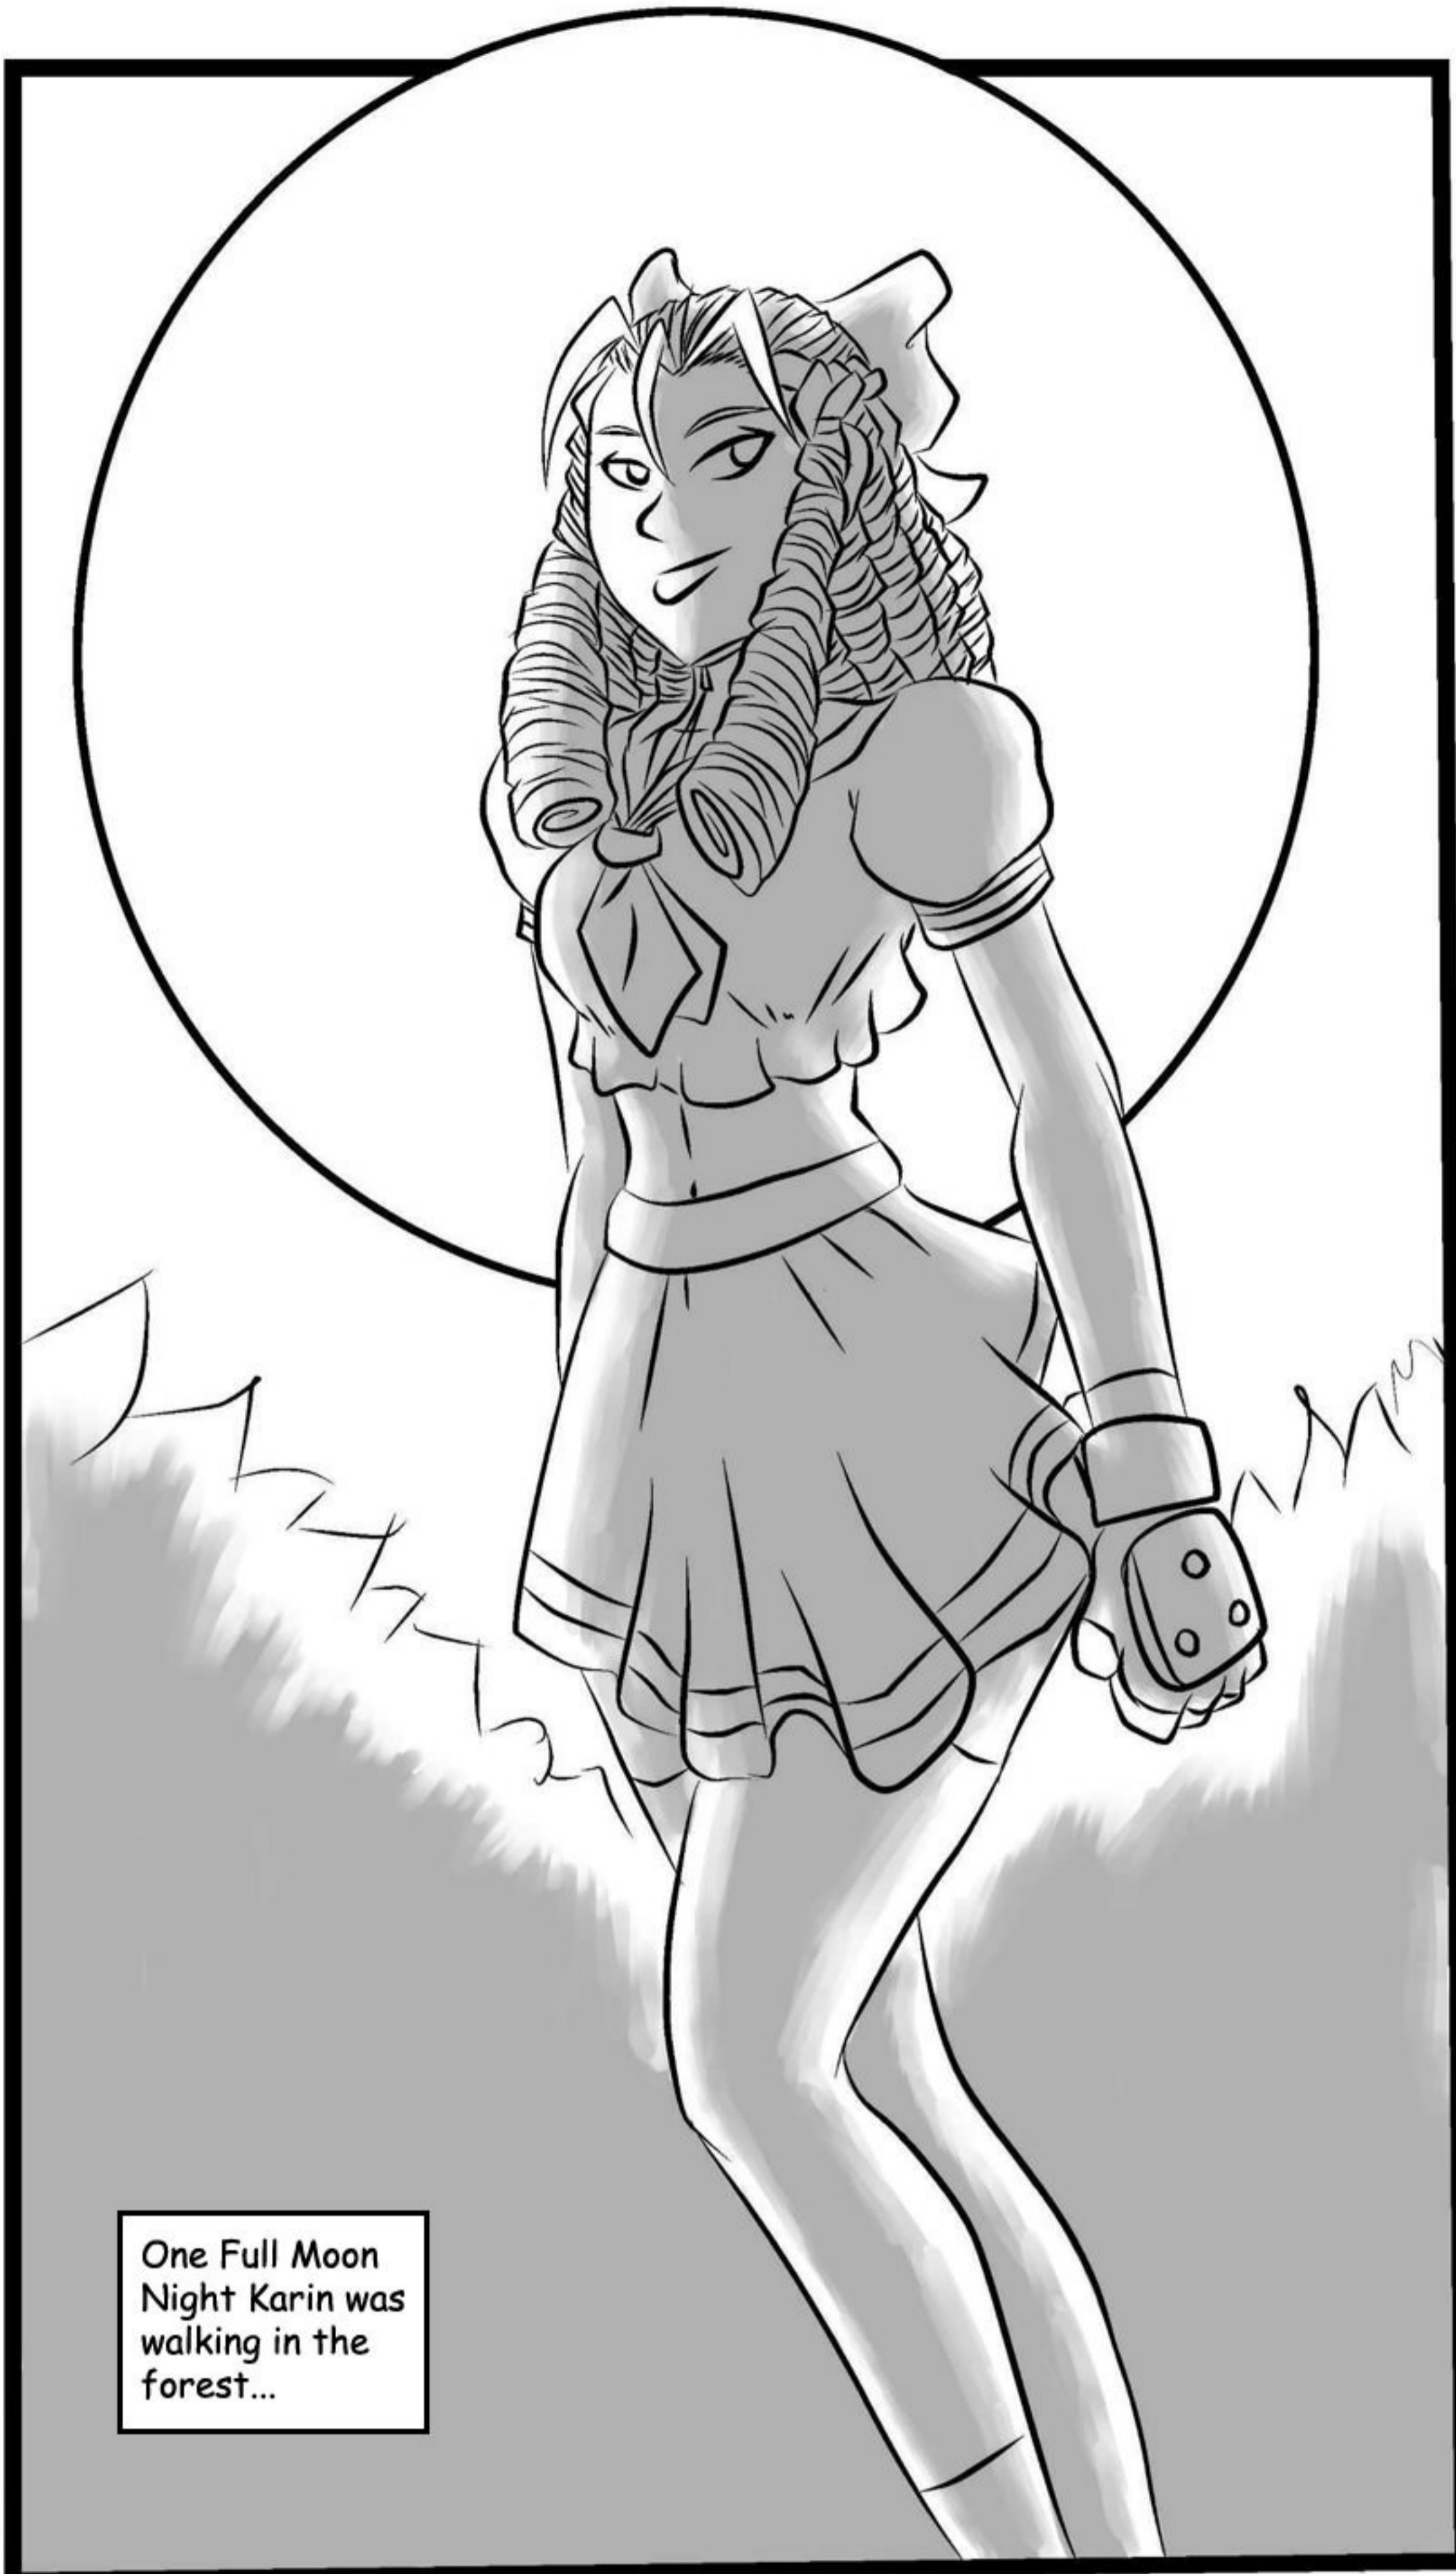

Sakura's transformation progressed bit a bit and her body slowly gets covered by thicker fur as her sexual desire grows...

Along with the transformation the sexual pleasure rose more and more, Sakura experienced the maximum pleasure.

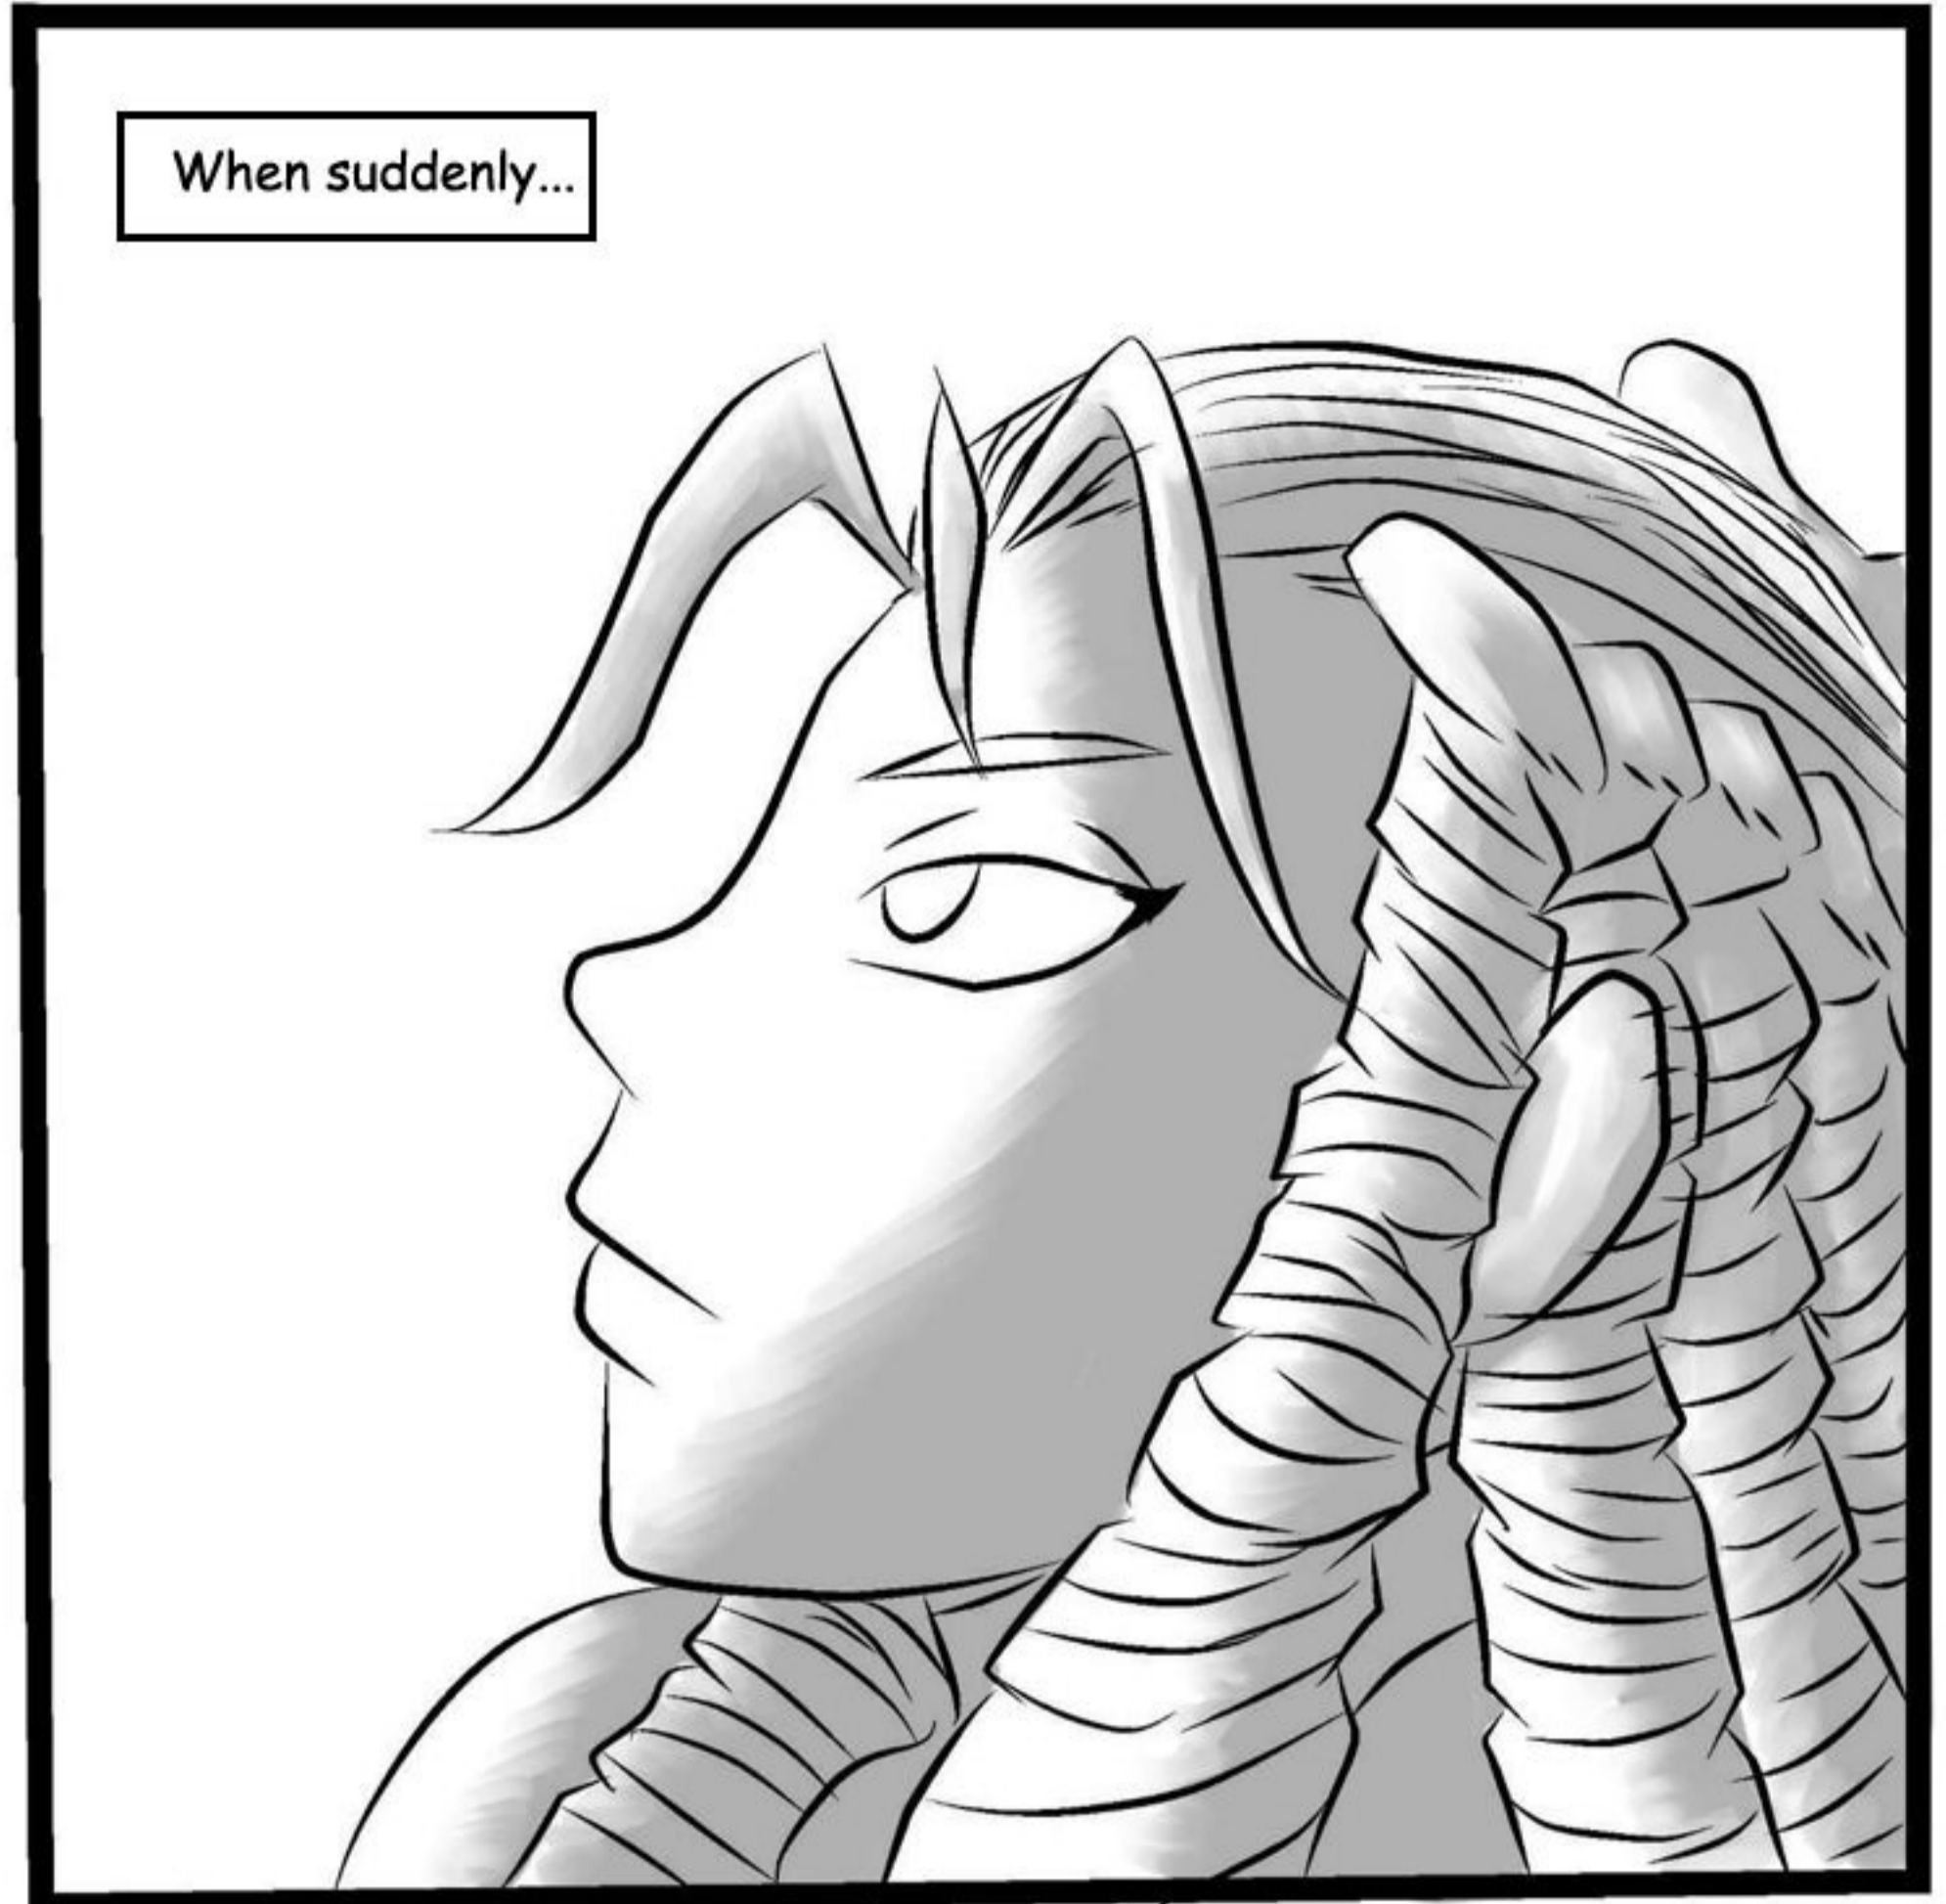

The sound of her vertebrae as she changed into a werewolf excited her more and little by little the growth of her tail were taking her to the ultimate pleasure...

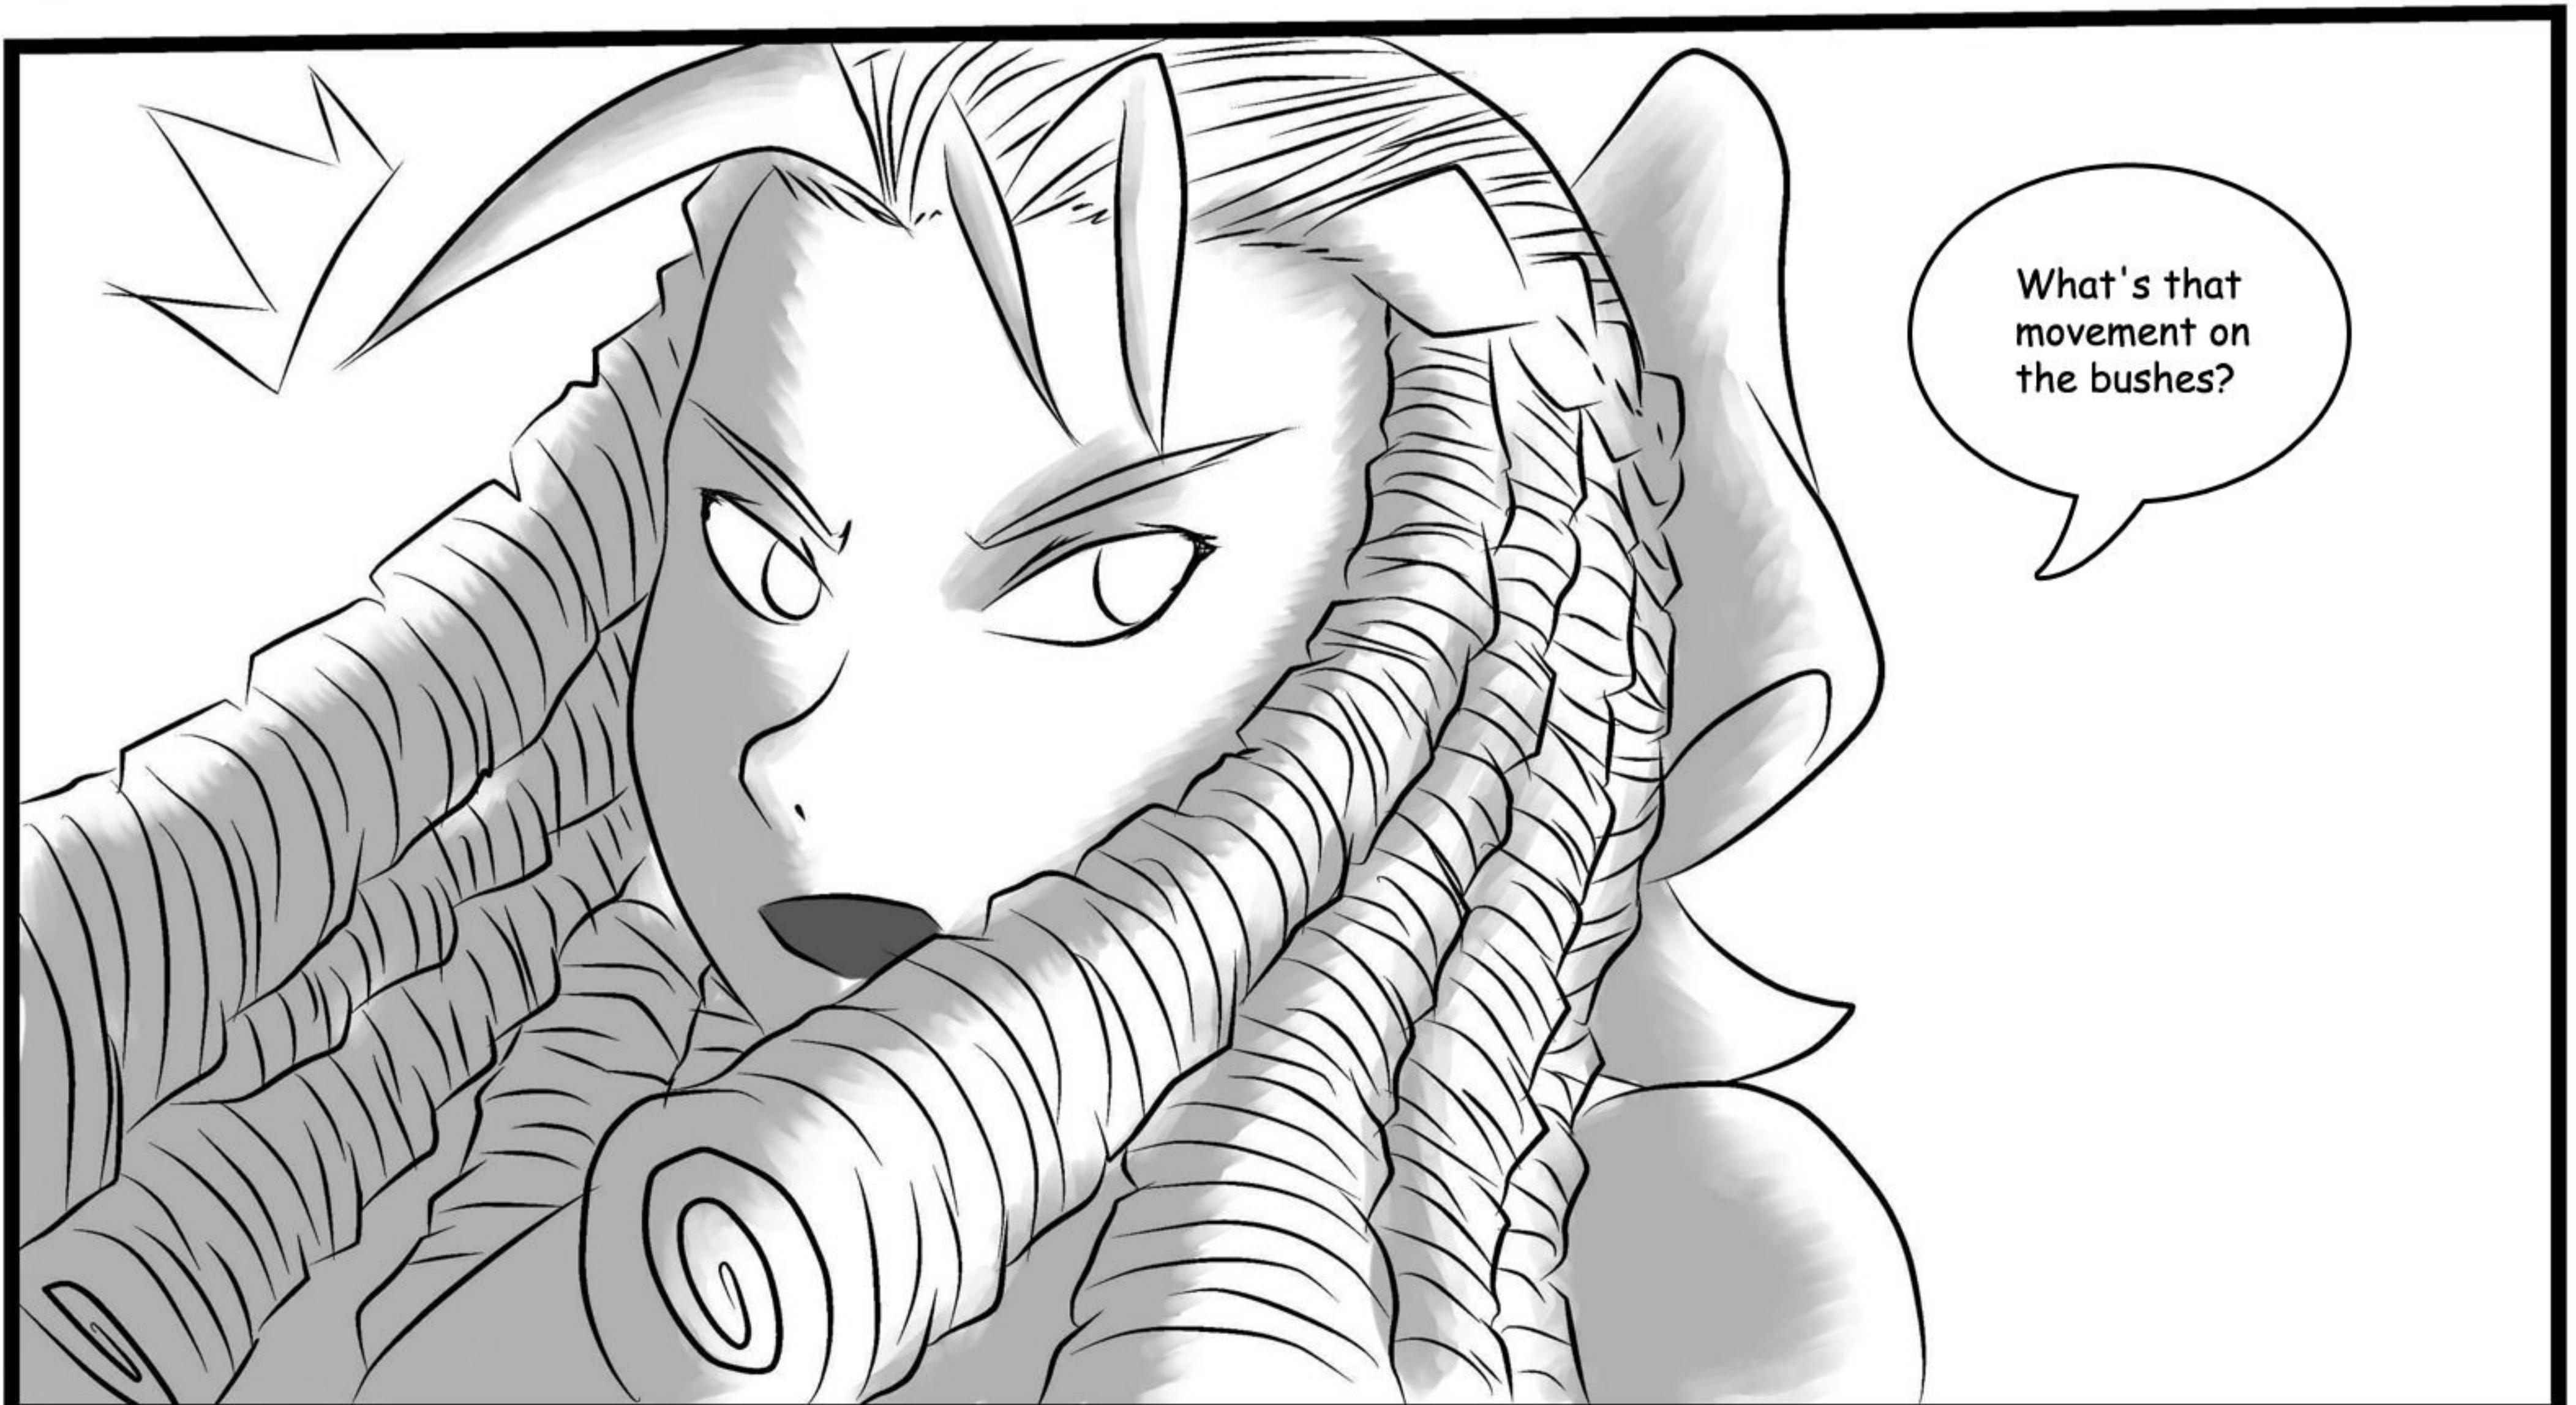

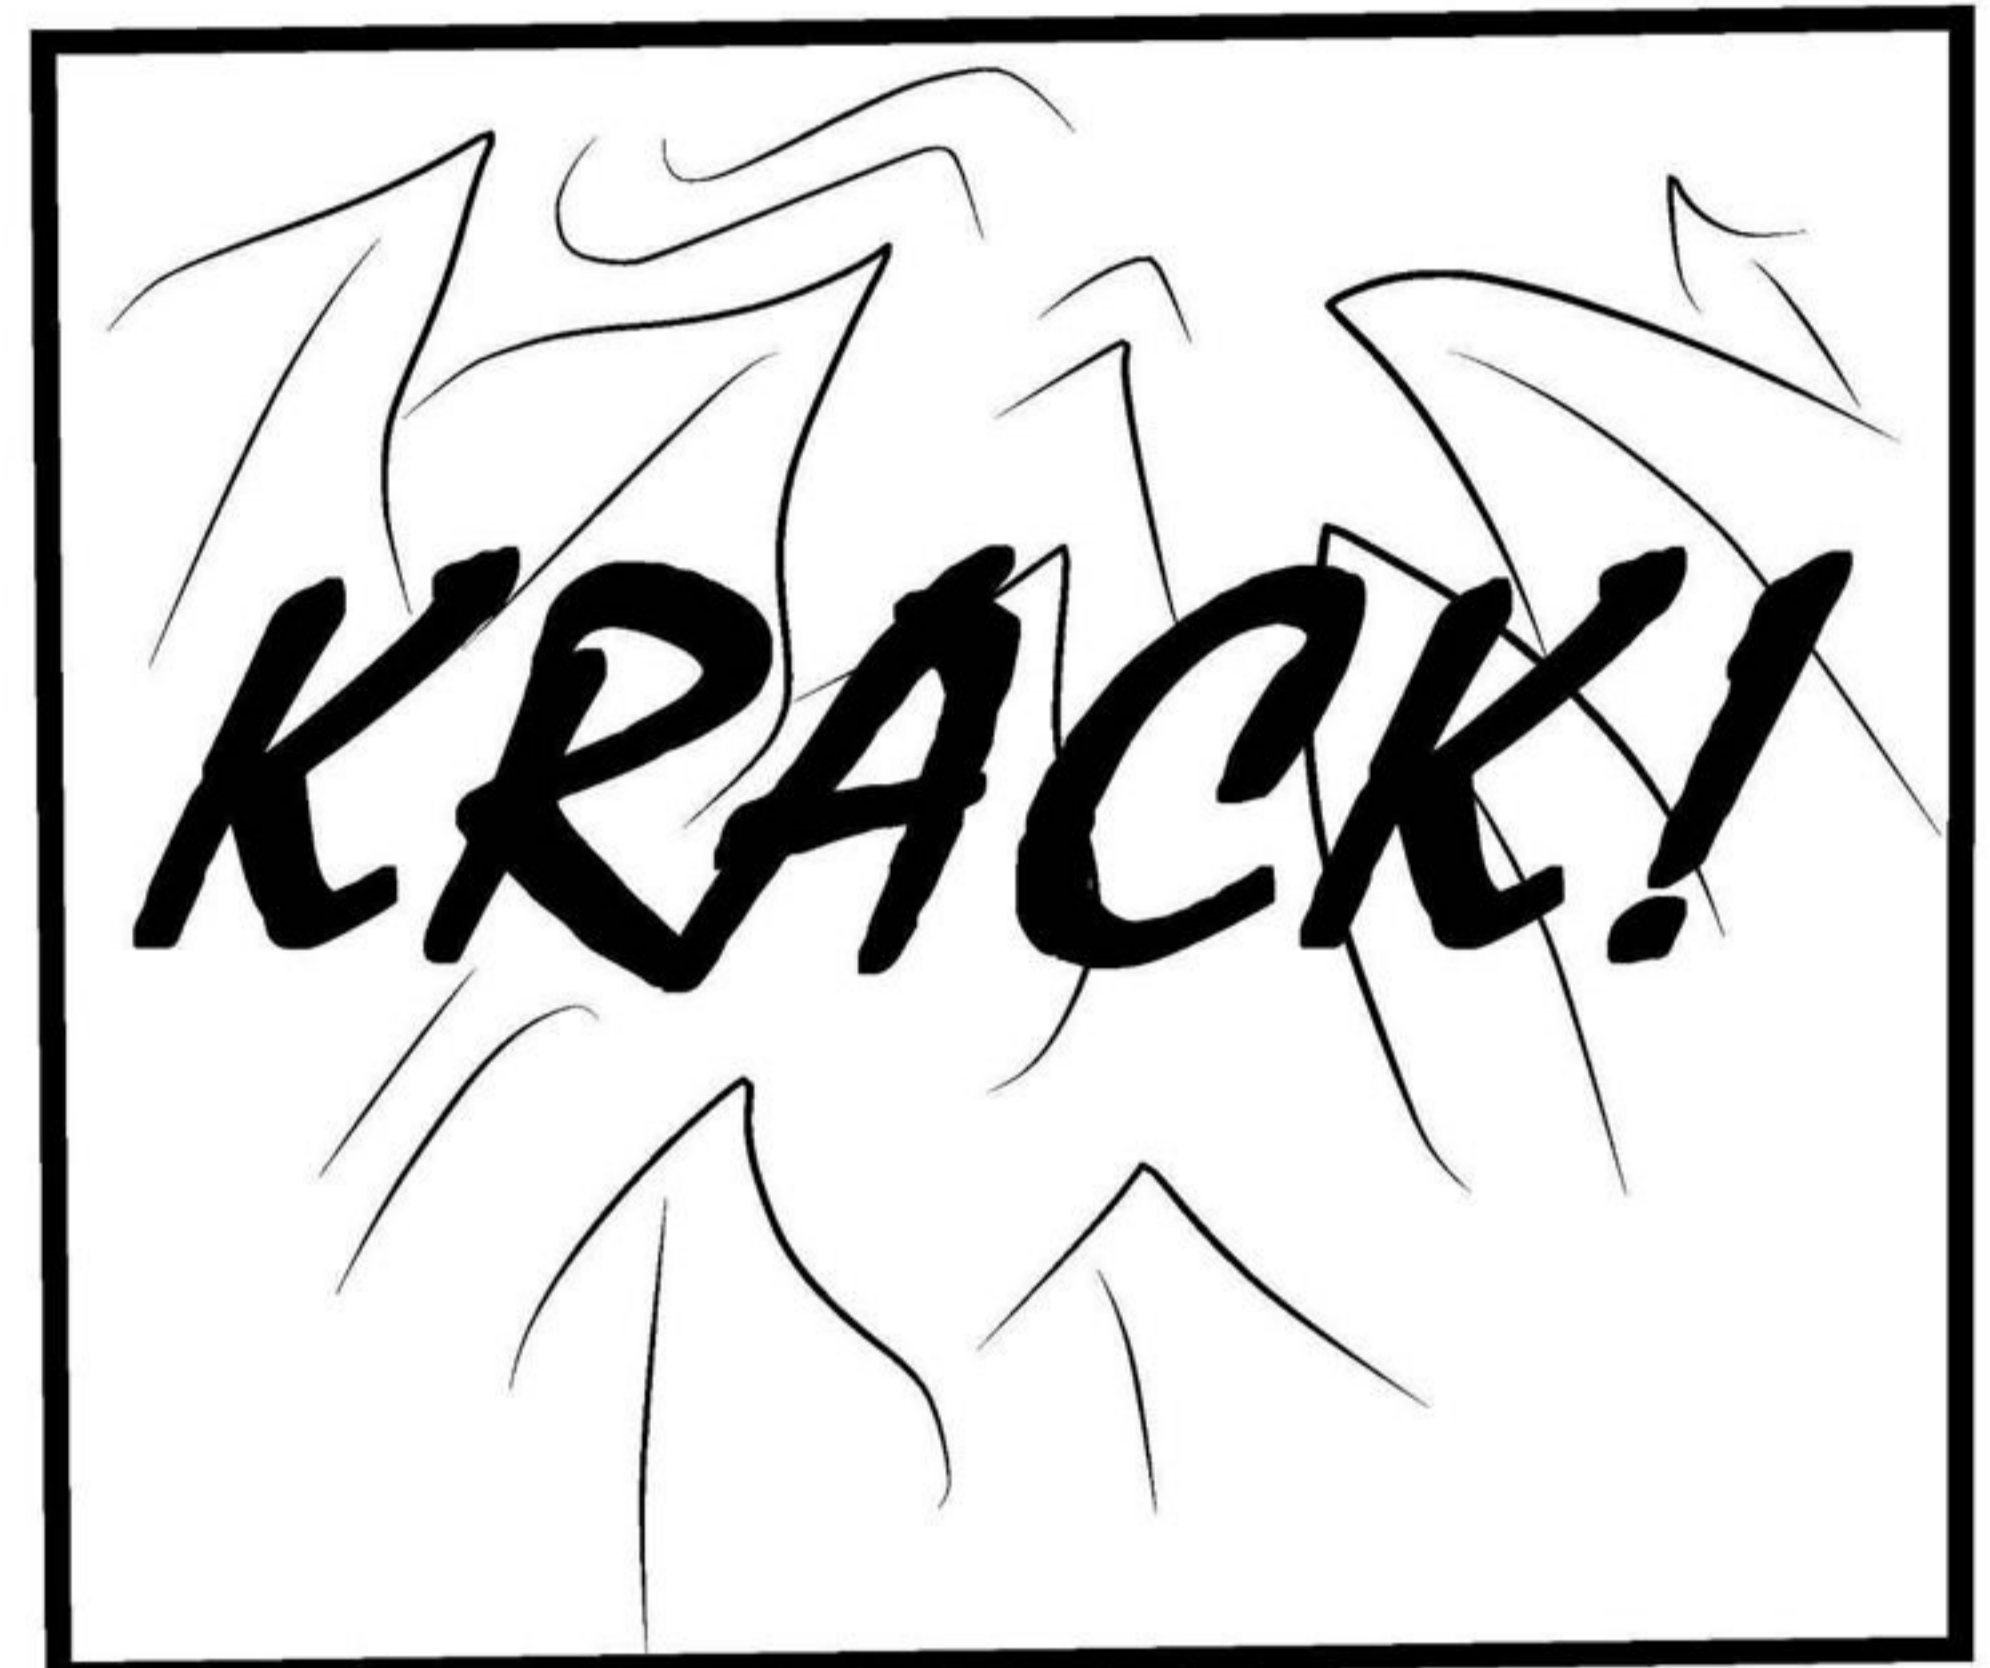

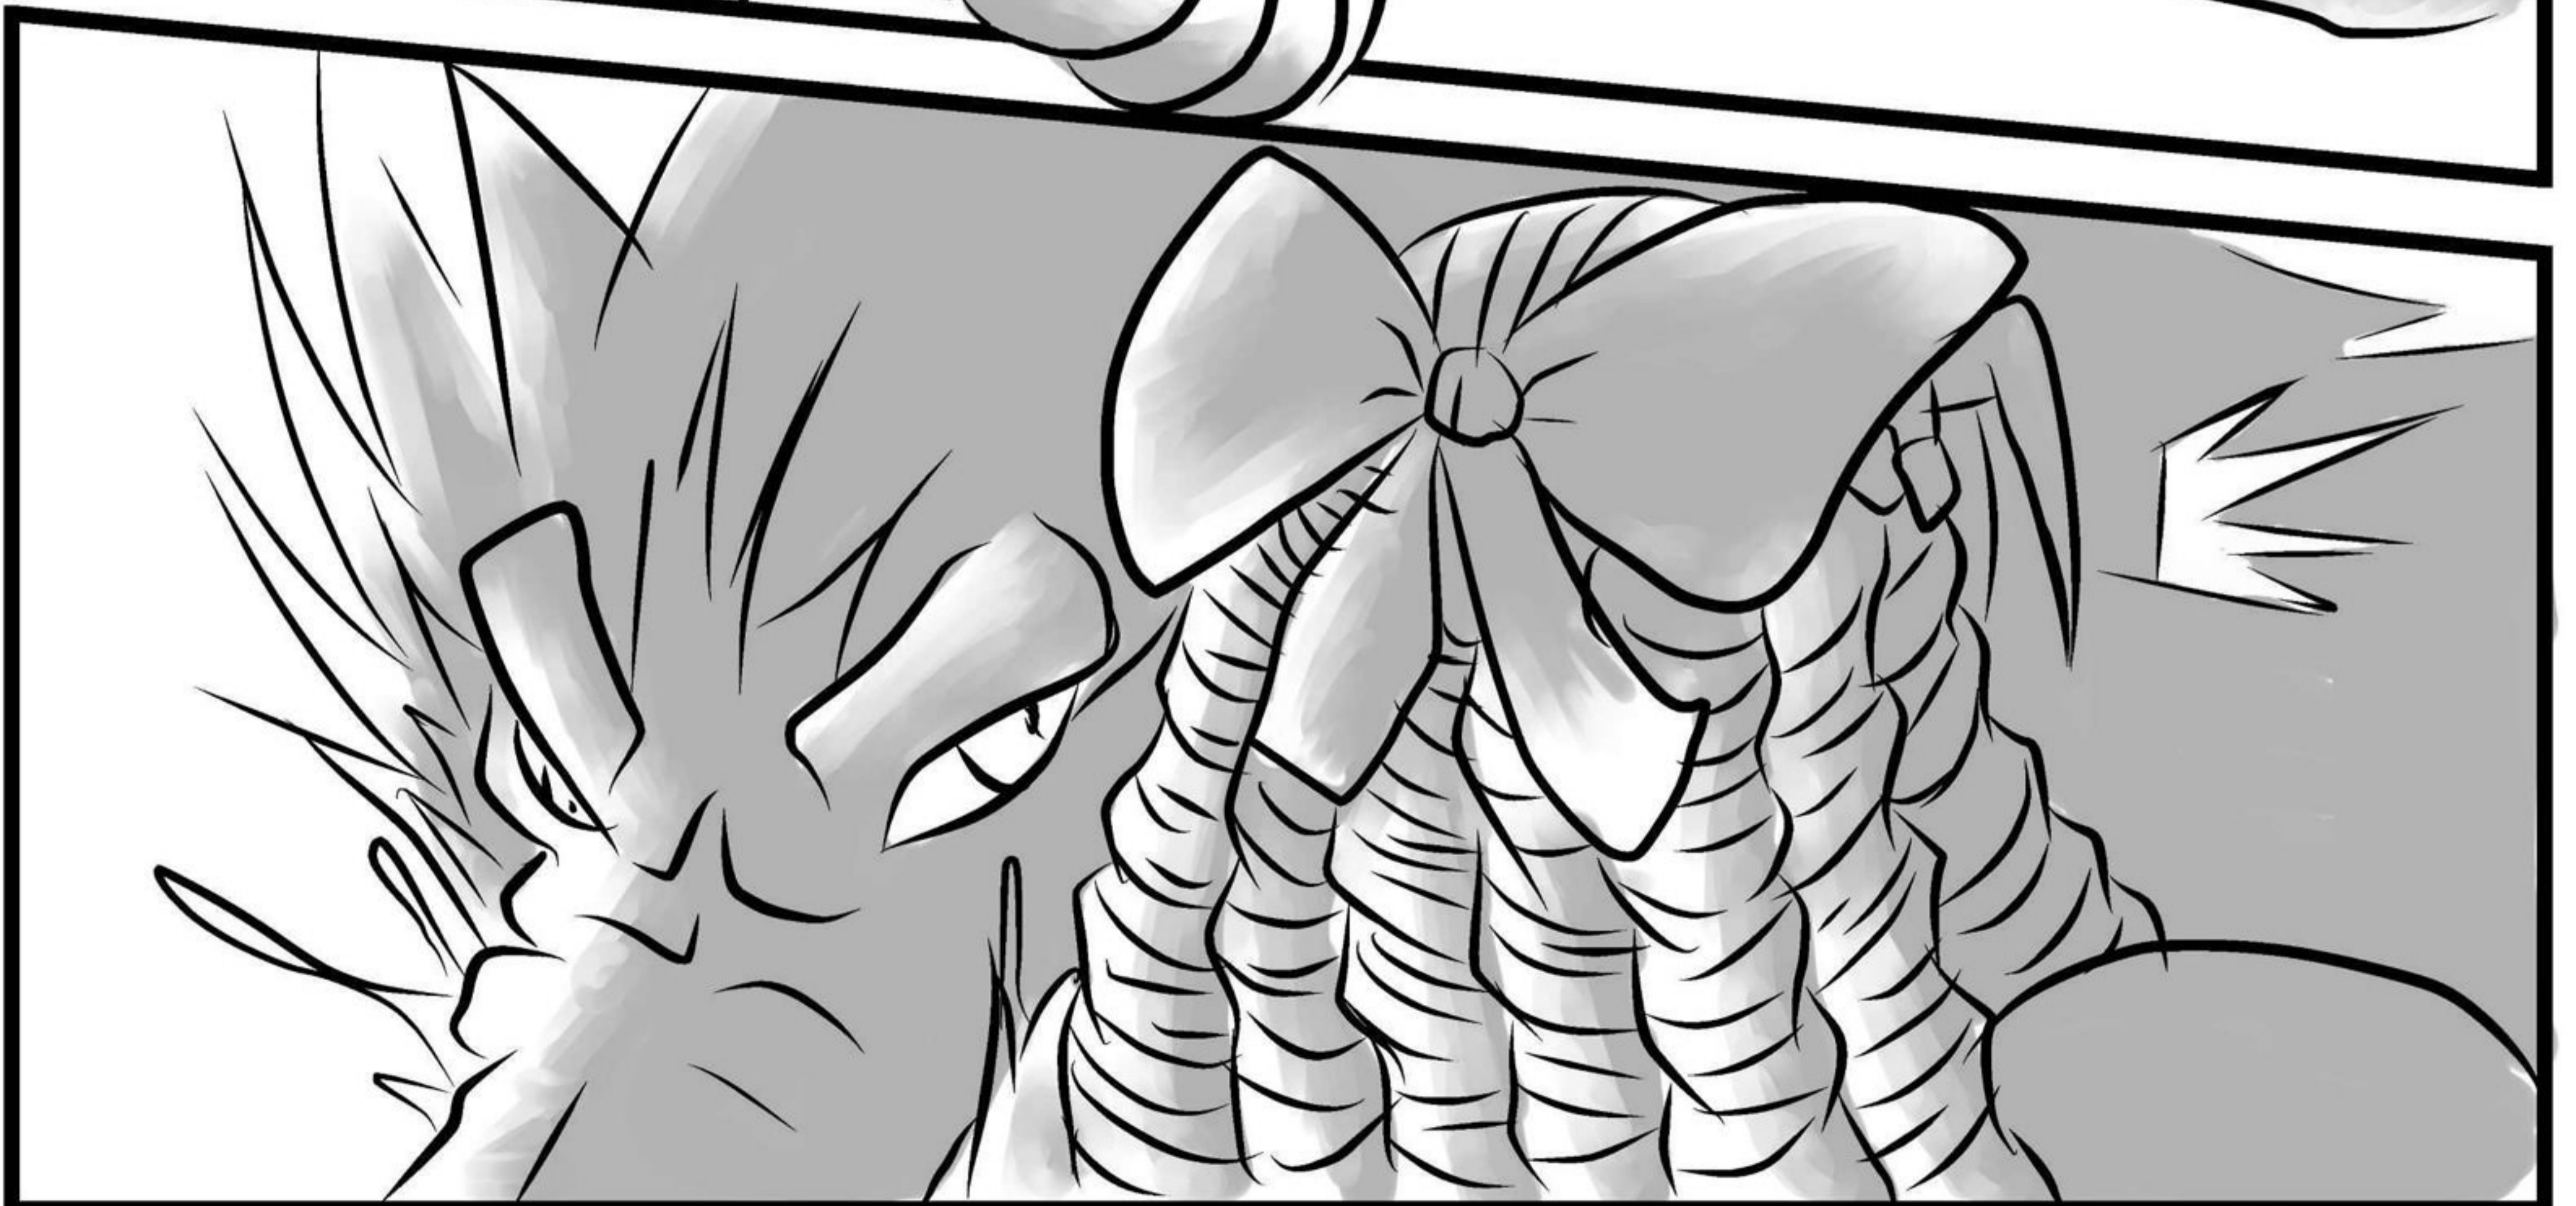

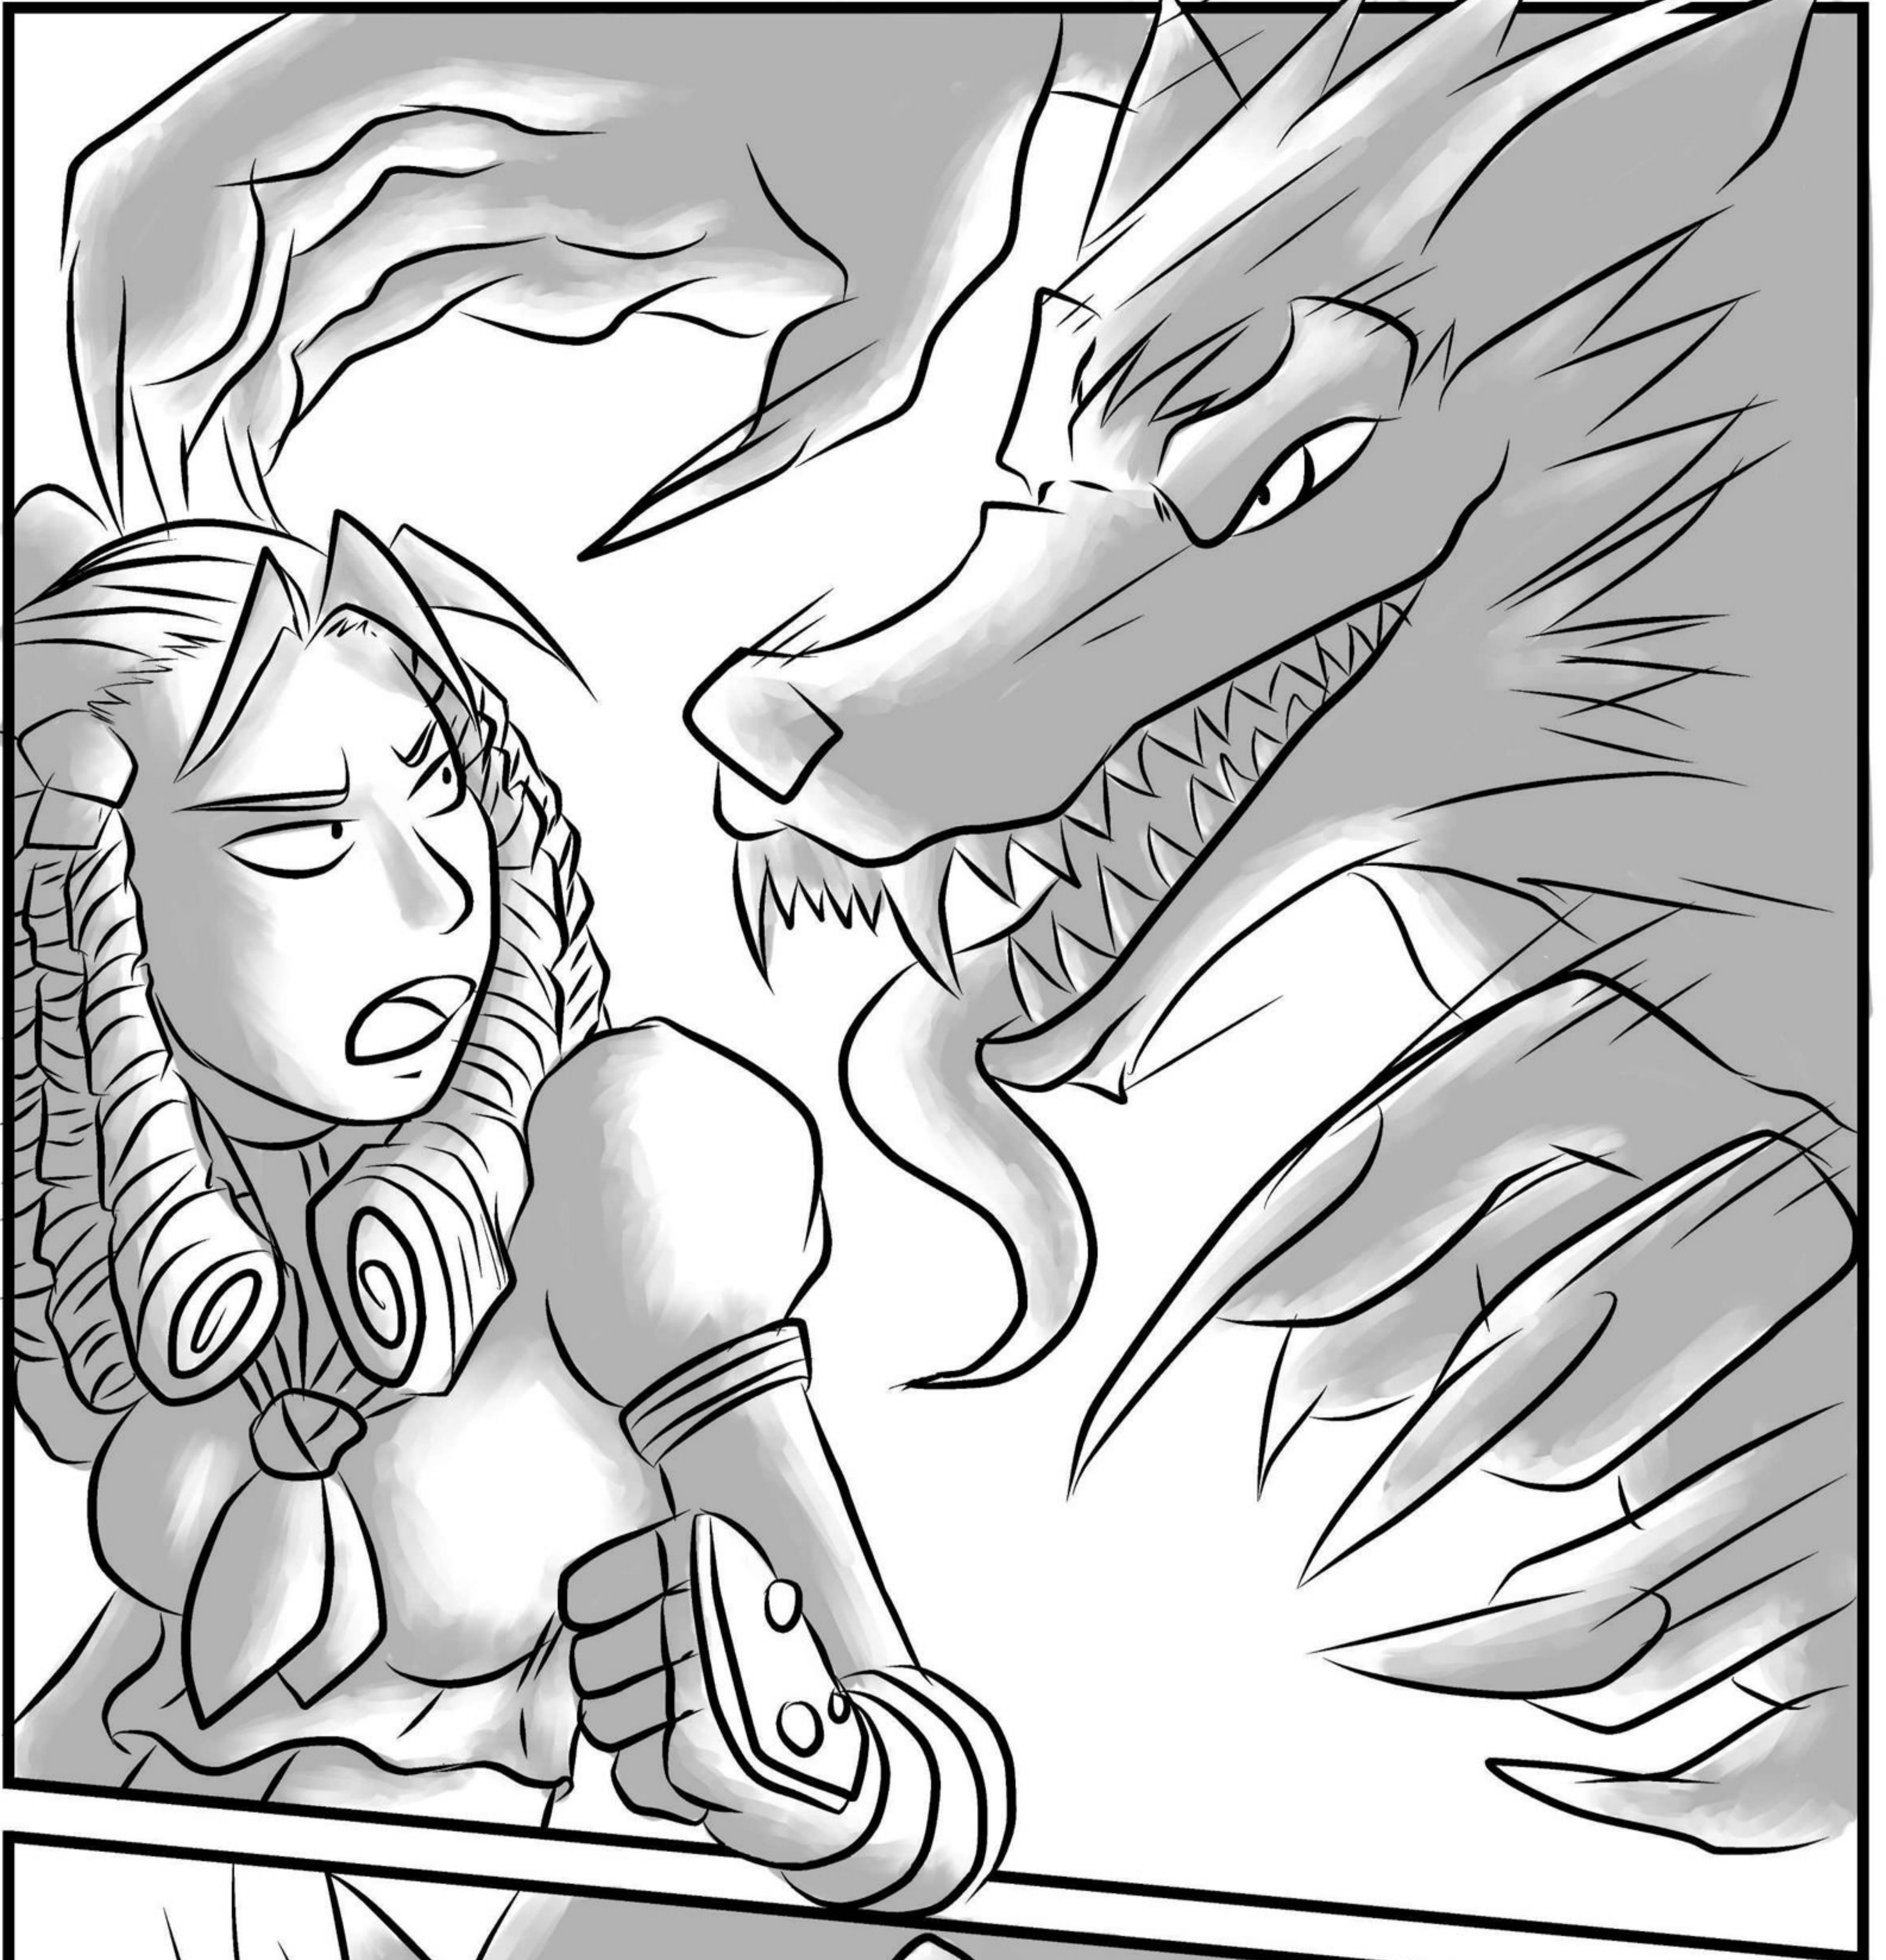

One Full Moon Night Karin was walking in the forest...

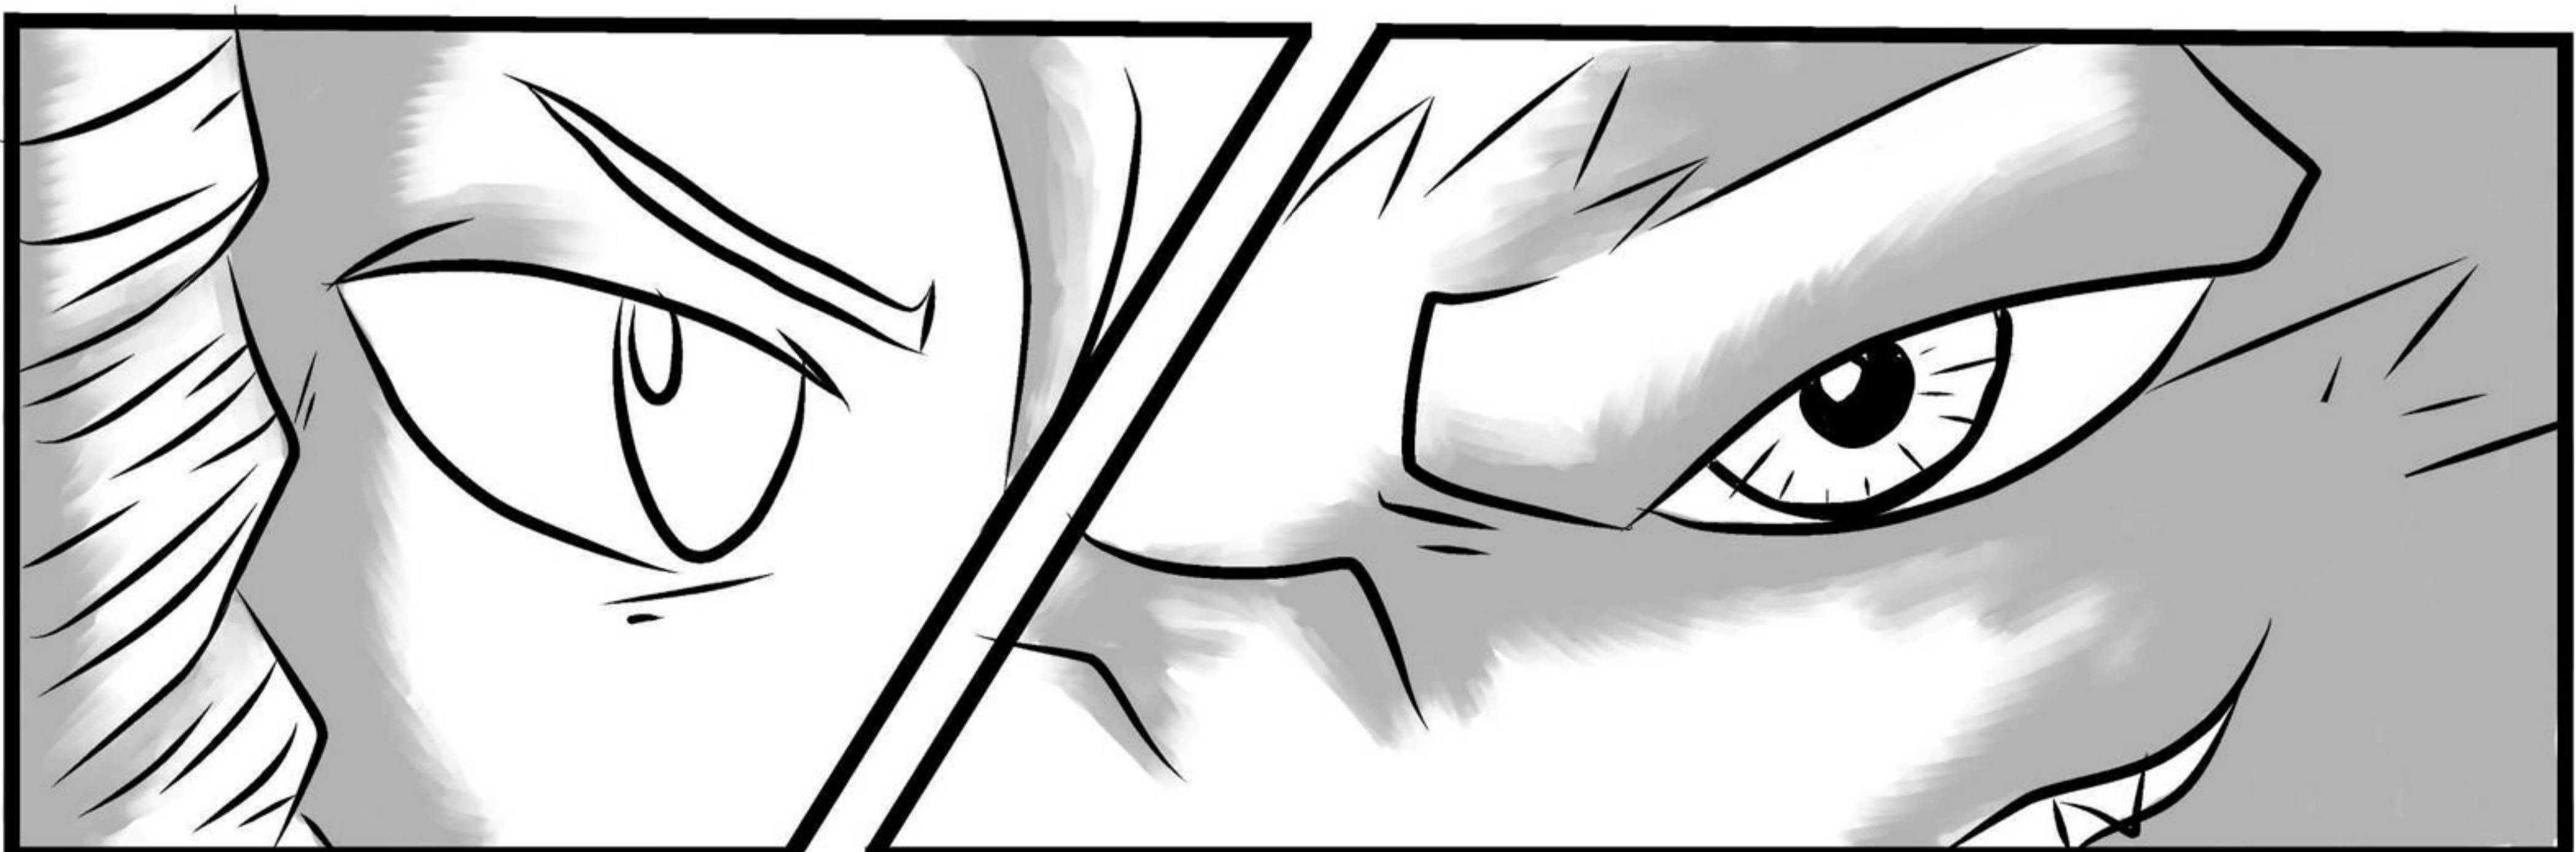

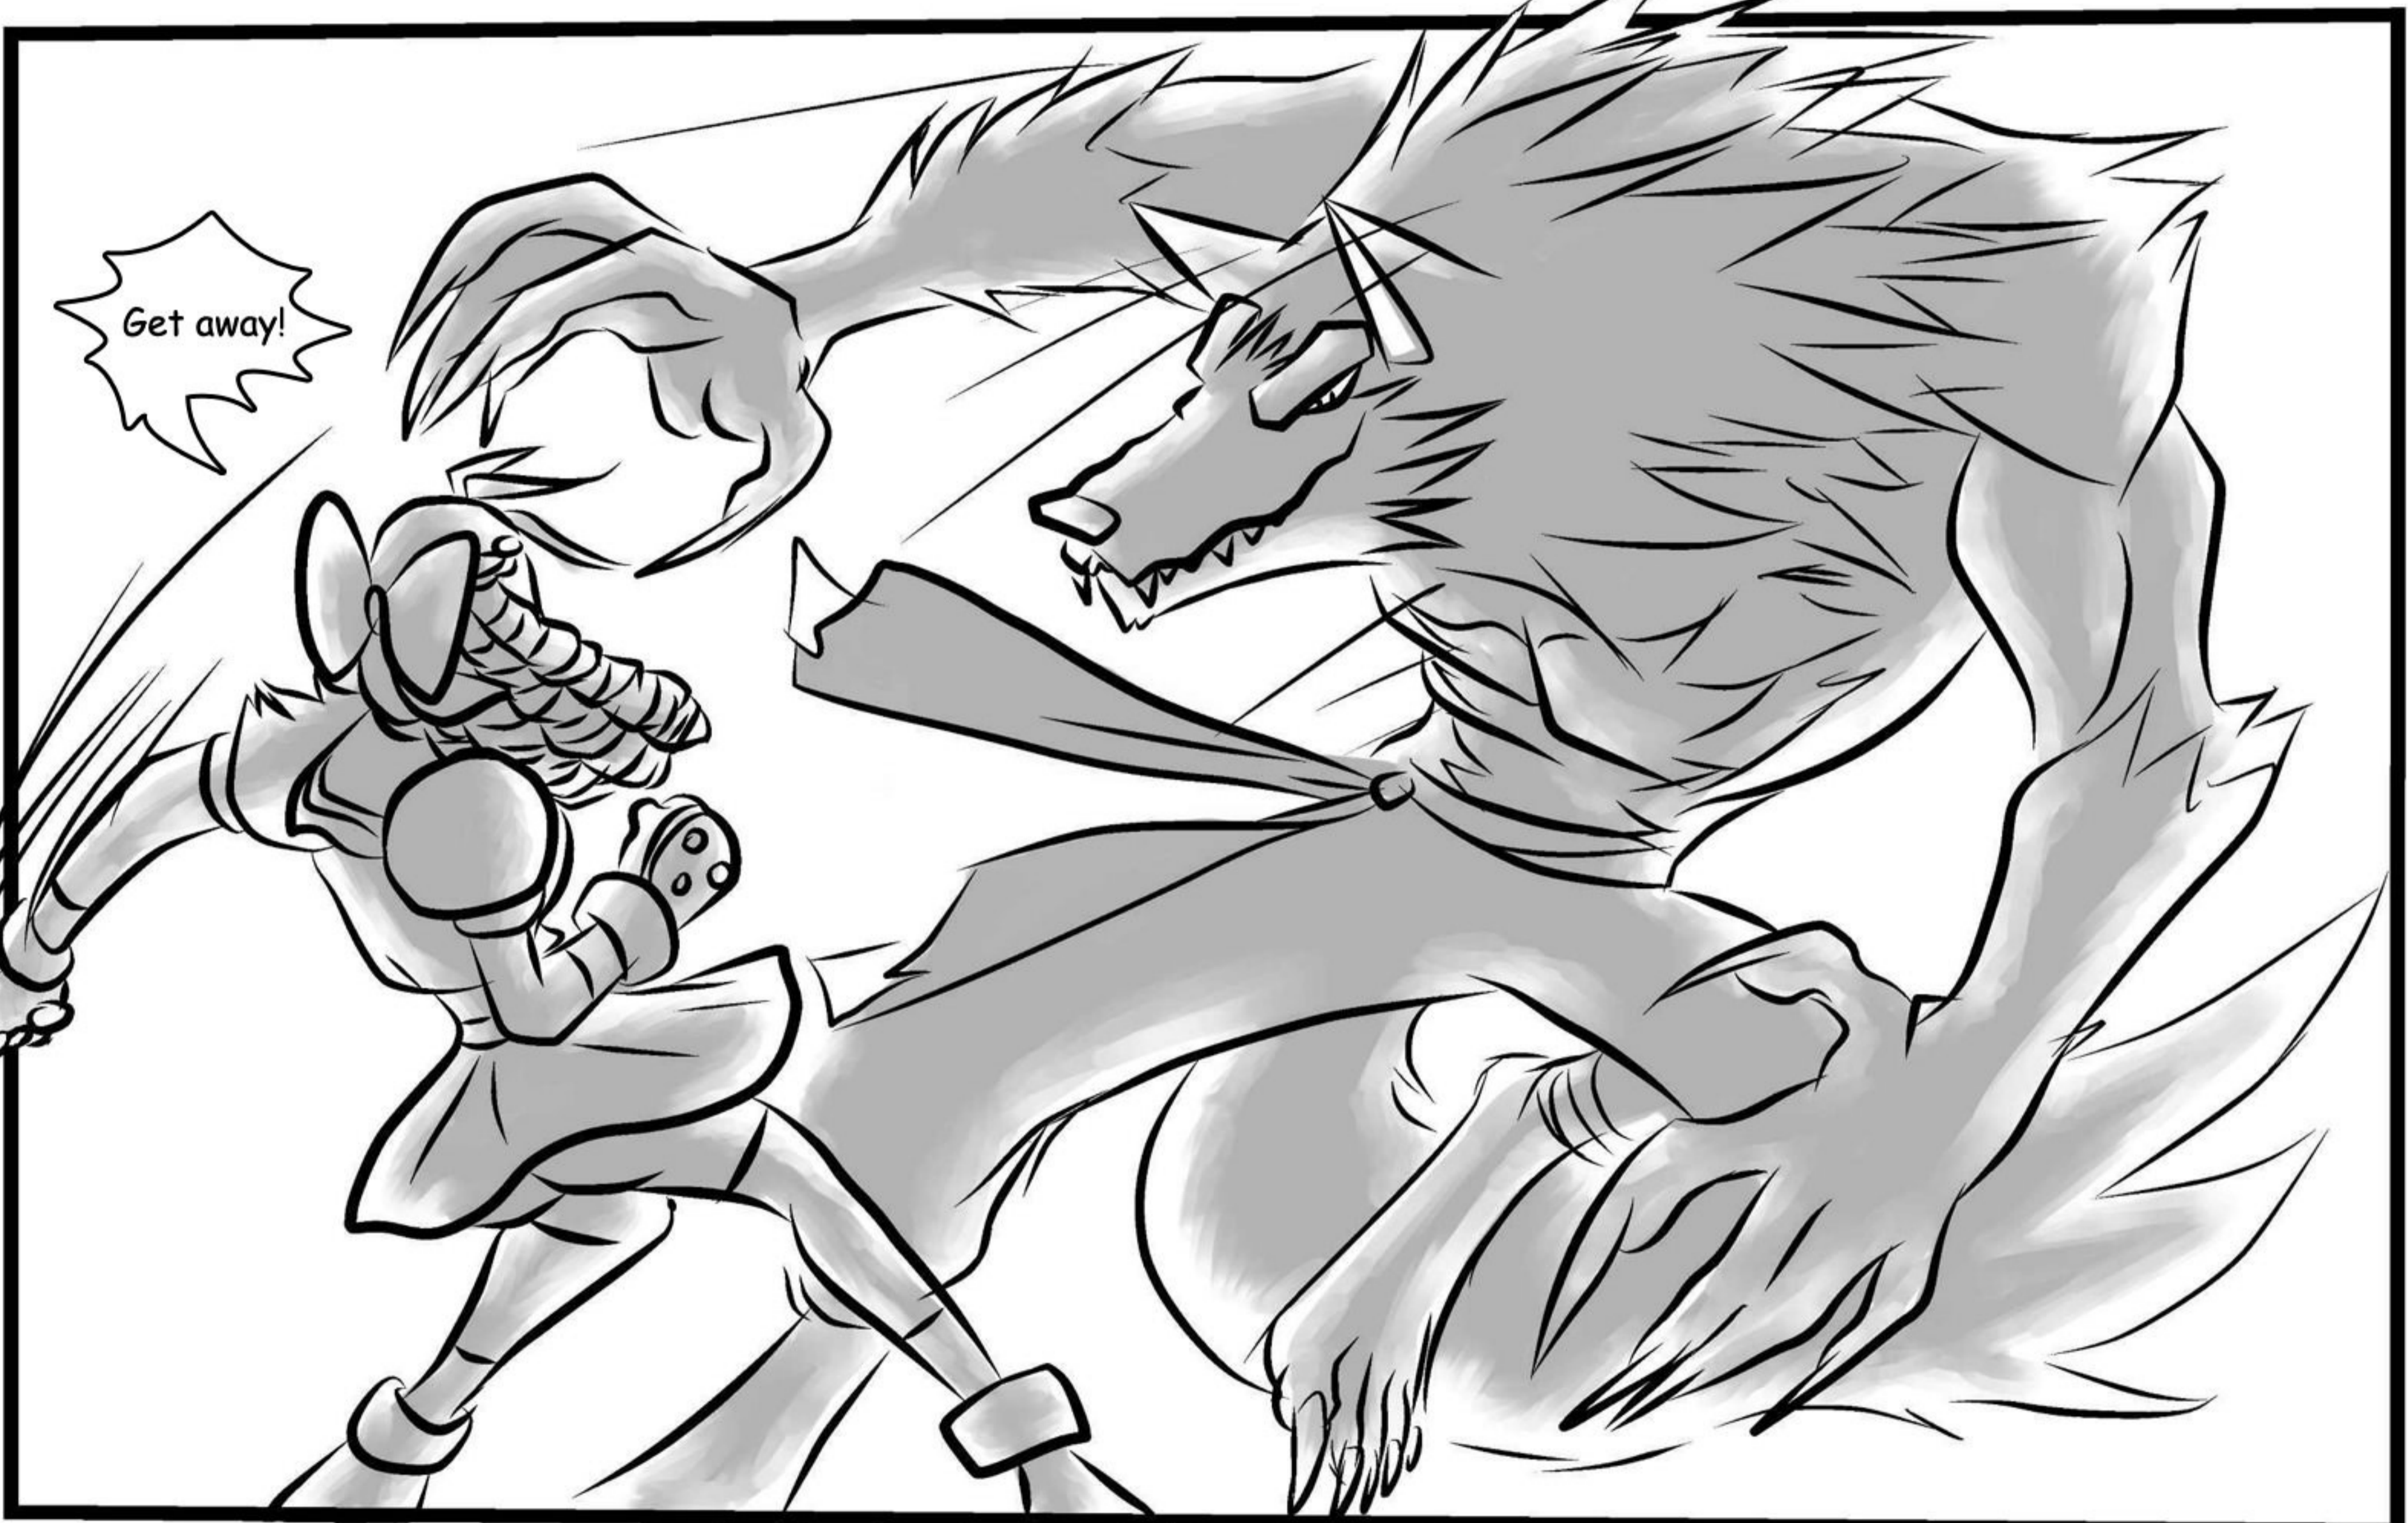

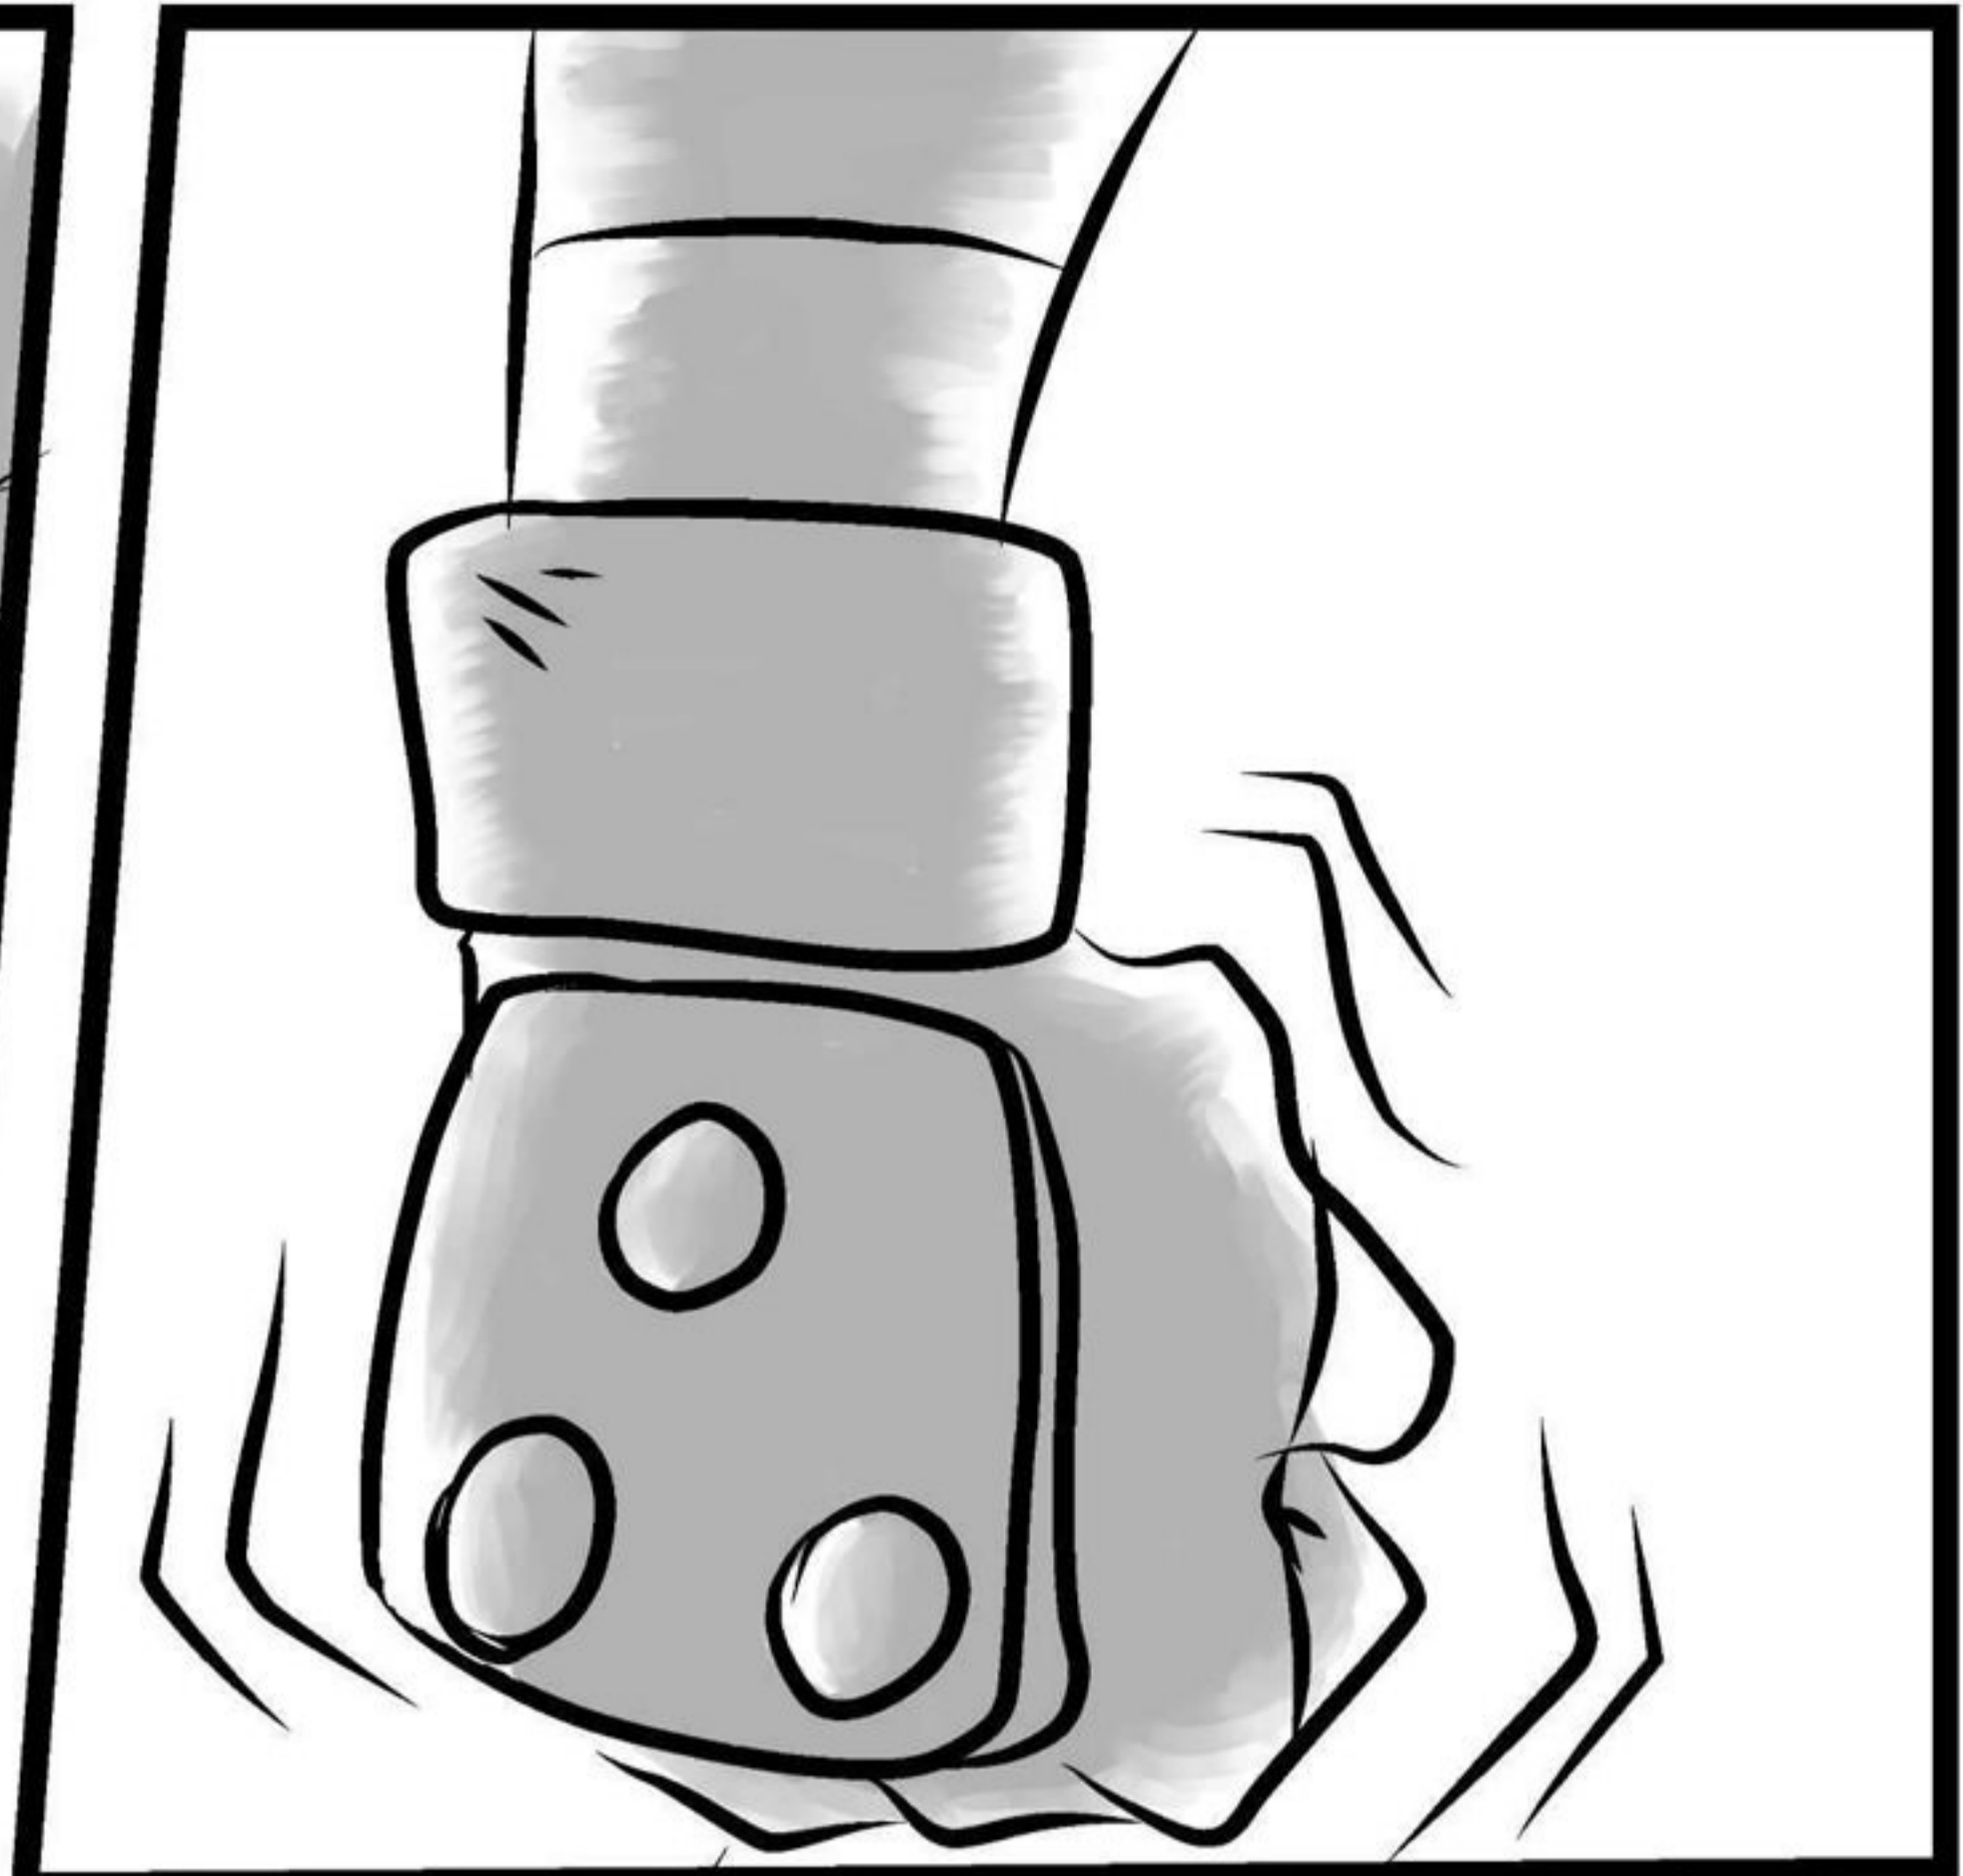

When suddenly...

What's that movement on the bushes?

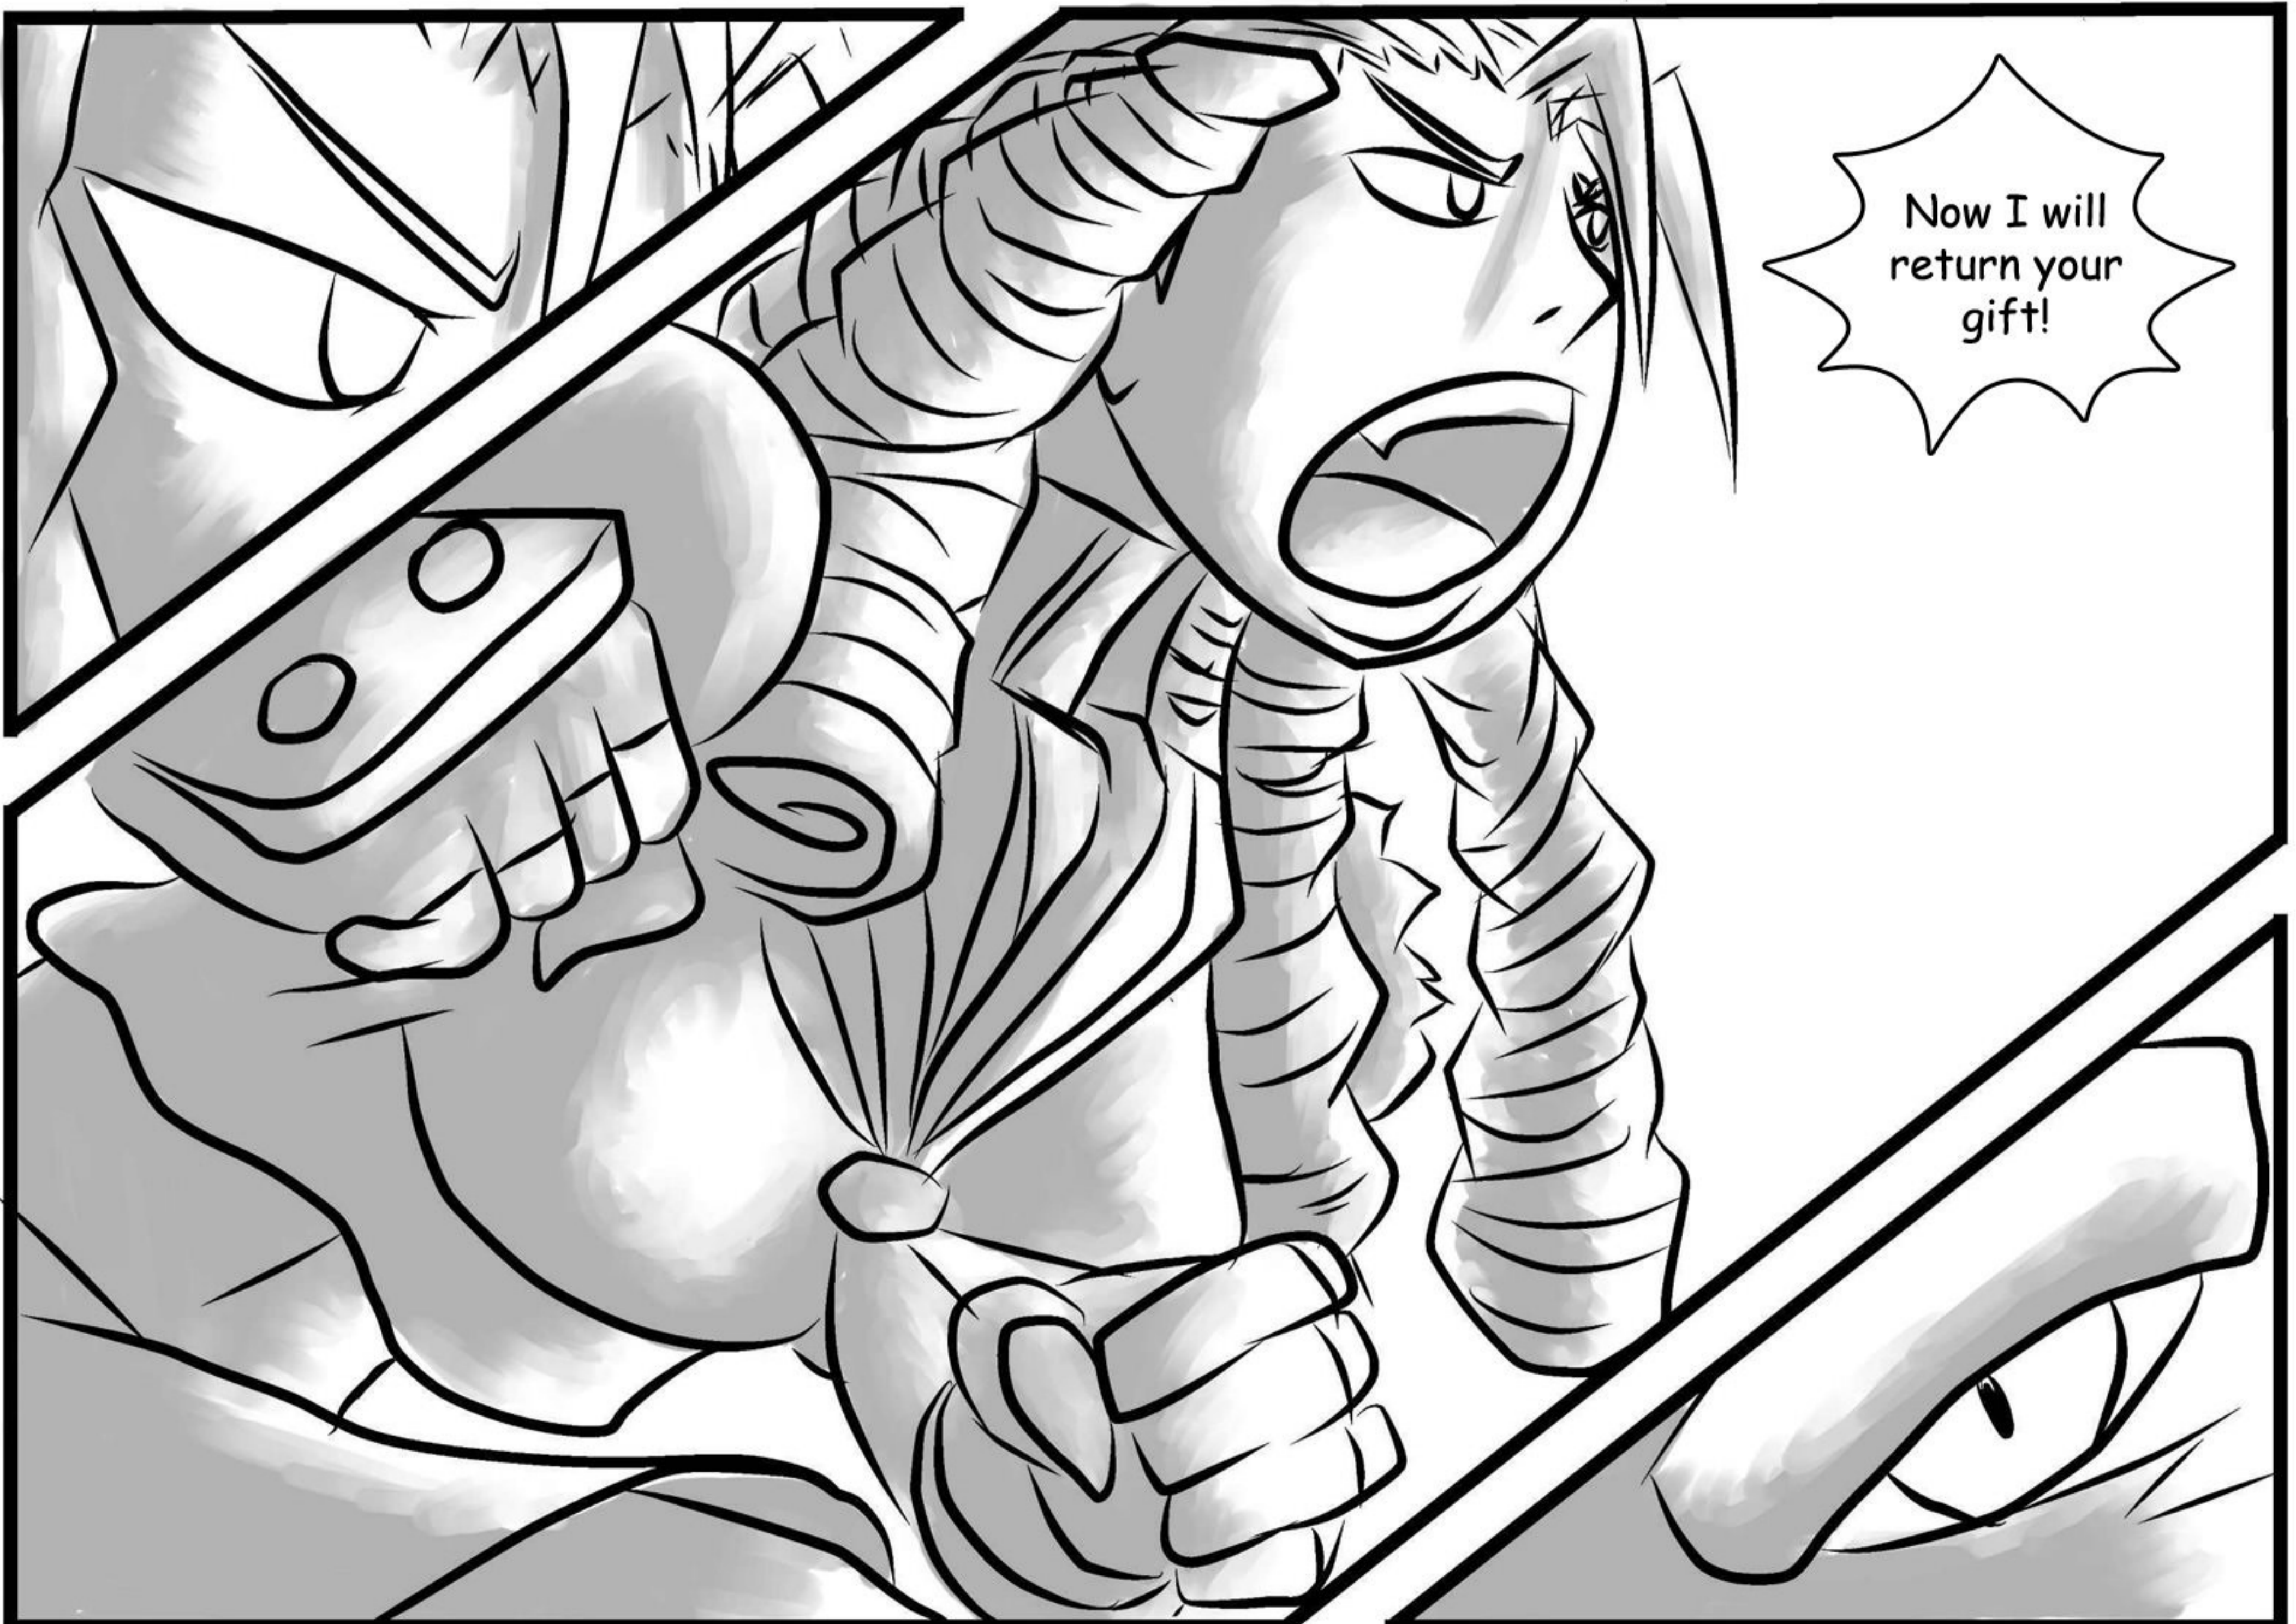

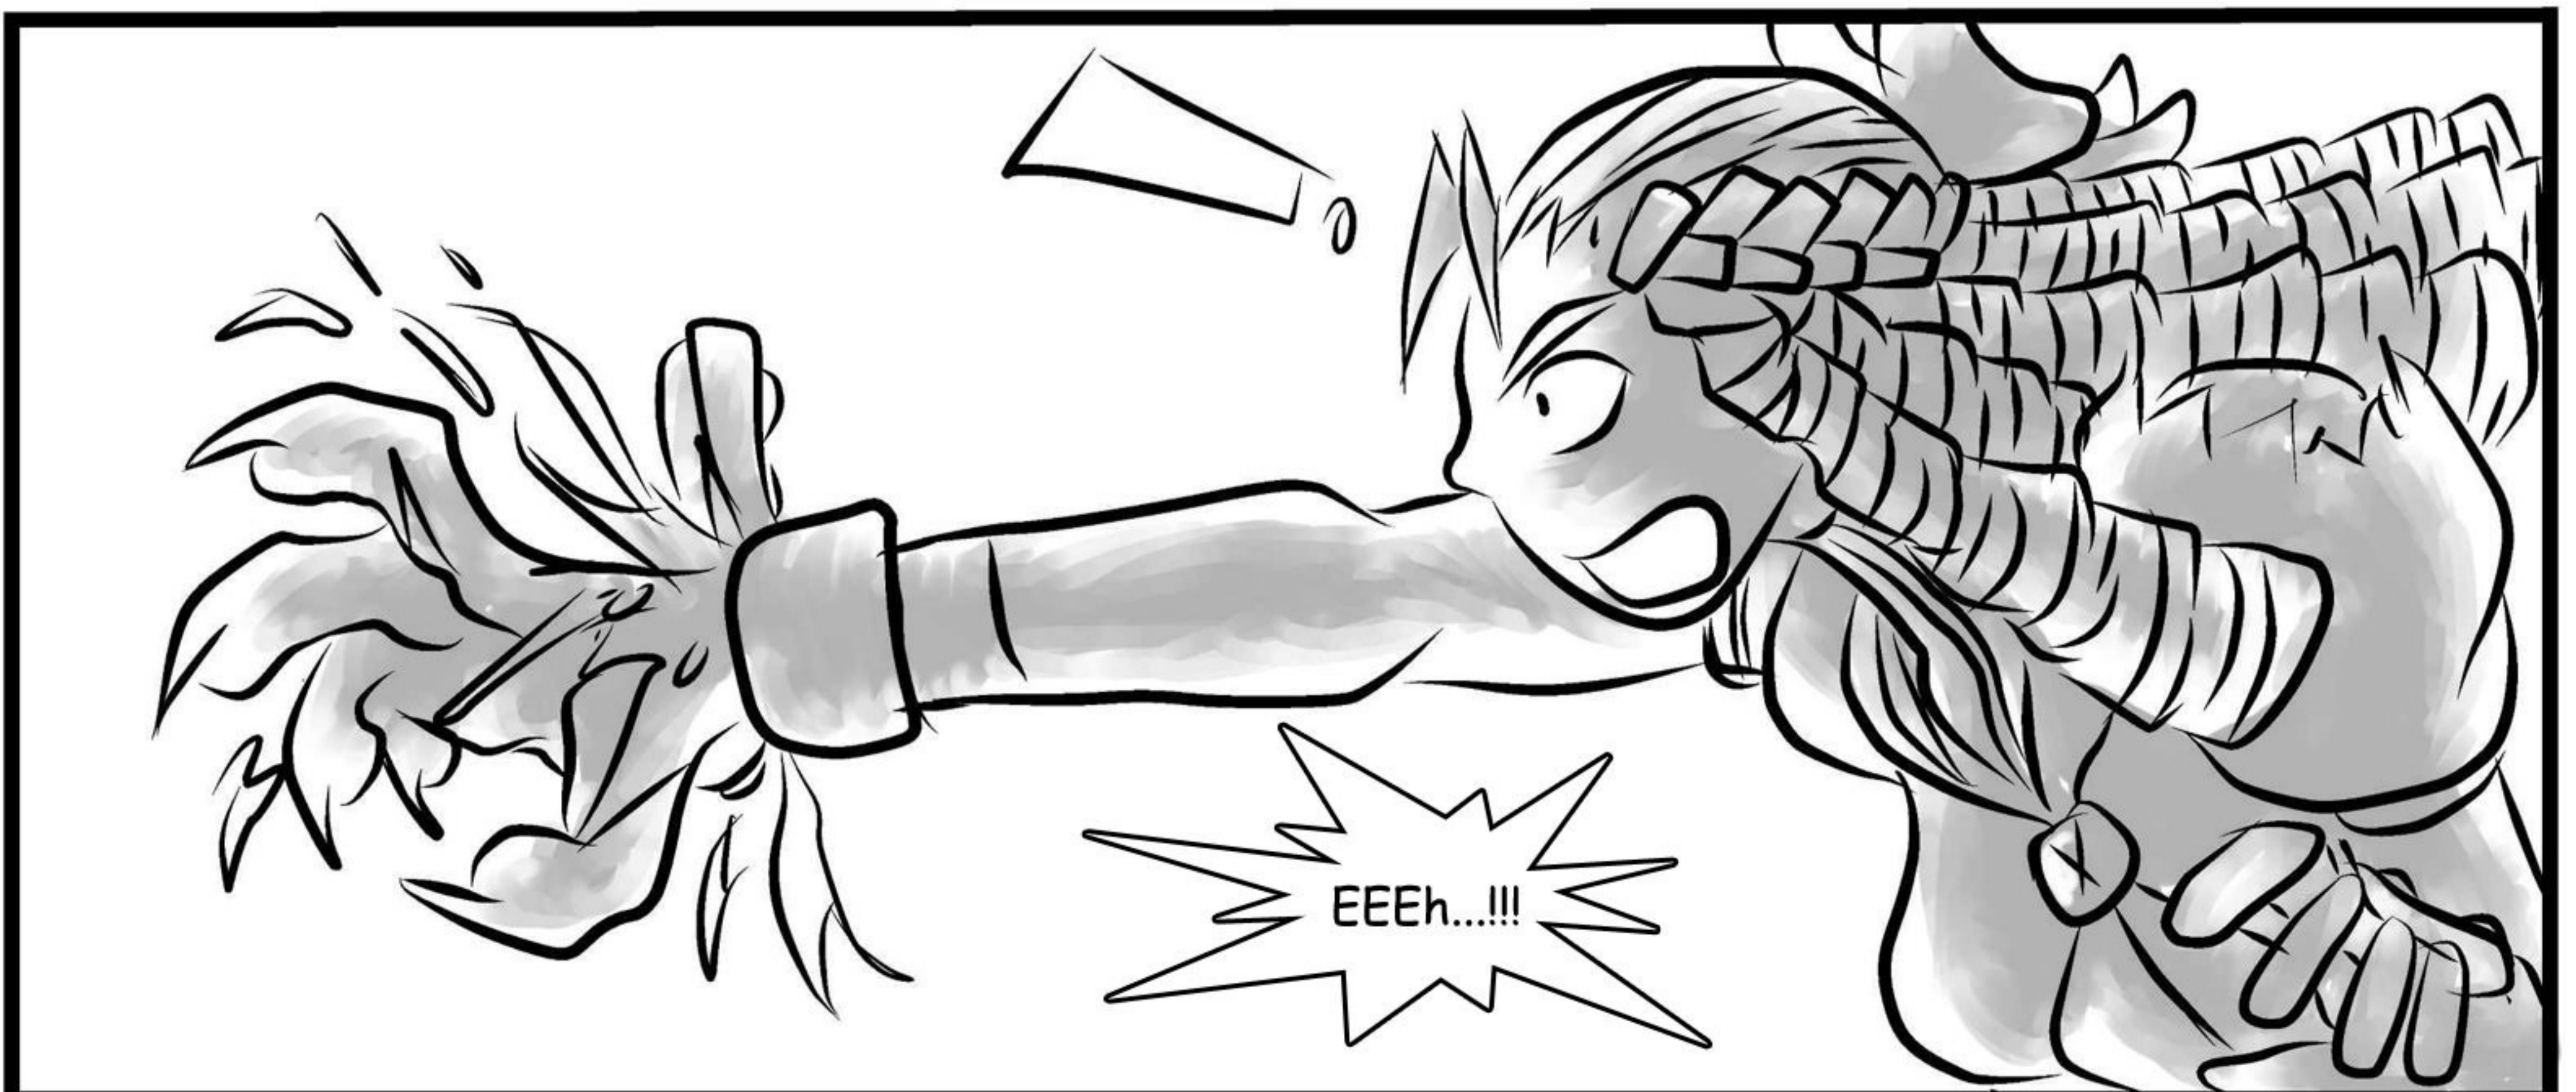

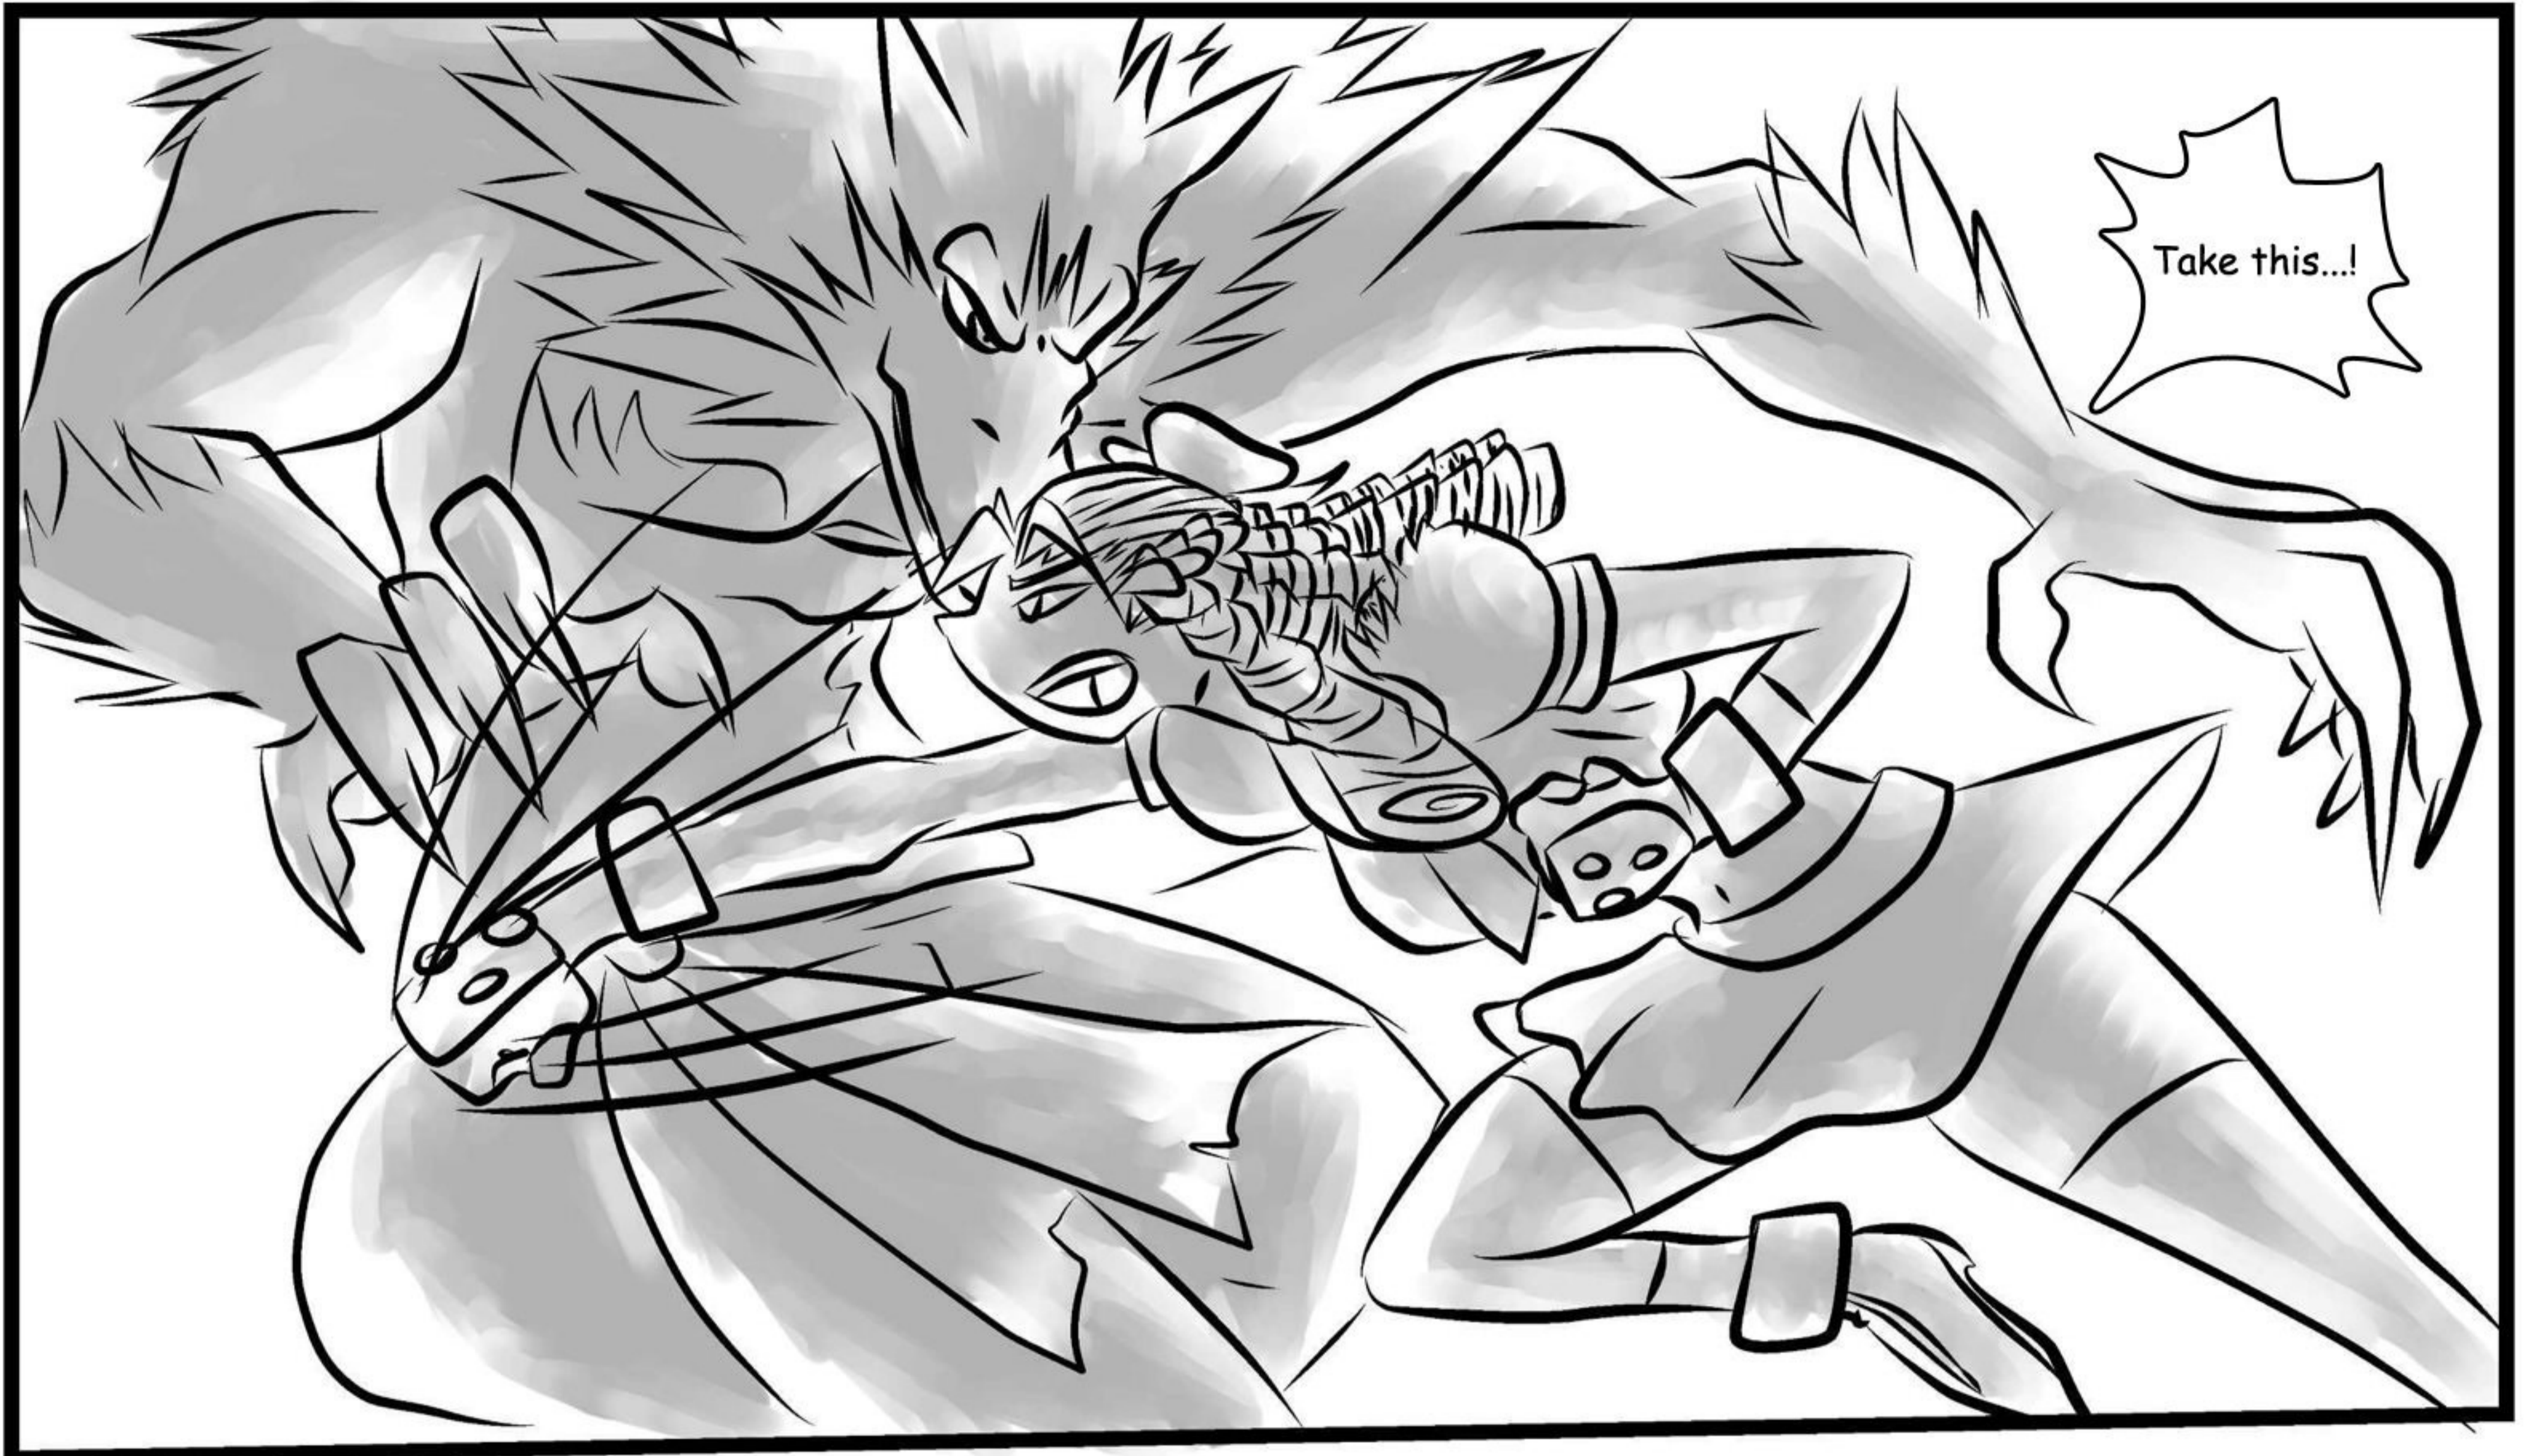

Damn beast, that bite hurt!

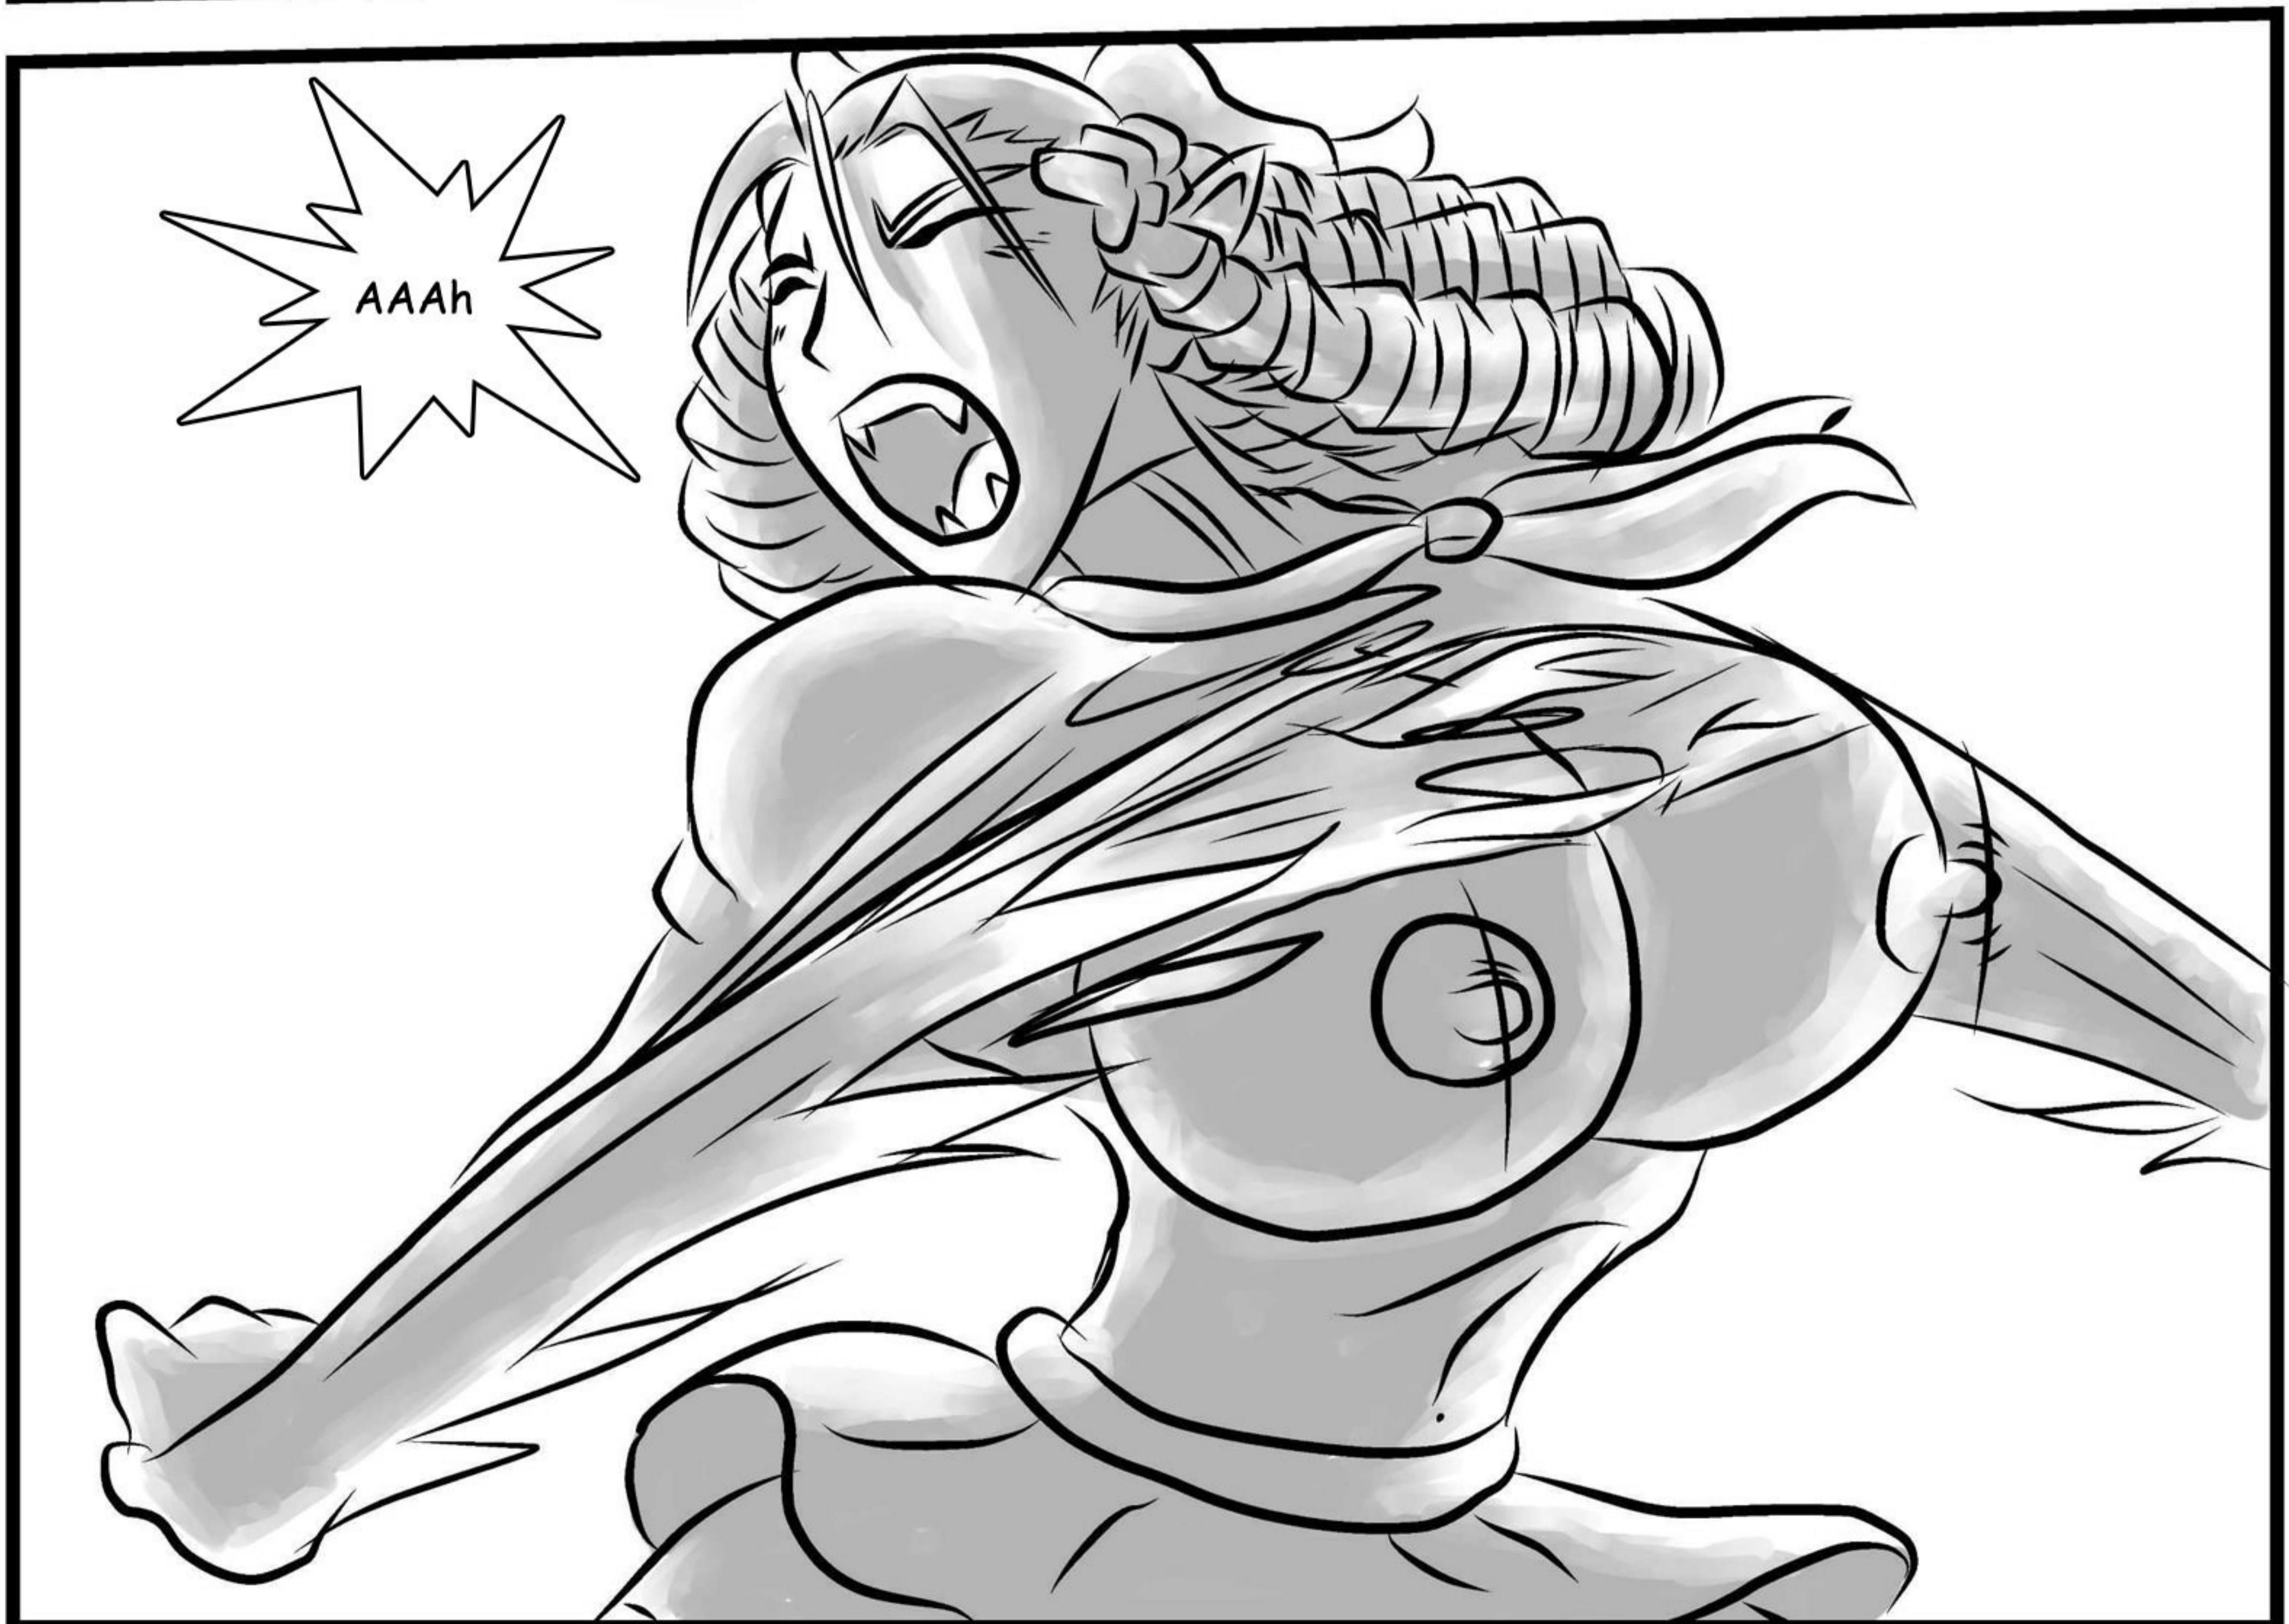

It's a small gift for you

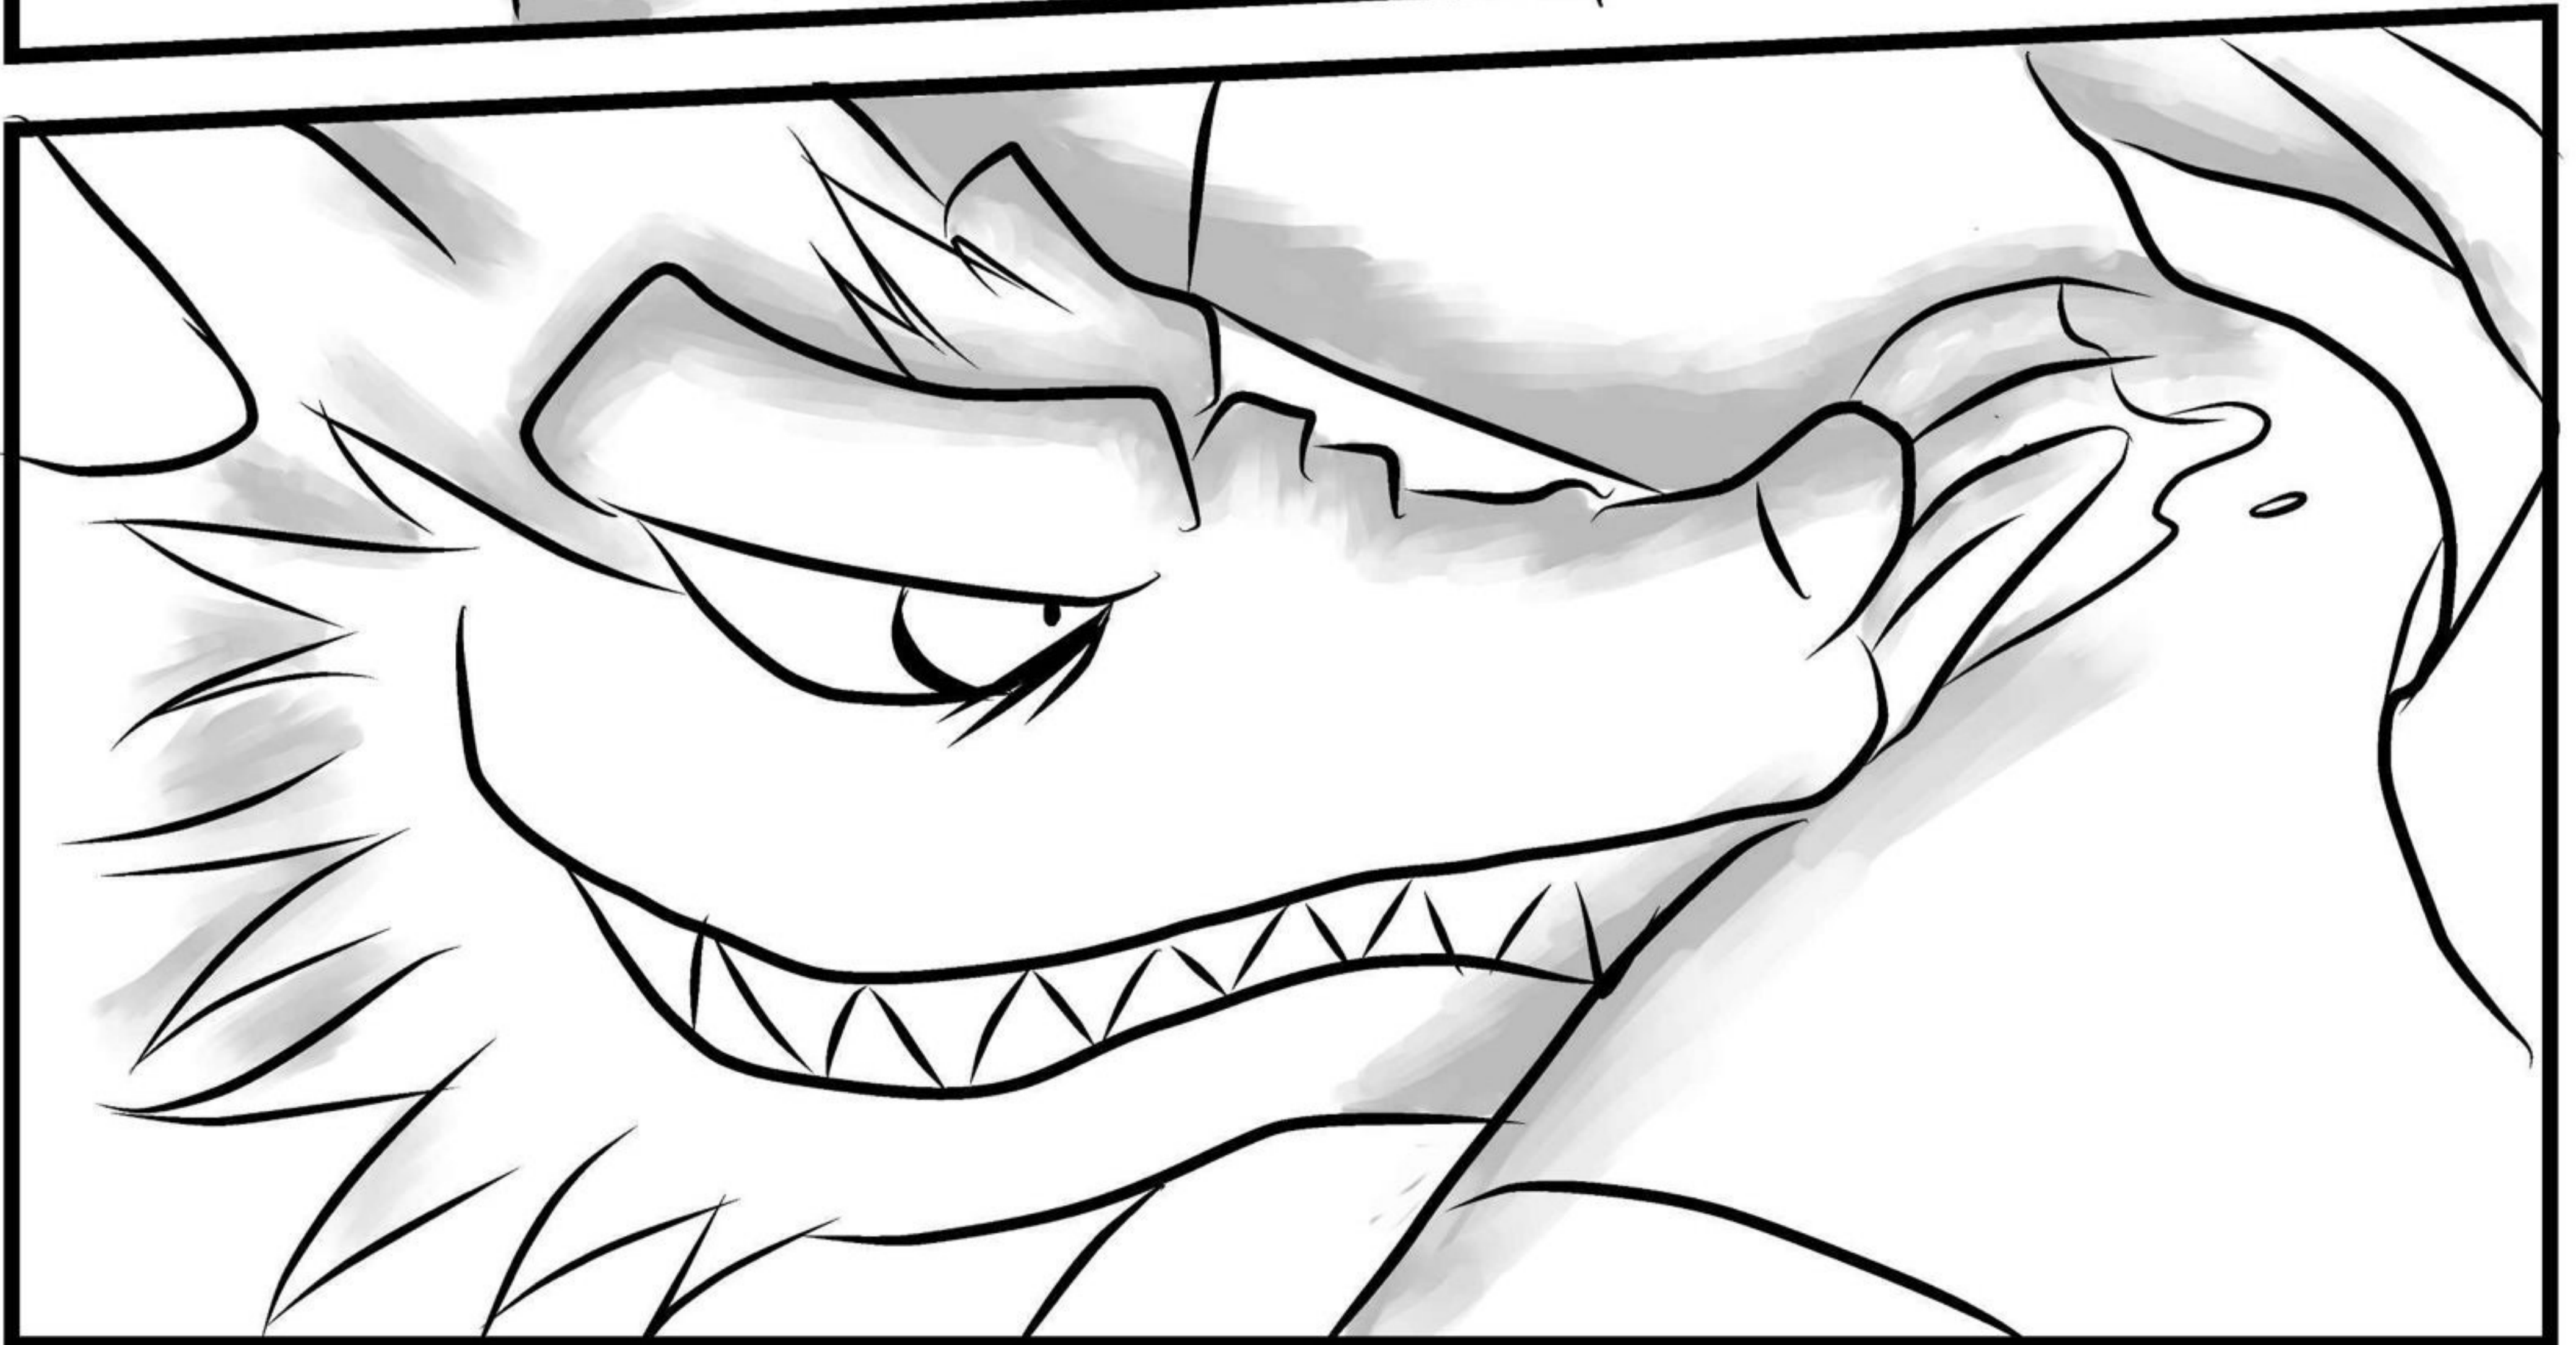

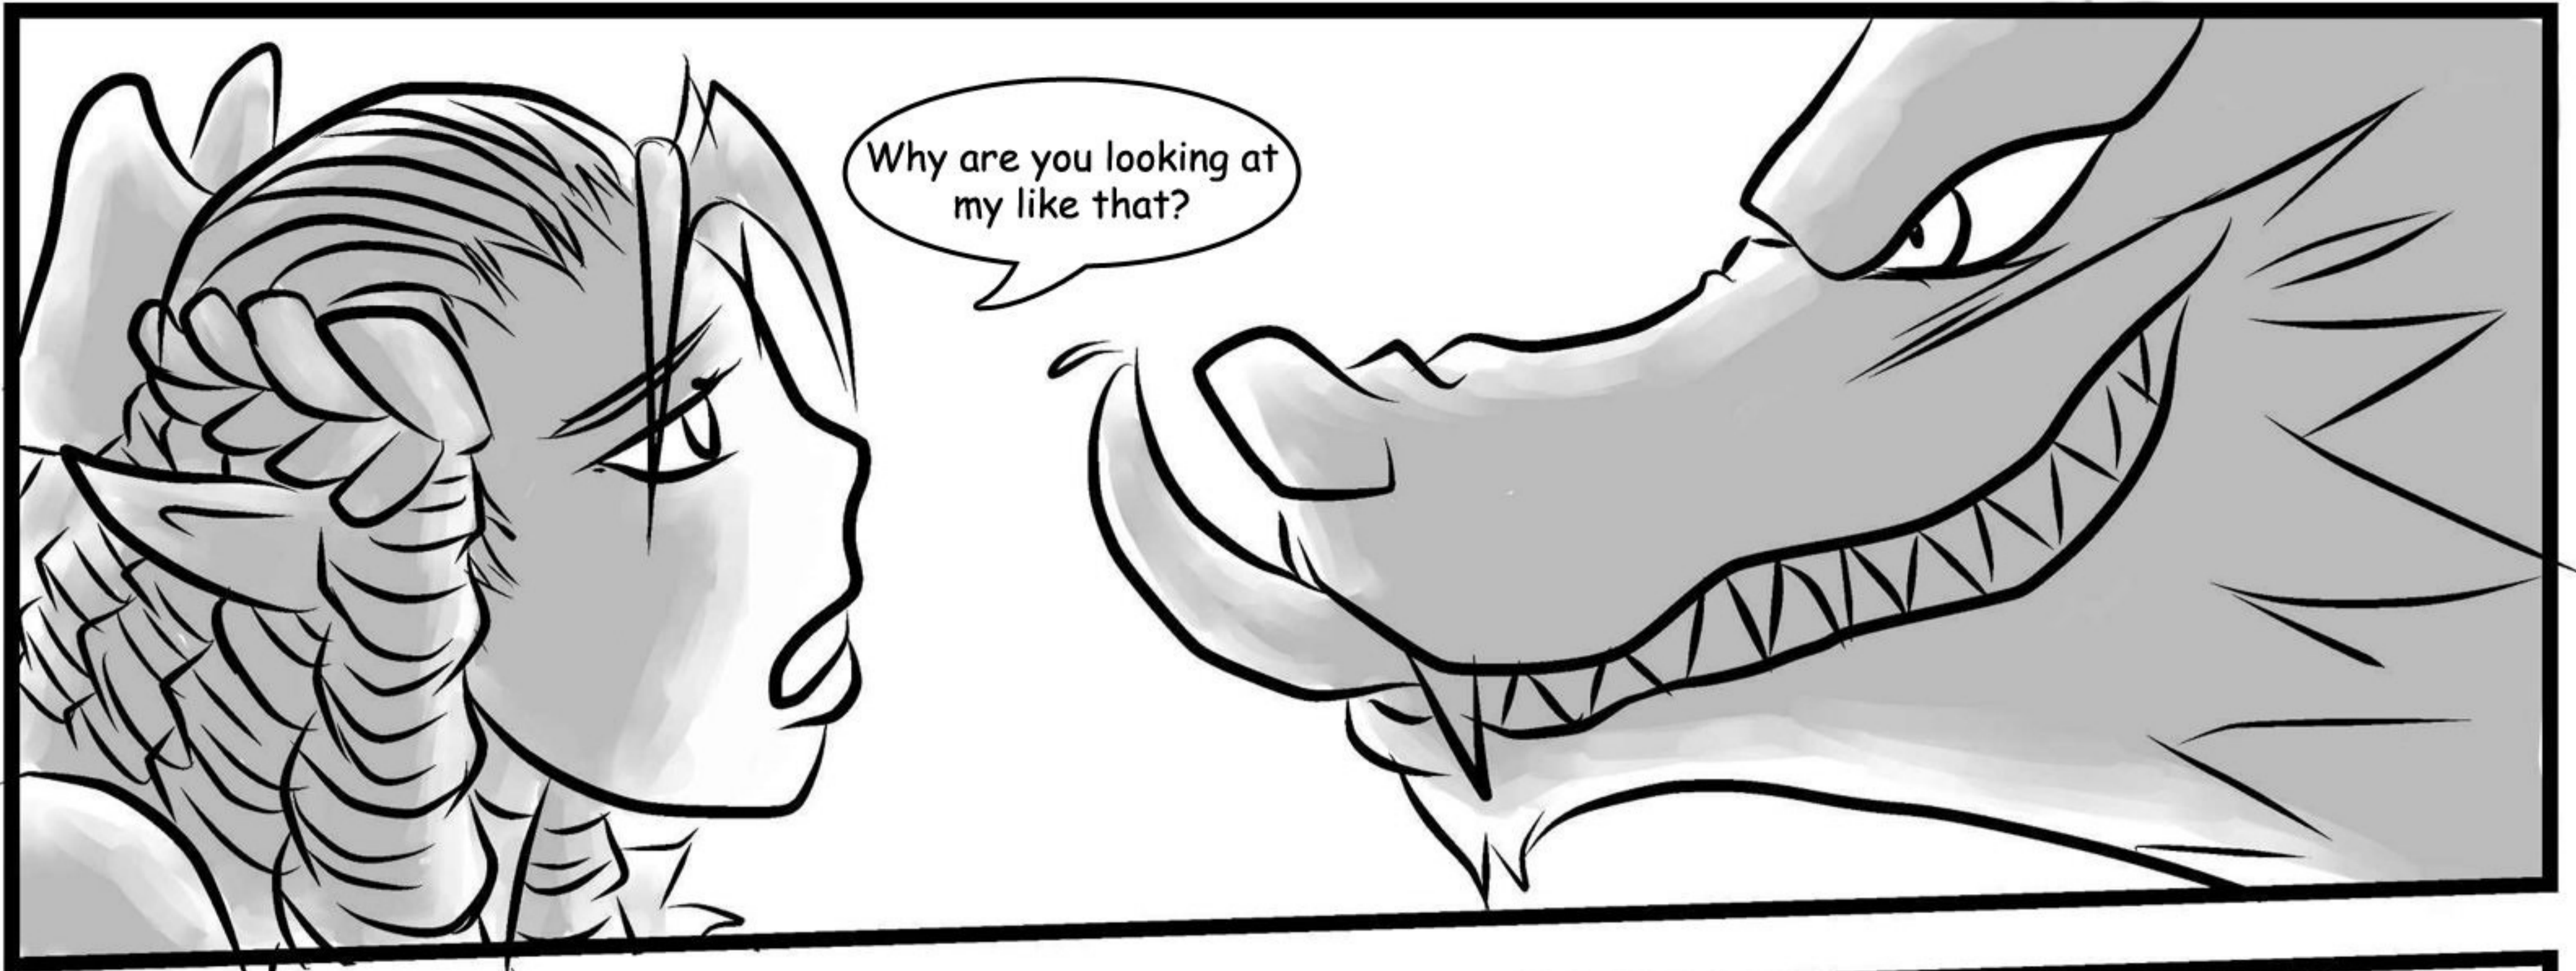

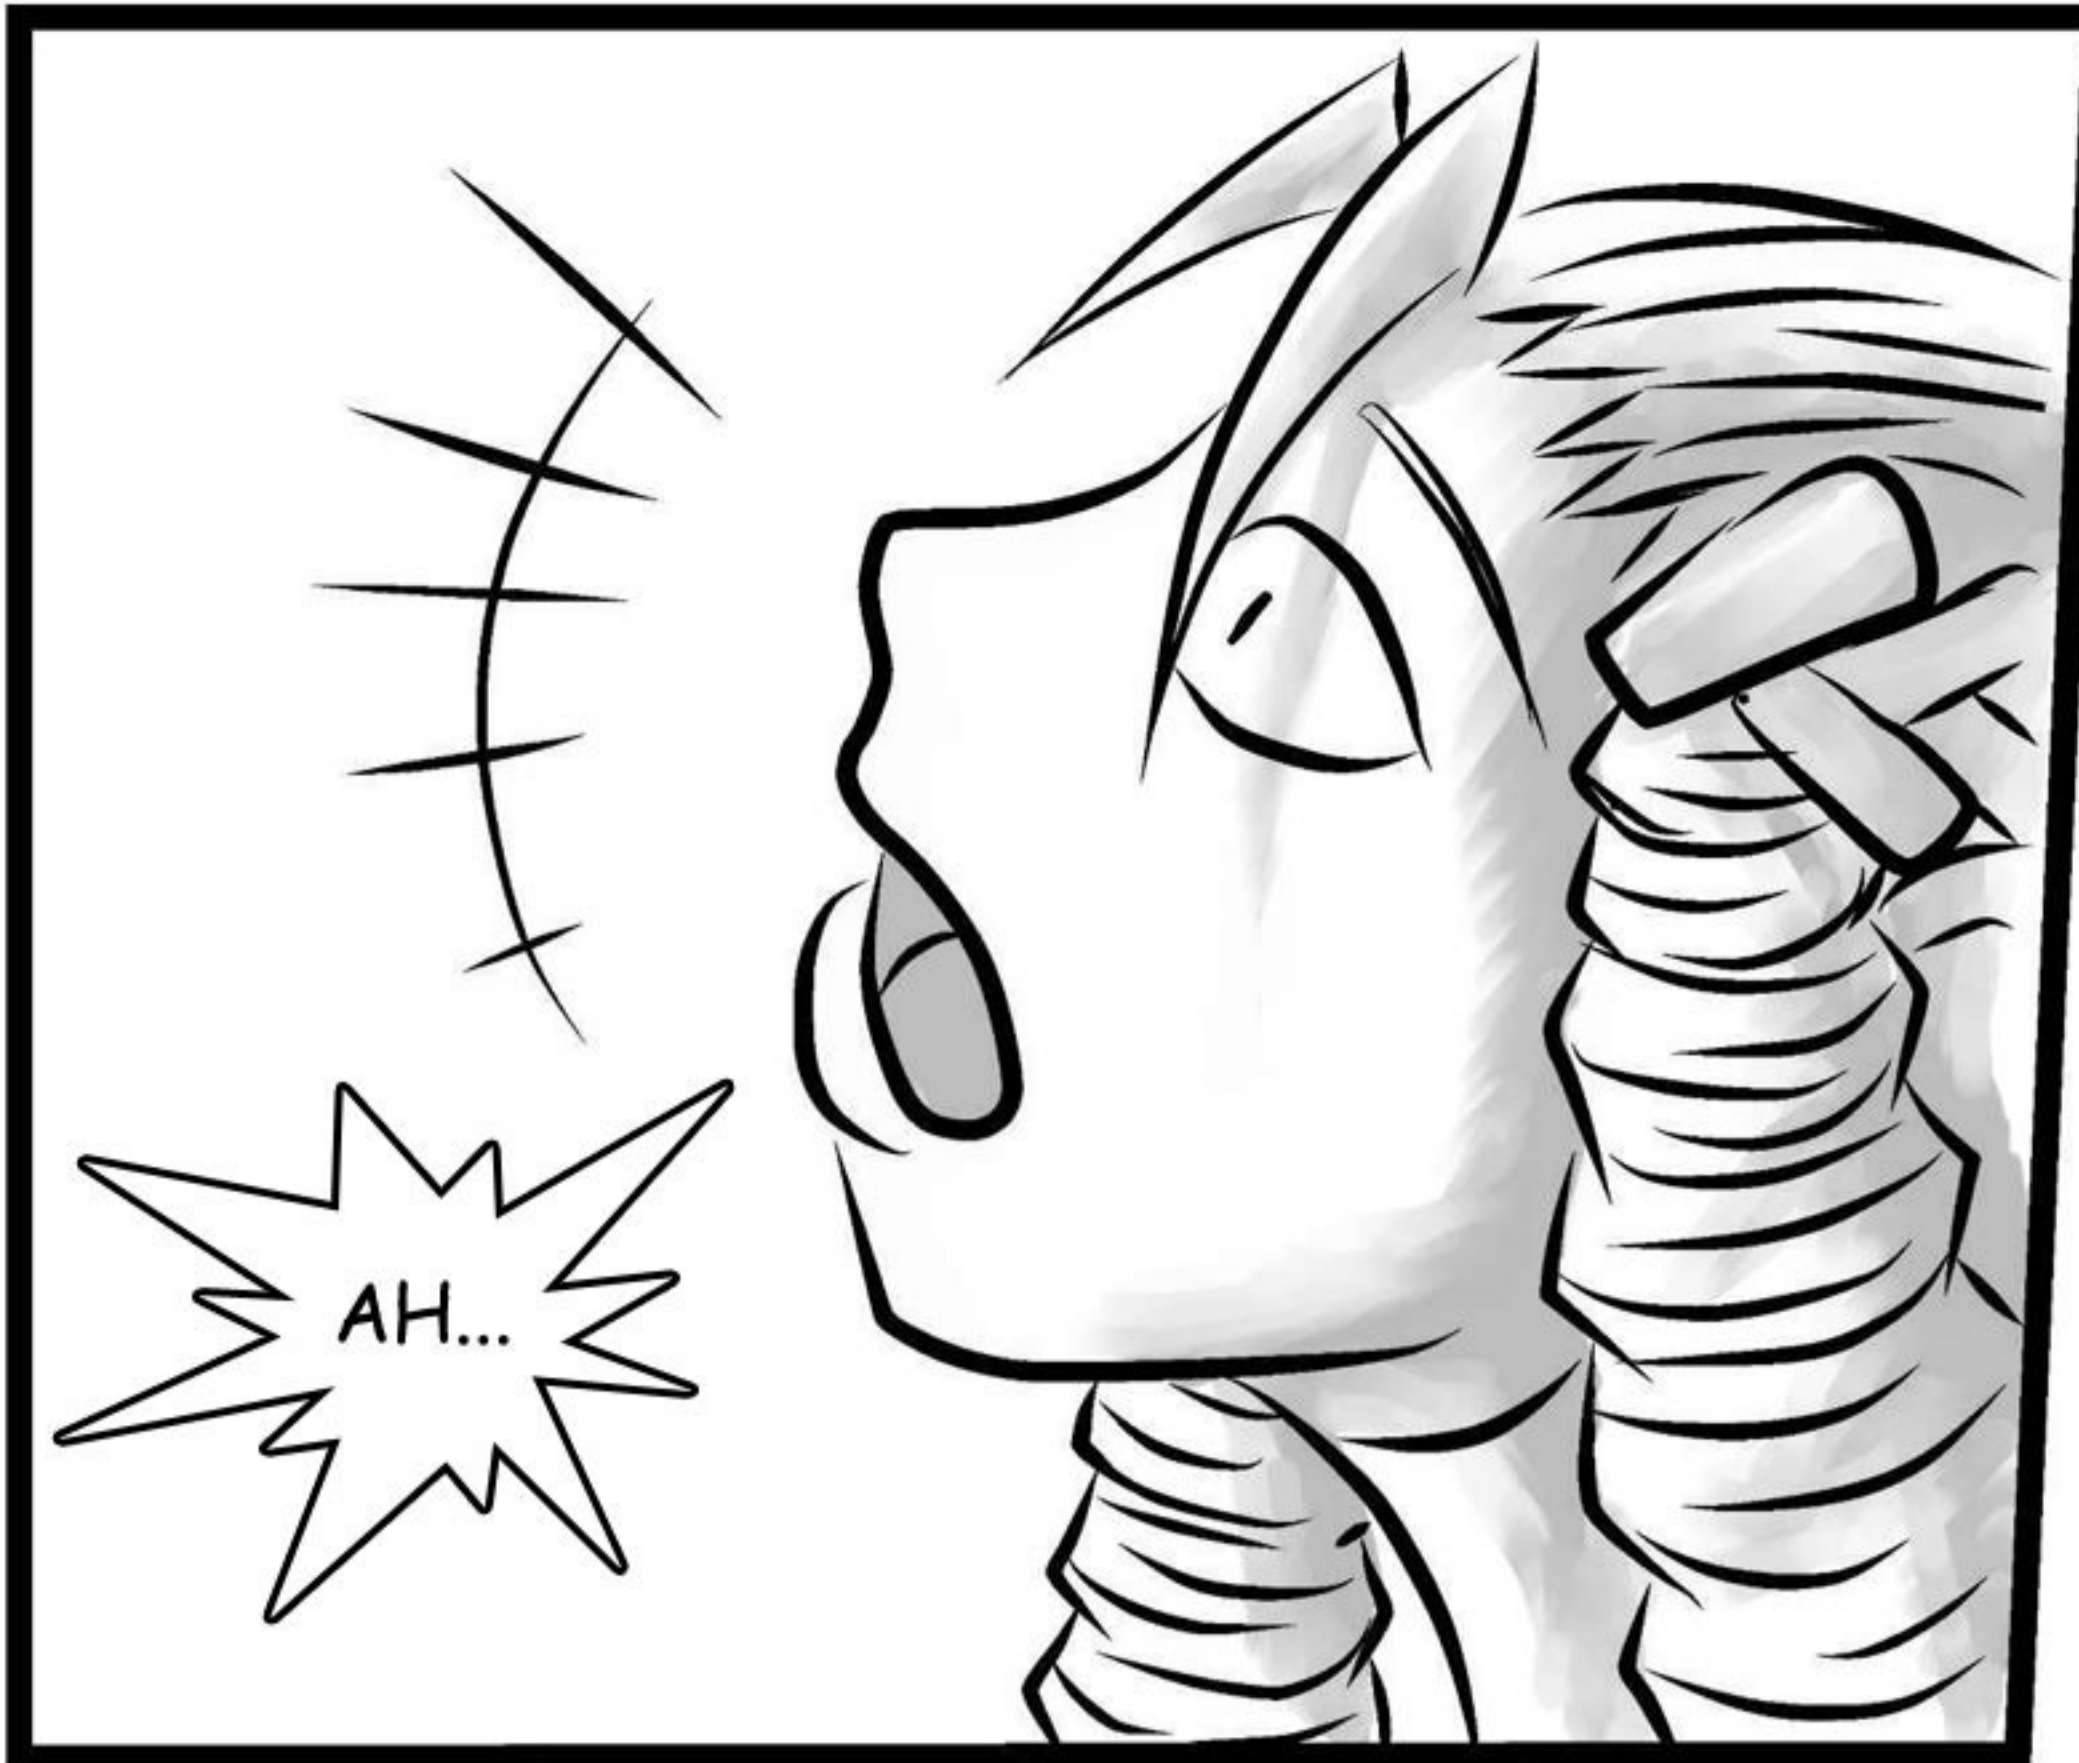

Now I will return your gift!

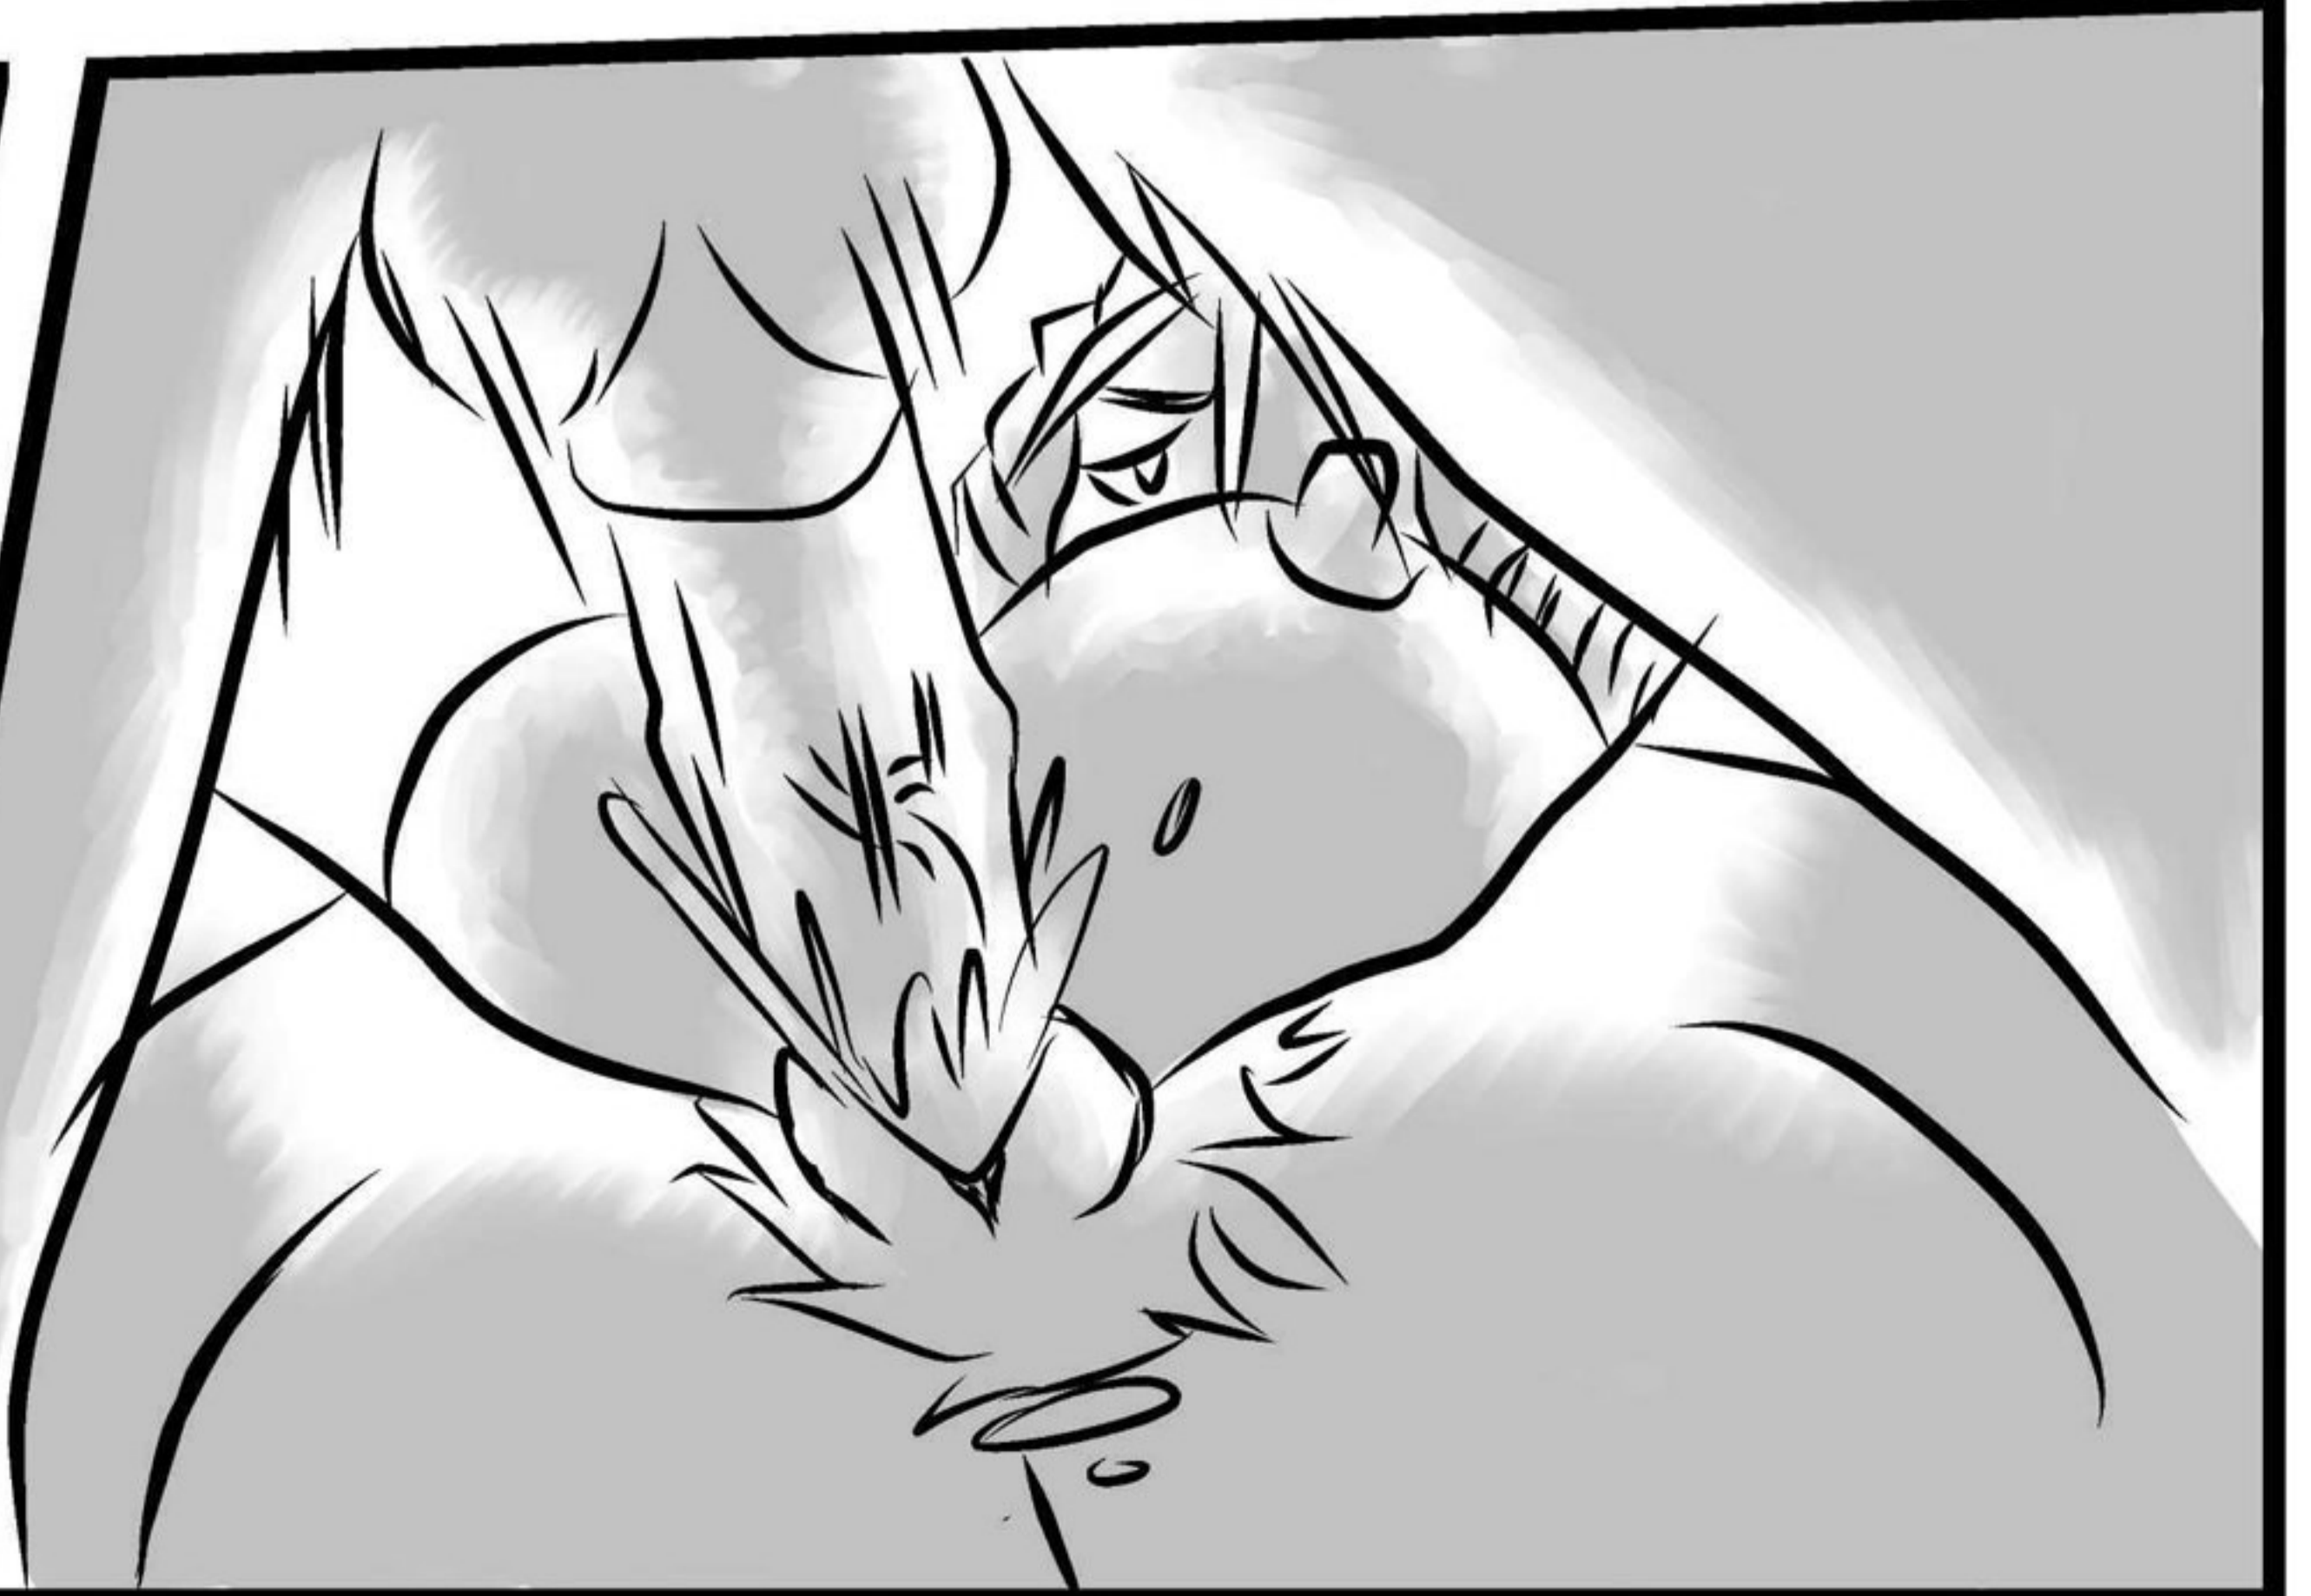

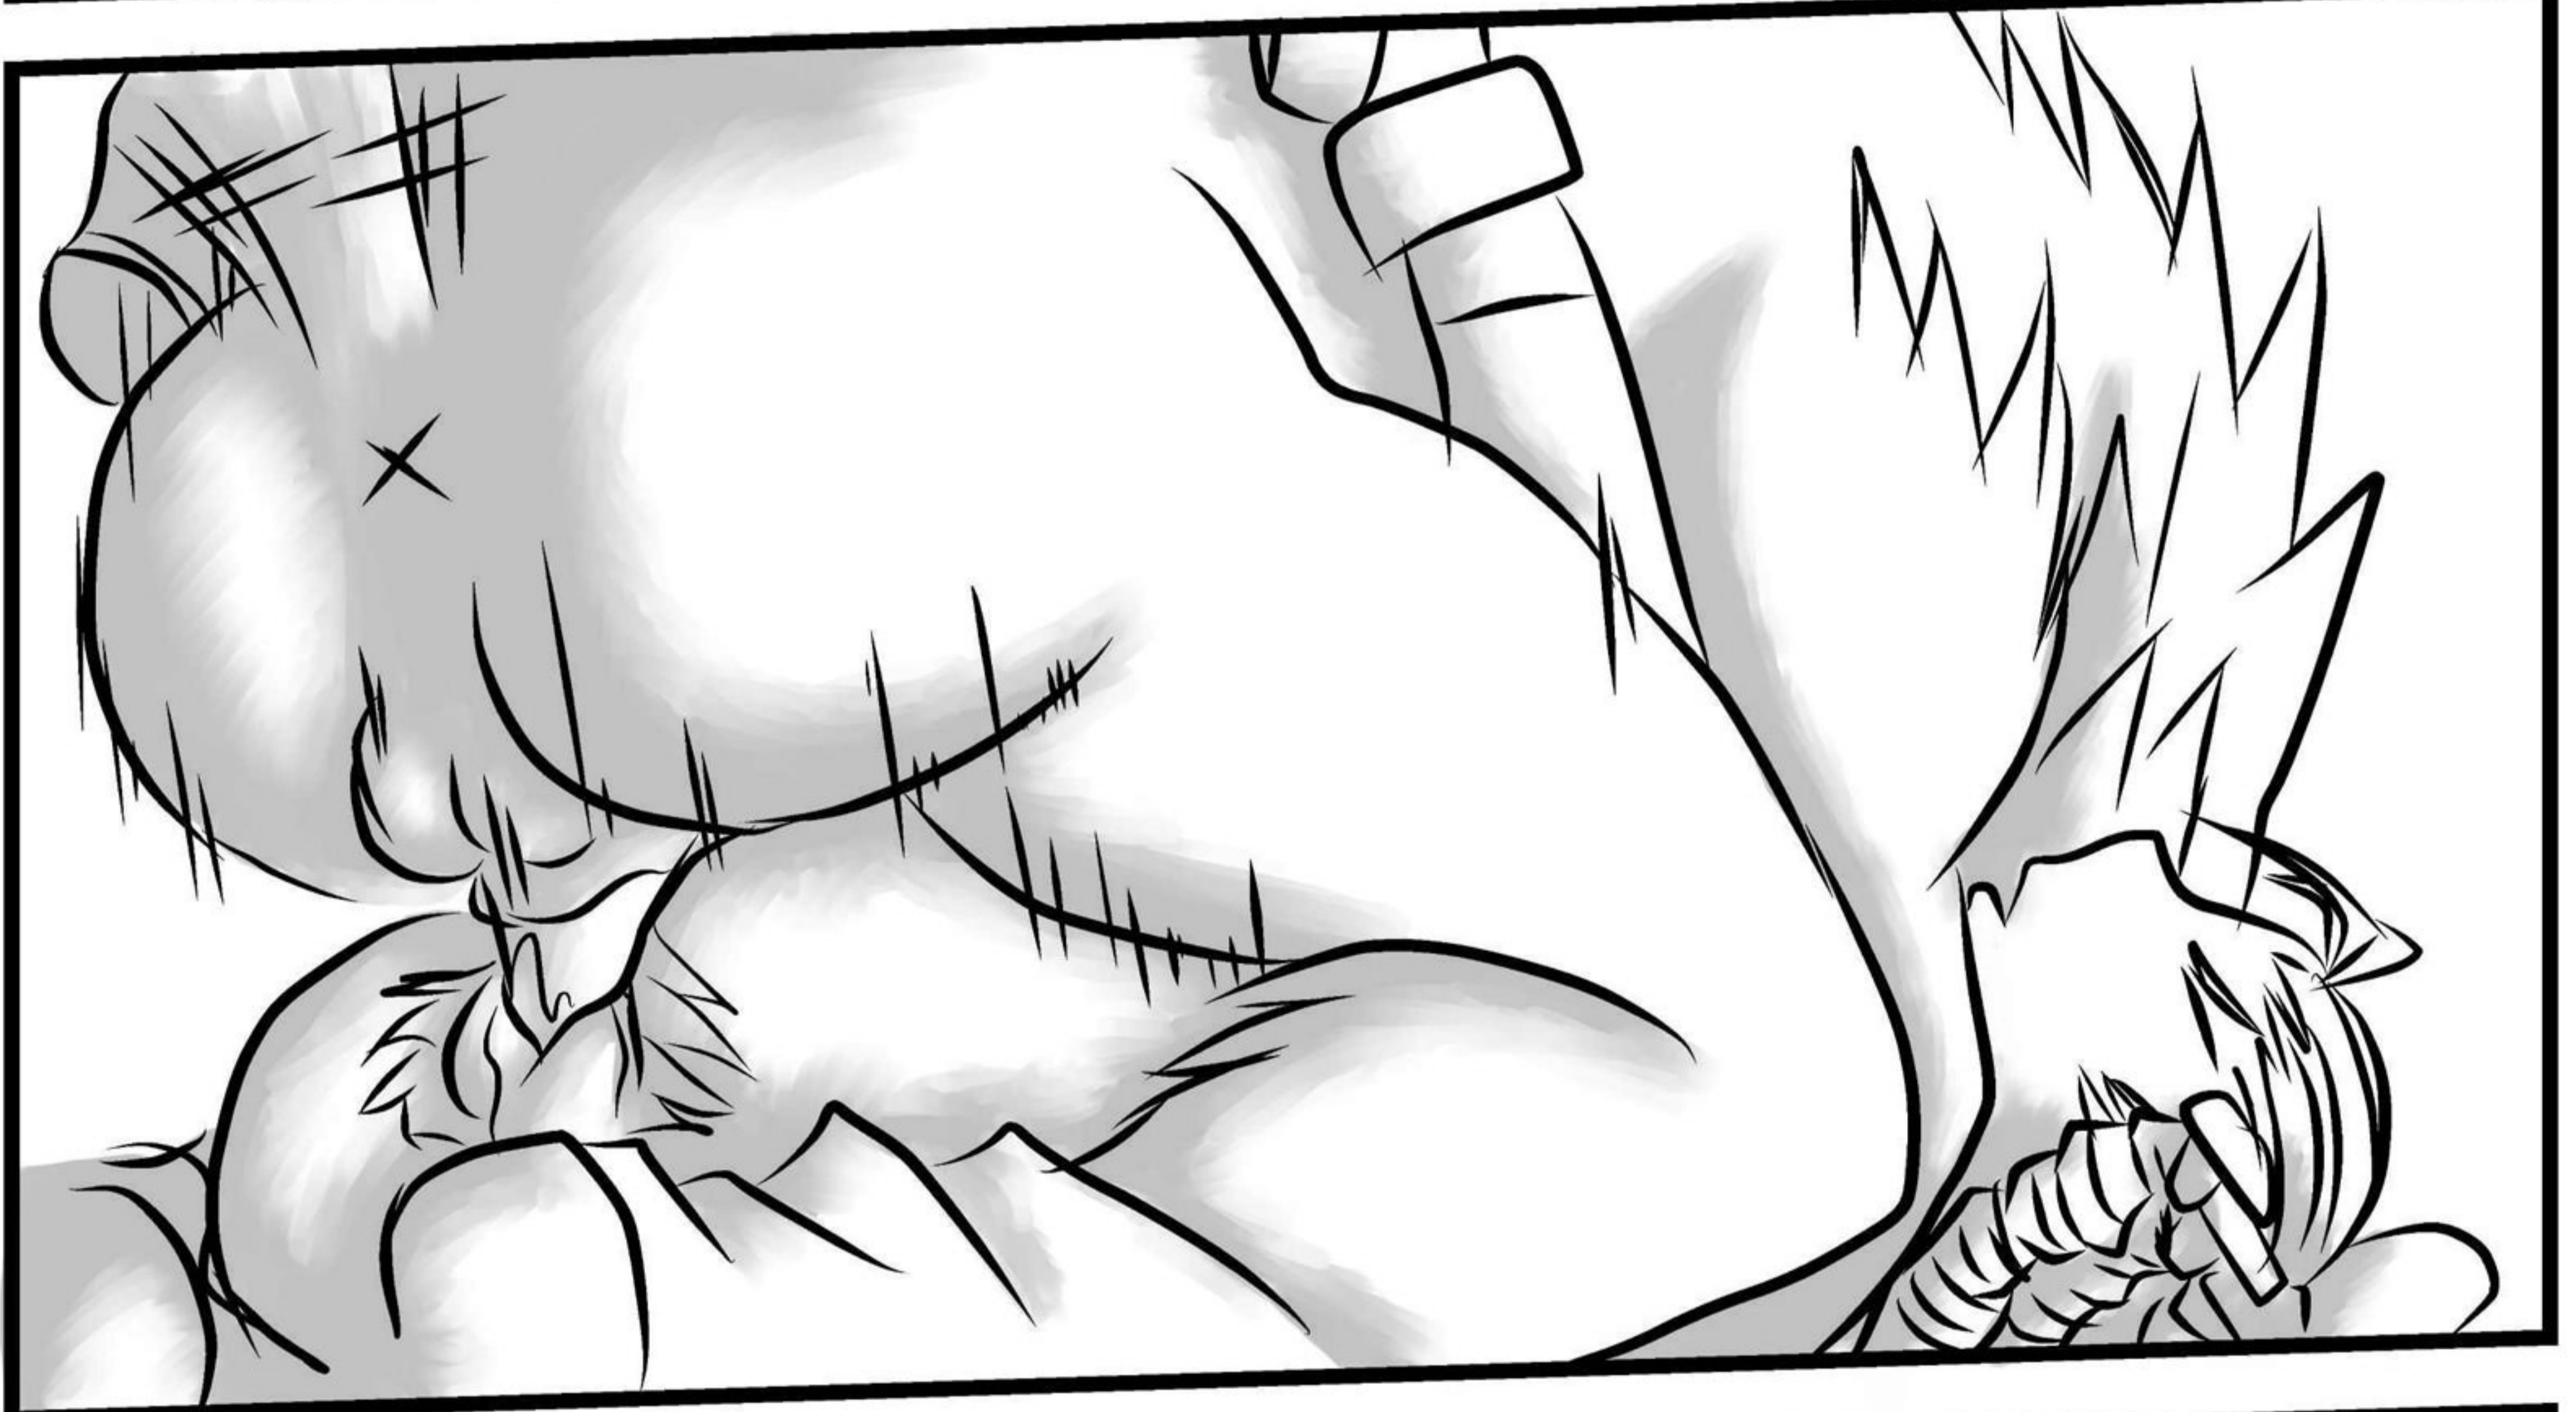

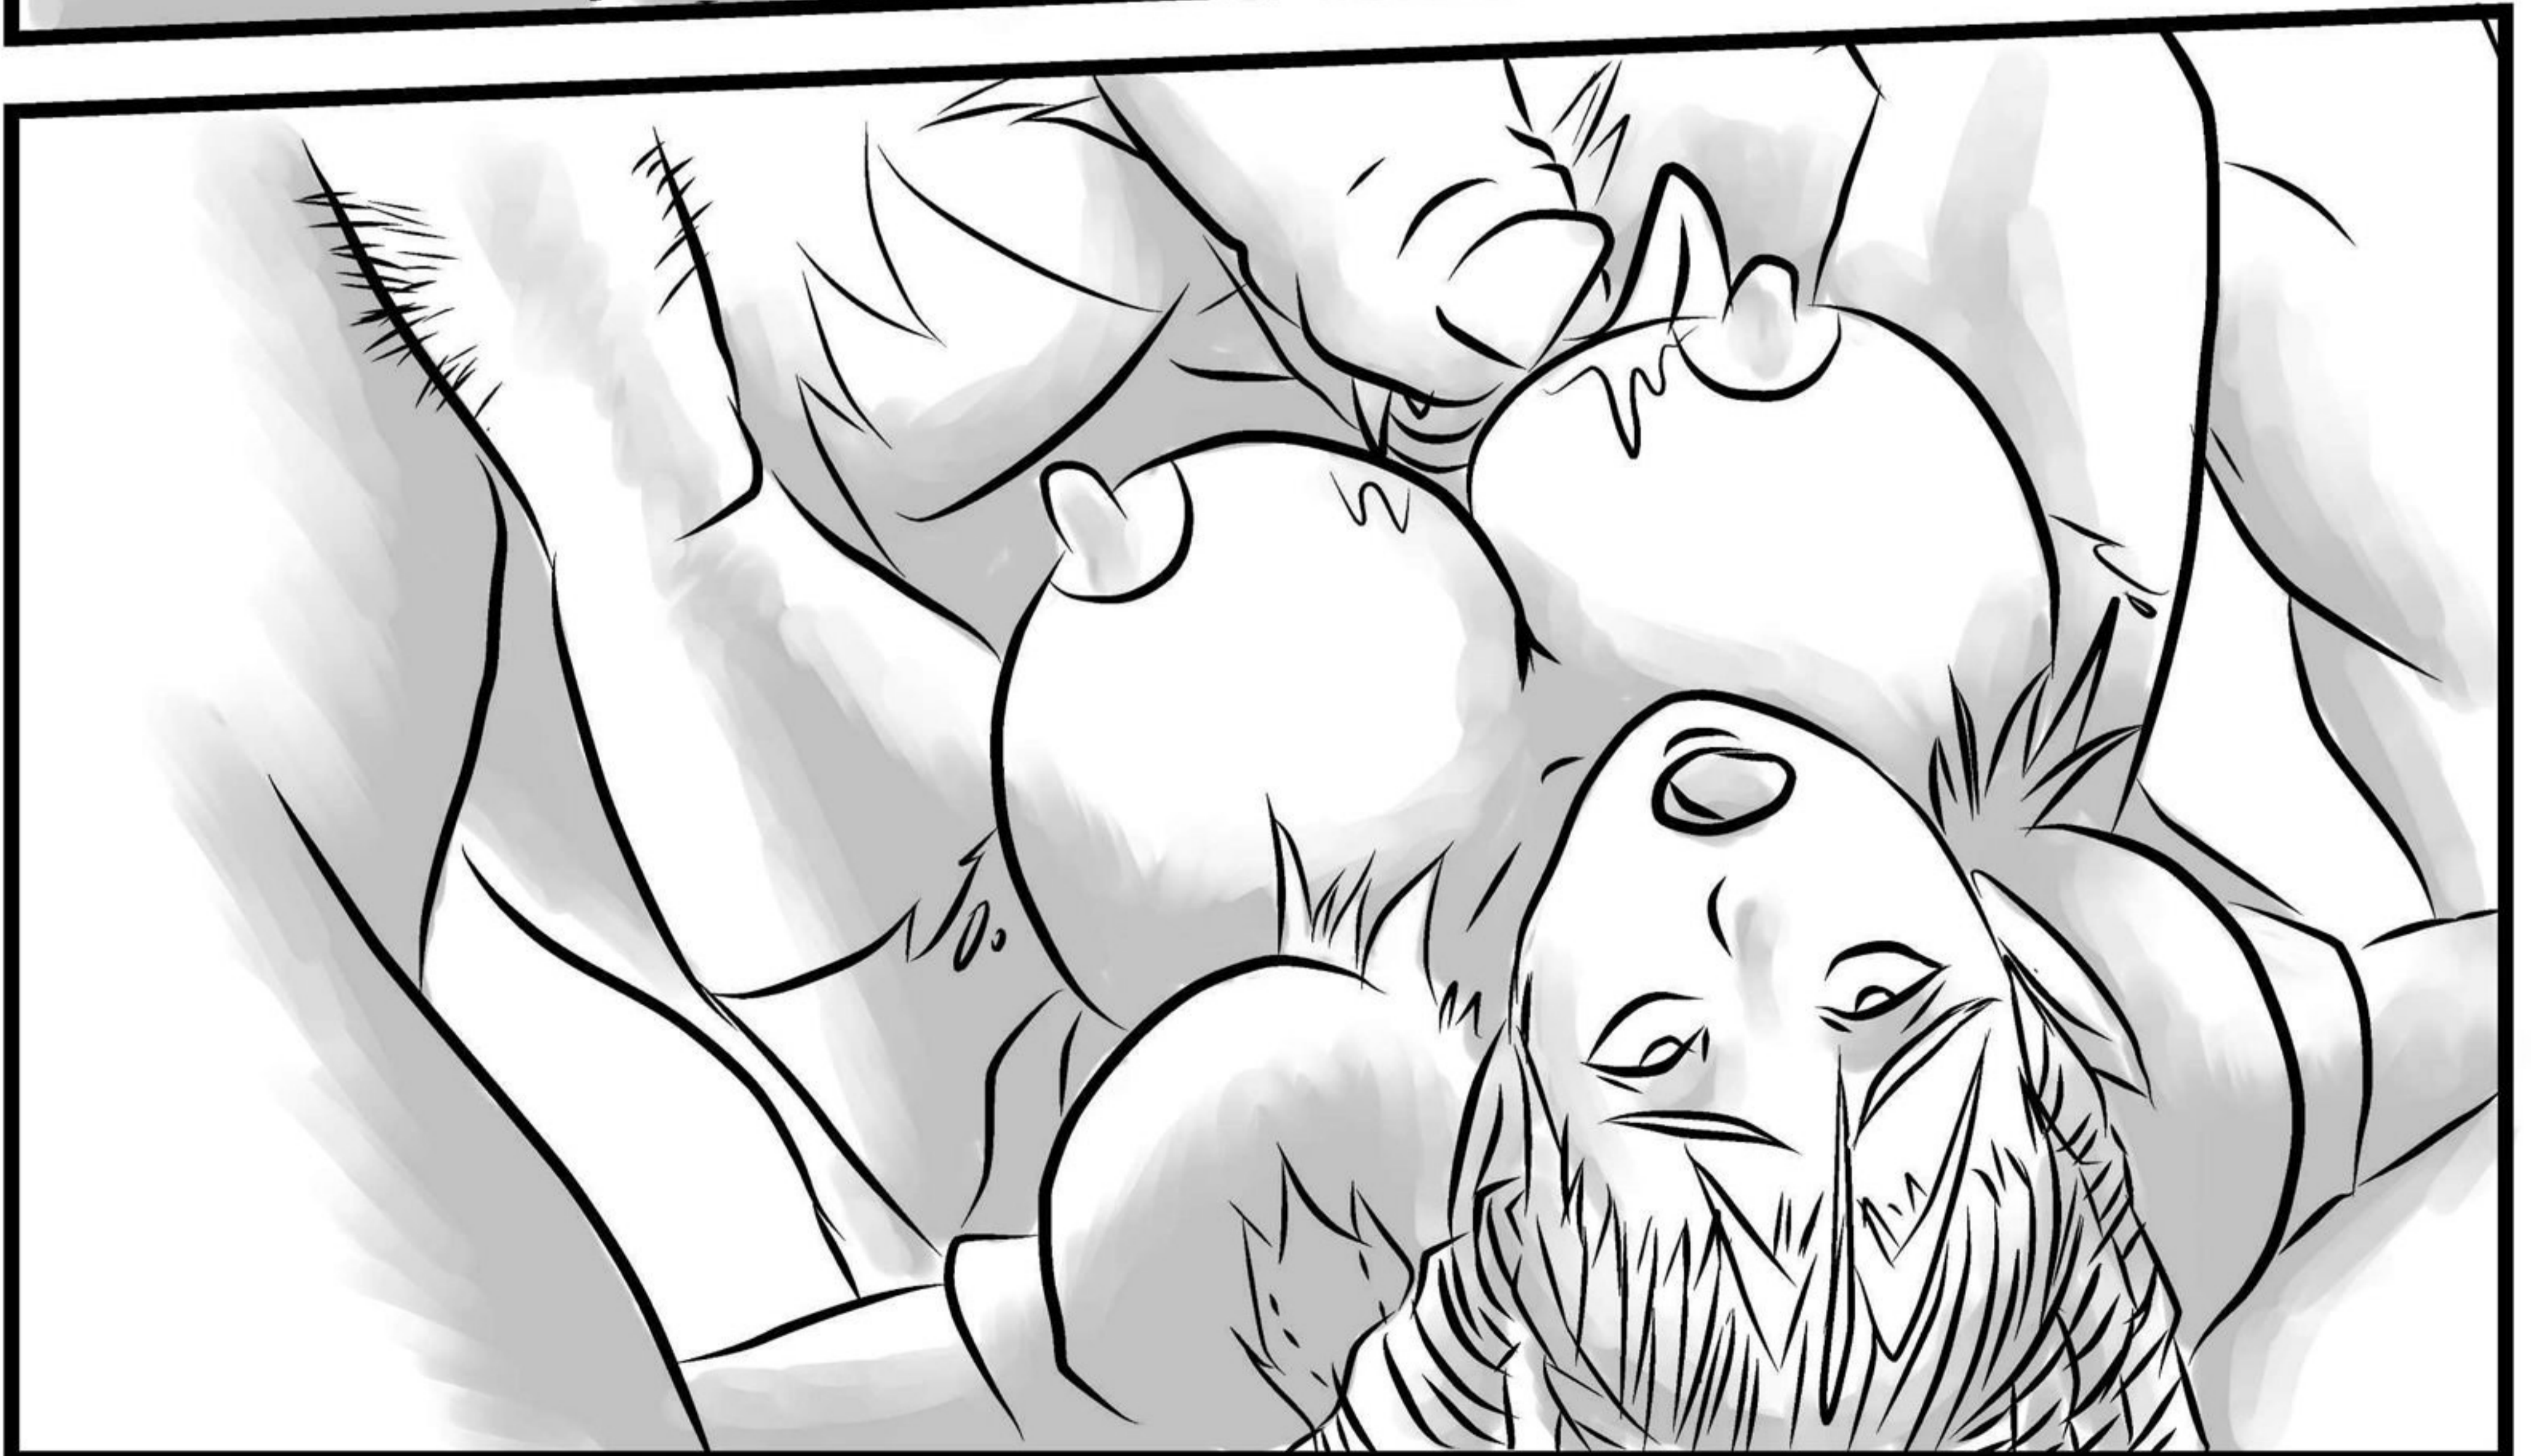

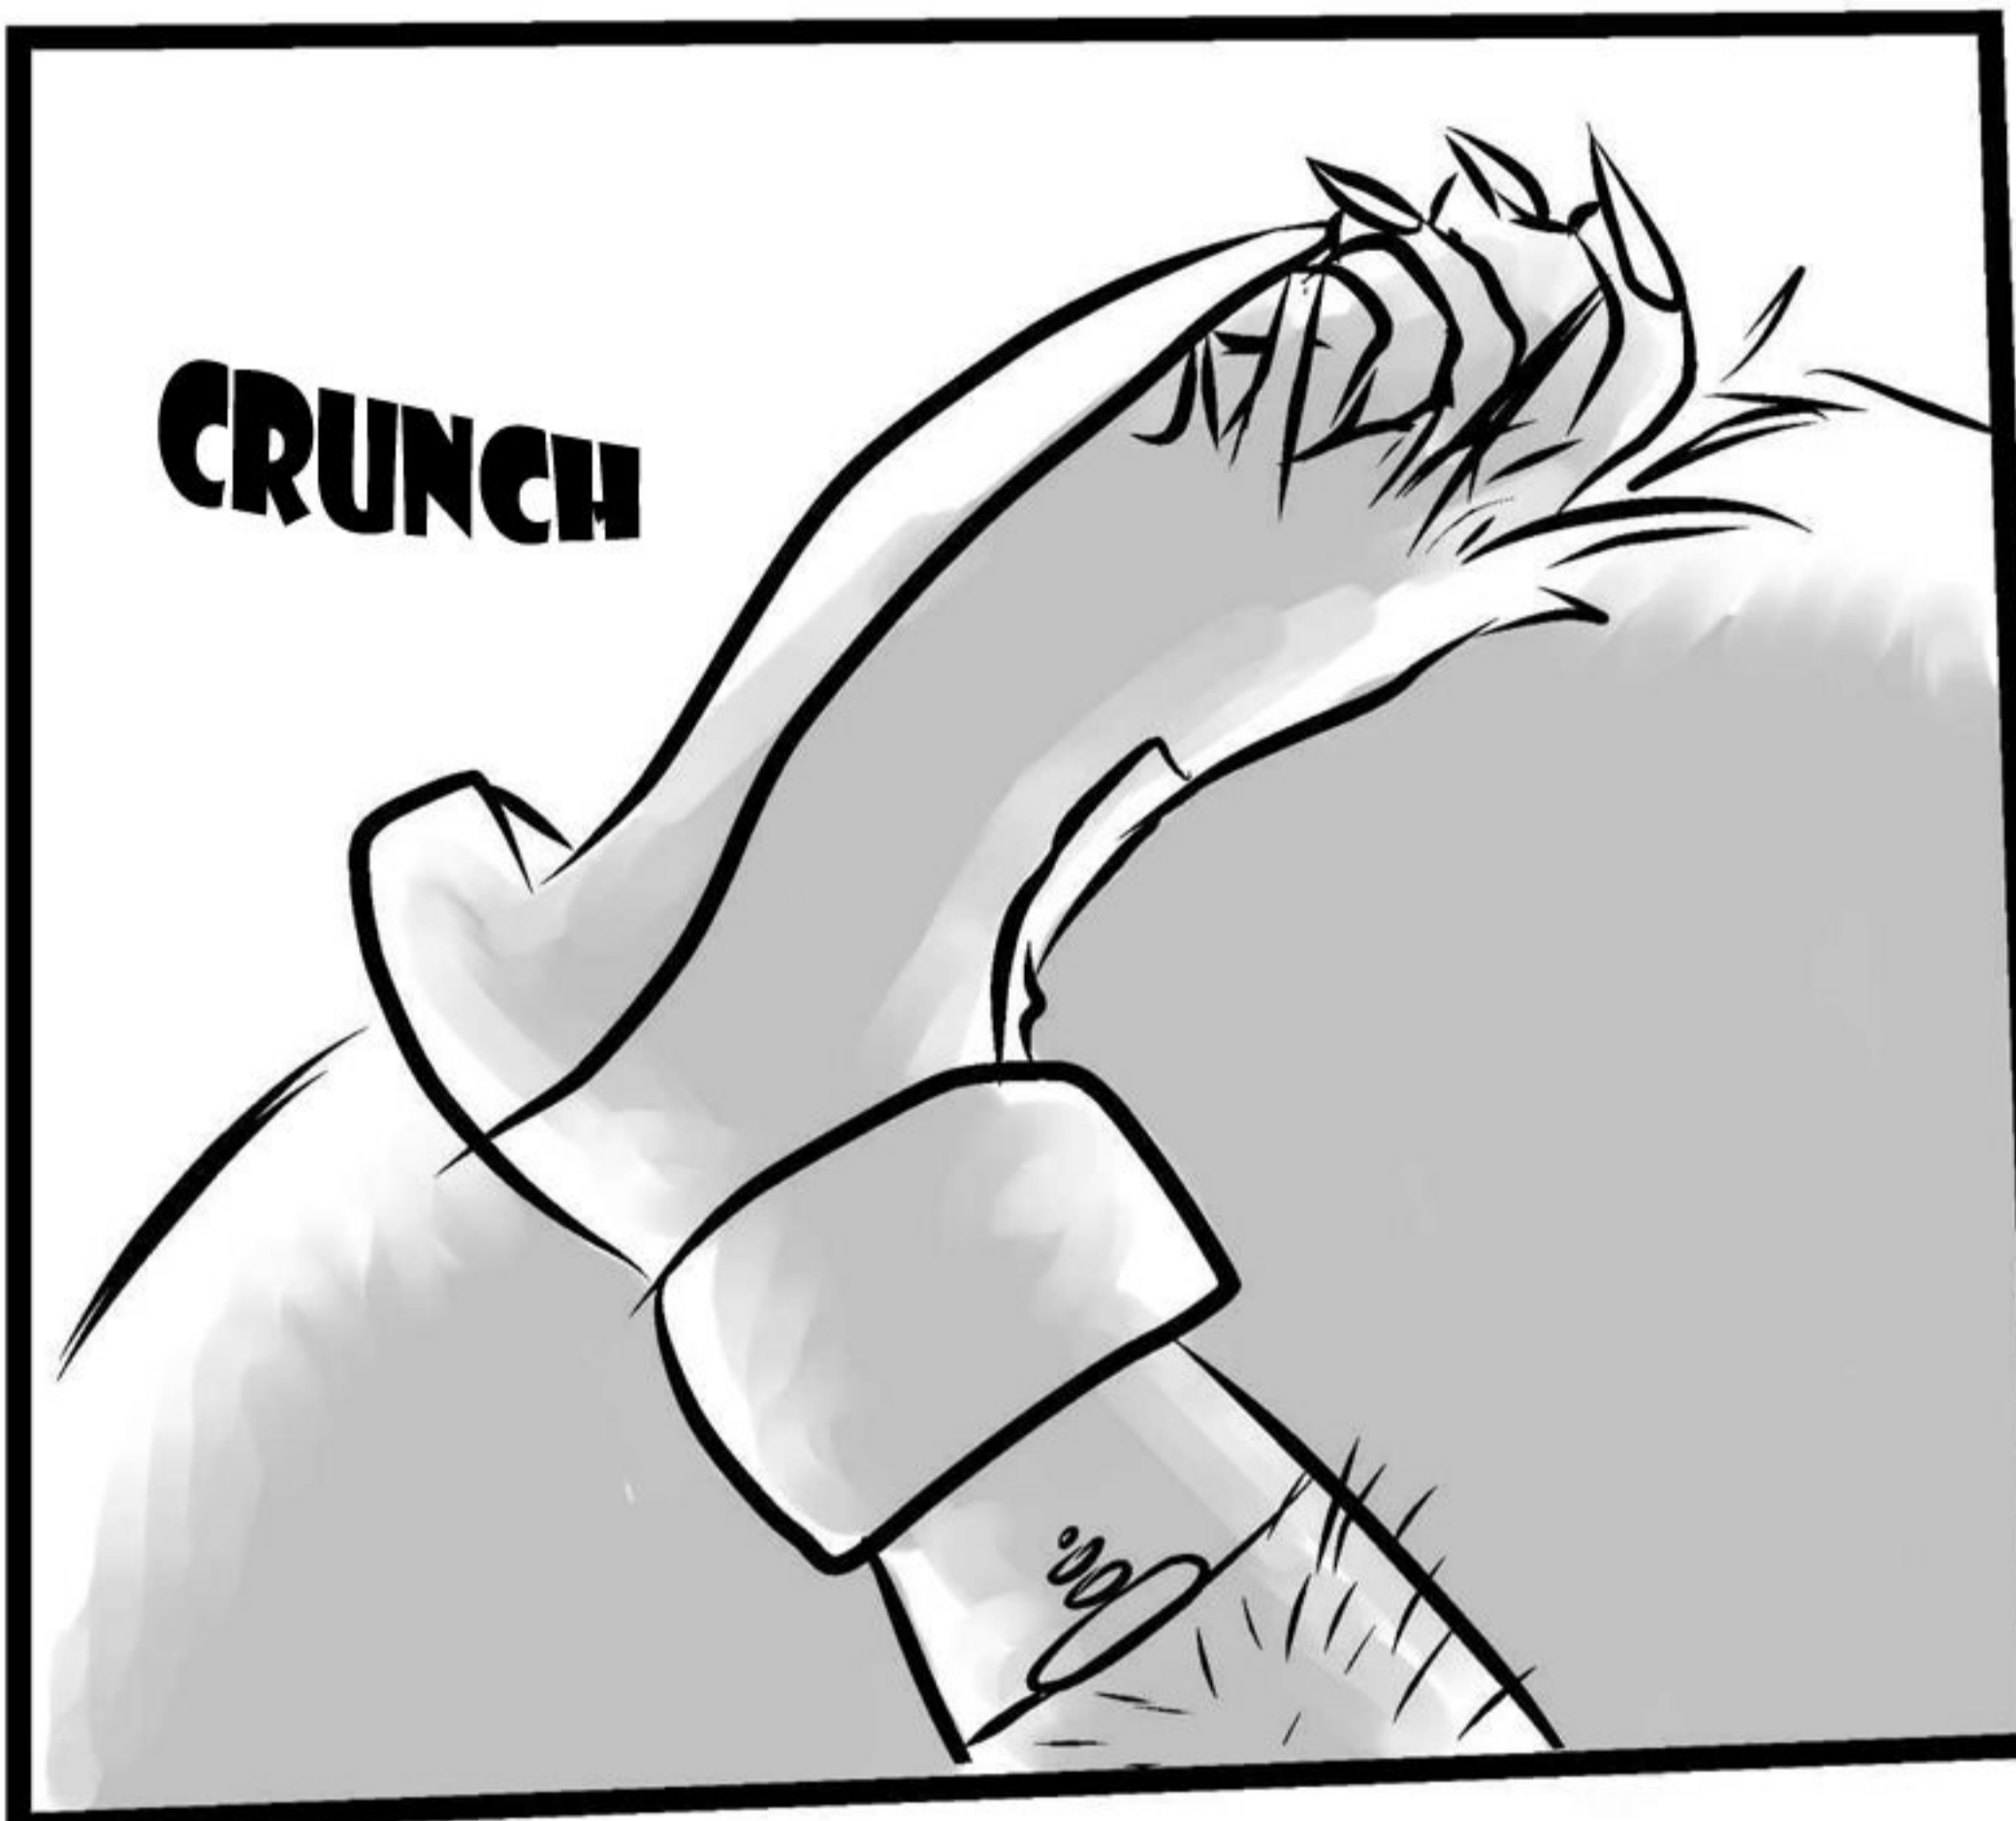

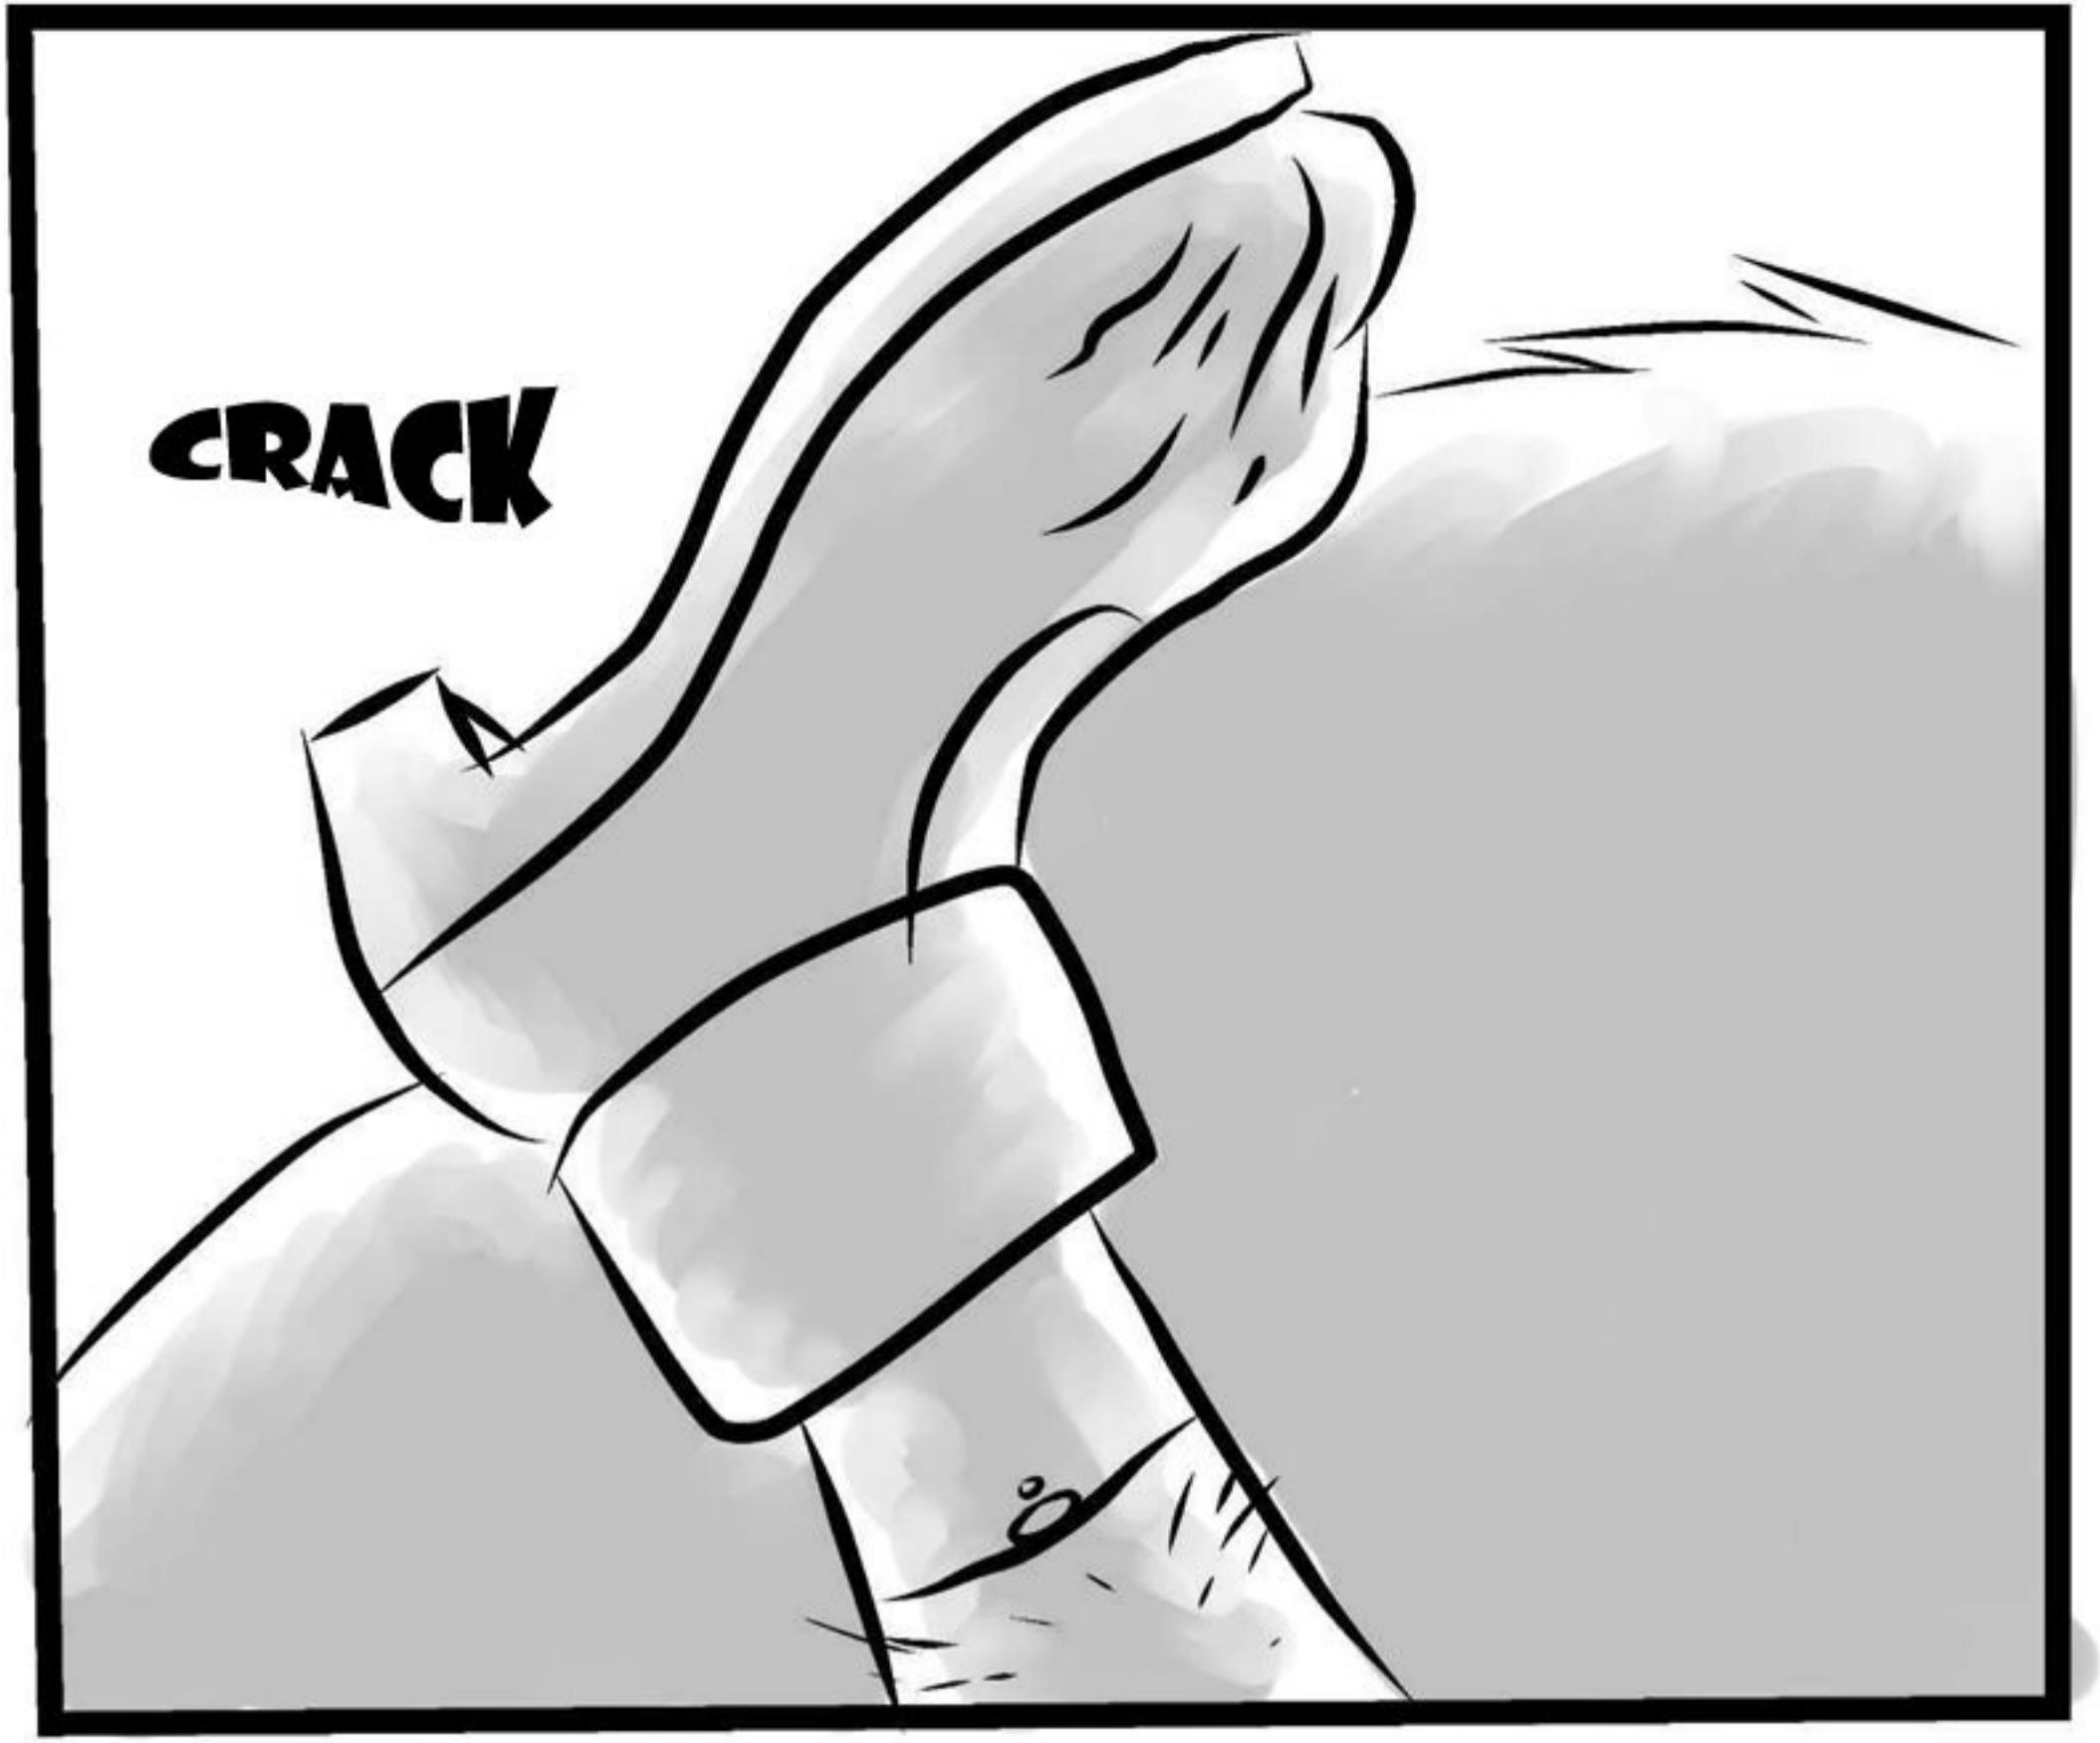

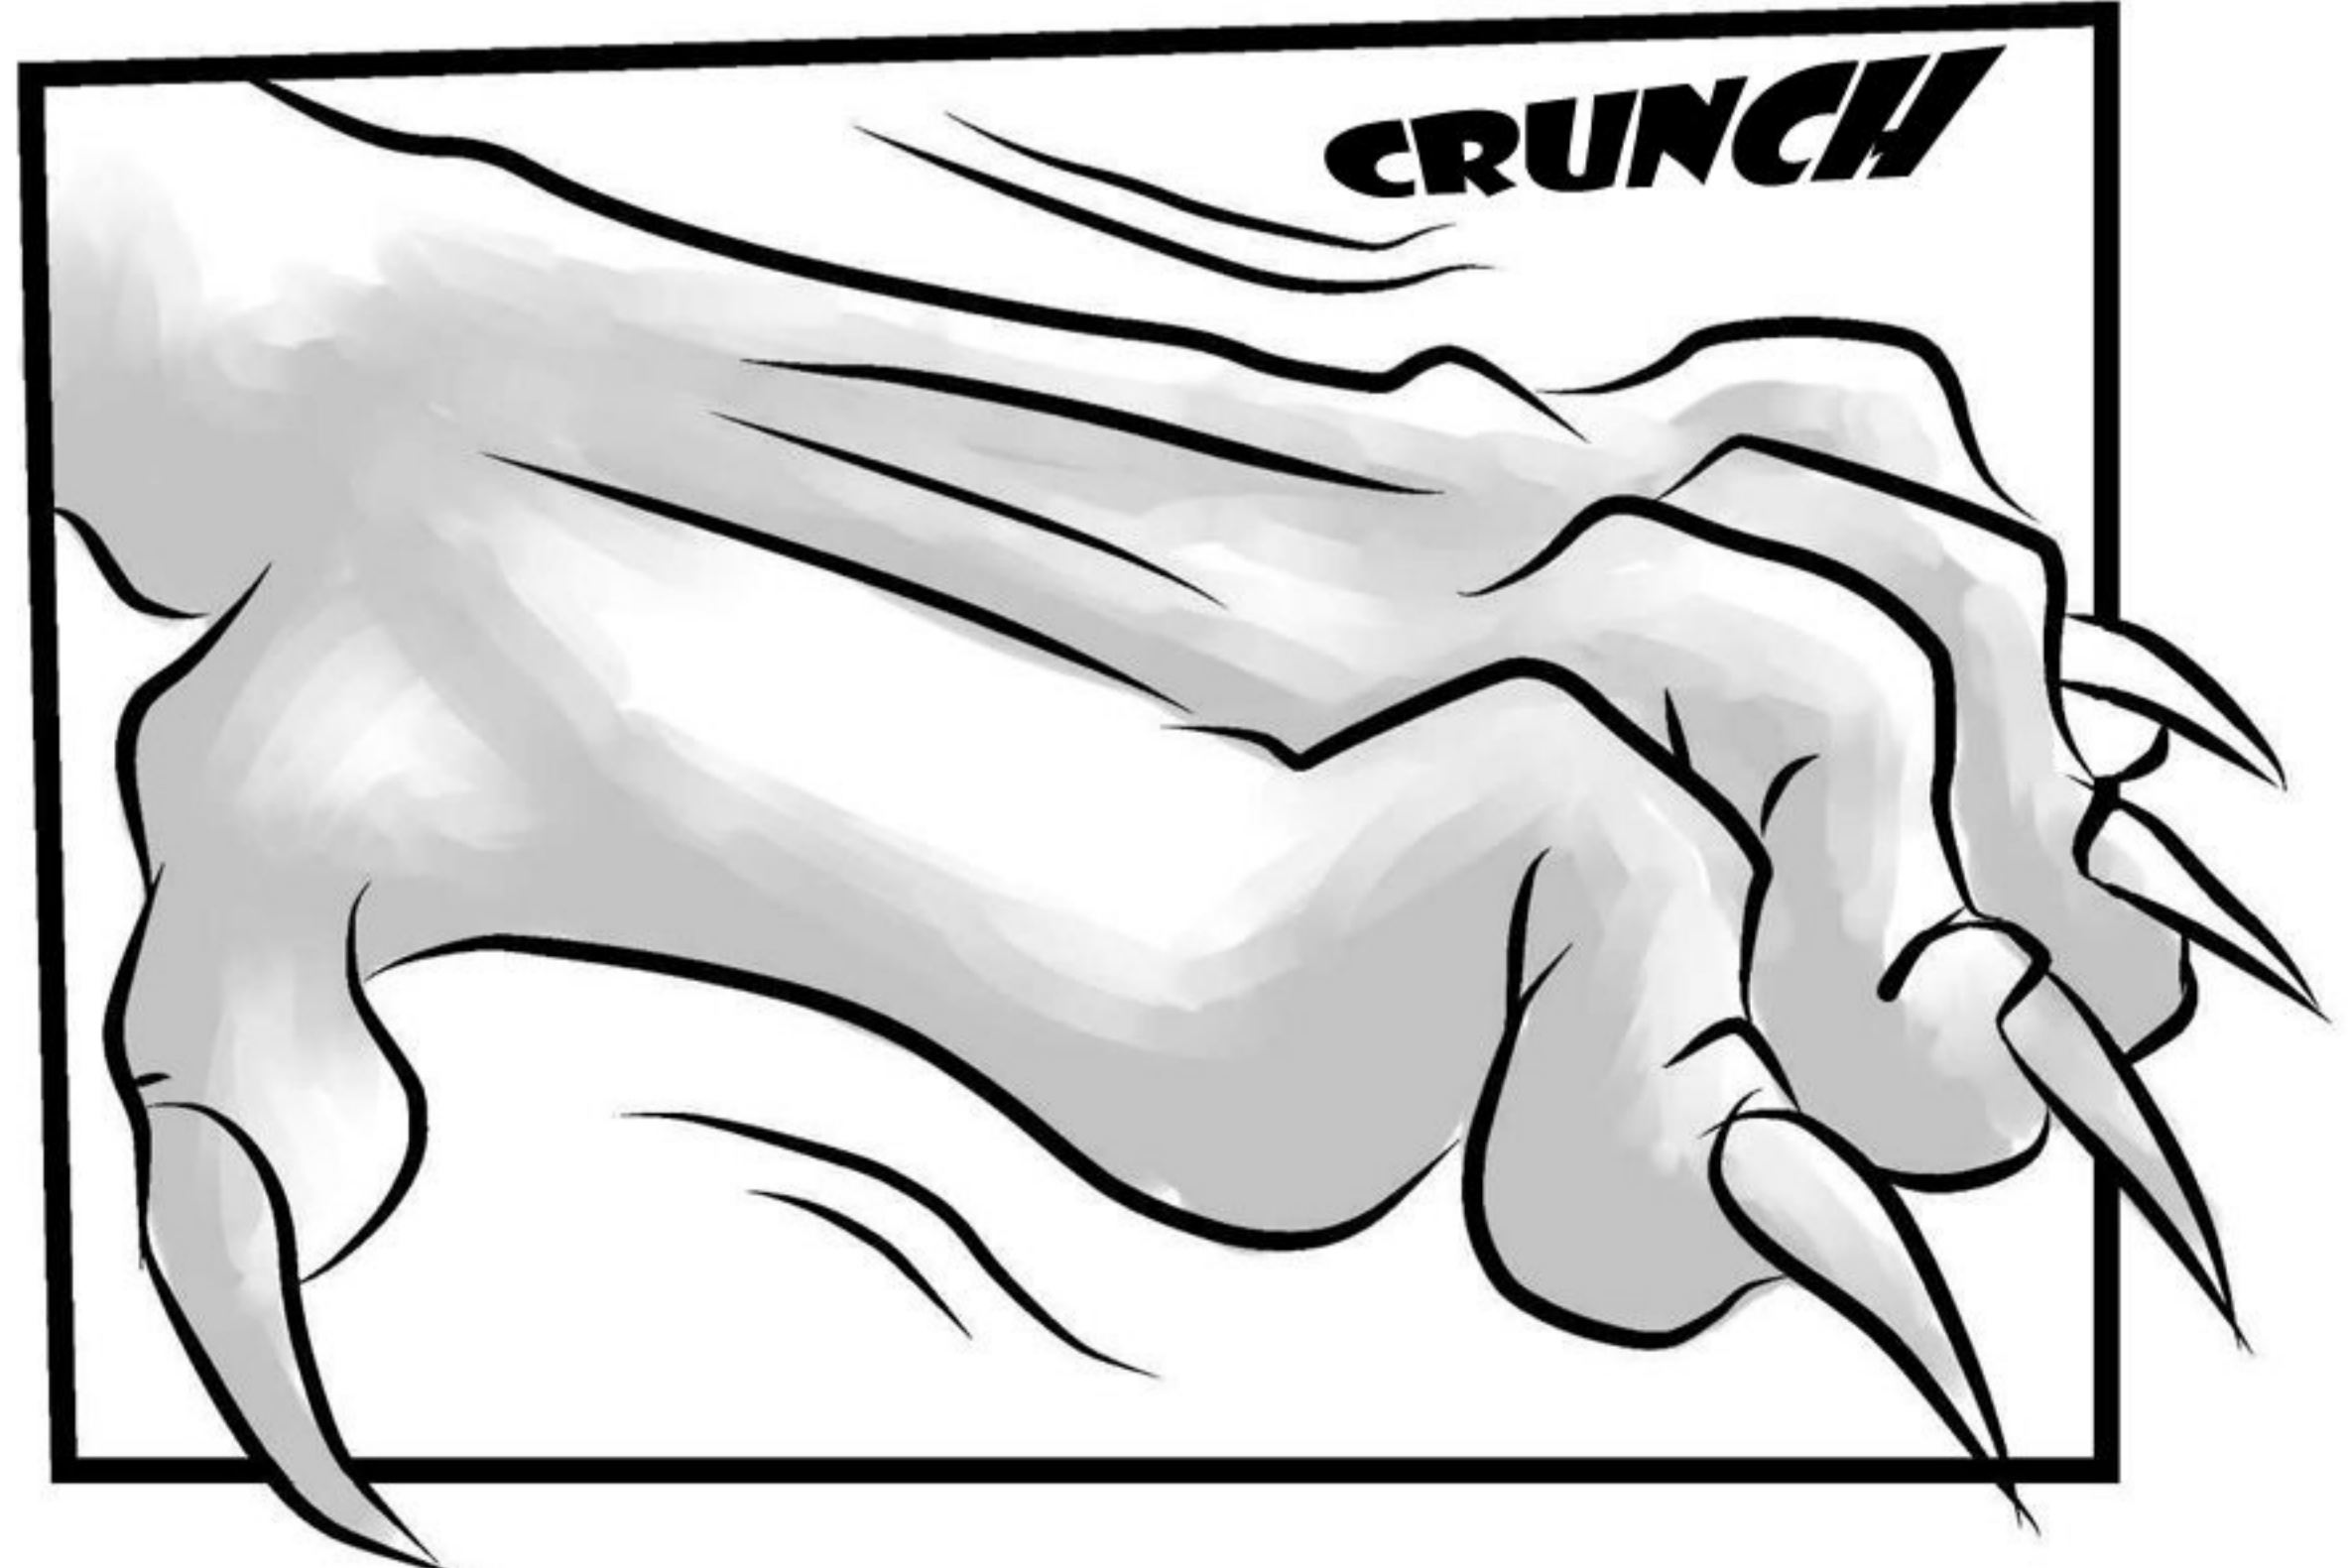

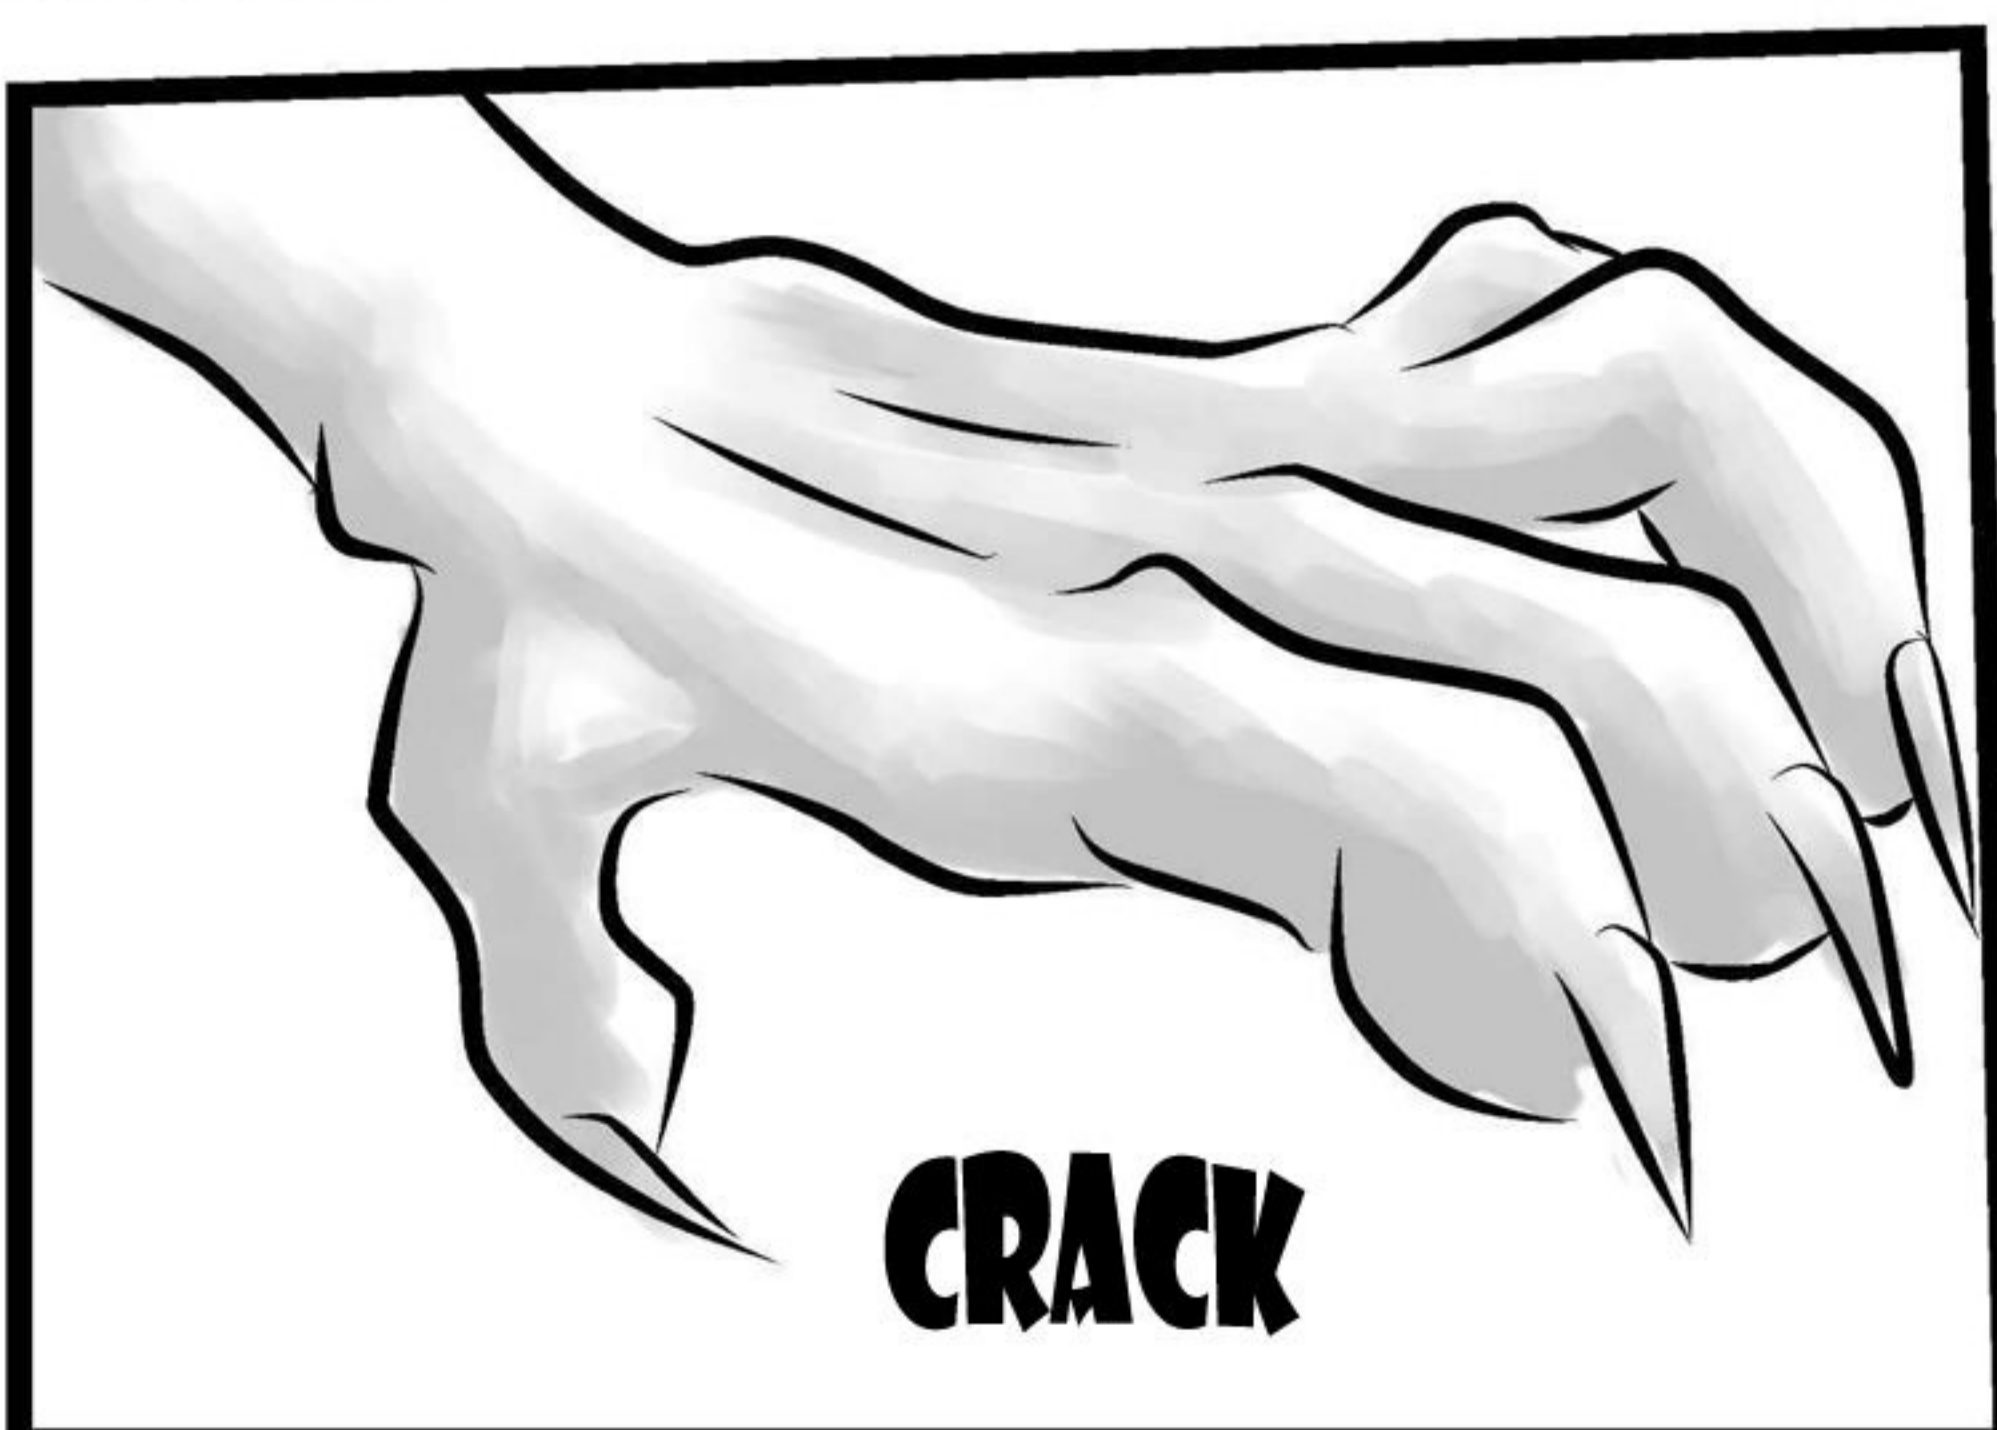

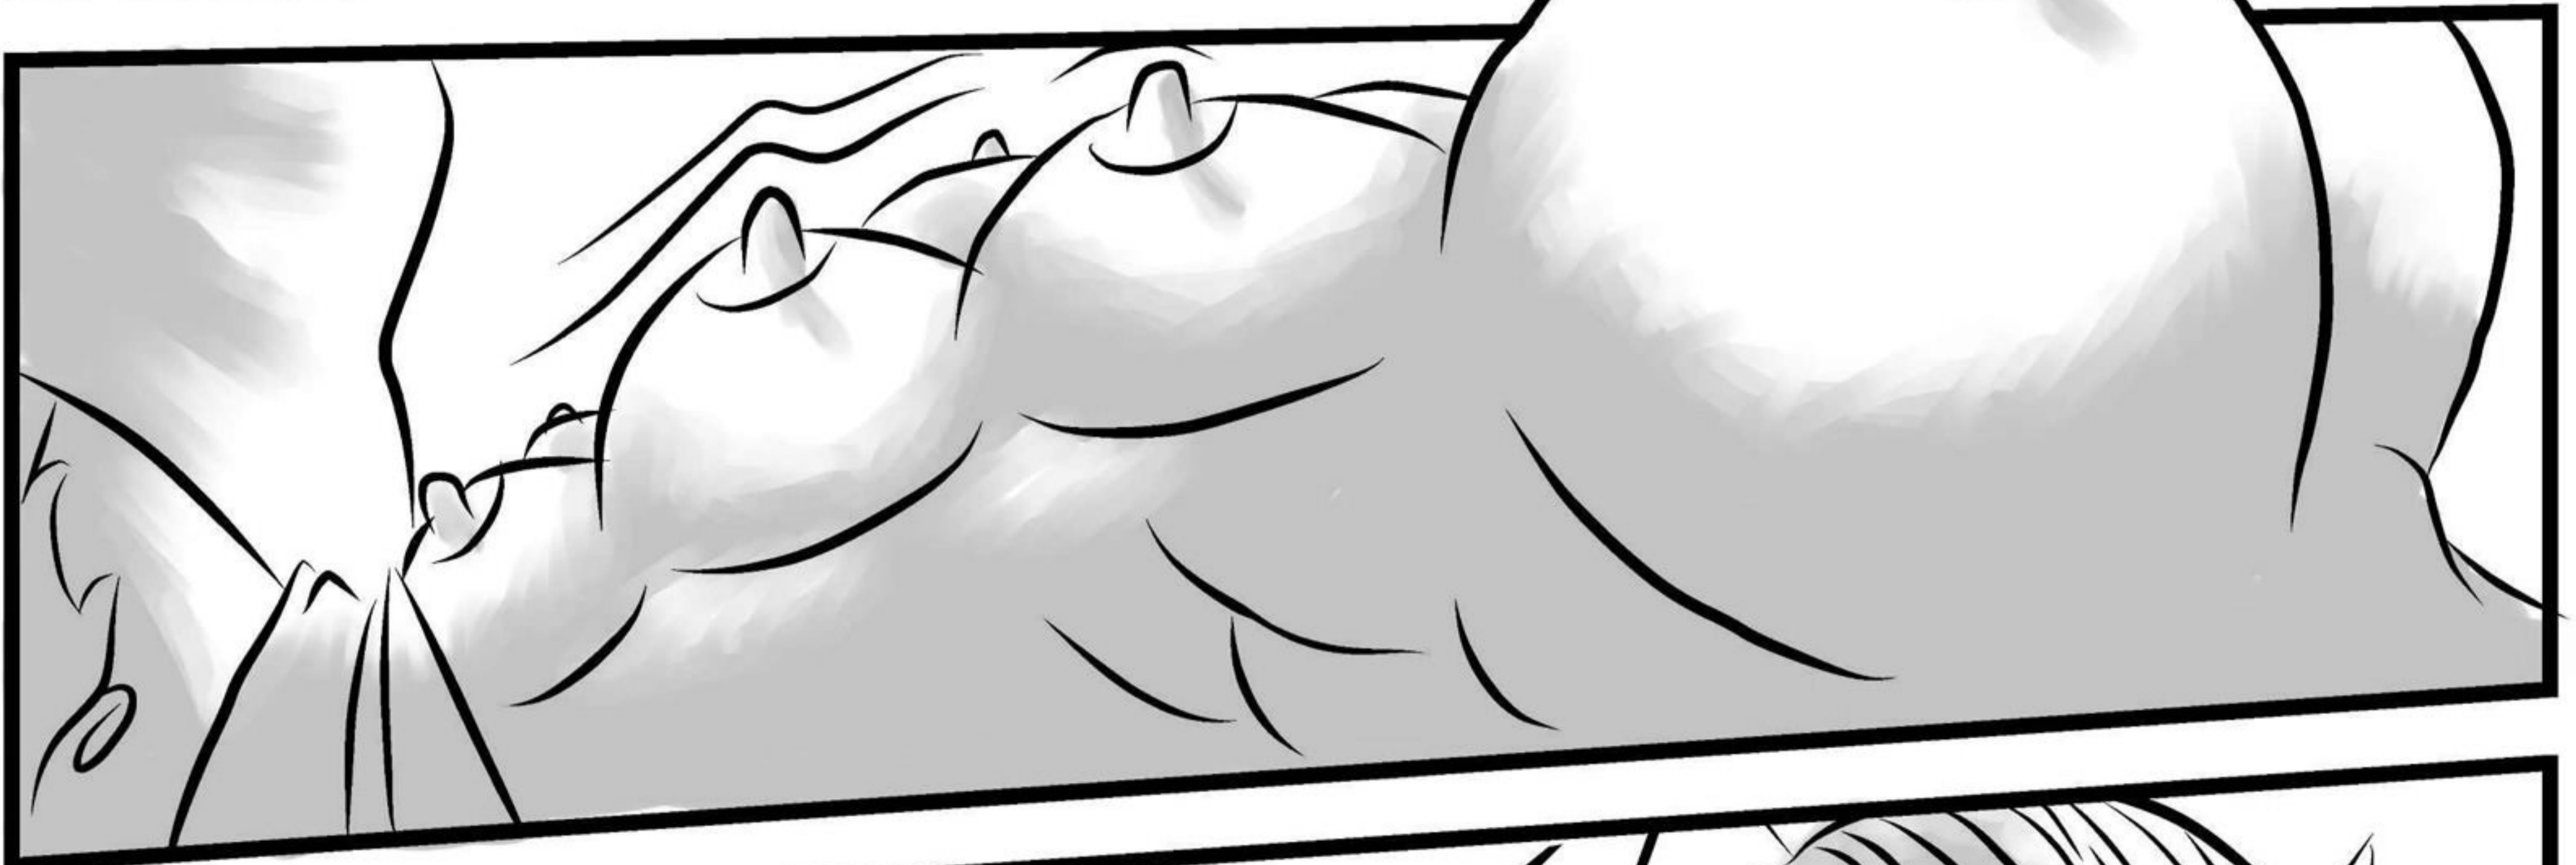

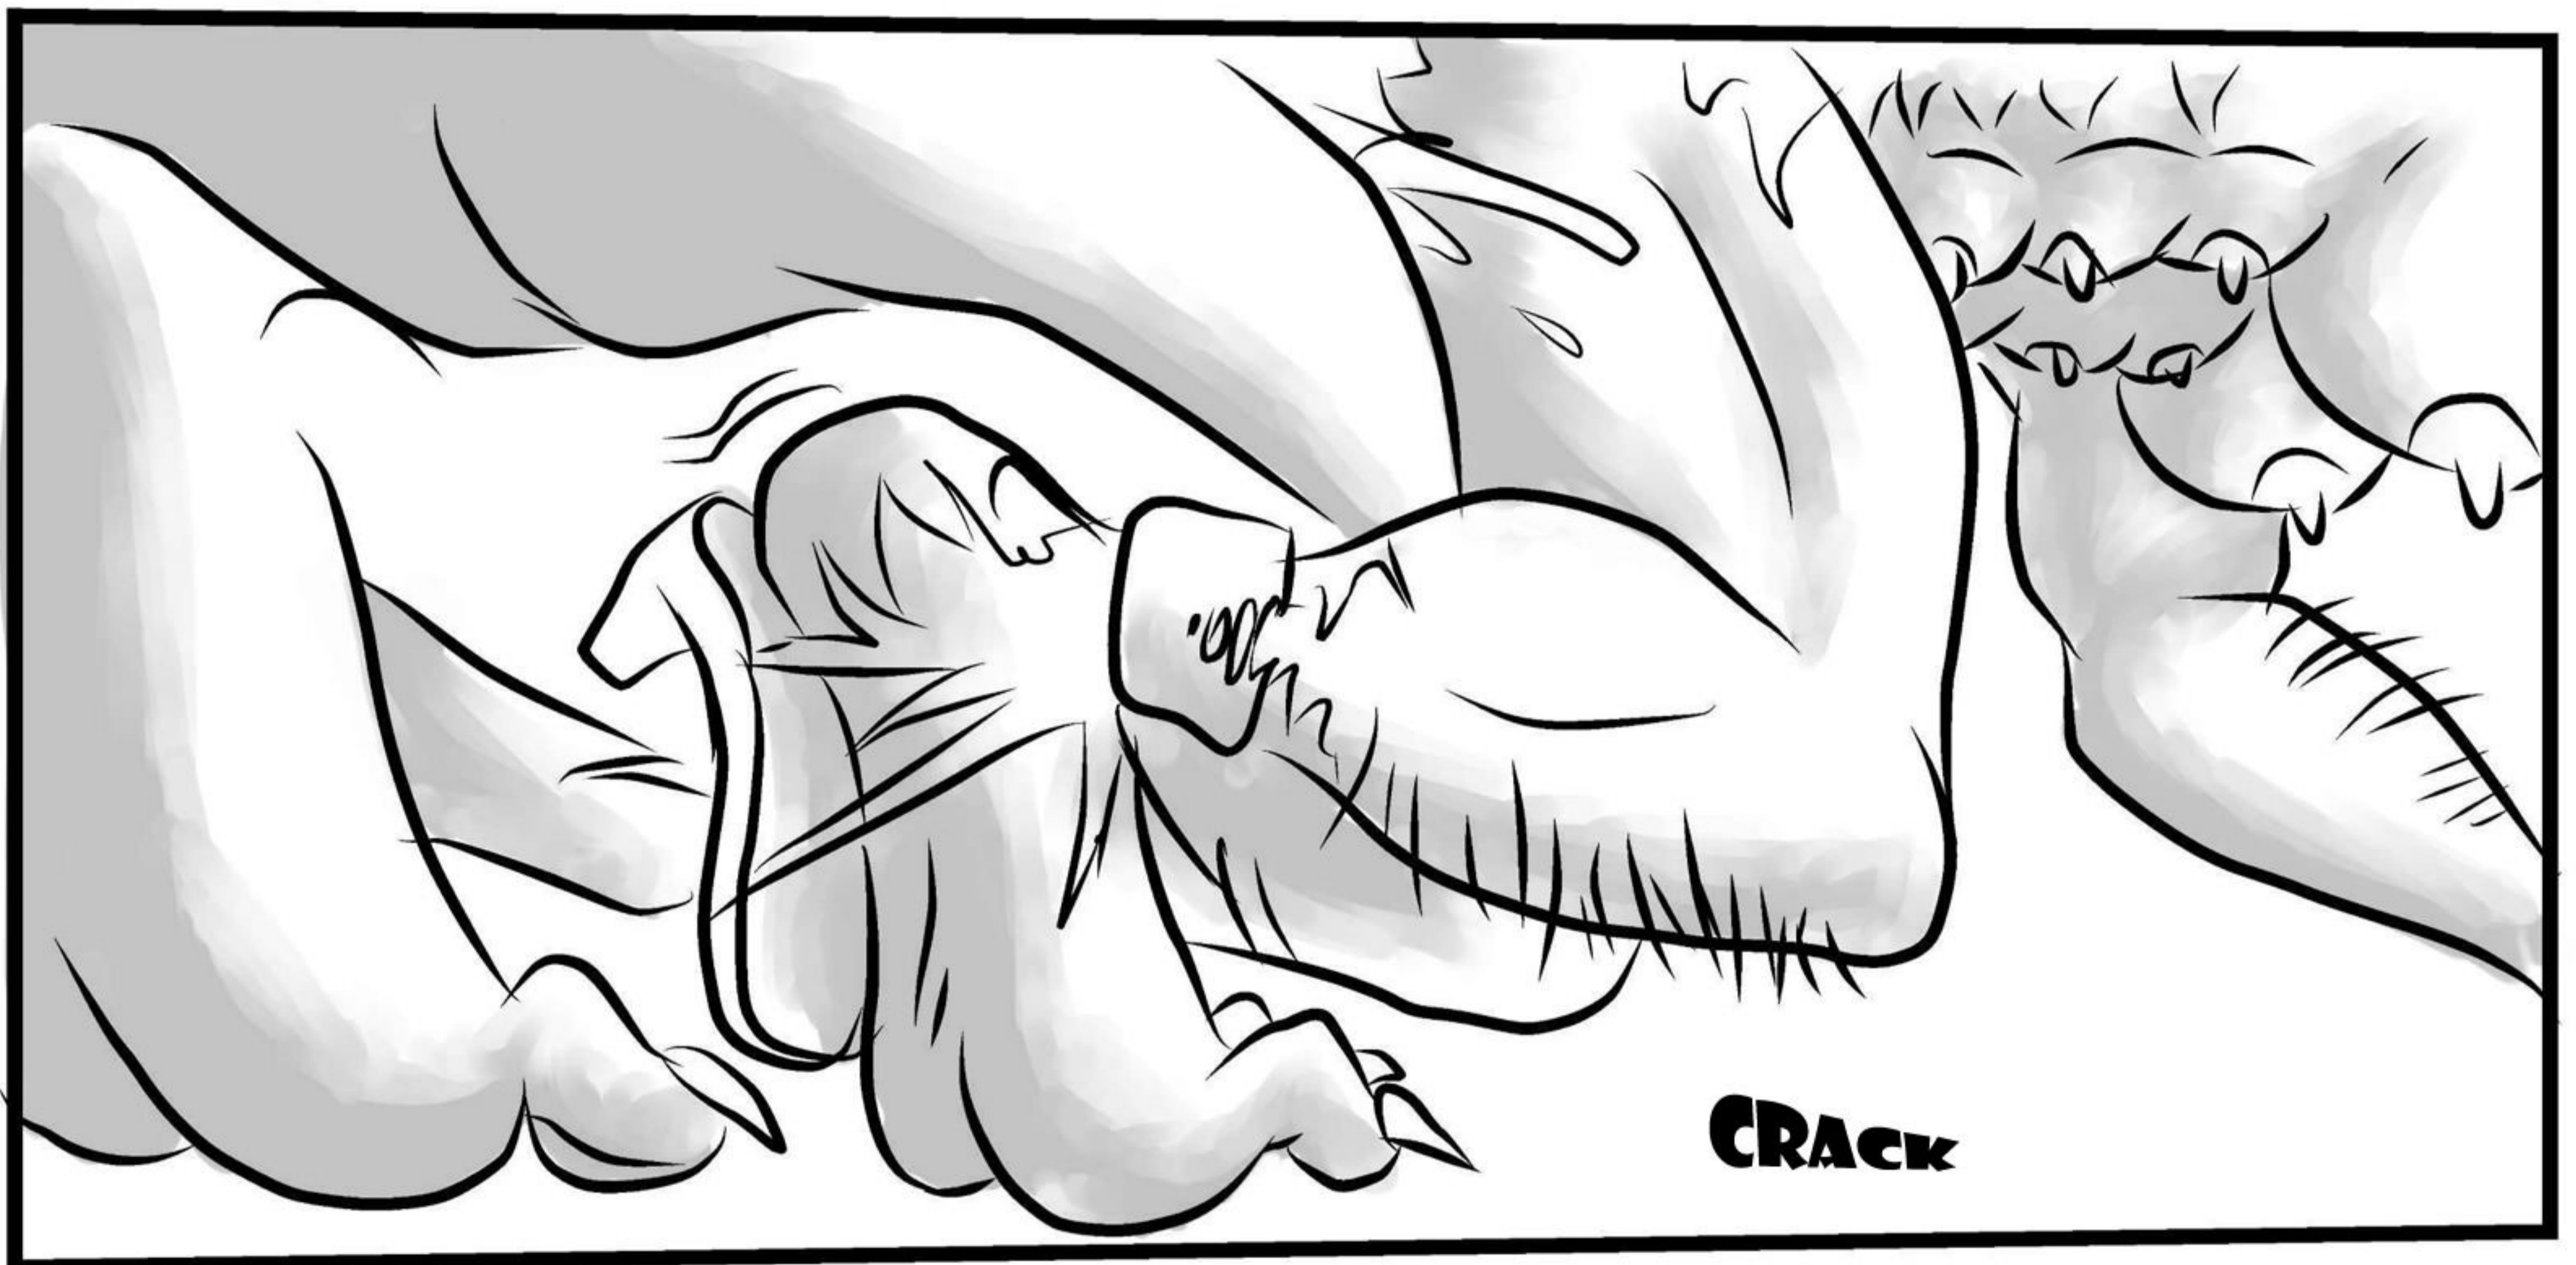

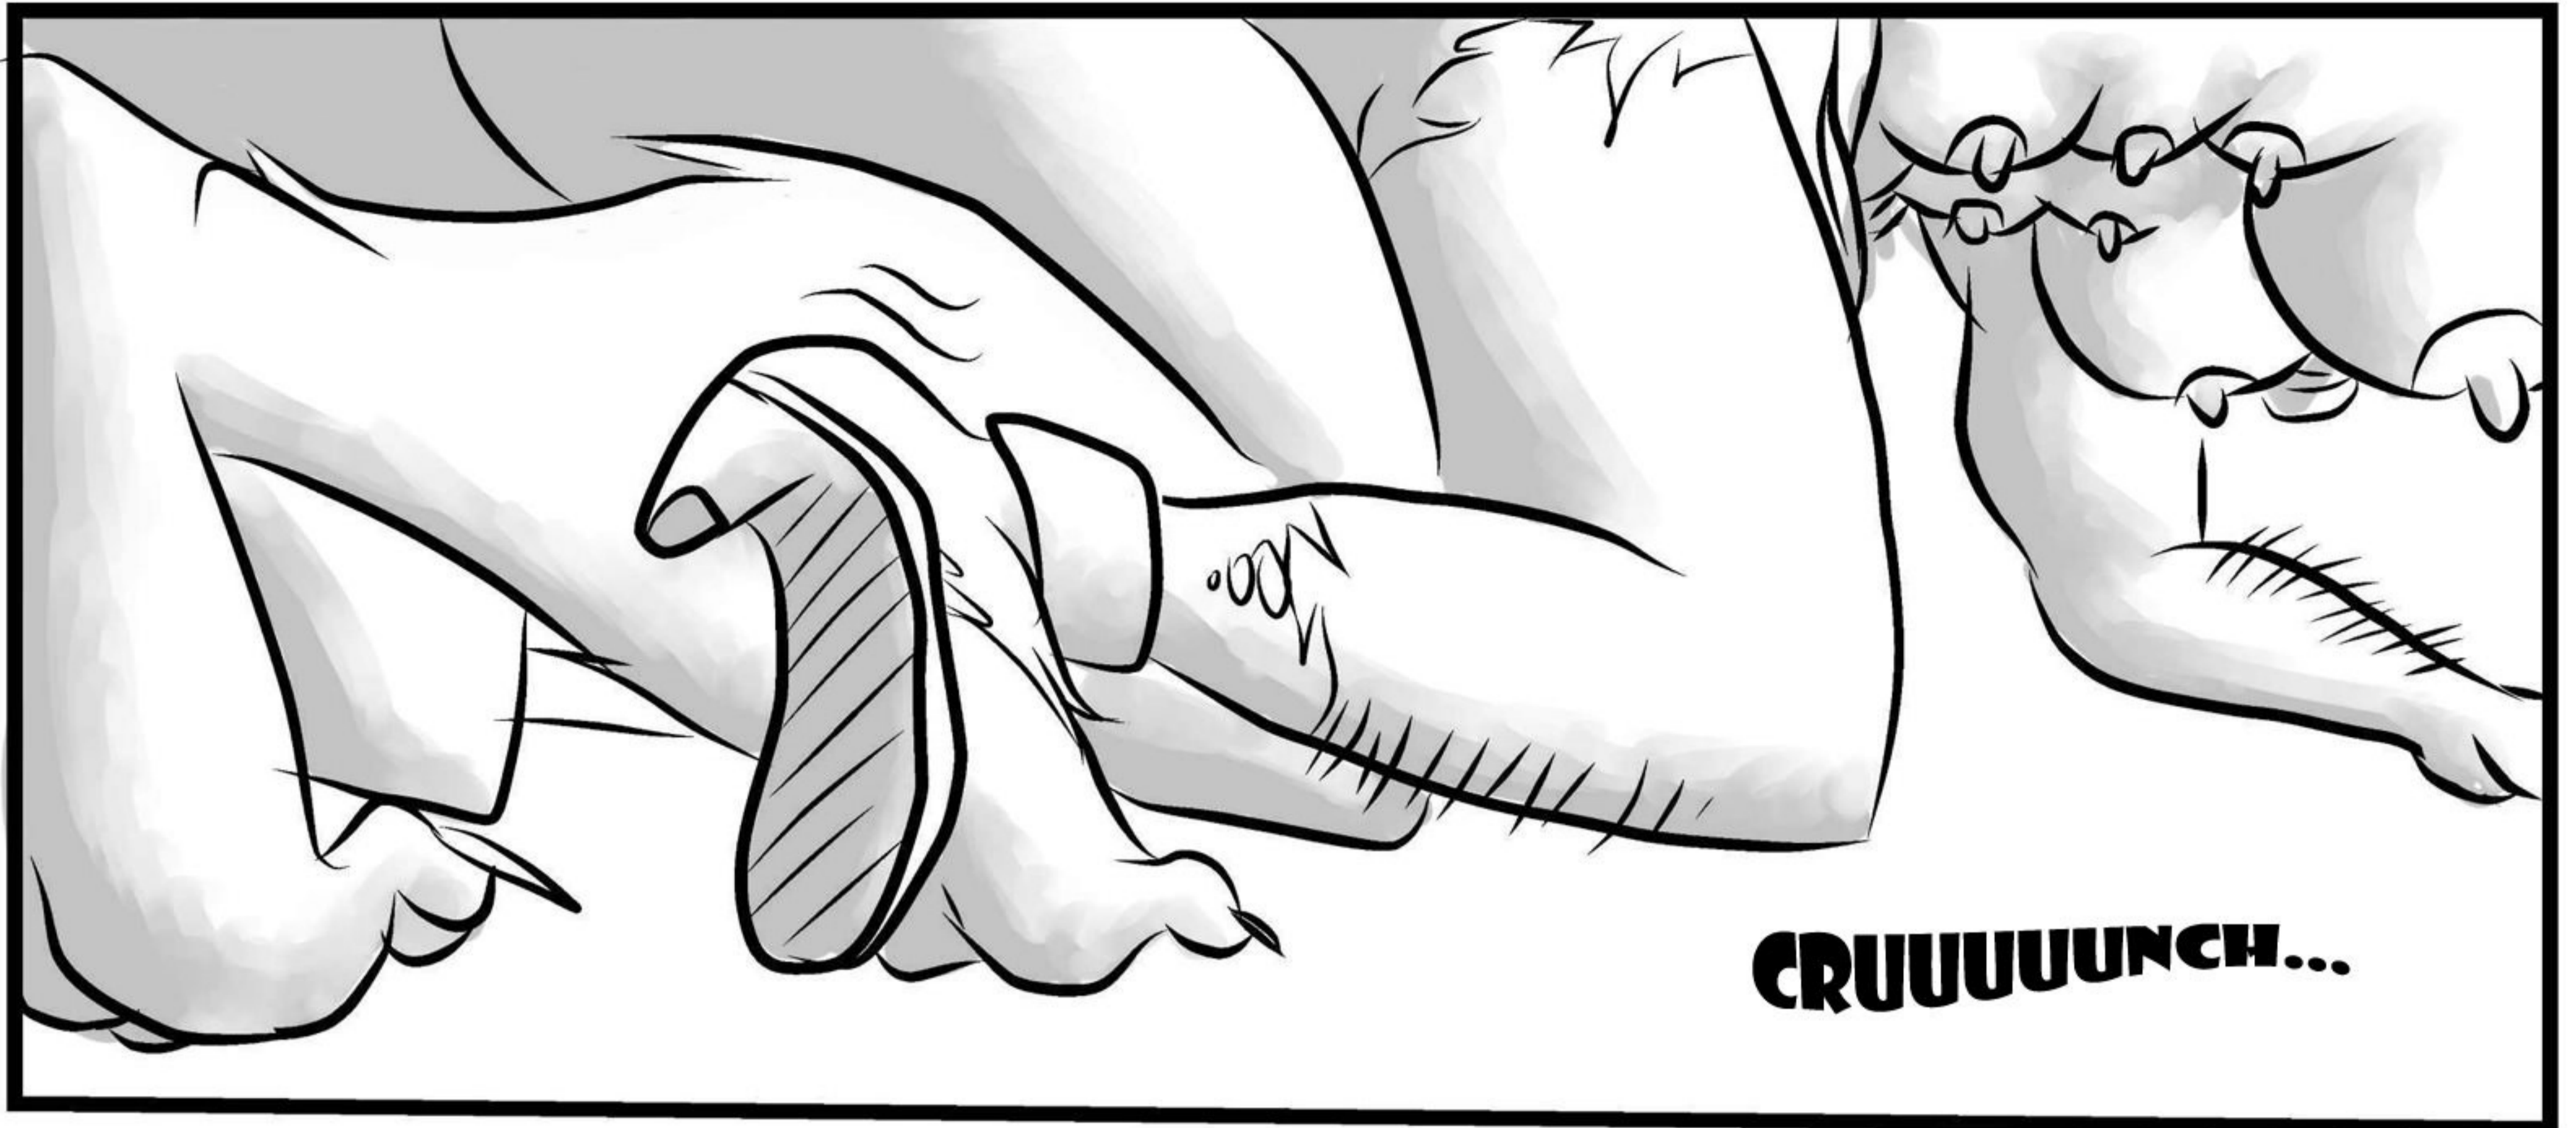

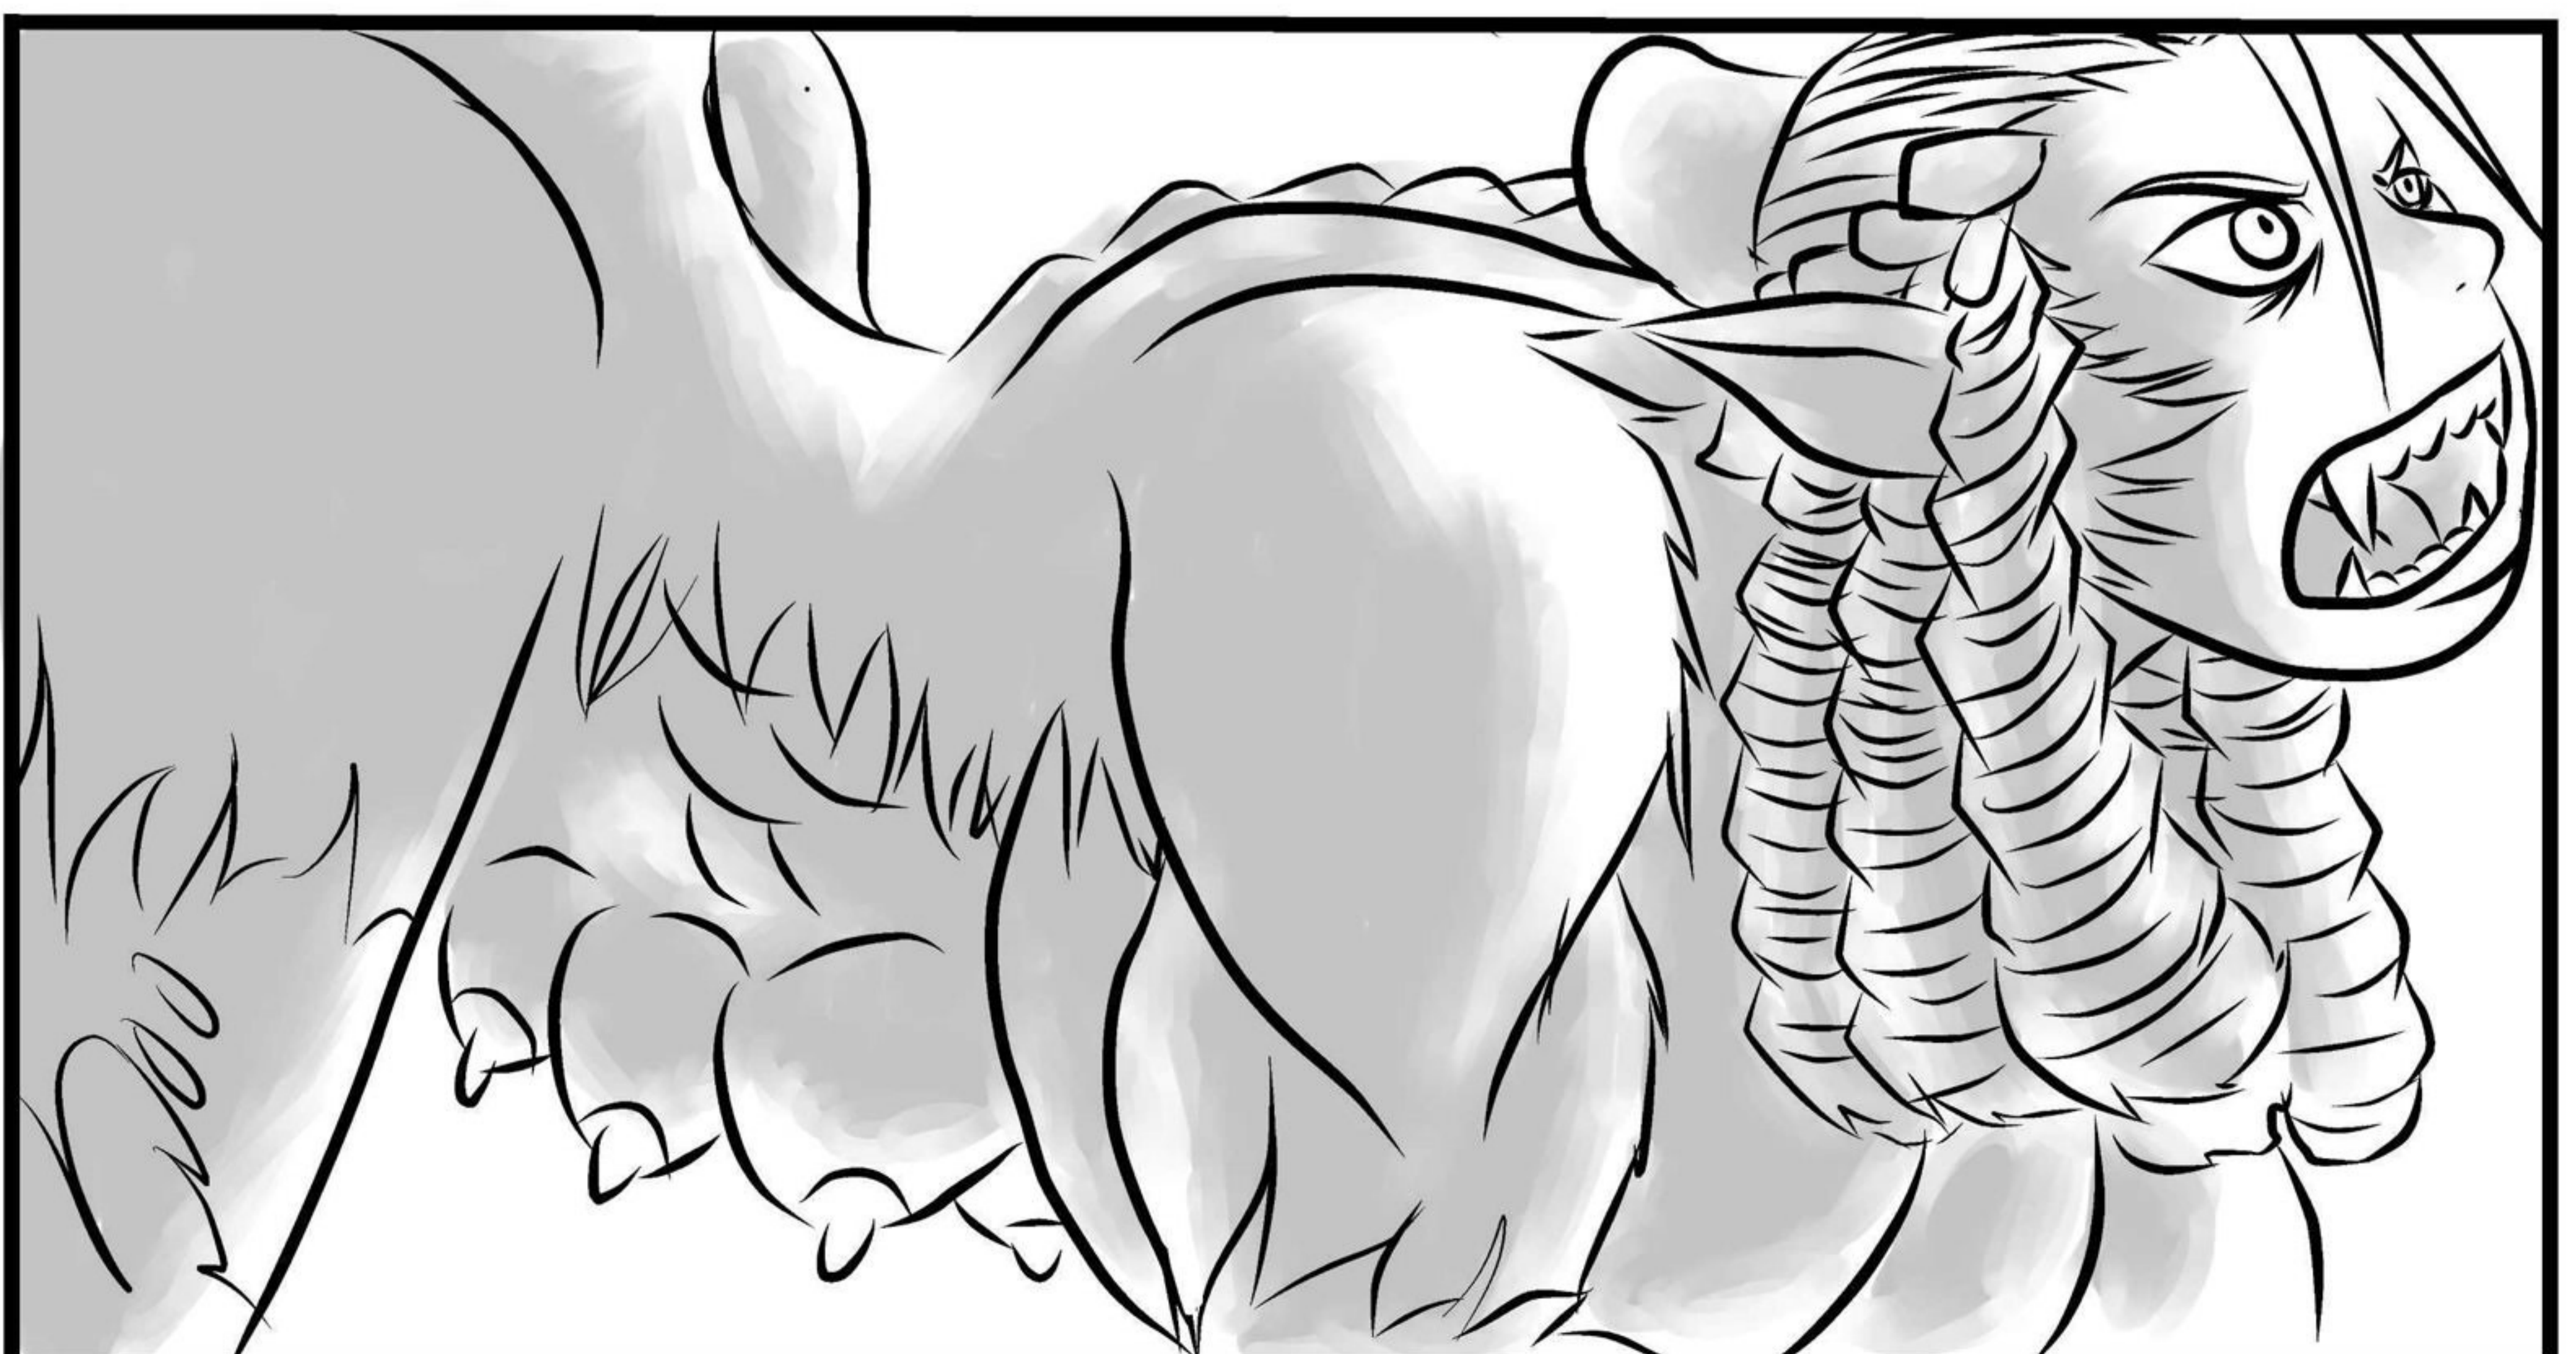

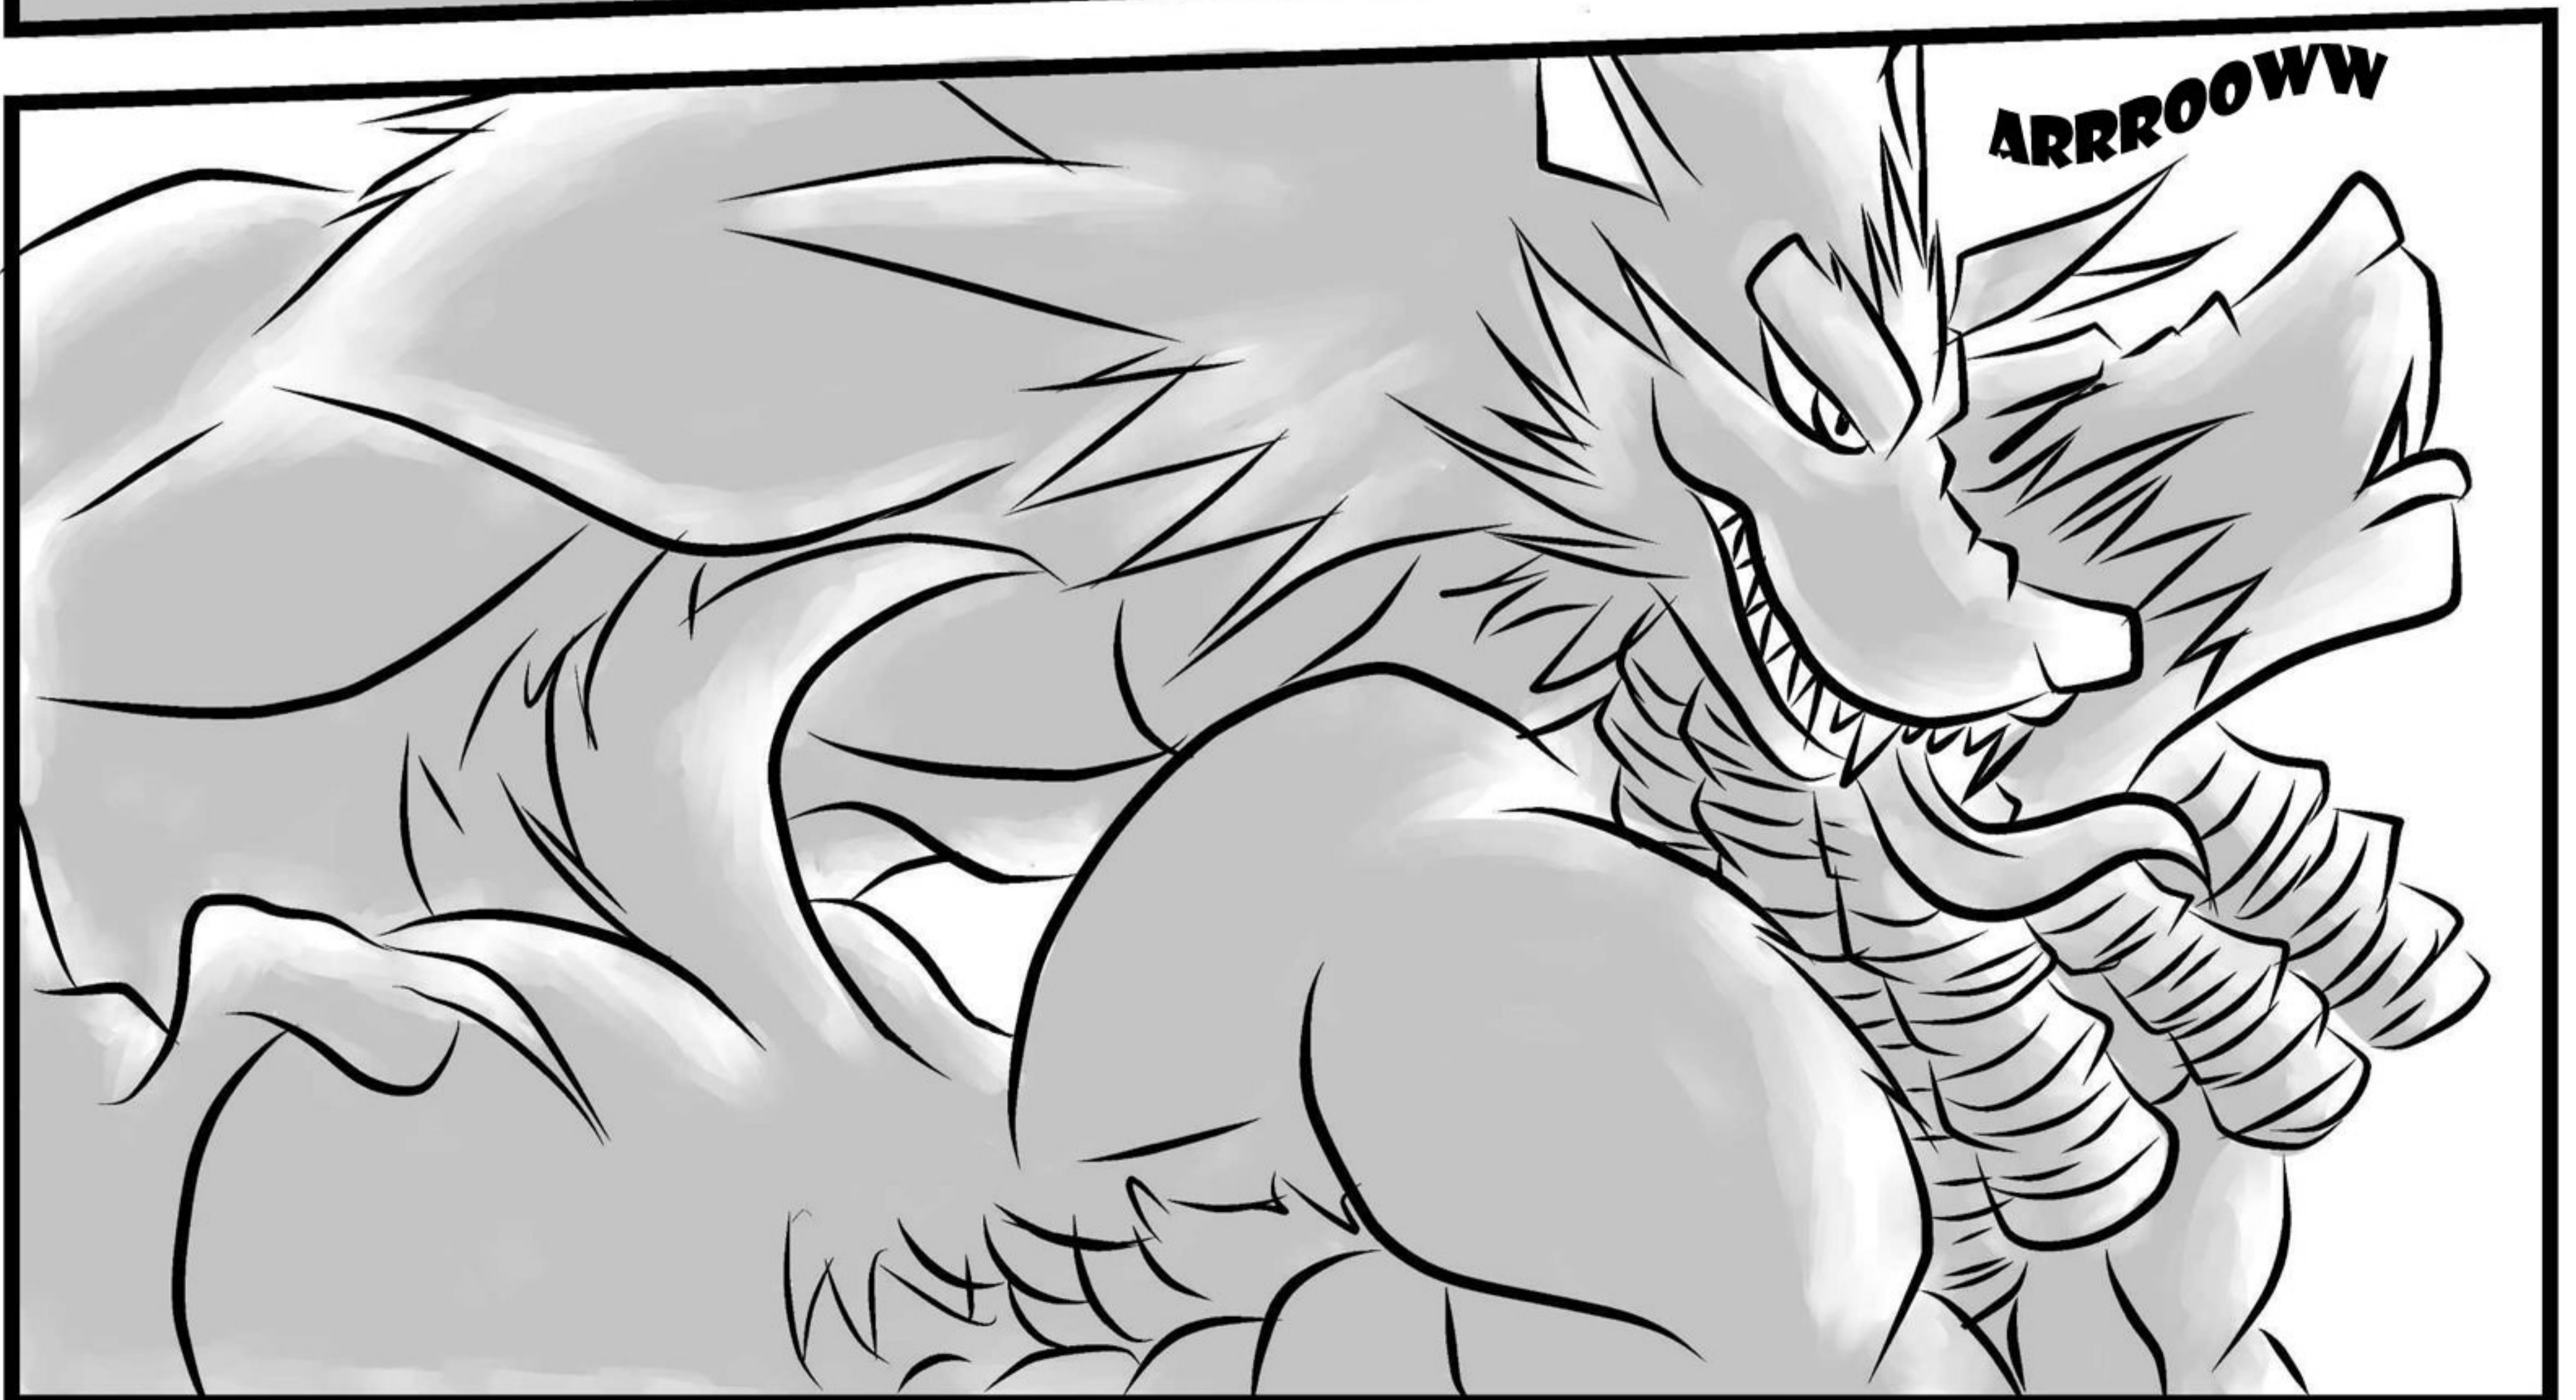

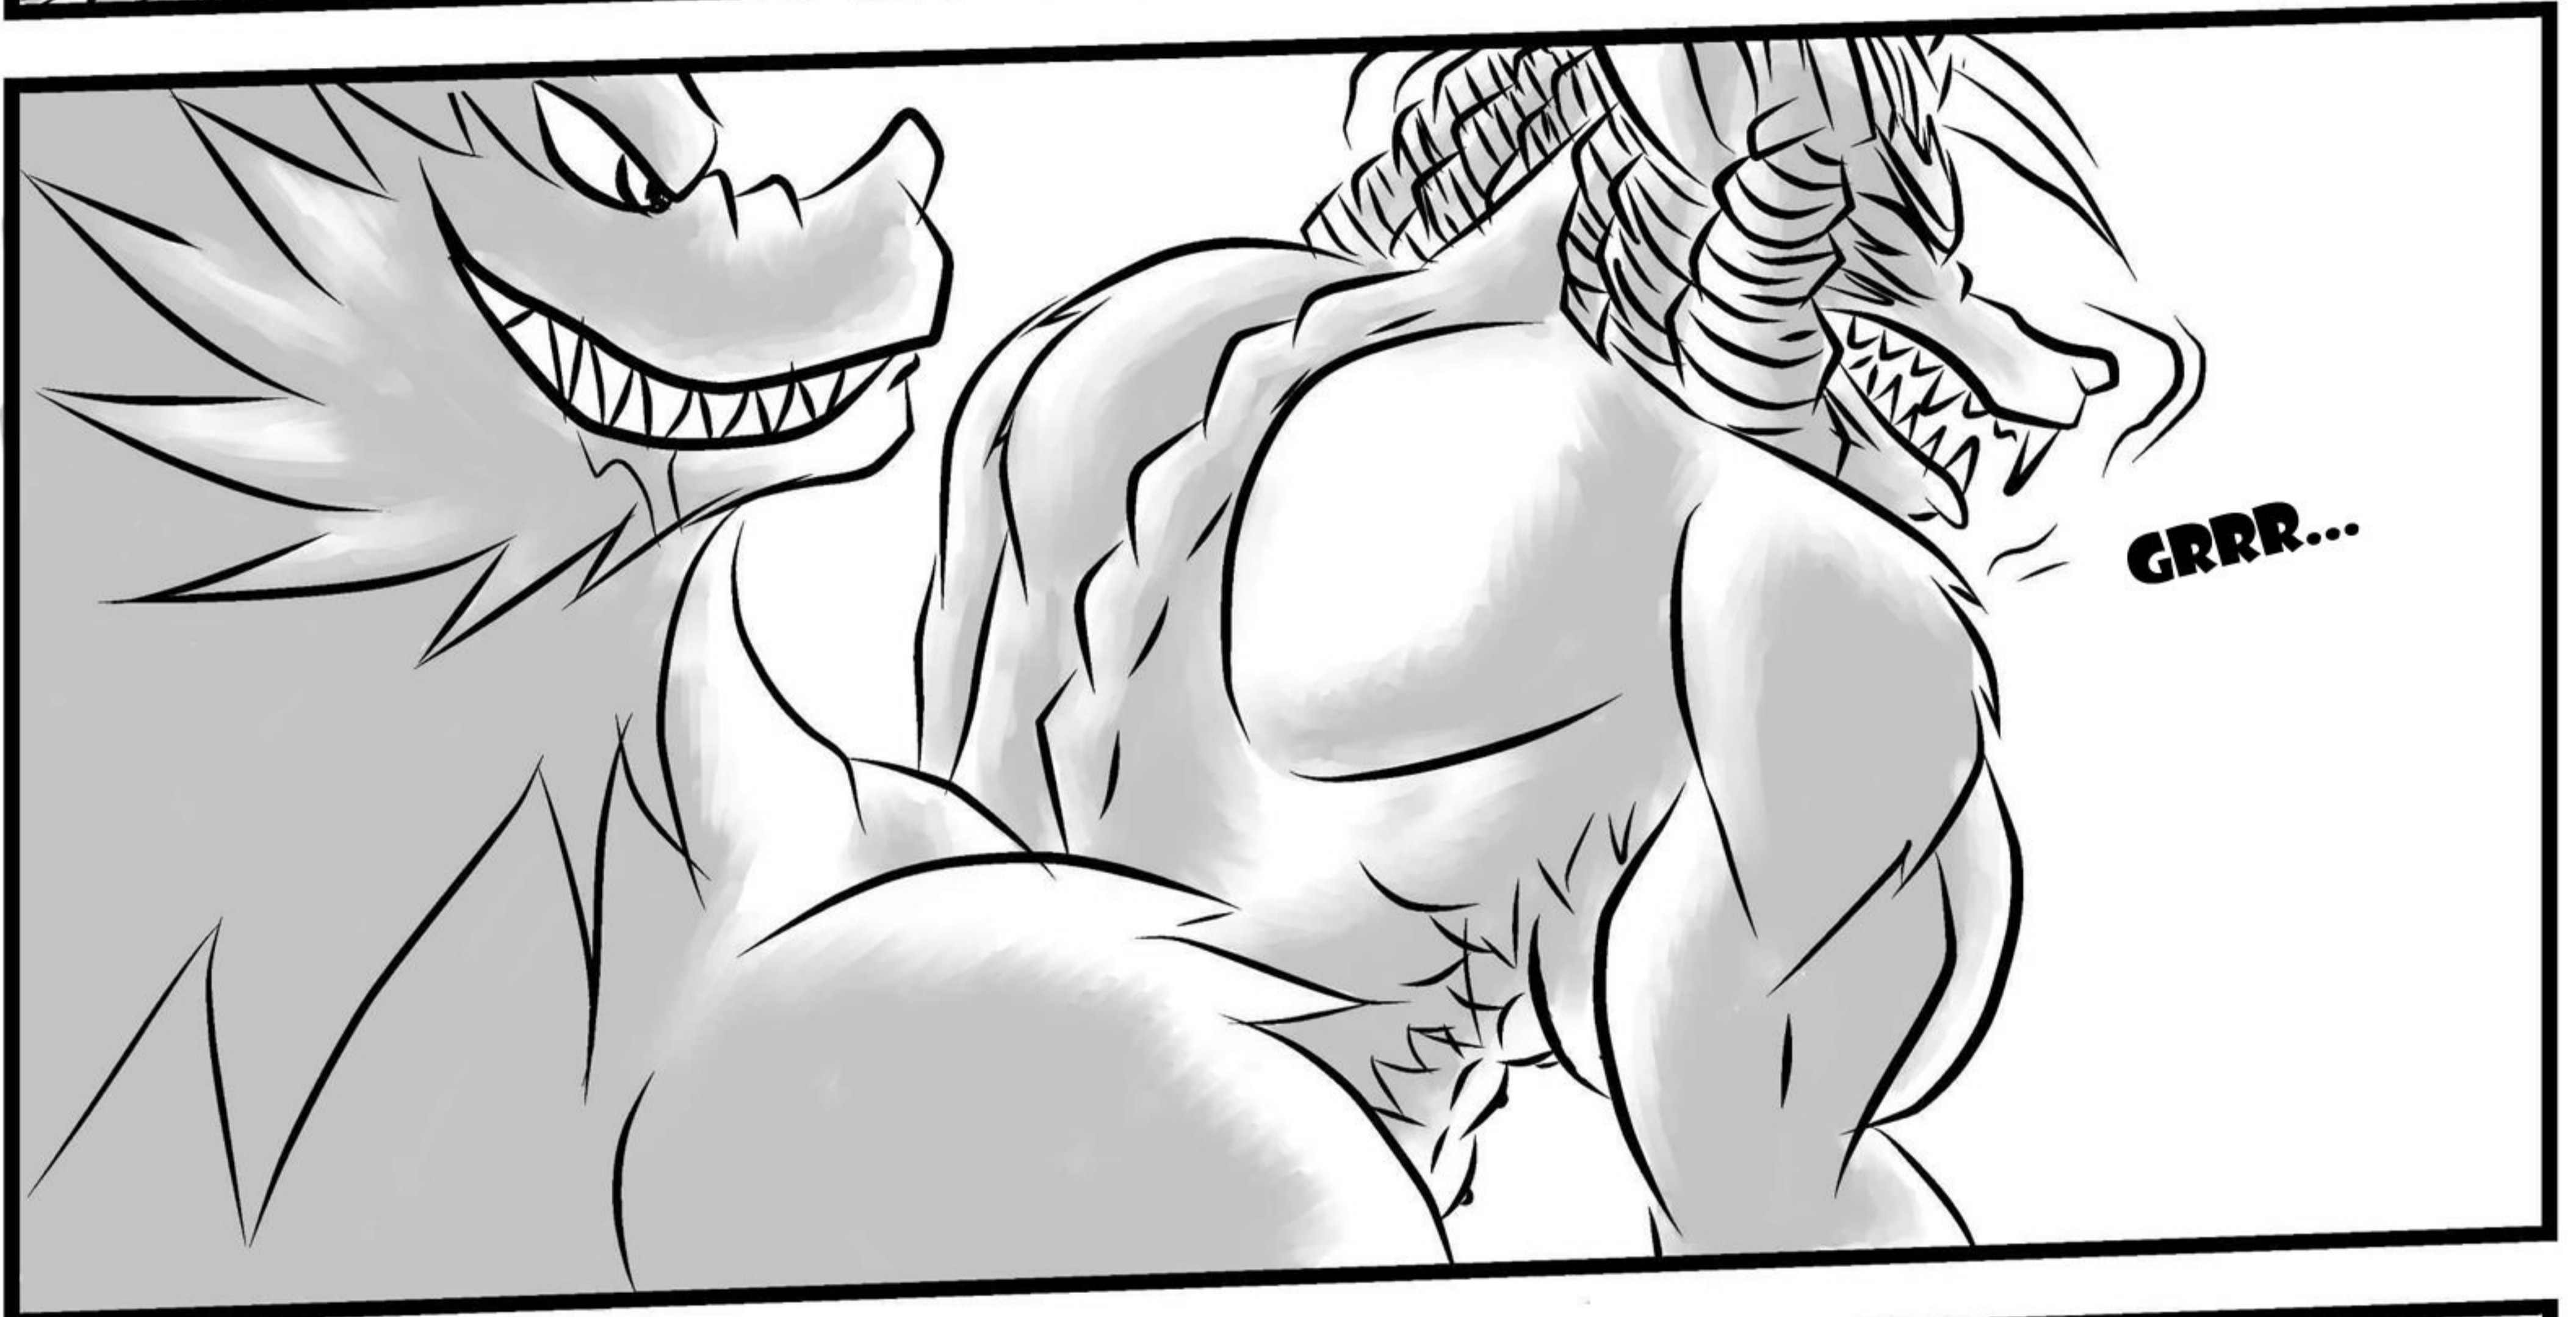

UH...

UH...

UH...

AAAARRROOOWWW...
