Previously on „The lost Temple“:

We saw Mika change Magda's name to „FootjobBarbie“ - at least indoors. Now, in this bonus chapter, it's time to follow through with that name!

This is not a story chapter. It's just a follow-up to CH 24. Whether this is canon or not is up to you. It has no impact on the story but of course, it would kinda define how fateful Mika takes his relationship with Lana.

Magda had just entered the hut...

Dub du bi
dub...

Ready to do some housework...

Need to clean the kitchen and then do some cleaning...

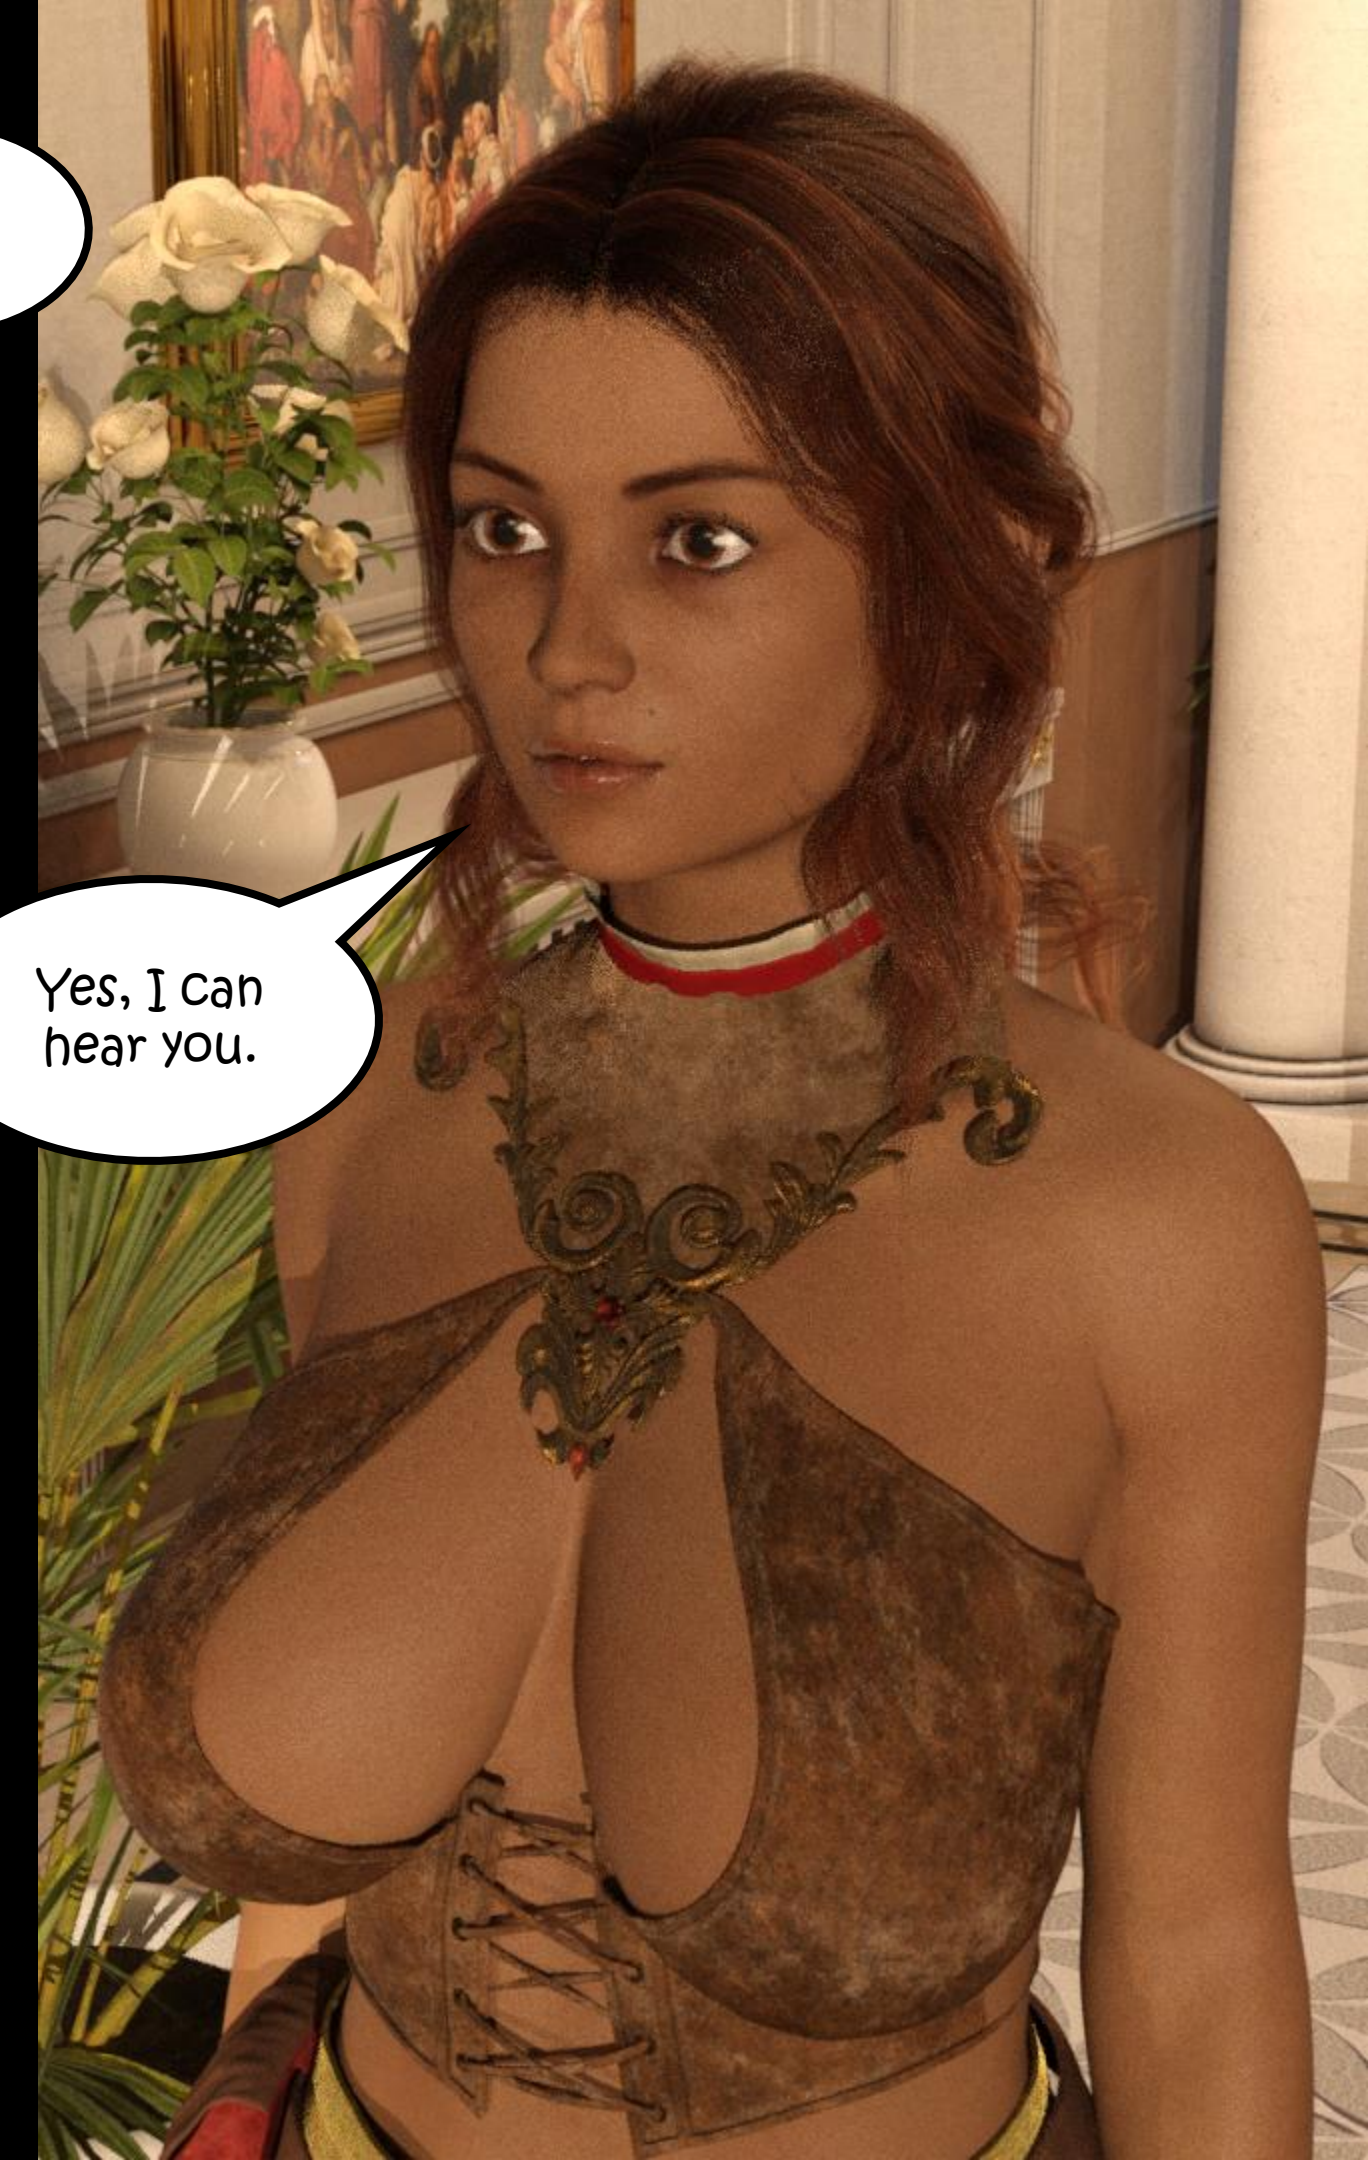

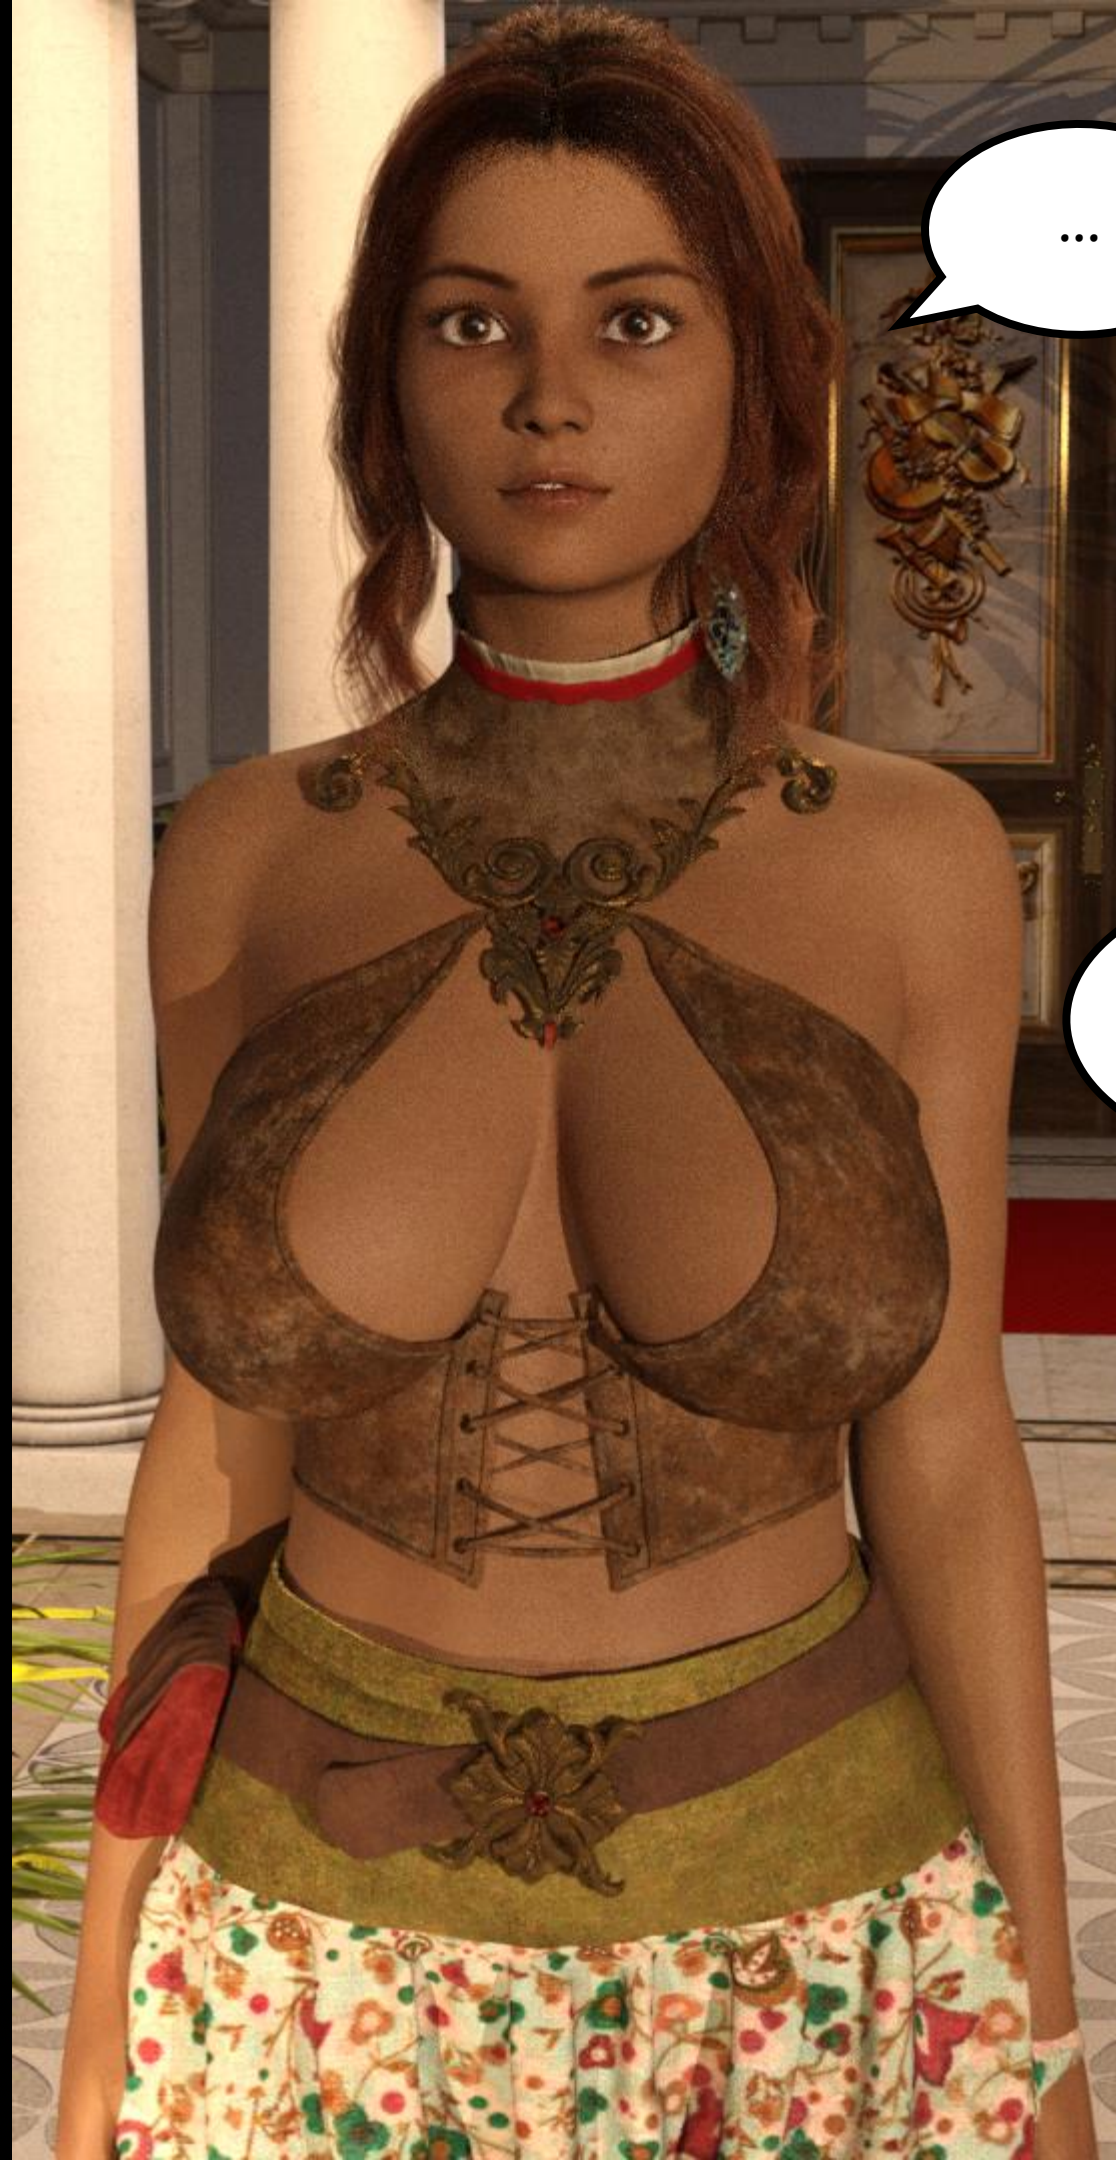

When I interrupted her train of thought with a spell... literally.

*Vasta
Mens!*

Oh, hello
Master. I was
just...

You love using
your feet to give
me pleasure Foot
Job Barbie.

It's a deep desire
you always had
but haven't acted
upon til now.

It really goes with
your name as well.
chuckle

Yes, it goes
very well with
my name.

Yes, I always
wanted to use my
feet to give
pleasure.

Shortly later in the bedroom...

You called,
Master?

If you have
time, I'd like
some company...

Obediently and eagerly Madga strips off her top.

Yes, Master.
Of course!

Eagerly Mag... Foot Job Barbie joins me in bed...

And removes my trousers.

Before she starts to go down on me.

Her skilled mouth feels amazing
on my COCK...

Enjoying Magda's service was way different than doing it with Lana. With Lana, I had this deep emotional connection and when we made love it was all about mutual pleasure...

But that also meant I needed to perform well as I did not want to leave her unsatisfied...With Magda on the other side... it was all about me and I could totally relax and enjoy...

As I'm lost in thought trying to convince myself that this was not necessarily cheating on Lana, Magda addresses me and breaks my train of thought.

Oh... Do I?
I was sure I showered...

Master, you
smell of another
woman.

Sorry?

Oh, you need not worry about me.

In fact I'm happy for you.

Will you bring her here someday?

Oh...err... I doubt she'd like that.

Hm... Okay.
Uncle Zander
used to bring
other women here
quite frequently.

That was
actually quite
fun. *giggle*

I... see...

Bringing women here to enjoy
them... It was out of the question
for Lana right now... but the Vasta
Mens spell showed quite some
promise...

A woman with long, wavy red hair is kneeling on a patterned rug, holding a penis in her hands. She is looking towards a man with short blonde hair and glasses who is leaning over her. The man is shirtless and wearing blue briefs. In the background, there is a large green plant in a white pot and a lamp on a table.

Sorry for
disrupting the
blowjob, Master.

If it's okay with
you, I'd like to
try something
new to please
you.

And what
would that
be... Foot
Job Barbie?

Something that
goes really well
with my name.
giggle

Permission to give
you a footjob,
Master?

Permission
granted.
chuckle

I watch Magda as she rubs in the lube. Her feet take on a shiny gleam though I have to admit my eyes are mostly drawn to her obviously wet pussy as she spreads her legs to reach both her feet at the same time.

I'll lube them up for you really well, Master.

I always
wanted to
try this.

Here we go.
Nice and
slippery.

Please let me know if I'm doing anything wrong, Master

Despite my name, I am doing this for the very first time. *giggle*

Oh, wow.

rub

Carass

I do.

It feels quite enjoyable.

You like it, Master.

Great!
For some
reason, I really
like doing this.

Maybe Uncle
Zander knew what
he was doing when
he gave me my
name. *giggle*

Magda had no suspicion about her
new desire. For her, it was as if it
had always been there. **Fascinating!**

Magda's foot job offered me a marvelous view - Namely of her tits and pussy.

As I focused on the sight and the feeling of her feet on my cock I felt the pressure in my balls rising...

And soon I gave in...

squirt

And let loose...

Shooting my load all over Fott Job
Barbie's feet.

Groan

Oh, wow!
I did it! I really
made Master cum
with my feet!

I let myself fall back into the pillow – enjoying the feeling of after-orgasmic bliss... and while I lay there...

Magda starts a show I won't forget anytime soon!

Quite flexible she takes her foot and guides it to her head...

And she starts licking my cum off her feet!

lick

As her tongue slowly moves up her big toe, tracing over the last remnants of my white goo...

She takes it into her mouth and with an audible slurp pops it out again – freshly cleaned.

Watching Magda slurp away at my cum had something naughty... but I liked what I saw a lot! Lana did let me cum in her mouth once and she did swallow... but she'd never make such a show out of it...

Wow!

SLURP

But she did not mean to stop at just cleaning herself...

There are still some leftovers.

May I clean that for you, Master?

Sure. Be my guest.

Eagerly she goes down on me and coops up the remaining cum dripping down my cock with her tongue.

Afterward, she makes a small show out of swallowing my load by throwing her head back and making an audible gulping sound as she downs my juices.

Any time,
Foot Job
Barbie.

Thanks for
letting me
service you.

Especially
with my feet.

I really loved
doing that!

I'm gonna get
cleaned up
and resume
my household
duties.

Call me if you
need anything,
master.

Sure.
Will do.

Wow!
I did not just only
make her give me
a footjob!

A photograph of a man with short, light brown hair, wearing black-rimmed glasses and a brown leather watch on his left wrist. He is shirtless and has a large, intricate black tattoo on his right shoulder. He is smiling and looking towards the camera. A woman's hand is visible on the right side of the frame, resting on his head. The background is a plain, light-colored wall. The image is framed by a black border.

I created a new
fetish within her
brain!

That spell is
the real deal!

End of Chapter.

Thank you for reading!

Hello, Hexxet here,

I know Magda is not one of my audience's favorite characters, but after Mika got behind the Vasta Mens spell in chapter 24, this follow-up was just a must-do in my opinion.

I'm not sure how well I was able to get the foot fetish stuff across. I'm not really used to it so I can't say. Anyway, I hope some of you still enjoyed this chapter. 😊
