Oh My!
He's
awake!...

Was
that strange
voice I heard
his?

Impossible!
Also, if he
saw me naked...

No,
no no...

It definitely
wasn't him...

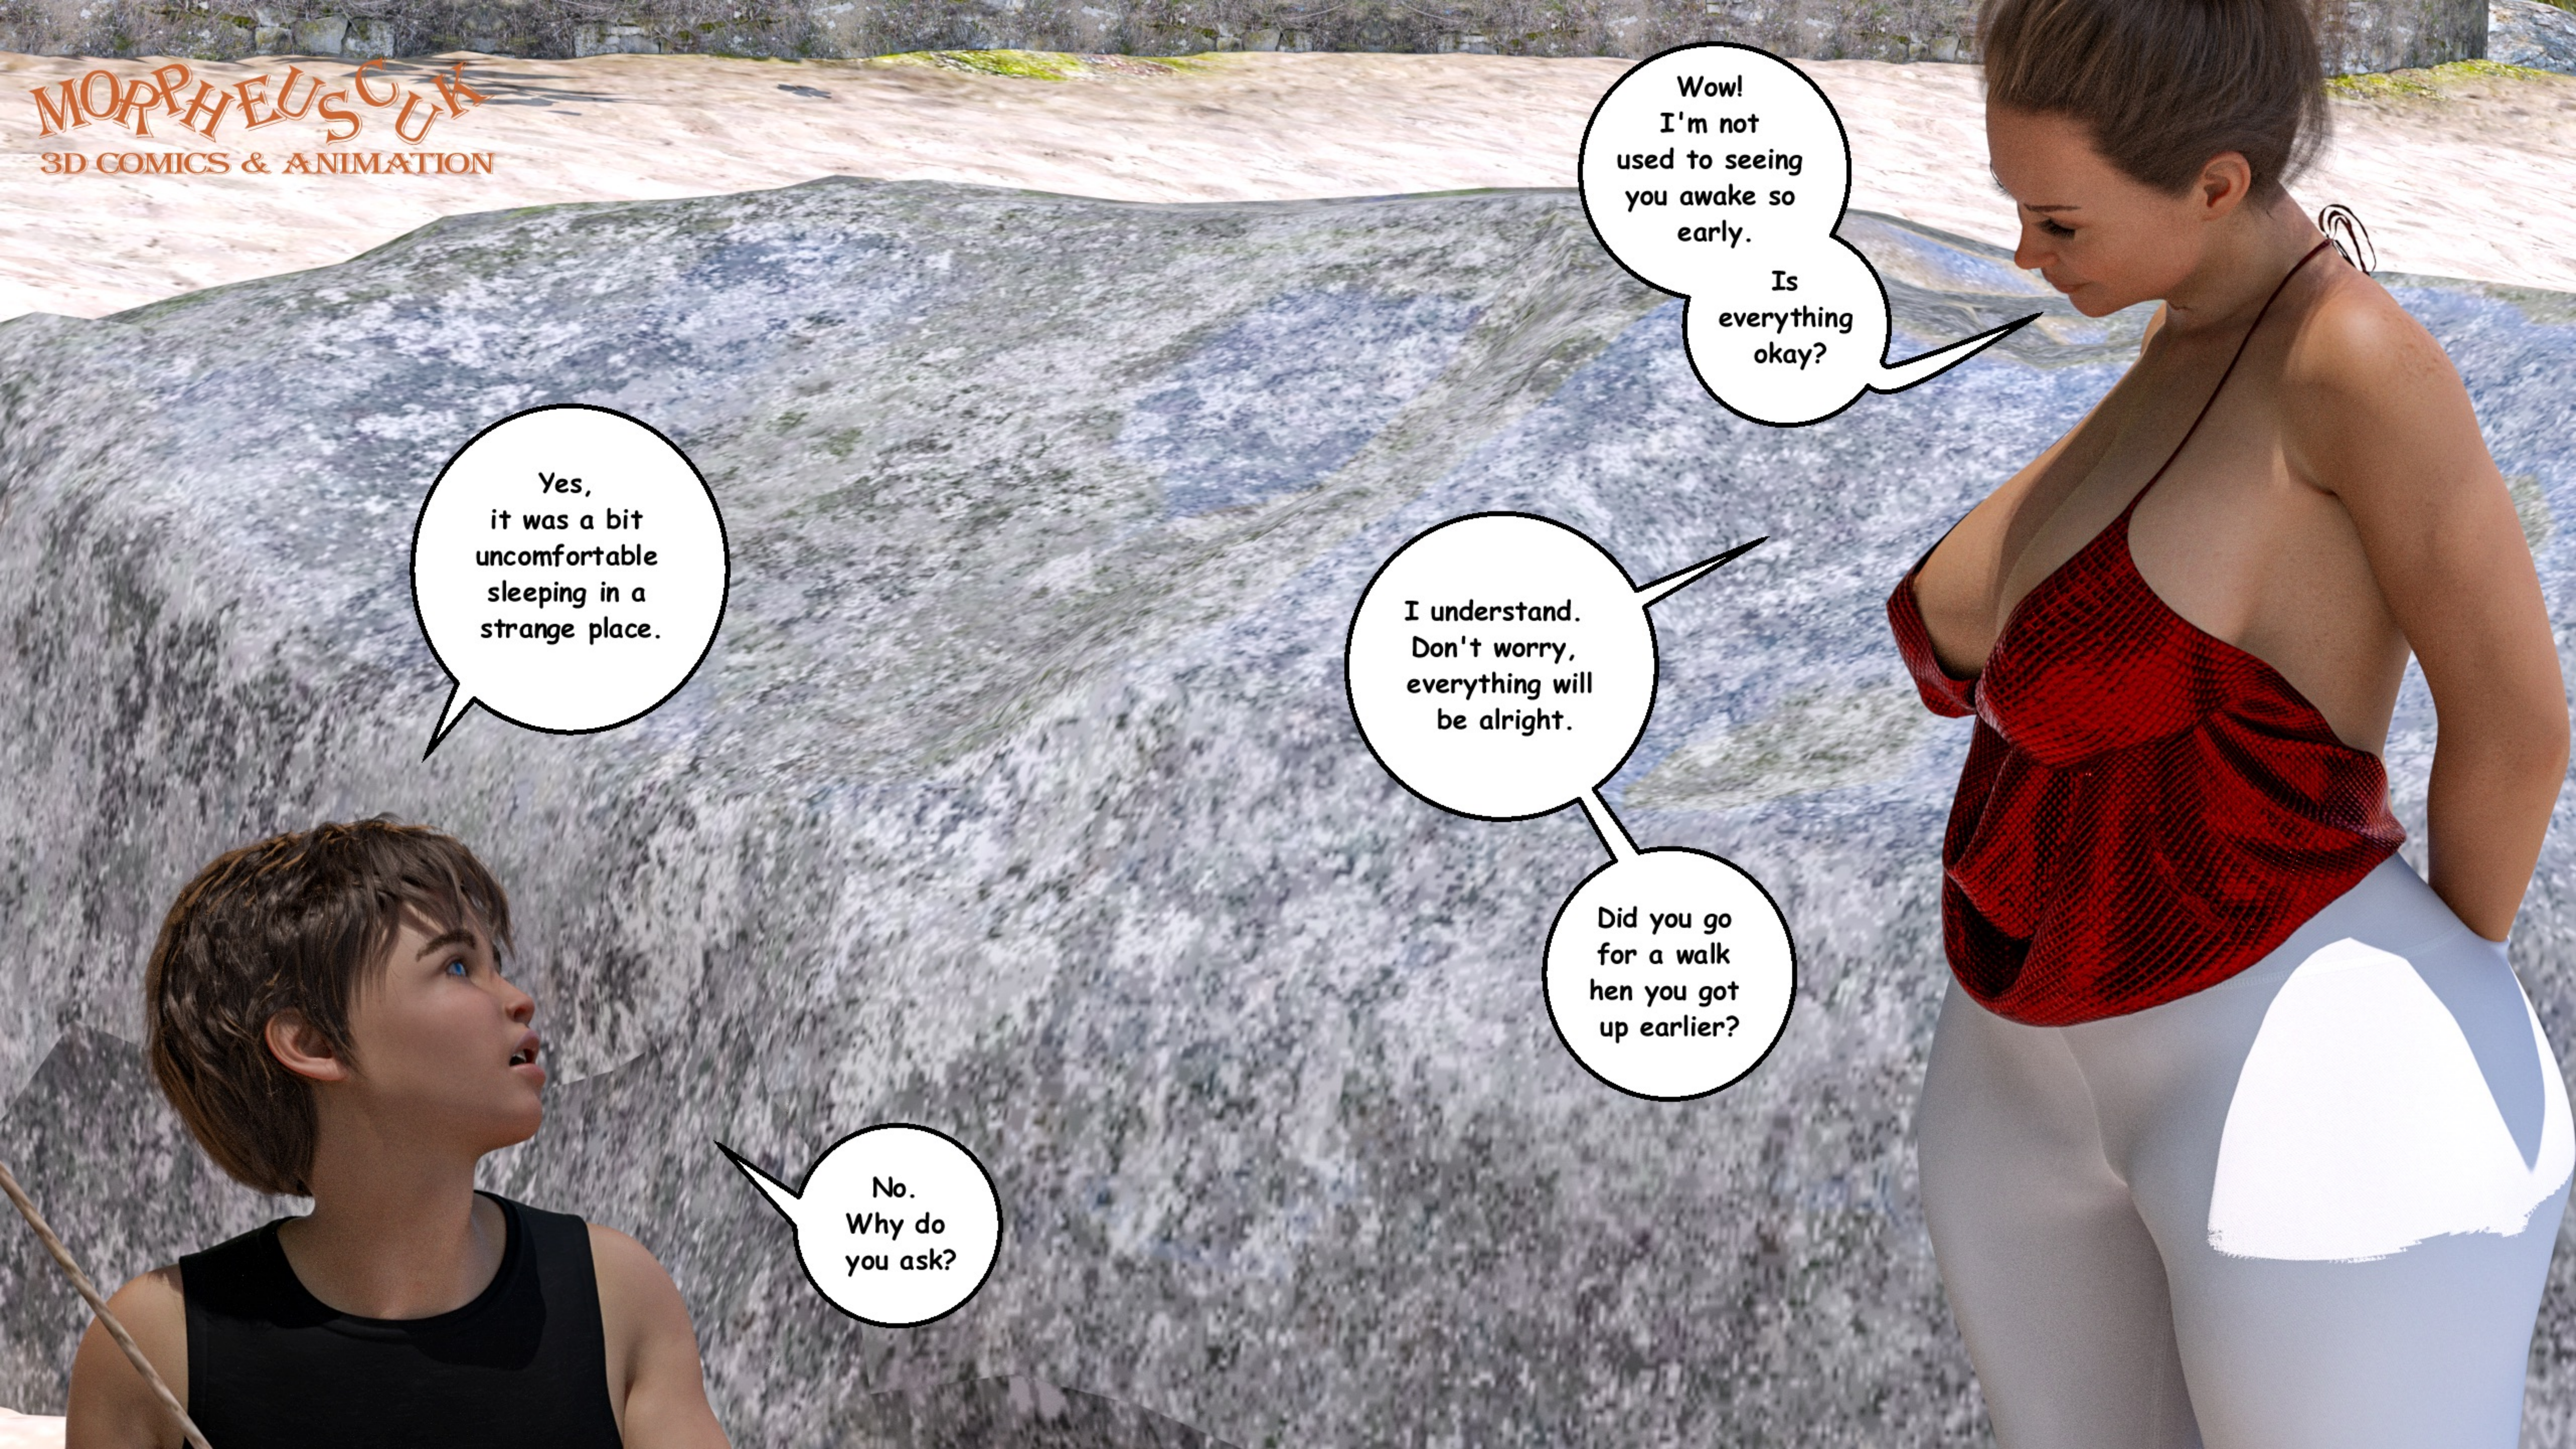

Yes,
it was a bit
uncomfortable
sleeping in a
strange place.

No.
Why do
you ask?

I understand.
Don't worry,
everything will
be alright.

Did you go
for a walk
hen you got
up earlier?

Wow!
I'm not
used to seeing
you awake so
early.
Is
everything
okay?

I was just wondering.

So, I guess it will take some time for the rescue team to arrive.

I wandered around a bit and realized that we were on a beautiful island.

If you want, we can enjoy exploring this beautiful island together. How about we go swimming first?

What do you think?!

Sounds great...

Great!
You can take your
clothes out of
the suitcase and change
behind that rock.

Let's meet here
again later.
Okay?

Oh!
Her big
tits!

Omg!
I hope she
brought her bikini.
I want to see
them in that.

Honey!?

Huh!

Are you okay?

You suddenly became very quiet!

Oh yes! Yes, I'm fine.

I'm going to go change my clothes...

OMG! Her big tits are bursting out from her clothes again...

Wow! Wonderful...

Sweetie!
Aren't you
dressed yet?

What
are you doing
over there?!

I'm coming
right now...

I think
my swimsuits
are too small
for me now.

OMG!
Holy shit!!!

Wow!
Look at how big
Neil's penis is...
He isn't even hard
right now...

Fuck!
He really
is a man...

Uh!
What am
I doing?!

I'm ready too.

Oh good!
good.
Let's go to
the seaside...

Ok!
Let's get
that sight
out of
my mind...

I'm going to have
a nice day and
pretend like I've never
saw anything...

Is everything okay?

Yes. What happened?

I don't know, you seem a little distracted.

Oh yes honey. I was thinking about the rescue team.

Don't worry. They will save us soon.

Yeah! I hope they get here fast too.

Don't worry, they will come. Let's enjoy this beautiful island until they get here.

Think of it like a vacation!

Honey!
You better get
the inflatable
raft ashore before
it gets dark.

I can't pull
it ashore alone,
you have to
help me...

Of
course!

Grace's
really has a
beautiful ass...

I'd better
stop looking at it
before my dick
gets hard.

What
I wouldn't give
to just squeeze it
right now...

Yup!
We can just
stay in our
tent if something
happens.

Looks good here.
We don't need
to go too far.

Oh that's a good point.
If the rescue team
doesn't come today,
we have to build ourselves
a better place to stay.

Build?!

Yes dear.
In a possible storm,
the tent I made out of
that piece of cloth
won't do much.

Wow!
Just like in
the movies.

Haha! I like it.
Two people
stranded on
a deserted island
fighting for their lives.

Yes,
but our current
situation
is like a movie...
I hope
scary creatures
don't appear
on this island.

What?!
Hahaha...
Honey, you watch
too many movies.

God!
They only happen
in movies.
Don't worry,
there won't be any
scary creatures.

So what do
they do to
survive in those
movies?

AFTER A WHILE...

There is another movie I like too, should I tell you about it?

Woow!
I wish I had watched those films.

It would have been very useful for our current problems.

Maybe later, honey.

Actually, thanks to those movies, you can help me more!

Uh!
How?

You
know what to do
under difficult
conditions.

You must have learned
about what types of
wood can be burned,
where to find water
to drink, how to
fishing and explore.

In other words,
you will find
the materials
needed for building
our new shelter.

Sounds fun.
OK!
I'm in!

Nice!
Before the sun
goes down, we'll
explore together and
gather supplies.

You know
my skin is
very sensitive
to the sun.

Can
you help me
apply sunscreen?

Of
course!

Oh!
I wish I had
wished for
something else.

Wow!
I had the opportunity
to touch her wonderful
body...

I hope
she doesn't
see my dick
get hard...

I have
to think of
other things...

Oh wow!
What soft and
smooth legs...

God! I can't stop
looking at her pussy
looks even though
she's in a swimsuit.

I want to touch
it without making
it obvious...

Fuck!
So warm...

Damn!
I have to think
of other things
before my dick
starts getting
hard...

Shit!
Now I get to
touch those
big tits....

Thank
you dear.
I'll take care
of the rest.

Mmmmmh!
She isn't going
to stop me now.
Hmmm...

You forgot
your back!
Won't the sun
damage your
back?

Of
course!

Uh! Yeah!
You're right.
I think I'm going
to need your
help again.

You
will help,
right?

Please
God!
Please!

Let it be a miracle
again and she
won't tell me to stop
when I get to her ass!

Oh Shit!
Oh Shit!!!

I'm touching
Grace's ass!

Baby,
can you finish
a little faster?

I feel
a little
strange...

It's almost finished. I think I got everything covered with sunscreen...

Yes! Thank you very much dear.

Oh honey,
I'm going to ask
you something,
but I'm
embarrassed.

Please!
I do what
you want...

I think I strained
my back a lot in the
storm and it hurts a lot.

Can you do
a little massage
on my back
before we go?

Of
course!

You're
welcome.

My back hurts when
I stand sideways.
Can I get behind you?

Thank you
very much.

Of
course, baby.
Why are you
asking?

Whatever
makes you
more comfortable
dear.

How am I doing?
Does it feel good?

Yes,
you are great.

Where did you learn to massage like this?

I learned from the movies I watched.

Oh Shit! My dick is starting to get hard...

Mmmmhhh... I guess I won't be mad at you for watching too many movies anymore.

Oh yes! You can just rub that spot...

Honey!
Why did
you stop?

Fuck!
What will
I do now?

She can't
see me with
a hard dick
right now!

Oh...
I will
continue...

I think you
should relax
more...

Hmmmm...
Yes you found
exactly the right
spot.

Keep
scrubbing
please...

Damn!
My dick is on her big
round ass right now...

oooooooo

Huh!
Looks like
she doesn't
notice my dick...

God!
Your hands are
like magic.
The pain in my back
is gradually
disappearing...

Holy Fuck!
What a great
feeling...

God!
I cant
believe.

My hard cock
is rubbing against
Grace's ass...

Wow!
Wonderful!

Please don't let this moment ever end...

God! If rubbing my dick on her ass feels this good...

I wonder how would it feel to put my dick inside it?!

Huh!

Babe! I told you my back hurts.

Why is your other hand on my butt?!

Well...
Emmm...
I saw it in
a program
I watched.

I can
stop if you
don't want
me to.

Oh no!
The pain in my back is
gradually decreasing.
Whatever you are
doing is working well.

It seemed a little
strange to me
that your hand was
on my butt.

Mmmm...
Fine.
Go on,
please.

It helps to relieve the
pressure on your back.
I saw it in a video once.

Damn!
I'm so
clever!

Ok!
Today must
be my
lucky day....

I'll have to
savor the moment
and find a way
to do more...

Oh My!
I am losing
myself.

Fuck! I can't
stand it any longer...
I need to cum...

His hand
feels like
a hardened
penis.

So weird!
I think I'm losing
my mind again.

After all, Neil
wouldn't want to
grab my butt...

I should tell
him to stop
now...

It feels
strange let him
touch my butt like
that....

Baby,
I think
that's enough.
My pains is
gone.

There is one
last technique Grace.
I am almost finished...

OHHHHH!
Fuck!
I am going
to cum!
Oh my!

You must
be tired...

uh!

OH SHIT!
SHIT!!!!

What?!
More
sunscreen?!

Damn!
I thought you
were done...

It's a
bit warm...

Oh yes! Yes!
More Sunscreen...
I missed a spot.

Mmmm...
More oil makes
your hand feel
good...

Hurry up Neill!
Hurry up!

But I think
that's enough
now.

I'm
almost
done...

I think you are my professional masseur now...

Oh God! Yes! Honey, thank you very much.

I hope I cleaned it all up...

Okay now. I hope you are feeling better!

Oh Wow! Neill!
We may have uncovered
a hidden talent of yours.

When we
get back, we should
focus on your new
talent.

Yeah!

Fuck
God Damn it!
Now she put
her big ass
on my dick ...

Oh yeah...
I will think
about that...

Now that the
pain is gone,
let's lie down a bit.
What do you say?

Mom?!

You
are very
beautiful.

I don't know!
I just wanted
to say it.

What are we going
to do if we never
get out of here?

Yes
honey!

Oh God!
Thank you.

Where did
it come from?

Wow!
I think this island life
has made you more bold.
I like it.

It's nice
to hear such a
nice compliment
from you.

I don't know.
I think the rescue
team should have
arrived already.

It has
been so
long.

Hey.
Don't think
like that.

We will get
out of here and
go back to our
normal life.

Don't worry!
They'll be
here soon.

Let's find
ourselves
better shelter
to sleep in soon.

Or let's build a
decent house.
What do you say?!

TO BE CONTINUED...

How can we
build a house?!
Isn't that
very difficult?

Got it.
Just like in
the movies.

Baby
don't forget
I'm a civil
engineer!

Not a house
like we live
in at home.

We would use
tree branches,
bushes etc.
It will be a simple
house with
basic things we can
find on the island.

Yes! Let's find the
necessary materials
and start construction
before it gets dark.
