Not everything was fine, however. The storm had swept away their boat and more. Grace awoke to the sun and looked around...

Uh!
Fuck!

Oh
noooo...

Damn!
The inflatable
boat!?

God damn it!
The tent is
also ruined...

Oh
My!

OMG!

Grace, still in shock from the storm's destruction, started to feel something warm against her butt.

Oh
God!

What
a hard
cock...

Fuck!
Come on,
Grace!

Wtff!

Oh my God!
It's so big...

Grace!?
What are
you doing?!

Don't!
Don't touch
his big dick!

Grace!

Wow!
It's so warm
and hard!

Damn it!
Why can't
I stop myself?!

Oh God!
This is
wrong...

Jeez!
What's happening
to me?!

Why do I keep
touching his cock?

Fuck!
This isn't
me!

Mmmhh...

Shit!
He's
waking up!

Fuck!
I hope he didn't
realize that I touched
his cock...

Grace felt embarrassed by her actions...
How could she enjoy touching Neil's dick like that...
Grace decided it would be best to pretend do be asleep.

God,
please don't notice.
Please God!

I can't believe myself!

He is going to wake up with a hard cock.

I should go. I don't want him to feel embarrassed.

After a while...

Deciding that the beach is no longer be safe, Grace tells Neil they should head towards the forest.

Walking deeper into the forest,
they come across an old abandoned
military barracks.

Uh!
What's
this?!

Interesting!
It looks like
an old shed.

Finally
our luck is
turning around.

Yes dear.
It looks old
and abandoned.

Perhaps the military
used it for training.

I wonder
if they have
a generator.

I will
check out here,
you look inside.

But
be careful!

Oh God!
Grace!
It's so dark
in here.

Uh! Here's
something that
looks like a
generator.

Wait
a minute, dear.
I will try to
turn it on.

Nice!
Wwhatever you
did worked.
The lights are on.

Really?
That's great
news!

Yep!
It's so
dirty in here.

It smells
horrible too.

It will
work for
now.

At least we found
a safer place
to spend the night
before dark.

Hmmmm! Yes!
It might be dirty,
but we have no
other choice.

We
will have to
spend the night
here.

I hope
we don't get sick
from all this dirt.

Think positive
please!

The beach is
no longer safe,
we can try and find
new shelter tomorrow.

Well then,
come give me
a hug then.

We can keep each
other warm tonight.

It's
okay dear!
Come here!

Oh yes!
You're right!

Grace,
it's so cold
in here!

I'm
cold...

But...

DAY 3

Omg!

Damn!
This time it's between
my legs and very close
to my pussy...

Oh God!
It's warm
and hard...

Jeez!
I still can't
believe it!

How
can his cock
be so big?!

Damn!
I feel a strange
desire again.

Oh no!
It's happening
again!

I can't contain
myself around
his hard cock...

Mmmmmh....
God!
He has such
a nice big dick!

Mmmmm...
Jeez!
What an amazing
feeling!

Fuck!
With each
passing moment,
I'm getting more
horny...

Mmmmmh...
Yesss...

Owww...
Oh My!

I want to feel
his big cock
inside me...

Omg!
Grace!?

God! Grace,
what are
you doing?!

Grace was enjoying herself with Neil's hard cock, but her actions had another effect too. Neil started to wake up to a shocking surprise.

Wow!
She really looks
like she's
having fun with
my cock right now.

Fuck!
What should
I do now...

Maybe
I should
help her ...

Ohhhh...
Yes...

Okay!
I hope this wonderful
moment won't
be ruined by touching her
gorgeous ass.

I know she
loves the
feeling.

I can feel her
pussy getting
wet...

Oh Grace!
What a great
way to wake up.

It seems you are
enjoying being
awake too.

Uh!
What the...

I don't know what came over me.

Oh baby, I'm so sorry.

Shit! Shit, Shit! What do I do now?!

Uh!

It's ok... I was enjoying it too.

I don't know what is going on with me lately.

I feel the same. I think I'm succumbing to my hormones just like you.

When I see you like this... I just feel like my blood is boiling.

Really? When did this start?

When we came to this island, I started to feel different around you.

Now, when I see you I get turned on... and I can't control myself.

What about you?

I have been feeling strange for the last 2 days.

No matter how strange we feel, we must control ourselves..

I...
I'm really embarrassed.

I am also very ashamed. So what do we do now?

We can't just ignore these feelings!

We must!
I think our best option is to forget what just happened.

Come on, it's a new day and we need to move forward.

You
may be right,
but I can't walk
around like this.

My erection
is causing me
a lot of pain.

I can't
walk like
this.

Why not?
You were complaining
that this place is very
dirty and damp.

Why
do you want
to stay here
now?

Oh!
I understand
now!

Baby,
I already feel
bad about that.

I think
you should
find another way
to relax...

What the...
This shouldn't
be possible!
How can
a storm
happen so
quickly!

OMG!!!

I saw
an electric
spark on the
ceiling.

Yes!
I am so
afraid...

What!?
What
happened?

What?!
Like
lightning?

Baby it's
just a storm.
Please calm
down!

NOOO!!!
NOT ANOTHER
STORM!!!

WE
ARE GOING
TO DIE!!!

Damn!
What should
I do now...

Fuck!

Honey,
I know
you are scared.
Let me help you
relax a bit.

I'm going to do something I shouldn't. This is only so you can relax a bit more.

I will help you with your erection.

Now relax and lie down please.

Uh!
How can you help with a storm outside?

Damn!
Why did I think about
giving him a handjob first?
There must have been other things
that would have calmed him down.

This
situation is starting
to get very weird.

Are
you sure you
want to do
this?

Oh no!
No, I really don't
want to do this.

But
I can't help
myself...

Everything
is so strange
here.

Uh!
Do you think
the island we
are on might be
causing this?

I agree
with you...

Damn! Baby,
your cock so
thick and heavy...

I lose myself
to it more
every passing
moment...

Oh my!
What an impressive
dick you have!

Grace!!

Wow!
It's like
she really
loves my dick
right now...

Omg!
Grace!

What are
you doing?!

Omg!
You can't be
serious...

My dick...
You're sucking
my dick...

Wow!
Grace
is giving me
a blowjob...

Shit!
Shit, shit! Why can't
I stop myself...
I just want to keep
sucking his huge
cock...

Oh
my God!
Grace!...

Mmmmhhh...
It's weird...
His dick tastes
so good.

Uh!
The storm
is over.....

Damn it!
Could her nasty desires
have something to
do with these storms?

Come on baby... I want to taste all that hot cum...

Nooo... Fuck! I want to feel him cum in my mouth...

Oh my! Grace! If you keep going, I'm going to cum.

You can stop if you want...

Oh! Shit!
Grace!

I'm serious!
I'm very,
very close....

Ohhh
God!...

OH
MY GOD!!!

ARGGGH....
OHHHHH.

Oh
Fuck!

Shit!
I can't
swallow
it all!

Omg!
That's so
much cum!

Oh my! Grace!
My cum came
out of your
nose...

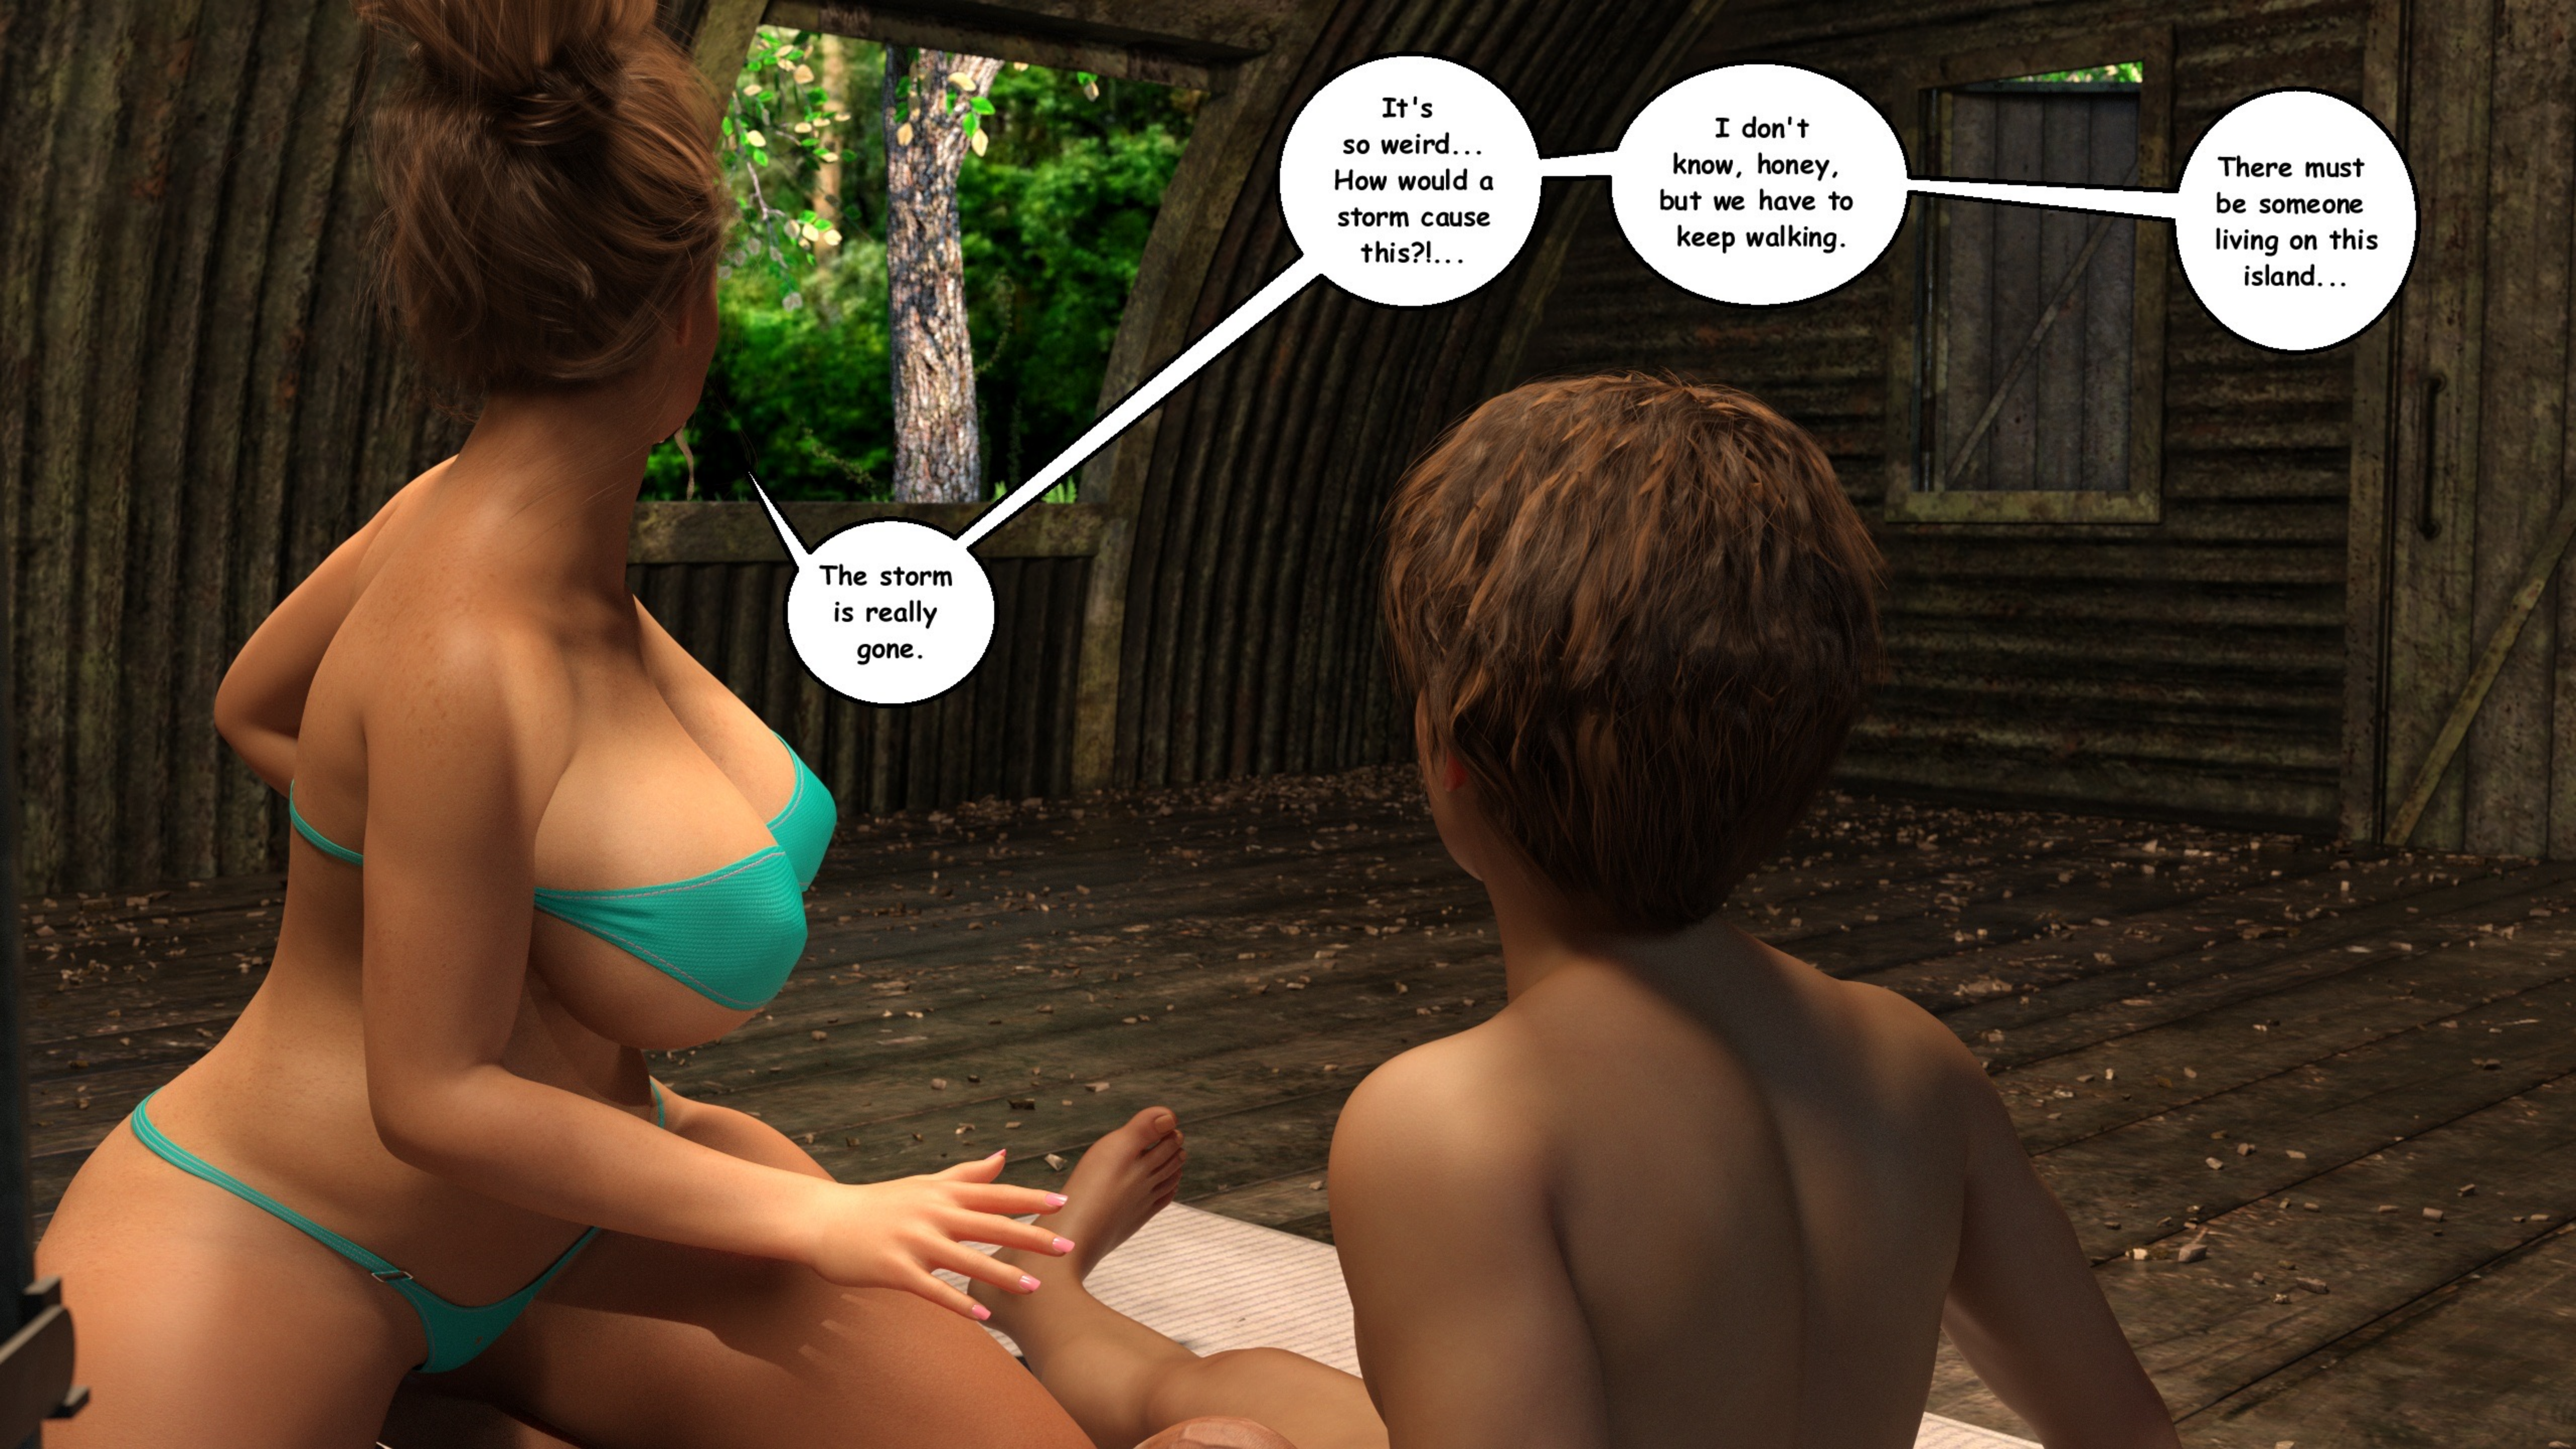

Baby,
believe me,
I couldn't
control myself!

Oh!
What's
happening
to us?!

I couldn't
either!

I think
it has something
to do with these
storms!

After
you started to
suck my cock,
suddenly the
sun came out...

The storm
is really
gone.

It's
so weird...
How would a
storm cause
this?!...

I don't
know, honey,
but we have to
keep walking.

There must
be someone
living on this
island...
