A bright green beam of light projects from the device onto a tiny, shirtless man standing on her thigh. The man has a speech bubble above him. The woman has a speech bubble above her chest.

A close-up, 3D-rendered image of a woman's upper body. She is wearing a black lace halter-neck bra and a thin gold necklace with a small pendant. A large, futuristic, metallic device with a glowing green circular screen is positioned on her right chest. A tiny, shirtless man in black briefs stands on her chest, looking up at her. *YOUR LITTLE HANDS ARE

A shirtless man is seen from behind, touching the side of the giant red foot. He has a thought bubble above his head. The foot is the same massive red foot as in the previous panel, filling most of the right side of the image.
