I'm so  
scared,  
Grace!

I thought  
this was  
going to be  
a fun trip.

But  
now we're  
going to die...

It's okay dear.  
Everything will  
be fine.

You don't have  
to be afraid,  
it's just an  
unexpected storm.

Oh no,  
no baby.

We aren't  
going to die.

Jeez!  
A really  
bad storm.

I hope our  
urgent help  
request was  
delivered.

Calm  
down baby.  
It was just  
lightning...

FUUUCK!!!

OH NOOOO!!!

WE ARE GOING TO DIE...

Fuck!  
The storm is getting stronger.  
God,  
I should have heeded the weatherman's warnings.  
Ok!  
Just in case....

UH!!!

OH  
MY GOD!!!

God  
help us!

NEIL,  
NEIL! HOLD  
TIGHT!!!

WE  
ARE GONNA  
DIE!!!

OMG!  
HONEY!

NOOOO,  
NO HOLD  
ON BABY!

The morning after the storm.

As soon as *Grace* realizes that everything is in shambles, she goes with Neil to the wheelhouse.

Having completely lost control of the yacht, *Grace* is startled by a loud noise.

The yacht has hit the rocks and starts to take on water.

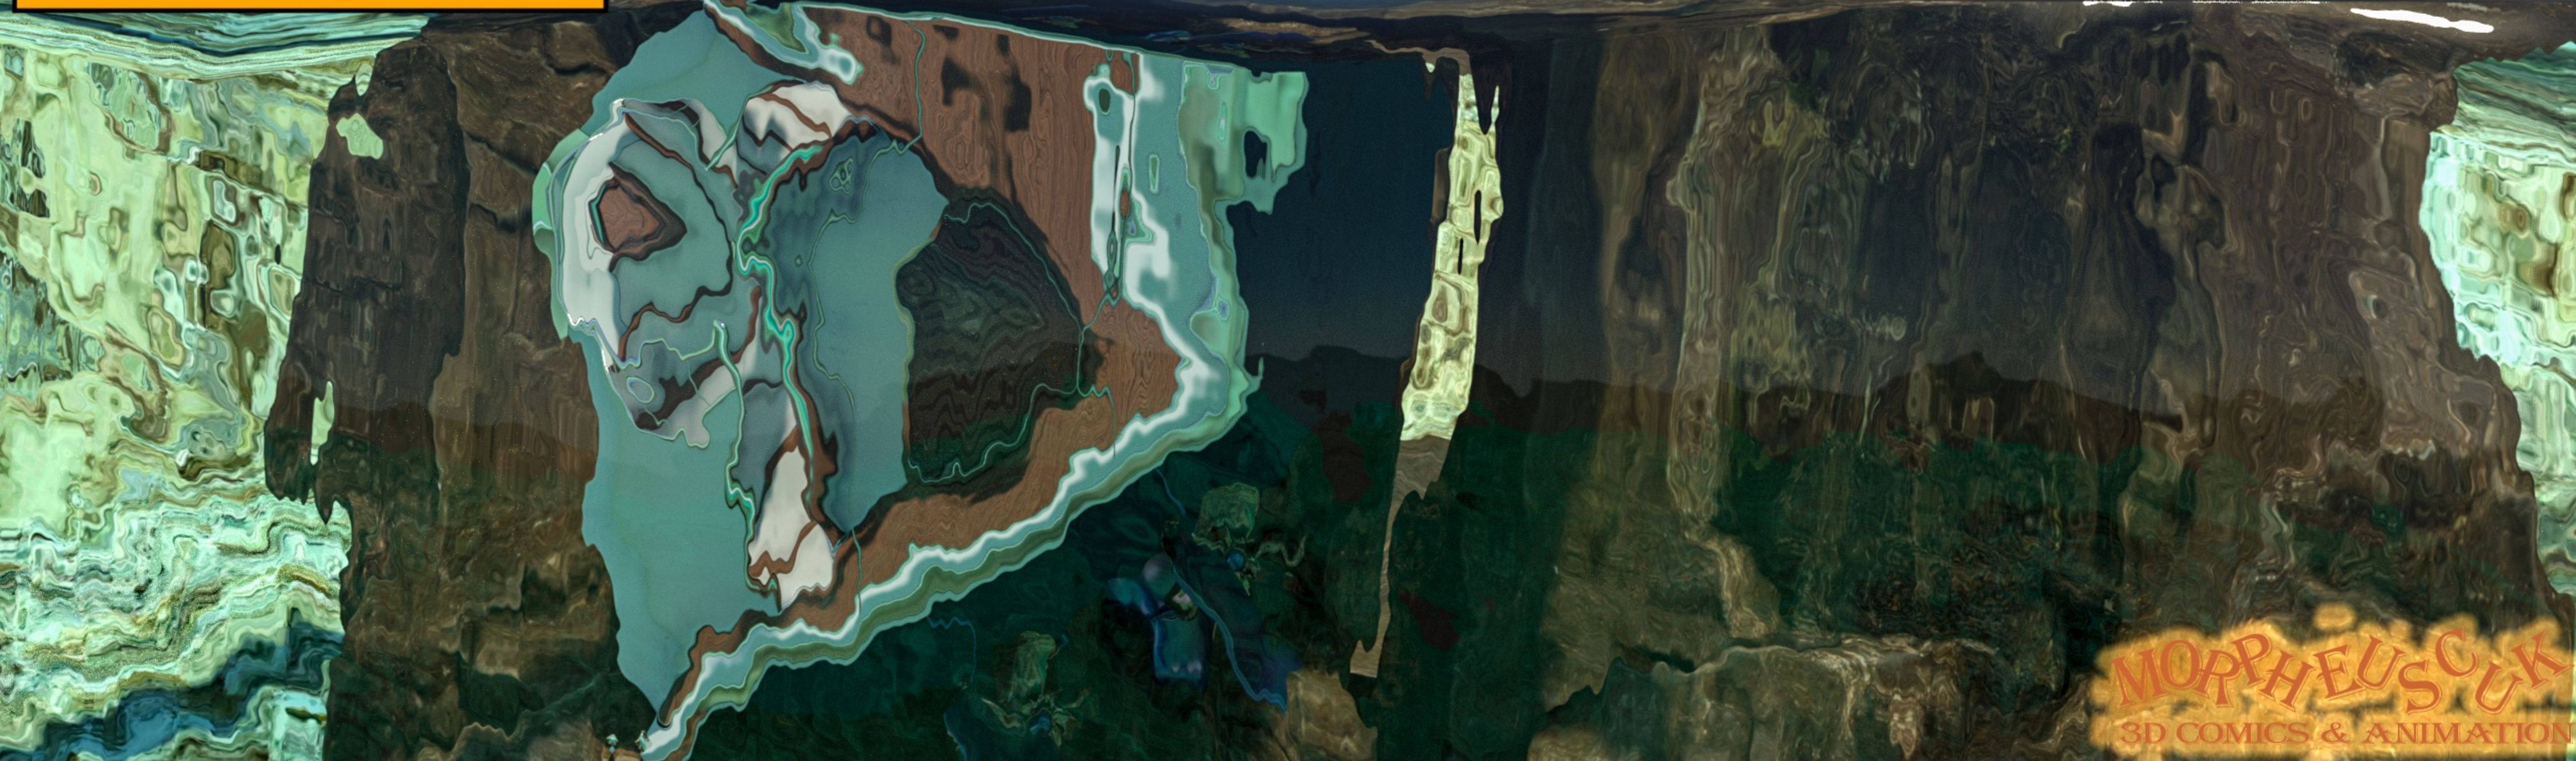

Grace tries to prepare the inflatable raft tied at the back of the yacht, but to no avail.

All systems are down due to a malfunction with the electrical system.

As she tries to manually launch the inflatable raft, she hears Neil's screams and is forced to go back to him.

After staying up all night, Grace gets tired and falls asleep in the wheelhouse with Neil.

More than half of the yacht has been submerged and is sitting on the rocks.

Meanwhile, Grace feels the light of day on her face and begins to wake up.

Just as she is about to wake Neil, she notices her own breasts sticking out of her clothes.

Jeez!  
I hope Neil  
didn't see me  
like that.

Fuck!  
What a terrible  
night it has been.

Neil,  
honey  
wake up!

Everything  
is fine, there is  
nothing to be  
afraid of.

Mmm...

OMG!  
Honey  
wake up!

I see  
an island!

# DAY 1

Grace takes the inflatable raft and they finally make it ashore.

They have very little supplies or food.

Grace isn't entirely sure that her distress call reached the mainland.

Neil has a very impressionable temperment. He loves women and sometimes they use him for their own advantage.

Neil, just turned 19, and has difficulties communicating with girls his age because he looks younger than his peers.

However, he has one feature that would stop all of those problems...

Grace is an extremely attractive woman who is 38 years old and married young. She is as wealthy as she is beautiful and enjoys sailing on the open seas with her favorite yacht.

Grace loves her family and seeing Neil's troubles with girls is one of her greatest concerns.

Damn it!  
I ruined  
everything.

It shouldn't  
be like this.

God,  
I hope our urgent  
message was  
delivered.

Oh My!  
How am I going  
to explain  
this situation to  
Neil...

Grace,  
where the hell  
are we now?

You told me this  
trip would be  
so much fun, but  
now look at us!

Also,  
why do we out  
to sea in  
stormy weather?

Are you sure?!

I'm so sorry honey.

I didn't know it that would happen.

Don't worry, a rescue team will come and pick us up soon.

Yes! Don't worry! Everything is gonna be okay.

Come on, help me, let's bring a little bit of what we saved ashore.

I have to  
find something  
to keep him busy.  
Hmmm...

Think about it this way?  
From the looks of it,  
we may have discovered  
an island paradise.

Maybe this  
little adventure of  
ours will be fun  
until help arrives.

Honey?  
Are you  
still there?

UH!  
Omg!

Neil had never really noticed how good Grace's big round ass looked before, but now he couldn't stop staring at it.

However, after a brief lull, Neil came to his senses and continued helping bring stuff ashore.

Fuck!  
Help should have  
arrived by now.

God!  
I guess our distress  
signal didn't work...

Give me strength,  
Lord. I do not know  
what will I do.

Grace!?

Yes honey!

Why hasn't help come yet?

Are they really coming?

Yes baby!  
Of course  
they will come,  
but it may take  
some time.

Don't think about  
that too much.  
Think of this like  
we're on vacation.

It's about  
to get dark,  
so we both need  
to work together.

You will  
go and collect wood,  
so we can make a  
fire and cook food.

Just in case,  
I will try to set  
up a tent so that  
we can sleep  
comfortably  
at night.

So I will go to  
the yacht and see  
if there are materials  
to set up a tent.  
Agreed?

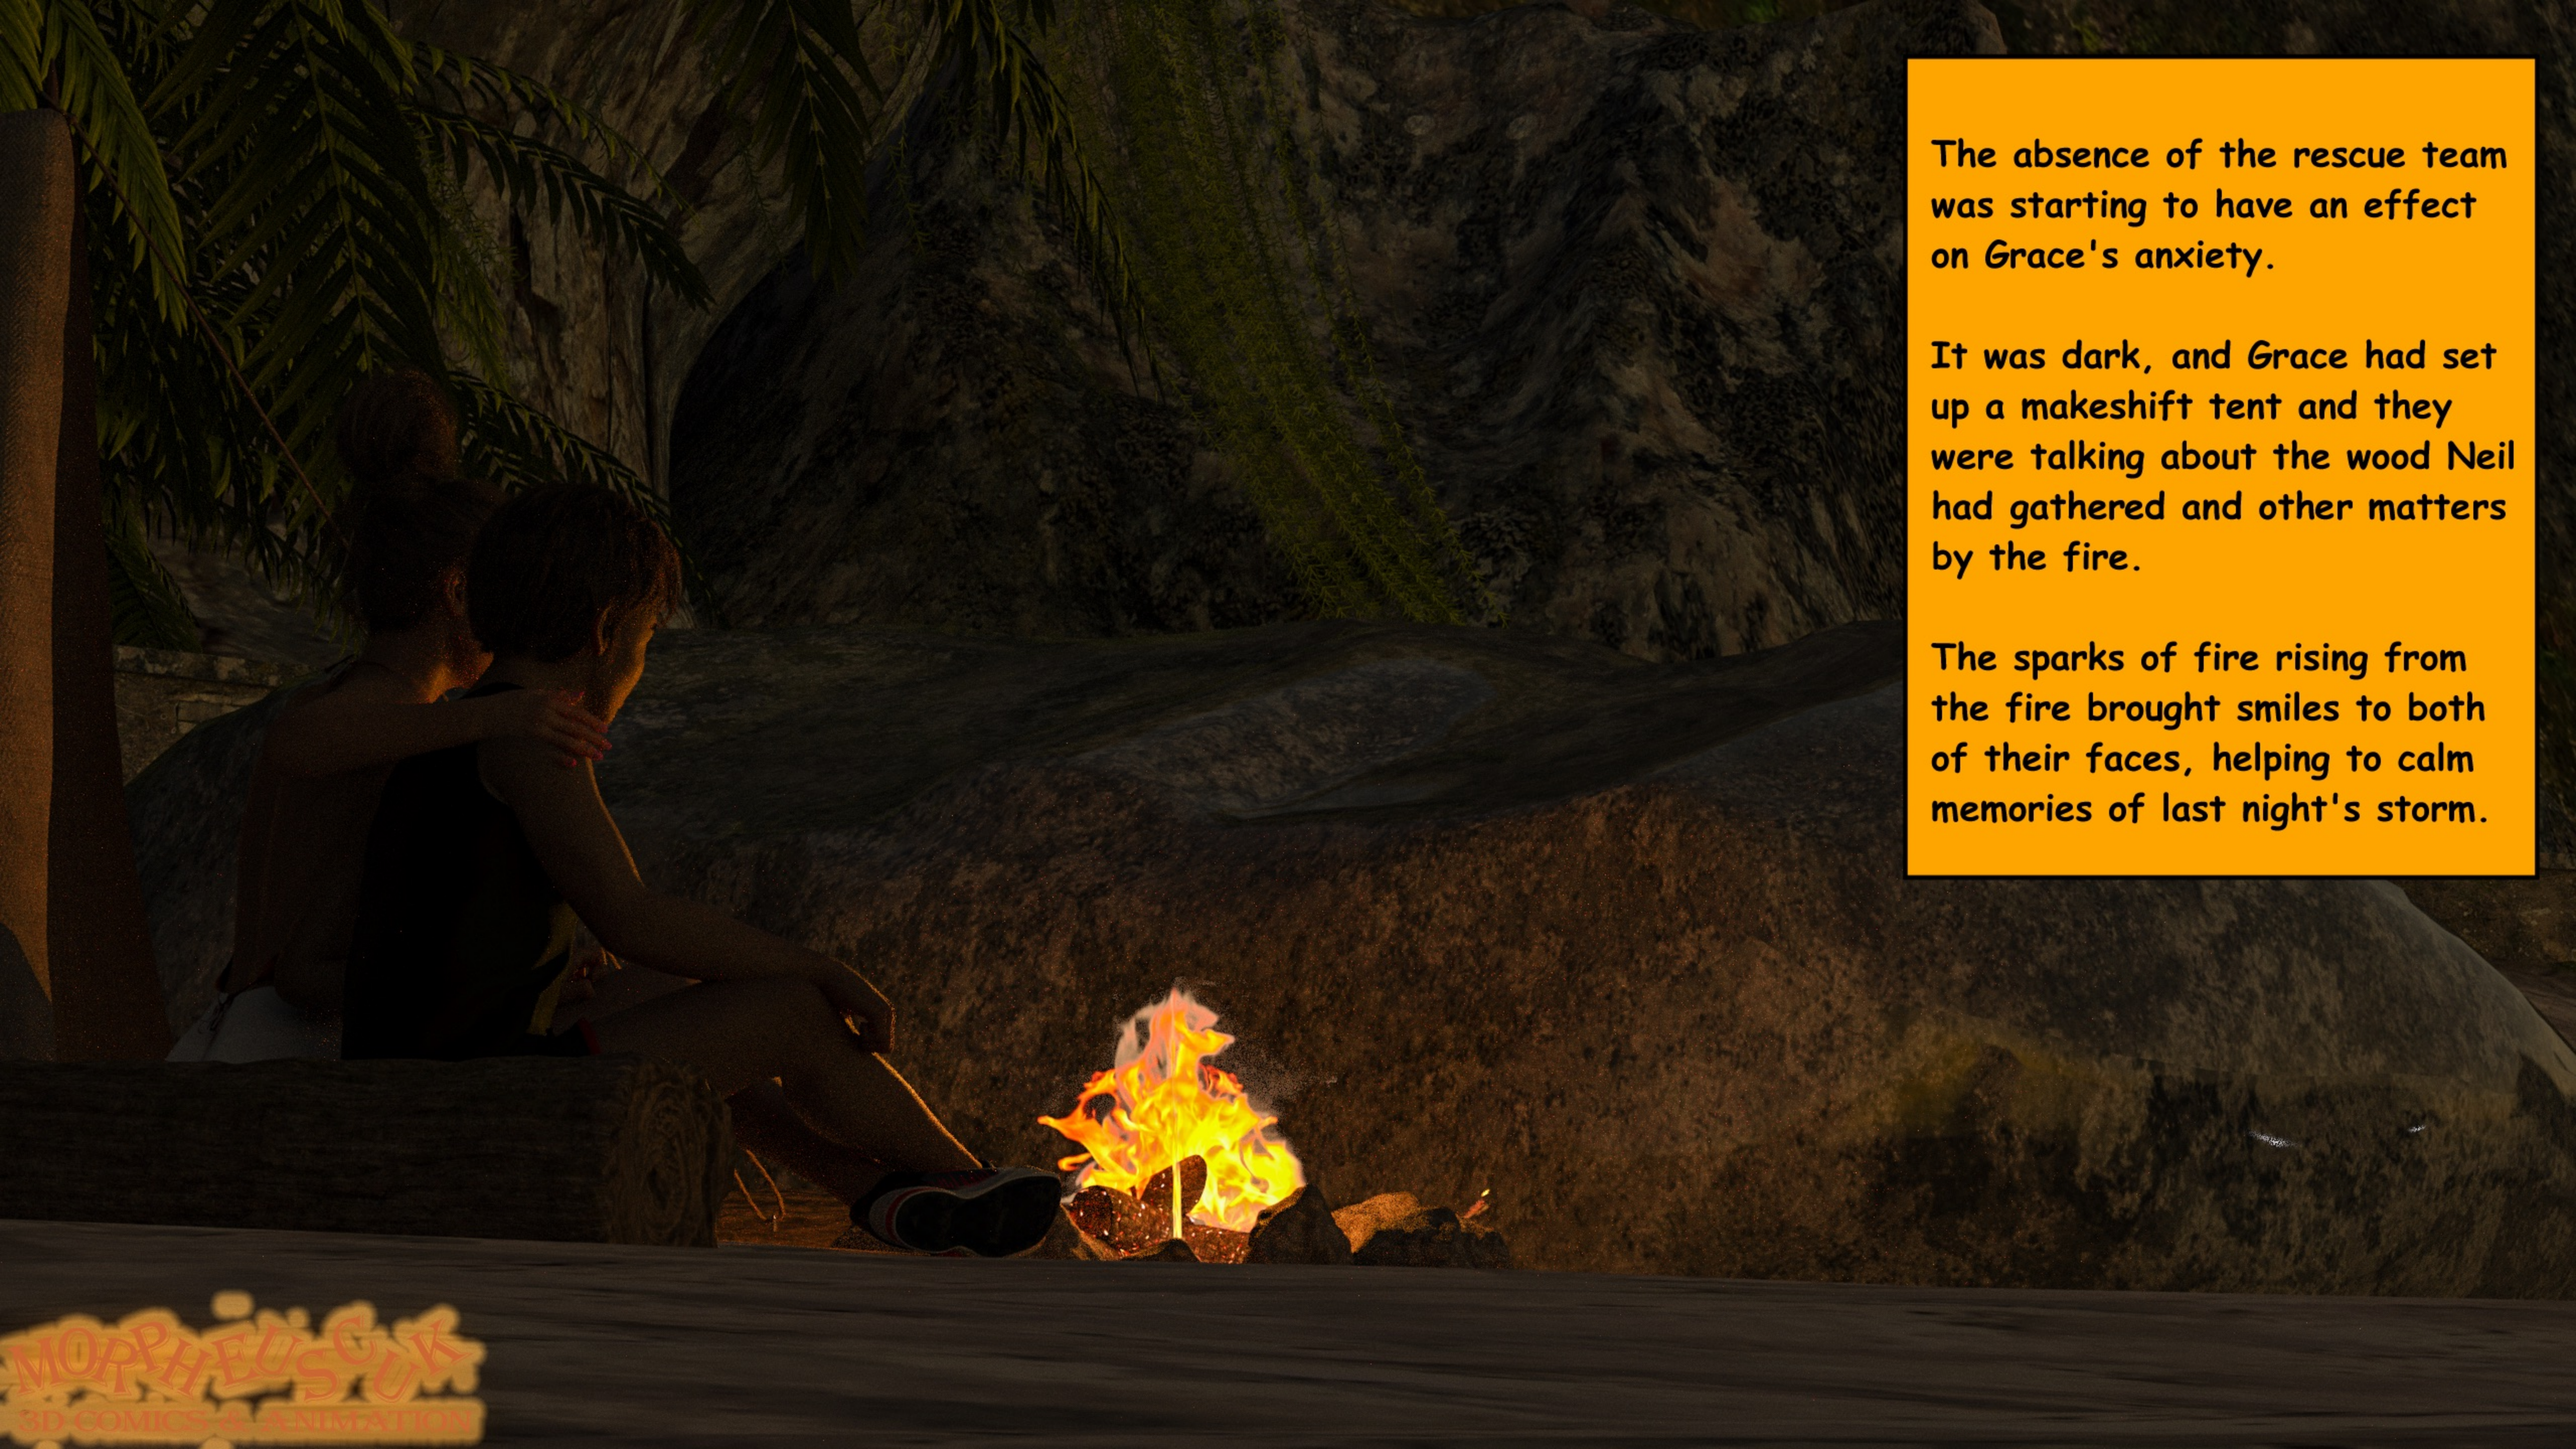

Okay  
Grace.

But don't  
go too far,  
okay?

Okay,  
I promise.

Good!  
Let's get  
to work...

The absence of the rescue team was starting to have an effect on Grace's anxiety.

It was dark, and Grace had set up a makeshift tent and they were talking about the wood Neil had gathered and other matters by the fire.

The sparks of fire rising from the fire brought smiles to both of their faces, helping to calm memories of last night's storm.

Wow!  
I have never sat in  
front of such a fire.

I didn't  
even think  
about that  
before now.

We would all  
just relax and  
talk about how to solve  
all of life's problems.

We can call  
it a campfire.  
When I was your age,  
I often went camping  
with my friends.

Sounds like  
it was a  
lot of fun.

The good old days!  
But now the two of us  
are sitting in front of  
a campfire again.

Do you have  
any problems  
you want to solve?  
We have nothing  
but time.

Really?  
Actually, there are a  
few things on my mind,  
but they are  
embarassing...

Heeey...  
Don't be shy!  
Come on tell  
me about  
your problems.

I can't communicate with my friends who are my age properly.

I turned 19, but no one takes me seriously because I look younger.

I'm upset because I can't girls to notice me.

Oh honey!

Do  
you really  
think so?

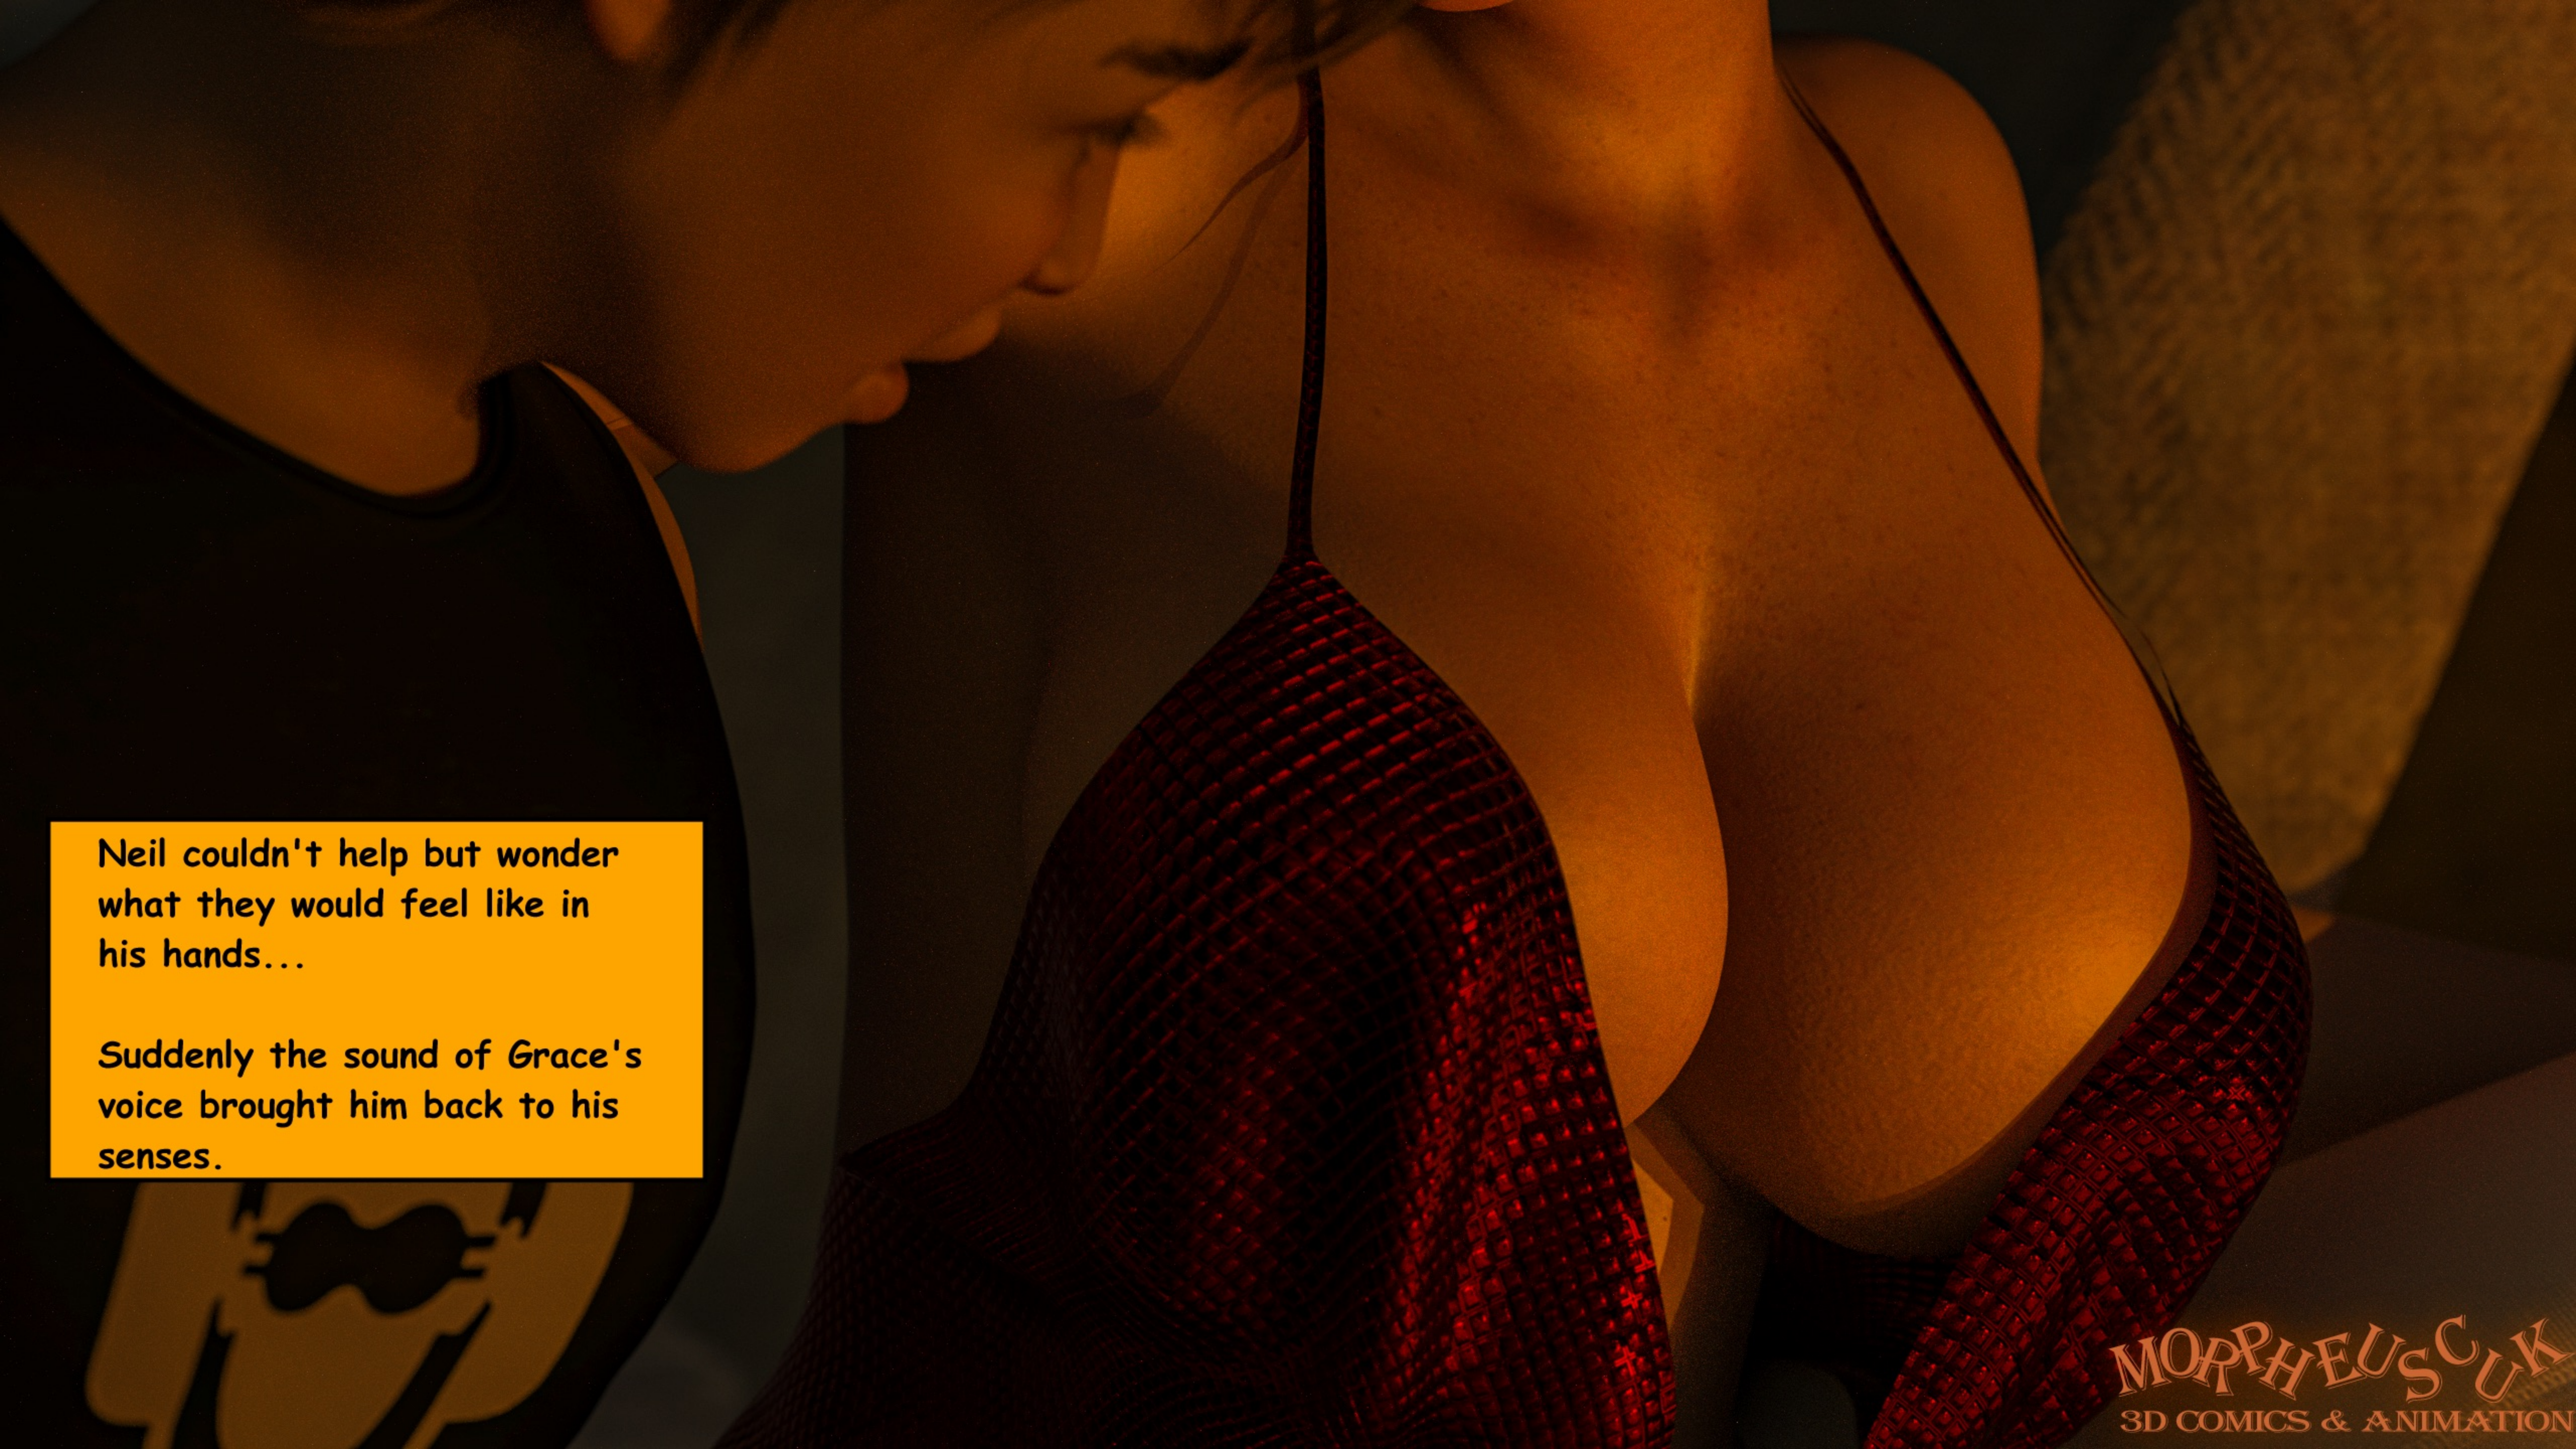

You have to leave  
some things to time.  
Besides, looking  
young isn't  
as bad as you  
think.

You also  
exercise regularly  
and take care  
of yourself.

I am sure  
that your friends  
are just jealous  
of you.

Just as they were having a nice conversation, Neil's eyes suddenly made contact with Grace's large breasts.

Neil couldn't help but wonder what they would feel like in his hands...

Suddenly the sound of Grace's voice brought him back to his senses.

Yes honey!  
Trust me you are  
a very handsome  
young man.

One day,  
the girls will be  
lining up to  
date you.

I bet there is  
something about you  
that they will find  
really special.  
Just  
take your time  
and live your life.

Wow!  
I loved this  
campfire chat.

Now  
I feel  
better.

Nice!  
Now we do  
it more often.

Now  
Let's get  
some sleep.

# DAY 2

As the sun's light and warmth hit Grace again, a brand new day begins.

As she wakes up, Grace begins to think the rescue team won't be here for along time.

She decides to explore the island more today.

Awwwww...  
My dear!  
What a great  
sleep.

Okay!  
It's time to quietly  
look for something  
to eat...

Quietly exiting the tent,  
Grace goes on a scouting mission.

Her aim was to find something  
to eat, but she couldn't believe  
the beautiful sight in front of her

Grace, was overcome by the a feeling of calm and wanted to feel the water against her skin. Grace knowing that Neil wouldn't wake up for some time decided to take the time to relax.

Stripping down,  
Grace let the  
water envelop  
her.

Grace felt refreshed as the dirt washed off of her soft skin.

Omg!  
Awesome...

Oh God!  
I'm starting to  
like this place...  
Wherever we  
are....

I have to tell  
Neil about this.  
Neil!?

Fuck,  
I was so focused  
on myself that  
I forgot about Neil.

I have to find  
something for  
us eat...

Oh no!  
I don't have  
a towel...

Fuck!  
My wet body...  
My clothes...

Okay!  
At least the  
sun is up...

It won't take  
long for me  
to dry...

Mmhhh...  
The sun feels  
so good against  
my skin....

Grace intended to use the sun's heat to dry herself, but was now focusing again on her own body.

Neil, also waking up to the hot sun, looks around and can't find Grace.

He becomes concerned and starts to try and find her.

After a long walk, he finally finds Grace, but was shocked by what he saw.

For the first time in his life he witnessed the beauty of a naked woman.

Meanwhile, Grace was so relaxed she didn't hear Neil approaching.

Neil not sure of what to do, hides behind a rock and continued to take in the sight in front of him.

Omg!  
What a  
wonderful  
body.

Wow!  
Grace has such  
a beautiful round  
ass.

Grace, immersed in the warmth of the sun, suddenly forgets everything. She felt caressed by the sun and air around her. Neil started to feel something he had never felt before. He had seen Grace's round ass in her clothes before, but never really noticed anything special about it. He had seen her large breasts in the same way, but never had feelings about them like this before.

But now seeing Grace nude in front of him like this... Hormones took control and he felt his dick getting hard. His shorts began to tighten as he began to feel uncomfortable. How could he be getting hard looking at his is Grace?

Grace was almost completely dry now. She wanted to enjoy this moment for as long as she could. Neil had two thoughts cross his mind. Forget what he saw and go back to camp, or to not deny his desire and pleasure himself. Neil succumbs to his hormones and can't keep his big dick in his shorts any longer. He starts to masturbate looking at his Grace's naked body.

Neil succumbs to his hormones and can't keep his big dick in his shorts any longer. He starts to masturbate looking at his *Grace's* naked body.

Oh God  
damn it,  
Grace

I never realized  
how sexy you  
are...

Oh yes!,  
Yes Grace!

I want  
to see  
more!

Come on!  
Spread your  
legs a little more...  
Let me see your  
pussy...

picture of this  
moment...

Yeah! Damn!  
How sad that  
I don't have my cell  
phone with me...

God,  
what a peaceful  
sight.

Wow!  
I never thought  
the water flowing  
from the waterfall  
could be so  
relaxing.

Oh Fuck!  
Don't change

didn't see me.

I have to get  
back to the  
beach before  
I'm seen...

Neil couldn't help the noises he made, but thankfully they were muffled by the wind.

However, Grace became uneasy by the strange noise and decided it was time to go back to Neil. She then quickly put on her clothes and ran back to the beach ...
