MONEY TALKS.

Pamela Johnson was one of the most famous influencers on various social media platforms, and it was no secret that this was because of her physical appearance and charisma. She was a tall brunette who had an incredible body despite being overweight. Her weight was well-distributed and her assets were as enormous as they were attractive.

Her admirers were mostly men, as one would expect. They were not shy about voicing their opinions and desires in her posts, sometimes even telling her what they would do to her. Pam knew that she provoked that kind of reaction and she was proud of it. There was never a shortage of messages proposing to her or asking her out on a date, but she obviously ignored them all. However, that gave her an idea.

How much would one of her admirers pay for the opportunity to date her?

Pamela thought long and hard about it, but she couldn't come up with a reasonable price. It had to be a large amount, but something that one of her followers could still afford. Perhaps she had rich men among her sea of fans.

She eventually decided that the easiest way would be to hold an auction. She announced it on her social media and her fans went crazy. Several media outlets wrote pieces on it and she just had to sit back and relax.

No, that would be too boring and Pam was known for being a little extra and glamorous. Her agent set everything up: a nice venue with several musical acts before the main event. She was nervous and excited to see who would pay the most to have the blessing of her company, and how much would that sum be.

She knew that she was worth a lot of money. She considered herself the most beautiful and influential woman alive, and a lot of people would agree with her. The venue was packed, which only reinforced that idea.

Her excitement grew as the time of the auction grew closer, and her heart felt like it was about to pop out from her voluptuous chest when the auctioneer took the podium. She was sitting in the front row by herself, with all the people willing to auction sitting behind her.

The event was set up like that because she didn't want to see the men bidding for her until it was time to announce the winner.

There was no minimum, but someone started it off with ten thousand. Not bad for a starting bid, but she knew that spending an evening with her would cost way more than that. She was the one and only Pam, after all.

The big woman closed her eyes and focused on the voices. Who would become the luckiest man of the night? The deep-voiced one that kept outbidding everyone else? The rugged one that sounded like he smoked a pack a day? Perhaps the slightly higher-pitched one?

The bids kept coming in. Fifty thousand, eighty, one hundred. Pam was delighted, but there was no end in sight.

"As it should be," she thought to herself.

The bids were reaching half a million dollars when the man with the deep voice, the one who started things off with ten thousand dollars, made a bid that made everyone else go silent.

“One million dollars.”

That was it. No other hands dared challenge the outstanding bid.

The auctioneer called for a bigger one, but it never came. He gave the audience a good chance to consider it before calling it a few seconds later. Leonard McGraw was the winner. Pam’s assistant quickly looked up the man online to find out more about him, but there was little to no information available. He was a millionaire, so the bid was legitimate but other than him owning several companies, no more information was found.

“One million,” Pam said to herself. “Not bad at all.”

She finally stood up from her seat and turned around to meet the man who earned the blessing of having her company. Leonard was a tall man, about the same height as her, and he was built wonderfully. He looked strong, and definitely not like the type of man that would own several companies. Just a regular man.

He walked up to her and kissed her hand.

“It seems like I got myself a date,” he said. His voice was as wonderful as before.

“It wasn’t an easy thing to accomplish,” she said.

“That much was clear, but I knew that I was going to leave this place with you in my limo.”

“How were you so sure?” she asked, amused.

“Pam, I always get what I want.”

The handsome man looked her directly in the eye without blinking. He was charming and charismatic. She instantly knew that he wasn’t faking that confidence or bluffing; he sounded like the type of man who would always make things happen and bend others to his will.

“And what do you want?” she asked.

“Everything.”

The exchange would have sounded corny if his lines had come from any other pair of lips. However, Leonard looked like the real deal.

“You know I can still say no, right?” she asked him.

“Of course. I’m here to offer you one million dollars to take you out, but you can always say no and I’ll be on my way. But if you do, you’ll always wonder what would have happened if you say yes. You’ll be wondering if you made the biggest mistake of your life.”

Pam couldn’t help but laugh at how convincing and charming this man was. She knew that every single man in that venue wanted to take her out and run their hands through her whole body, squeezing her enormous tits and big body. They wanted to fuck her, but only Leonard was brave enough to offer her a million dollars to do so. Fucking wasn’t even part of the deal, but she was starting to wonder how big his cock was and how would it would feel to have his big hands exploring her body.

The big woman came back to reality before her imagination took over completely. Leonard was still standing in front of her, waiting for an answer.

“Okay,” she said. “You can take me out on a date.”

Leonard smirked and nodded.

“Let’s go,” he said.

“What? Right now?”

“Yeah.”

“All my fans are still here.”

“And they’ll see how we’ll walk out of here, with our arms linked together.”

The pair did just that. Leonard didn't need to look at the other men to notice that everyone was burning with jealousy. Pam was gorgeous, elegant, and so full of life. Her big ass bounced from side to side as she walked out of there, and all pairs of eyes were glued to it.

"Where are we going?"

"An art exhibit," he said.

They got in his car and he got them out of there with a subtle roar of his engine. All her fans, her agent, and the excitement of the bidding were left behind.

"I'm taking you back to my place," he admitted.

"What? You promised me some art."

"And I'm going to give it to you. I have a nice collection in my mansion."

The man described his property, and Pam wondered how much money he actually had. He wasn't flexing on her but he knew plenty of details about his property, which he happily shared with her.

Pam was impressed with Leonard's mansion when they arrived, despite having heard wonders about it already. She stood by the entrance, looking up in awe at the monster of a building that she had in front of her. Despite being rich and famous herself, Pam realized that Leonard was a true businessman on a whole other level. The million dollars that he used on his winning bid must have been a breeze to acquire.

She was curious if he really had a small art collection or if he was just kidding. Was it a ploy to get her in his house? She was about to find out. A man dressed in a fine suit opened the front door.

"Welcome back, sir."

"Alec, I'll take care of my guest tonight," Leonard said.

“Very well. Enjoy your stay, madam.”

He closed the door when they entered the mansion and disappeared.

“Does he live here?”

“Yeah. I have twenty rooms in this thing. I’d rather have him around.”

Leonard gave Pam a tour of the mansion. He wasn’t kidding at all; there were rooms full of art pieces: paintings, carvings, collectibles, jewels, the whole nine yards. It was like having his own private museum, which got her impressed and delighted. Even if the date happened because the man offered her one million dollars, he had her attention.

After drinking some amazing (and probably very expensive) bottle of wine, Leonard kissed the woman on the lips. She didn’t resist him or push him away; on the contrary, she kissed him back and put her arms around his neck. His hands felt her up over her clothes. She was big and voluptuous, with curves that any type of outfit couldn’t hide.

A soft moan escaped her lips as his big, strong hands caressed every inch of her body. The man clearly enjoyed her juicy, fantastic ass even if she still had clothes on. He squeezed and slapped it to his heart’s content while kissing her lips and neck.

She unzipped his pants and took his cock out. It was already hard. She paused and wondered if that big cock would fit in her tight pussy, but the man didn’t wait, rubbing her pussy through her clothes.

“Let’s go to your room,” she said.

It was obvious that Leonard could have any woman he wanted. He was insanely rich, handsome, and an experienced lover. However, he wanted her, the gorgeous influencer, the fantasy of so many men around the globe that followed her social media and saved her posts. While many men jerked off to her pictures, he would be fucking her for real.

Once in his room, he fucked her from behind. The view was like nothing else; her ass was big and jiggly, moving up and down and in every direction in a chaotic dance with every thrust and every slap. Her moans got louder, and she wondered for a second if the butler would be able to hear them.

The woman pushed hard against him to get him to go deeper inside of her. His outstanding cock was able to fit, which was a surprise for her. They fucked with enthusiasm and the energy of a couple that was fucking for the first time after weeks or months of pent-up sexual tension. Nobody would have believed they met for the first time a few hours ago.

Being choked by this powerful man brought Pam to an equally powerful orgasm that filled her up with pure ecstasy. He came soon after on her stomach, with his cum running down on his white bedsheets. She was sad it was over, but things between them were just getting started.

Pam's phone rang the next day. It was Leonard.

"Are you free tomorrow?" he asked.

"We just saw each other last night!"

She was flattered, and he noticed by the tone of her voice.

"That's true. You haven't answered my question."

"I could be free."

"I'll pick you up in the afternoon."

That was it. No further details. Regardless of his methods, Pam had to admit to herself that his cock felt so good inside of her warm pussy, and she wanted more.

She wore a casual black dress that wrapped nicely around her body. It was short, so her thick thighs were on display and her ass looked better than ever. Her tits would grab anyone's attention if she bent over even slightly.

Leonard picked her up a few hours later and they left her place in his fancy car.

“Where are you taking me today?”

“I’m taking you to the best restaurant in the city. The chef is my friend, so he’ll hook us up with the best food they have.”

Once again, he wasn’t kidding. The staff greeted them like they were royalty and the chef came out to talk to them despite being very busy. The food was delicious, but Leonard also had other plans.

“Come with me to the bathroom,” he said.

He gave her a complicit smile and went to the men’s bathroom. Pam was confused and flustered, looking around to check if anyone else heard. She was in the clear, though; everyone else was focused on their food and conversation.

With her heart going out of control in her chest, the curvaceous woman followed her date into the bathroom.

“Last stall,” he said from inside of it when she opened the door.

“How did you know it was me?”

“You don’t hear those heels in the men’s bathroom often.”

She rolled her eyes at herself for asking such a question and went to the last stall. Leonard was standing there with his cock out, already hard and stroking himself. She looked at his cock and then into his eyes before stepping up to him and placing her hand on it.

“You’re always horny, Leonard,” she said causally.

“Because I can’t stop thinking about your enormous tits and tight pussy.” He replied lustfully.

They kissed each other and the man took off her dress. A small lingerie set and her heels were all that kept Pam from being completely naked, but somehow she looked even sexier like that. The man pinned her against the

wall and pushed her panties to the side to ram his cock into her tight pussy. She stifled a moan and scratched his back with her carefully manicured nails.

Leonard grabbed one of her thick thighs and lifted it up, spreading her pussy in the process and getting his cock right into it. She was already dripping wet, and they both knew that. He thrust his big cock in and out of her tight pussy while they kept kissing.

Pam's tits bounced every time Leonard's cock hit her walls, and he focused his attention on them. His lips sucked on her beautiful nipples as they hardened, and his tongue both tickled and punished them with a healthy dose of pleasure.

He sucked on them and licked her whole tits, getting some spit on her chest and neck in the process. Her pussy constricted around his hard cock in a way that would have made it very difficult for him to fuck her if she wasn't so wet. Things got louder and louder, but they weren't worried about being heard.

Someone came into the bathroom, took a piss, washed his hands, and left. Leonard and Pam didn't care and didn't pay attention to anything happening outside of that stall. The man picked up the pace and came inside her pussy. Her legs failed her when the orgasm took over her body, but he kept her standing with his strong arms.

"You didn't last long," she said, teasing him.

"It's hard to last when I'm fucking that perfect pussy of yours."

"Is my pussy the only perfect part of me?"

"Everything about you is perfect."

Leonard's warm cum flowed from Pam from her pussy and down her thighs. She cleaned herself up when her strength returned.

"Do you want to go back first?" he asked.

"No, go ahead. I still need a minute."

Leonard was very rough when he fucked her. She loved it, but she ended up sore, exhausted, and a little bruised. Nobody raised an eyebrow when the two of them reunited at the table. The waiter knew, judging by his subtle smirk when he brought the bill, but that only made it better.

The next day, the woman kept thinking about the wealthy man and the fun they had together.

Pam had a great time the night before. She was treated to the most luxurious restaurant in the city and got a good fucking in the bathroom. A king-size bed in a 5-star hotel wouldn't have been bad, but there was something about the spontaneity of getting fucked in the bathroom that turned her on.

The woman's phone rang. It was Leonard.

"Aren't you busy running your multiple companies? You call often," she giggled.

"I'm busy, but I'll always have time for you."

"We already went out. Twice."

"Yeah, and I paid a million dollars for that."

Pam was playing hard to get.

"Exactly. So now we're done, right?"

"Perhaps, but I was thinking that you would enjoy the spot that I picked for our third date."

They had been to his mansion and then an amazing restaurant. She had to admit that she was curious about what he had in mind.

"And where would that be?" she asked.

"It's a surprise. Go to the harbour."

"When?"

"Now."

Leonard hung up after that.

“There he goes again,” the woman said to herself, “ordering people around.”

The woman got ready and went to the harbour. She wasn't sure about the parking situation, but she hope that her car would be fine. She could see an incredible yacht after walking a couple of minutes.

“Is that...”

She couldn't finish her question. The yacht was magnificent and bigger than any other she had seen in real life or on TV. A well-dressed man approached her. It was Alec, Leonard's butler.

“Hello. Follow me, please.”

She followed the man and they got on the yacht, where she saw a large table with all sorts of delicious food and drinks. A few waiters walked around adding more plates to the table.

“I'm glad you made it.”

It was Leonard's voice.

“I didn't know you had a thing like this,” she said.

“That's because I didn't. I bought it for our third date.”

The woman laughed, amused and flattered. That man was unbelievable; he spent a small fortune on the best ship she had ever seen and a full service with a small army of cooks and waiters.

“This is all for you. For us.”

Leonard had bathing suits ready for both of them and they changed into them. Sunbathing while eating dishes from all around the world wasn't what Pam expected for her third date, but it was wonderful.

“The yacht is named ‘Goddess’, after you,” he said with a cheeky smile and wink.

Hearing those words was such a turn-on that the woman couldn't help it anymore. She threw on his arms and they rolled around, making out. Leonard pulled the string that kept her top in place, and her gigantic tits fell on his face, almost smothering him. He quickly put his tongue to work, tasting her tits and nipples and getting her wet and ready for his cock.

He pulled his summing trousers to his ankles and let her sit on his cock. He usually took the initiative, but this time Pam looked insatiable and lost in her sexual cravings. The large woman moved her hips front to back, squeezing his cock with her tight and warm pussy. She scratched his chest while he played with her tits, squeezing them so hard that his fingers left marks on them.

She snapped her head back while her hips moved in circles now. He couldn't move because of her weight, but he didn't need to; she was doing all the work for him. He came almost instantly, filling her up with his semen, but it wasn't enough for her.

"Not so fast," she said.

Pam kept rocking back and forth without giving him room to breathe. His head got light from the pleasure, but his cock remained hard as a rock. She found the perfect rhythm after trying for a bit and just kept going until she got her own orgasm. The sheer wealth represented by the yacht, the lengths that this man would go for her, and how good his cock and hands were, got her to explode in the most wonderful orgasm ever.

She passed her fingers across her pussy, getting them wet with a mix of their juices before tasting it. The sun was shining bright and there was plenty of food to be eaten. Pam couldn't imagine a better day or a better life.

"I take it that you liked my idea for a date," he said.

She smiled at him.

“You should eat,” she said. “Get your energy back, because the day has barely started.”

They shared a kiss, knowing that they would be fucking a lot more on that day. Nothing else mattered on that day except for them and all the pleasure they would still get.
