MAGICAL BODY SWAP PART 2

I managed to loose those dumb guards and even got myself a great new body

Dedicating my life to studying forbidden magic was worth it

Speaking of studying... I wonder if my aprentice got himself caught

Can't hurt to look for him I guess... Maybe I'll tease him slightly using this new body of mine

Some time later

I heard they caught master... I need to get out of this town fast

But there are guards stationed everywhere... What do I do in this situation

HEY! STOP RIGHT THERE

You must be one of those criminals the guards are looking for!

Shit!
It's Lucy Heartfilia from the Fairy Tail guild... I'm done for

Hehehe...
Did I scare
you my dear
apprentice?

Huh...
What do you mean apprentice...
My master isn't some hot girl

Ohh...
Are you
sure about that?
This new body
of mine is pretty
hot if you
ask me

Do you really think the real Lucy Heartfilia would act like this my dear apprentice

M-Mas... Master!? Is that really you? But how are did you steal her body?

I'll explain it all later... For now we need to make sure the guards don't catch you
Just wait here for me and I'll take care of it

A few moments later at the Fairy Tail guild hall

I need to find the perfect body for my apprentice but who should I choose?

Hmm... Which one?

Hey Lucy! Is something on your mind?

You can always tell me if you need my help with something

Ohh...
Hi Erza

Looks like I found the perfect body for my dear apprentice

Really!
There is actually
something
I need your
help with
Erza

Some time later

I really hope master hurries... The guards could come this way at any moment

I see... Lucy was right! There was a criminal hiding in this alley

Is That...
The Erza...
I'm a dead
man

Don't worry my apprentice! Your amazing master won't let you die

You're coming with me
My life is over

Huh... Why do I feel so light?

What is this odd feeling?

This is one of my original spells I call it...

SOUL
SWAP
MAGIC!

Mhm....

Huh...
What just
happened?

Wait...
Why do
I have huge
boobs?

Hold
on I recognise
this voice and
this body...

This is Erza's body for sure... But how and why am I in her body all of a sudden?

Ehhh! Lucy... I mean master what is going on?

How do you like your new body? Erza has some serious curves

HEY!
Keep those
hands off my body!
I demand that you
swap us back
this instant!

Hey Master can you let me handle this

Sure thing and please... Call me Lucy

Wait
you're not
the real Lucy
are you!?
Tell me what you
did to her
her!

BY TSF AI

From now on she is the one and only Lucy... And I'll be the one and only Erza

And like the good girls we are we should get rid of this criminal
