Heading deeper into the forest,  
Grace and Neil's only question is  
what's going on on this island.

Grace and Neil don't know how to  
handle their new shame filled lust.

Yes,  
honey.

Grace?!

I am sorry for what happened earlier. I feel terrible.

No baby, I'm not well at all.er.

You're so quiet! are you okay?

Oh No! Believe me, I don't know what's going on with me. I feel like every minute on this island changes me.

Yeah! Me too! This is so weird...

I think the island brought us here and it wants us to be together

Do you realize how crazy you sound right now?

What?! Suddenly a storm comes up and brings us to this island.

After every storm comes, we get closer to each other.

Do you think this is all a coincidence?

Honey, I don't think what's going on between the two of us has anything to do with the island.

Maybe we both had a hormonal spike. I don't know, but what you said is ridiculous!

And you mentioned a bright white light...

Are you sure?!  
You said it yourself!  
The sun feels strange here....

It could be starvation.  
Maybe all these experiences are due to the fact that we are malnourished.

I don't think so.  
The island is trying to tell us something.  
I could swear I heard strange whispers coming from the forest at night.

You heard the sounds of wild animals.

Really?  
Have you seen any other animals here?

Neil, I agree.  
This place is strange,  
but the island isn't  
alive!

You think the island  
itself is causing this!?  
Do you really  
believe that?

Or are you  
making weird  
excuses to  
be with me?

Uh!  
No no!  
Well...

I am not  
trying to have sex  
with you! I promise!

There is some  
force causing  
these strange  
desires!

Oh God!  
I don't know what's  
going on with you,  
but you better restrain  
your desires.

I don't  
want to  
talk about  
this again.

Now, please,  
let's forget  
what happened  
and move on.

Neill  
Please!  
Let's keep  
walking...

How could  
I forget?  
You gave me  
a great  
blowjob....

After a long walk,  
Grece and Neil come  
across a small pond.

Grace can't get Neil's words  
about the island out of her mind.

She is aware that strange things are  
happening here, but can't accept it.

Okay,  
I think we can get  
some rest here.

Damn!  
He looks  
very sad.

I guess  
I was too harsh.  
I had no other  
choice though...

Hmmmm...  
We should do  
something fun...

Neil?!

Yes.

No, you still don't believe what I said earlier.

Yup!

Wanna do something fun?! I think we both need it.

Oh come on! Baby, I didn't mean to upset you. I guess I'm a little nervous too.

Come on! The water looks great. Do you remember the park we went to last year?

We had a lot of fun. Don't you want to have some fun again?!

Yeah,  
but you know  
what happens when  
you stand in a  
wet swimsuit!

Really?  
Wouldn't that  
be weird?

Yes,  
I know.  
Hmmm...

It's okay!  
I've seen enough  
of your dick  
already.

It will be okay  
if I see it again.  
So if you want,  
you can take off  
your swimsuit and  
get in the water.

Yeah!  
It's going to be weird,  
but I can't stand  
you being so upset.

If it will bring  
your joy back,  
it's fine with me.

So!  
What are you saying?!  
Shall we have some  
fun in the water?

That would  
be great.

Wow!  
You can deny it,  
but you want to see  
my cock again.

Definitely  
this is something  
the island wants  
too...

Omg!  
The water is a little  
cold but feels great...

As Neil took off his shorts and dove into the cool water, the only question on his mind is what the island would make *Grace* do next.

In the time since they had arrived on the island, every interaction became more and more intimate.

To Neil, the island wanted him to have a relationship with *Grace*...

Neil happily began to let the island work its magic..

.

Grace, on the other hand, tried to resist the urge she began to feel again...

Wow!  
Like you said,  
the water is  
really great.

Yeah!  
Come here baby.  
Don't go too deep!  
You aren't the best  
swimmer you know!

Baby,  
I'll be honest with you.  
I didn't want to bother you,  
but I think you have a  
right to know the truth.

What  
happened?!

It may take longer than we  
thought for the rescue  
team to find us.  
I sent a first aid message  
when the storm started,  
but I doubt it's was delivered.

Also, when  
I looked at the  
coordinates before  
leaving the yacht,  
I saw that we were  
very far off course.

Fuck!  
Will no one come  
to save us now?

Oh No!  
Of course they will,  
but it may take  
some time.

Therefore,  
we should keep  
our morale  
high and avoid  
any danger.

Baby,  
I'm aware of everything.  
Don't worry about it!  
Everything will be alright.

It doesn't mean  
we can't enjoy  
a place with all  
this amazing  
nature and  
atmosphere.

Good! Now  
it's time to  
carry me  
on the water  
like we did on  
our vacation  
last year...

But how?  
We are on  
a desert island.  
Food and water  
will run out...

Well,  
I guess  
I should relax  
a bit then.

You need to learn to swim better then! This is just training.

You tell me I'm not a good swimmer, but you're putting all your weight on me!

Isn't that strange?

Uh! Do you hear that sound?!

What sound?!

It's like a roaring sound from underground...

Oh Shit!  
Grece! Grece!  
Look! That  
light again!

Baby please.  
Right now I'm trying  
to enjoy the water.

I'm  
serious!...

What  
the....

Grace!

The light  
is red  
now...

Mmmmmhhh...  
Neil...  
Please  
don't ruin the  
moment...

Oh God!  
Grace!  
I started to  
swallow water  
and I feel weird  
again...

How  
do you feel?  
Do you see  
the light...

Oh sorry baby.  
I think I got too  
carried away...

Neil,  
please don't  
start again.  
There is no light!  
Follow me...

Please  
don't say weird  
things about  
the island  
anymore...

I'm serious.  
I saw a strange  
light!

Okay!  
I will prove  
it to you...

You  
didn't see  
anything?

I swear to you,  
strange lights rose  
from the ground and  
my desire for  
you became strangely  
unstoppable....

Uh! Honey,  
I think you're losing  
yourself again.  
I didn't  
see  
anything...

I don't believe you, and I'll definitely prove that.

Uh! How?! How will you prove it?!

Huh!  
What are  
you...

OH  
God!

Yeah!  
I knew!  
Those lights  
affected  
you too.

Wow!  
My first real kiss  
with a beautiful  
woman...

Damn!  
Her tongue  
is in my  
mouth...

Fuck!  
I'm losing  
myself again  
too....

Oh  
Please honey,  
please...

Please  
stop!  
Oh God!

Now  
he's stroking  
my butt...

Grace has a hard time believing what Neil is saying, but strangely, she can't help it.

Every moment that passed Grace felt herself giving in deeper to desire... She tried to summon all of her willpower to stop herself.

Her resistance began to falter...

As she touched Neil's hard cock again...  
She felt a desire burning inside her...

She knew that she had to put a stop  
to this before it got too far out of control...

Mmmhh....  
Honey....  
Stop...

This  
is so  
wrong...

Mmmhhh...

I can hear your heartbeat.  
You may not want to admit it,  
but this island wants the two  
of us to be together.

What?!  
What happened?!  
I know you want  
this too.

Oh no honey.  
Please don't  
force me...

This is  
so wrong.  
I can't be  
with you.

Please...  
Let's get out of  
the water and  
talk...

God damn it!  
I know you are just  
as horny as I am.

Fuck!  
What a big  
round ass...

Fuck it!  
I am going  
to go for it!  
This is my chance.

Look, dear,  
I agree!  
Ever since we  
arrived on this island,  
I've been feeling  
weird too.

But  
your sudden  
perversion...

Oh  
come on  
Grace!

Why don't  
you believe me?!  
I'm telling you,  
really strange  
things are happening  
on this island.

A strange light came up  
from under the water  
and we found each  
other kissing.

Yes,  
I am very  
sorry for that.  
I should have  
stopped you.

But you didn't! More precisely,  
your brain wanted to stop me,  
but your body wouldn't let it.

Isn't  
it true?

Yeah!  
That wasn't  
the islands  
doing!

We'd  
better leave  
this behind  
and move on.

Honey...

Not this time!  
We can't forget  
what happened.

It happened  
and it was  
all real!

No, Grace!  
you can't deny  
your feelings  
again!

I'd better  
prove to you  
one last time that  
this is real!

Oh my! Neill!  
What are  
you doing?!

What do I look  
like I'm doing?!

Your brain wants  
to stop me,  
but your body  
really wants  
me to keep going.

Don't deny it,  
because I feel  
the same way.

My brain tells  
me to stop,  
but my body  
wants to feel  
you!

Holy shit!  
My baby...  
Oh  
my...

God damn it!  
He is right...  
My brain  
is fighting  
my body to  
stop him...  
but...  
Ohhhh...  
fuck!

Damn! Grace,  
your boobs  
are beyond  
gorgeous....

Oh God! Neil...  
Mmmmmhhh...

Please...  
mmmmhhh...  
stop...

Hmmmmhhh...  
Delicious...

Wow!  
Grace!...

Your  
hard nipples  
taste so good...

Honey...  
You have to  
control yourself...  
Please...

Can you feel how hot  
my dick is right now?

Fuck!  
It's really so  
hot right now...

Neill!  
Whatever you're  
going to do,  
please don't go  
too far! Please!

I can't  
promise anything  
right now...

Damn it,  
Neill  
Why did you throw  
my bikini in the  
water?!!!

Jeez!!!

Oh yeah!  
I want to feel these  
big tits on my dick...

Oh Neill!  
This isn't like you.  
Why can't you try  
to control yourself?

That's...  
What are  
you doing...

God!

Oh Shit!  
Shit, shit...

Fuck it!...  
Go ahead...

Mmmhhh...

Yeah!  
You like it,  
right?

It's  
fine  
baby...

Just please  
finish...

Damn it!  
This is an  
amazing feeling!

But  
I want  
more.

I want to  
feel every  
inch of your  
skin

Baby!  
You need to come  
to your senses!

Come on Grace!  
Suck my cock while  
I fuck your big tits...

Uh!  
What...

Hell  
yeah!!!

Fuuuck!!!  
This feels  
great!

GHUKK...  
GHUKK...

Oh my.  
His dick is  
so delicious...

God,  
I'm losing  
myself again!

Yessss...  
I know you  
enjoy this  
too...

Oh yeah Grace...  
Use your tongue  
just like that.

As time went by, Grace could feel willpower slipping away.

She loved the taste and feel of Neil's hard cock in her mouth and on her breasts.

Neil noticed this and knew he wanted more.

Damn you!  
Your big tits are working  
their magic on my dick...

God please  
let him  
cum soon...

I'm starting to  
feel so horny...  
I need to  
control myself.

Ohh  
Grace...

I'm going to  
cum very  
soon...

I can't  
last much  
longer...

But...  
Oh baby...

Please  
don't cum  
on me...

OH SORRY  
GRACEEEEE!!!

ARGGHHH....

OMG!!!

OHHHH...

OH MY...  
ARGGGH....

What  
the...

HOLY  
FUUCK!!!

Jeez!  
There's so  
much cum...

Omg! Grace!  
Did you see  
how much  
I just came?

Wow!  
I really  
covered you  
in cum...

God! Neil,  
I told you not  
to cum on me...

Jeez!  
You have to  
learn to control  
yourself...

I do agree with you now. Something strange is happening to both of us.

I feel myself losing control around you too.

But we can't go on like this. We need to learn to control ourselves.

Sorry Grace.

I am not as good at controlling myself as you are.

You did enjoy it didn't you?

No!  
Yes!  
Maybe!

Damn it Neill!  
Enough!  
I have been trying  
to not upset you.

But enough  
is enough!  
Learn to control  
your impulses!

Fuck!  
Your cum is  
everywhere.

Let's go clean  
up and move on.

Damn it Neill!

Why did you throw my swimsuit into the water?

Jeez!

Sorry Grace.

I guess it was the thrill of the moment...

Unbelievable!  
Fuck!  
It must have  
been lost to  
the current...

Oh Neill!  
Ah!

Oh  
great!

Grace?  
I think my shorts  
went too...

Good job, Neill!  
What a really great  
job you did!

This is nice!  
Half-naked waiting  
to be rescued with  
with you on  
a desert island.

Besides,  
now you are  
completely naked!  
Really amazing job!

Sorry  
Grace.

God damn it!  
Just go clean up  
and let's go.
