Sinister Lord's Base;
The Nether Dimension.

Let me go! You will
pay for this, Sinister!

You pitiful humans make me want to
puke. Thankfully, you will help me destroy
the Mahou Nana Five from within.

That is the
beauty of it.

I'm not afraid to
die, Kill me now, for
I will never help you.

Octopus, is the
rod ready?!

It's 'Crab Octopus',
Master Sinister.

My Mother
was a Crab.

I don't care.
Octopus...

Mr Alien, will
the rod work?
??

Of course it does, I tested it on That hamster and that Salaryman.

As you can see.

What have you done with that poor man?

Same thing I'm going to do with you!

What's happening to me!?

Nnnnyaaa!!!!

It's Sinister Lord or Master!
Stop changing my name all the time!

Whatever.

It worked master,
you can untie me.

It's so weird not having my big Cock Master!

This body is so much more delicate than my old.

Quiet! I am not interested in your useless blabber.

All Praise Sinister Lord, we only live to serve!

What shall I do with BN Master?

Shall I put her in my old body?

Sinister sweetie, enough mischief for today it's time for dinner.

Will your friends eat with us?

Mom! these are not my friends but my minions..

Is that the way you talk to your mother!?

No evil undertaking for a week!

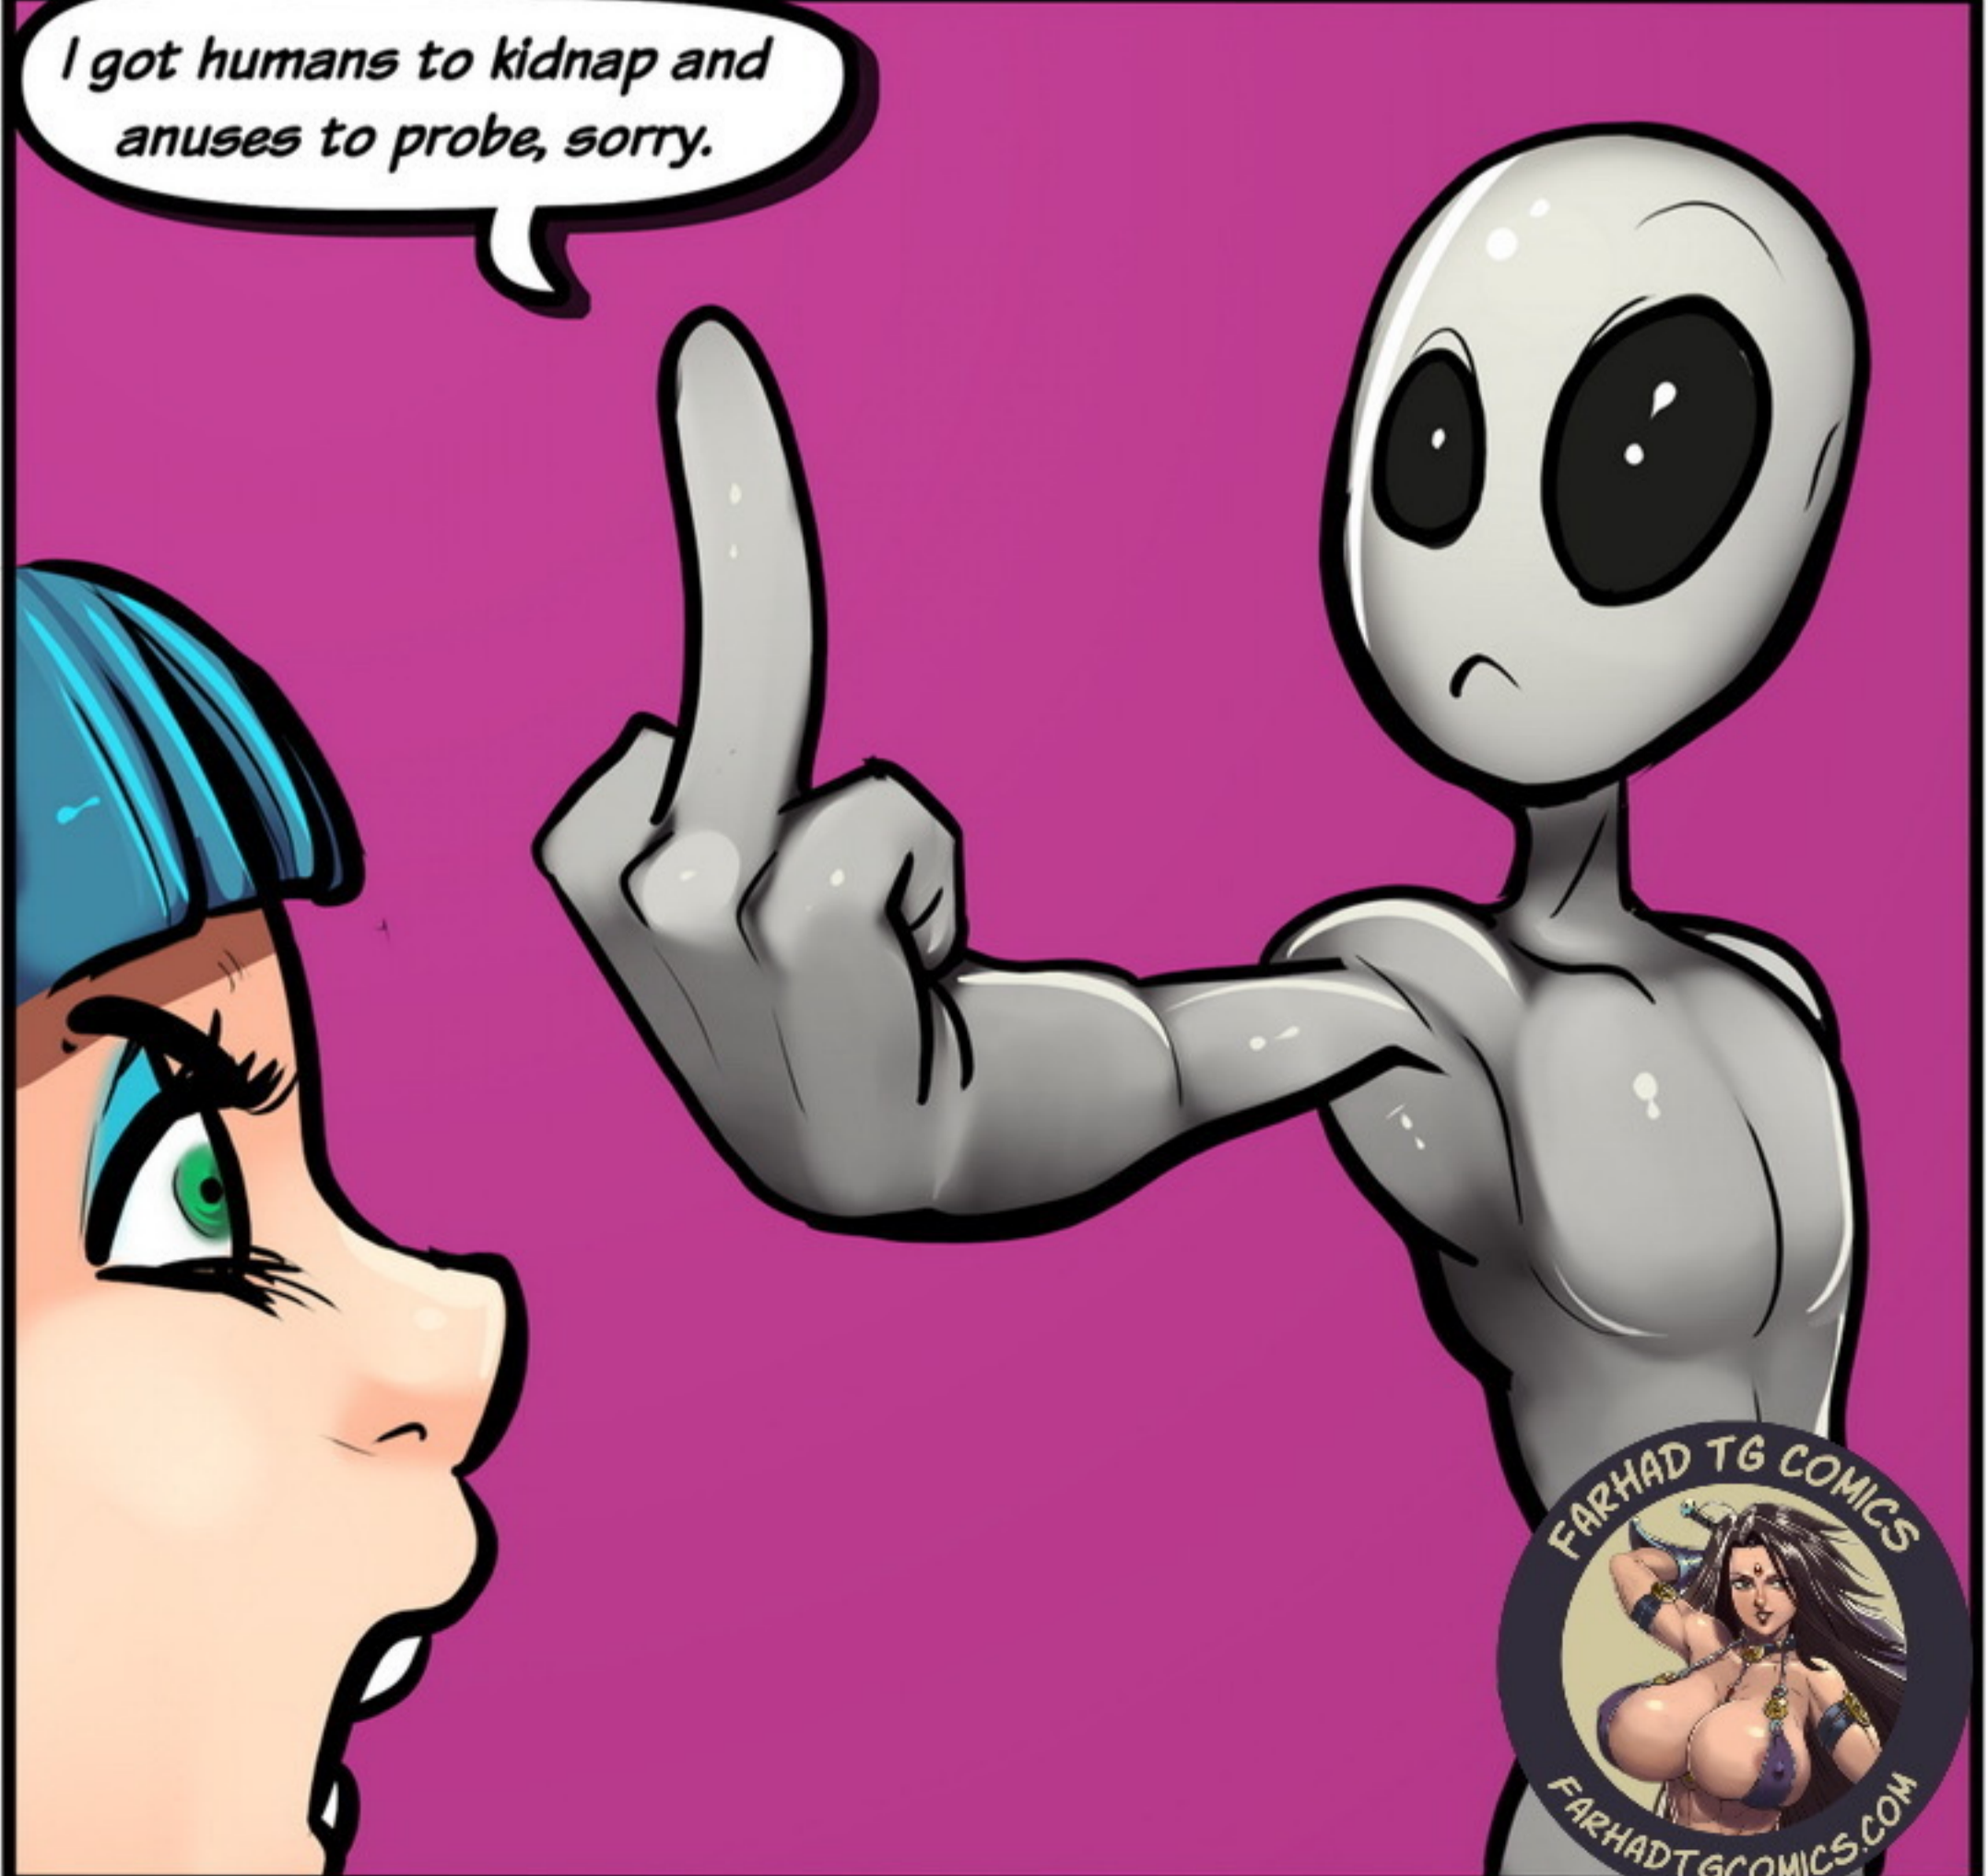

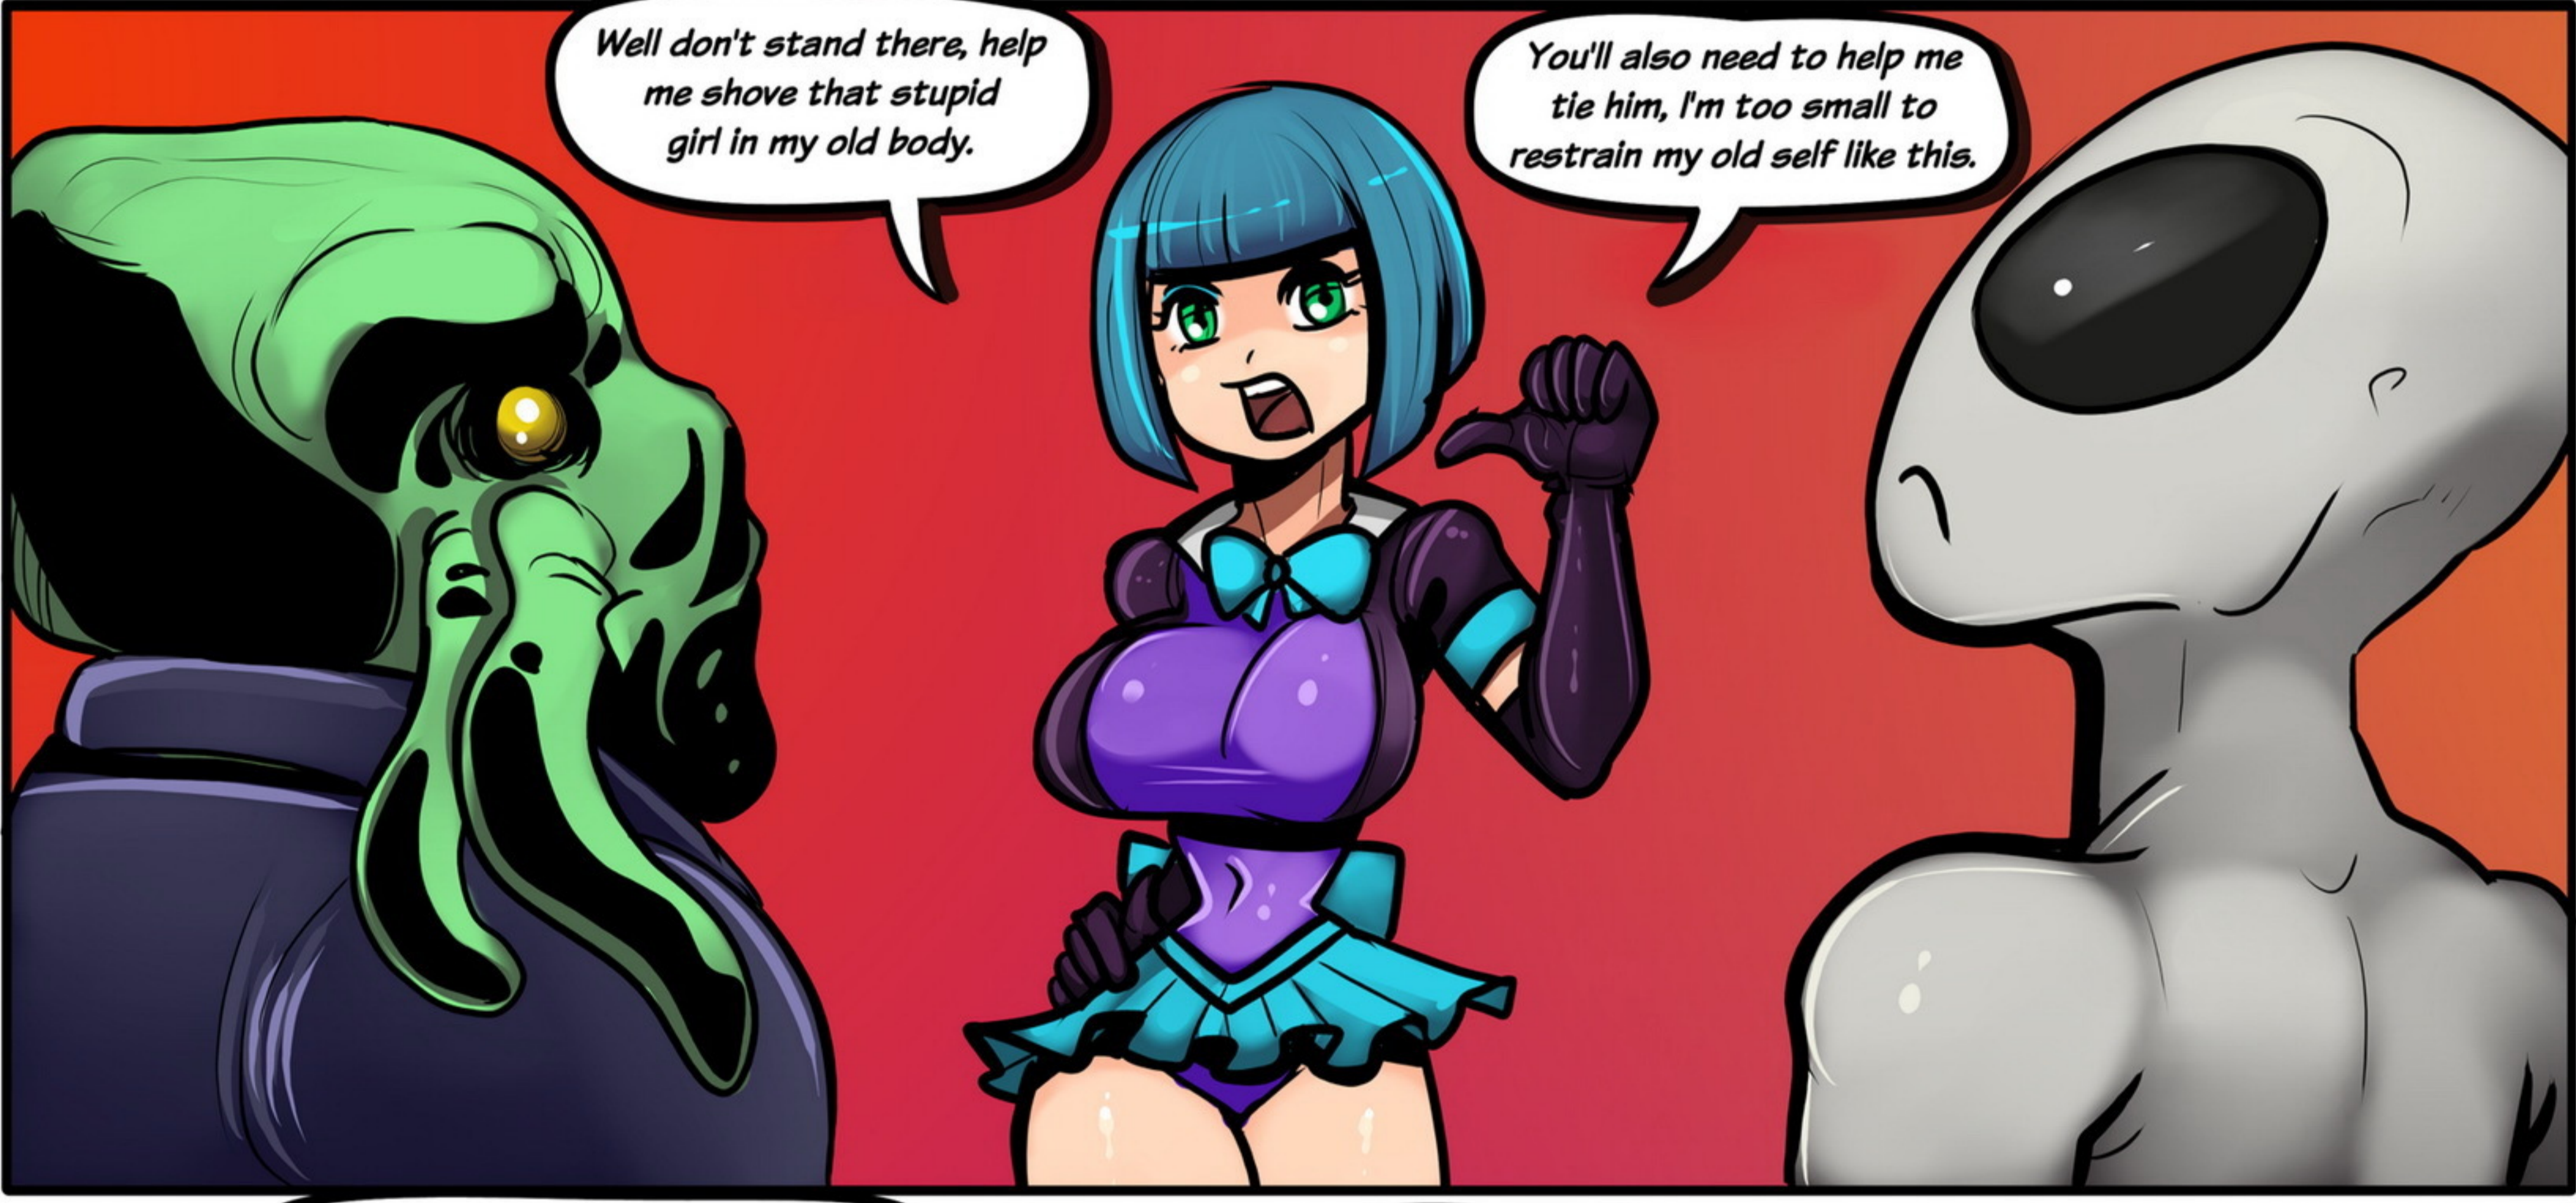

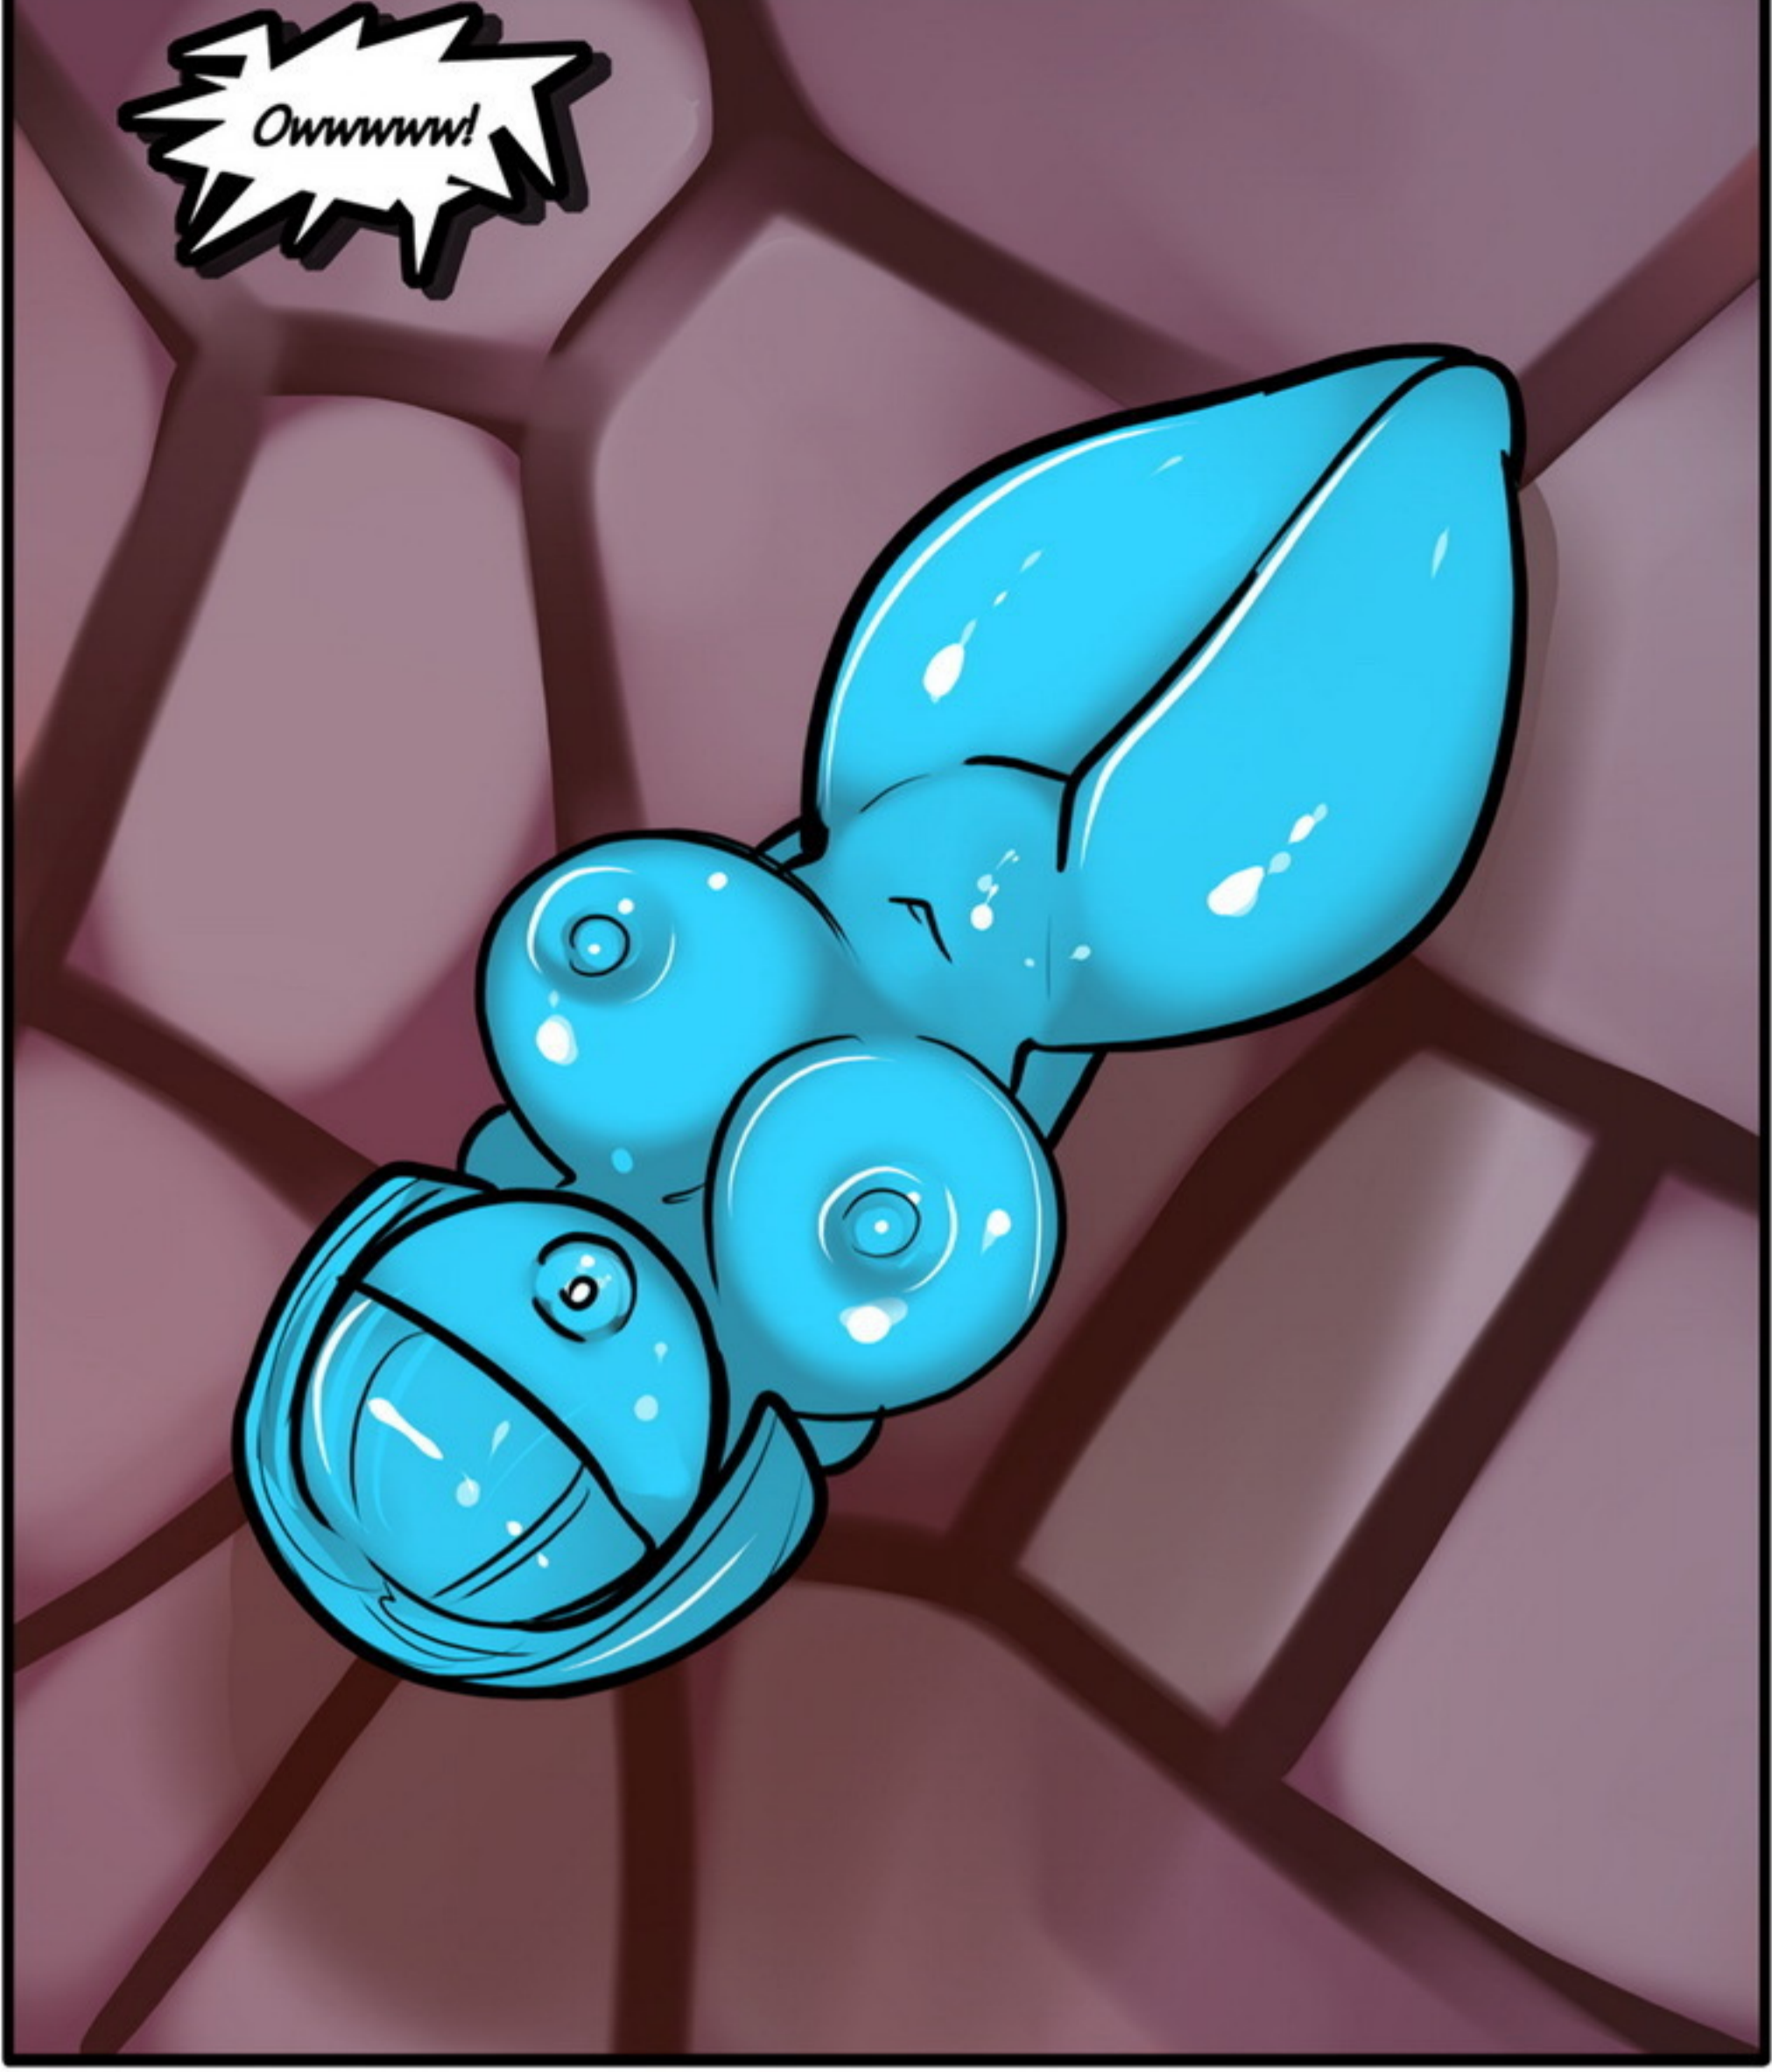

I'll deal with you next week...

Alright rantanplan, don't bite.

Woof!!

Don't come already!
You dumb dog!

Here we go.

Damn, you're too big dog!
I need to spread my pussy.

Oh yes... I can feel it slide in me

This feels better than I
thought, maybe it's not
so bad being in this
slut's body after all.

OHH!
