LOST IN THE DUNGEON: KEYS AND CURSES

An experienced group of adventurers has tracked down Elandris, the faerie princess, on their quest to put an end to the faerie menace once and for all! Unfortunately, she turns out to be more powerful than they had expected.

So, they settle for a deal. If the adventurers can make it through her dungeon of riddles and puzzles, Elandris will answer all of their questions. And, as a bonus, they can keep everything that they find within the dungeons.

However, while the adventurers are thinking of loot, their faerie foe has something else in mind...
