# MAGICAL BODY SWAP

Uhh...
I need to find a way to escape those guards

Huh...
Is that...
I think I
recognise
that girl from
somewhere

*Thats right... She's with the Fairy Tail guild*

She will be the perfect test subject to test my new spell that I spend years working on

*My Soul Swap spell should let me swap bodies with anyone within a certain range*

Huh? Why do I feel an odd and devious precense

Arghh....
It feels
like my
body is being
ripped apart...
My mind
is fading...

*Arghh...*
*I... Can't focus...*
*Head hurting...*
*Help...*

*Huh...*
*Where am I?*
*I was just walking on the street and then my head started hurting*

*WAIT! These are not my hands! What is going on?*

Finally we found you dark mage! You're coming with us

WAIT!
You got
it wrong
I'm actually
Lucy Heartfilia
from the
Fairy Tail
guild

Save it!
Like we would
believe an
evil dark
mage like
yourself

*Seems like the spell worked perfectly with this young body I can start a new life as Lucy Heartfilia*

The guards that were after me should have caught my old body by now

*I never knew the female body felt this heavy... But I guess it's only female with big fat juicy tits like this girl has*

*I can hardly contain my curiosity and excitement... I'll make sure to explore all that this new body of mine has to offer*

This body has curves in all the right places... This ass is perfect

I'm going to be very busy learning about my new life and exploring this sexy new body I managed to get my hands on

*Lets find a more private space before people start staring at me playing with myself*

Life as the sexy Celestial Mage Lucy Heartfilia here I come!
