Isaac was not a good boyfriend.

He had been laid off from his job 4 months ago and struggled to get a new job. Lately he had given up trying, happy to live off his girlfriend Katie's generous salary.

He was more content to lounge around all day playing his favourite video games, than ever helping with the household work.

But Katie's patience was wearing thin and Isaac's life was about to take a dramatic turn.

Yes!

Archers, ready! Fire! Quick, better get my swordsmen and cavalry in position.

Yeah, of course.

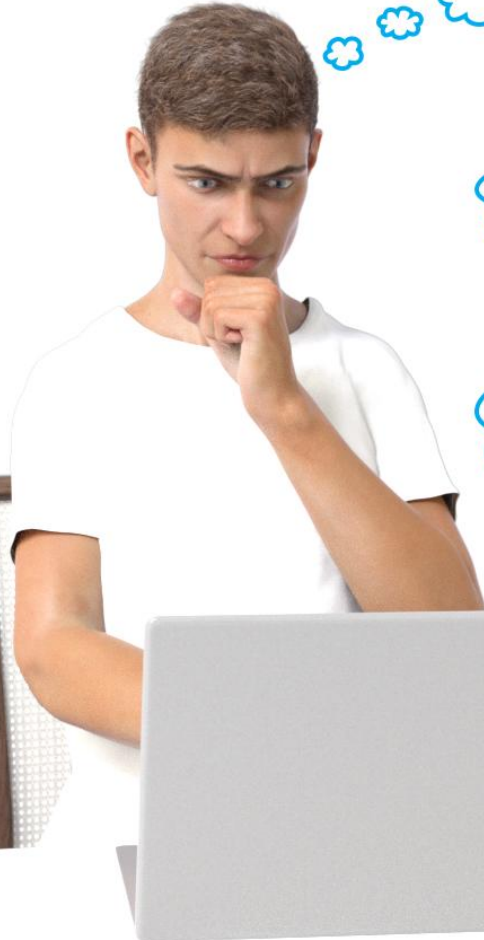

Hahaha we've breached the city defences. Onwards we march!

I'm off to work babe. Don't forget to clean the house today. Tess is coming over for dinner tonight, so I want to have the house presentable when we get home.

Oh wow. It's almost 9am already.
I guess I should make some breakfast
and look at some job listings.

Let's see here. Yep. Another entry level position
wanting. 5+ years experience. Unbelievable.

How am I meant to get a job when I'm
competing with people that have full portfolios
of work and actual industry experience.

Wait is that the time? Shit, I better get things cleaned up before Katie gets home.

Oh shit.

Fuck. Fuck. Fuck. Fuck.

This place is a mess! I gotta get this cleaned up.

Uh oh. There's so much I haven't done. What's Katie going to-

I'm sorry. I'll clean it all up now.

I know. I'm sorry. I got distracted. I lost track of time.

Hey babe, I'm home. How was- Woah. That's a lot of mess. What happened?

Isaac! Tess is going to be here in a minute.

I'm going to get changed. Make sure you let Tess in when she arrives, and please be nice.

Shit. I am so in trouble.

I need to finish cleaning up before Tess gets here. She hates me enough already. She's just so intimidating. I can never find the right words to say anything to her.

I can at least get the dishes and clean the floors before she gets here. At least the house will look presentable then.

I did a fair bit tonight though. I cleaned our room, the study and bathroom, as well as took in, folded and put away the washing and then put on another load of washing.

Like that will ever happen.

Cleaning the house is not that tough, Isaac.

All things that should have been done during the day. Tess and I would have liked you to join us tonight. I know you two don't get along, but I'm sure you would if you just spent some more time together.

What do you mean 'a good start'?
I cleaned half the house tonight.

No.

Anyway, what you did
tonight was a good start.

You tidied half the house tonight Isaac, you didn't
clean it. Did you dust? Did you sweep, vacuum
and mop the floors? Did you clean the shower
and toilet? Did you iron my shirts and blouses?

A woman with her hair in a bun, wearing a green dress with a purple floral pattern, stands with her arms crossed. She has a thoughtful expression. To her left is a blue thought bubble, and to her right is a green speech bubble.

Exactly. But that's ok, you can do those jobs tomorrow.

Here we are. Got my list of things to do today. If I start with the harder tasks and get them done this morning, I can get the easier things done this afternoon. Who knows I might even have some 'me' time later.

yawn

I was up half the night thinking about how I've treated Katie recently. Not only has she been the main breadwinner, but she also comes home and does most of the housework.

I haven't given her, or our relationship, enough respect. But at least I can do something about it.

Monday July 18th 2022

12:03pm

Holy crap. I'm exhausted! This is taking way longer than I thought. I haven't even ticked off half of my morning list yet!

At this rate I'm never going to finish this list by the time Katie gets home.

There's no way I'm going to be

Huh? What?

Over the next few hours, Isaac works feverishly to complete the tasks on his list. Fighting a losing battle, he eventually tries to make sure all of the obvious tasks are done.

Shit. Shit. Shit. There's still so much to do.
Maybe if I can get this rubbish out, it'll

can get this out before Katie gets-

I'm OK. What happened?
This place is a mess!

Oh shit, sorry. Are you ok?

I know. I'm sorry. I tried, I really did. But after cleaning the ensuite and the second bathroom, I sat down for a rest. I don't know what happened but I fell asleep. When I woke, I rushed to do as much as I could.

Monday July 18th 2022

5:36pm

Oh come on. Really??

Isaac, you knew I needed this blouse for tomorrow's meeting with KPM Machinery.

Urrrgh. You are so frustrating sometimes. This was the ONE thing I needed from you today!

I'm sorry Katie, I completely forgot the washing was in the machine. I meant to hang it out after lunch.

That blouse has helped me finalise numerous contracts. It's not my fault my male clients are so impressionable when I show some cleavage.

I know it's tough for you, but you can trust me Isaac.

I said I was sorry. Besides, you know I don't like you wearing that blouse.

I know I can, Katie. It's just-

Enough Isaac. I'm the one paying the bills around here. My ability to close these contracts is the reason I earn enough so that you haven't had to work. Now all I'm asking from you is to keep the house clean whilst I earn the money.

No Isaac, you barely did anything. I usually do more when I come home from work, or don't you remember the last 4 months?

Ok, I'm sorry I didn't hang the washing out, but I did a fair bit of work around the house today.

I usually come home after work to find you on the couch, which you haven't moved from all day, and make dinner, wash the dishes and then clean the house. I don't even have time to change. I am usually still wearing my work clothes, including these damn heels!

It's not that bad, you wear heels all the time. It's not like they restrict your movement or anything.

That little shit. I know he's probably just frustrated 'cause he isn't getting the acknowledgment he wants from doing some housework, but that's too far. His ignorance needs to be brought to heel.. So to speak.

Is that what you really think Isaac? Do you think it's easy to walk around in 4-inch heels? I'd like to see how you handle these!

In fact, I think it would do you a world of good.

Tuesday July 19th 2022

7:32am

Come on Katie, do I really have to do this?

But is this really the best way to do it?

That's only because you know how to walk in these.

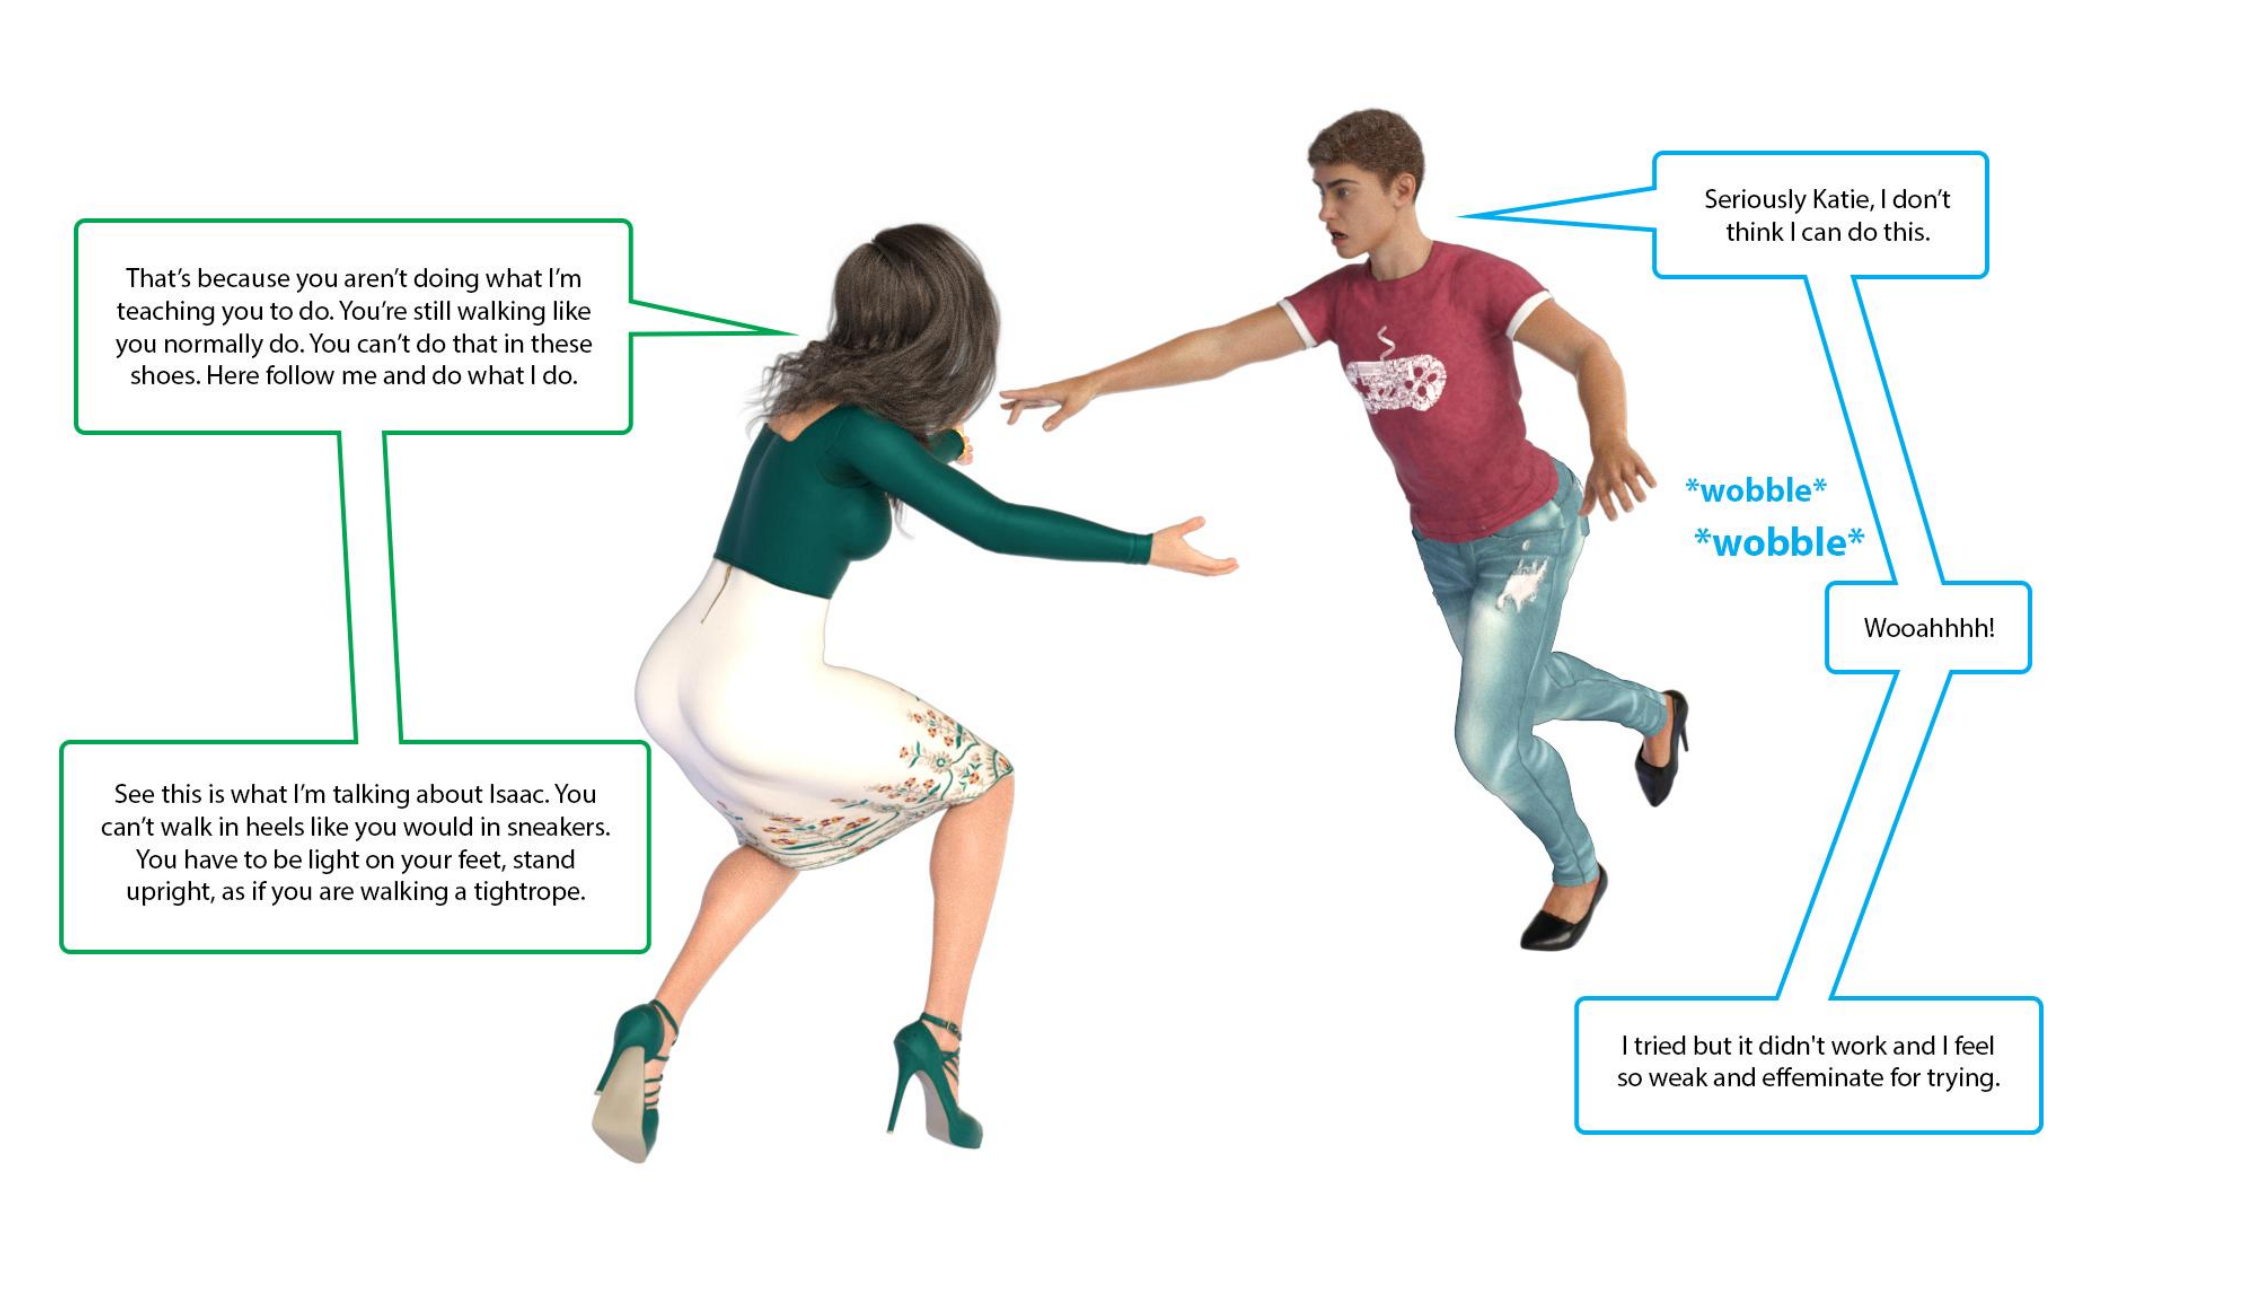

Yes you do Isaac. You said that it's not that hard, so you're going to prove it.

sigh

Yes Isaac. It'll be a good lesson for you. Now quit complaining, 'it's not like they restrict your movement' anyway. Remember?

Well why didn't you say so? Let me show you how to walk in those.

That's because you aren't doing what I'm teaching you to do. You're still walking like you normally do. You can't do that in these shoes. Here follow me and do what I do.

See this is what I'm talking about Isaac. You can't walk in heels like you would in sneakers. You have to be light on your feet, stand upright, as if you are walking a tightrope.

Seriously Katie, I don't think I can do this.

wobble
wobble

Wooahhhh!

I tried but it didn't work and I feel so weak and effeminate for trying.

It will work honey, but you have to let go of your male pride. I know this isn't what you want, but your ego is getting in the way of you getting used to these heels.. Let's try again and get you walking in these heels.

That's a lot better babe. You were much more sure on your feet this time. You'll have this down pat in no time. This time, try doing this.

Ha, he copied me exactly. If he keeps that up he'll develop a naturally sexy little sway to his walk. This could end up being quite fun.

Tuesday July 19th 2022

11:09am

Damn it. Stupid heels.

Ohhhh this feels so good. There is no way anyone could last a full day in those things.

These heels are torture. My toes feel like they're being crushed and my arches have been stretched to their limit. But worst of all is the tightness. I feel like I have about 3 blisters forming already.

I certainly won't be giving Katie a hard time about how easy it is to walk in heels any time soon.

Tuesday July 19th 2022

3:48pm

This is so much easier without the heels.
Not only do I not have to deal with it digging
into my feet, I can also move so freely now.
It makes these chores so much easier.

I'll simply put the heels back on before Katie gets
home and then show her my feet. There's no way
she can complain that I can continue like this.

Tuesday July 19th 2022

5:36pm

Honey, I'm home.

Hmm, the place doesn't look too bad. I think he's done a decent job here. Maybe he has learnt his less-

Or not. Aren't those the shoes he's meant to be wearing laying there by the couch? I can't believe he has disregarded my instructions and removed the heels!

Wait. Take a deep breath, Katie. Maybe it's not that bad. Maybe he only took them off once he finished for the day.

Hey Isaac, how did you go today?

And how did you go with the heels?

It was good, I think. I just finished everything up for the day. So I'm all yours.

Well, the thing is, you see.
Well, this is what happened.

Ok. I'll just tell you the truth. They hurt, ok?
The arches of my feet hurt all morning
from walking in them and they completely
threw off my balance when I was bending over.

But I could deal with all of that, that wasn't the worst
part. The worst part, the part I couldn't deal with, was the
rubbing against my foot. I felt like my feet were burning.
Those shoes were too tight and look, they are still red.

Oh my god. Isaac, that looks horrible. I'm sorry. I didn't
think about how you're not used to wearing heels. Come
with me and I'll get some cream for you to soothe it.

Tuesday July 19th 2022

5:54pm

Hey, I'm sorry about your feet. You did a good job today with the cleaning.

I'm glad to hear it, babe. Oh, I have a solution for you so you don't get sore feet tomorrow.

Thanks Katie. I enjoyed it actually, well the cleaning part, not so much the tight shoes.

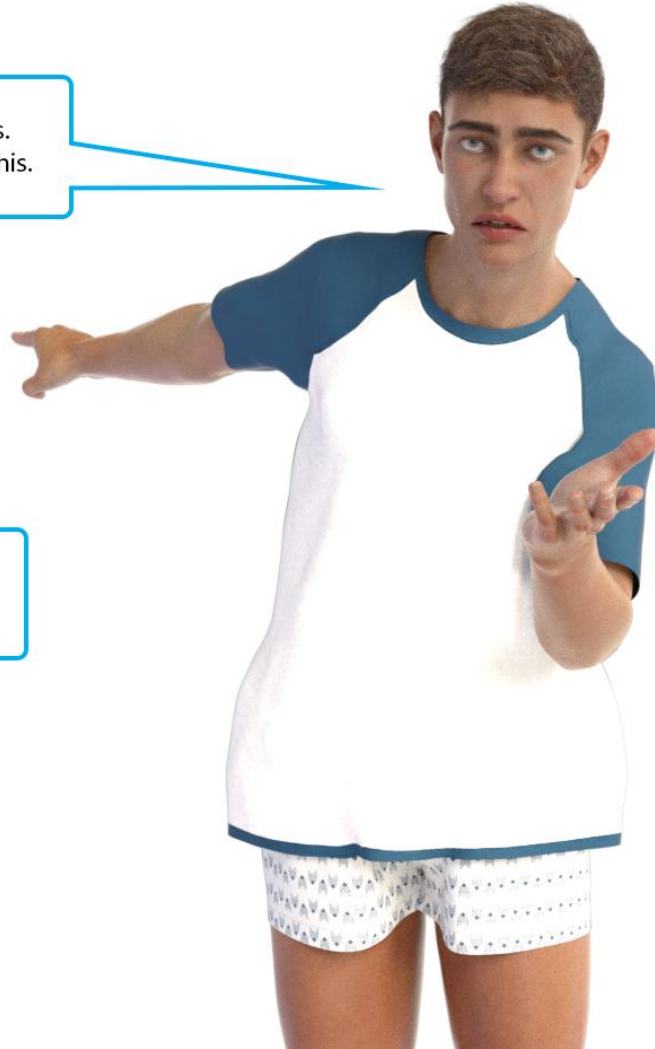

Great, no more heels. That's a relief.

Wednesday July 20th 2022

7:21am

Katie, this is ridiculous.
You can't make me do this.

I-I was kind of hoping that I wouldn't
have to wear those heels anymore.

You're right Isaac. I'm not going to make you
do this, but you complained yesterday that your
heels were rubbing and this is the solution.

Well you are right on one point.
You won't be wearing *those* heels.

Yesterday's heels were a little too tight on your feet, so I think these will be more comfortable for you today.

Oh please. That's what you said yesterday and you handled those heels like a pro.

Not to mention that sexy little wiggle you developed, my love. I can't wait to see what effect these taller heels have on your walk now.

No, uh-uh, no way. Those are way too high. There's no way I'll be able to walk around in those. Look at those heels!

Here, I'll help you with the garter belt just this once. You'll have to do this yourself in the future.

Point your toe honey and I'll slip them up your legs. Be sure to pay attention because you will be doing the other one.

The future? Why would I be wearing them in the future?

Oh my. That doesn't feel too bad, and look at how feminine my leg looks. I never noticed just how skinny my legs were until now.

Now it's your turn, Isaac. Just remember to do what I taught you.

Look at him. He's mesmerised by his stockings. I think he might actually like the feel of them as well.

I can't deny that his legs do look good in them. Although the little hair he has on them does look a little out of place.

Come on, spill. You've been distracted all day, what's on your mind?

Nope, not buying it Kaitlyn. There's something up with you and you're going to tell me.

Oh, hi Tess. Yeah, it's fine.

It's nothing Tess, just a little preoccupied that's all.

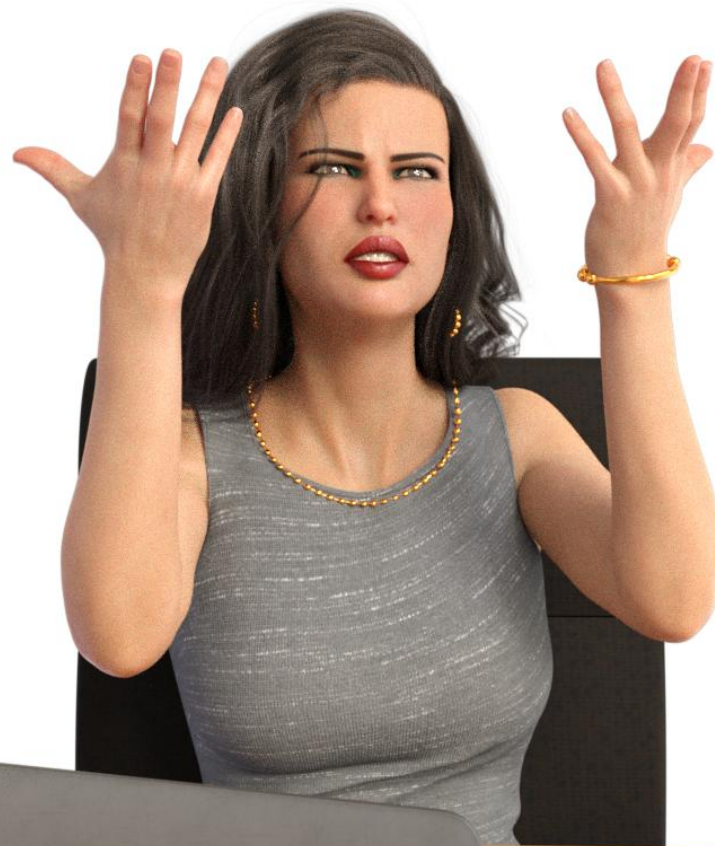

God I hate her. When she's in this mood, nothing will stop her from getting what she wants.

Really Tess, it's nothing. Just swamped with work, that's all.

...

...

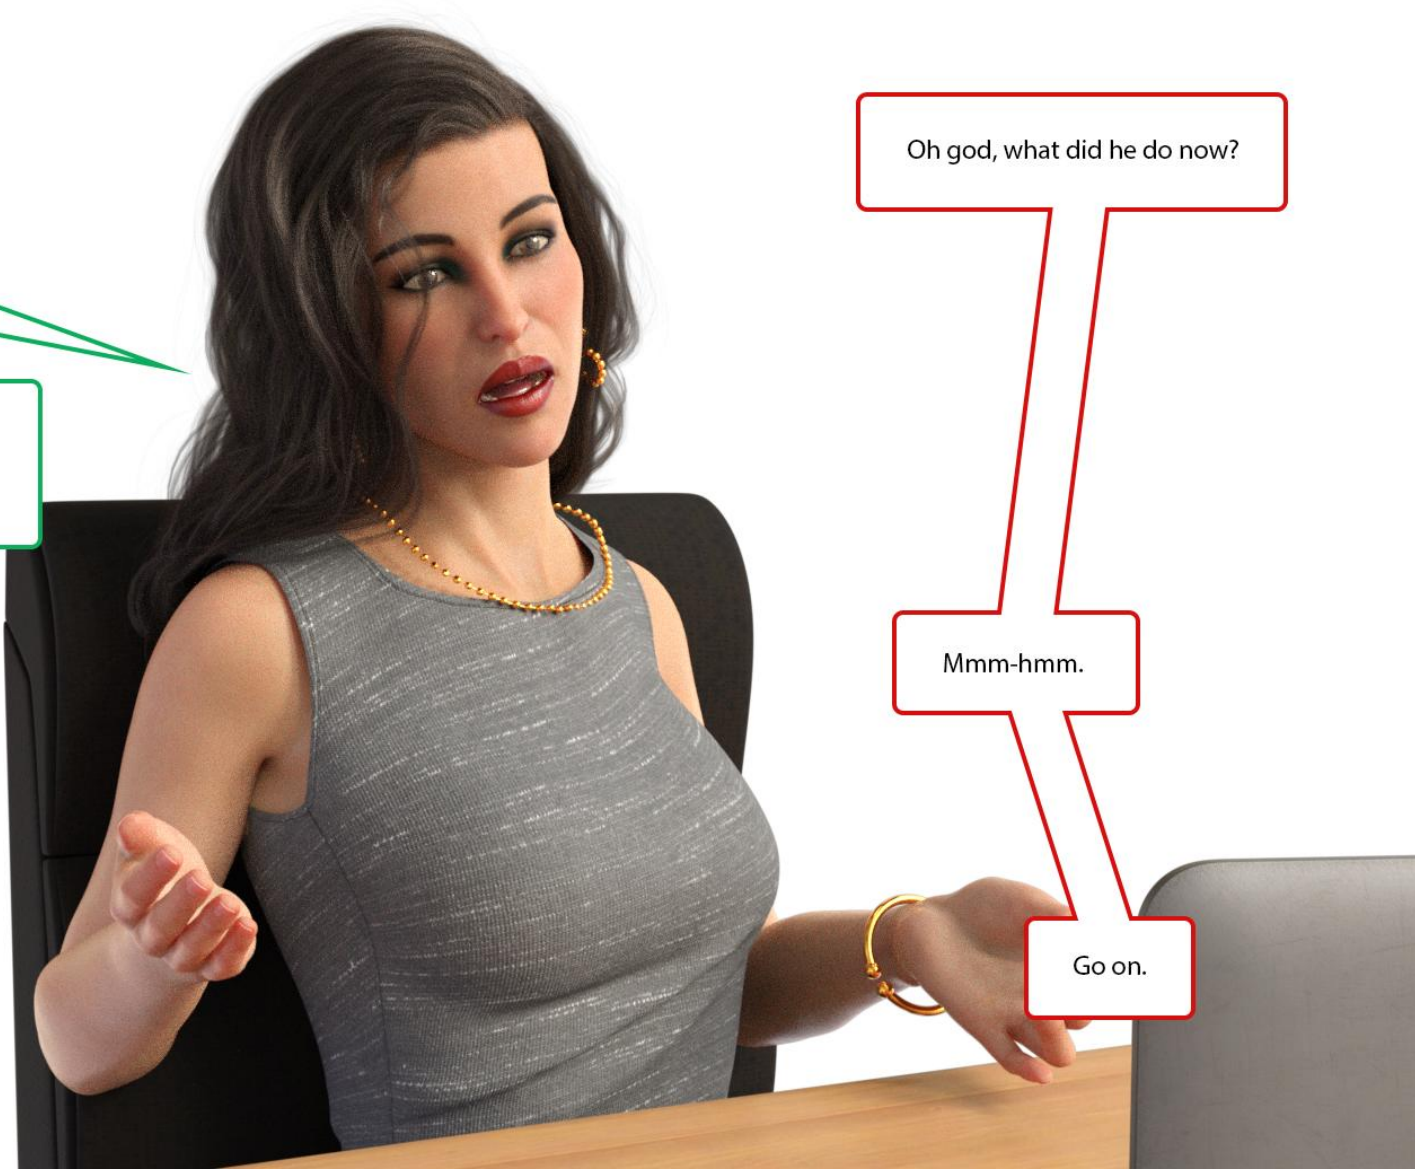

Fine, it's Isaac.

...

...

...

No, nothing. It's.. well it's complicated.

Ok, fine. You win. You remember our discussion the other night around getting Isaac to help around the house? And the punishments you suggested?

Well they are working, but not for the reasons we intended.

Oh god, what did he do now?

Mmm-hmm.

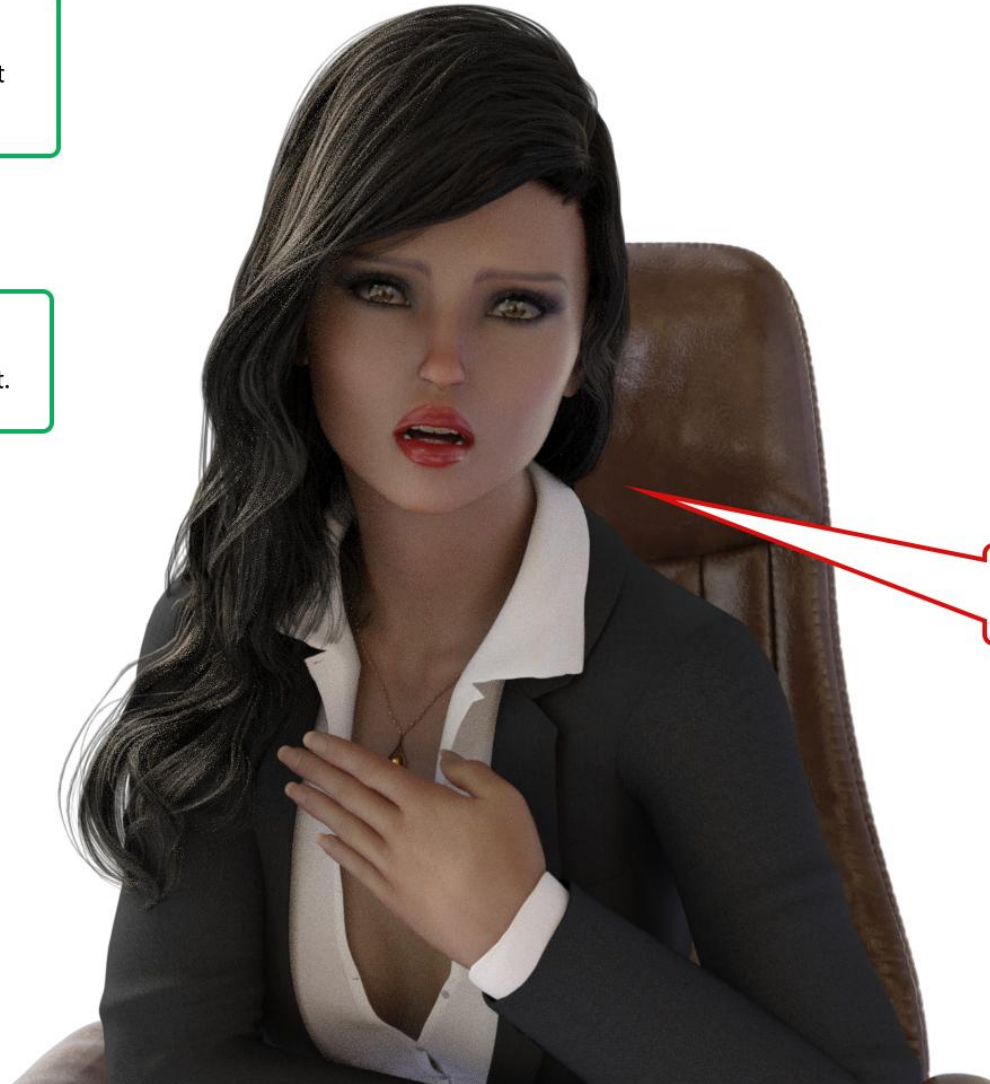

Go on.

Ok, so you know how you thought Isaac would be more motivated to 'get off his arse' if he wasn't feeling as.. How did you put it? 'Masculine'?

Well, I've tried it over the last few days, but I'm not sure that it has worked as we thought.

It's ok Tess. In fact, I think it has worked better than we expected.

Oh Katie, I'm so sorry.

Well, you know how you suggested this as a sort of punishment? I think Isaac might like it.

Actually, I think I'm going to lean into it.

Wait. What?

Really? The little guy likes the finer things in life? Well I can't say I'm too surprised. So what are you going to do about it? Dump him? God no wonder you have been distracted today.

What? No, of course not! I'm not like that Tess, you know that.

You think?

Are you telling me that straight laced Katie has a kinky side?

Calm down Katie, it's ok if you like it. It is nothing to be ashamed of. In fact, you should embrace it!

Definitely, girl. Go for it.

Now that is sexy. Although I'd prefer it with his pants off.

Imagine him in just his sexy lingerie bent over like that, as if waiting to be spanked. Ohhh yes. Sexy Isaac is his sexy lingerie.

Maybe we could even get him a matching bra to make it a perfect set. Mmmm, that does sound good.

Ohhh yes, Isaac. You look so sensual in your matching lingerie, especially with that figure of yours.

You fill out that bra so well with your big, round breasts. I bet you'd like it if I ran my finger along your breasts, wouldn't you?

Oh my god. What's gotten into me today? I feel so alive though. I need to find a way to get Isaac further down this path.

smack

Wow, look at the way she can walk in those heels. I hope I can walk that seductively in my heels as well as Katie can soon.

Maybe I could walk around in just my underwear and heels, strutting my stuff as I clean the house.

Imagine how confident I'd be on my 5-inch stilettos. I can picture my arse wiggled with every step, framed by my garters and suspended belt whilst my lacy thong is wedged between my shapely arse.

 *moan*

Mmm, yes I could definitely see myself doing that.

I could even add a matching bra as well.
Something as sexy and daring as my thong.

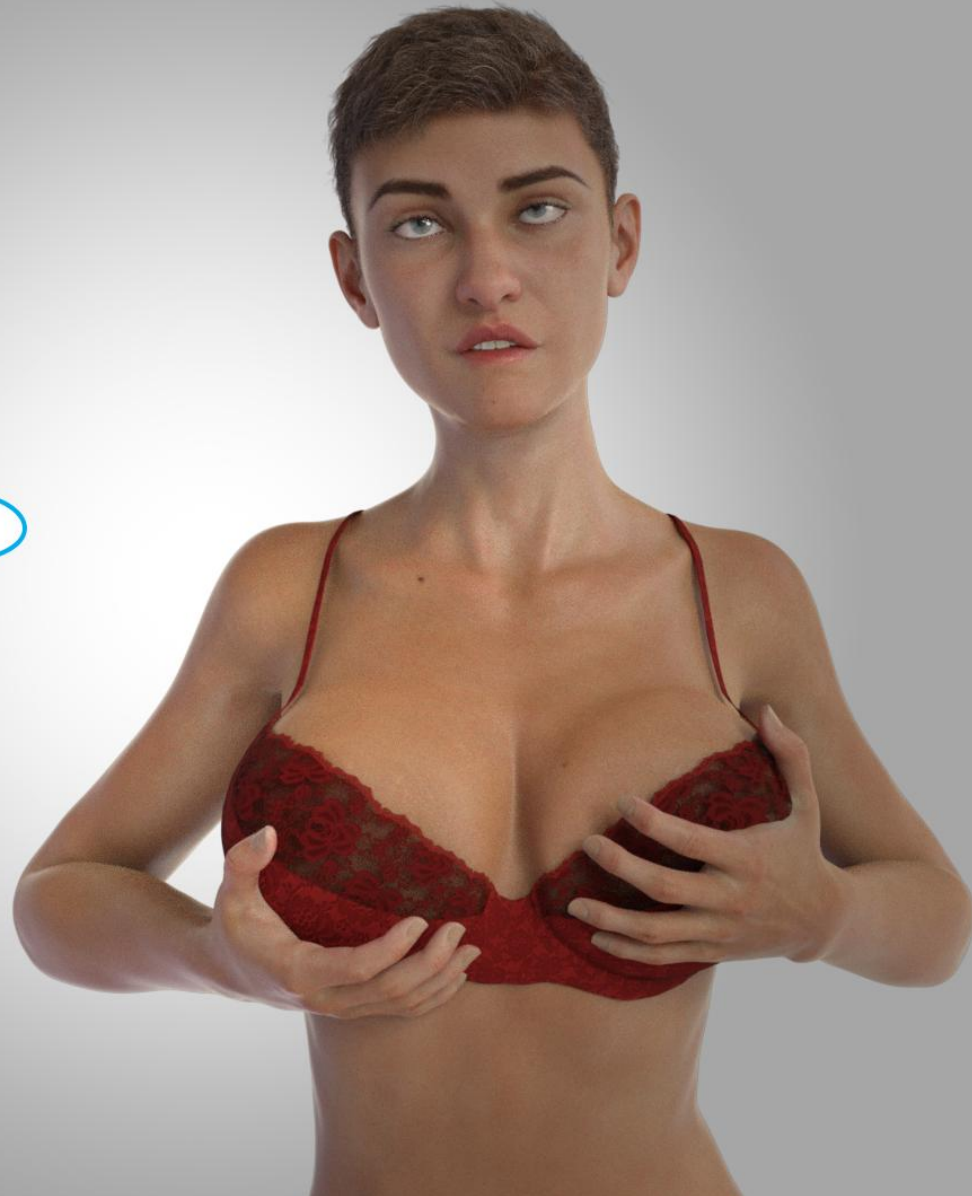

It would be a plunging, lace push-up bra that cradled
my breasts. My big, sensitive, seductive breasts.

moan

Ohhh wow. They feel amazing in

Isaac. Come here please.

What? Oh shit. What was I just thinking? I shouldn't be wanting to walk like a catwalk model in stilettos.

These clothes are clearly having an effect on me. Maybe I should get Katie to stop.

I believe cleaning these floors was on your list of things to do today, was it not?

You seem to be balancing on them fine now. Not to mention the position you were in when I walked in the door.

It was, but I didn't get to complete everything on my list. These heels slowed me down. I can hardly balance on them.

Nevertheless. You didn't finish your tasks and that incurs a punishment.

Now, considering that you have completed most of your tasks, your punishment will not be as severe.

That took so much effort, not to mention how slowly I had to bend. Plus I had to steady myself before I could begin cleaning.

Thursday July 21st 2022

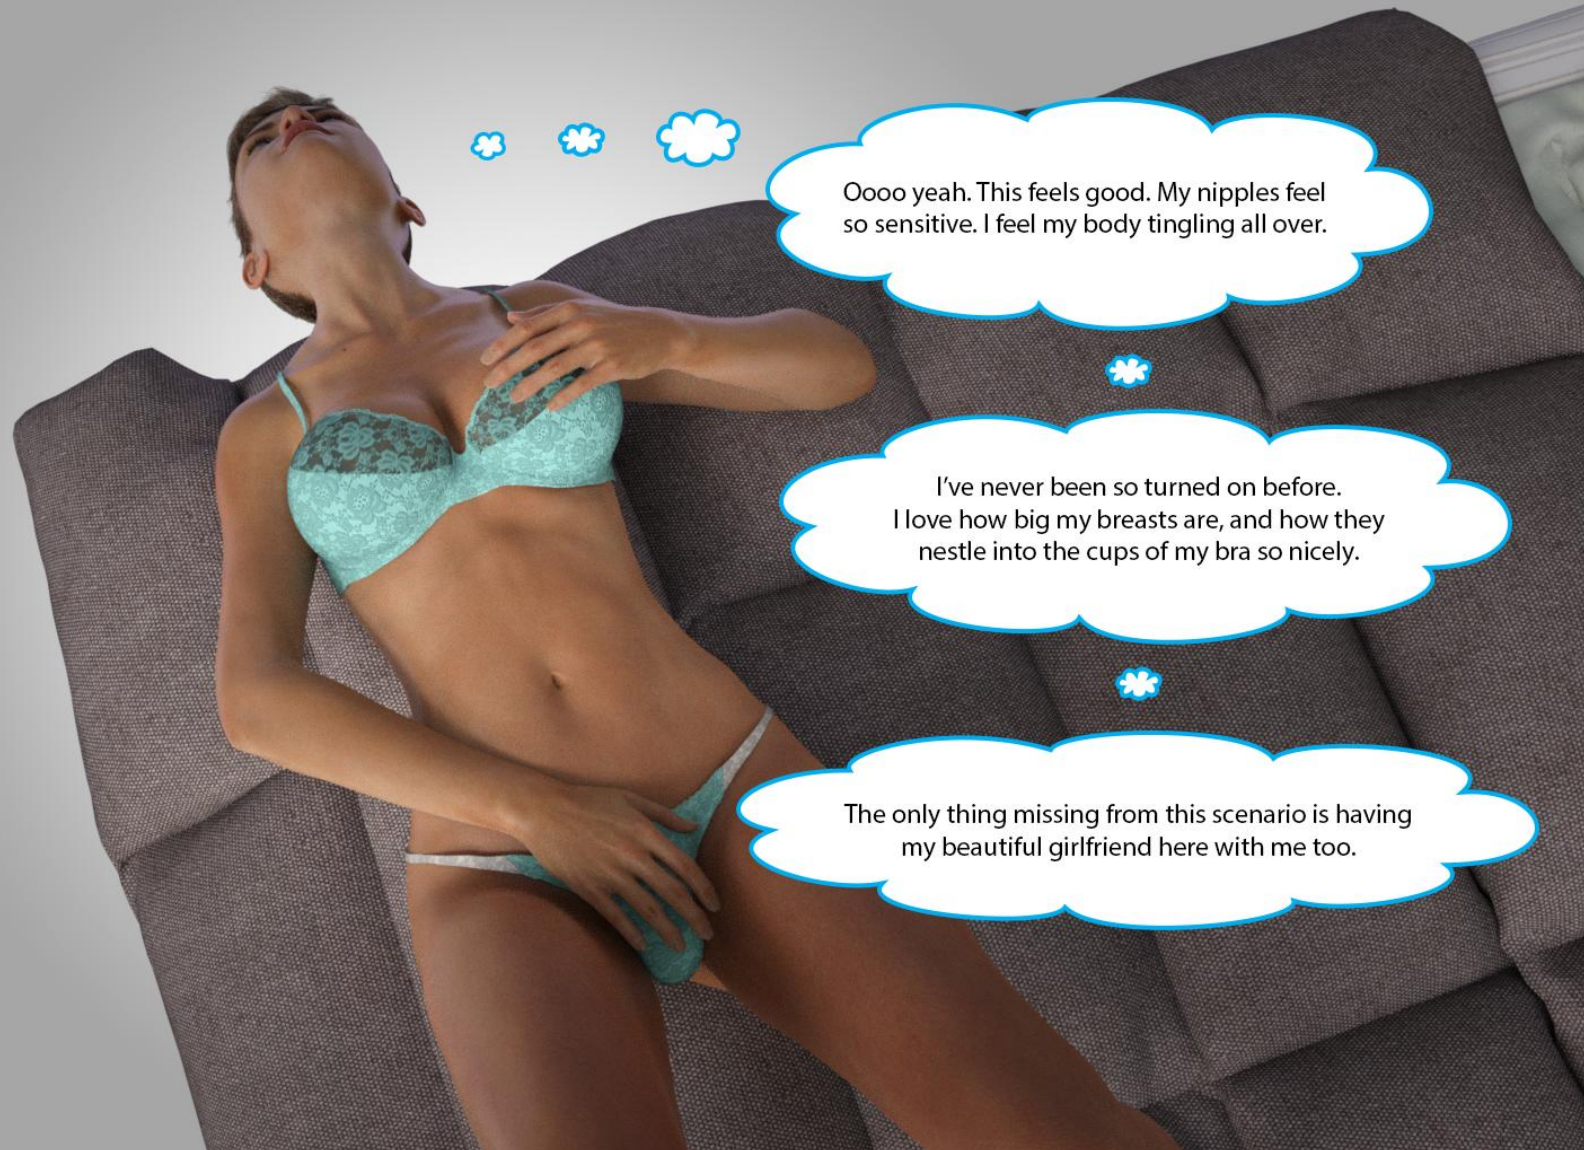

7:12am

Oh wow, this feels amazing. If I'd have known this would be the result, I wouldn't have resisted the suggestion last night.

This feeling far outweighs how emasculated I felt when I removed all of my body hair last night. I can put up with a few minutes of Nair discomfort for how amazing stockings feel on my smooth legs.

Mmm this really does feel great...

Oooo yeah. This feels good. My nipples feel so sensitive. I feel my body tingling all over.

I've never been so turned on before. I love how big my breasts are, and how they nestle into the cups of my bra so nicely.

The only thing missing from this scenario is having my beautiful girlfriend here with me too.

I have a surprise for you Isaac.

Isaac.

Isaac.

Isaac.

Mmmm, that's what I like to hear. Come to me, baby.

clunk

clunk

What the? Oh shit. That was so erotic.
I can't believe how turned on I was by that
scene. I'm so hard, I can barely stand it.

I can't let Katie see my erection.
I don't want her to think less of me.

Holy shit. Those heels are huge. Katie can't
seriously think I could wear those. Could she?

Don't give me that look. You've complained
about the height of your heels every day so far,
and yet you are still able to walk in them.

Yeah but...

Uh Uh. I don't want to hear it, Isaac. You are wearing them and that is final. But before you do, put this on.

slap

Huh? What's this? Holy... it's a fucking bra. What is Katie playing at here. Surely I don't need this to clean the house?

How do I even get this on?

A woman with her hair in a bun, wearing a white top and a gold necklace, is adjusting a pink lace bra on another woman. The second woman has short hair and is looking towards the first woman.

Come here. Since it is your first time, I'll help you out

wink

Don't worry, you'll get better over time. No one's masters a skill the first time they do it. There, perfect

Oh my. That's certainly different. Heck it's so tight and padded that it's pushing my chest up to form little boobs. How can that even happen?

Holy moly. These heels are going to be hell. Look at how they come down to a point. They're not going to provide much support at all.

How am I going to spend a whole day cleaning in these? But I guess Katie wears heels this high to work sometimes. I just have to get used to them I guess.

Come on, Isaac. Let's see how you go with these heels. Remember all that I have taught you and you'll be fine.

This is actually kind of fun. It's like I'm constantly walking a tightrope and I'm not allowed to fall. I thought these higher heels would be a disaster, but it's pretty similar to the others.

The only difference is that I have to be more careful of my weight transfer for each step. But if I sway my hips like Katie taught me then I can manage it.

In fact, I wonder if it would be even easier if I swayed my hips a little more.

If I didn't know any better, I'd say Isaac had been wearing heels his whole life. He's such a natural in them it's incredible.

Not only is he stable in those monster heels, he's so graceful and elegant in them it's weird to see a male body attached to it.

Although his walk doesn't look very manly at the moment. The wiggle that he has developed is just so damn sexy. I could watch that arse sway back and forth all day.

shiver

He has always had a great arse, but those heels just make it look so perky. It makes me want to grab it and spank it. I'm getting sooo wet, I can't take much more of this.

Why am I enjoying this so much? No man should enjoy being dressed in lingerie and high heels and made to clean their house.

But here I am dancing to pop music like a teenage girl, and probably managing my heels better! What does this say about me? About who I am as a man, as a boyfriend? Katie isn't going to respect me if I am enjoying this.

These heels are so sexy though. The sound they make as I click my way through the house, the way my posture is changed, and how careful I have to be with my steps.

It all adds up to such a tantalising image. I've always admired heels as a seductive item of clothing, but I never imagined I would be wearing it.

Today's failure cannot go unpunished. But your punishment needs to fit the crime.

I'm going out for a few hours. I need to pick up some things.

Friday July 22nd 2022

6:58am

Holy shit. When Katie came home last night with an armful of bags, this was not what I was expecting. I'm not sure what I was expecting, but this certainly isn't it.

Look at the size of those things. They're huge. Although, now I think of it, they're about the size I had in my daydreams.

I wonder what they'll look like on my frame. Will they look too big on me?

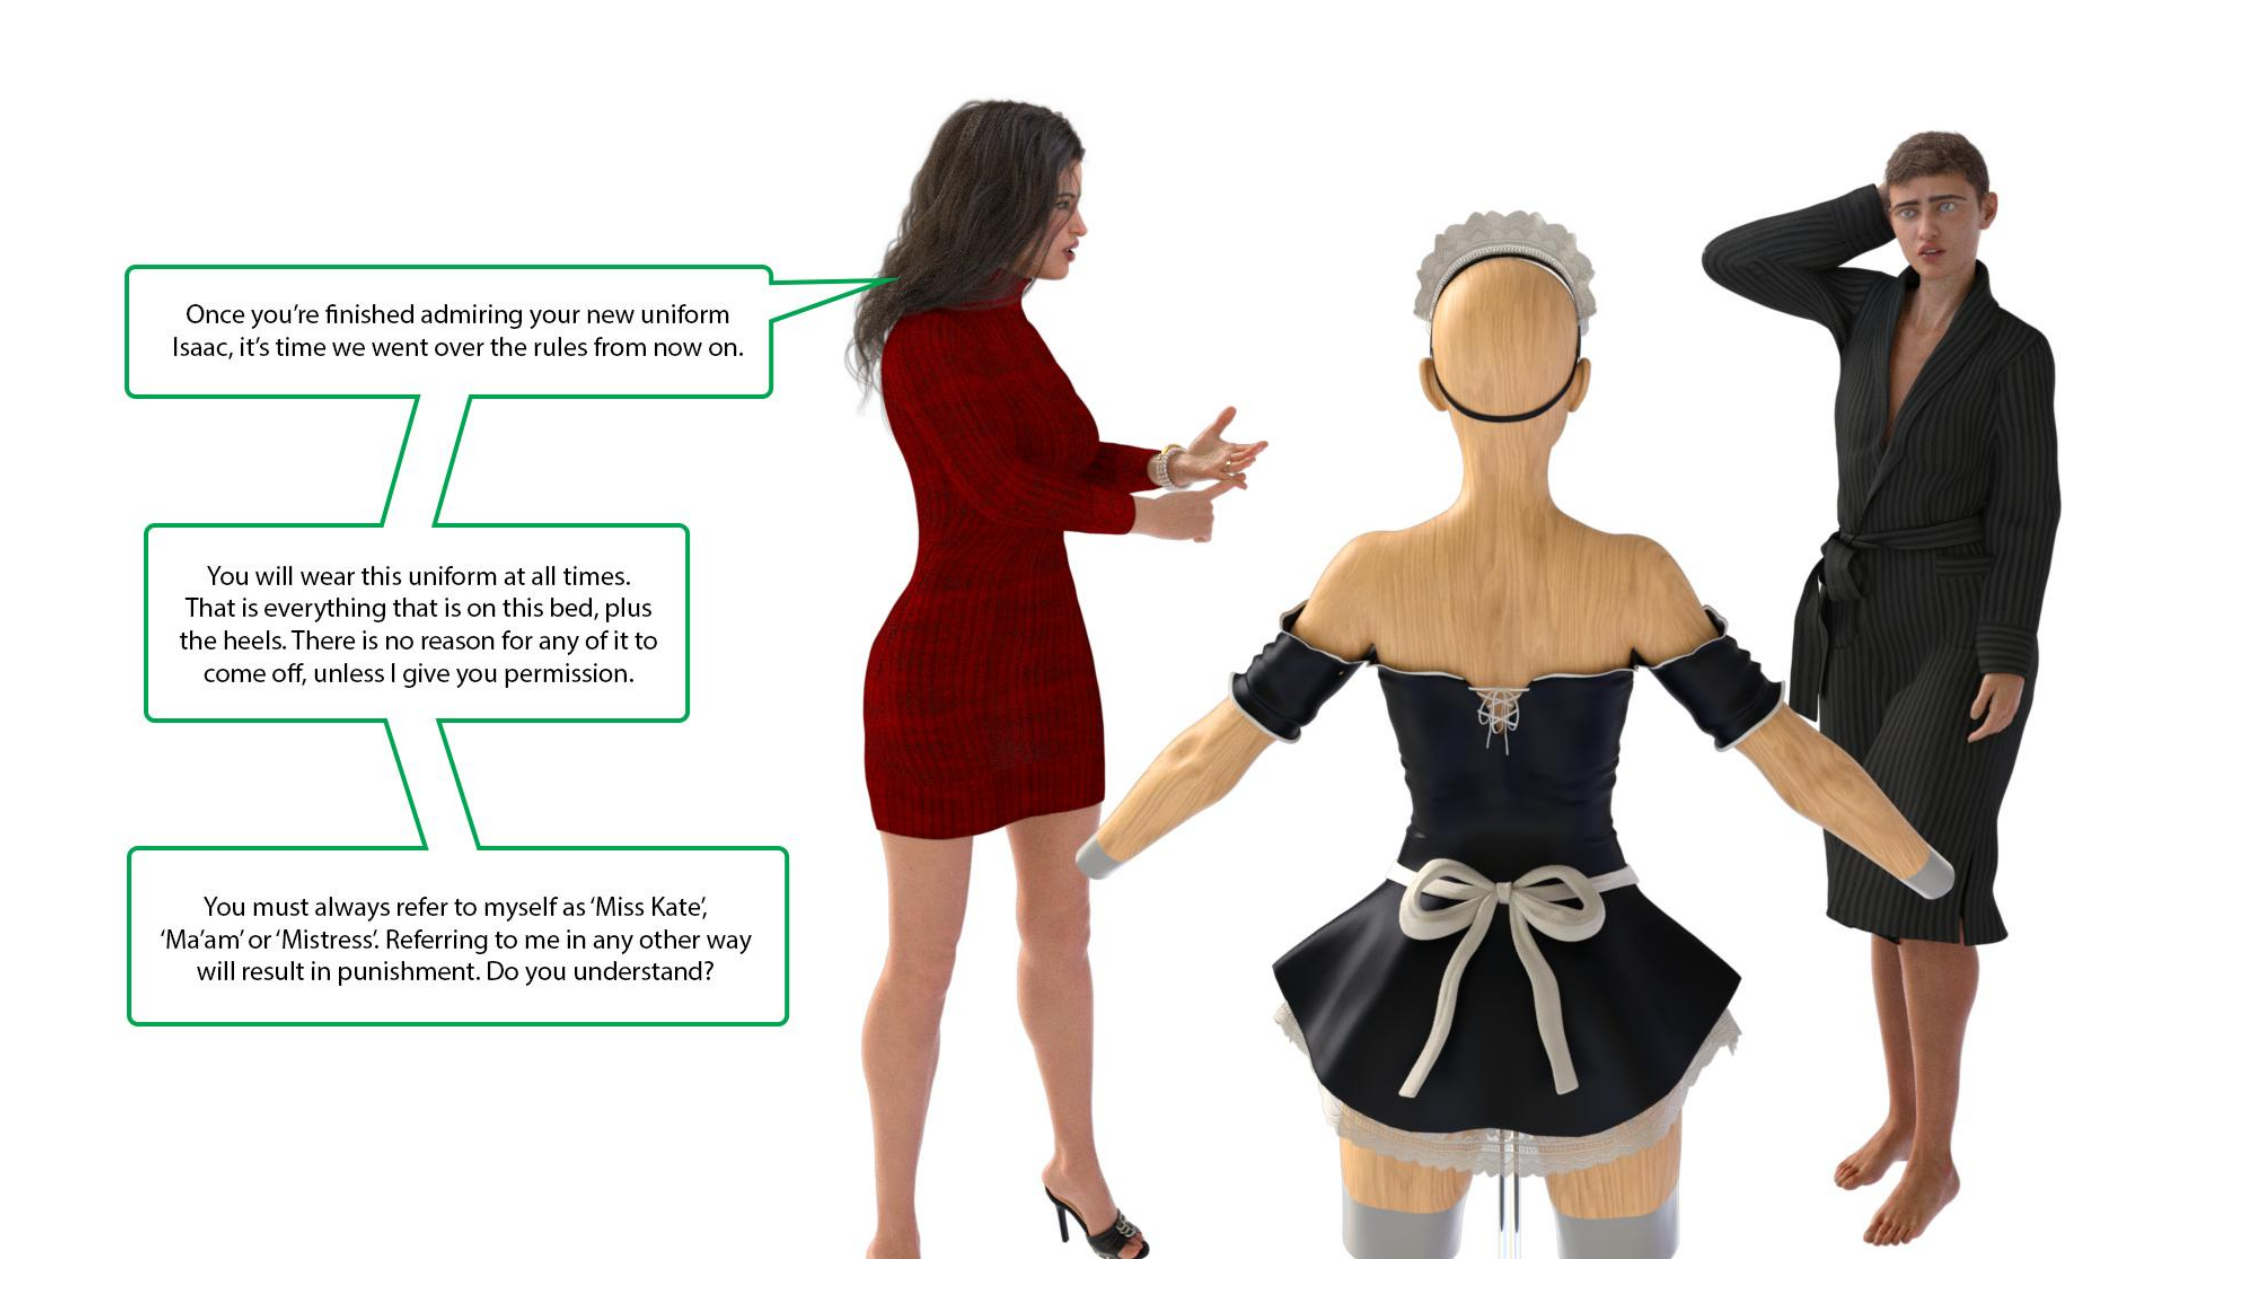

And that's not to mention the rest of what she bought. The underwear is frightful. I mean, that corset is going to be a killer. Plus those heels look just as dangerous as yesterday's pair.

But the pièce de résistance has to be the French Maid uniform. She really went all out with this. It has petticoats and everything.

A woman with long dark hair, wearing a red, long-sleeved, form-fitting dress and black high-heeled sandals, stands on the left. She is gesturing with her hands as if speaking. In the center is a mannequin dressed as a maid, wearing a black dress with a white apron, a white headband with a lace trim, and black gloves. On the right, a young man with short brown hair, wearing a dark grey, ribbed bathrobe, stands with his left hand on his head, looking towards the woman. The background is plain white.

Once you're finished admiring your new uniform Isaac, it's time we went over the rules from now on.

You will wear this uniform at all times. That is everything that is on this bed, plus the heels. There is no reason for any of it to come off, unless I give you permission.

You must always refer to myself as 'Miss Kate', 'Ma'am' or 'Mistress'. Referring to me in any other way will result in punishment. Do you understand?

Very good. You will complete all tasks assigned to you for that day, no questions asked. Dinner must be ready to be served when I get home, and you are to do the dishes every night after dinner. Any objections?

Good. With that in mind, let's get you dressed.

Yes, ma'am.

N-no Miss Kate.

Holy crap, these are huge.
They must be at least a D-cup.

Wow, that saleswoman was right.
This state-of-the-art breastplate really
doesn't have any seams at all.

A digital illustration of two women. The woman on the left has long dark hair and is wearing a red, long-sleeved, ribbed dress. She has a stern expression and is looking towards the woman on the right. The woman on the right has short brown hair and is wearing a black lace corset with white lace bustier and garters. She has a pained expression and is holding the front of her corset. Two speech bubbles are present: a green one on the left and a blue one on the right.

Quit your whining Isaac. It needs to be this tight to fit into your new dress.

Ow. Ow. Ow. Ow. It's too tight!

shiver

Mmm this feels so good. Why does rubbing my stockings together make me go all tingly?

A woman with long dark hair, wearing a red turtleneck sweater, is shown from the waist up. She has her hands clasped in front of her and is looking towards the left. To her left is a thought bubble containing text. Three small flower icons lead from the bubble to her head.

Oh gosh. Isaac sure does look scrumptious in his underwear. I can't wait to see him in his new uniform.

This can't be real. How can something feel so amazing?

These petticoats are tickling the tops of my thighs and it's invigorating.

Shit. I'm getting hard. All these sensations are coming at me at once. It's lucky this skirt covers my erection.

Oooo la la. This is kinda fun. I mean the corset is still killing me, but the rest feels very sexy.

I can't get enough of this. From the heels all the way up to my new boobs, I've never felt like this before. I've never been so aroused.

How am I meant to clean when I'm so turned on?

shiver

He looks sooo good. I can't believe how incredible it is to see my boyfriend dressed up in his little maid uniform.

Not to mention how good he looks. That uniform I bought was definitely one size too small, but that corset does wonders for his figure!

Of course, it's helped by that rather impressive bust he now has. The lady in the store was definitely right, DD cups were the perfect choice for his frame.

I must say, Isaac looks so scrumptious in his new lingerie. The red against his pale skin really frames his ass well, especially with that thong wedge between his cheeks.

And those breasts. Mmm I can't get over how incredibly stacked he is. And the way his hair cascades down over his shoulders... wait, long blonde hair?

Blonde does suit him though. It gives him a playful exuberance that is really hot.

I could watch him all day with his sexy little wiggle and his hair bobbing with every step.

moan

All of these naughty thoughts are coming so fast it's hard to think. That ass is so spankable I could just-

smack

Mmmm, Katie.

Katie.

Katie.

Katie.

Yeah you liked that didn't you, you naughty girl?

Huh?

Earth to Katie. Don't you think this dress is a little short?

Nonsense, it's the perfect length for a sweet little maid like yourself.

You also know that's not the way to address me when in uniform, is it?

Sorry, Mistress. It won't happen again.

See that it doesn't. Now, I need to get to work, I trust you know your jobs for today?

Yes, ma'am.

How am I meant to get anything done around here?

I've been hard as a rock since I put on this dress. I can feel it bouncing around under my skirt with every step. It's getting tickled by the petticoats as it swings from side to side.

It feels soooo good. I just can't get enough of this.

5:32pm

What a day! This has easily been the most intense day I've ever experienced. Every move has me on edge, as if I'm going to explode at any moment.

It's a miracle I haven't cum yet. It's taken every ounce of my self control not to play with myself today.

But I knew if I did I'd be wasting precious time, and I'm glad I held my nerve. Everything on the list has been completed and dinner will be ready in just a short while.

Hello my love. You look like you've had a productive day.

What a day at work. I'm so glad to be home.
I-is that dinner I can smell cooking?

Mmm I forgot just how scrumptious
Isaac looked in his maid uniform. I could really get
used to this level of service.

shiver

Ok great. I'll freshen up and be back for dinner.

tingle

shiver

I could certainly get used to this. A maid to do all the cleaning and have dinner ready when I get home. I don't think it could get much better.

Hello Miss Kate. I've had a great day. Every job has been done and dinner will be ready in a few minutes.

Of course, ma'am.

Friday July 22nd 2022

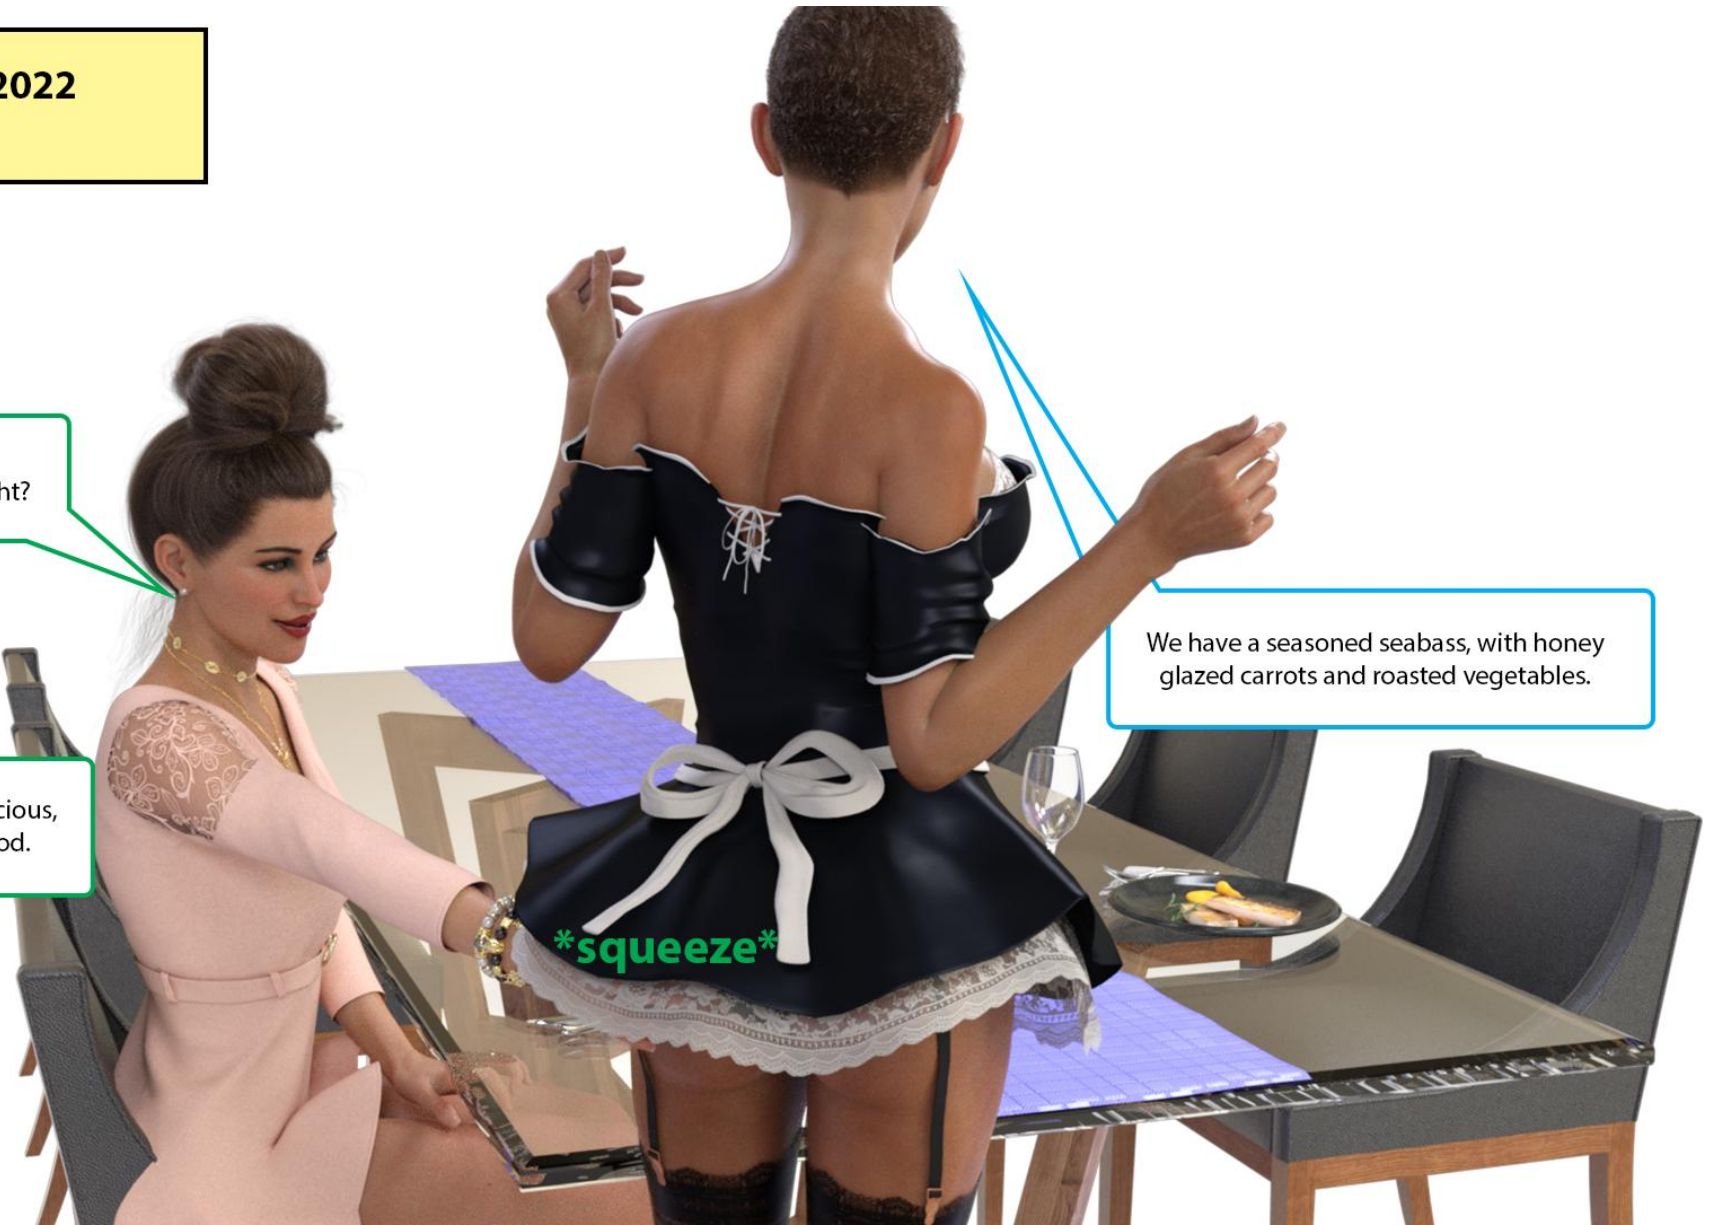

5:44pm

What has the maid
cooked for dinner tonight?

It certainly looks delicious,
and so does the food.

We have a seasoned seabass, with honey
glazed carrots and roasted vegetables.

squeeze

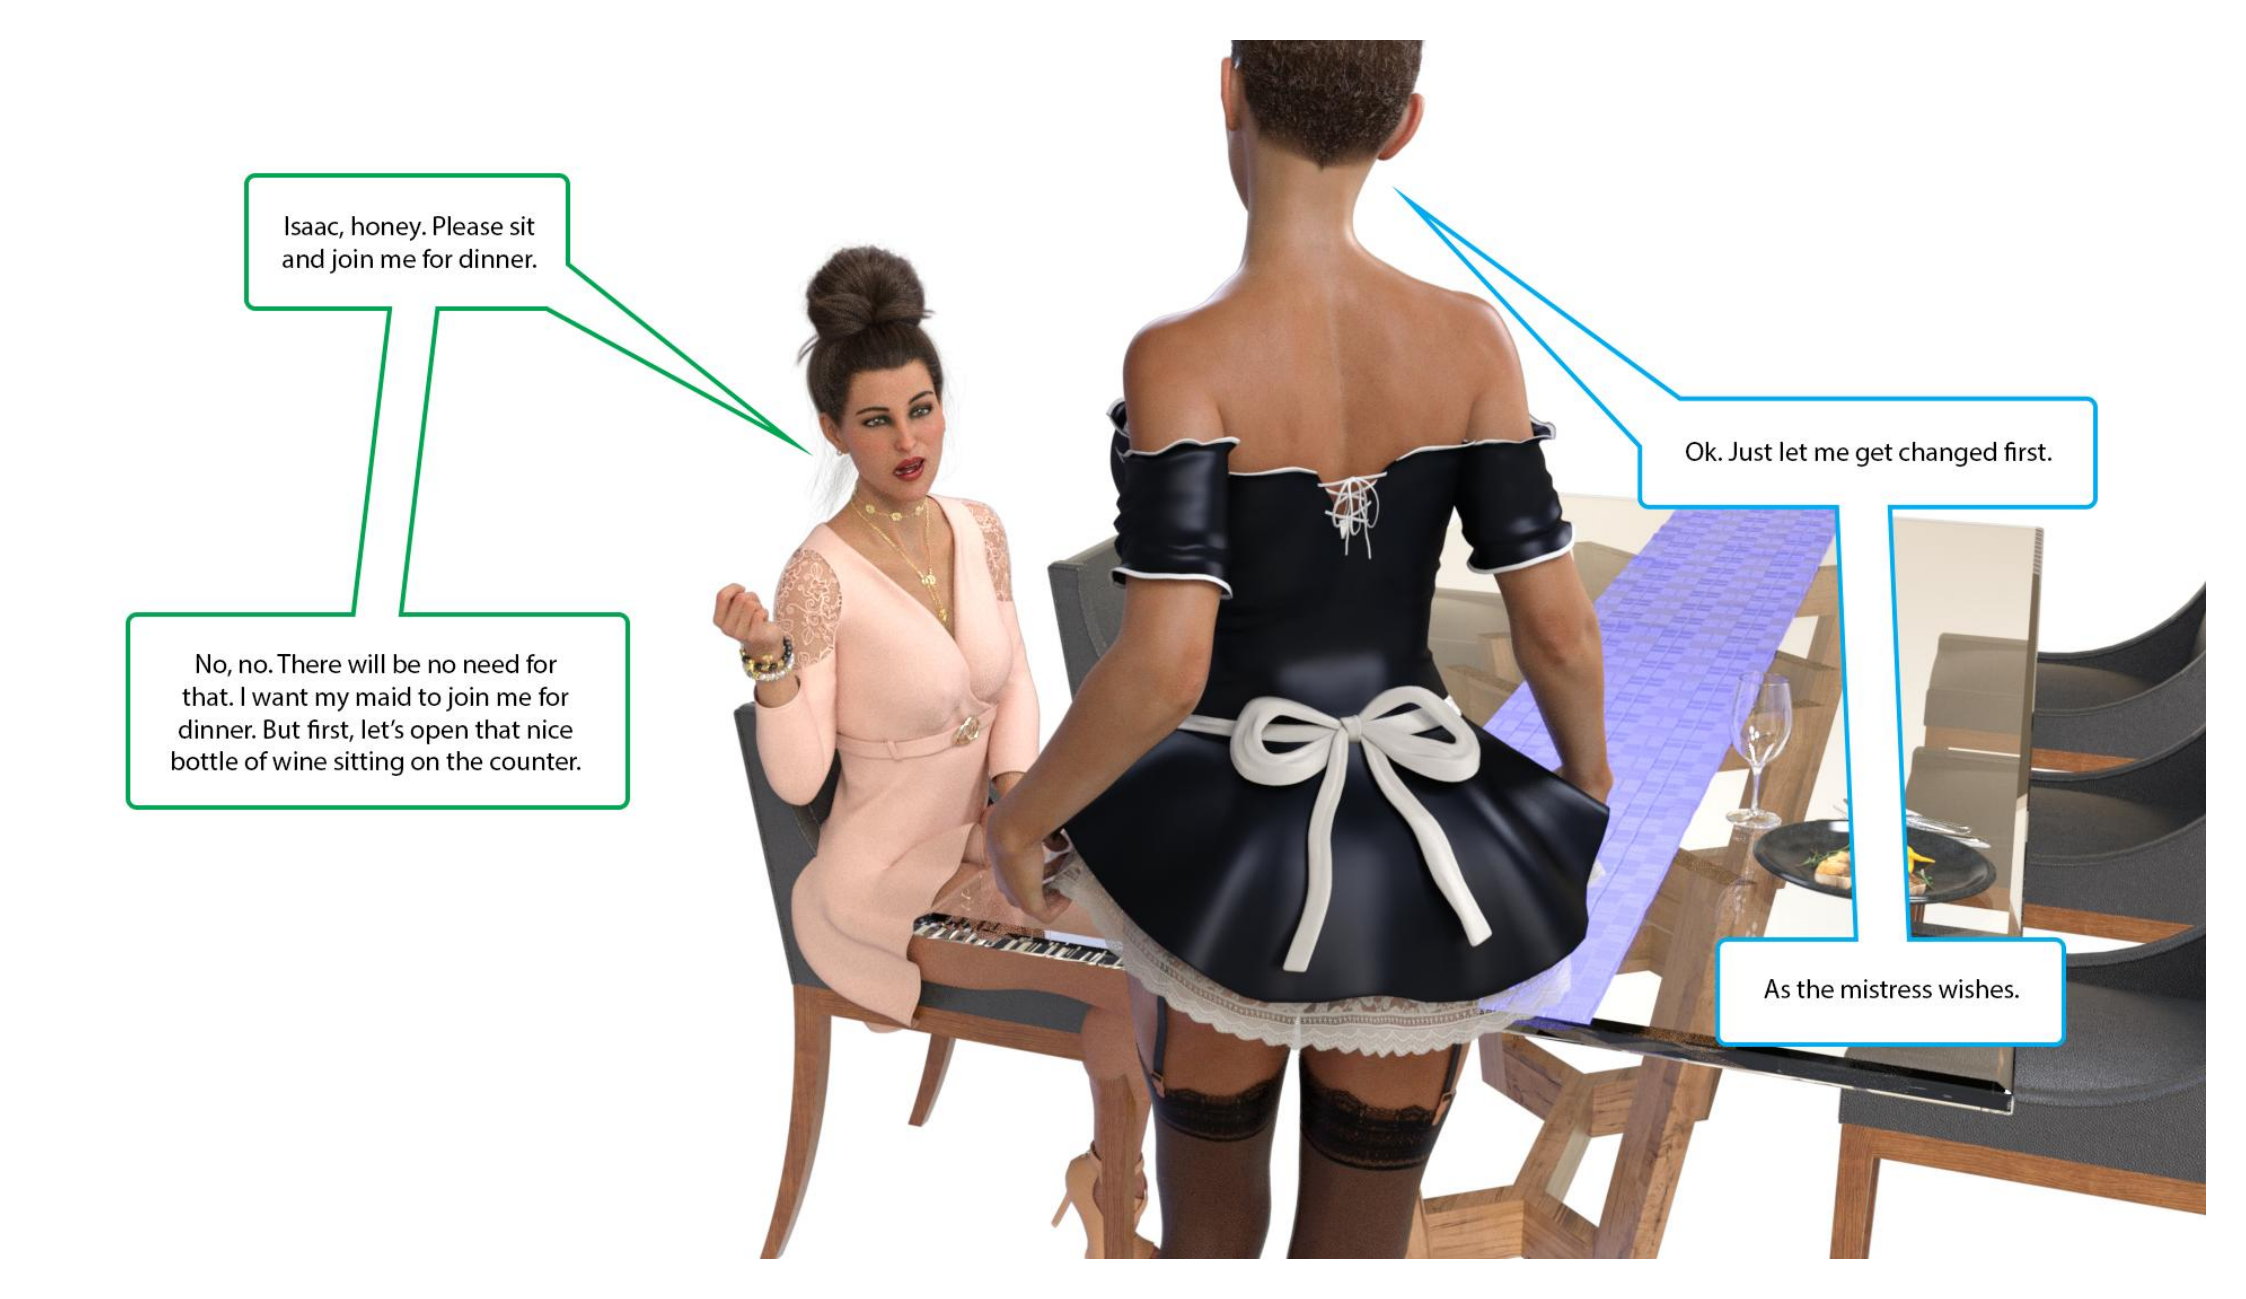

What the? Did Katie
just squeeze my ass?

Does she like me like this? She's never
been so aggressive like that. She has always
been slightly submissive when instigating sex.
I've always had to be the pursuer.

But is that going to change?
Does dressing me up as a maid turn her on?
No, surely not. Katie isn't like that.

Katie is as straight as they come.
She doesn't even have any fantasies. I must
have read the situation wrong.

Isaac, honey. Please sit and join me for dinner.

No, no. There will be no need for that. I want my maid to join me for dinner. But first, let's open that nice bottle of wine sitting on the counter.

Ok. Just let me get changed first.

As the mistress wishes.

Friday July 22nd 2022

6:32pm

Thank you Miss Kate.

I must say that was one of the best meals we've had together. Simply outstanding.

Look at him. So cute sitting there in his maid uniform.

He looks a little agitated though. He keeps shifting his hips from side to side.

Oh my god. I know that face. He's actually turned on. Is he aroused by all of this?

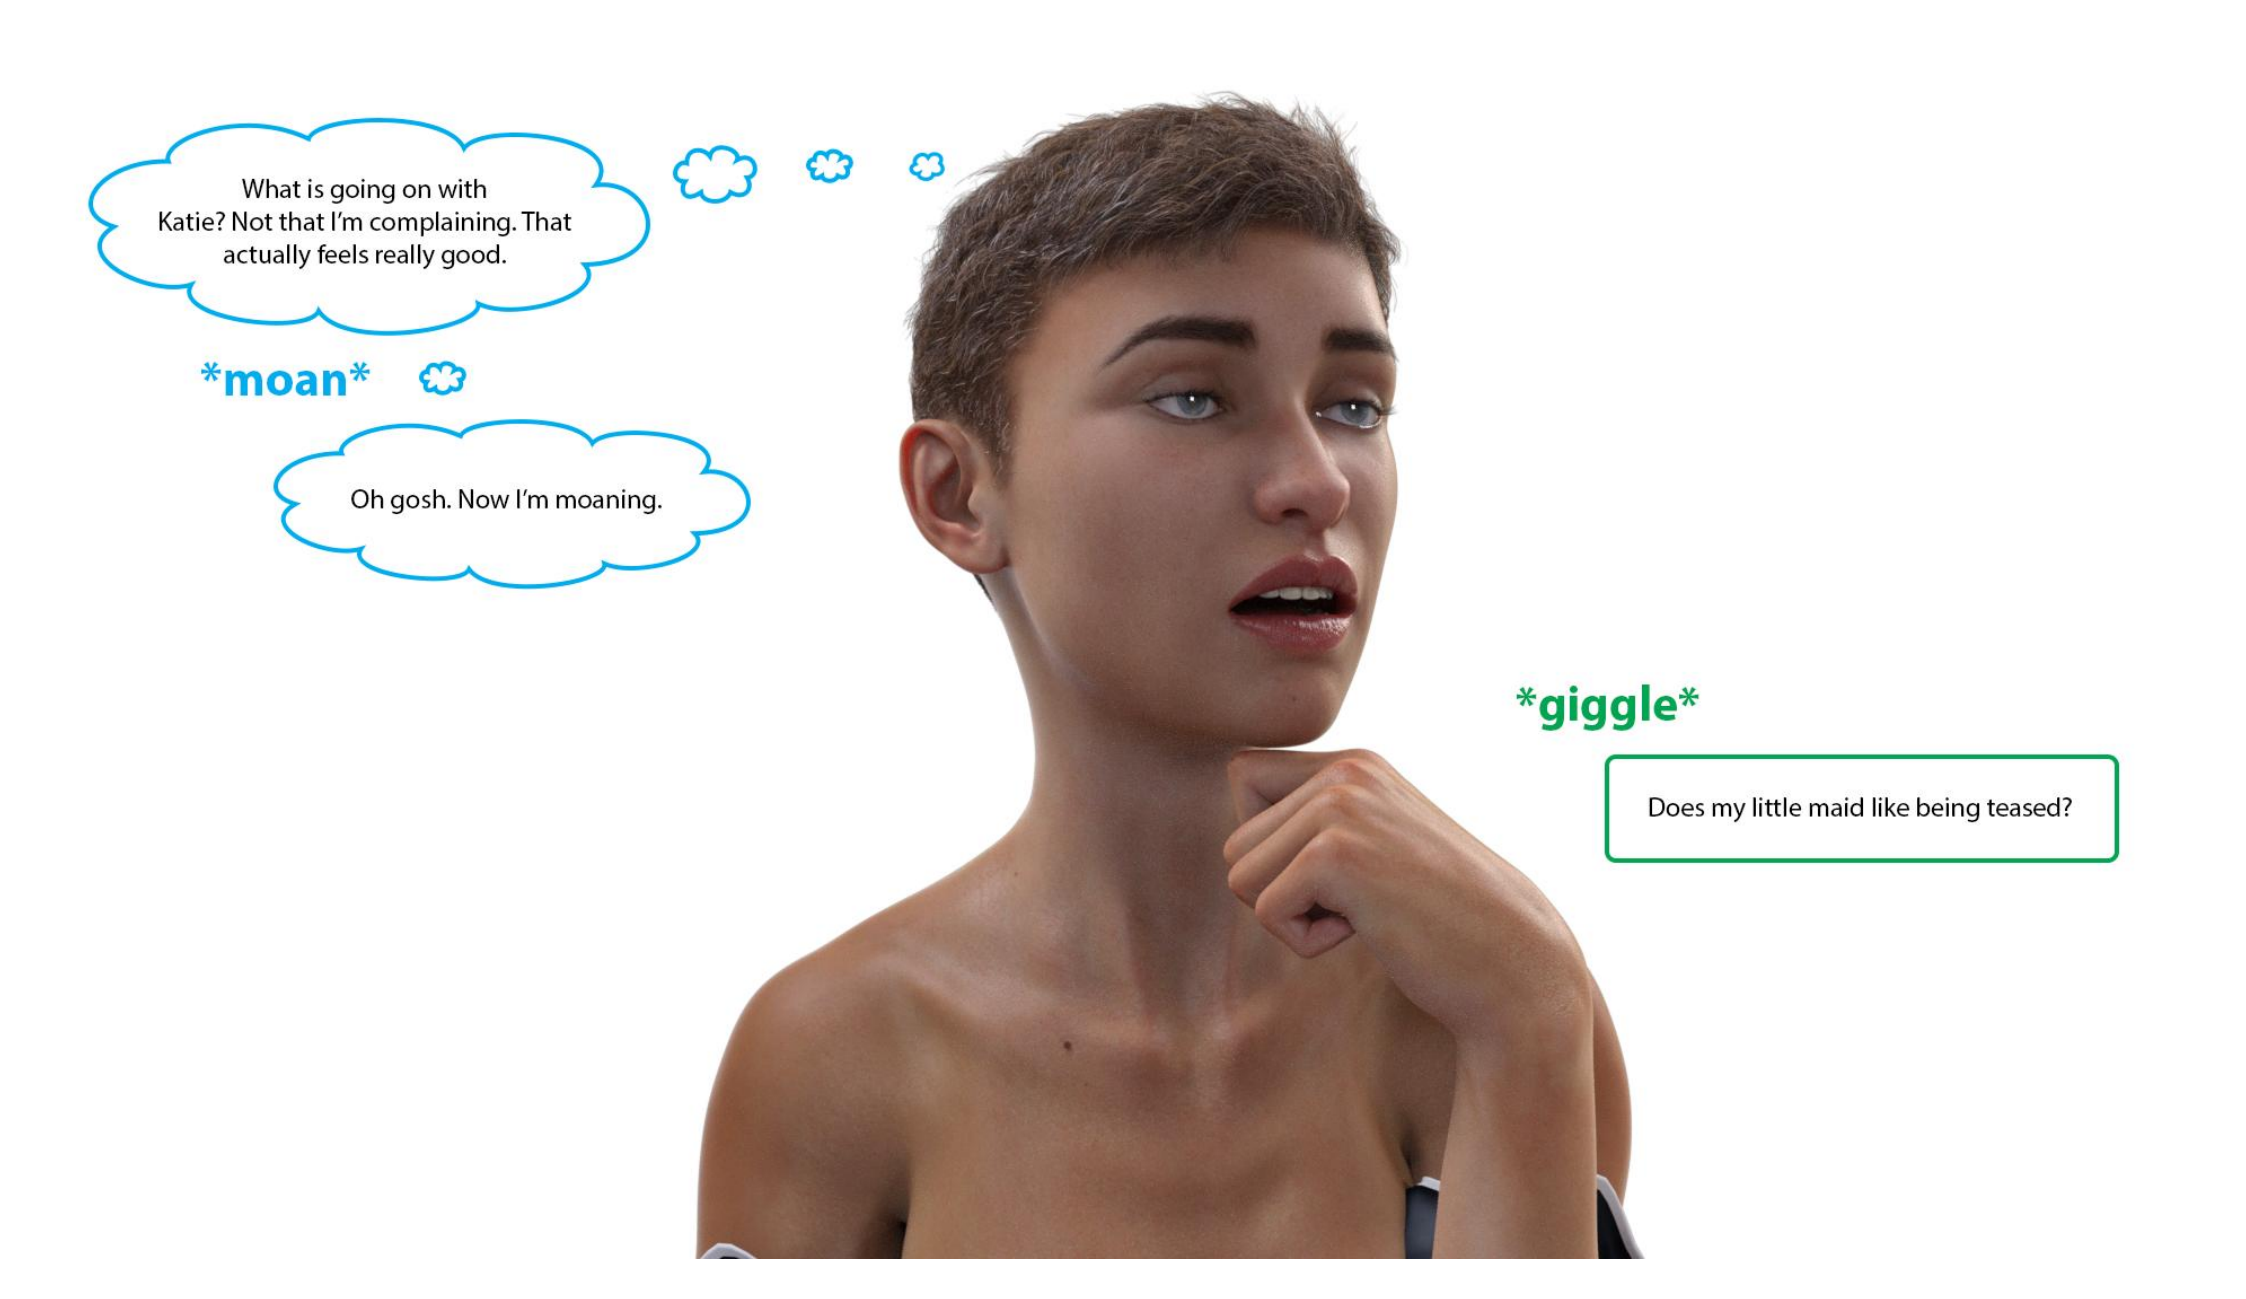

Hmmm let's test this. If I slowly work my foot up his leg, tickle his inner thigh a little and-

OH MY GOD.

He's as hard as a rock. I can feel the pre-cum around his cock, and even on his petticoats. Has he been hard all day?

shiver

Oh naughty Isaac, you've been distracted all day haven't you?

What is going on with Katie? Not that I'm complaining. That actually feels really good.

moan

Oh gosh. Now I'm moaning.

giggle

Does my little maid like being teased?

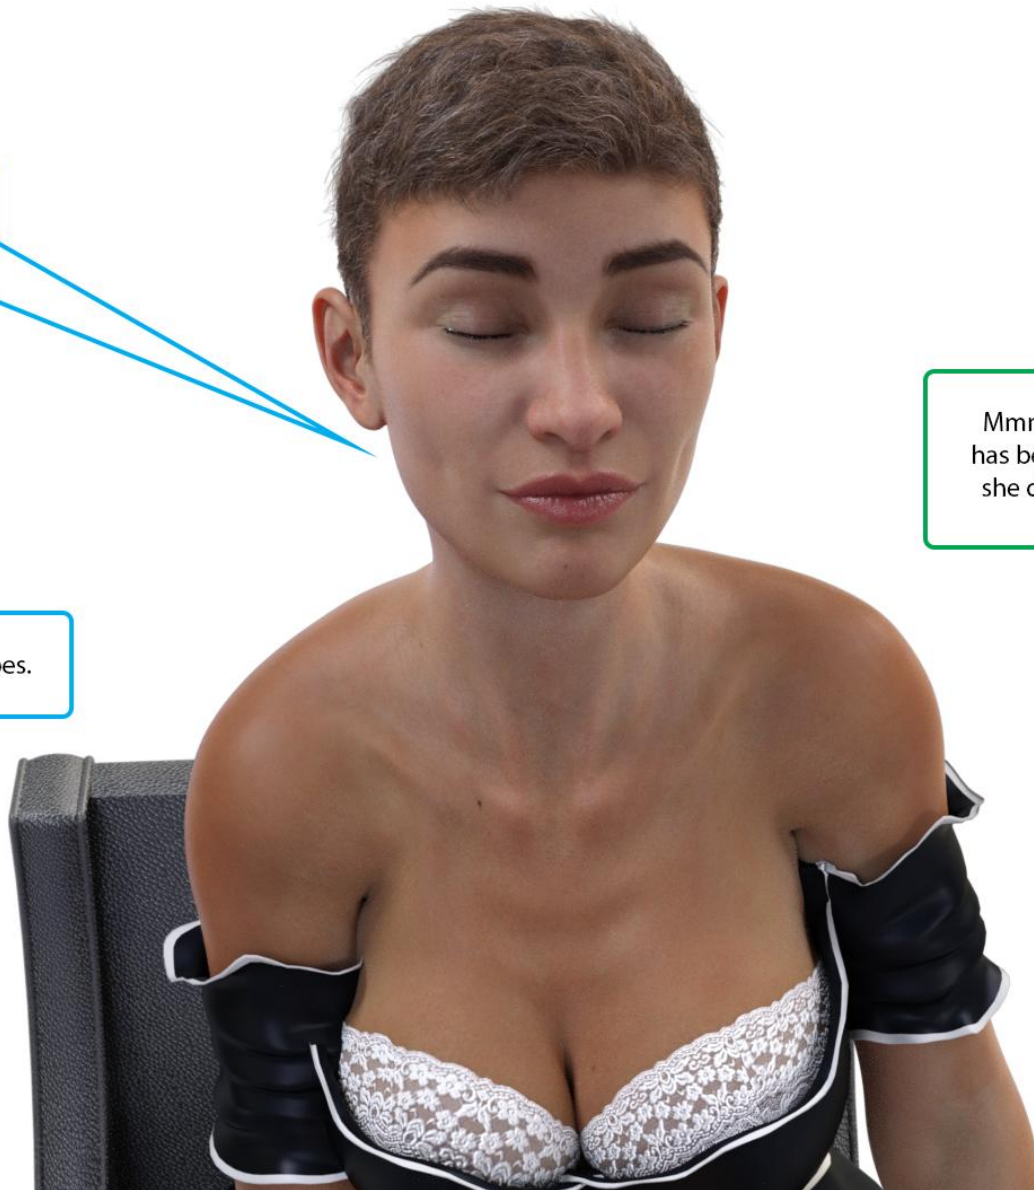

moan

Yes, he does. Your maid loves the attention.

moan

She does. She really does.

Mmm I thought so. My little maid has been so good today that I think she deserves a reward, don't you?

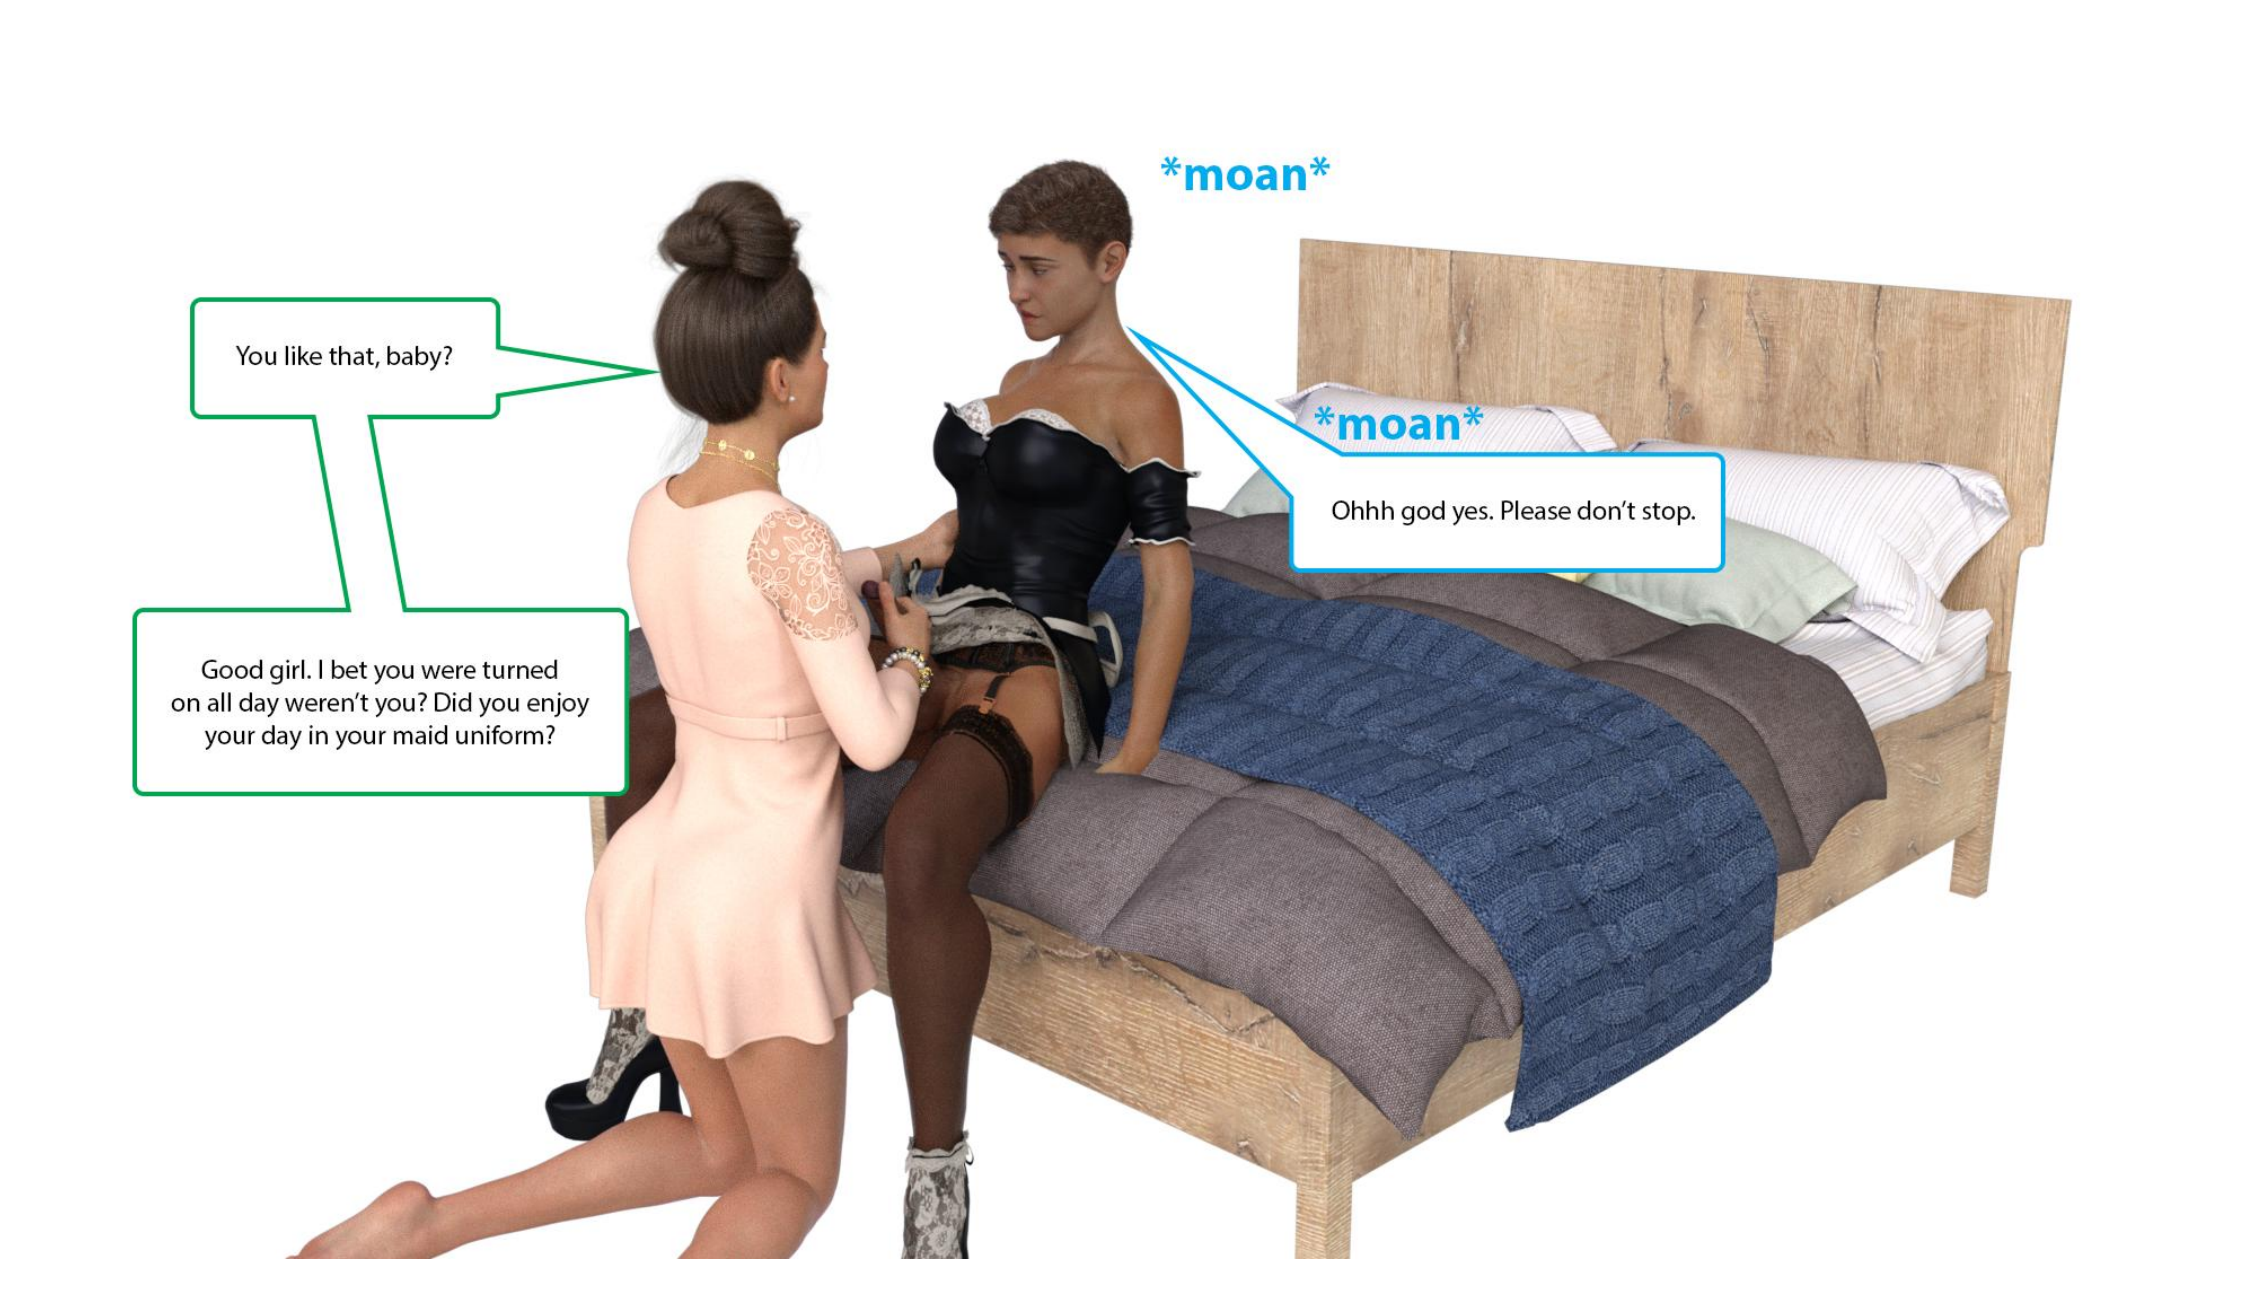

Good girl. Let's clean this up later.
It's time for my maid to get her reward

Yes, mistress.

shiver

He's so aroused that he'd
agree to anything. Let's see
how far I can push him.

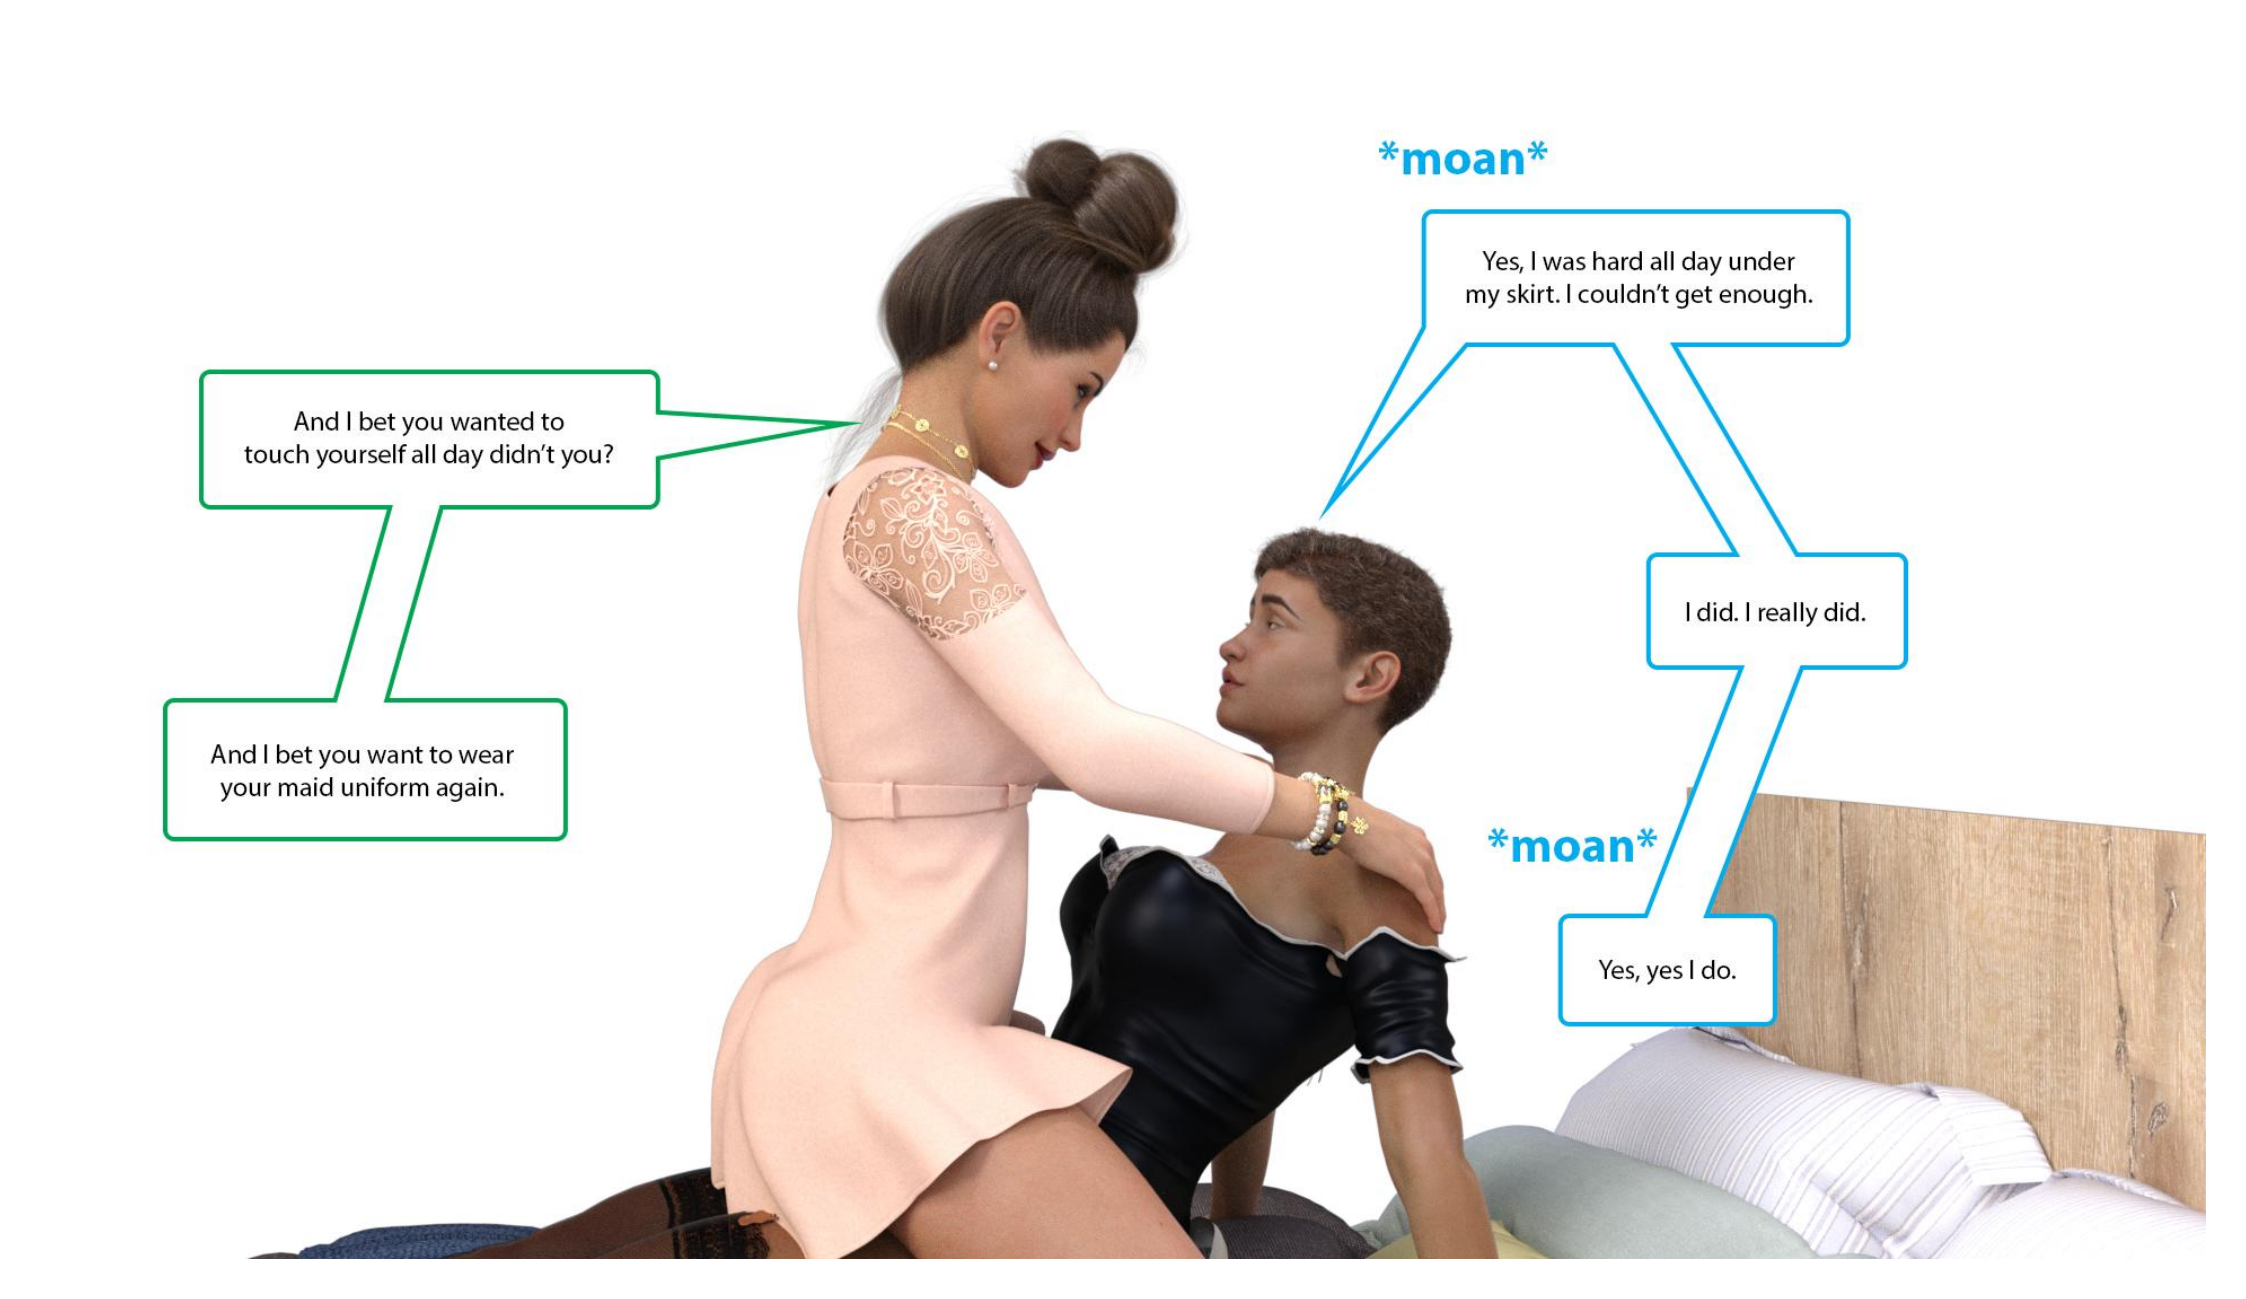

You like that, baby?

Good girl. I bet you were turned on all day weren't you? Did you enjoy your day in your maid uniform?

moan

moan

Ohhh god yes. Please don't stop.

And I bet you wanted to touch yourself all day didn't you?

And I bet you want to wear your maid uniform again.

moan

Yes, I was hard all day under my skirt. I couldn't get enough.

I did. I really did.

moan

Yes, yes I do.

I bet you'd like it if you were fully dressed as a maid, complete with makeup and long flowing hair.

You could prance around in your maid uniform and no one would know you were anything but a sexy little French maid. You would enjoy that wouldn't you?

moan

Oh my god, yes. I would love that. Oh my god, yesssss.

moan

cum

That's Miss Kate to you. Remember that for tomorrow when you truly become my little French Maid.

Holy crap that was amazing. I've never been so turned on before. Where did all that passion come from?

I love you Katie.

Uh oh, what exactly did I agree to?

Saturday July 23rd 2022

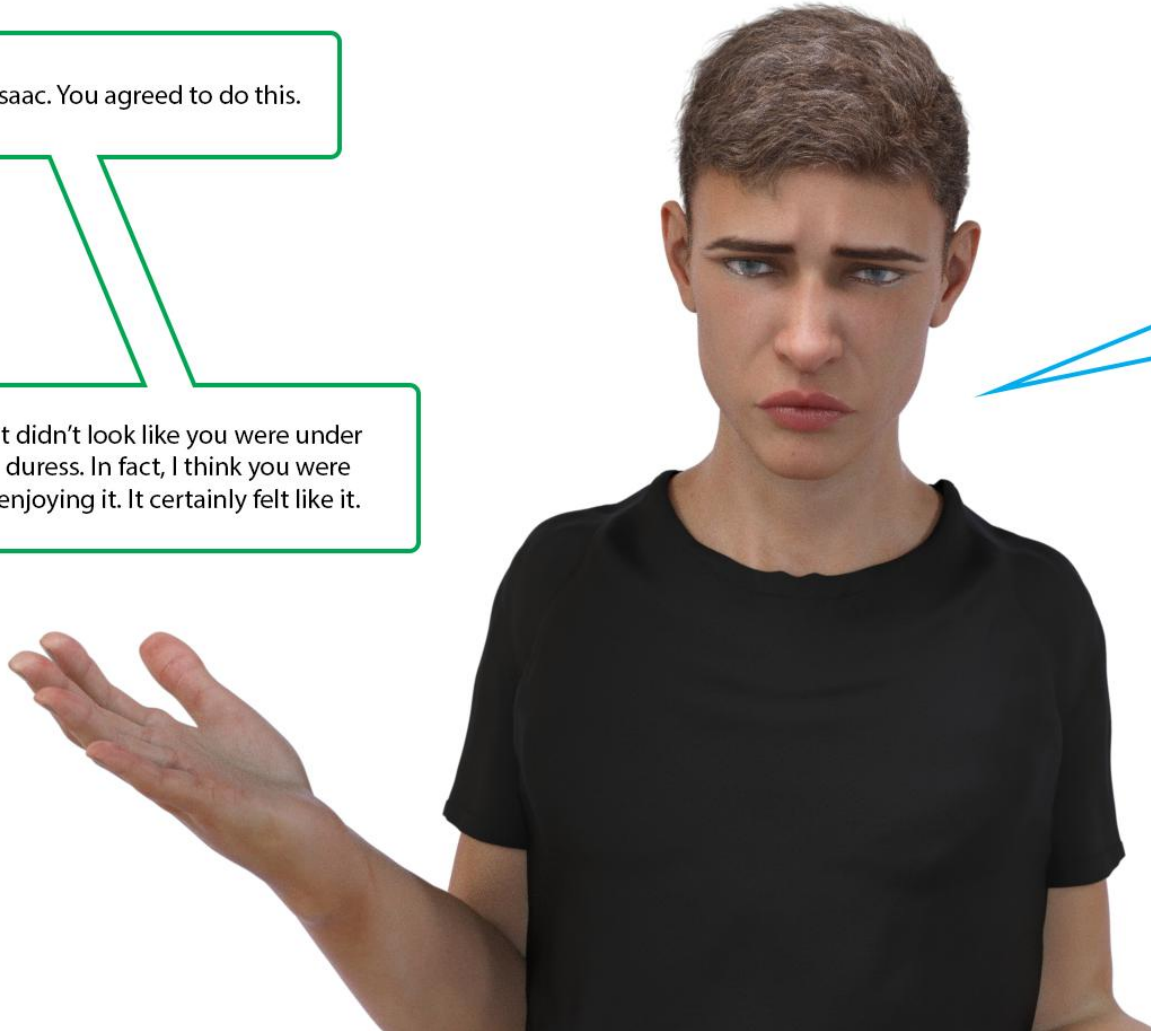

8:58am

Come on Isaac. You agreed to do this.

It didn't look like you were under duress. In fact, I think you were enjoying it. It certainly felt like it.

That was under duress.

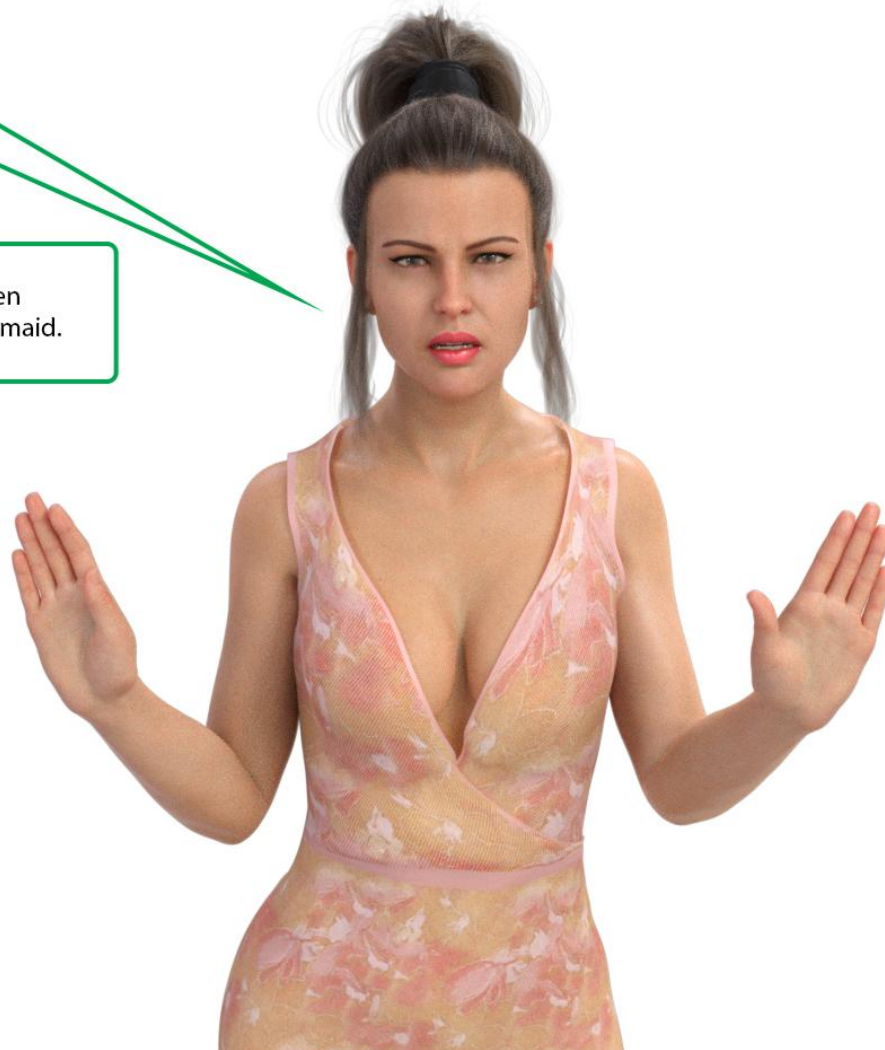

I-I don't think that was the case. Besides, you tricked me.

Tricked you? Was it me that tricked you into your erection? The erection that you had all day, if the dried cum on the petticoats is anything to go by.

No, I'm not buying it Isaac. You even admitted that you liked your day as a maid.

Now I don't care if you are having any second thoughts, we are doing this and that is final.

Y-yes mistress.

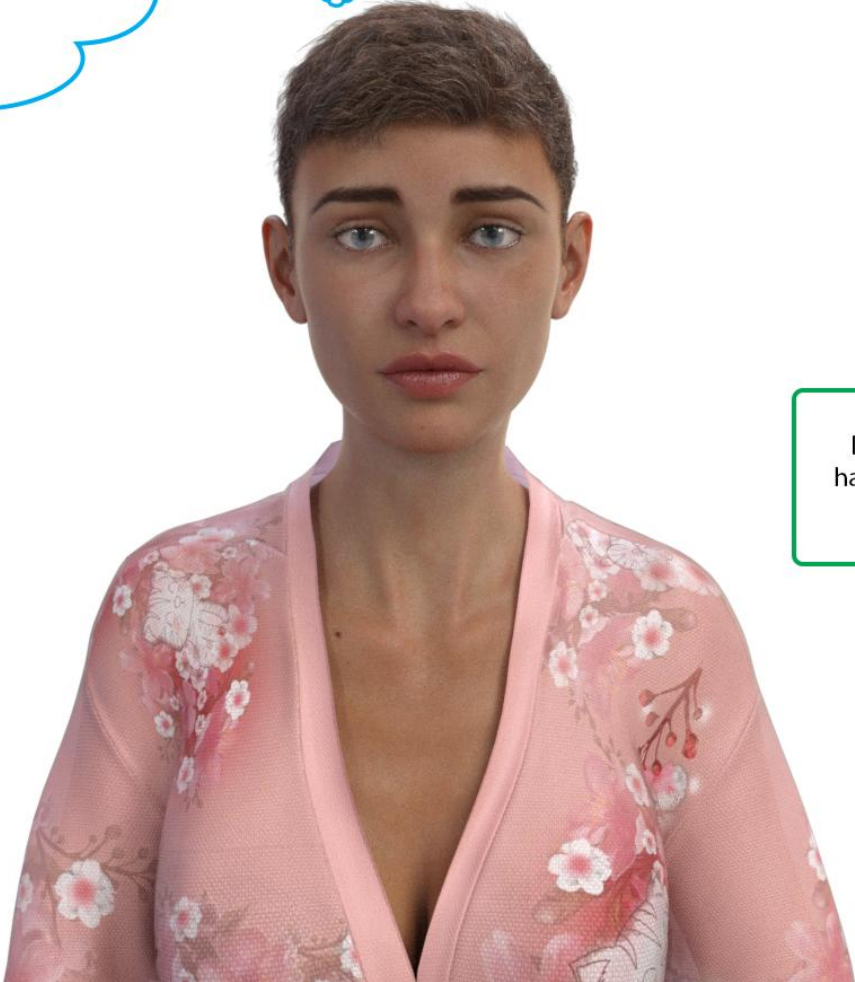

Are you sure we can't get a different size?

B-bigger? T-that's not what I meant.

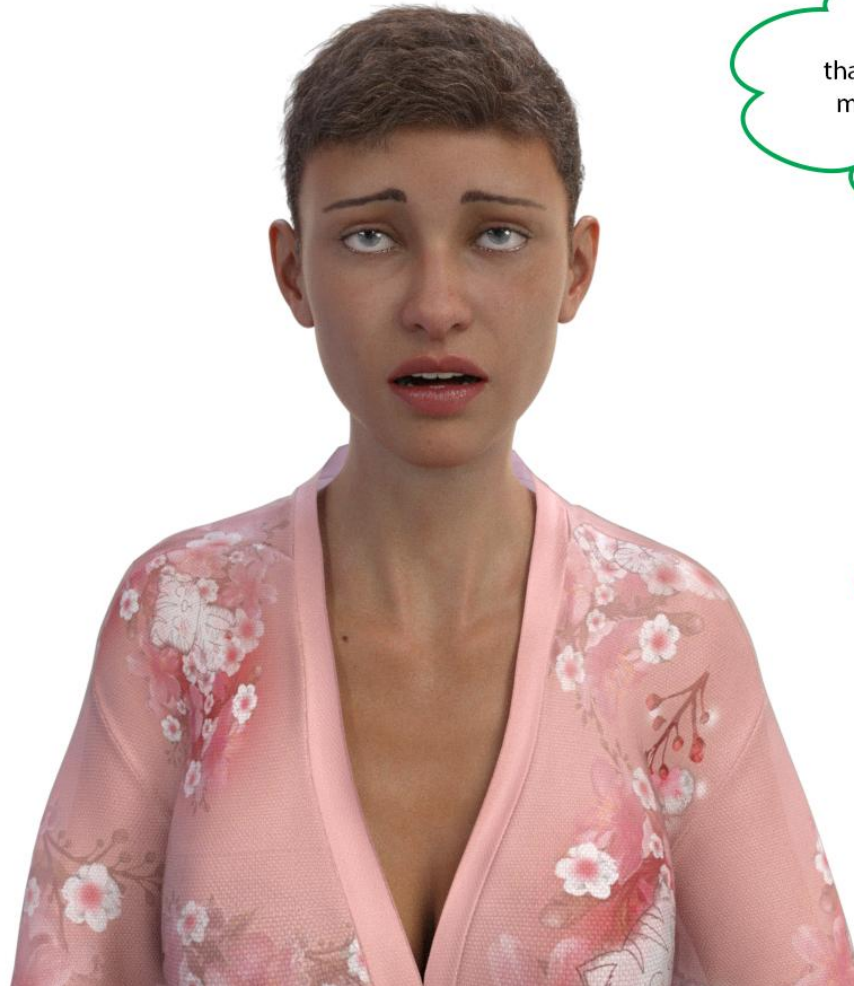

Yes I'm sure. They look great on you. Although, now you mention it, a bigger cup size would look even better.

Relax babe. I'm just teasing. Let's start your makeover. Make sure you pay attention, you'll be doing this yourself soon enough.

What am I doing? I can't get a makeover. It's degrading, it's emasculating. What will Katie think of me when she has seen me present fully as a woman? Surely she will think less of me.

I'm not going to do too much to you. You still have to look like Isaac once this is done, after all. So don't worry about looking too different.

Oops. I went so much further than I thought with the tweezers. I was just meant to get the stray hairs and give it a little shape, but I went way too far.

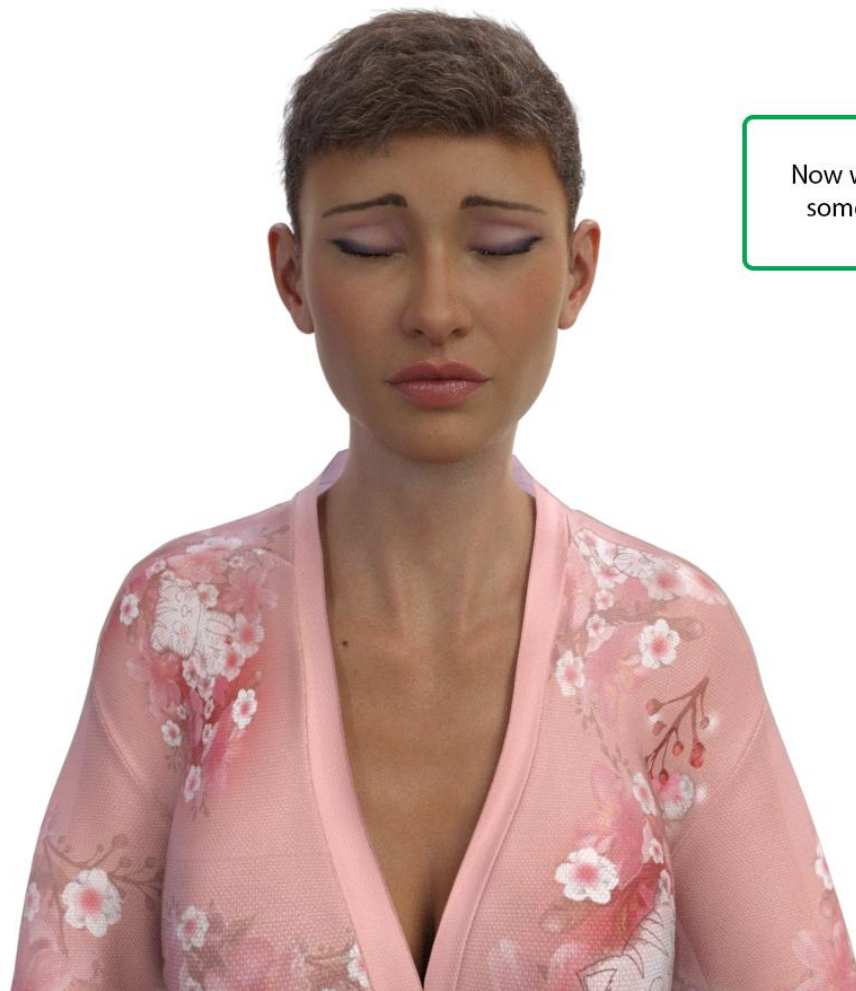

He does look good though. It kind of suits him.

First we apply some primer, and
then foundation over the top.

Next we make those cheekbones of yours pop with some blush and bronzer.

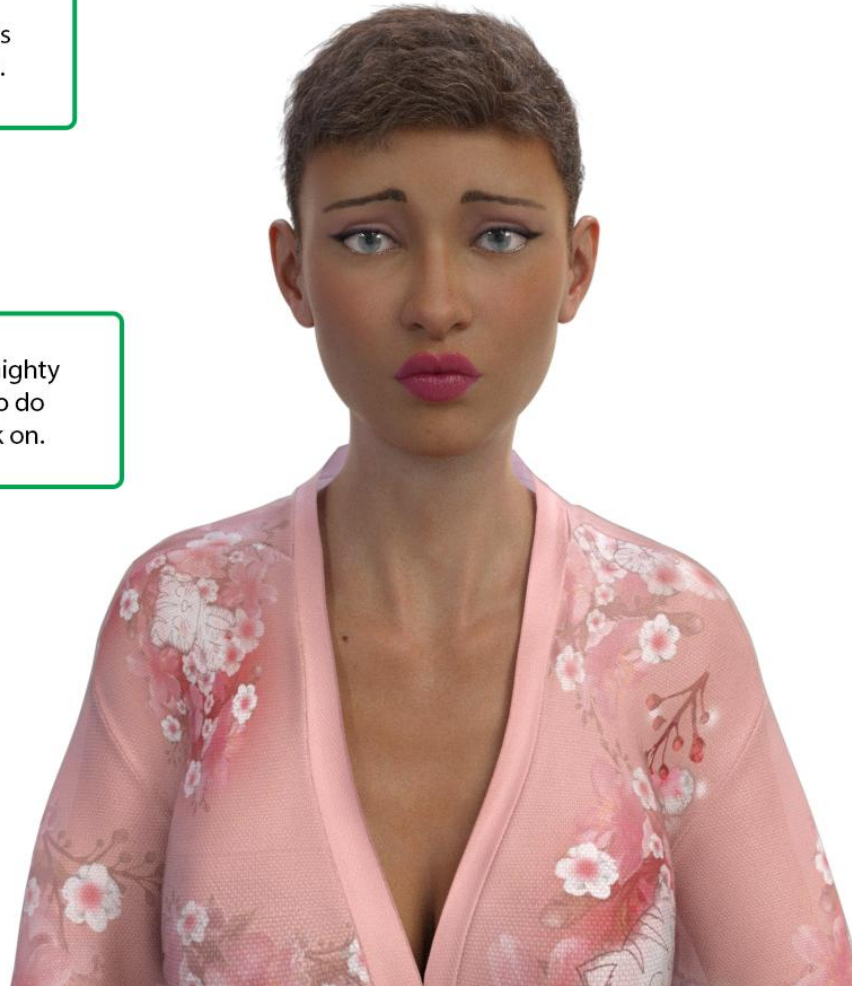

Now we move onto your eyes. So we apply some eyeshadow, eyeliner and mascara.

Finally, we finish with the lips. A luscious
ruby red for your first time as a woman.

There, I must say you're looking mighty
fine. There's only one thing left to do
before we get your uniform back on.

I was debating what colour your hair should be, but I thought it would be nice to see if blondes really do have more fun.

I don't know if it is the makeover or something else, but everything just feels different today. These stockings feel silkier, the petticoats tickle a little more and the heels feel comfier.

Weirdly the corset doesn't feel as restrictive either. It's like each piece of the uniform is more enjoyable than yesterday. Like it's more natural. Like it fits me better.

What does that mean?

You look amazing. My
maid is almost perfect.

Almost? Why what's wrong?

Nothing's wrong, sweetie.
You just need one final piece.
Come over here, let me add it.

There. Perfect. My
perfect French Maid.

Not bad, huh? You're a babe.

Holy crap.

I'll say! I mean, look at me.

What the fuck? How did Katie turn me into such a gorgeous woman?

 ***throb***

Wait, am I getting hard now? No, no, no. I shouldn't be getting hard. I look like a woman. This shouldn't turn me on.

Huh? Who's Isabella?

throb

Ohhhh myyy god. That's soo hot. It has a nice ring to it as well. Maid Isabella at your service.

Come now Isabella, it's time to teach you some proper maid etiquette and techniques.

You are honey. It's the final piece. I can't keep calling a beautiful woman like you Isaac now can I? You are now my maid Isabella.

Saturday July 23rd 2022

12:35pm

No, no, no. Again, Isabella. First bow your head, then grab the edge of your skirt, slide your right foot behind your left and bend at the knee.

Then, count to three and straighten back up. It's simple. Now, again.

This is so degrading, but so sexy at the same time. Every time Katie gives an order I now have to curtsy and say 'Yes, Miss Kate'.

Very good Isabella. Now, in addition to curtsying when given instructions from myself, you must also perform one when a guest gives an order as well.

Yes, a guest. We will be having guests over from time to time and when they are here you will curtsy when they give you an instruction.

A-a guest?!

Don't forget, you are the maid of this house and as such you are the lowest ranked member. So if someone gives you an order, you must curtsy and say 'Yes ma'am' or 'Yes sir'. Do you understand?

Very good, Isabella. Now let's move on to your cleaning technique.

Yes, Miss Kate.

That's it, perfect. Isabella, you are such a natural as a maid.

Especially when you bend like that. Mmm mmm. That view is simply scrumptious.

He doesn't know just what sort of show he is putting on right now. His panties are in full view and you can definitely see the bulge in his panties.

Like this?

It's fair to say I think our little Isabella likes her punishment.

Although, now I think of it. We can't have our maid displaying a bulge in front of our guests. I'll have to think of a solution to that.

Saturday July 23rd 2022

2:44pm

Again, Isabella. Remember to keep your head up whilst you slowly lower yourself onto the chair. You don't want to plonk yourself down as you would as a man. You want to sit lightly, as if you were sitting on a cloud.

It's all about grace. 'Grace and poise' as my mother used to say.

And for god's sake, close your legs!

This is a lot to take in, Katie. Sorry, Miss Kate.

I'll ignore that little slip up Isabella as you corrected it so quickly. Yes, it is a lot to take in, which is why we will be going through it again and again until you get it right. Understand?

Yes, mistress.

shiver

throb

Saturday July 23rd 2022

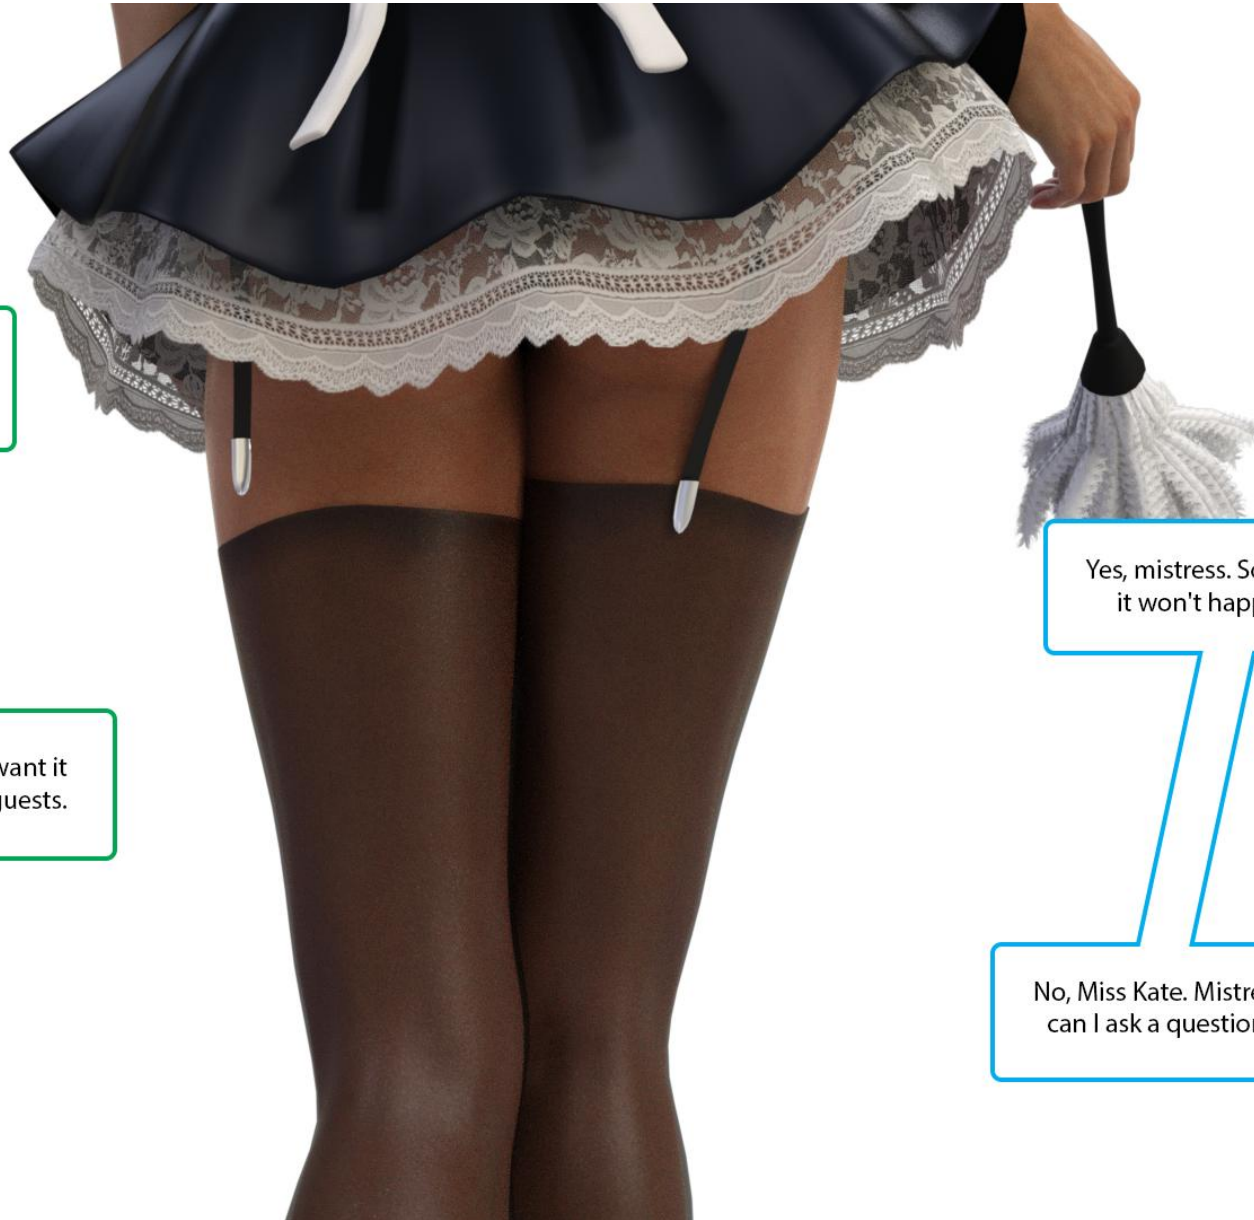

4:01pm

Isabella, fix your stockings! You know that you are to be presentable at all times.

See that it doesn't. I wouldn't want it to happen in the presence of guests.

Yes, mistress. Sorry mistress, it won't happen again.

No, Miss Kate. Mistress, can I ask a question?

Very well. What is it Isabella?

Nonsense Isabella. You look terrific. You handle your new high heels so magnificently and your maid skills are starting to come along beautifully.

Anyway, yes. We will be having guests. But don't worry, no one will suspect you are anything but an amazing maid.

So you've, umm, spoken a few times about guests and, well, I was wondering what you meant by that? I just ask, 'cause I can't exactly pass as a female maid.

curtsy

Thank you ma'am. But my voice sounds nothing like a woman's. I'd be recognised as a man for sure.

Interesting that his biggest concern isn't about being seen as a female, or a maid, but that he would be recognised. I think I can use this.

That is true my dear. I guess we should iron that out now. Let's practise, shall we?

Saturday July 30th 2022

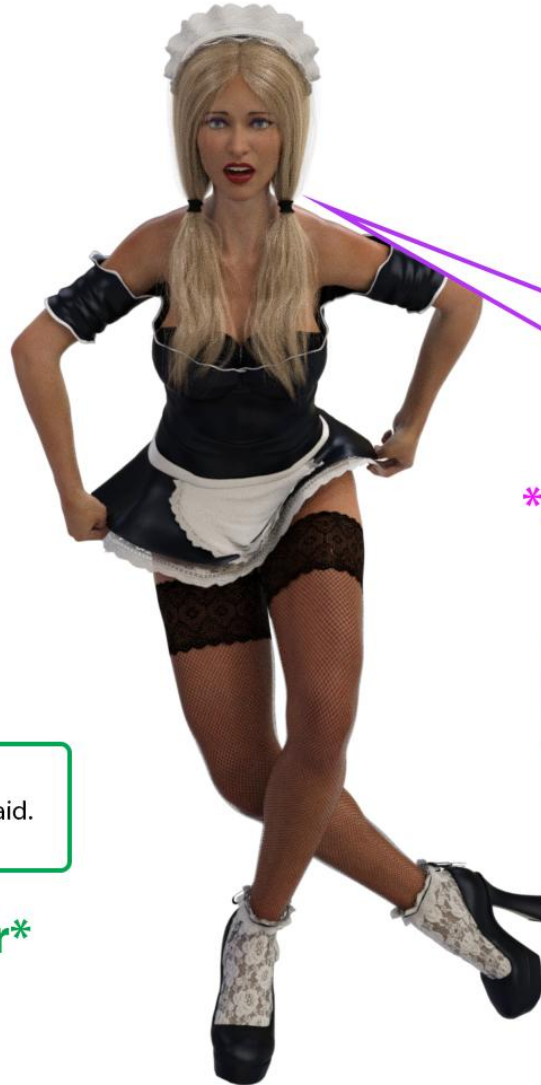

9:52am

Isabella, your efforts this week have been incredible. I'm impressed with your cleaning, and the way you have conducted yourself.

Your voice is coming along very nicely. Remember to speak softly and lightly.

Perfect. Isabella, you really are the perfect little maid.

shiver

Thank you ma'am.

curtsy

throb

Like this, ma'am.

I can't believe I've been doing this for a full week.

Mistress has been drilling me to be the perfect maid and I feel like it's almost becoming second nature now.

I do my own makeup now, I always make sure I'm dressed appropriately, my daily tasks are always completed by the time Miss Kate comes home so I can greet her with a curtsy.

But despite all the hard work it takes to be a maid, I'm actually enjoying it.

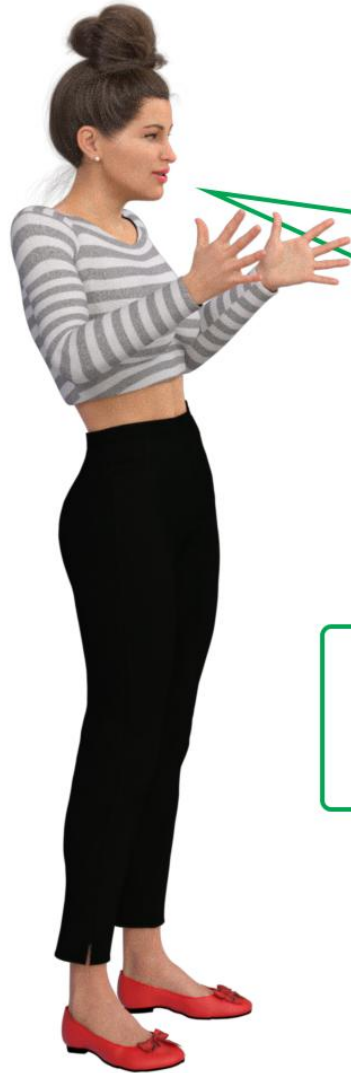

The feel of the stockings on my legs and the swish of the petticoats against my thighs. The sound of my heels clicking against the floor as I walk. The way my breasts jiggle at the slightest movement.

throb  ***moan***

It's just so invigorating and exciting.

ding dong

Oh it seems like we have a visitor.
Isabella, please go and greet our guest.

M-me? B-b-but Katie,
what if they see me?

That's the whole point sweetie. You are
my maid and as my maid you will be
seen by people who visit the house.

door opens

Hello Isabella, lovely to meet you. Katie has told me so much about you. You look so pretty in your uniform.

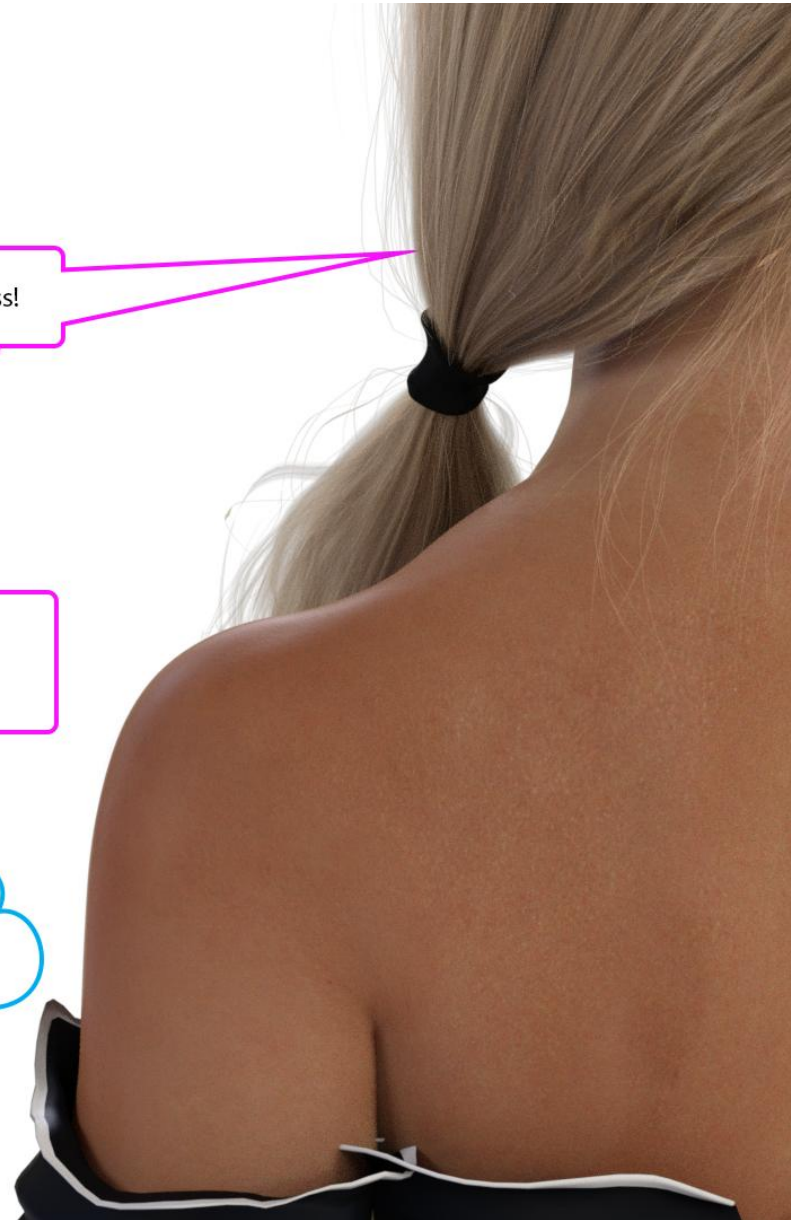

T-Tess!

Th-thank you Miss Tess. Please come in.

Oh my god. She doesn't seem to recognise me. I will never live it down if she figures out who I really am.

Katie, this house has never looked so good.

I know, and I owe it all to our lovely Isabella. She's worked so hard in the last week and I'm so proud of her.

Oh that is precious. I love a maid that knows her place.

curtsy

Thank you mistress.

giggle

Now tell me, where is that boyfriend of yours? Don't tell me he's abandoned you.

Good. I'm glad he's been more attentive. You two make a great team when you're working as a team. But enough about Isaac, tell me about your new maid.

blush

No he hasn't, he's visiting family at the moment. But he's been super lately, I couldn't have asked for more from him.

wink

throb

shiver

Oh she's a godsend, our Isabella. She's been such an amazing help this last week. I don't know what I would have done without her.

In just a week she's taken this house from an untidy mess to looking as good as it ever could.

Speaking of looking good. Isabella, you look amazing in that dress. The uniform certainly compliments all of your incredible features.

And your hair looks lovely too. I love the colour and style, it looks so natural and brings out your eyes so well.

curtsy

Thank you, Miss Tess.

blush

curtsy

Thank you, Miss Tess. You are too kind.

Incredible. If I didn't know any better I never would have guessed this lovely creature in front of me is really Isaac.

Who knew he had such gorgeous legs? They look so long and slender perched on those skyscraper heels that he's somehow walking in.

He's just so utterly feminine in his role as a subservient French Maid. I'd love to see him continue in this role, and Katie obviously loves him like this. Hmmm...

Katie, with Isaac gone for a few more weeks, why don't you take this opportunity to host a little get together here? We can have Isabella greet all the guests, serve the food and clean up. You wouldn't have to lift a finger.

Oh I don't know Tess. I wouldn't want to burden Isabella like that.

Oh I'm sure she would be fine with it. Isn't that right, Isabella?

Huh? Oh ahh, yeah of course.

These pigtails are pretty cute. I'd love Katie to pull on them as she pulled me close and kissed-

He said yes?! Why would he agree to that? Does he want to be seen as a french maid by more people?

He was freaking out about answering the door when Tess got here, and now he's agreeing to serve at a party.

Well if that's what he wants then that's what he'll get.

Great. If you're on board Isabella then I'd love to. It's been so long since we've hosted a party here.

Fantastic. Oh Isabella, thank god you are here. Katie and I are going to have so much fun planning this party with you.

Definitely. We're going to need everything to be perfect. That means you too, Isabella. We're going to teach you how to greet and serve guests.

Oh there's so much to do and so little time!

Shit. What did I just agree to?

How am I going to be a maid in front of other people? Greeting, serving and cleaning up after all of Katie's guests.

But why does that also sound like so much fun?

Sunday August 7th 2022

8:35am

Good girl. Now keep going. I want 10 more squats and then we'll move on to some core work.

Nonsense, Isabella. How are you going to serve at the party for hours if you can't complete a simple workout routine? And remember to use your girl voice and address me properly, Isabella. We can't have you making the same mistake in front of our guests.

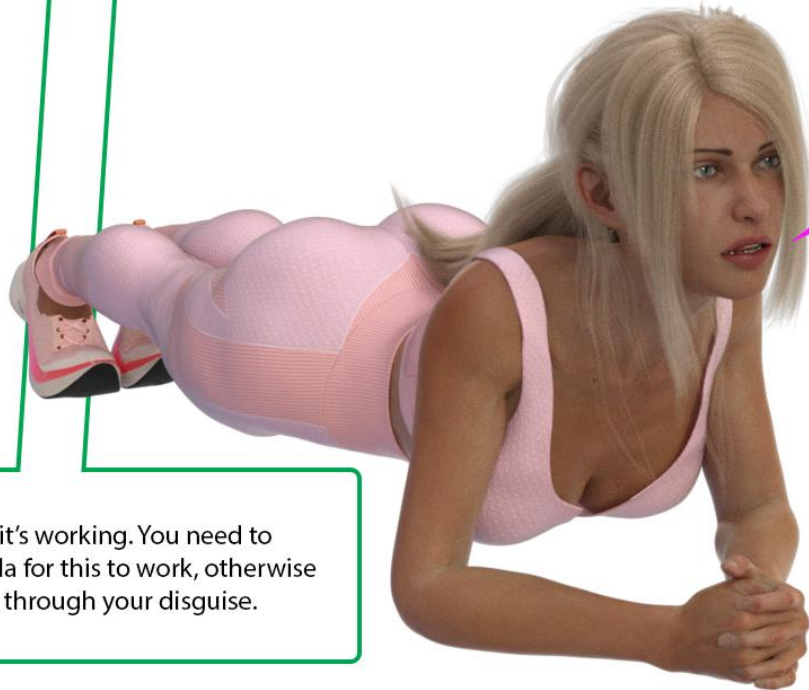

huff* *puff

Um, Katie, do we really need to do more?
I'm pretty worn out after all this exercise.

Yes, Miss Kate.

Good. Now I know I've been harsh on you this last week, but everything has to be flawless for the party next week. We only have a small window to make sure everything is perfect.

That just means it's working. You need to believe you're Isabella for this to work, otherwise people will see through your disguise.

I know, but it's just so hard to make sure everything is perfect. I'm constantly exhausted and I don't feel like myself any more.

huff

I mean I'm so disciplined in my role as a maid that I almost curtsied to the cashier at the shops yesterday. And I was in Isaac mode!

This is why I've been training you in all of the things you need to do in order to pull off this party.

From greeting the guests when they enter the house...

Welcome, please come in.

A waitress with blonde hair in a bun, wearing a black off-the-shoulder top and a white apron, stands holding a silver tray with a wine glass, a champagne flute, a green beer bottle, and a brown beer bottle. A pink callout box points to her.

A refill, sir?

... to making sure the guests' drinks are topped up and food is always replenished...

... of course, we can't forget that the place has to be spotless at all times...

... and your appearance also must be immaculate.
Your appearance is a reflection of me and this house.

So you see, you need to fully immerse yourself in the role of Isabella, the pretty French maid. Hmm, maybe that's it. Maybe switching to Isaac mode stops you believing you're really Isabella.

That's it! From now on, until the party, you're going to be Isabella 24 hours a day. No exceptions.

Mistress. See this is what I'm talking about. Slip ups like this will not be tolerated in front of our guests.

But Katie-

I do. Thank you for understanding Isabella. We also need to make sure we don't break your immersion, so we'll set up one of the spare rooms as a maids quarter. That way it will be easier to treat you as Isabella and not Isaac.

Sorry, mistress. If that is what you think is best.

Wednesday August 10th 2022

10:19am

I still can't believe that Katie has me sleeping in the 'maid's quarters'. I'm set up with my own bed and a vanity full of makeup products. She's even stocked my new wardrobe with several different maid's outfits and 'normal' clothes.

And now here we are at the mall, dressed as Isabella, to help get me used to being seen by other people.

So here I am with my perfect makeup so no one will spot me as a man.

sigh

Somehow I've gone from boyfriend to maid in just 2 weeks and Katie has treated me as nothing but her maid Isabella. For the first time since my punishment began, we haven't been intimate at all this last week and it's driving me crazy.

I've never been so horny in my life and Katie just keeps delaying things. She says that 'it wouldn't be proper for a mistress to have relations with her maid'.

Not that I can do much with my penis tucked away in this contraption. I don't know where Katie bought this gaff thing she's forcing me to wear.

It completely hides my penis and it even makes it look like I have a damn vagina!

Of course, all Katie keeps saying is that it will 'help you get into the mind of Isabella.'

And I guess there's no better way to do that than by jumping head first into being her. I have learned a lot since being Isabella full time, so I guess Katie was right.

But still. Am I really going to pull off being a woman? Am I really that convincing? I guess I'll just have to try my hardest to look, act and sound like a woman.

I don't think I can do this Katie.

A-are you sure?

Of course you can. You look great. There is nothing that suggests you are anything but an attractive young woman, out with her best friend for a day at the mall.

Positive Isabella. The biggest giveaway will be you acting like you don't want to be here. So head up, shoulders back and smile. Be Isabella, the confident young bombshell that you are.

Ok, you can do this. Be Isabella.
Be the fun, confident young woman
you appear to be.

Head up, shoulders back and smile.
Just like Isabella would.

I'm an attractive woman
who's out for a great time at the mall with her
bestie. Yeah, let's do this.

Ok girlfriend, let's go.

Great. First stop today is the nail salon. Your nails are ok, but they need to look exceptional for the party.

N-nails?

Yes, sweetie. We want everything to be as feminine as possible and your boyish nails are something that could give you away.

So we need you to have long, delicate nails. Nails that a man would never have.

gulp

O-Ok.

Isn't that a l-little permanent?

And one more thing before we have some fun clothes shopping. Most women have their ears pierced, and you my dear will be no exception.

Oh sweetie. If we only have them in for a few days they won't be permanent. Besides, you can always cover them with a little concealer.

Now, let's put your hair up to make it easier for the technician.

Oh my goodness. Katie, look
how amazing this dress is.

It's stunning, Isabella.
Simply stunning.

shiver

T-thanks. You don't think
this top is too revealing?

Wow. You look
great Bella.

Not at all!

Do I really need this?

Of course. You need your own workout gear from now on. No more borrowing mine!

Katie, why do I need so many clothes?
It's not like I'll need all of these.

What does that mean?

Oh please, a girl can never have too many clothes.
And who says you won't need them?

It means that Isabella is here to
stay, even if it's just part-time, I
can't let go of my incredible maid.

I know Isaac probably doesn't want to continue this for too long, but I just can't see this ending any time soon. I'm attracted to both Isaac and Isabella, so I want both of them to be in my life.

I mean, just look at her. Who wouldn't be smitten with her?

Does Katie really want this to continue past the party? Is this something I want to continue? It's been fun, but how am I going to be both Isaac and Isabella?

curtsy

Greetings Mr. Tucker. So glad you could join us. Would you like me to take your jacket?

blush

Y-yes, S-sir.

Isabella, sir.

No thanks, I'm ok. Aren't you a pretty little thing? I might have to ask Katie if I can hire you for my parties.

Aww you're cute when you blush. What's your name, gorgeous?

Lovely to meet you Isabella. I'm sure I'll see you around.

wink

Well that was weird. Katie warned me about him, but I didn't expect him to actually hit on me.

But it was kinda nice to be complimented like that. It means that I'm pulling off this disguise. No one here has questioned me, or given me a second glance.

Well apart from Rob, and some of the guys here. I've definitely noticed some of them check out my legs and the cleavage on show with this dress.

But who could blame them? Katie made sure that I look perfect tonight.

To think it was less than 4 weeks ago that he wore his first pair of heels. Now look at him, he's flawless in his role as my demure little French Maid.

shiver

It's amazing that this gorgeous woman is really my long-time boyfriend.

He's handled every situation so far tonight with ease. Even creepy Rob Tucker. I wondered how that interaction would go, but he seems fine.

Saturday August 13th 2022

8:47pm

Would you gentlemen like a refreshment?

wink

Saturday August 13th 2022

9:24pm

Fancy a snack?

giggle

Saturday August 13th 2022

9:49pm

Finally some peace and quiet. I only have a few minutes, though until I need to be back out there filling peoples drinks.

Saturday August 13th 2022

9:51pm

Huh?

I-I don't know what you mean, s-sir.

I wondered when we'd get
some time alone tonight.

I've been watching you all night, you
know? You're such a saucy little minx,
strutting around like you aren't aware
that every eye in this place is on you.

You know exactly what I mean.

Don't play coy with me. Only a woman as beautiful as yourself could capture the attention of so many at this party.

I-I do?

blush
curtsy

T-thank you, sir. That's very k-kind of you.

Holy shit. What do I do?
We're in the kitchen where someone could
walk in any second. He's so close to me
that I can smell his cologne.

Sir, I don't think that-

I like a girl who knows her place.
A girl who lets the man take the lead
and knows how to serve his needs.

A beautiful woman like you deserves a man
like me, Isabella. A man who will treat you
right and give you everything you need.

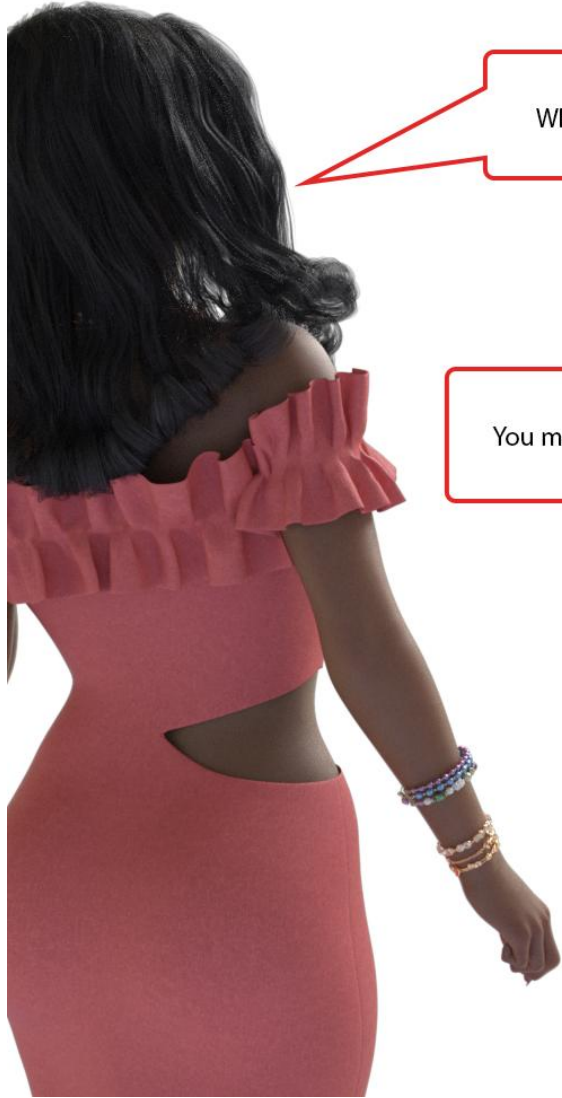

Shhh Isabella, don't say another word.

kiss

mmpmh

What the fuck?! Why is
he kissing me? Get off me you prick.
How the fuck is he so stro-

What's going on here?

You mean you forced yourself on her?

That lying scumbag.

Tess. I was just getting acquainted with the beautiful Isabella here.

No, of course not. The kiss was mutual.

That's not-

I know Isabella. You'd never go for someone like **him**.

Oh but I do. You see, I know Isabella isn't interested in you, because she isn't interested in men.

Yes. She's interested in women and women only. So get out of this house and don't ever come back.

You don't know that.

You mean-

A photograph of two women embracing. The woman on the left is wearing a black dress and black thigh-high boots. The woman on the right is wearing a pink dress and pink high-heeled sandals. They are both smiling and appear to be in a joyful embrace.

Oh my god, thank you Tess.

hug

sniff

I-I don't know what happened. One minute he was complimenting me and the next he was forcing himself on me. I-I didn't have time to react.

Hey, hey. It's ok. Nothing's going to hurt you now.

sniff

It's not?

Oh honey, guys like Rob Tucker are disgusting animals. Lots of girls have got themselves into similar situations. What happened isn't your fault.

Oh no, of course not. Now wait here and I'll get Katie.

Oh my god. That was one of the scariest moments of my life. What would have happened if he found out I'm a man? What if Tess never came into the room?

And why did she say I was a lesbian? Was that just to throw Rob off? Man, I have so much to learn about how to deal with horny guys.

I mean, as nice as it was to be complimented about how beautiful I am, Rob was incredibly creepy.

It's ok. I'm ok, I think. I don't know what would have happened if Tess didn't come in and save me, but I'm ok.

I'll continue at the party. I don't want to leave you without a maid.

Isabella, sweetie, come here.

hug

I'm so sorry. Tess just told me what happened. I'm so sorry. I should have kept a closer eye on you. If you want to take the rest of the night off, please do. I'll take care of everything.

Oh sweetie, don't worry about that. All that matters is you.

A 3D rendered scene of two women embracing. The woman on the left has blonde hair with a white flower accessory and is wearing a black top with a white lace maid apron. The woman on the right has long brown hair and is wearing a green sleeveless dress. They are both looking at each other with soft expressions. Three speech bubbles are overlaid on the scene: a purple one on the left, a green one on the right, and another purple one at the bottom left.

Thank you, but I'm ok. I'd like to continue. It's been a fun night, except for the last 10 minutes.

I love you too.

Ok, but if you want to stop at any time, let me know. I love you.

yawn

I'm glad that's finally over.
I had a blast pretending to be a French
Maid to all of the party guests. No one knew it was
me under there, even though I'd met
half of them before as Isaac.

Despite the shitshow that was
Rob Tucker, I actually enjoyed tonight. Is that wrong?
What kind of guy enjoys this?

Urrgghhh this is so messed up.
Why do I enjoy this so much? Why did I love the
attention and the compliments?

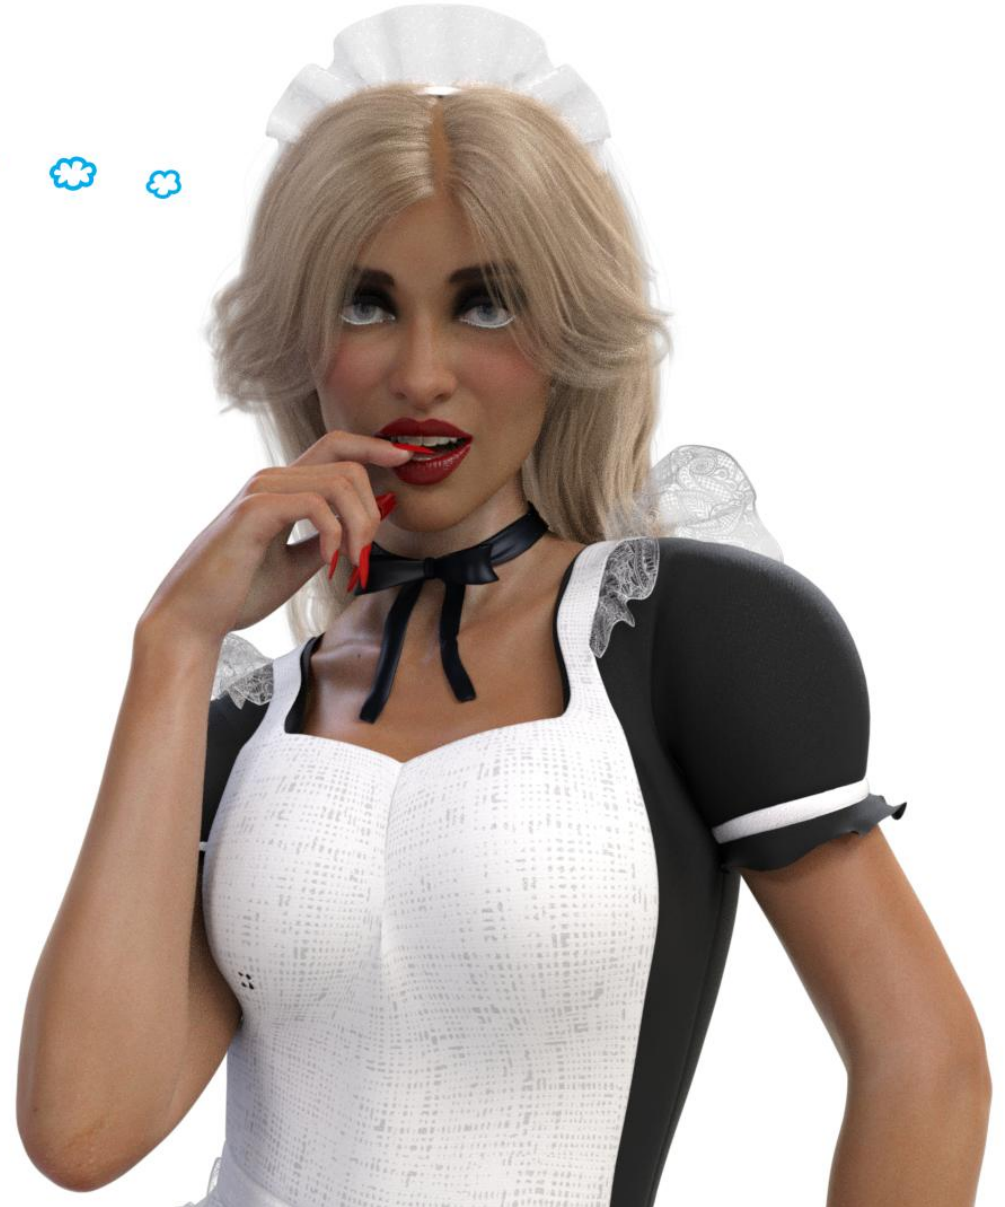

I was getting so many stares from guys tonight it wasn't funny, even guys who are 'happily married'.

 *giggle*

I also saw some of the women checking me out. Even Tess! But Katie couldn't take her eyes off me. It was so tantalising knowing she was watching me the entire night.

She has been teasing me all night with little touches and grabs. I've been so turned on all night. God it's so excruciating being trapped in this gaff with no release.

moan

Mmm, I love to hear that. I couldn't stop thinking about you all night.

moan

Did you know that you're the sexiest maid I've ever laid eyes on?

moan

stroke

I hope they were dirty thoughts. Because I've been wet all night thinking about how I'm going to rock your world tonight.

moan

Your cock makes me feel so good Isabella.
Gosh I could come on your cock all day.

moan

moan

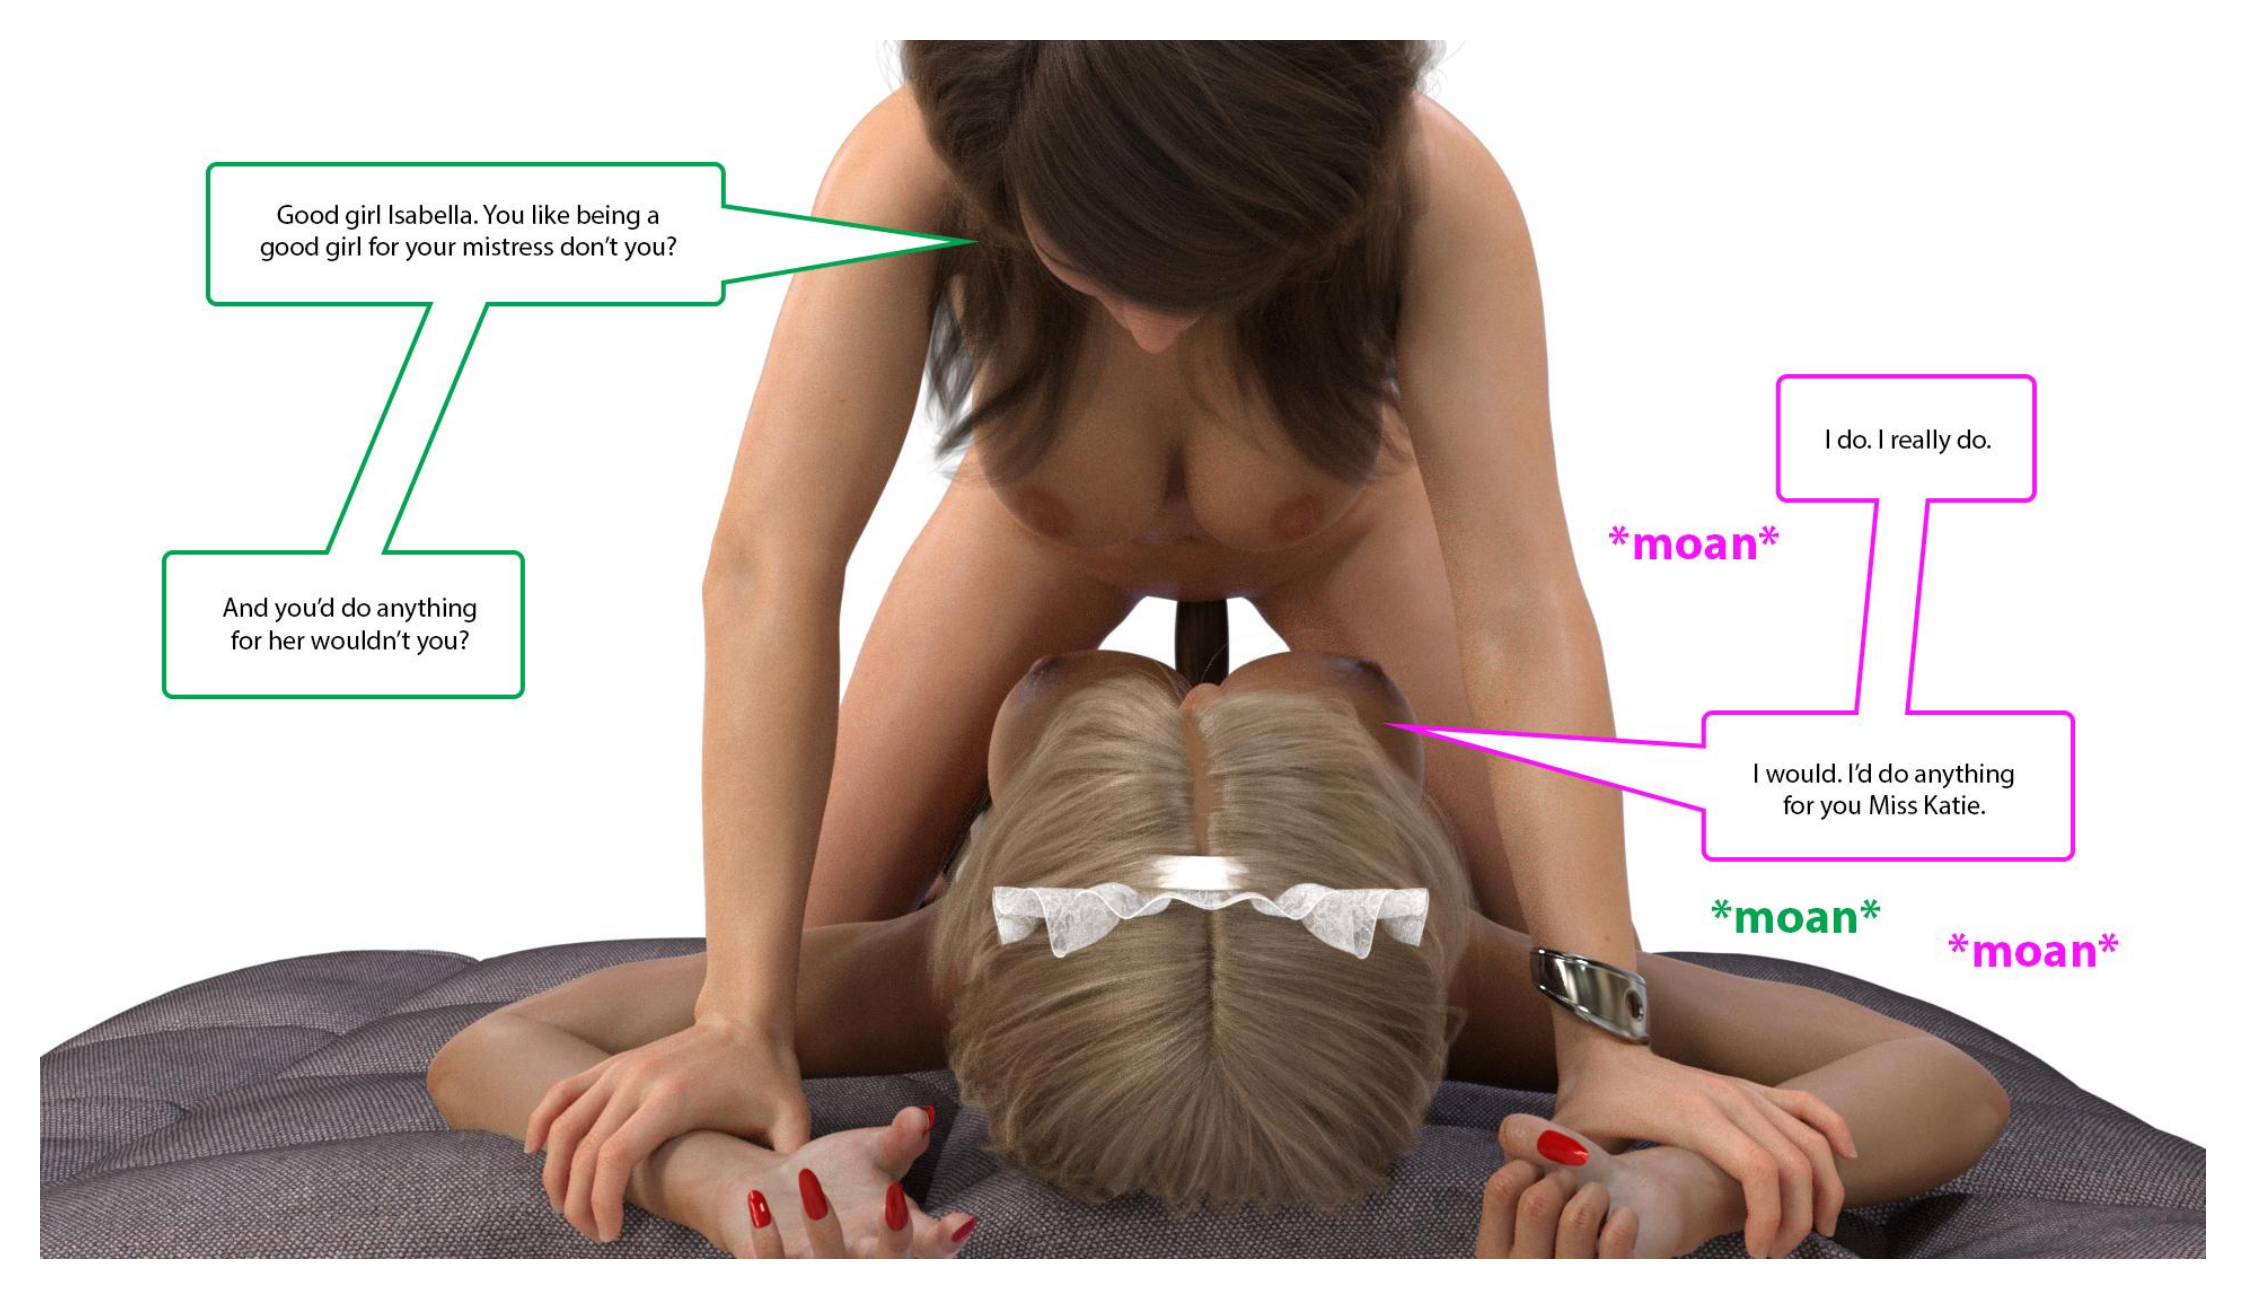

Uh-Uh, make sure you use your Isabella voice.
Even when you moan. It makes me so wet.

Yes mistress.

moan

moan

Good girl Isabella. You like being a good girl for your mistress don't you?

And you'd do anything for her wouldn't you?

I do. I really do.

moan

I would. I'd do anything for you Miss Katie.

moan

moan

So if I wanted to take Isabella out for a lunch date, you would agree?

Good girl, Isabella. Oh god. I'm going to cum.

moan

Yes, mistress. Anything you want. Just don't stop.

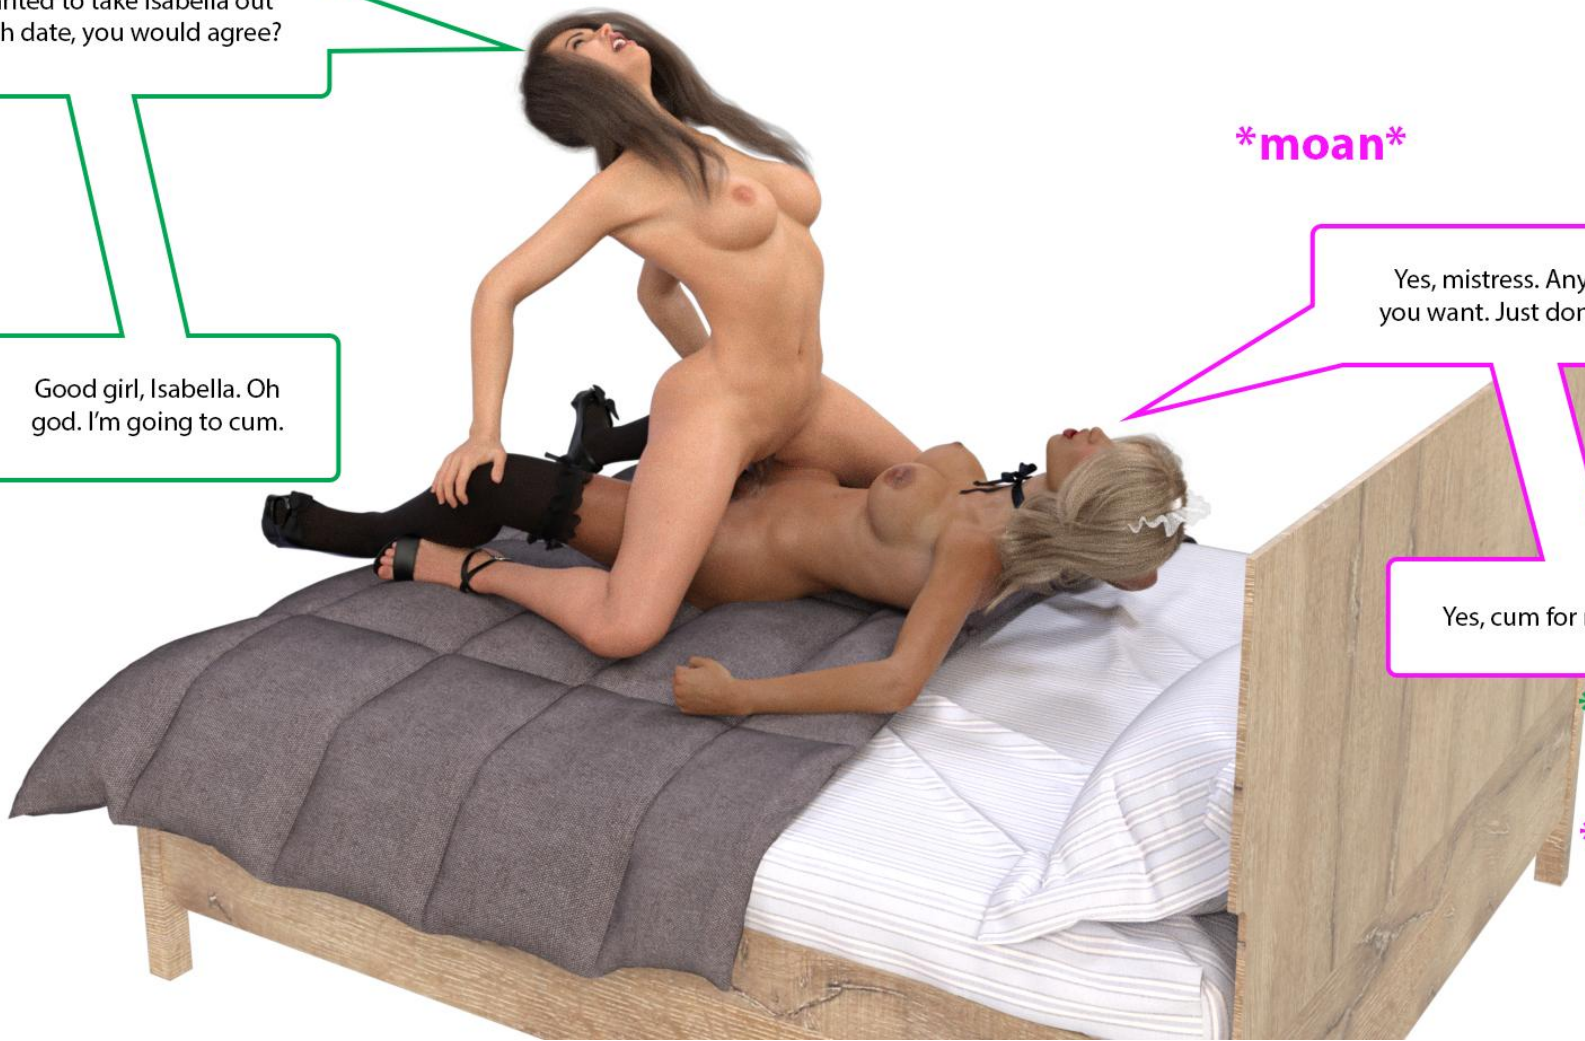

Yes, cum for me mistress.

11:03am

This again? You could have said no, but you didn't. To be honest, I think you wanted to go out as Isabella.

laugh

Woah. The lady doth protest too much. Relax, we'll have a fun time. Plus, Tess wanted to make sure you were ok after last night.

I can't believe you tricked me into going out as Isabella.

What? I don't! Why would I want to-

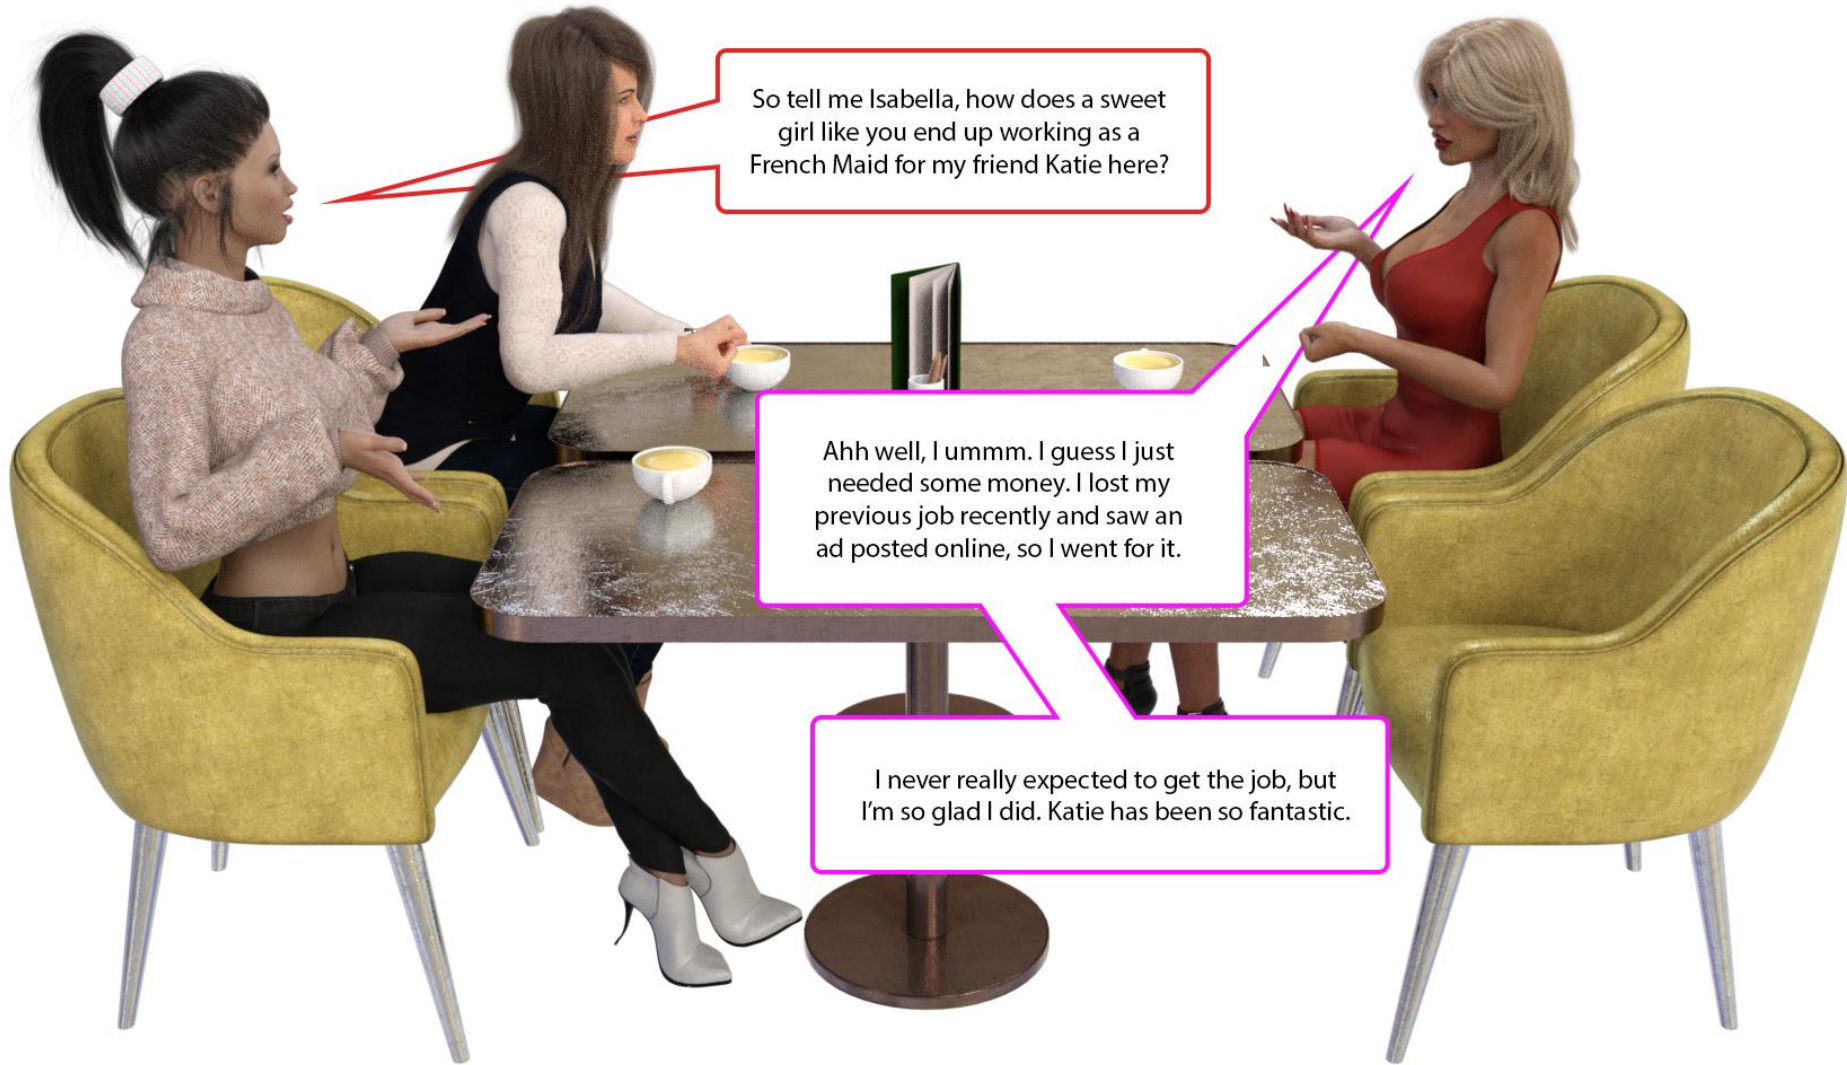

No, Isaac and Tess don't get along.
Isabella and Tess don't have a
relationship. So this is a chance
for you two to have a fresh start.

Tess will be there? Why is Tess going to
be there? You know we don't get along.

sigh

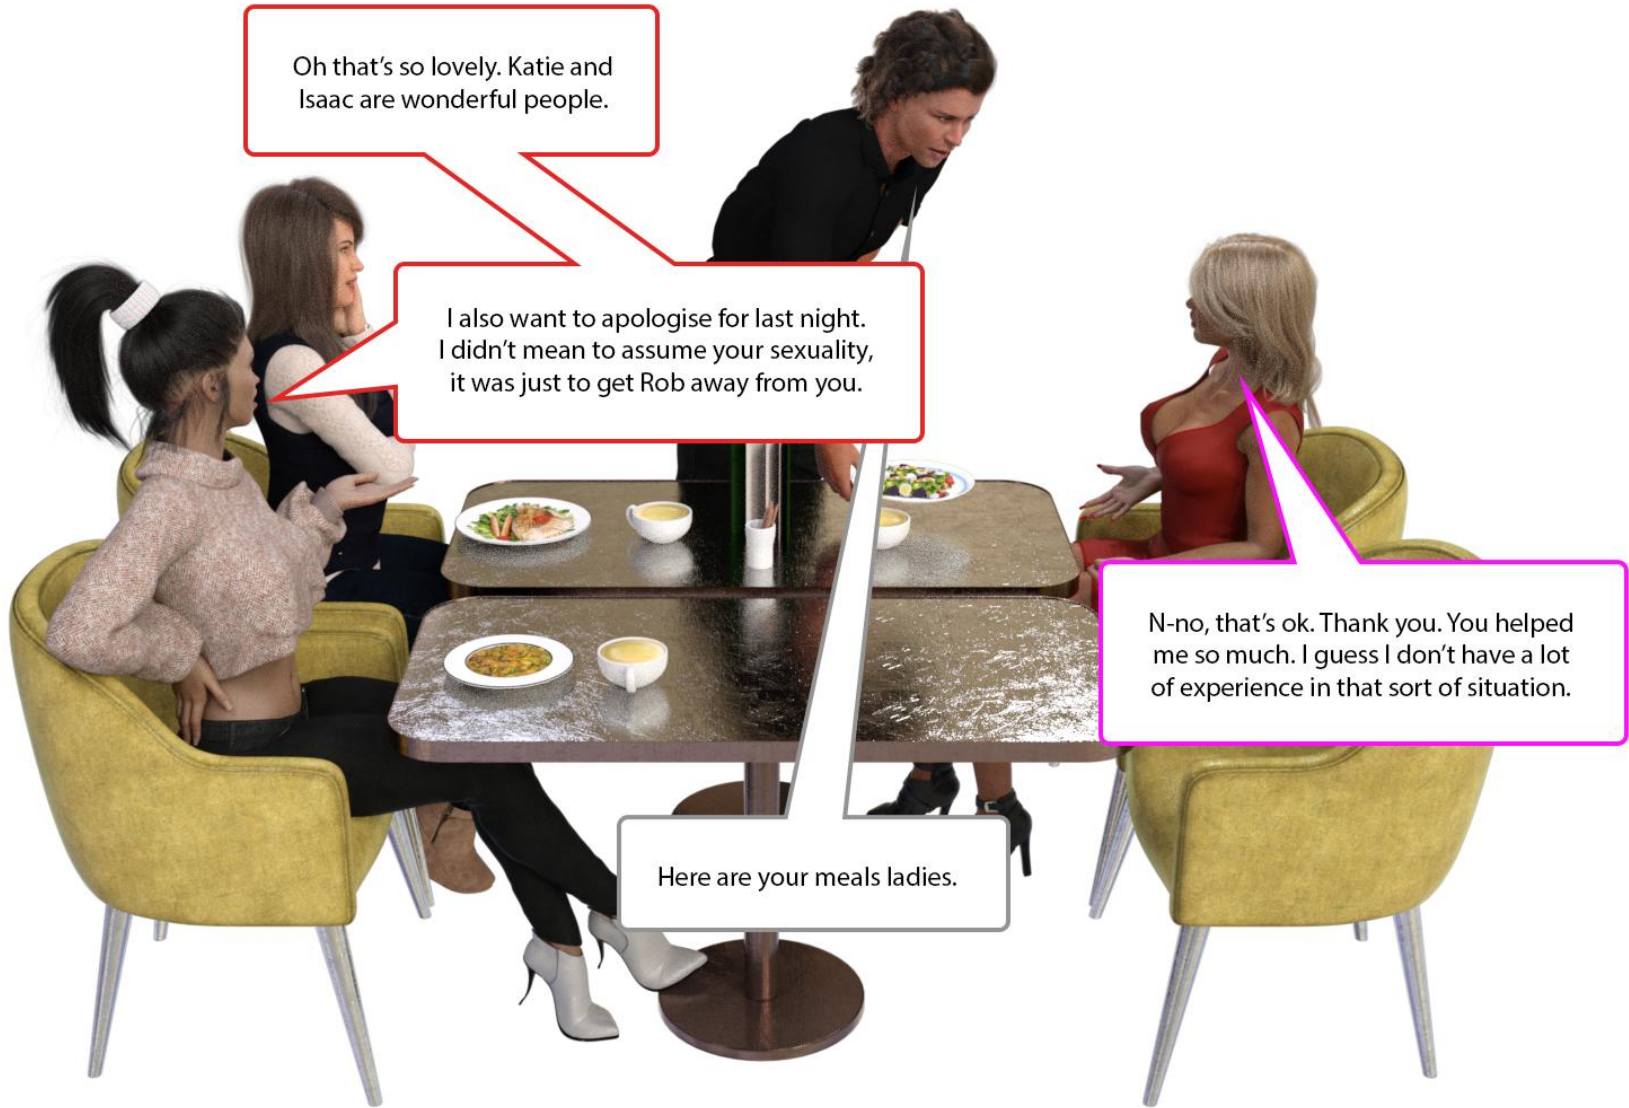

Fine. I guess you're right.

So tell me Isabella, how does a sweet girl like you end up working as a French Maid for my friend Katie here?

Ahh well, I ummm. I guess I just needed some money. I lost my previous job recently and saw an ad posted online, so I went for it.

I never really expected to get the job, but I'm so glad I did. Katie has been so fantastic.

Oh that's so lovely. Katie and Isaac are wonderful people.

I also want to apologise for last night. I didn't mean to assume your sexuality, it was just to get Rob away from you.

N-no, that's ok. Thank you. You helped me so much. I guess I don't have a lot of experience in that sort of situation.

Here are your meals ladies.

W-what? N-no. He wasn't looking at me.

Tess!

Oh. My. God. Did you see the way the waiter was looking at you Isabella?

laugh

Oh please. He couldn't keep his eyes off you. I'm a little jealous, he's a hunk. I'd do him in a heartbeat.

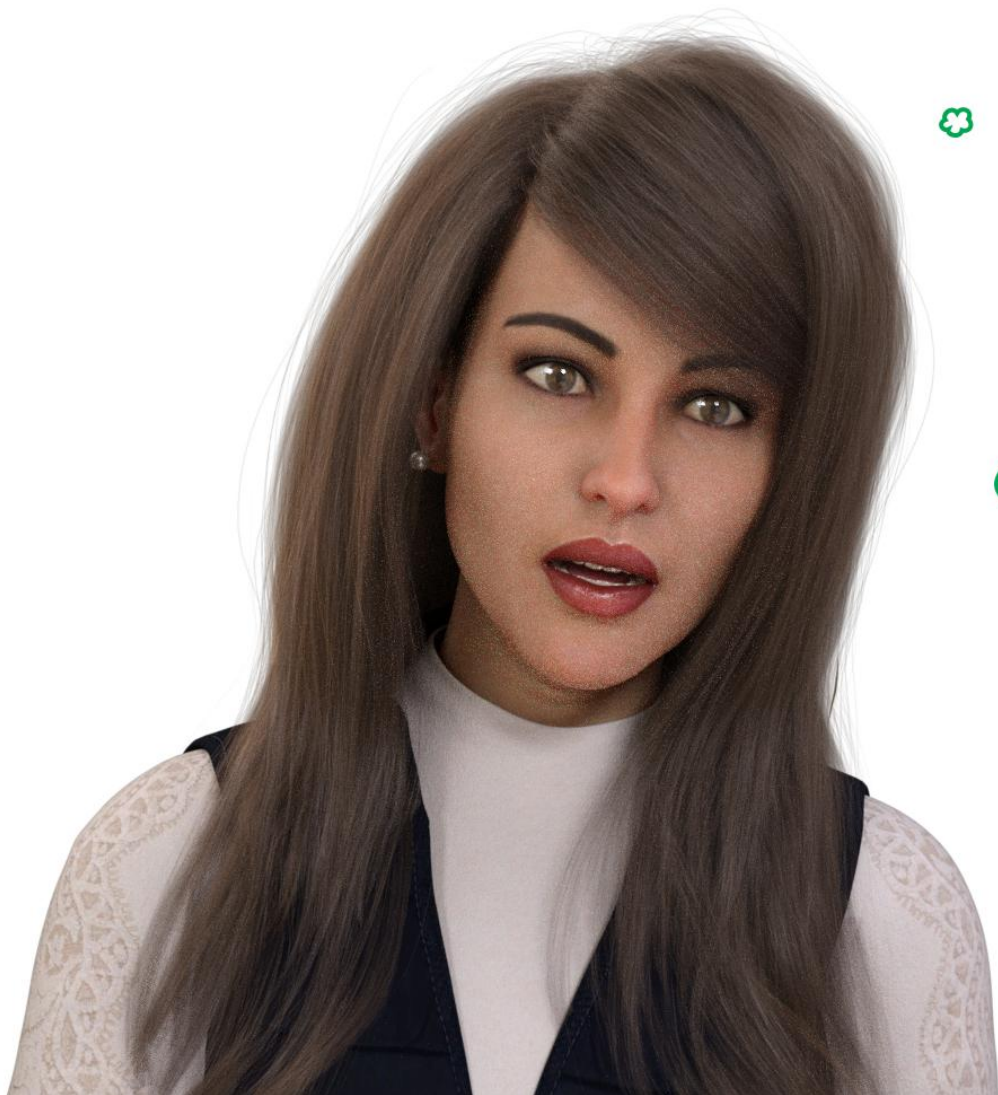

I-I don't think so.

H-he is attractive I suppose.

blush

What? All I'm saying is that if Isabella wanted to, she could pick up our sexy waiter.

Are you saying he's not attractive? Just look at those strong arms, his tanned skin, that chiselled jawline. Mmm, he's so scrumptious.

Did my boyfriend just admit that another man is attractive?

giggle

shiver

Oh gosh. And why does the thought of my boyfriend teasing another man feel so good? Should I push him to admit more?

At the very least I could tease him a little.

Don't be shy Isabella. It's ok to find him attractive. To want to feel his powerful arms wrapped around your skinny waist.

What? Why wouldn't a single girl like yourself dream about him? Like you said, he's very attractive.

wink

Katie!

God, this is weird. Why is she teasing me like this?

It's nerve wracking enough being dressed as a woman out in public, and now a guy is hitting on me. He could hit on anyone here, but he hits on me. Why me?

Oh no. Why do I find that arousing? Do I like that he finds me attractive?

Do I find him attractive? Or do I just like that him finding me attractive means I'm pulling off being Isabella?

Oh this is all so confusing. I need a minute to think-

Hola, ladies. Is everything to your satisfaction?

Not everything, Alejandro. My friend Bella here would have liked some meat to go with her salad.

What? Sorry, my friend here is a little shy. She was just telling me how she thought you were very attractive.

Tess!

Oh my god, Tess!

Ahh, Bella. Nothing is too much for my sweet Bella.

grab ***scribble***

Oh my god, what is he doing?
I-is he writing his phone number on
my hand? W-what do I do?

Holy crap. This is amazing.
I only wanted to tease Isaac, but
this is next level.

Here you are my
dear. Please, call me.

kiss

Uhhh sure. Ok.

Thank you Alejandro. Don't
worry, she's just a little nervous that
you were so forward. She'll call.

What the hell Tess?!
I didn't ask for that.

A little push? You might as well
have sat me on his lap and told him to
do whatever he wanted with me.

W-wh. N-no.

What? You said he was attractive, you're single,
I just thought that you needed a little push.

Ooo good idea. Maybe when
he comes back we can do that.

Enough, the both of you. We have to
go anyway, errands to run and all.

Tess, as always it's been delightful. Isabella, thank Tess for setting you up with Alejandro.

You're most welcome, Isabella. I know you'll appreciate it when you finally go on that date with him.

laugh

Goodbye Tess.

Bu-bu- fine. Thank you Tess for helping me get the phone number of our handsome waiter.

A d-d-d-

Sunday August 14th 2022

1:17pm

Oh my god. Can you believe Tess? She set me up to get hit on by that waiter guy.

What do you mean?

I-I did not.

I don't know, you seemed pretty happy with the attention, *Isabella*.

I mean I saw you smile when Tess said she thought that Alejandro was attracted to you. I saw you play hard to get with him. Truthfully, I think you liked the attention.

N-no, it was nothing like that.

No, don't do that.

Come on, Isabella. Don't deny it. You like being the attractive female of the group that got the attention of the hot waiter. In fact, I think it turned you on.

You sure? What if I see what's going on under your dress?

Hmmm, that's what I thought.

Now it's time for your reward.

I can see how hard you are under your panties Let's release the monster shall we?

moan

Mmmmm he's so big.

Now, I have a surprise for my girl. I was going to give this to you last night, but after what happened I decided not to.

But after this morning, it feels fitting that you get introduced to your new friend.

W-what's that f-for?

It's for you sweetie. I thought you might like to experiment. You can start by giving this dildo a nice, sloppy blowjob.

Just think of it as a big, juicy lollipop. I'll help you, whilst-

moan

I bounce up and down on your-

Big throbbing cock.

Give the head a lick. I want you to worship this cock. Like it's the best thing you've ever tasted.

That's it. Now open and take a little in your mouth.

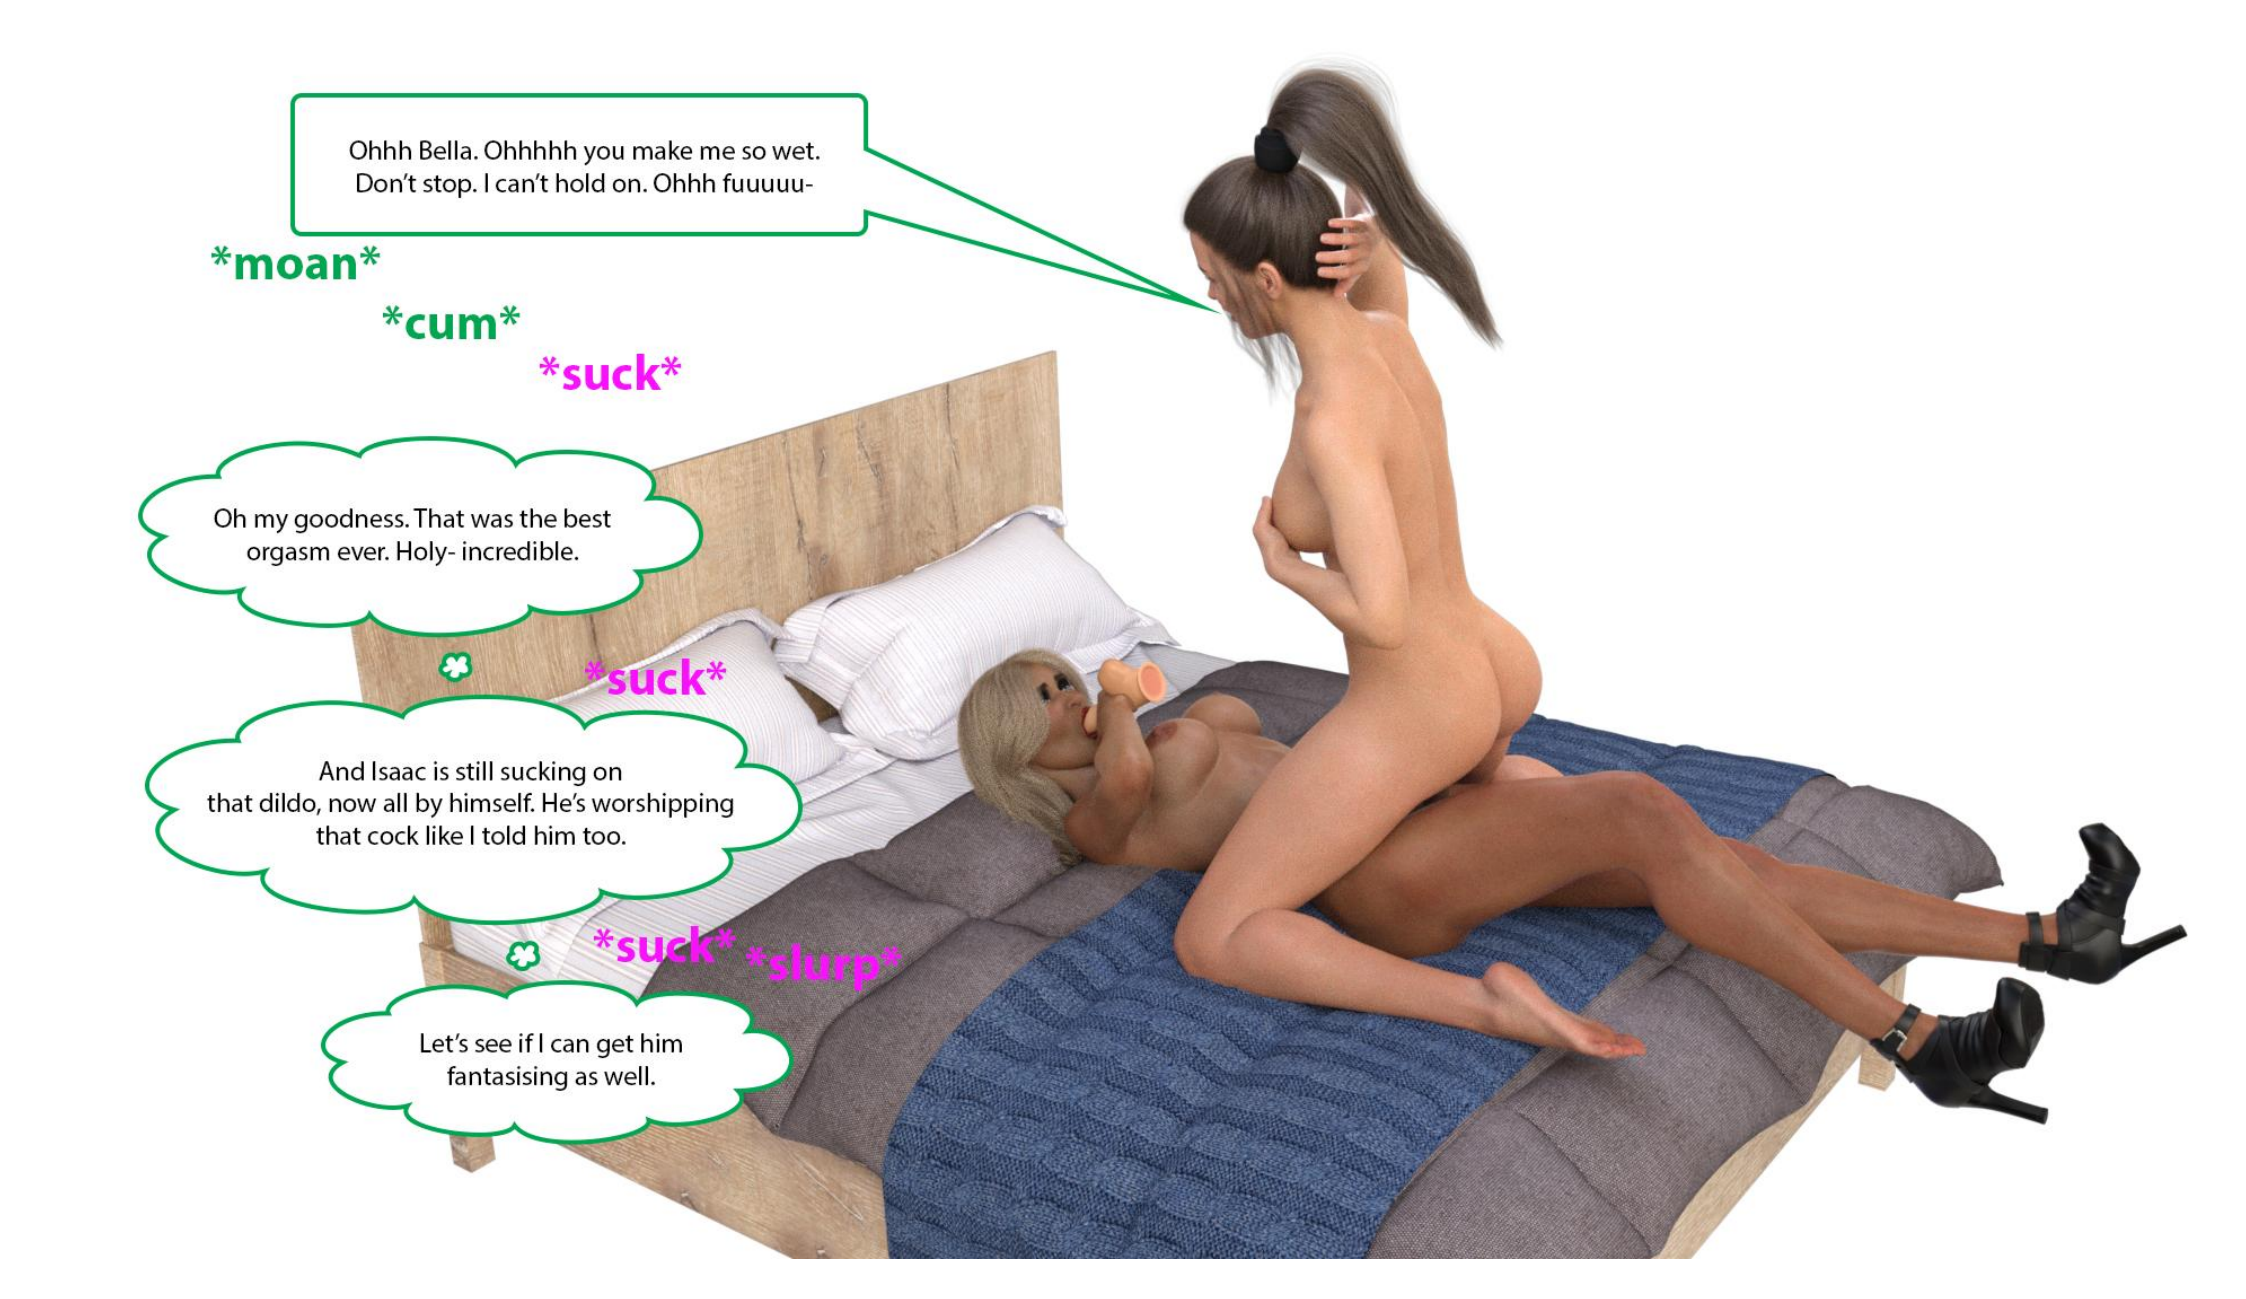

moan

suck

That's so hot. My boyfriend is dressed head to toe as a stunning woman, willingly sucking on a dildo whilst I'm riding his cock. A few months ago I would never have believed this would be possible, but this is the hottest thing I've ever witnessed.

moan

suck

Ohhh Bella. Ohhhhh you make me so wet.
Don't stop. I can't hold on. Ohhh fuuuuu-

Oh my goodness. That was the best

And Isaac is still sucking on
that dildo, now all by himself. He's worshipping
that cock like I told him too.

suck* *slurp

Let's see if I can get him
fantasising as well.

You like sucking that big juicy cock don't you, Bella.

moan

suck

That's right. Wrap your soft, sexy lips around it and worship it like it's a god.

That's it baby. Like you would do anything to please it.

A photograph of two women in a close embrace. The woman on the left has dark hair tied up in a bun with a black scrunchie. She is looking towards the blonde woman on the right. The blonde woman has long, wavy hair and is looking back at her. They appear to be in a bedroom, with a wooden headboard and a striped pillow visible in the background. The image is overlaid with several speech bubbles containing text.

That was... wow. I think that was the best sex we've ever had.

So you don't mind that you were dressed as a woman?

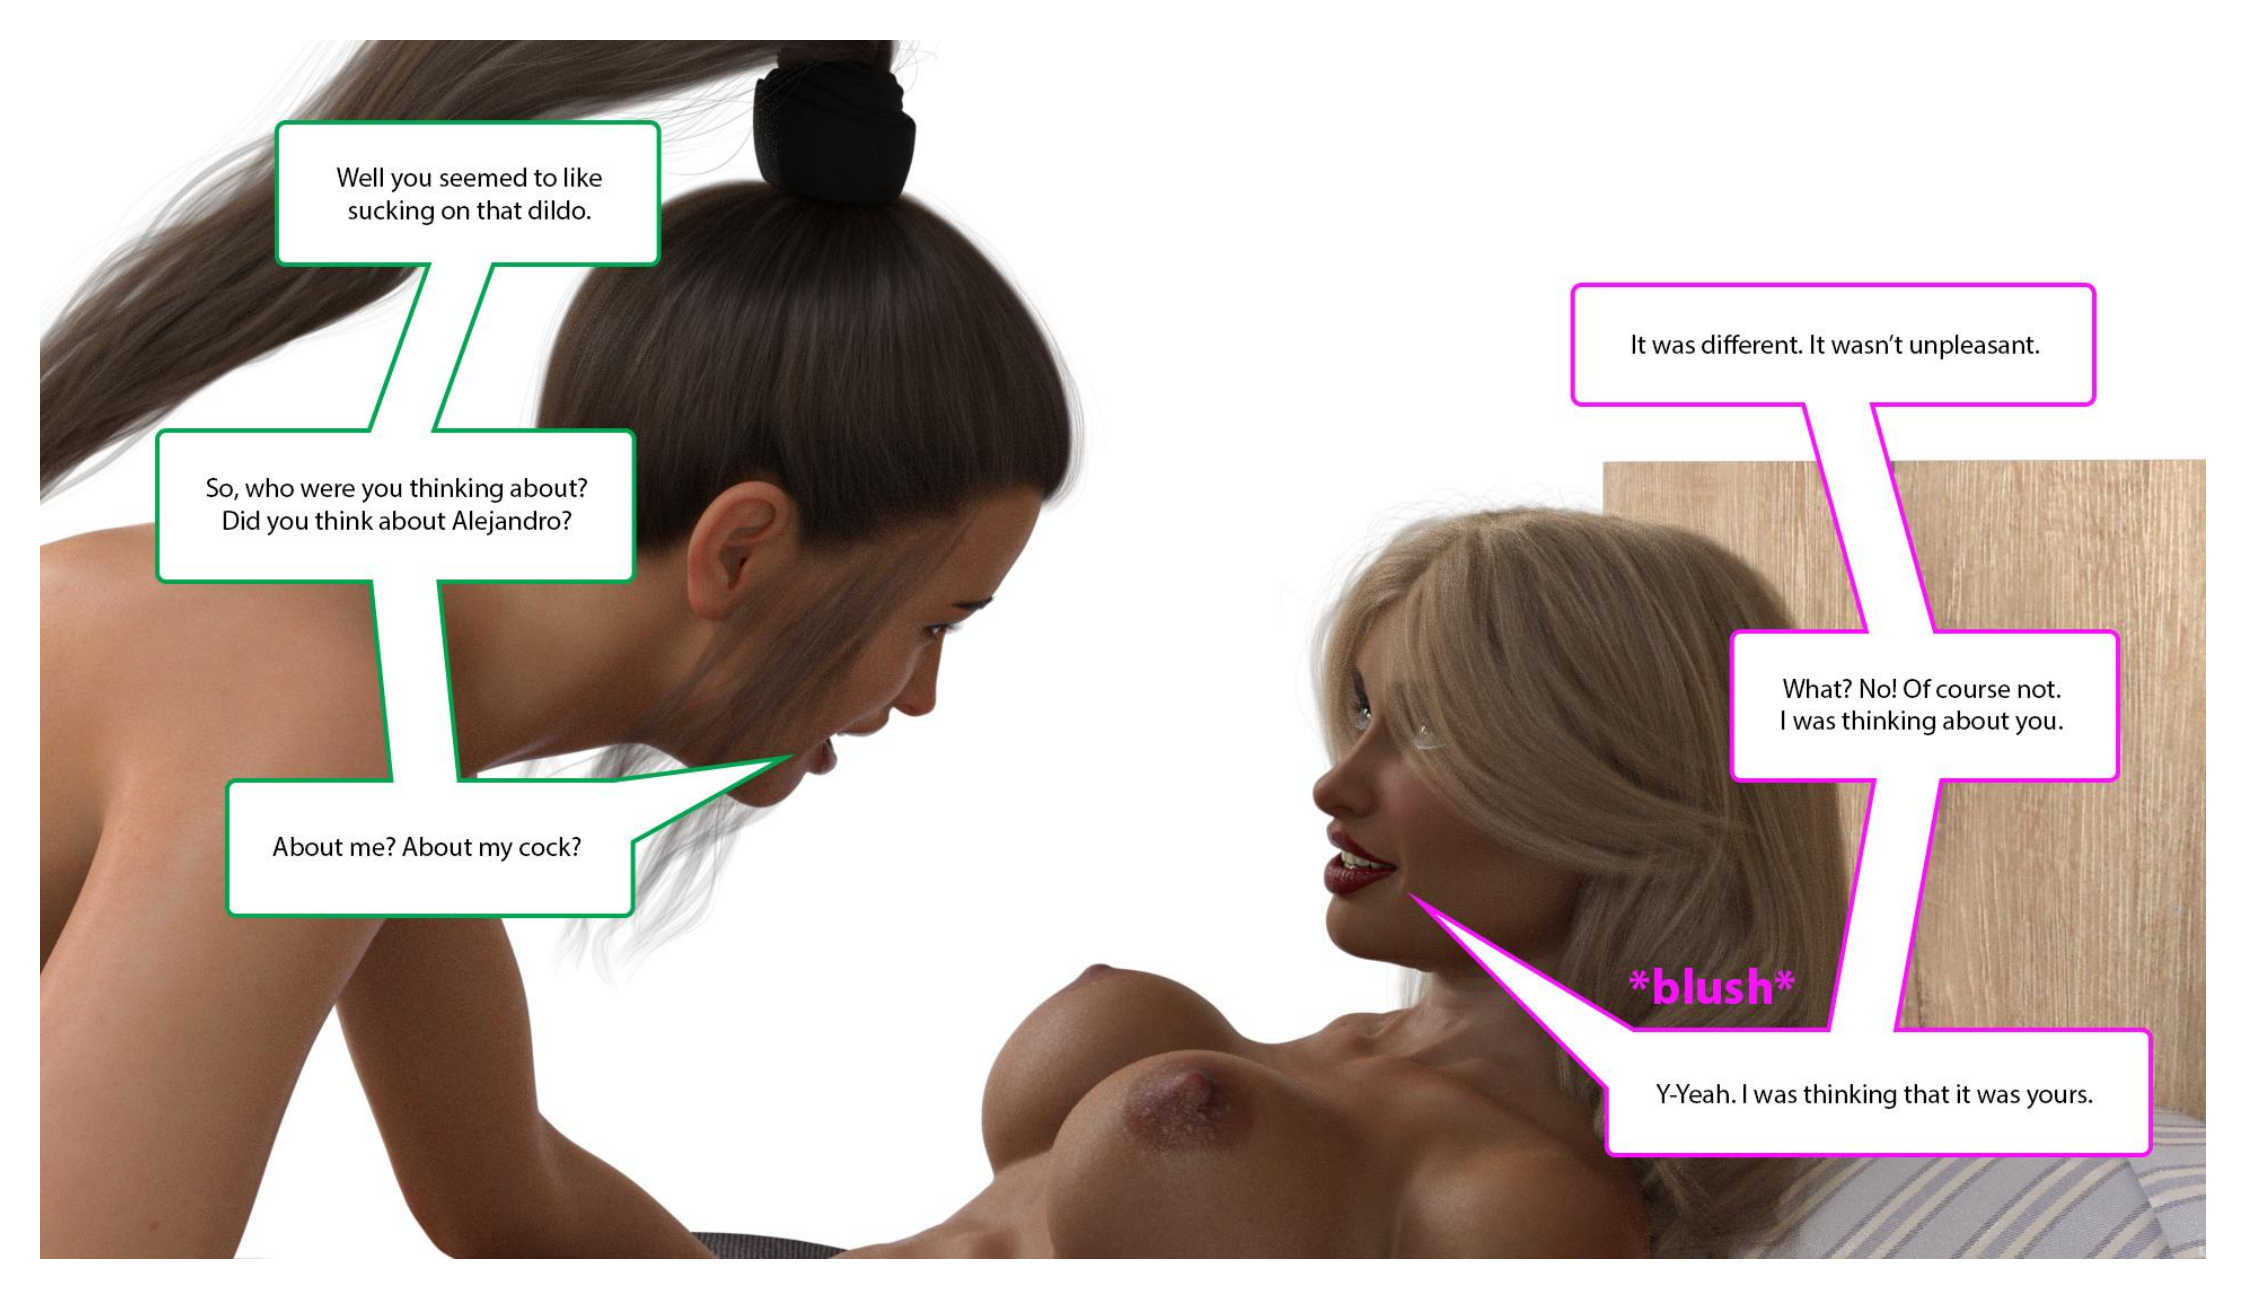

giggle

That's good to know. Now I have even more reasons to keep you dressed as my sexy girlfriend.

I think so. It was pretty hot.

If the sex is that good, I don't care how I'm dressed.

And what are you going to do to me as your sexy girlfriend?

Well you seemed to like sucking on that dildo.

So, who were you thinking about?
Did you think about Alejandro?

About me? About my cock?

It was different. It wasn't unpleasant.

What? No! Of course not.
I was thinking about you.

blush

Y-Yeah. I was thinking that it was yours.

That's actually so sexy and sweet.

I think it's time for round two with my sexy girlfriend.

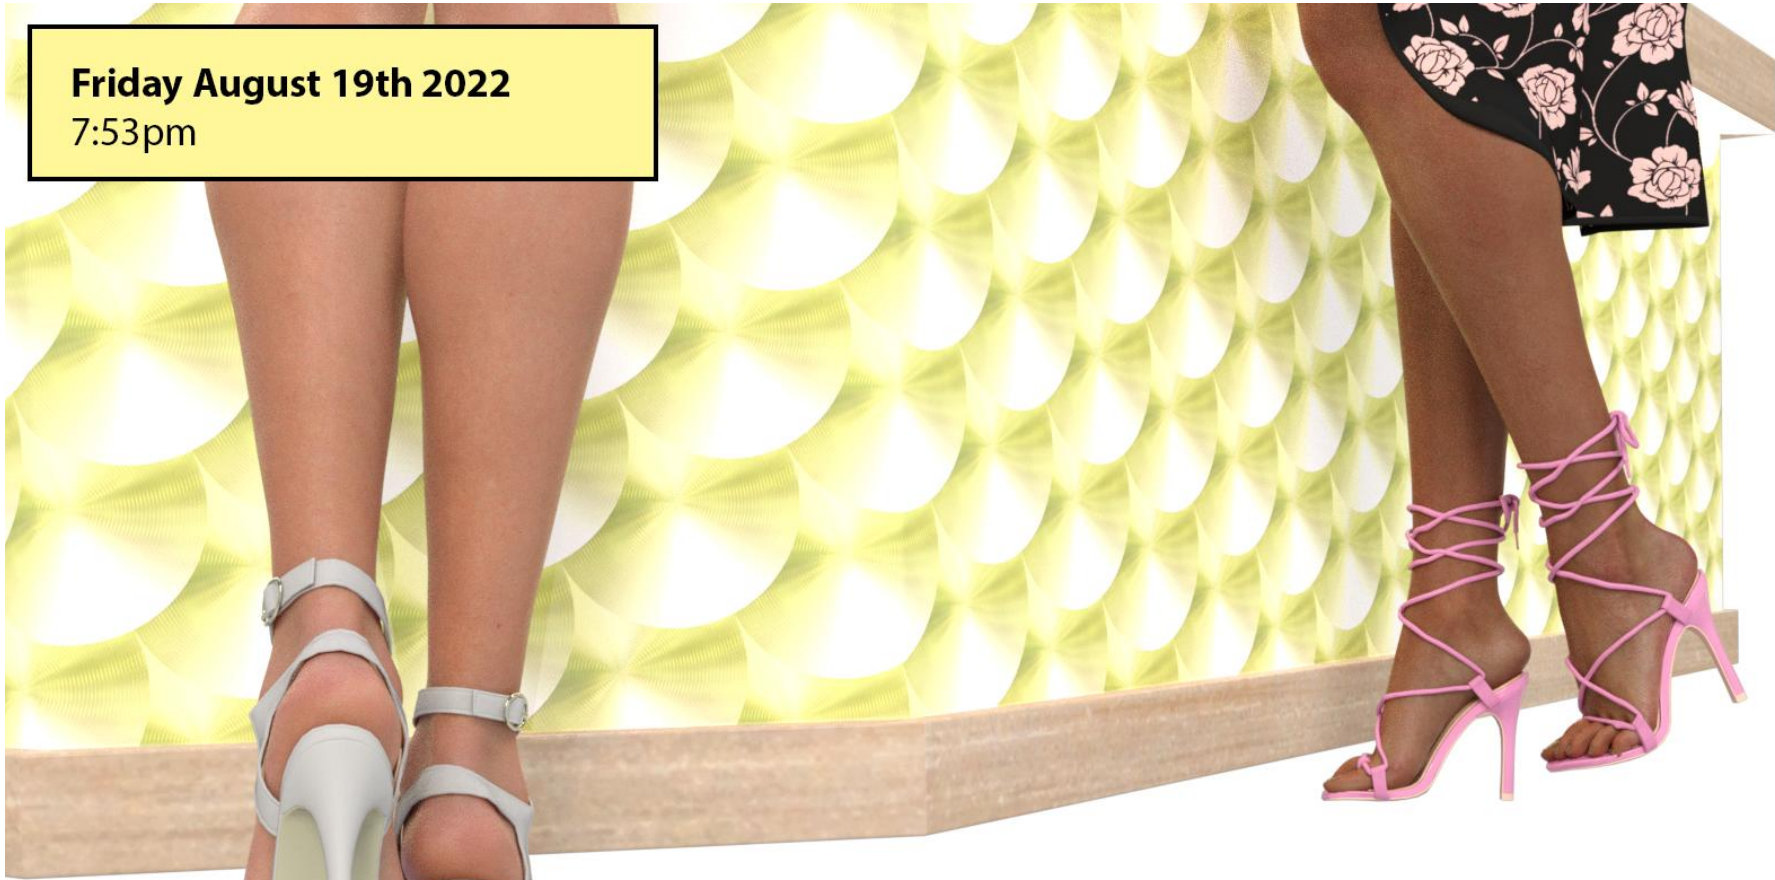

kiss

Maybe I won't make him go on a date with Alejandro. I'm not willing to share my man with anyone. Not just yet anyway.

Friday August 19th 2022

7:53pm

I can't believe I'm doing this. I'm still not sure how Katie convinced me that coming here was a good idea.

This place is packed with people. Surely someone is going to see through all of this padding and makeup.

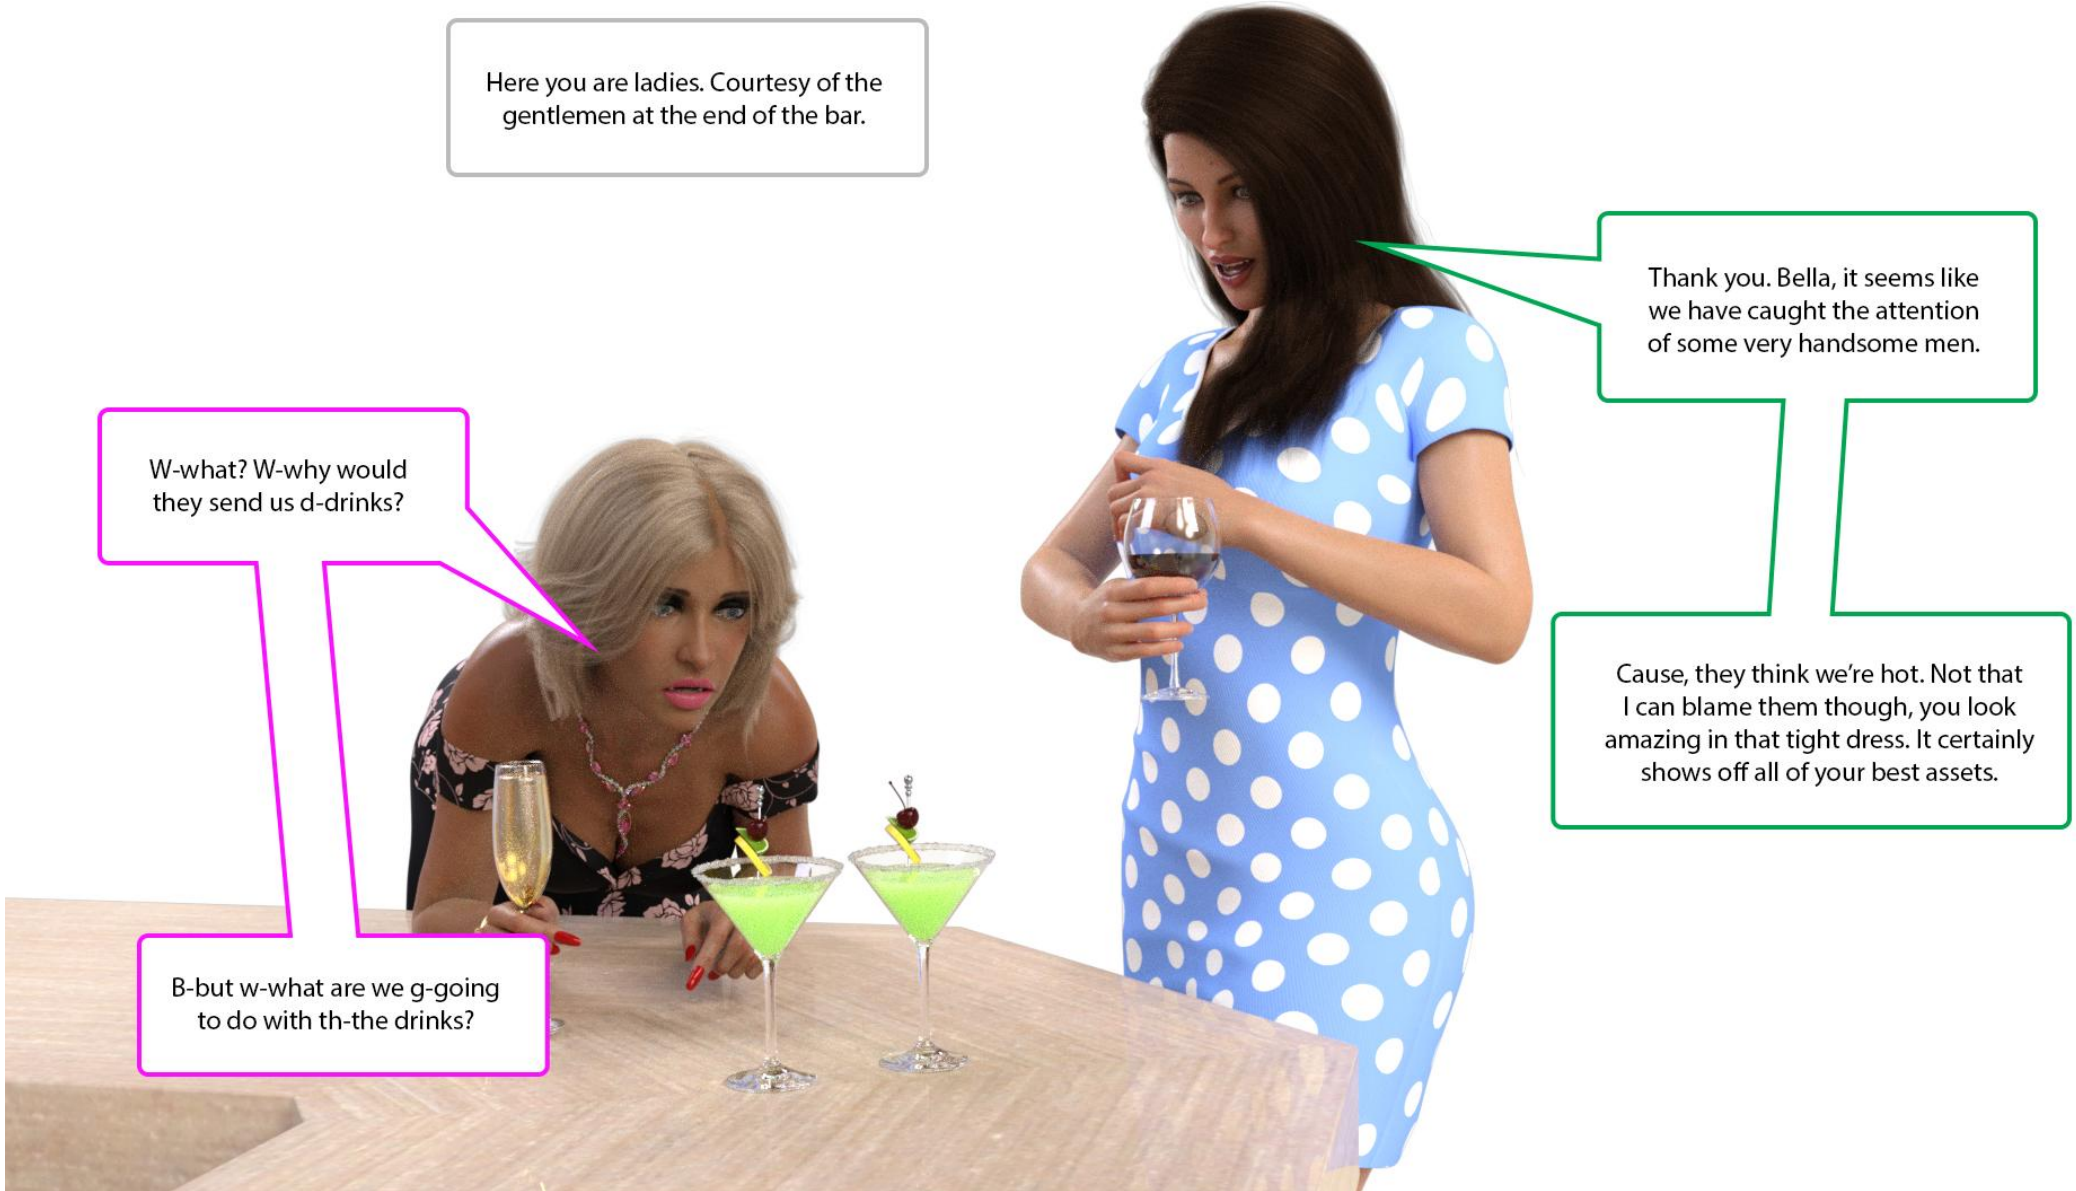

Here you are ladies. Courtesy of the gentlemen at the end of the bar.

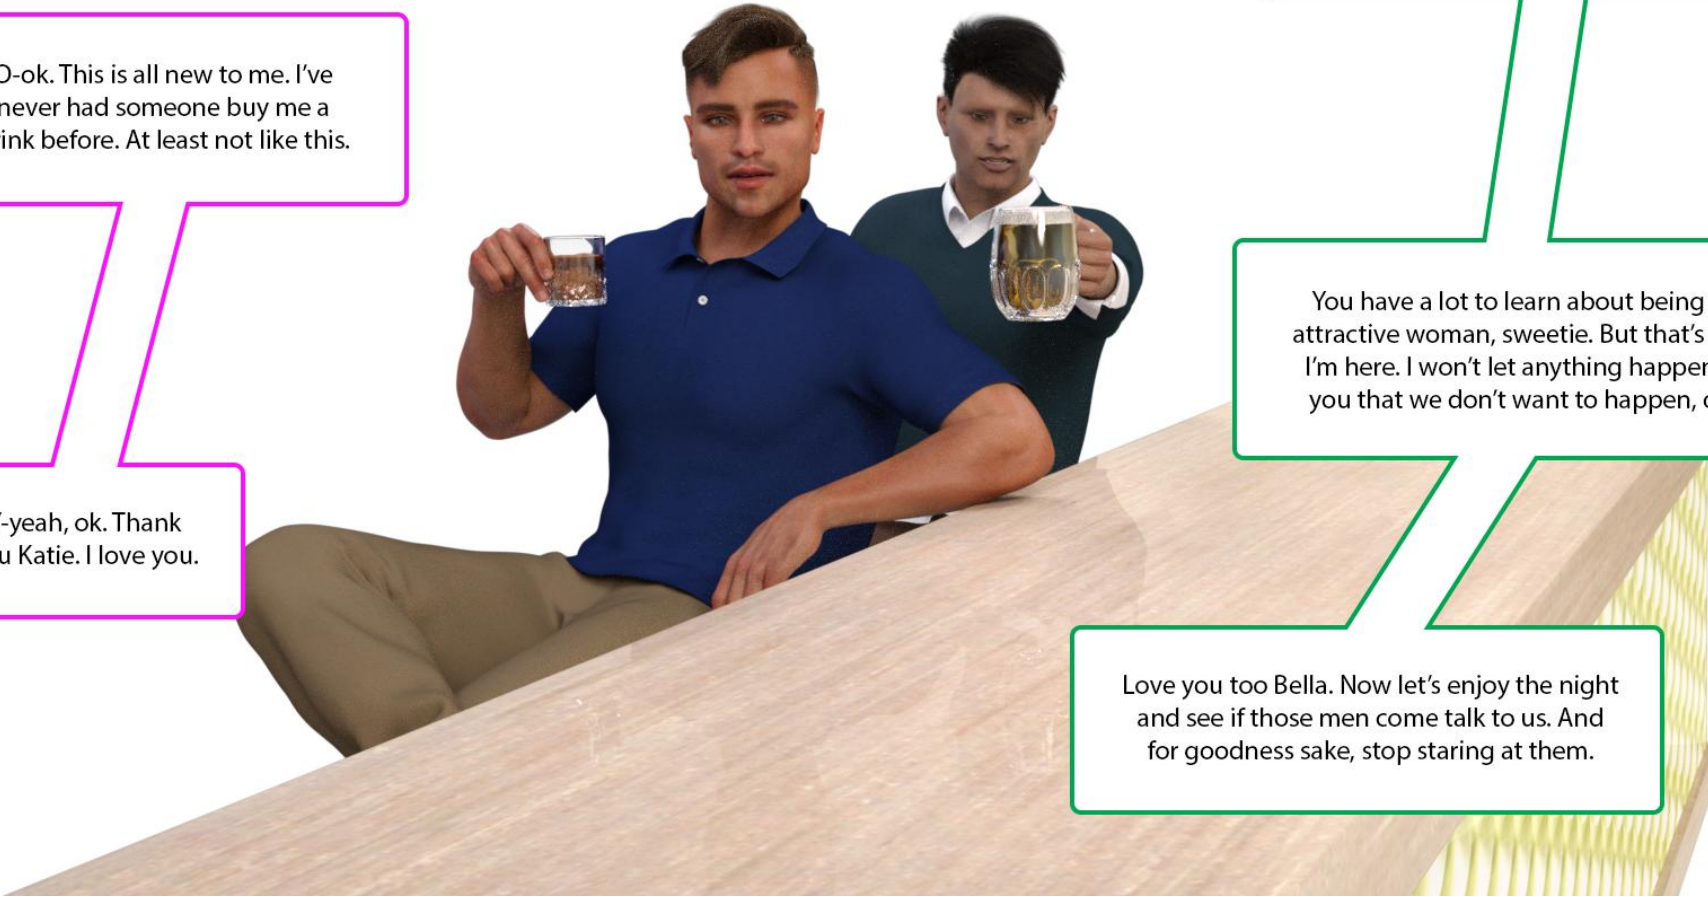

W-what? W-why would they send us d-drinks?

B-but w-what are we g-going to do with th-the drinks?

Thank you. Bella, it seems like we have caught the attention of some very handsome men.

Cause, they think we're hot. Not that I can blame them though, you look amazing in that tight dress. It certainly shows off all of your best assets.

O-ok. This is all new to me. I've never had someone buy me a drink before. At least not like this.

Y-yeah, ok. Thank you Katie. I love you.

We accept the drinks, of course. If those men have the courage to come and talk to us, then we thank them for the drinks and chat to them. Nothing more, nothing less.

You have a lot to learn about being an attractive woman, sweetie. But that's why I'm here. I won't let anything happen to you that we don't want to happen, ok?

Love you too Bella. Now let's enjoy the night and see if those men come talk to us. And for goodness sake, stop staring at them.

God this is so weird. Having guys buying me drinks is such a strange experience. I'm so glad that Katie is here with me, but I think she overdid it with our outfits.

We're all dolled up like a couple girls on the prowl, looking to get lucky with some fortunate young men.

shiver

throb

Uhhh no matter how much I try, I can't help but feel aroused. This dress is so sexy, it hugs my body so tightly and shows off so much cleavage. It was so intoxicating to feel every eye on us as we walked in here.

throb

Huh?

Oh, uhhh,
thanks. I guess.

blush

Oh no, the guys who
bought us the drinks are now talking
to us. What do I do now?

Did your licence get suspended?
'Cause you're driving all the guys crazy.

laugh

Sorry, I couldn't resist a cheesy
line to break the ice. You know
you and your friend have been
turning heads since you got here.

chuckle

You're cute when you blush. I'm Jack by the way.

Oh um. Isabella, or Bella for short.

Bella, what a lovely name. Although I shouldn't be surprised though that a lovely lady has a lovely name.

blush

Why am I blushing so much? Am I enjoying the attention from Jack, or is there something more going on? Uhhh this is so confusing.

I can't even get Katie to help, as she's stuck with Jack's friend. I guess it's time I learnt to fend for myself.

Friday August 19th 2022

9:24pm

I'm so sorry to interrupt this delightful conversation, but I need to borrow my friend here. We need a trip to the little girls room.

Of course, I'll be waiting here for your return Bella.

giggle

Ohh, ok. See you soon Jack.

wave

Are sure I'm allowed here?
What if someone figures-

This again? Please, you look like
you more than belong here. Hell,
Jack has had a lovestruck look in his
eyes since he began talking to you.

He has not.

giggle

He has, Bella. Believe me. I think he's
smitten with you. Not that you're helping
with your flirting, you little minx.

What do you mean? I have not been flirting with him. We've just been talking.

Oh please. You've giggled and blushed your way through every conversation, touched his arm countless times and you haven't stopped playing with your hair. Not to mention that cute little wave you gave him as we left.

gasp

Oh my god.

Have I really been doing that this whole time?
Oh no. That's not good. What's he going to do? Is he going to force himself on me like Rob did? Oh god, what am I going to do, Katie?

First of all, you're going to take a deep breath and stop spiralling. Jack's not like Rob, and if he is, I'm right here to help.

Secondly, there's nothing wrong with flirting with Jack. He's a handsome man and it's natural for an attractive girl like you to flirt with a guy like him.

And last of all, nothing has to happen that you don't want to happen. If you want to flirt with him for the rest of the night, that's ok. Enjoy it, revel in it and simply have fun.

Remember, I love you and nothing will ever change that.

Uh-uh, little Isaac isn't coming out to play tonight Bella. Tonight, it's time for us to spice things up a little.

Sit tight and I'll show you my love. But I need you to strip down to your lovely lingerie whilst I get ready.

Holy shit. I-Is that f-for m-me?

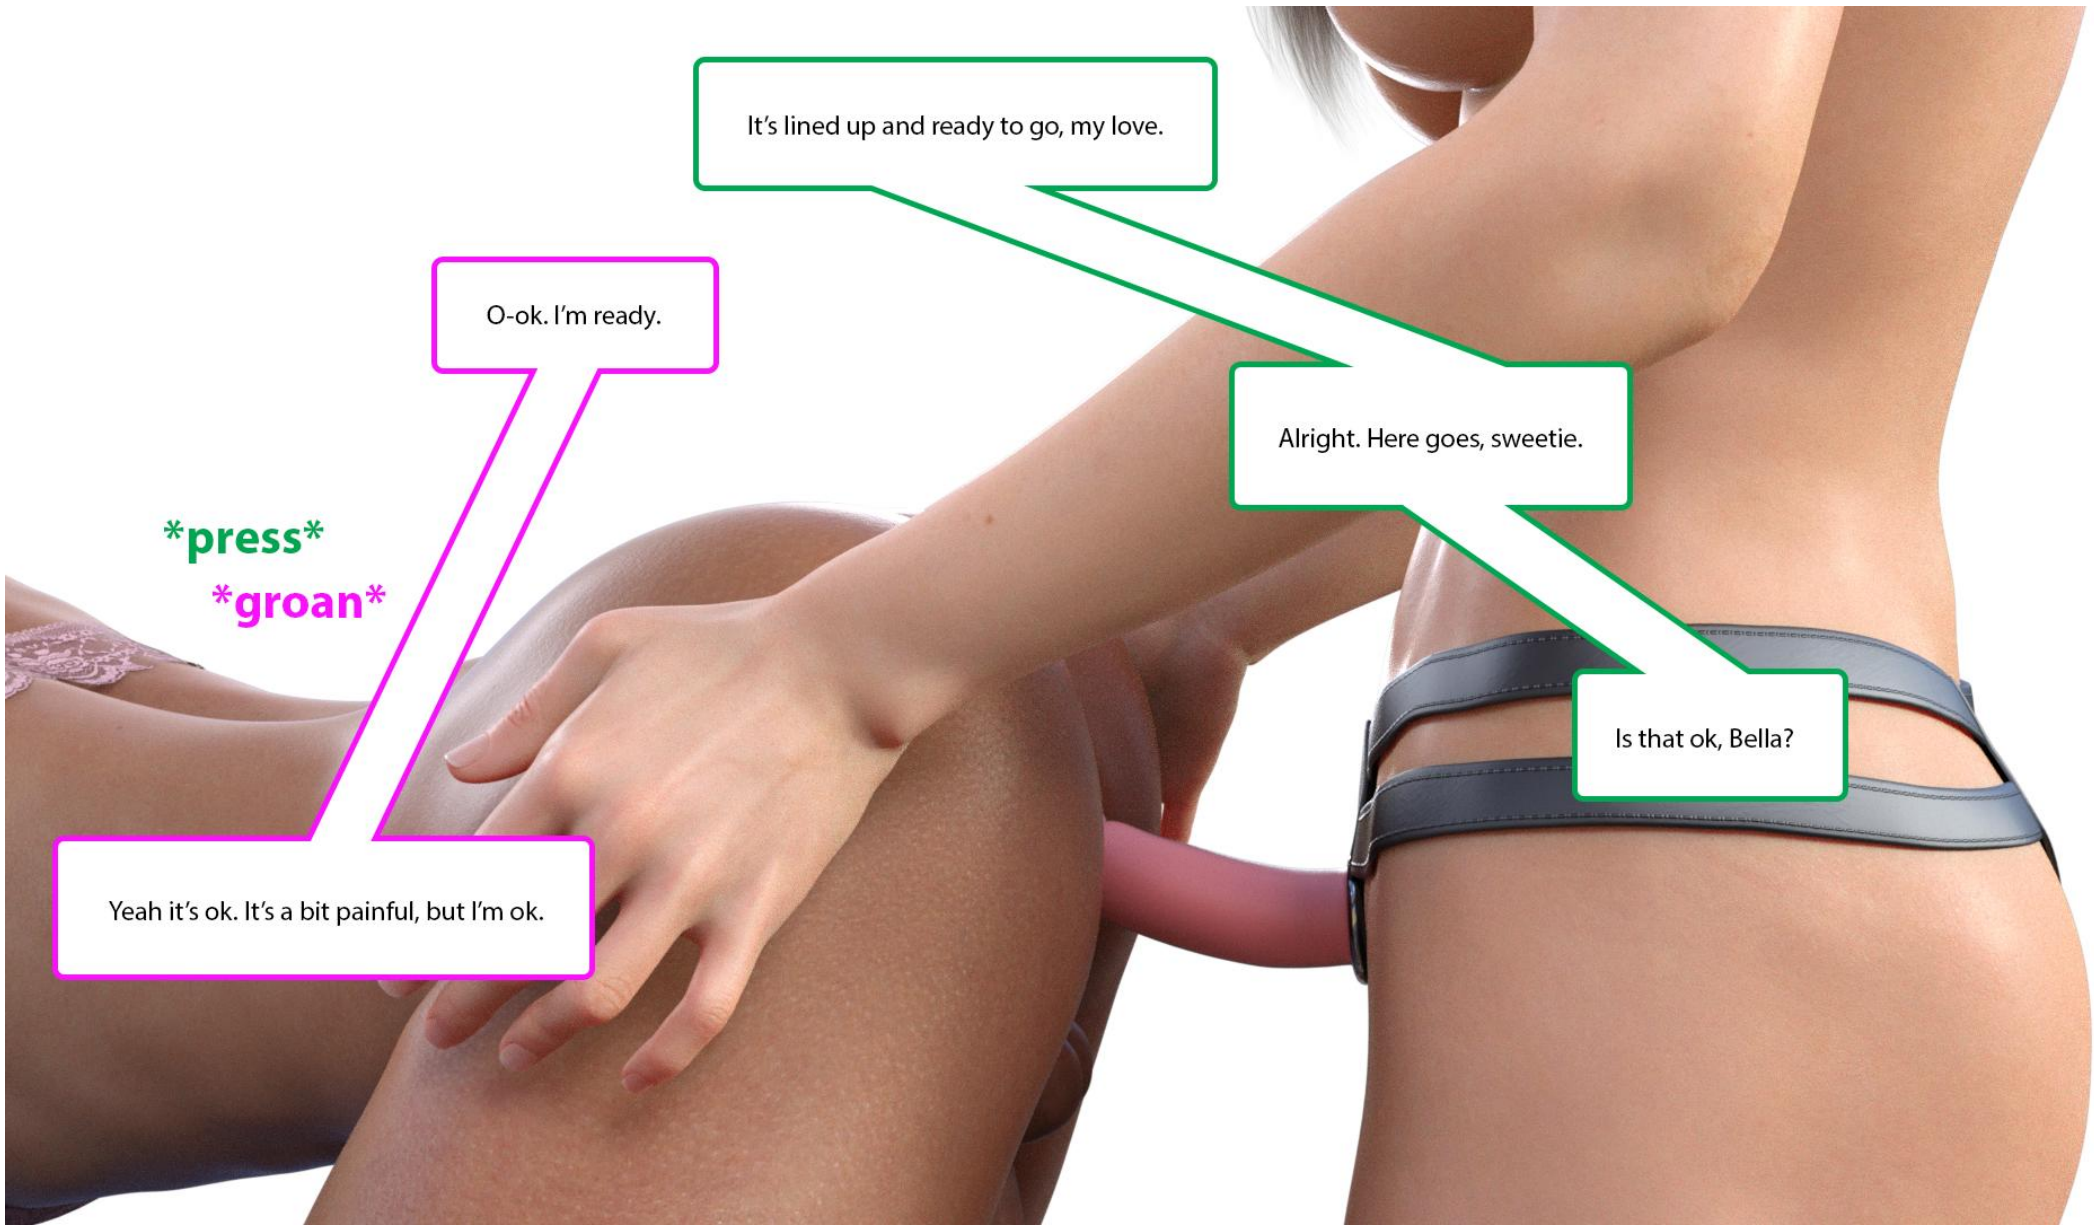

A-Are y-you sure? Will it h-hurt?

What do you think?

It sure is. This lovely strap-on is solely for your pleasure.. and a little bit for me too, but mainly for you.

It might, but I'll be gentle, I promise. Sweetie, I love you and if you want to stop at any point, then I'm here for you.

It's lined up and ready to go, my love.

O-ok. I'm ready.

Alright. Here goes, sweetie.

Is that ok, Bella?

Yeah it's ok. It's a bit painful, but I'm ok.

Oh fuck. You're so tight, Bella.

Watching you with Jack all night was so hot. You flirted like an expert. You gave him just enough to reel him in, and then you pulled back and played it cool.

He definitely thought he was going to take you home, but all he left with was a peck on the cheek and some blue balls.

The image features two women against a plain white background. The woman on the left has long, dark hair and is topless. The woman on the right has blonde hair and is wearing a purple lace bra with a matching necklace. A green speech bubble originates from the blonde woman and points to the dark-haired woman. The speech bubble contains text, and the path of the bubble is marked with sound effect text: '*thrust*' in green and '*moan*' in pink. Another speech bubble is positioned below the first one, also containing text. A third speech bubble is at the bottom left, containing text. The overall scene is suggestive and appears to be from a video game or a similar digital media production.

God it made me so wet. I don't think I heard a word of what Jack's friend said, I don't even remember his name!

All I could think about was taking you home and fucking my beautiful boyfriend. My big breasted, sexy boyfriend who captivated the attention of everyone in the bar tonight.

I love it when you beg for more Bella. Tell me how much you want it.

thrust

Ohh yeah. You're so hot when you beg. Fuck, you're so sexy.

Holy. Wow. That was amazing.

I-It was. Wow.

I've never heard you be so vocal. Getting fucked as Bella definitely suits you.

You think so?

As Isabella gets more comfortable in his role as a woman, Katie rewards her with nights on the town

In their expressive clothing, Katie & Isabella attract plenty of attention

Night...

After night...

After night.

But every night ends with Isaac on the receiving end of Katie's ever expanding range of strap-ons

Saturday September 10th 2022
8:17pm

Oh my god, Matt? Hey!

Bella, meet my colleague Matt. I'm showing Bella here around town. She's new to town and newly single, so what better way to get out and meet people than here.

Katie? Is that you?

What brings two fine young ladies out to this little club?

I couldn't agree more, Katie.

So this is Matt. The guy that Katie has told me so much about from work. Katie never mentioned that he was so handsome.

Gosh. Look at the difference between the two of us. He looks suave in his shirt and slacks, with his fancy dress shoes. Altogether a well-groomed man.

Whilst I'm here in the shortest, tightest dress I own with my cleavage practically spilling out over the low cut neckline, I have towering high heels I walk in like I've spent my whole life in them.

Not to mention my hair is styled, my long eyelashes flutter teasingly and my red lips look ready to kiss anyone who's interested.

It's no wonder he's openly flirting with Katie right now. It's not like he'd see me as competition. He's so.. manly, whilst I look like a teenage boy's wet dream.

I mean who would Katie pick if she had to choose between the two of us. Him or me? I don't look much like a boyfriend at the moment.

I can't let him take Katie away from me. I have to do something.

Hmmm. What if he chose me over Katie? That might work. I can remind him that I'm the 'single' one, whilst Katie is taken. That might work.

So Matt, Katie tells me that you're the next big thing in the office. Everything she's told me sounds super impressive.

Shit, that backfired.
What do I do now?

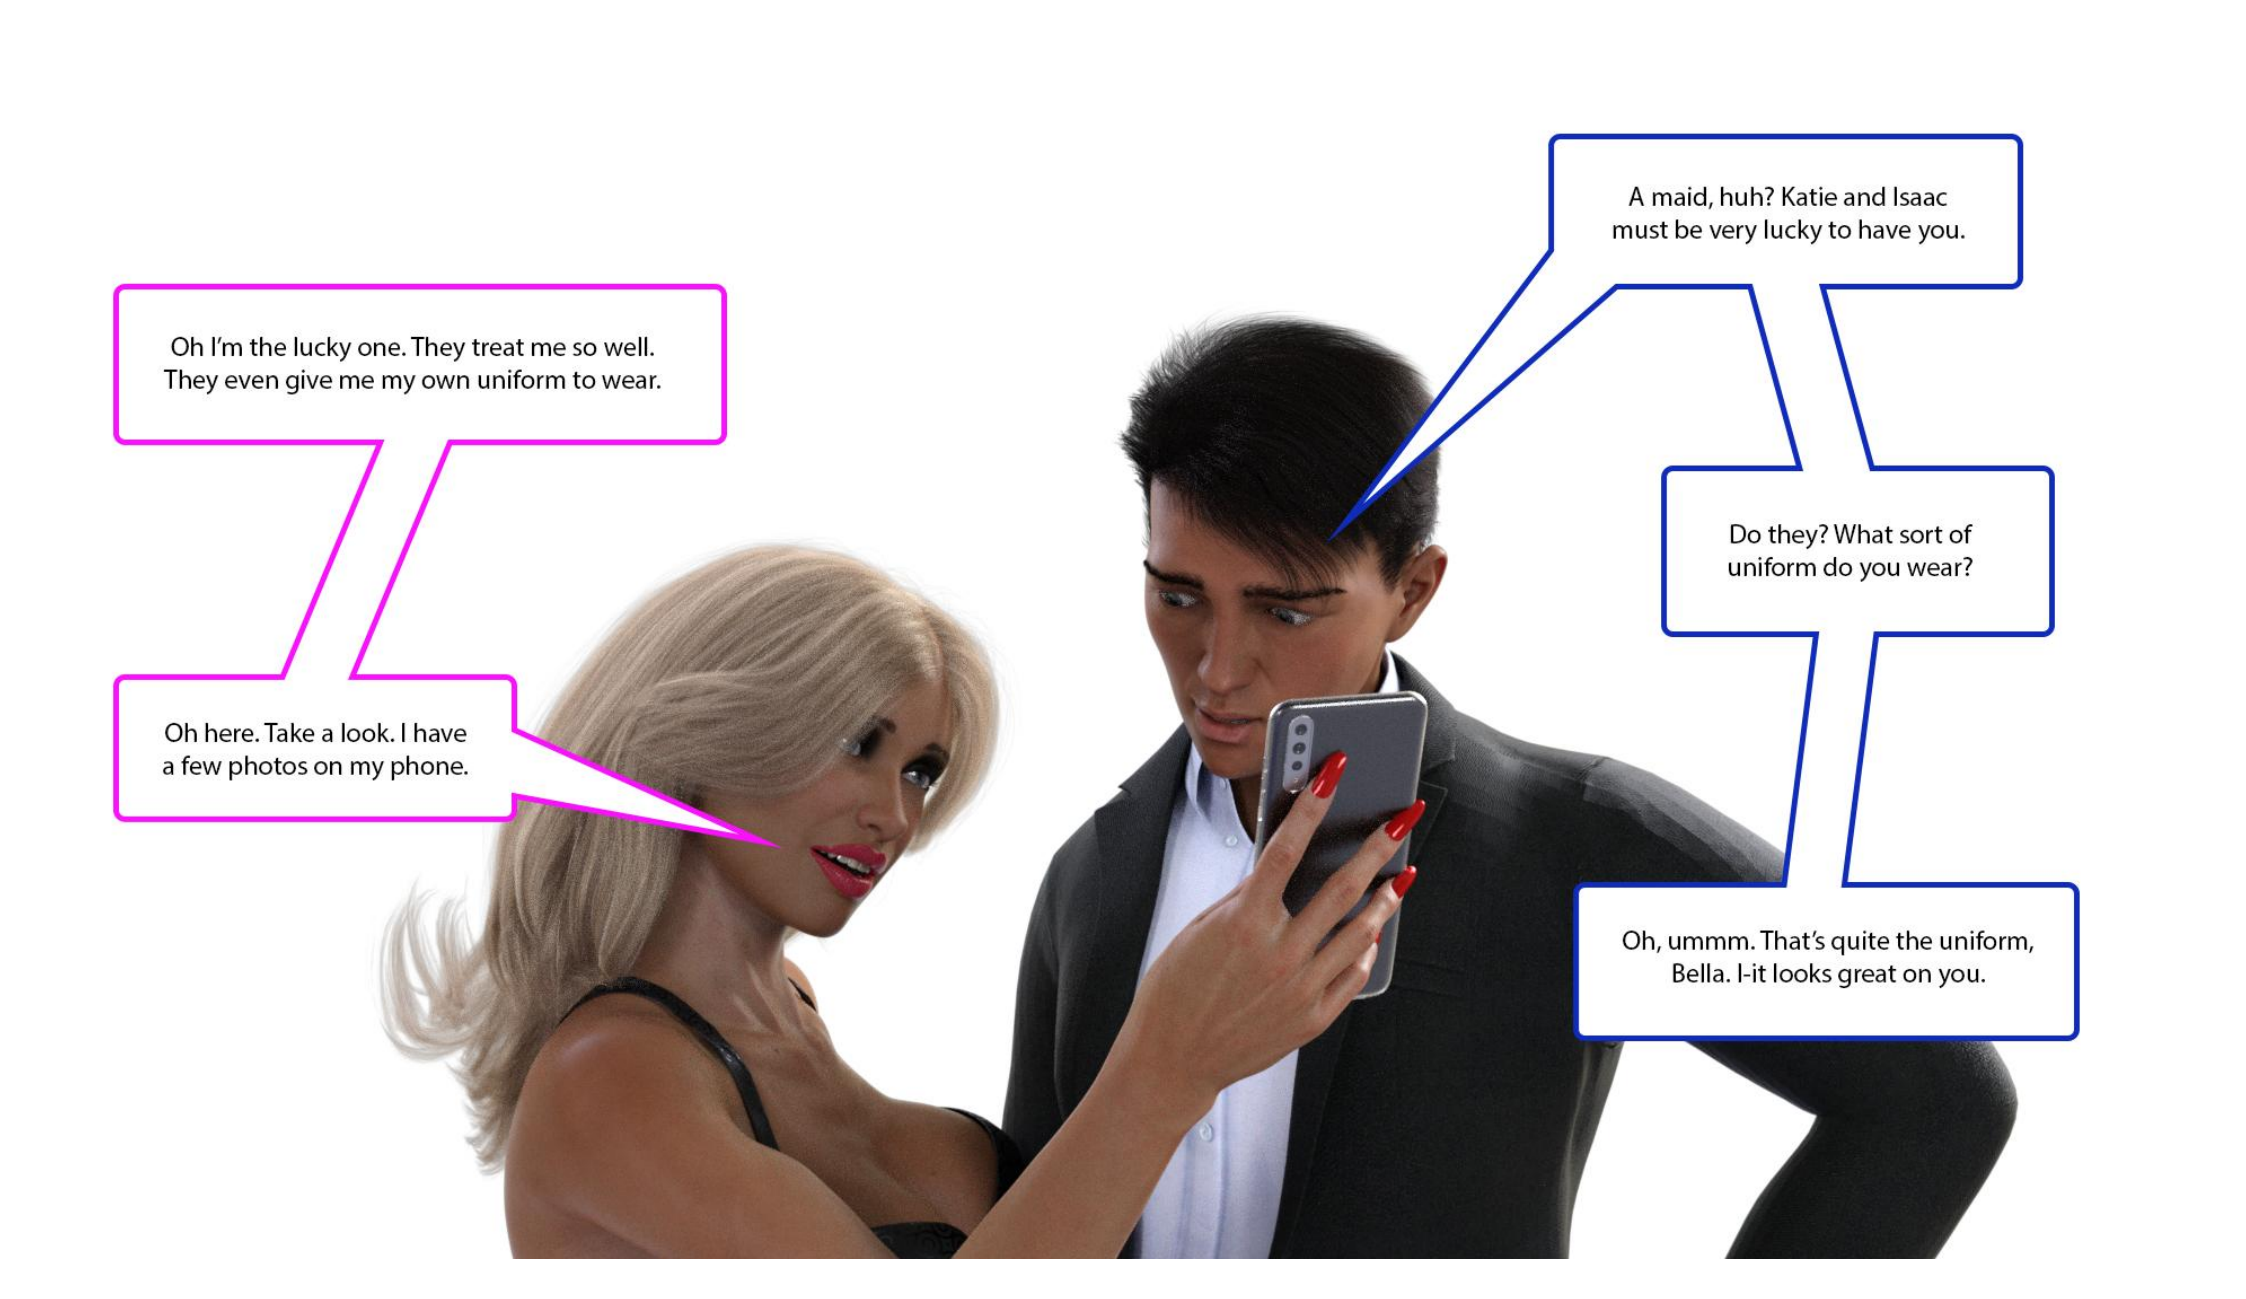

Well Katie talks about the office a lot to her *boyfriend* Isaac, but from the little bits she tells me I can tell how impressive you are. It seems you're a man on the move.

blush

Oh me? I'm a full-time maid for Katie & Isaac.

Thank you, Bella. I'm flattered that Katie talks about me so highly.

That's very kind of you to say, Bella. But enough about me, what does an impressive woman like yourself do for a living?

Oh I'm the lucky one. They treat me so well.
They even give me my own uniform to wear.

Oh here. Take a look. I have
a few photos on my phone.

A maid, huh? Katie and Isaac
must be very lucky to have you.

Do they? What sort of
uniform do you wear?

Oh, ummm. That's quite the uniform,
Bella. I-it looks great on you.

Thank you so much,
Matt. You're too sweet.

giggle

How is a woman as
lovely as you still single?

Oh I recently, um, dumped my
good-for-nothing boyfriend. He cheated
on me with someone from his work.

I'm so sorry to hear that Bella. But he's a
fool for cheating on someone so beautiful.

blush

What is going on here? Is Isaac
really flirting with Matt? He's touching
his arm and giggling like a school girl
with her first crush.

And now Matt's flirting back.
This is so surreal. My boyfriend is flirting
with a guy who's been trying to get
in my pants for months.

Matt, you are too funny.

giggle

Say, that shirt looks sooo good on you. You must work out.

wink

I mean, I could say I'm jealous, but in truth I was never interested in Matt. I mean sure he's handsome and fun to flirt a little with at work, but I like my men a little more in touch with their feminine side.

Not that I knew how feminine I wanted Isaac of course. But I was always drawn to men with a softer side. Not like Matt.

shiver

God. 'Bella' really is hitting it off with Matt. If I didn't know it was Isaac, I'd say that she had the hots for him.

moan

Oh my. Is this turning me on? Oh god. It does. It really does. I can't wait to get home. I'm going to fuck him senseless.

A man with dark hair, wearing a white shirt and a dark blazer, is looking towards a woman with long blonde hair. The woman is seen from the back, with her hand near the man's chest. Three speech bubbles are overlaid on the image: a pink one for the woman, and two blue ones for the man.

Katie and I have been doing a lot of fitness work lately. Being a maid is much tougher than it looks. I'm on my feet all day, so I make sure my body is in shape.

Thanks for noticing. I love to focus on my fitness and make sure I stay healthy. How about you? I'm sure that killer body doesn't happen on its own.

It definitely shows, babe. You look incredible. You're definitely the hottest girl here.

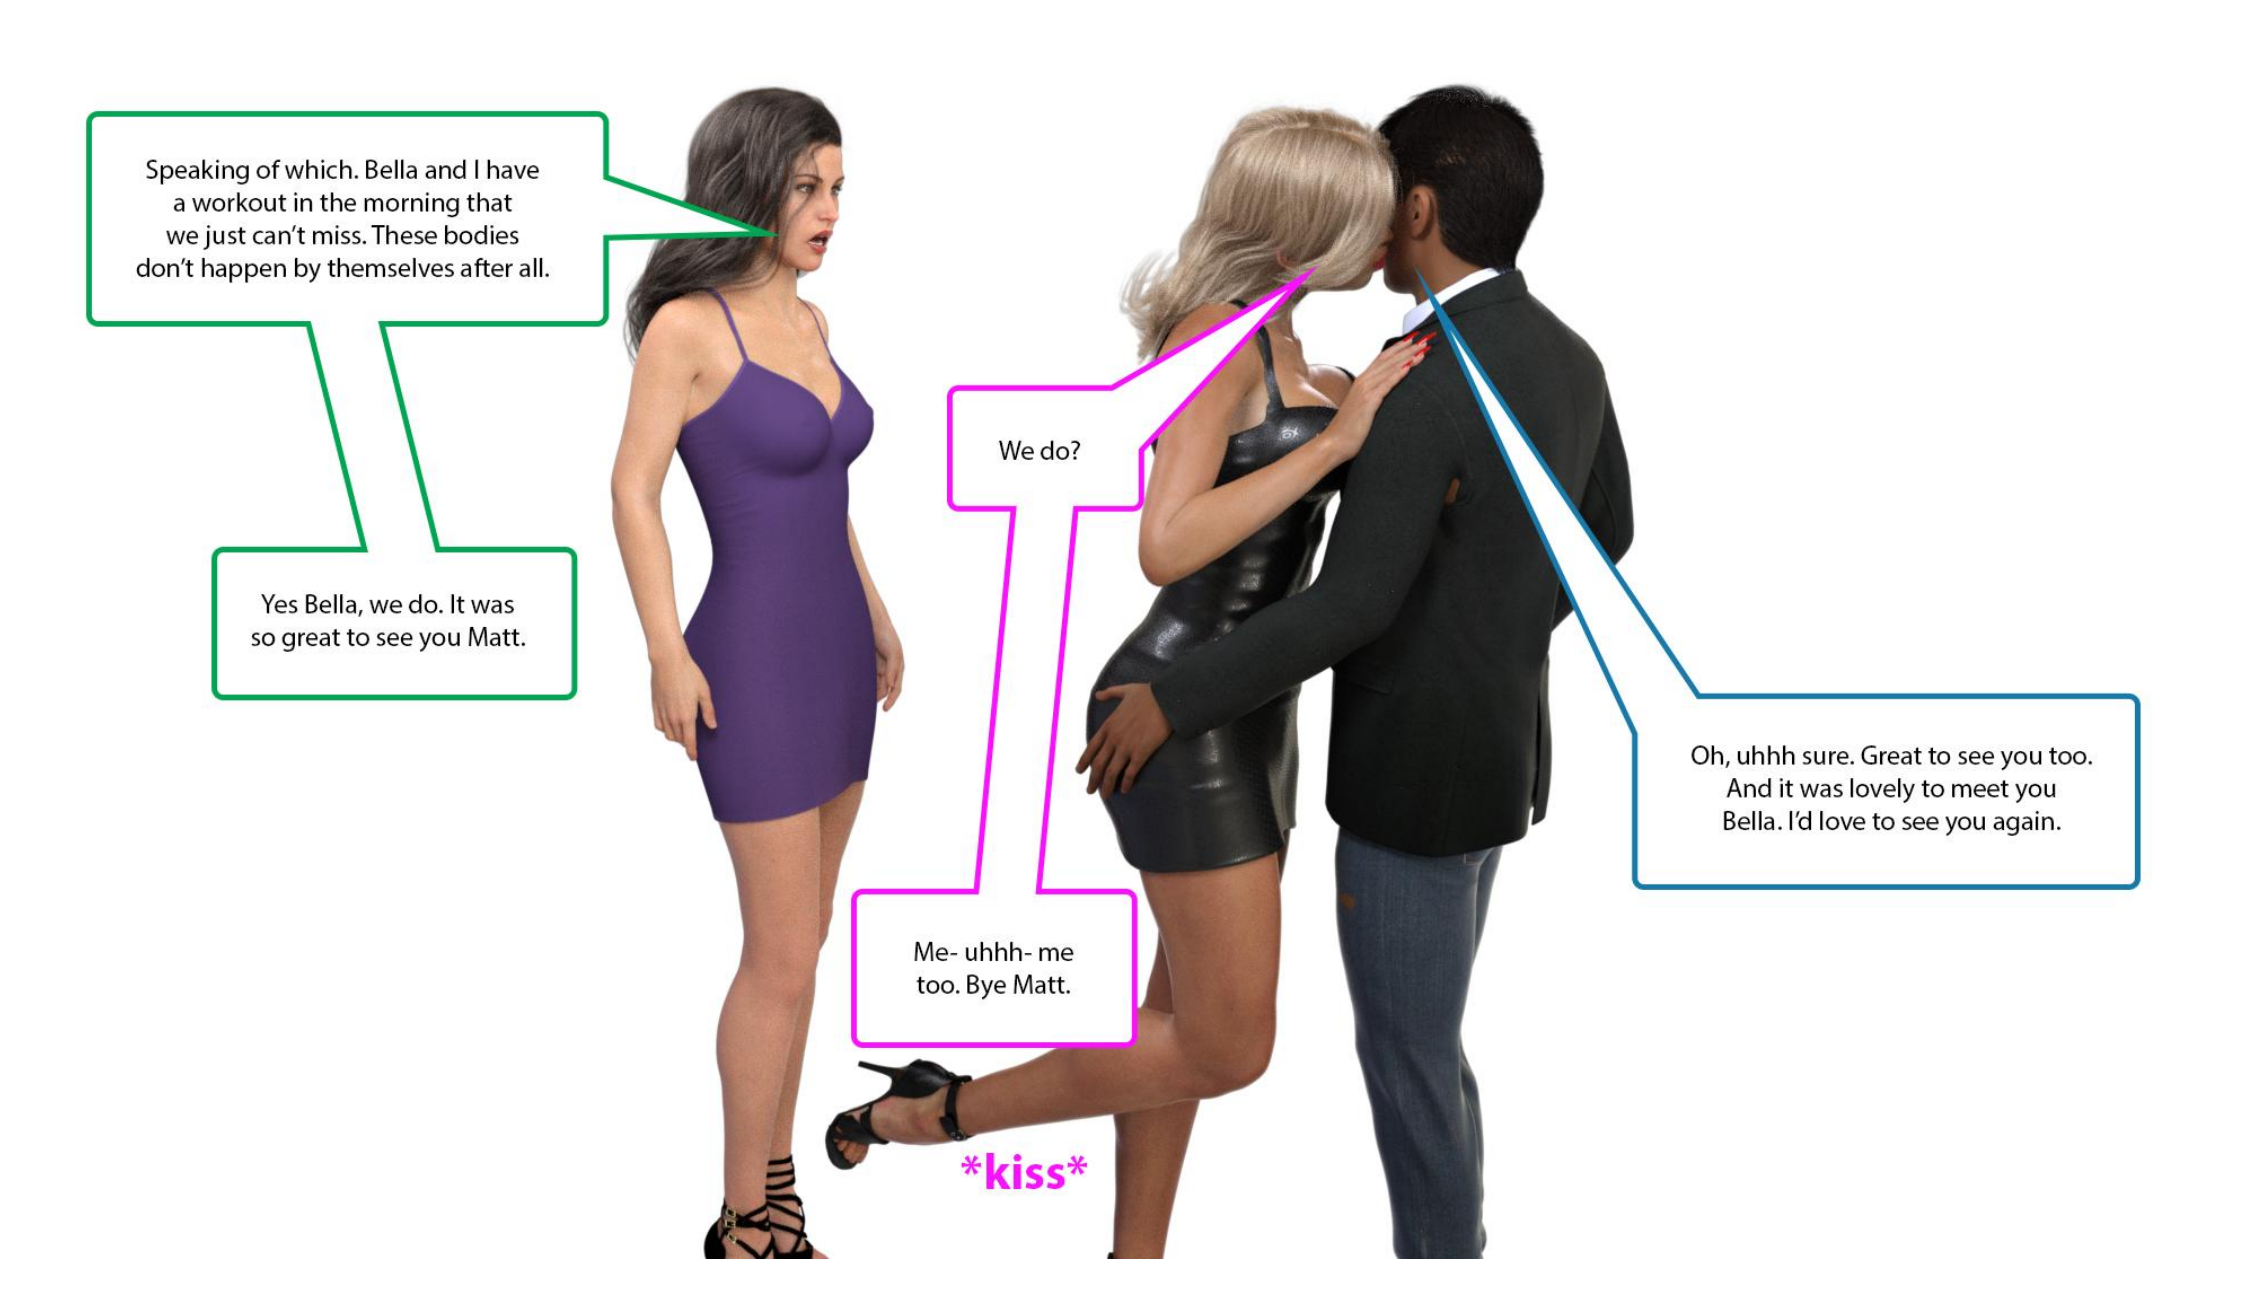

Well Matt's moved on very quickly. One minute he's still trying to get in my pants, the next he's practically drooling over my boyfriend.

Gosh that's such a strange sentence. Who'd have thought our dress up games would come to this?

I can't deny that it's not a turn on though. I don't think I've ever been as turned on as I am right now. I've got to get him home before I explode.

Did he just call me 'babe'? Wow, my plan is working! It's actually working. I think he's forgotten all about Katie and only wants me.

That's a good thing right? I mean, I don't really exist, so the more he wants 'Bella' over Katie the better.

Speaking of which. Bella and I have a workout in the morning that we just can't miss. These bodies don't happen by themselves after all.

Yes Bella, we do. It was so great to see you Matt.

We do?

Me- uhhh- me too. Bye Matt.

kiss

Oh, uhhh sure. Great to see you too. And it was lovely to meet you Bella. I'd love to see you again.

Saturday September 10th 2022

9:39pm

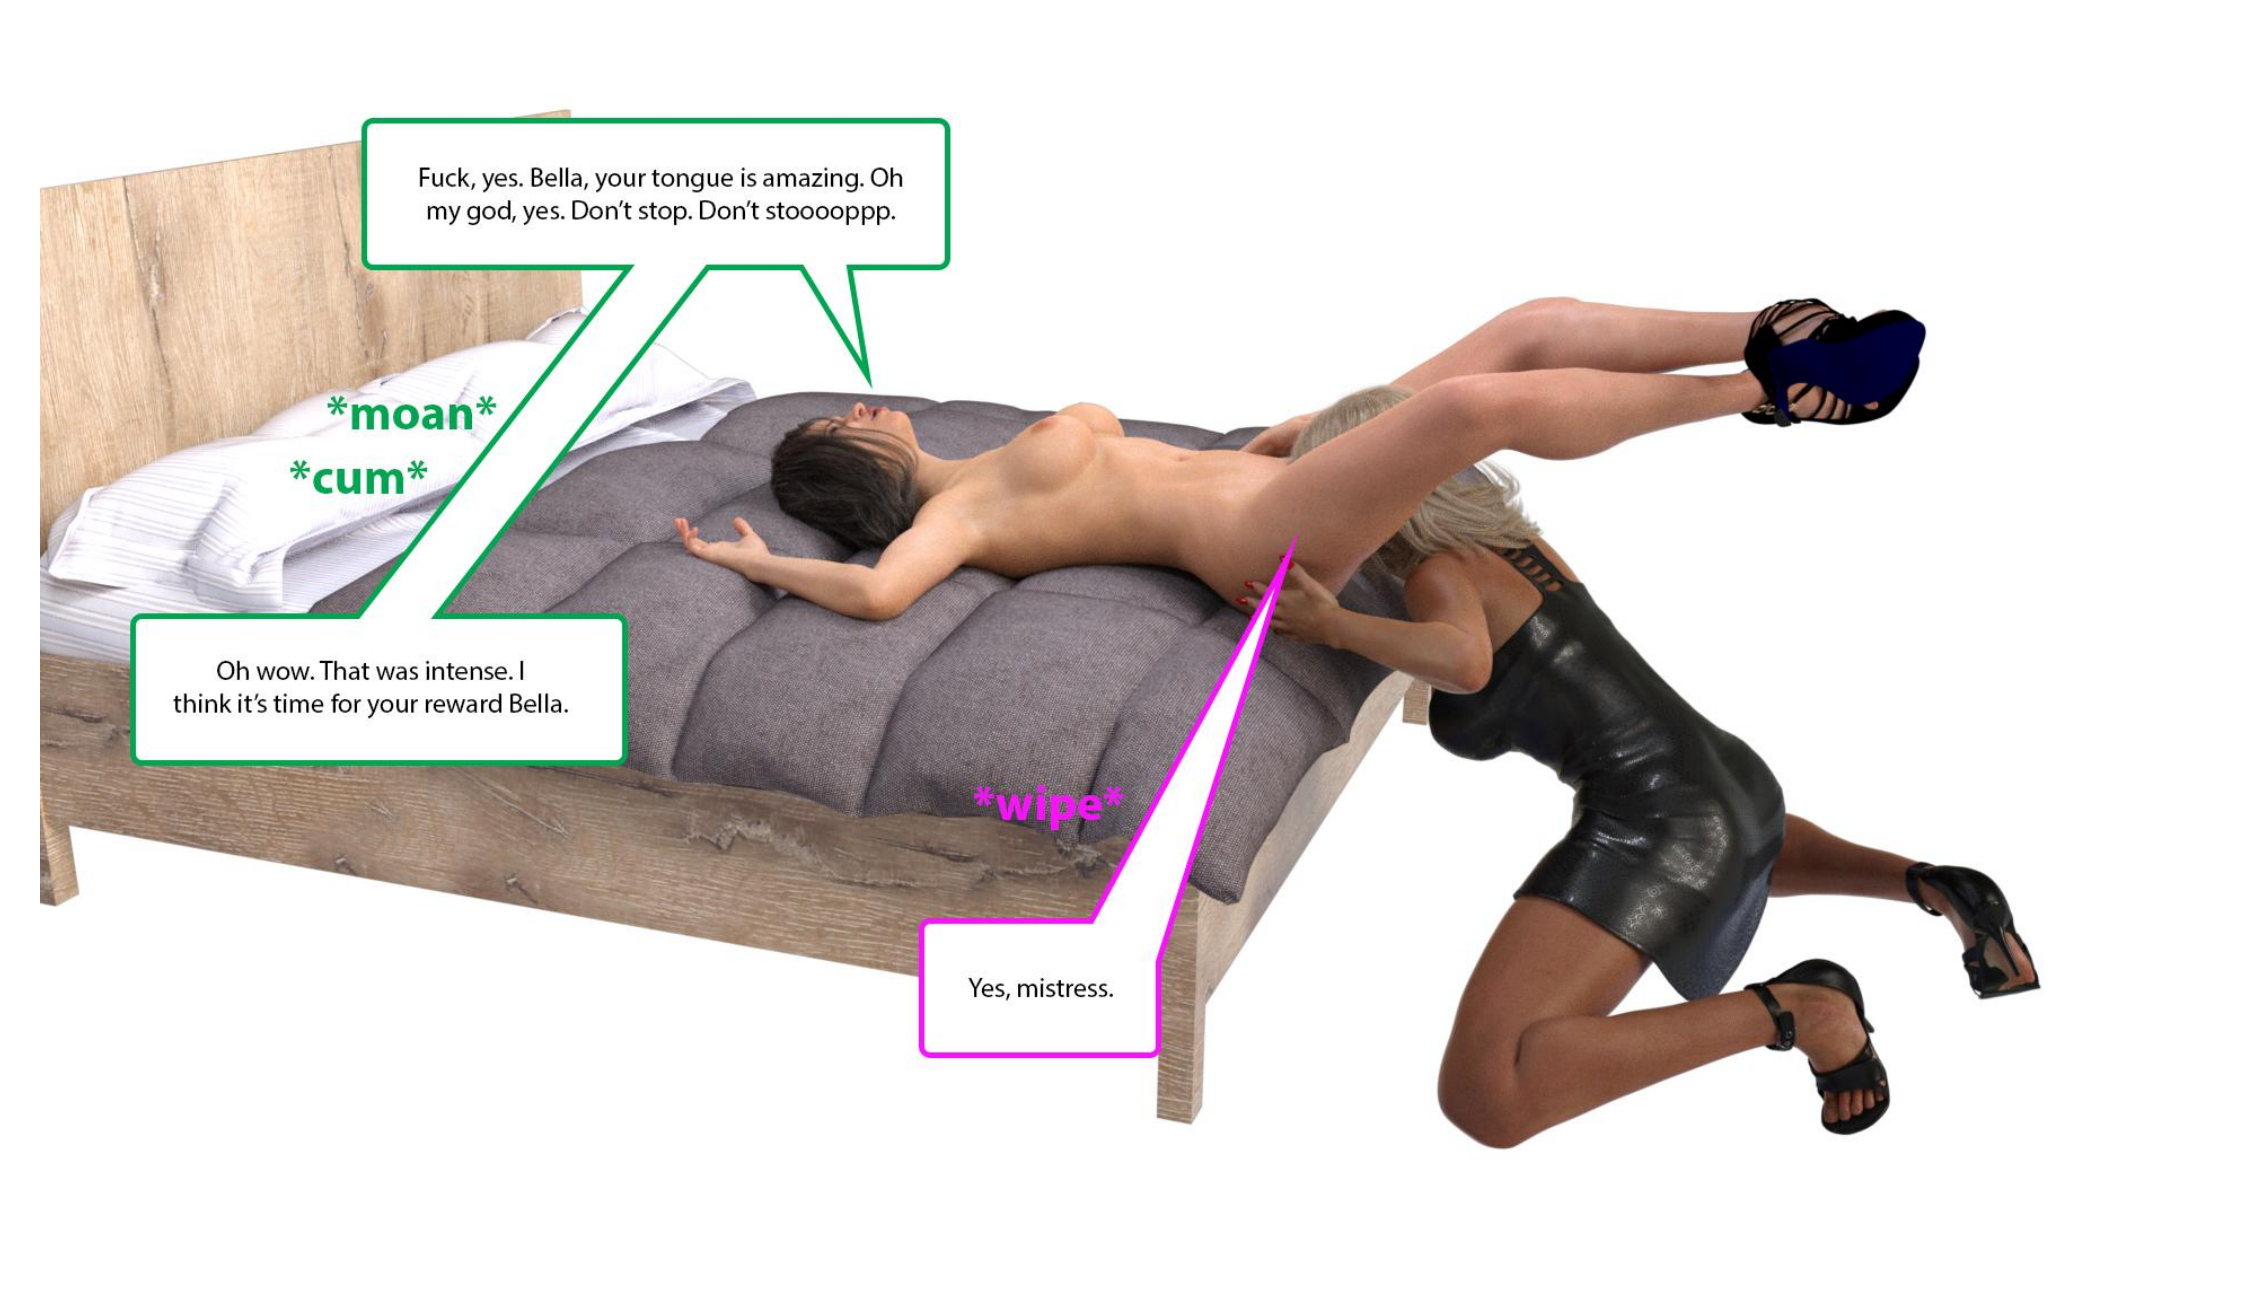

You were so hot tonight Bella. The way you flirted with Matt was so hot. He definitely had the hots for you.

moan

Ohhh yesss. He definitely did.

moan

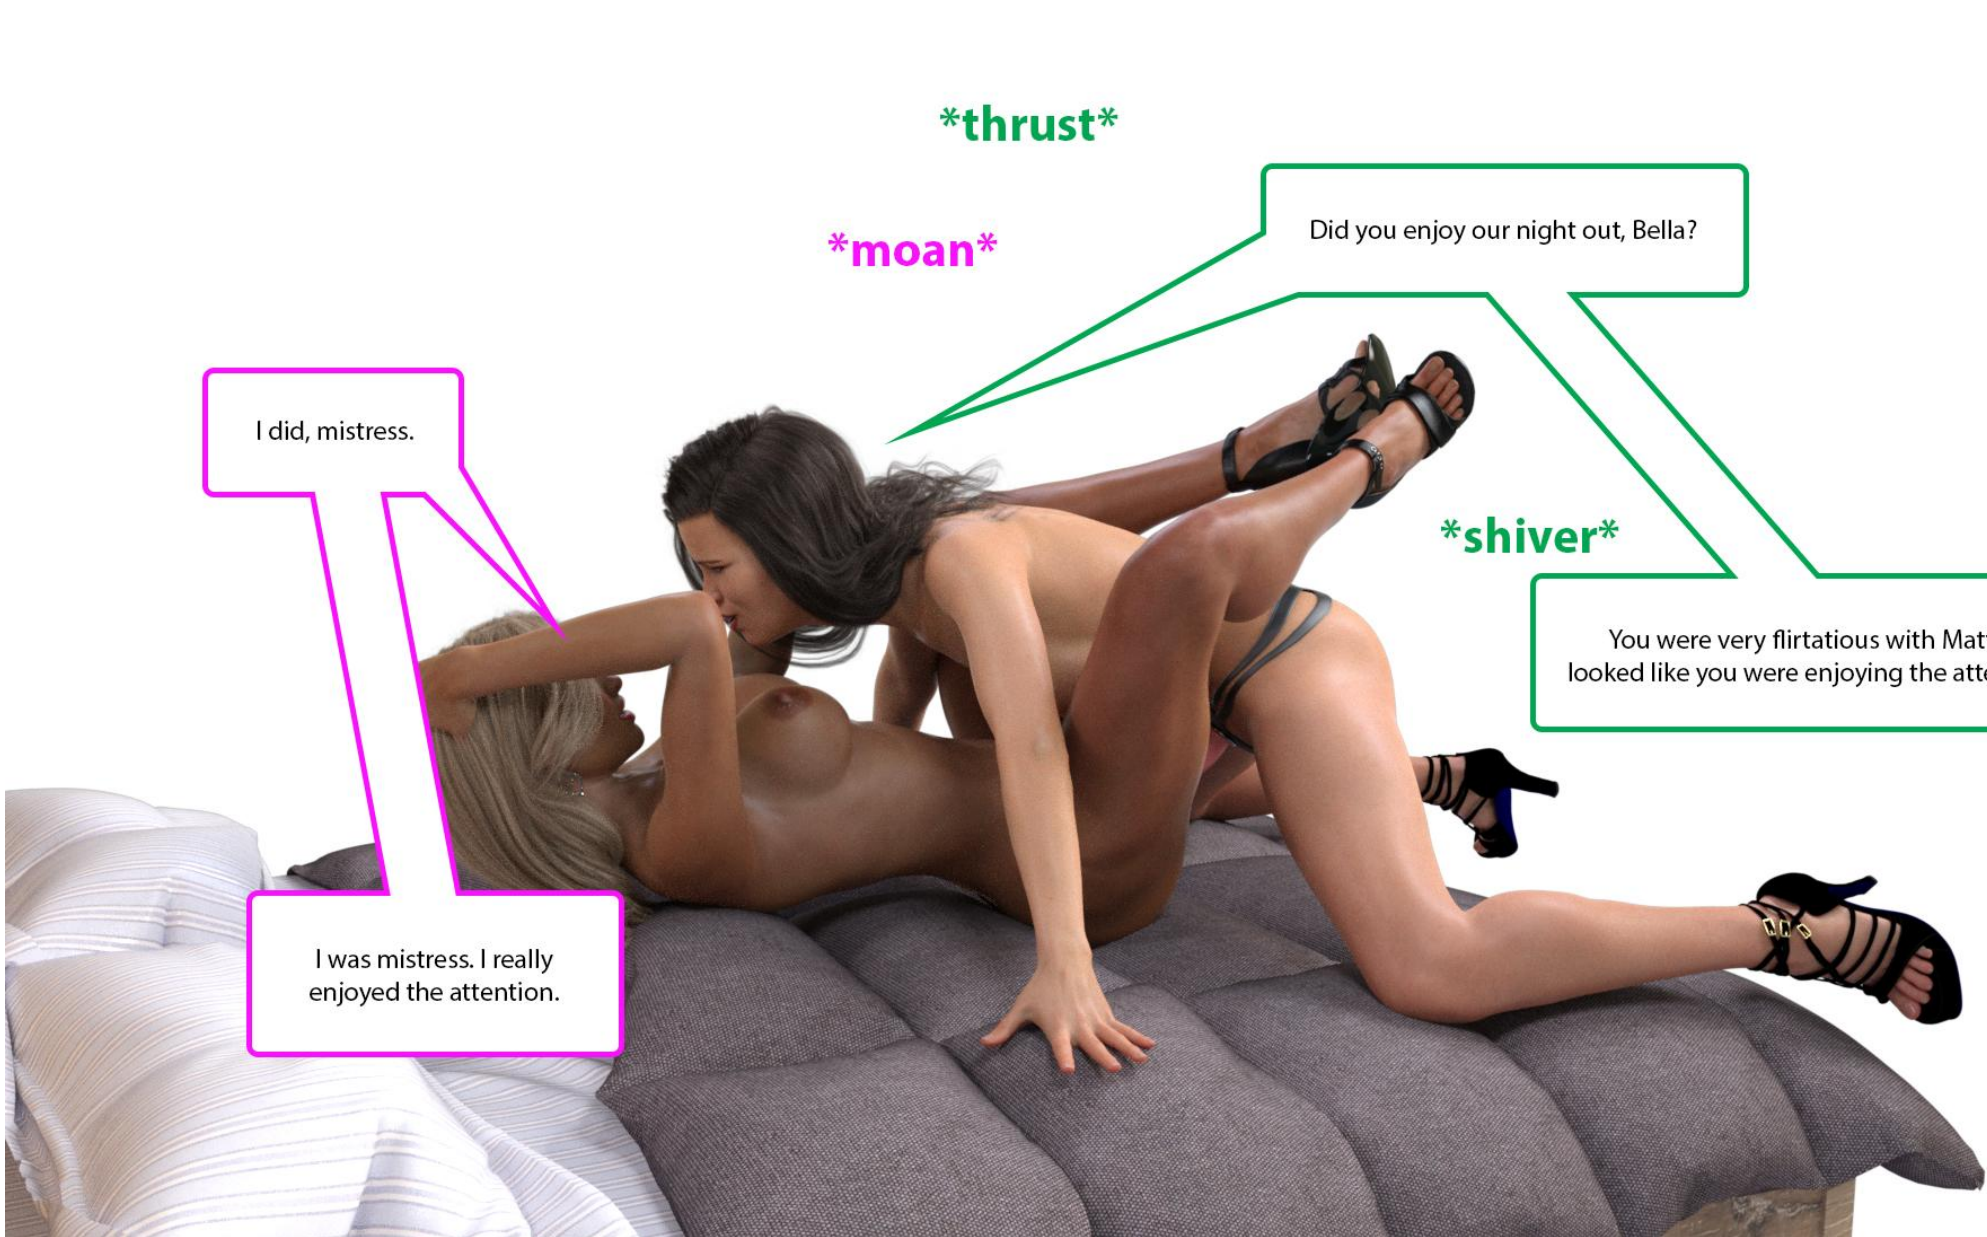

Fuck, yes. Bella, your tongue is amazing. Oh my god, yes. Don't stop. Don't stoooooopp.

moan
cum

Oh wow. That was intense. I think it's time for your reward Bella.

wipe

Yes, mistress.

thrust

moan

Did you enjoy our night out, Bella?

shiver

You were very flirtatious with Matt. It looked like you were enjoying the attention.

I did, mistress.

I was mistress. I really enjoyed the attention.

thrust ***moan***

Good girl. I bet it made you hard knowing that all the men in there wanted to go home with you on their arm.

It did mistress. I loved knowing that everyone couldn't stop staring at me.

thrust

Oh gosh. You were so hot Bella. Knowing that you would be coming home with me. Fuuuucckk.

thrust

cum

Oh yesssss. I love fucking you Bella. I want to fuck you all night long.

Welcome home Miss Kate. Dinner will be served shortly.
Please take a seat, there is a beverage waiting for you.

No special occasion Mistress, I just wanted you
night to be comfortable after a long day at work.

open

Hey Bella, I'm home.

Oohhh I could get used to
this. A drink ready on my arrival,
what do I owe the pleasure?

Uh oh.

Oh and what did he say?

M-me?

H-he wants to see me again? B-but why?

Speaking of work, I had a very interesting chat with Matt today.

He was very interested in knowing all about you actually.

Uh huh. He seems smitten with you Bella. He couldn't stop talking about how beautiful you were and that he wanted to see you again.

I-I did not.

Oh god, I did too. What are we going to do?

Because, silly. You looked amazing on Saturday night and you flirted like crazy with him.

Yes you did honey. You were giving him every indication that you were interested in him. You even said that you'd love to see him again and gave him a peck on the cheek.

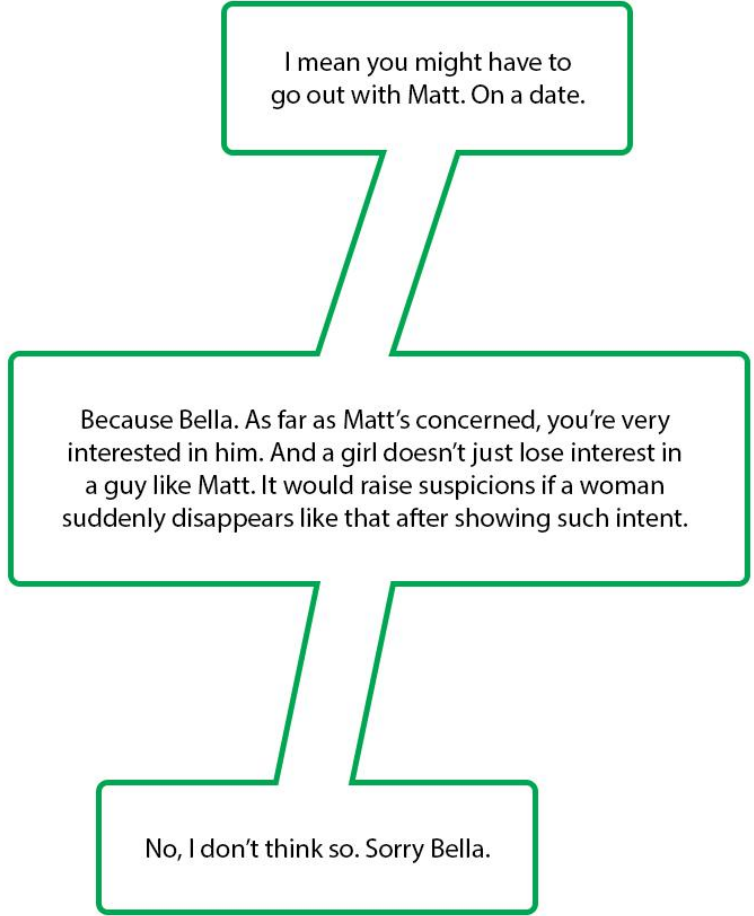

I think you might have to stand by what you said.

W-what do you mean?

A date? But why?

So, I don't have a choice?

I mean you might have to go out with Matt. On a date.

Because Bella. As far as Matt's concerned, you're very interested in him. And a girl doesn't just lose interest in a guy like Matt. It would raise suspicions if a woman suddenly disappears like that after showing such intent.

No, I don't think so. Sorry Bella.

I know you don't have much experience flirting with men, but you do need to learn that your actions have consequences.

Plus it's incredibly hot. My boyfriend, going on an actual date with a super stud like Matt. Gosh I'm getting wet just thinking about it.

We'll need a new outfit and some jewellery. Hmm, what about his hair? Should I get him a new wig? So many questions!

Friday September 16th 2022

12:25pm

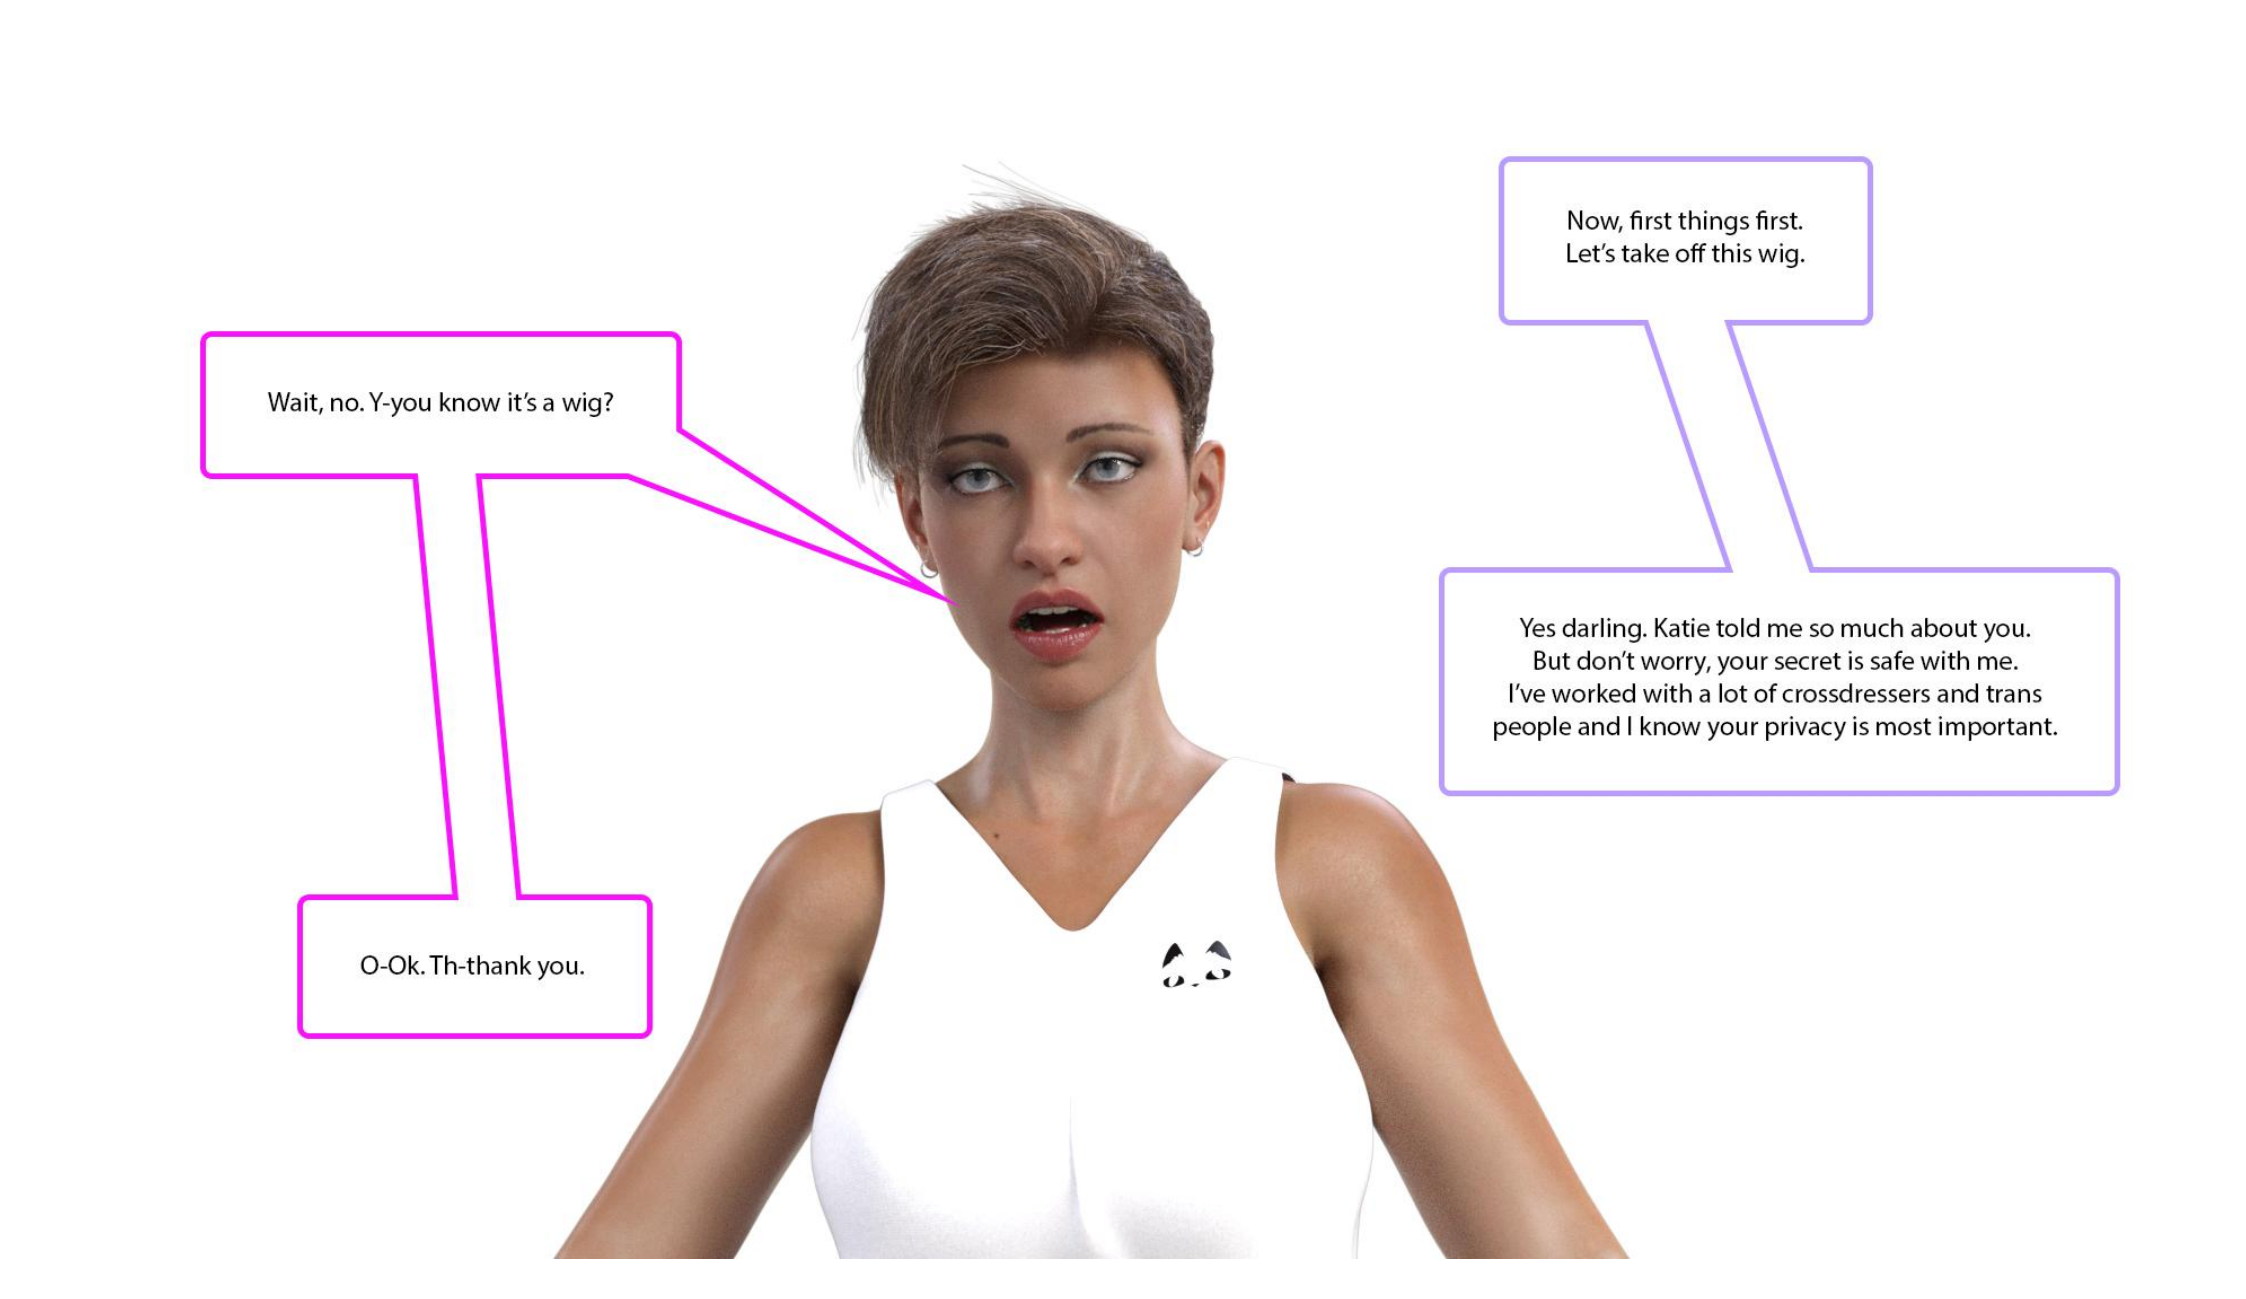

Ahhh welcome, you must be Isabella. My name is Maria Toussaint. Welcome to Venus Hair & Beauty.

Please, come in and take a seat here. Katie has described what she was looking for, so I will get started right away.

Have you ever been to a salon before?

Never fear, my dear. I'll take great care of you. Now sit back and relax. I have everything I need for your time here.

Umm no. I don't really know what to expect.

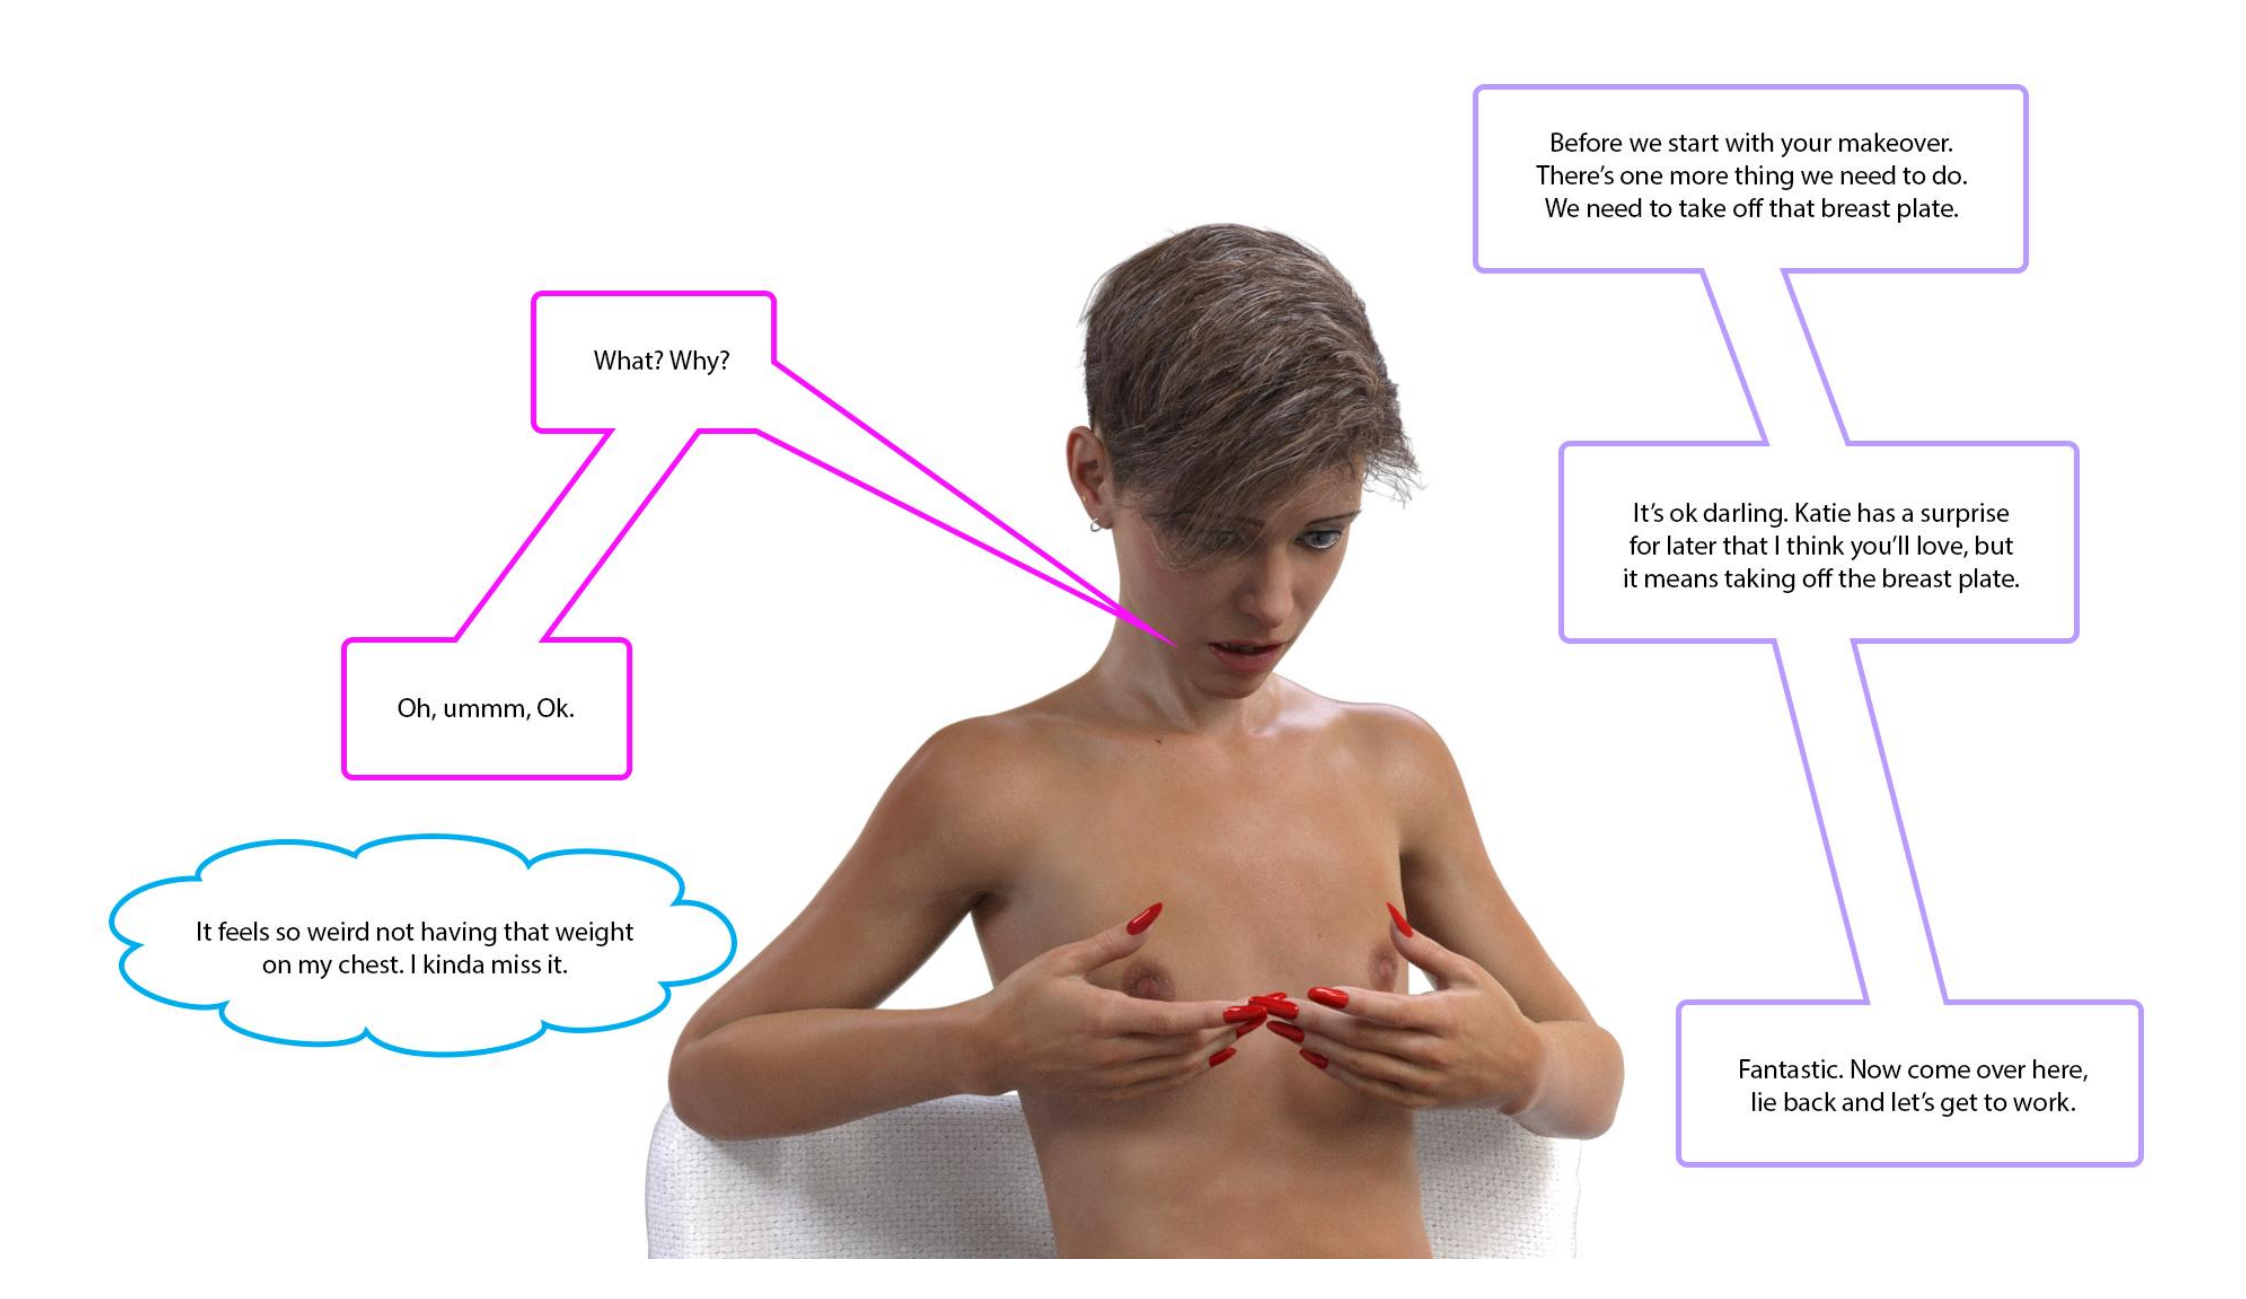

Wait, no. Y-you know it's a wig?

O-Ok. Th-thank you.

Now, first things first.
Let's take off this wig.

Yes darling. Katie told me so much about you.
But don't worry, your secret is safe with me.
I've worked with a lot of crossdressers and trans
people and I know your privacy is most important.

What? Why?

Oh, ummm, Ok.

It feels so weird not having that weight on my chest. I kinda miss it.

Before we start with your makeover. There's one more thing we need to do. We need to take off that breast plate.

It's ok darling. Katie has a surprise for later that I think you'll love, but it means taking off the breast plate.

Fantastic. Now come over here, lie back and let's get to work.

Your hair length will definitely work for what we're going for. And whilst I love your natural colour, I'm under strict instructions from Katie.

How do you normally wear your hair? In a bun, a ponytail or down?

Oh uhhh. Down I guess. Yeah most of the time it's down.

Great. The look we'll give you will definitely work with your hair down, but it might take a little bit more upkeep than your wig. Is that ok?

Uhhh yeah, that should be ok.

Honey, you're going to look divine. We've dyed your hair the same colour as your wig. You have a wonderful complexion and lovely features. Let's go about bringing them out and take you from beautiful to drop dead gorgeous.

Now here is your surprise from Katie. I think she said these were 'The perfect forms for the perfect woman'. I'm starting to agree.

Now let's finish your hair and get you dressed.

Hi Maria. How's our girl?

Is that her I can hear?

Hello darling. She was simply marvellous. A dream to work with.

Yes, she's just practising on her new heels. She turned into a real beauty. Come and see for yourself.

Oh my gosh. Is
that really her?

It certainly is.
What do you think?

I think she's perfect.
Almost too perfect.

gulp

Oh no. What have I done? Am I
about to send my boyfriend, who looks like
a damn model, on a date with a man? I feel
like I'm playing with fire now.

Matt is going to love her new look. Oh god, why did I have to surprise her with her new F-cup breast forms? They look so enticing in that low cut dress.

click

I saw how he flirted with Matt the other night. Does he like men now too?

click

This started out as a bit of fun and a punishment for Isaac being so lazy. Now it might finish with me losing him to another man.

Oh Katie, how are you going to fix this?

I-Isabella.

Absolutely. You look incredible.

A little too incredible.

gasp

Oh. Uhh hi Katie. I didn't see you there. So what do you think? Pretty impressive right?

10:30pm

I had a wonderful night Bella. I look forward to our next date. I'm sure you will look just as hot as you do now.

This guy is unbelievable. He's talked about himself the whole night as if that would impress me. God, even if I were a woman I'd never go on another date with him again.

He even has his hand on my arse as if he owns me. He's a grade A douche who only cares about what's good for-

Thank you Matt. I'm glad you had a good night.

kiss

What the fuck. Get the fuck off me you jerk. I didn't give you any hint that I wanted this. Get off me!

Mmmmmpphh.

grope

No. Get off me. That sound does not mean go further.

I'd love to kick him in the nuts right now but I don't want to make things worse. Plus I know how much Katie loves her job. I don't want to make it uncomfortable for her at work.

What do you mean babe? Dressed like that you were asking for-

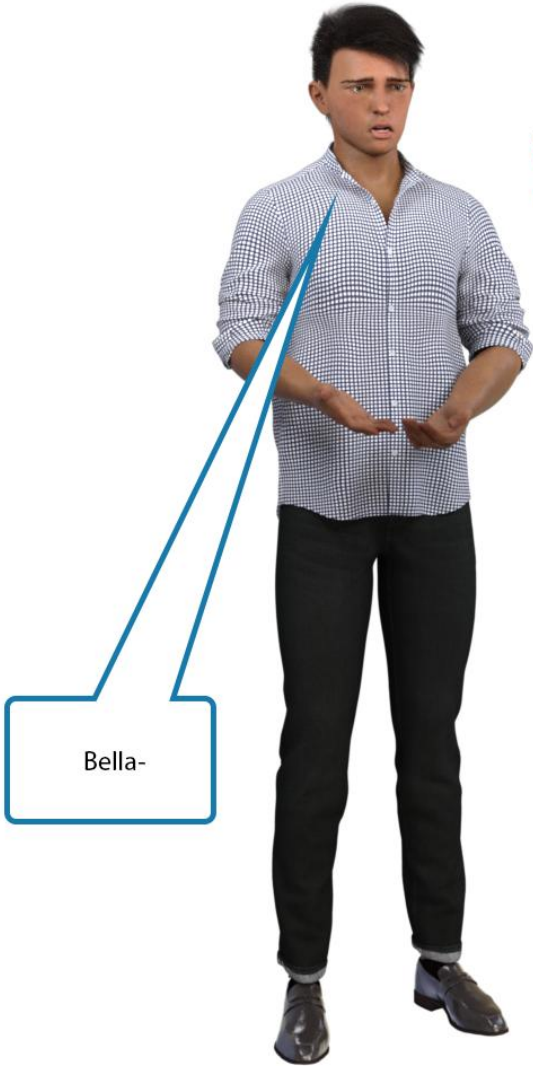

SLAP

Matt, that was not ok.

Fuck you, Matt. The way I am dressed is not an invitation for you to grope me and think I'm easy prey. This dress makes me feel empowered, not because it shows some cleavage but because I like the way I look in it.

That's not entirely true. I didn't exactly pick this dress. But fuck him. I don't deserve to be treated like some sort of meat.

Bella-

You are such an egotistical piece of shit who only cares about what's good for him, not those around him. All you talked about tonight was yourself and how amazing you are.

You never once asked about me, my interests or my opinion. All I was good for was to be seen by you as a piece of arm candy.

Well guess what Matt? I'm not some sweet piece of ass for you to treat like shit. I have way too much self respect to ever be seen with you.

Shut up Matt. Goodbye and good riddance.

That was so satisfying taking that arrogant prick down a peg. Not that it's enough. I'm sure he'll just move on to the next woman he thinks is 'asking for it'. Fucking pig.

I just hope that I haven't ruined anything for Katie at work. I know how hard she works and I'd hate for what I did to jeopardise that.

Oh gosh. What if I messed up?

door opens

Hey babe, how was your n-

Wait, Bella. Come back. What happened?
Are you ok? Did he do something to you?

I don't want to talk about it.

He forced himself on you?

gasp

That colleague of yours is one of the worst human beings I've ever met. Not only did he spend the entire 'date' talking about himself, and only about himself. He then proceeded to force himself on me as we were leaving.

Yes. We were standing outside the restaurant after dinner, then one minute he was telling me how hot I was, the next he was trying to shove his tongue down my throat and groping my arse.

I finally pushed myself off him, but he told me I was 'asking for it' because of the dress you picked out for me!

sniff

Oh my god that pig.
He didn't, did he?

You slapped him?!

That I would love to see.

giggle

Yes. So I slapped him.

Yep. Right across the face. God
it felt good. Then I gave him a
verbal barrage about how he
shouldn't treat women like that.

Yeah well I would have loved to have not gone on a date with that slimeball.

My my, you've definitely changed your tune on him. Last week you were all over him.

What's that supposed to mean?

What?! No way. I was only doing that to stop him flirting with you.

Well, yeah. He kept hitting on you, and you were kinda flirting back, so I thought I needed to step in so you.. so you wouldn't leave me for him.

Well if I didn't know any better, last week I would have thought you had the hots for Matt.

Wait, so that's why you flirted with him? So he'd stop hitting on me?

Oh my god, Bella. I'm not interested in Matt. Not now, not ever. As you saw tonight, he's a jerk. But unfortunately I have to deal with him at work, so playing to his ego helps my career. It sucks, but it's what I have to do. I'm sorry. If I had known he was a monster, I would have never made you go out with him.

Honey, I love you and only you. You're my soulmate.

Oh Bella. I don't want a 'real man,' whatever that means. I want you. You are the perfect person for me.

Really? You're not going to realise that you want a real man?

Oh hi-

kiss

What the fuck. Why is Tess kissing me? Not that I'm complaining about a woman as hot as Tess kissing me, but why?

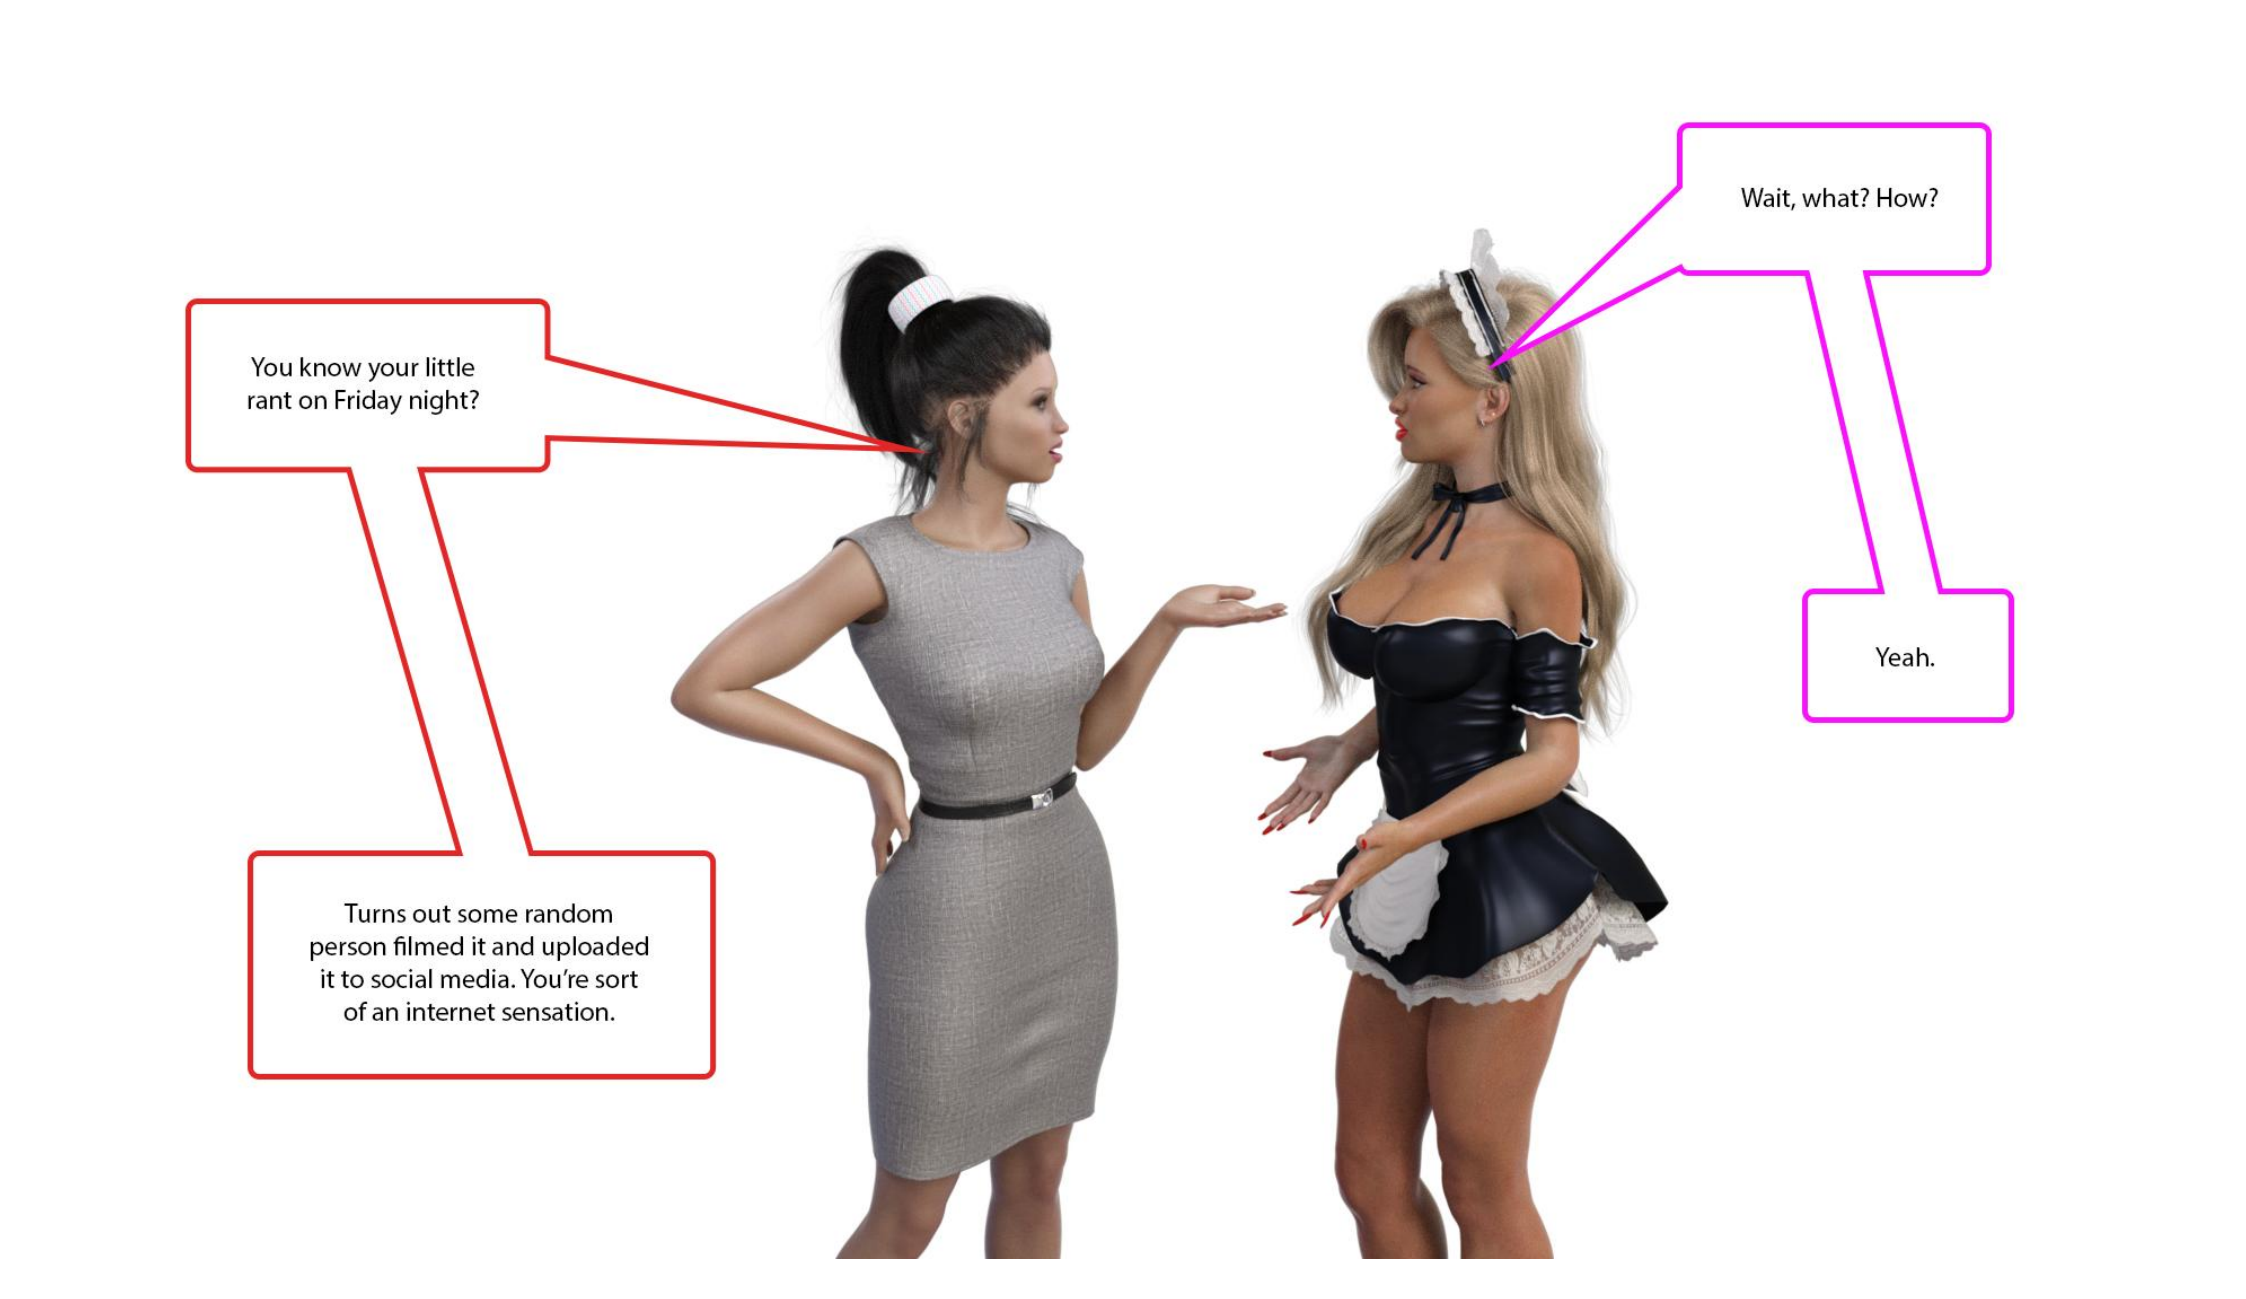

Wow. That was a good kiss, huh Bella?

Because you, my dear, did the hottest thing ever. Not only did you put that chauvinistic pig Matt in his place, but you might have also got him fired.

gasp

Uhh yeah. That was one hell of a kiss, but why?

Wow. That was so passionate. It was just as passionate as Katie is when we come home from our nights out. This is so confusing.

A digital illustration of two women standing and talking. The woman on the left has dark hair in a high ponytail and is wearing a grey, sleeveless, form-fitting dress with a black belt. The woman on the right has long blonde hair and is wearing a black and white maid-style outfit with a lace-trimmed skirt and a white headband with a black ribbon. There are three speech bubbles: a red one on the left, a purple one on the right, and another red one at the bottom left. The background is plain white.

You know your little rant on Friday night?

Wait, what? How?

Turns out some random person filmed it and uploaded it to social media. You're sort of an internet sensation.

Yeah.

You're famous, babe. Well, viral famous. The video has been watched and shared millions of times on socials. You're a feminist hero.

Nothing, you'll be fine. You don't have socials anyway, so people won't track you down. And Matt certainly won't be telling anyone, so I'm sure this will all blow over in a day or two.

I'm what?

Oh shit. What should I do?

blush

Like I said, I found what you did really hot, and you're really hot, so instincts kinda took over.

door opens

Katie!

Ok, but that still doesn't really explain why you kissed me.

Sh-she thinks I'm hot?

blush

But you can't kiss me, I'm-

Oh, Tess. I didn't realise you'd be here so quickly.

Yeah, well I came straight after work. Sorry, I didn't realise I'd beat you home.

That's ok, Tess. So did you tell our little star the news?

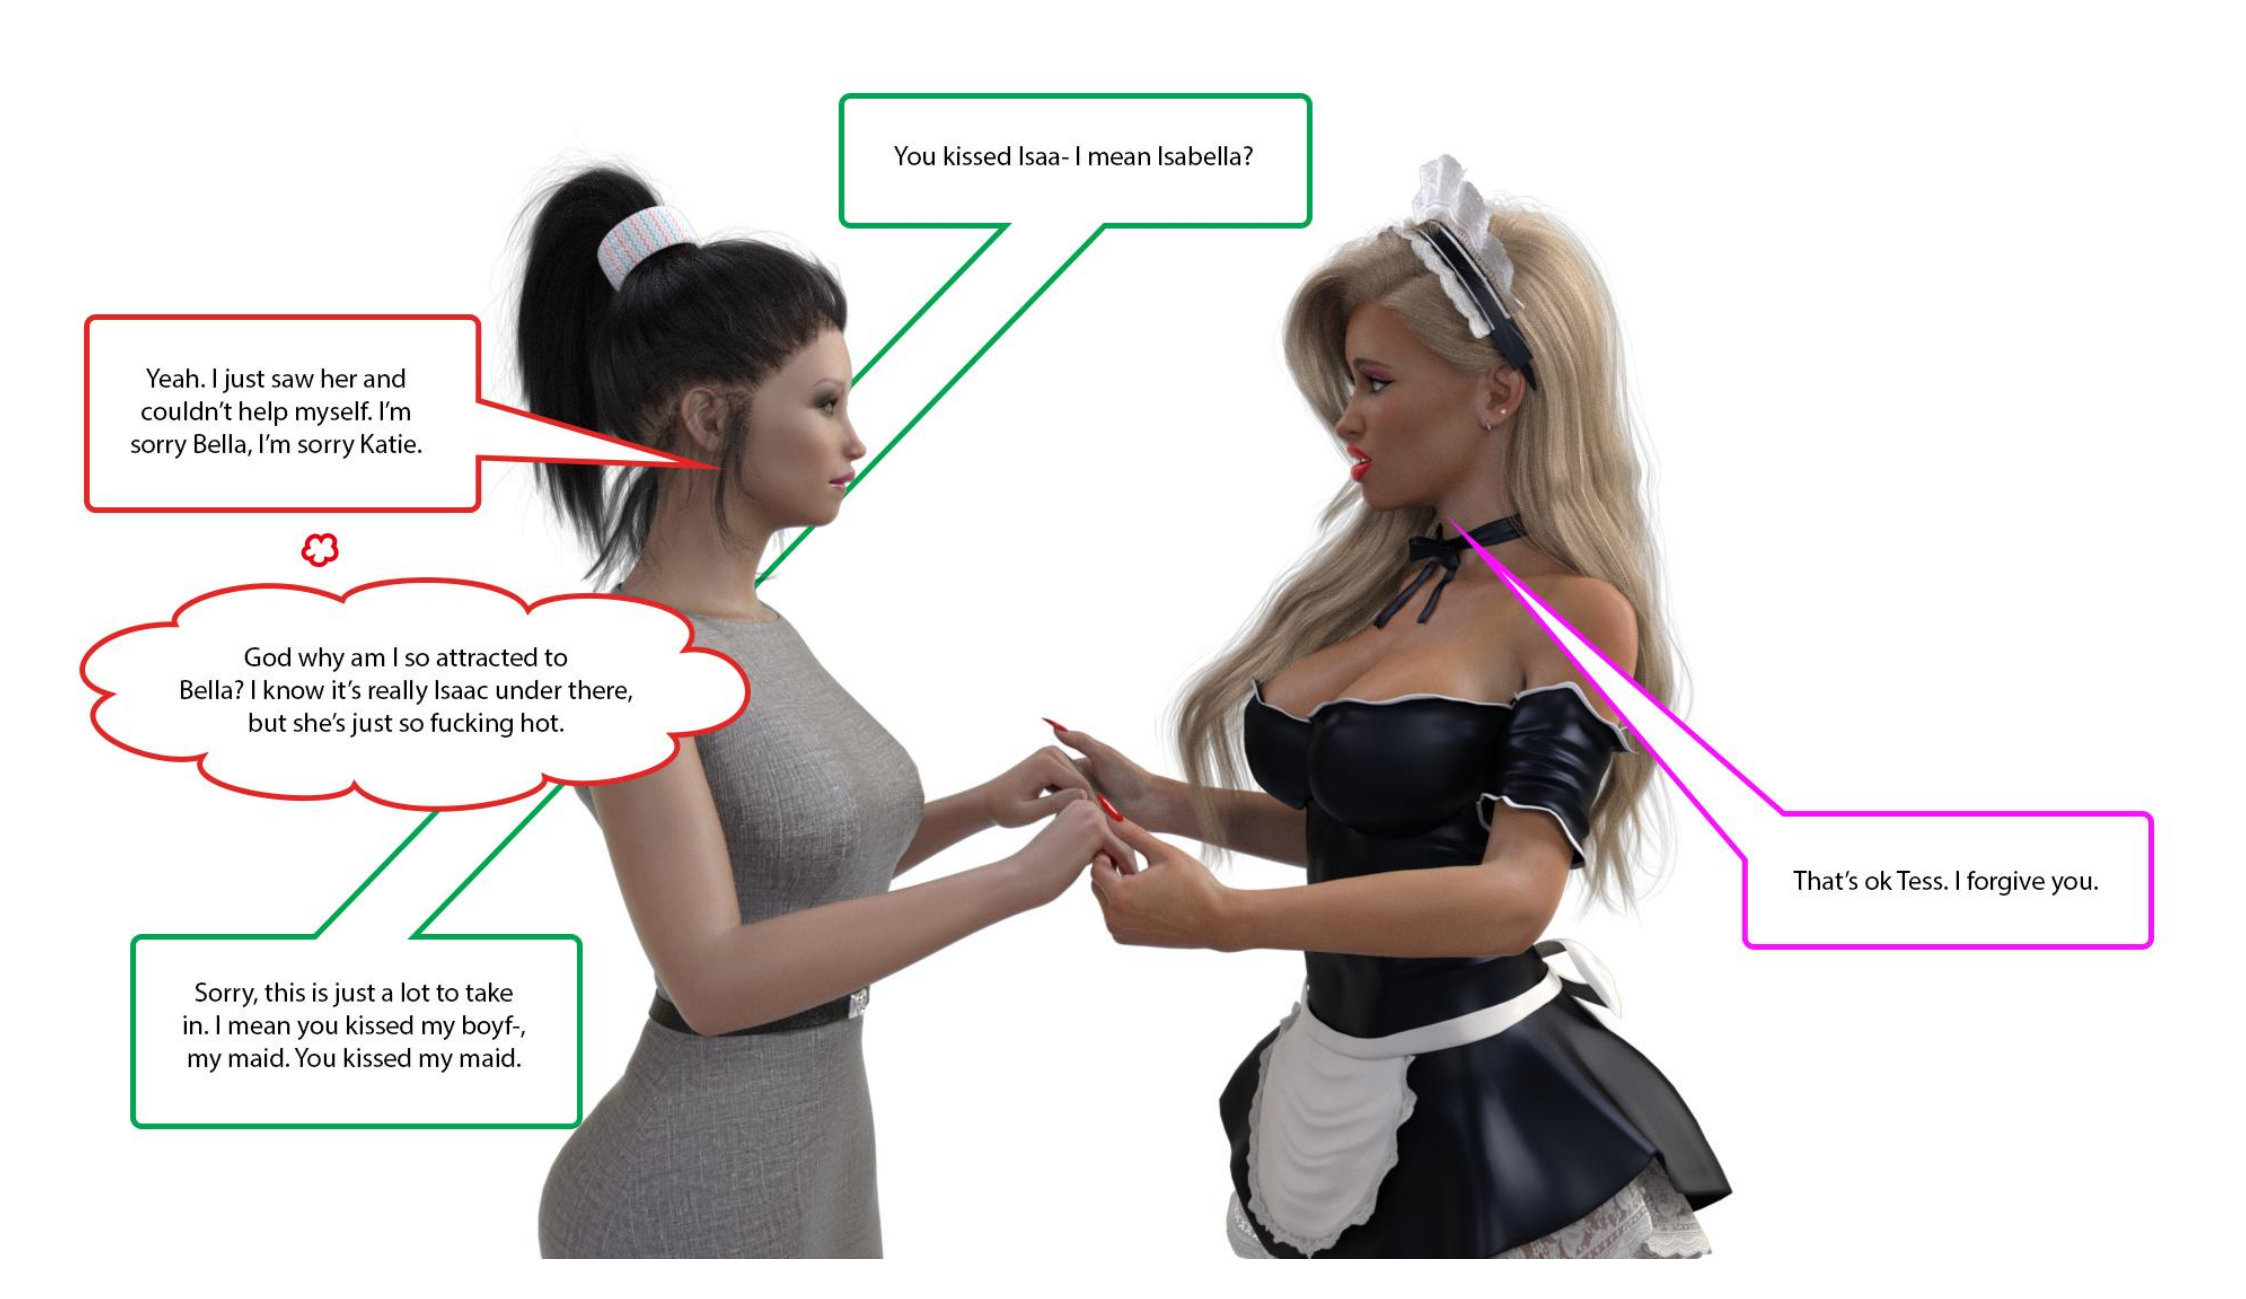

I did. Although I may have gotten carried away with how excited I was.

Oh no, what did you do Tess?

blush

I kissed her.

A scene from a game featuring two female characters. On the left, a woman with dark hair in a high ponytail, wearing a grey dress, is speaking. On the right, a blonde woman in a black and white maid outfit is listening and holding the first woman's hand. The background is plain white.

You kissed Isaa- I mean Isabella?

Yeah. I just saw her and couldn't help myself. I'm sorry Bella, I'm sorry Katie.

God why am I so attracted to Bella? I know it's really Isaac under there, but she's just so fucking hot.

Sorry, this is just a lot to take in. I mean you kissed my boyf-, my maid. You kissed my maid.

That's ok Tess. I forgive you.

But I guess that's ok. She's just my maid. It's not like I own her or anything. We're not in a relationship or anything.

nervous laugh

Totally. We're just two adults here. We kissed, that's it.

What's going on here? These two are acting weird.

Katie doesn't laugh like that unless she's nervous, and why would she be nervous about her 'maid' being kissed by Tess?

Unless. Oh no. Tess knows.
Tess totally knows.

That's why they're both so nervous. Let's see if I can push them now that I know that Tess knows.

You know Tess, I don't regret that kiss. In fact, I really liked it.

I did. Getting kissed by someone like you really turns me on. Especially when that someone thinks I'm hot. They were your words weren't they?

So how about a second round. See if we can improve from just being a good kiss.

Y-you did?

Th-they were.

kiss

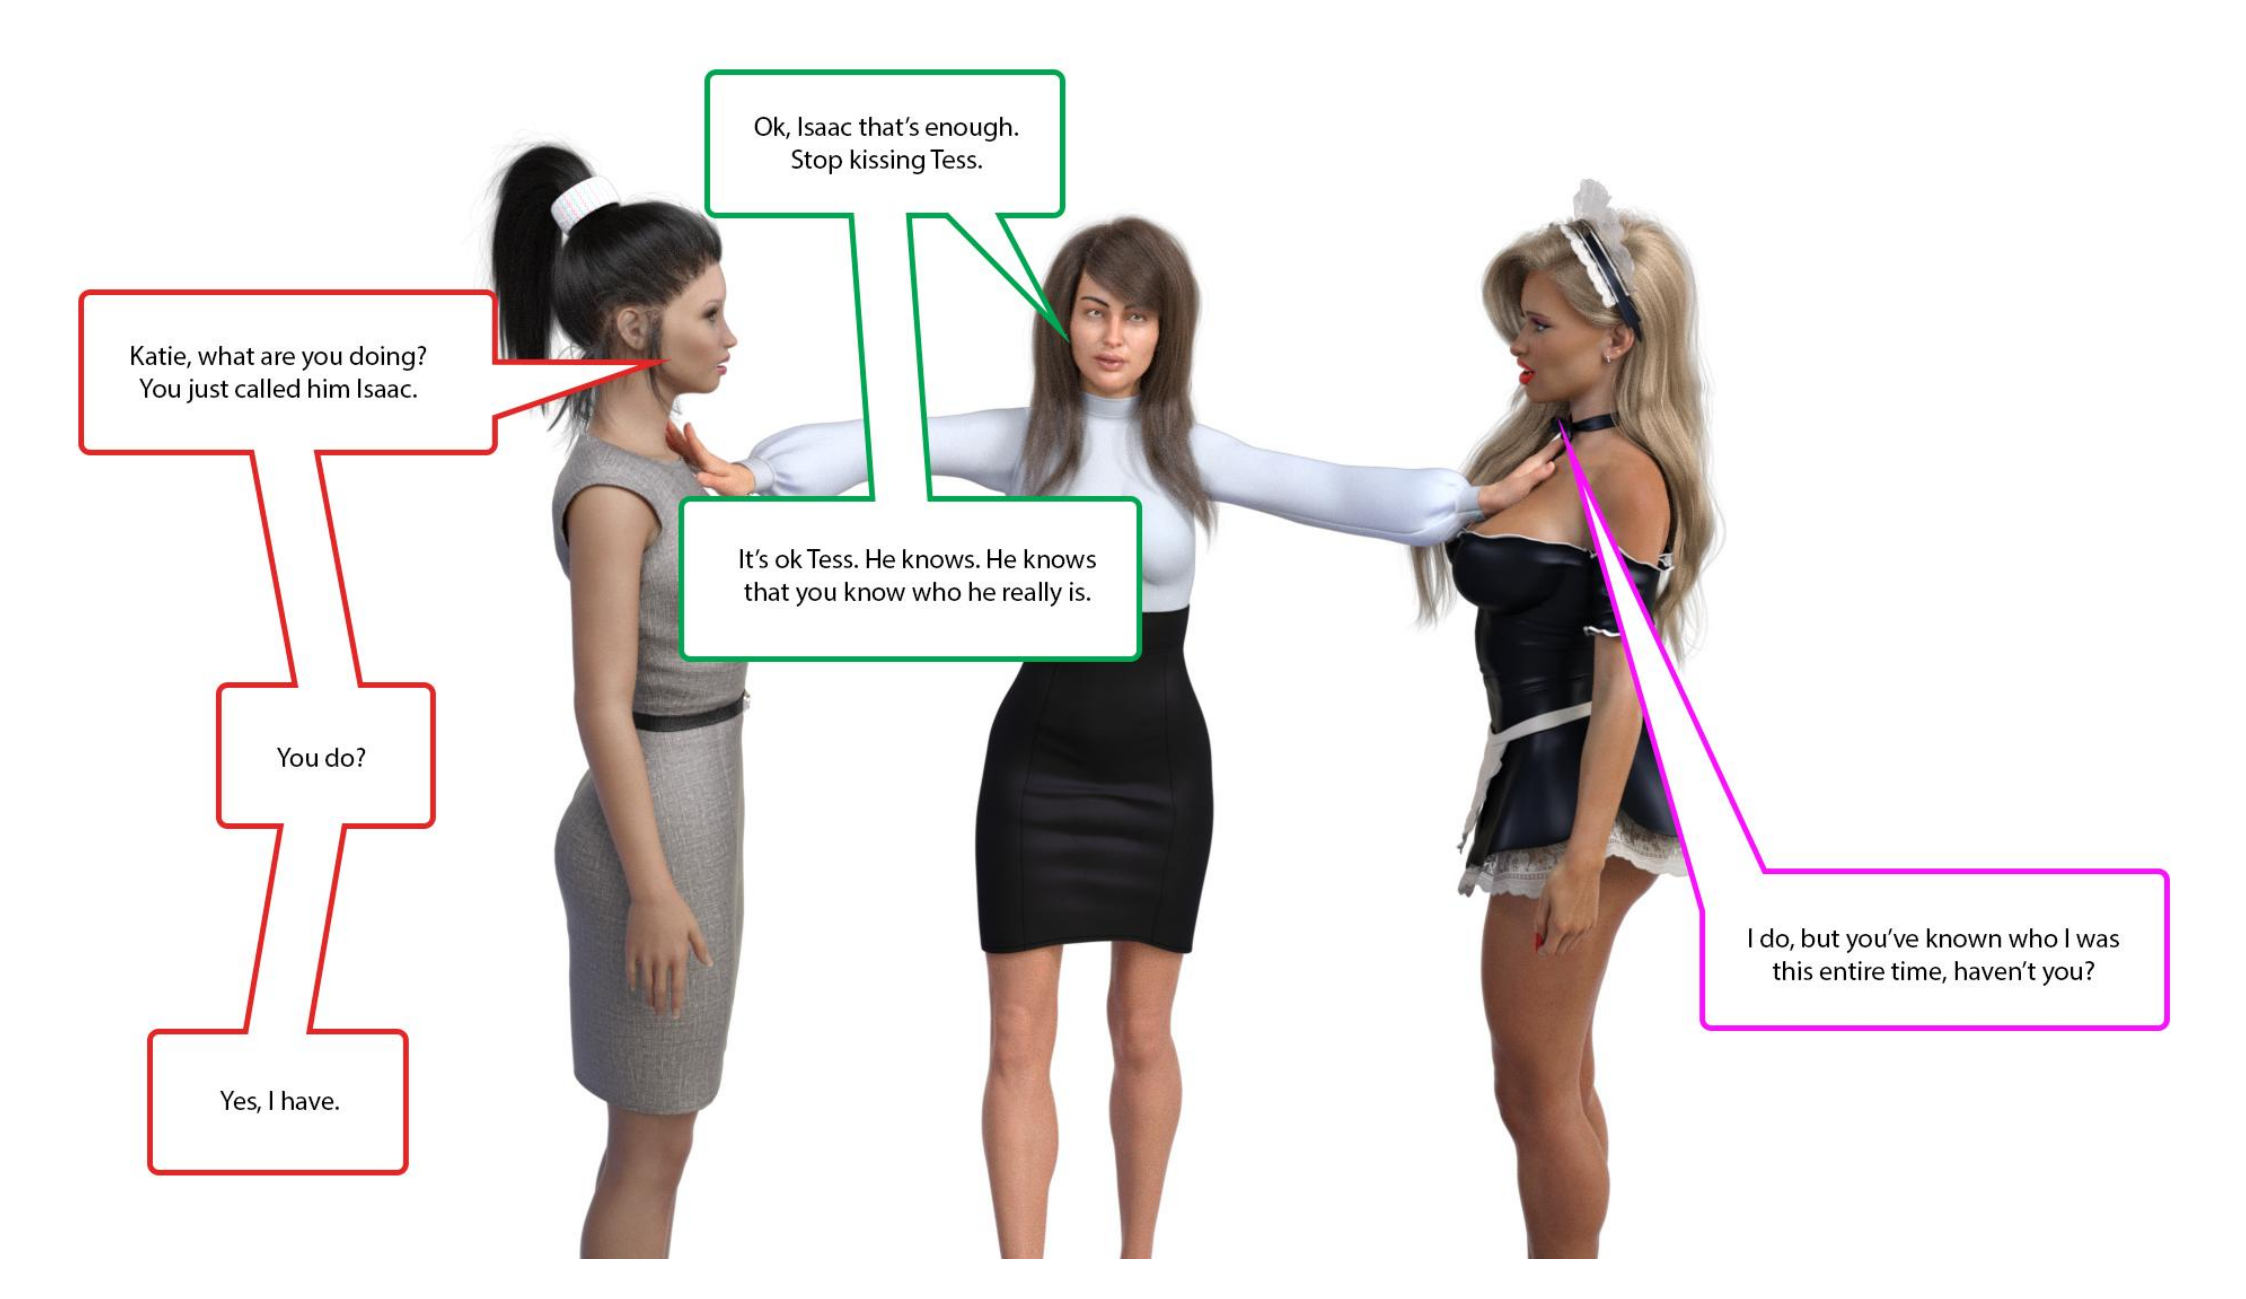

What the hell? Why is Isaac kissing Tess?! Is he trying to make me jealous, or is he-

Ohhhh he knows. He knows that Tess knows who he really is. Dammit Isaac. Oh well, the only thing to do now is break this up.

This should get those two back for all they have done. They have pushed me further at every step to be more like Isabella.

Not that I mind of course. It has been fun. Except for them trapping me into serving at the dinner party, making me flirt with Alejandro and making me go on a date with Matt.

The image shows three women standing in a row against a white background. The woman on the left has dark hair in a high ponytail and is wearing a grey dress. The woman in the middle has long brown hair and is wearing a white long-sleeved top and a black skirt. The woman on the right has long blonde hair with a white flower accessory and is wearing a black corset-style top and a white skirt. They are all looking towards the woman in the middle. There are four speech bubbles: two red ones on the left, two green ones in the center, and one purple one on the right.

Katie, what are you doing?
You just called him Isaac.

You do?

Yes, I have.

Ok, Isaac that's enough.
Stop kissing Tess.

It's ok Tess. He knows. He knows
that you know who he really is.

I do, but you've known who I was
this entire time, haven't you?

I thought so. You two have pushed me into being Isabella so much that I don't know if I can be Isaac anymore. I haven't been in male mode for weeks and these mannerisms are so ingrained in me that I can't stop them anymore.

So you two better start being honest with me. I think you owe me that much.

Ok, you're right Isaac.
I'll be honest with you.

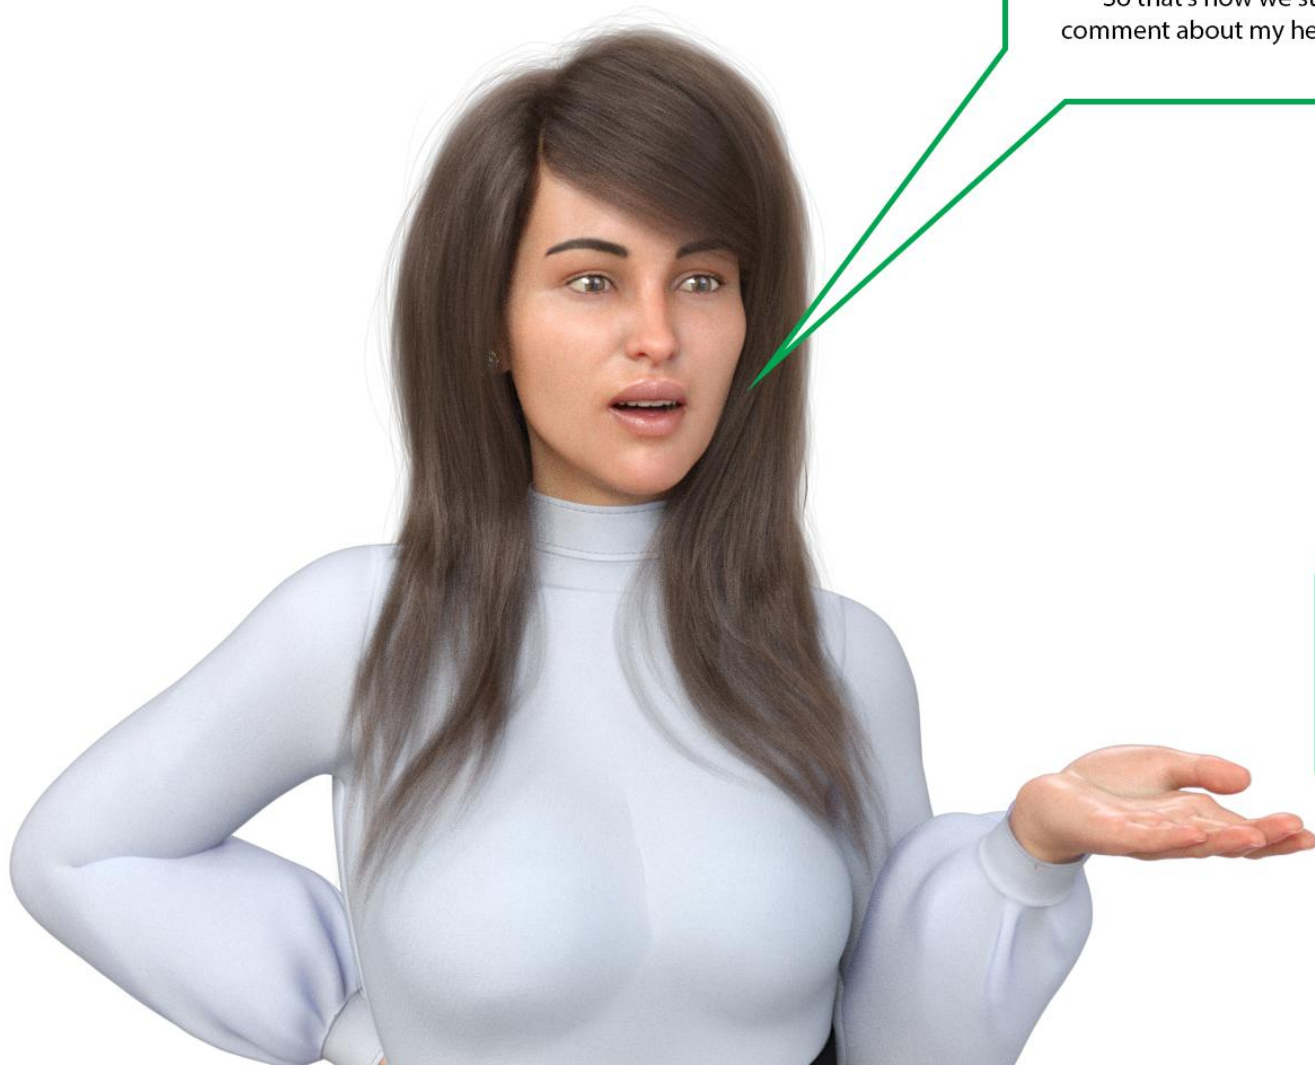

That's all it was meant to do, Isaac, honestly. I'd used it on an ex-boyfriend of mine a few years ago and it worked. I threatened him with wearing my panties and that was enough to motivate him to start pulling his weight.

This started out as a punishment. It was meant to get you off your arse and start helping out around the house, but you were so reluctant to do it I had to resort to some drastic action.

I was at my wits end when Tess suggested an.. usual punishment.

So that's how we started out, only you made that comment about my heels so I changed panties for heels.

It seemed harmless enough. I expected you to be tripping over everywhere and I'd end up scaring you into pulling your weight.

Instead, you were a natural in those heels but it didn't help your attitude. You were still reluctant, so I started to up the ante.

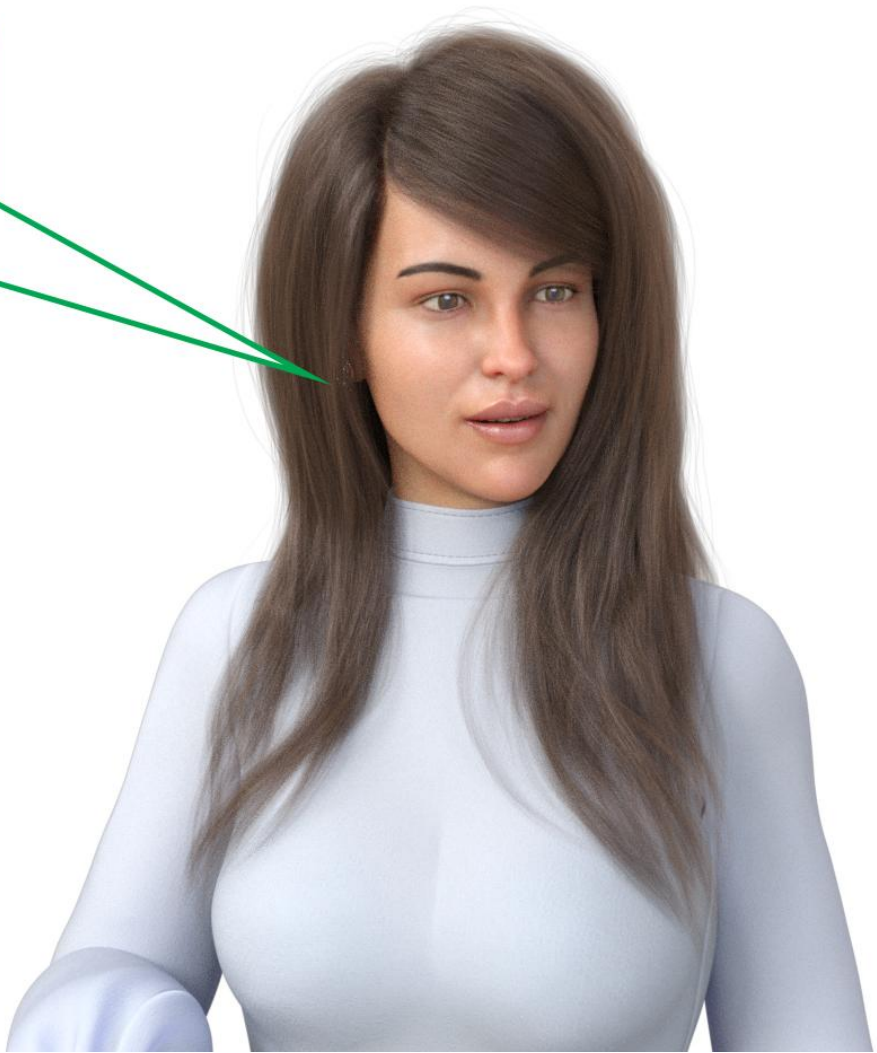

What I didn't realise is that I would become attracted to your feminine form. Gosh, just the thought of you in those first pair of stockings.

shiver

Anyway, after that I was looking for ways to further your punishments. I didn't want to push you too far though. I didn't want you to be uncomfortable with any of this.

But with each step you'd put up some token piece of esistance, then enjoy whatever the punishment was.

I'll admit, I loved seeing you pushed further. I started to fantasise about you with breasts, walking around in sexy lingerie, with long hair bouncing around your shoulders as you walked in your towering stilettos.

That was when I knew I had to get you fully dressed as a woman. It was never meant to go much further than that. I certainly didn't think I'd host a party with all of our friends invited to see you, or that you'd fool them all into thinking you really were our new maid.

But Katie, you kept mentioning guests after my makeover. Why would I need to learn all that if you didn't want it to go much further?

giggle

Well I knew that Tess would want to see you. She was so interested in your makeover, so I thought you needed to be ready for when she came over. Plus, it was really hot seeing you curtsy and being so subservient.

shiver

So yes, I pushed you down the road a little further, but you were the one that agreed to the party, remember, not me.

That is true, but I was distracted by my petticoats. They felt so nice and I didn't really hear the question, so I just agreed. Then all of a sudden you two were scurrying around making plans that I couldn't get a word in to try and stop it.

Anyway, it was you two who made it worse. First leaving me alone with Rob Tucker and then trying to set me up with Alejandro. It was like you wanted me to date men, but why?

sigh

I didn't want you to date them. But I did enjoy watching you flirt with guys. It was so hot knowing that you could flirt and get the guys interested but then you'd be coming with me. It's a kink I didn't know I had until Isabella came along.

I'm sorry if I pushed you too far, Isaac. And you know I'm sorry for leaving you with Rob, that was my fault. Same with Alejandro, I should have stepped in sooner.

It wasn't all your fault, Katie. I need to take the blame for this too, especially for Alejandro. After the party I wanted to show you that not all guys who find you attractive would be creepy. Some, like Alejandro, are genuinely nice guys.

But I also wanted to punish you. After so many years of you being so damn awkward around me, it was fun to watch you squirm as guys hit on you. It was kind of poetic that the guy who was too awkward around me was getting all the attention.

But I'm sorry. I took it too far. It was wrong of me and it won't happen again.

Same with the kiss. It won't happen again. I just saw you and you looked so beautiful standing there that something came over me.

Uhh Tess. Do you like Isabella?

I ummm-

Uhhh-

sigh

Yes. Yes, I like her. She's gorgeous and sexy and I can't get her out of my head. Ok? Your boyfriend is the most attractive woman I've ever met. She's perfect and I'm head over heels in love with her.

I know it's wrong of me to think that, but I can't help it. I'm sorry Katie.

sob

sob

I'm sorry Katie. I'll leave. I'll
leave you and Isaac alone.
I'm sure that's what you want.

sob

Hey, hey, hey. Come here, Tess.

Nonsense Tess. You belong here.
In fact, I think I might have a
solution to your attraction to Isabella.

Thank you sweetie. I really don't know what I would do without you.

I can feel him kicking non-stop lately. I think he knows when dinner time is.

Here let me help you up. Dinner is almost ready, then you can have some more rest.

giggle

I'm sure he does. Here, take a seat.

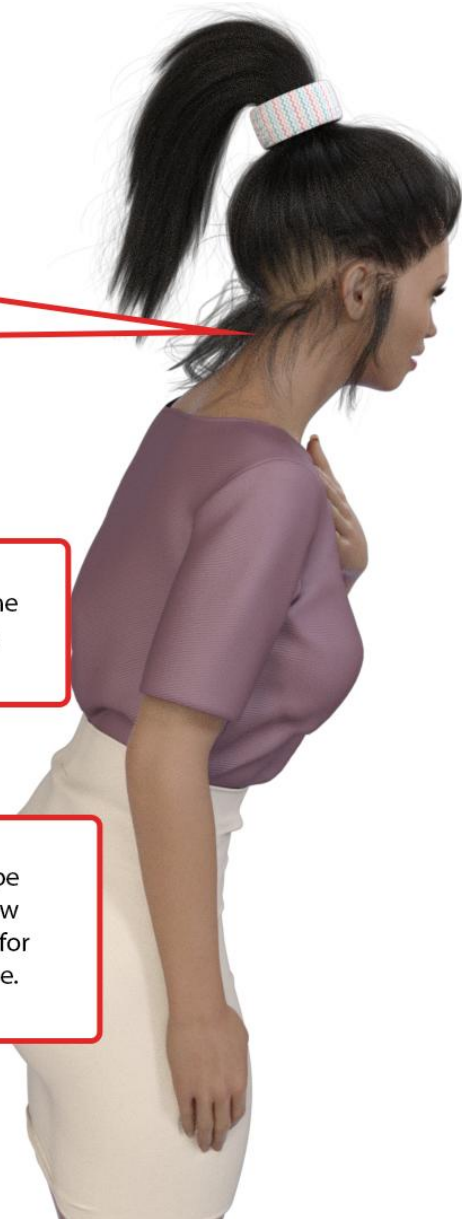

door opens

Honeys, I'm home.

It smells lovely Bella. I do love coming home to your home-cooked meals every night.

kiss

And how's our little guy doing? I hope you've been resting babe. I know how hard these last few weeks have been for you since you started maternity leave.

Welcome home, beautiful.
Dinner is almost ready.

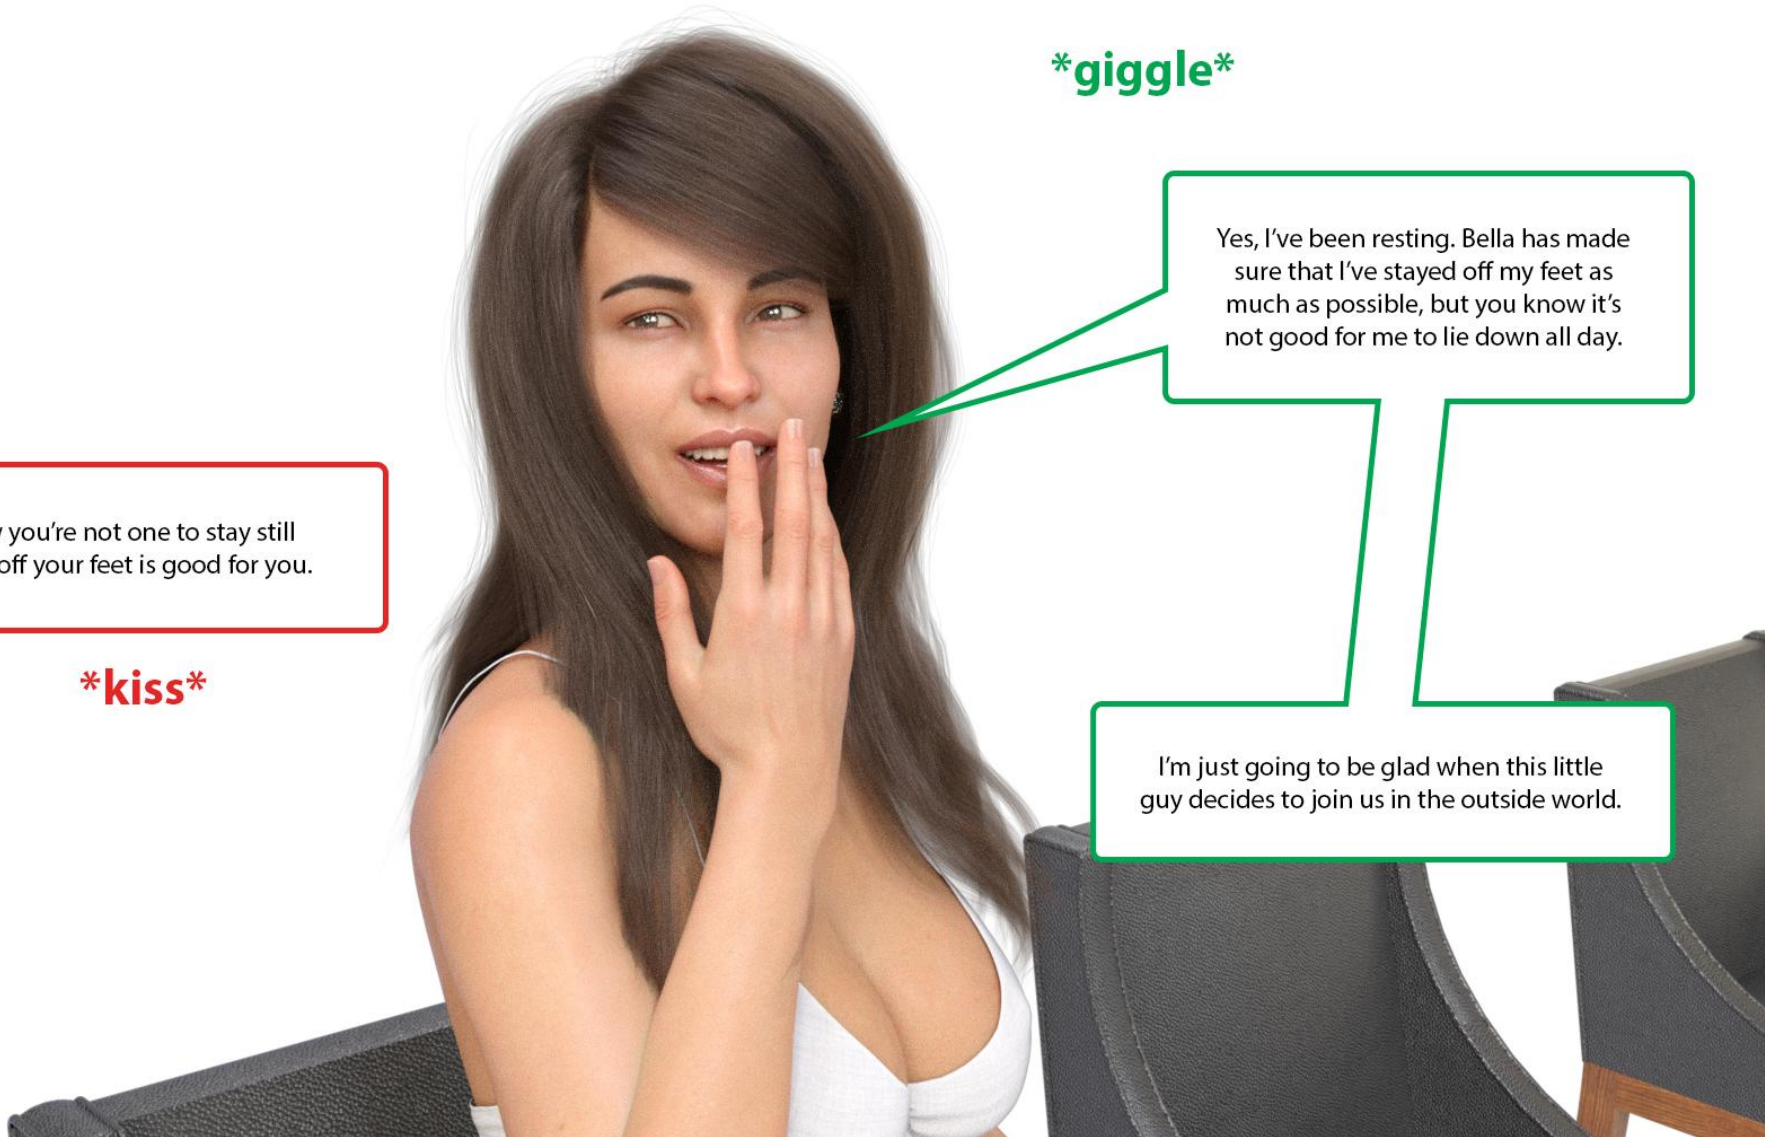

giggle

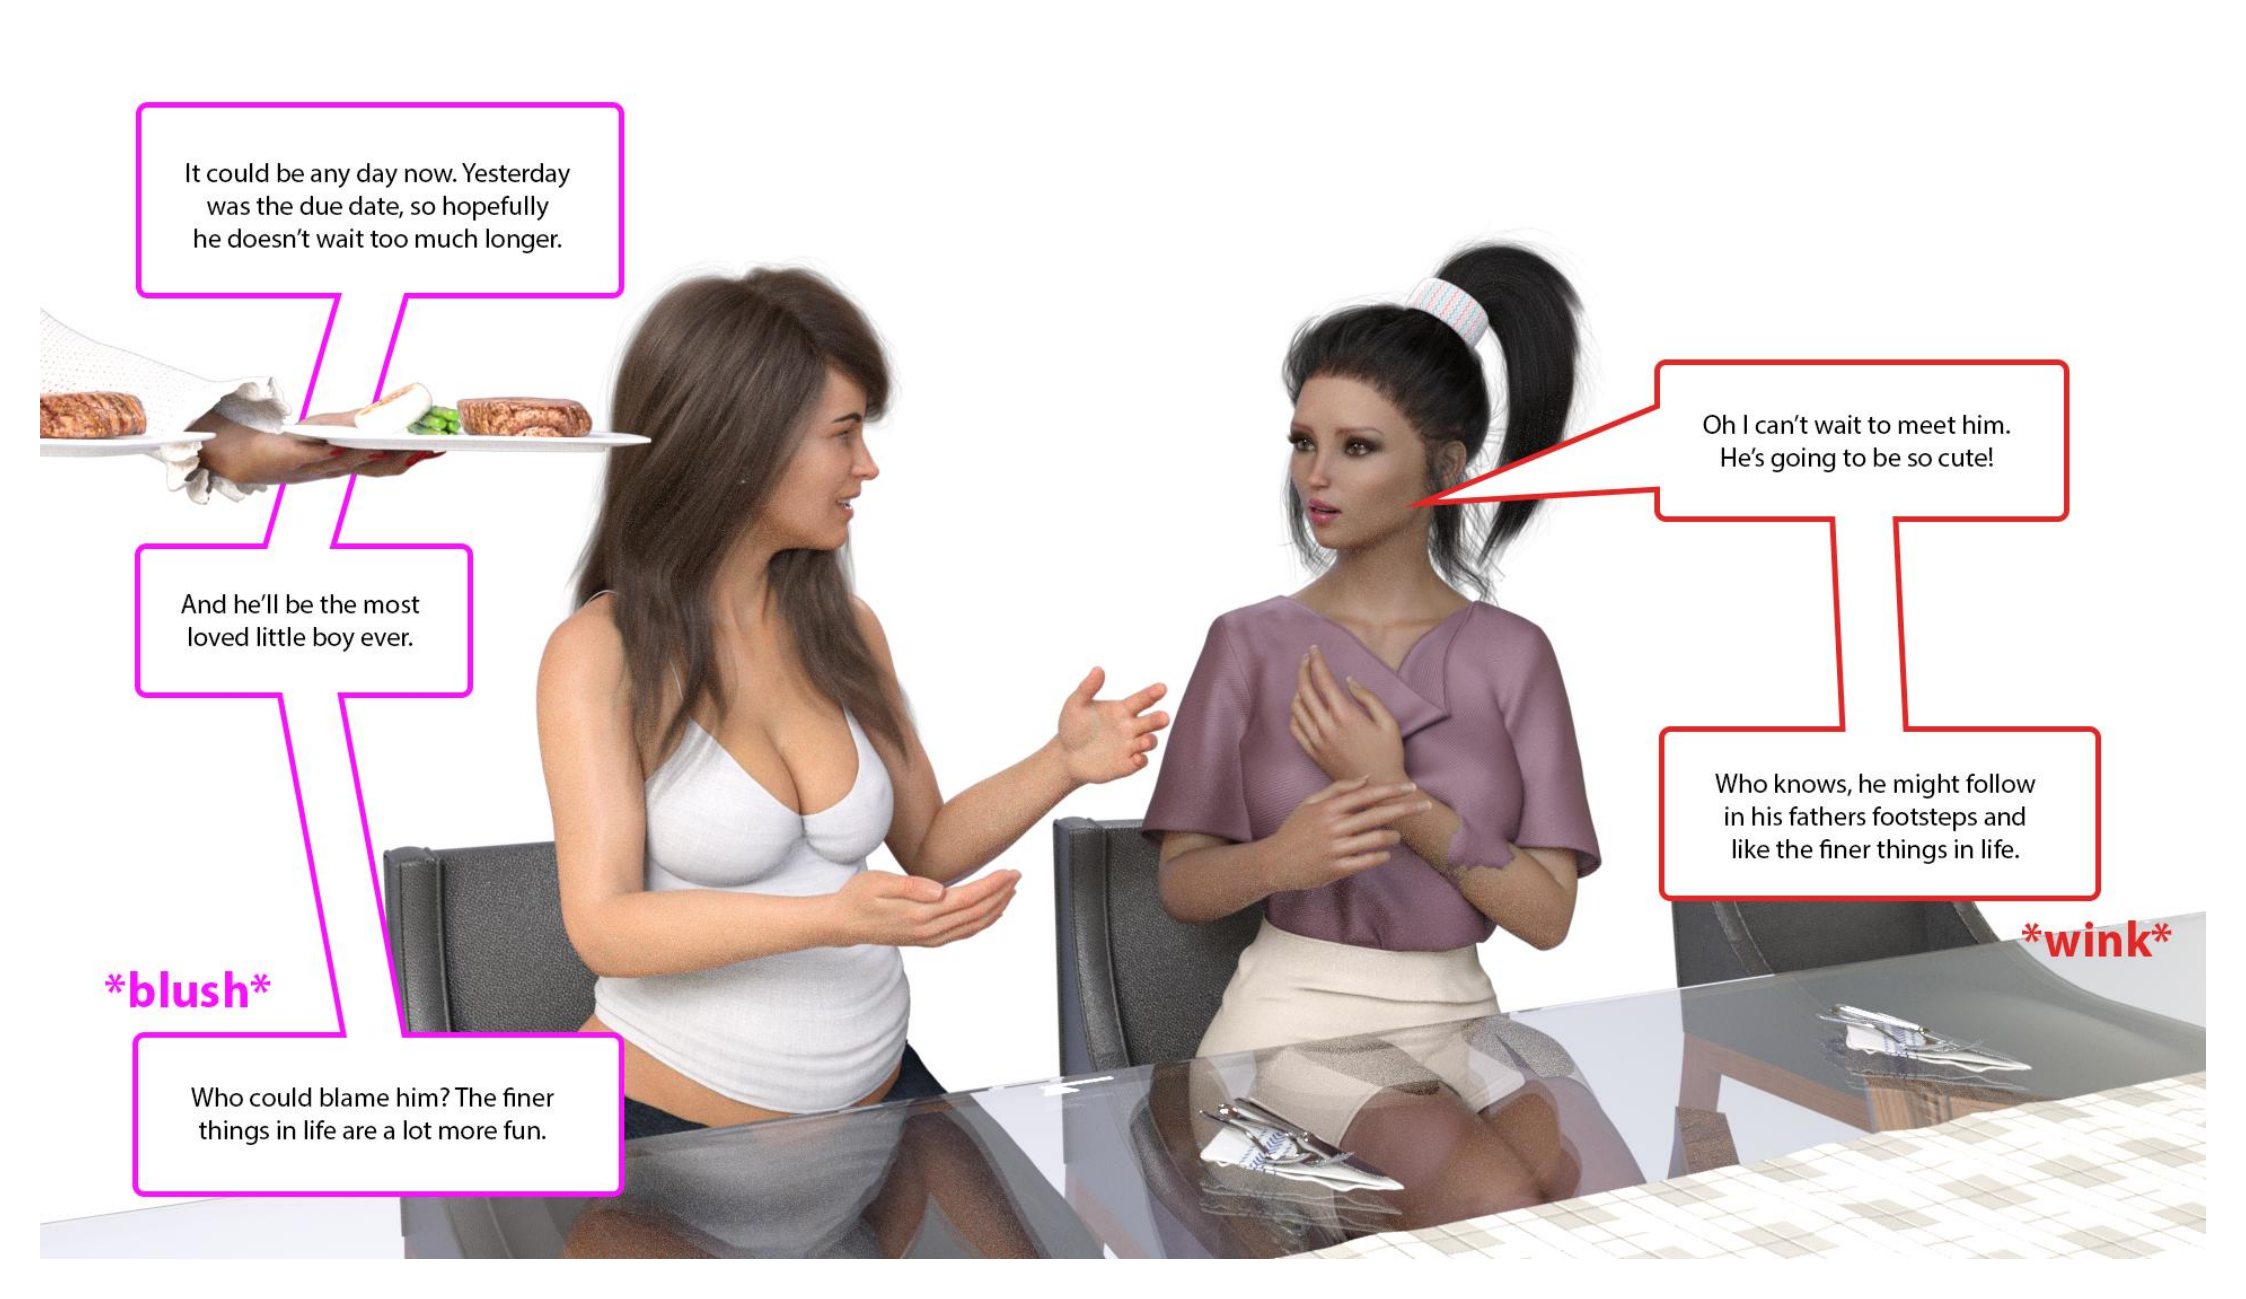

Yes, I've been resting. Bella has made sure that I've stayed off my feet as much as possible, but you know it's not good for me to lie down all day.

I do, but I also know you're not one to stay still for long, so any time off your feet is good for you.

kiss

I'm just going to be glad when this little guy decides to join us in the outside world.

It could be any day now. Yesterday was the due date, so hopefully he doesn't wait too much longer.

And he'll be the most loved little boy ever.

blush

Who could blame him? The finer things in life are a lot more fun.

Oh I can't wait to meet him. He's going to be so cute!

Who knows, he might follow in his fathers footsteps and like the finer things in life.

Monday October 23rd 2023

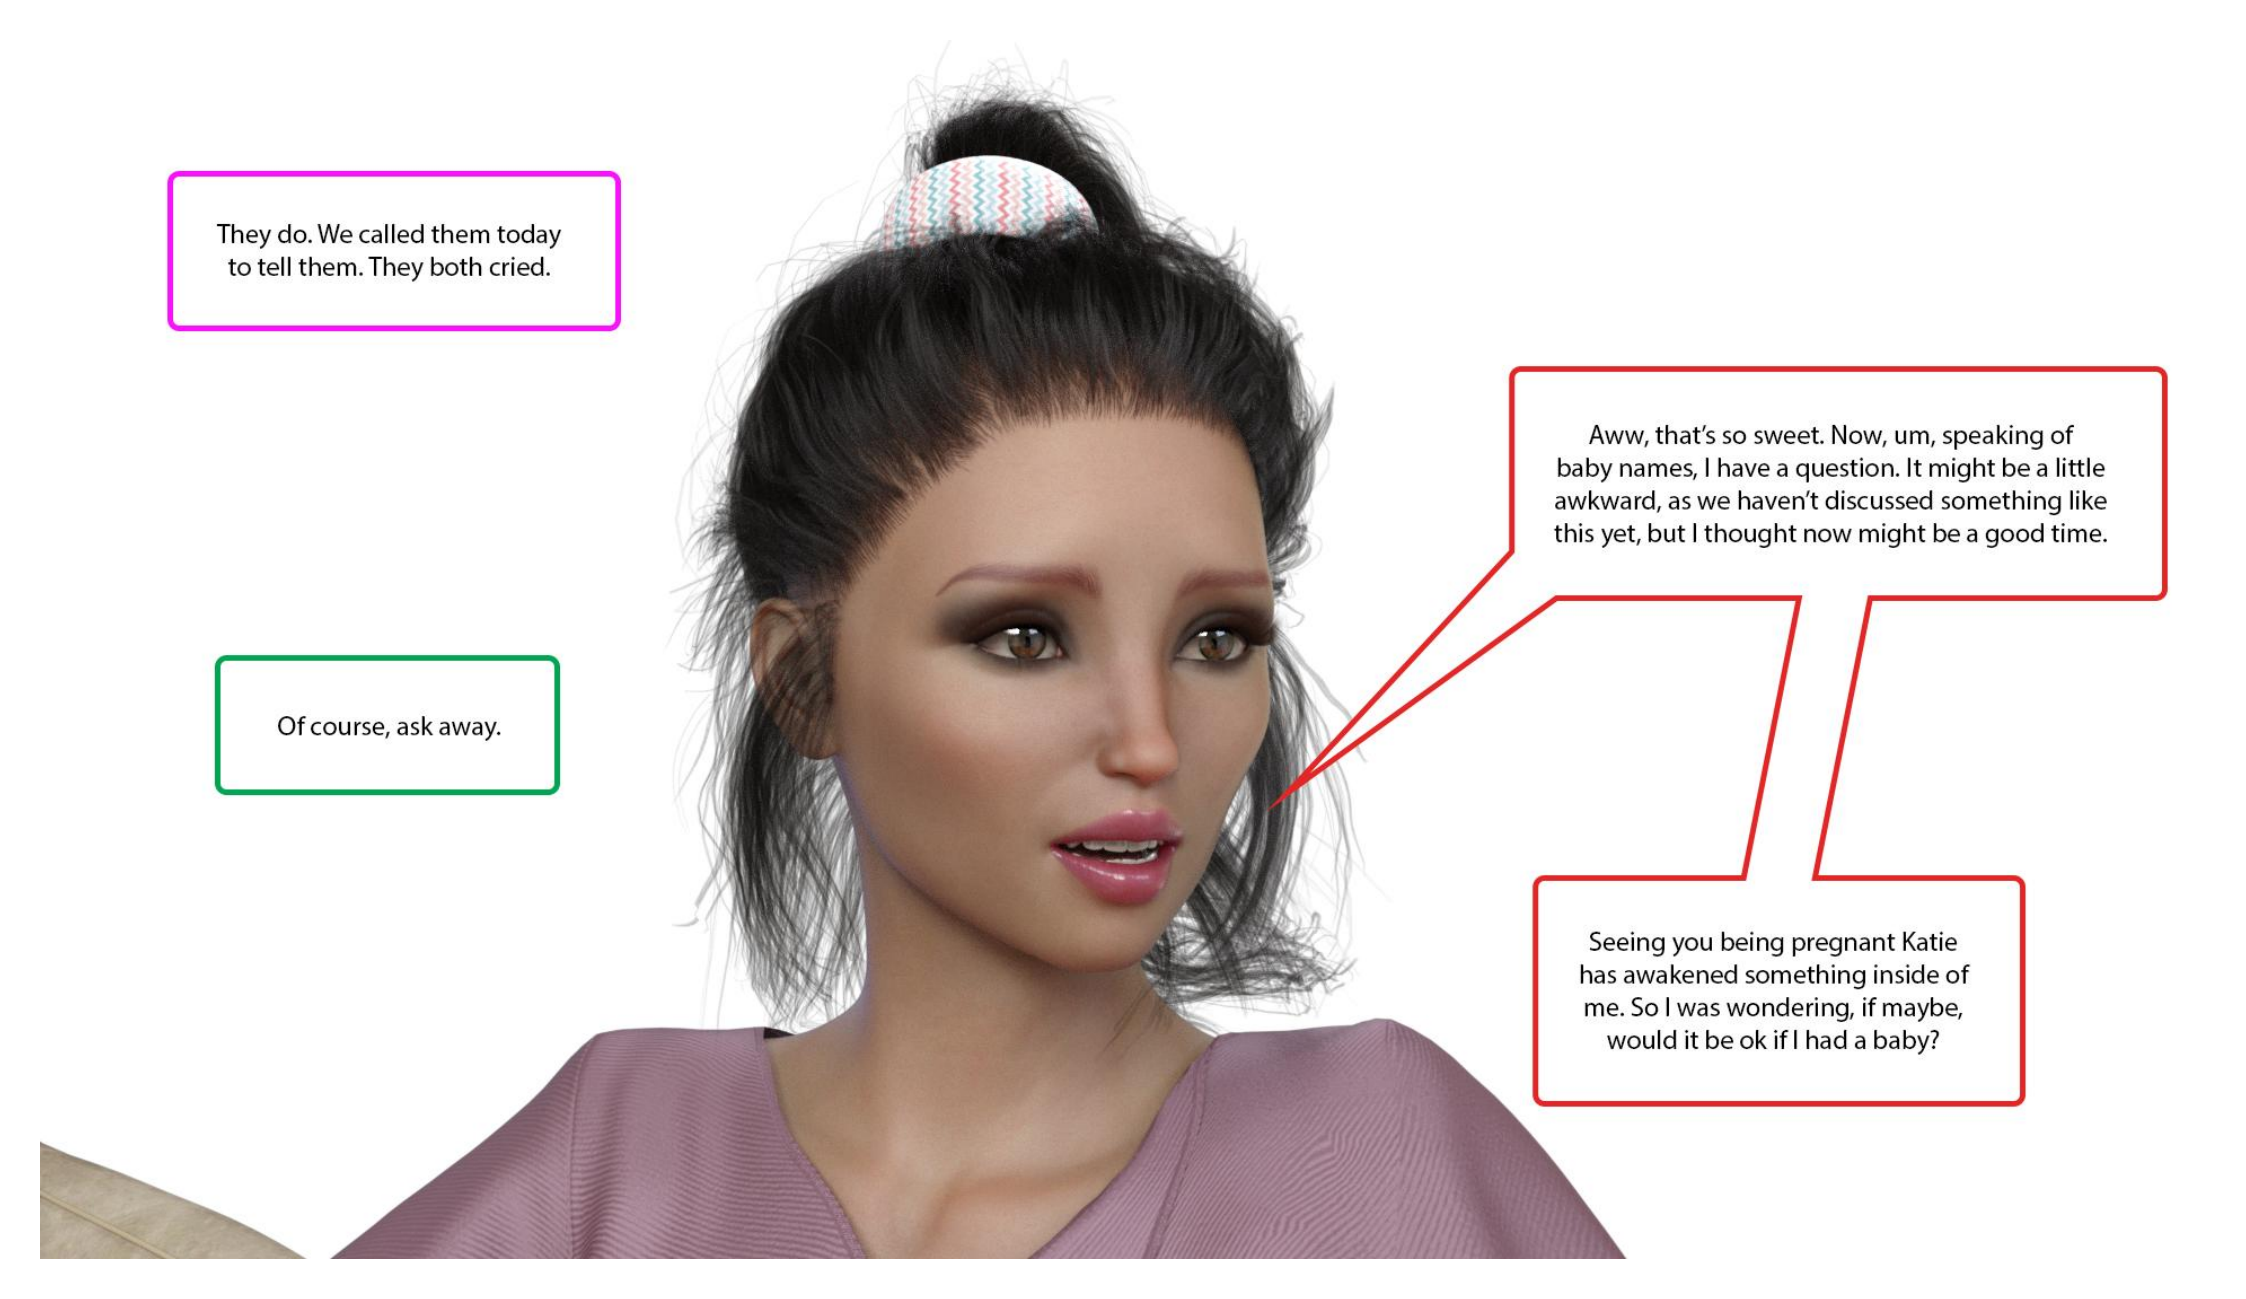

6:45pm

Have we decided on a name for him yet? You two have the final decision.

Oh, after both your fathers. That's so sweet. I'm sure they'll both love it.

Yeah, we were talking about it today and we decided on Henry. Henry Charles Stewart.

They do. We called them today to tell them. They both cried.

Of course, ask away.

Aww, that's so sweet. Now, um, speaking of baby names, I have a question. It might be a little awkward, as we haven't discussed something like this yet, but I thought now might be a good time.

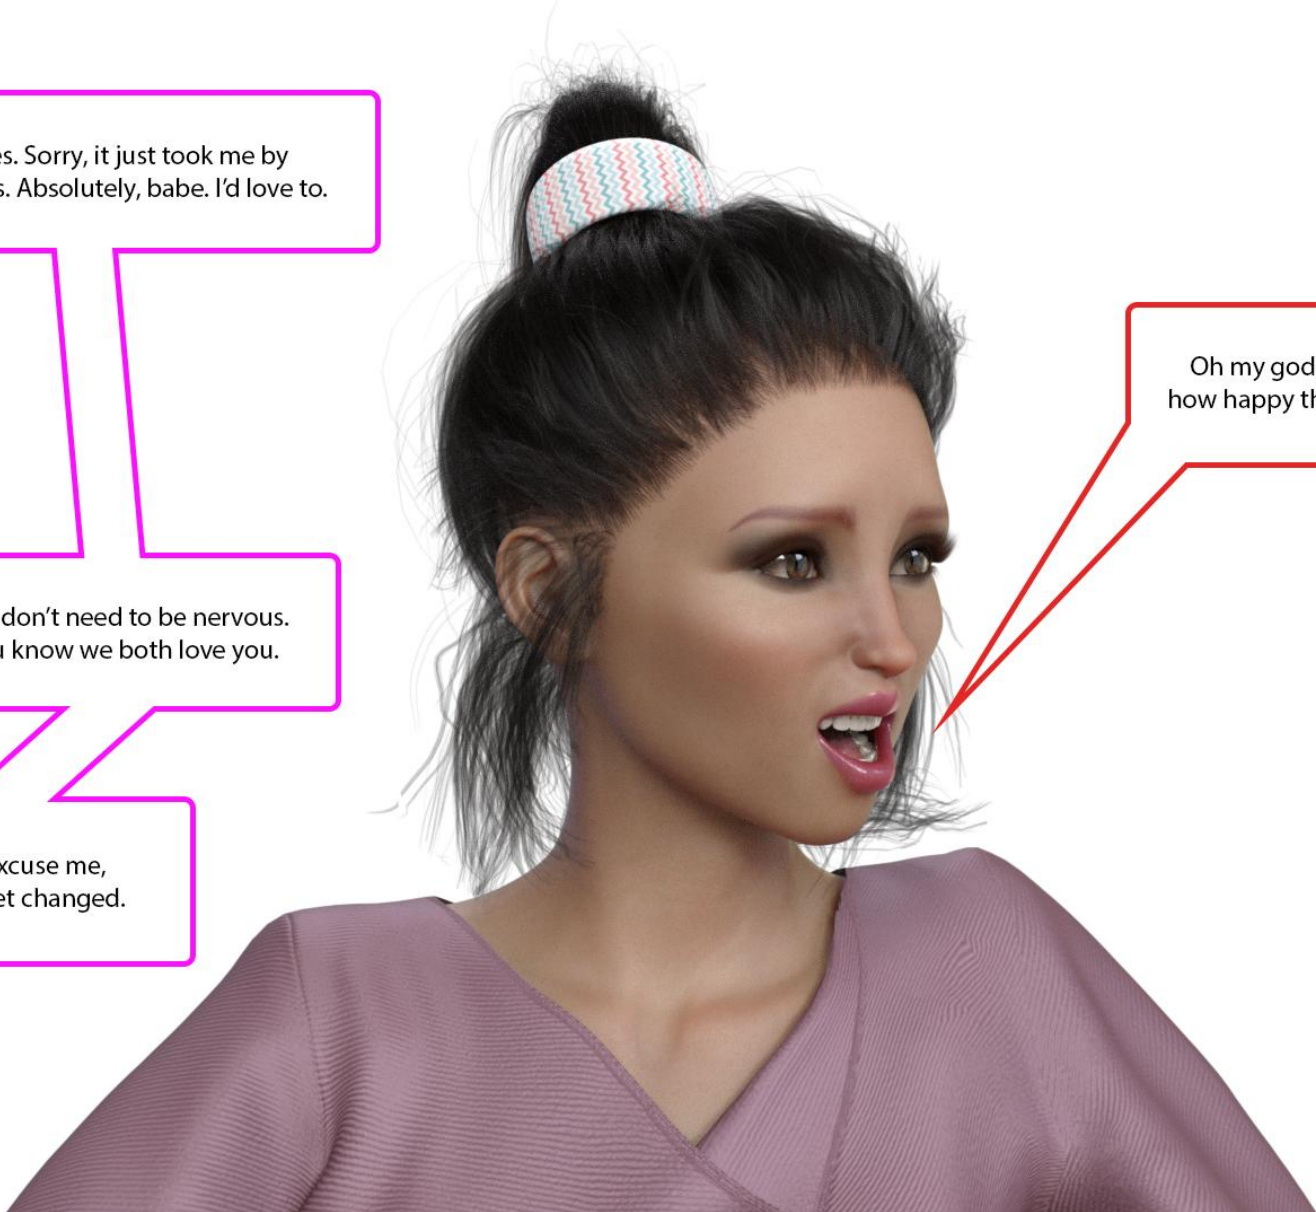

Seeing you being pregnant Katie has awakened something inside of me. So I was wondering, if maybe, would it be ok if I had a baby?

I know you and Bella are so close and I don't want to overstep a boundary or for anything to come between any of us, but I really want a child of my own.

Bella?

Oh my god. Of course it's ok. You're just as much a part of this relationship as Bella and I. I don't want to speak on behalf of Bella, but I couldn't be happier for you if you wanted to have a child with Bella.

Y-yes. Yes. Sorry, it just took me by surprise. Yes. Absolutely, babe. I'd love to.

You don't need to be nervous.
You know we both love you.

Now if you excuse me,
I'm going to get changed.

Oh my god, that's such a relief. You don't know how happy this makes me. I was so nervous to ask.

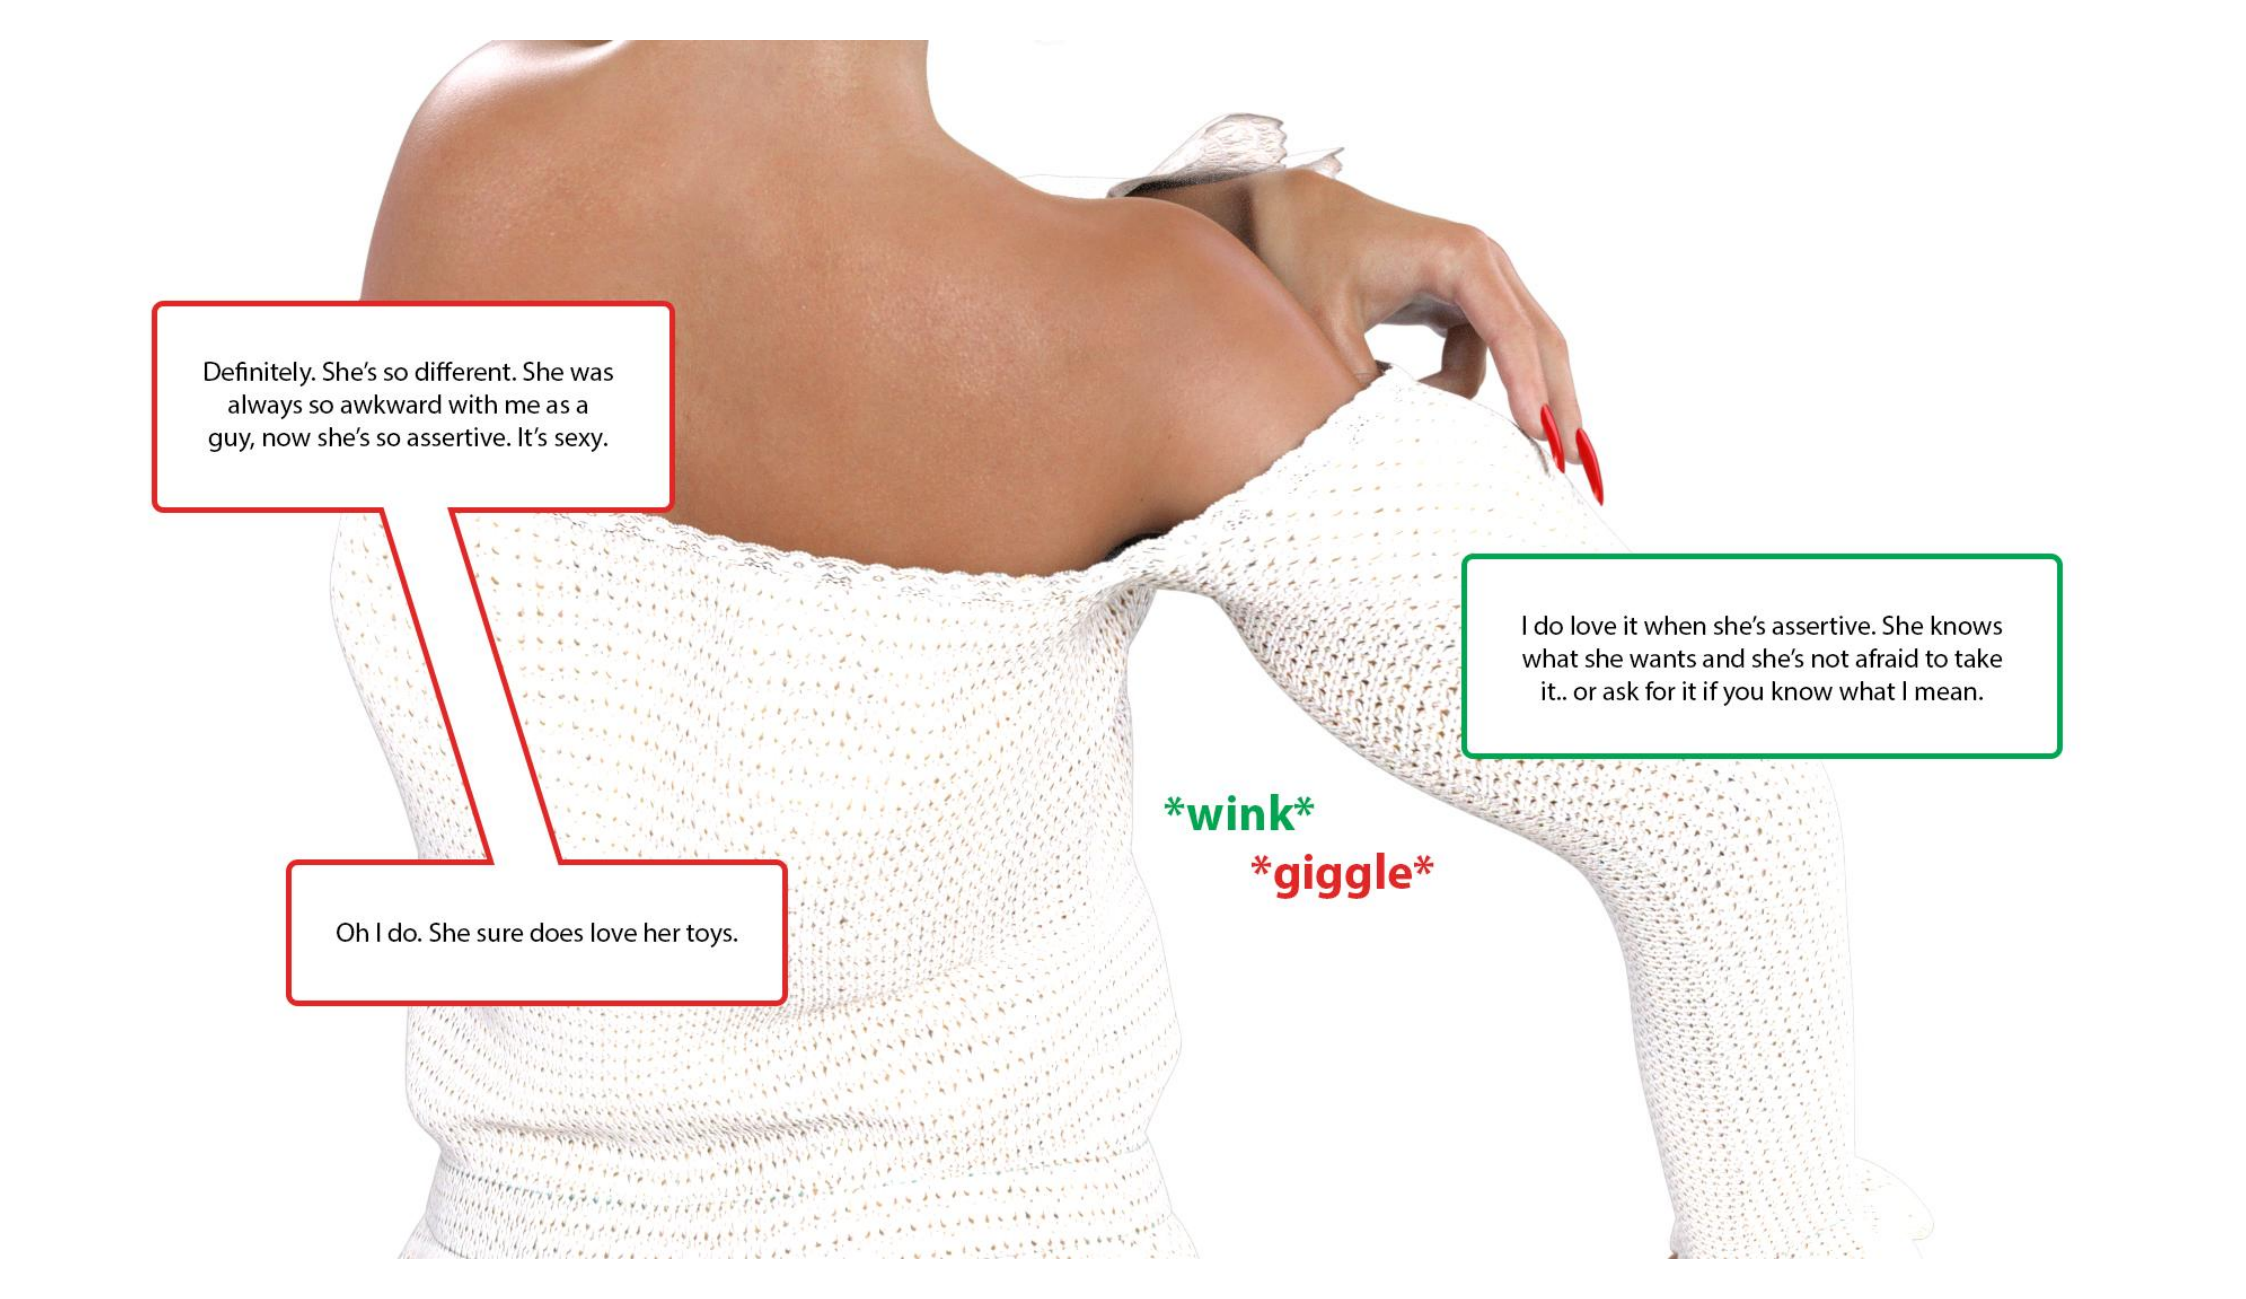

Is it just me, or does she get sexier every day?

Being a woman agrees with her. I think she's finally comfortable in her own skin. It's amazing how different she is now.

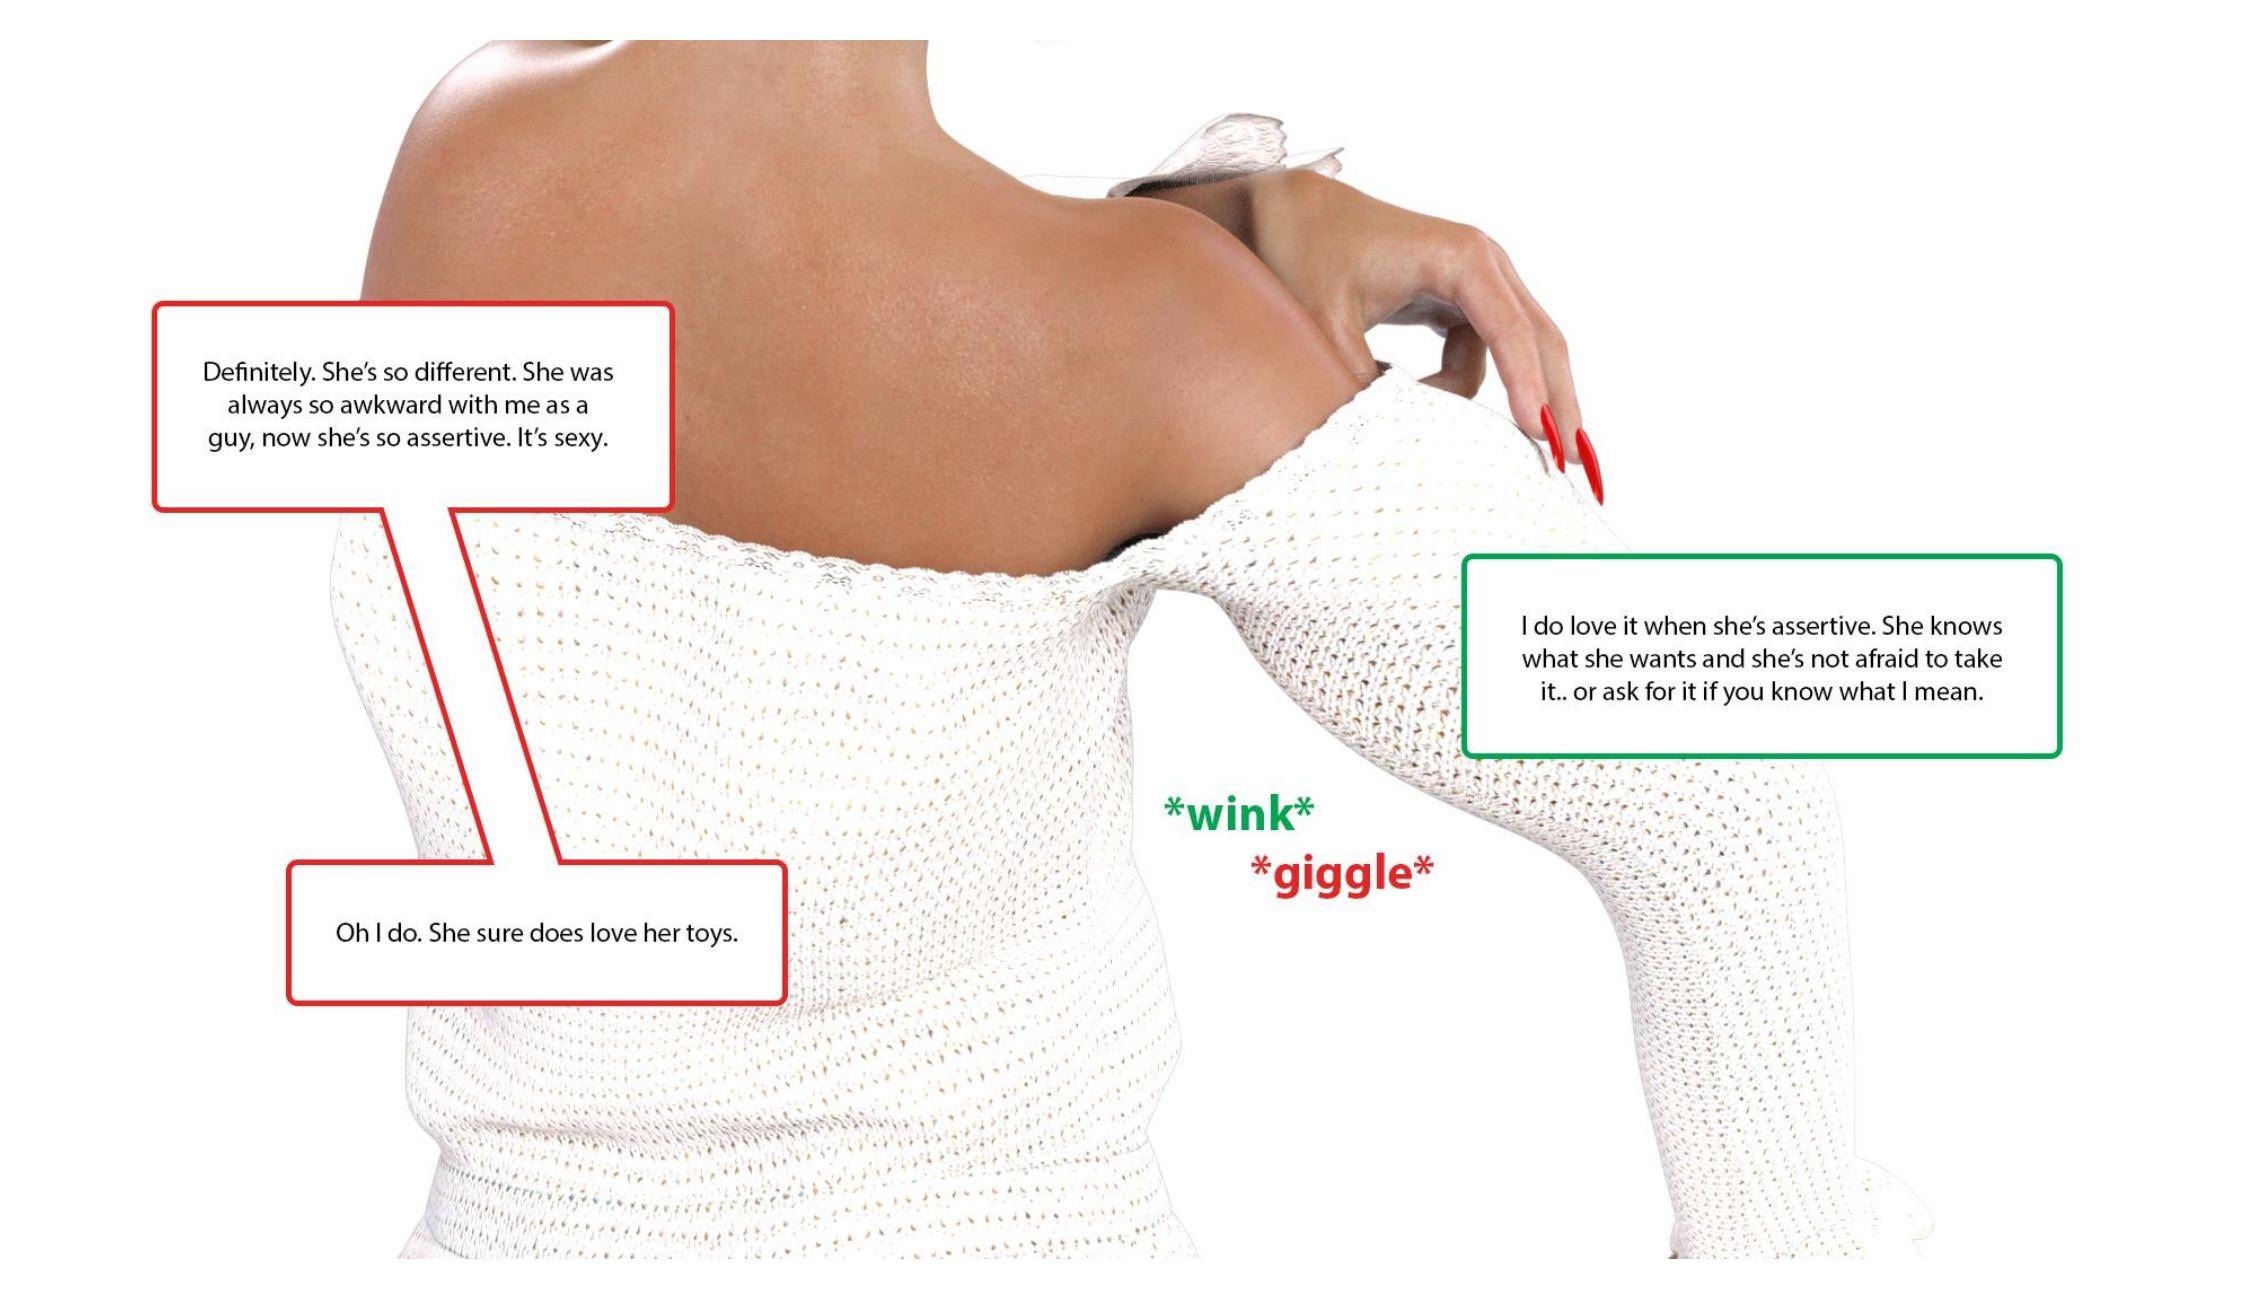

It might be the pregnancy hormones talking, but yeah, she's so hot. I don't know how she does it.

I agree. It's weird though. She was great as a guy, but as a woman, wow. She's so much more confident.

A woman with her back to the camera, wearing a white, long-sleeved, lace-trimmed dress. Her right hand is raised, touching her shoulder. She has red nail polish. A speech bubble with a red border is positioned near her shoulder.

Definitely. She's so different. She was always so awkward with me as a guy, now she's so assertive. It's sexy.

I do love it when she's assertive. She knows what she wants and she's not afraid to take it.. or ask for it if you know what I mean.

Oh I do. She sure does love her toys.

wink

giggle

I can't believe I'm about to be a father. Just 18 months ago I was fired from my job and lost direction in my life. I was so miserable at not being a 'macho breadwinner' that I completely neglected my relationship with Katie.

I can't thank her enough for everything she's done for me. If she didn't push me into that first pair of heels, I don't think we would be together today.

Instead, we're stronger than ever. She has shown me nothing but love and compassion, something that I will be forever grateful for.

I'm not the same person I used to be. I certainly don't look the same.

moan

I love letting my hair down after a long day. It's so lovely to feel it cascading down my shoulders and back. Growing my hair out was one of the best decisions of my transformation.

giggle

That surgeon gave me such a lovely waist and ass. Although I should take some of the credit. Katie and I have been working out relentlessly for over a year now.

Plus, it feels great when it's slapped whilst I get fucked from behind.

moan

There's no longer any padding on my body.
These F-cups are all me now.

squeeze 

moan 

Gosh my nipples are so sensitive. I don't know how the surgeon did it, but I love it when Katie and Tess play with them.

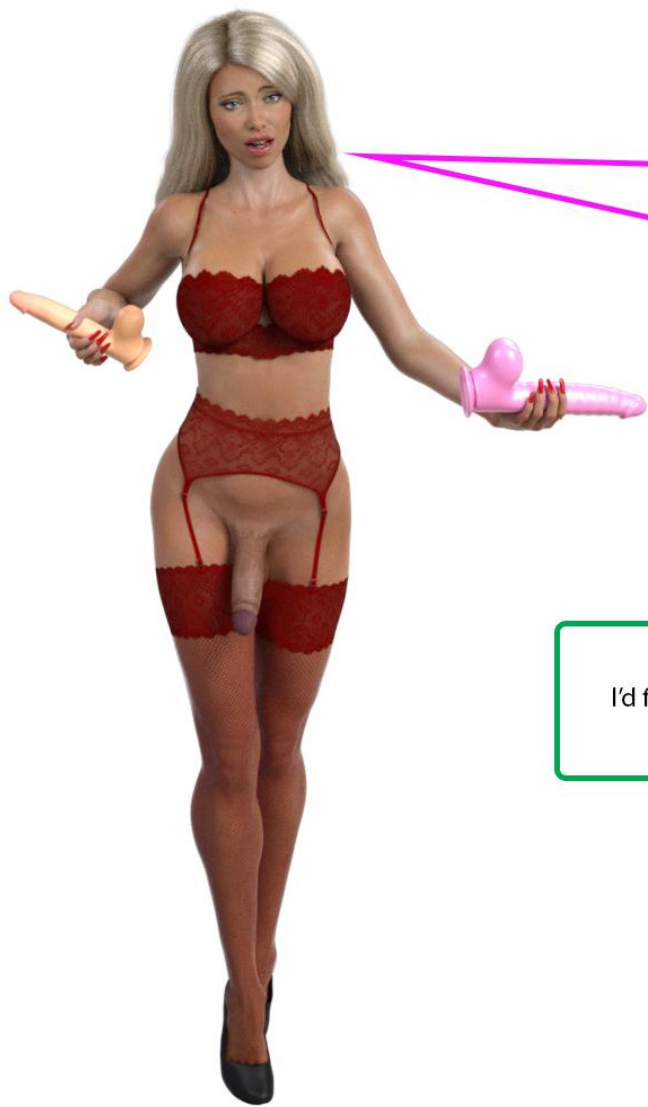

pinch
moan

Speaking of play. I can't wait to play with some toys. The girls at the salon made sure that these lips are made for wrapping around a big juicy cock.

Lucky for me, I have all the cock I need right here in this drawer.

Would you ladies want to join me for dessert?

I'd follow you anywhere babe.

My God, you are so damn beautiful.

Life rarely goes the way you plan it. Sometimes it leads you down a path you never expected. I can safely say I never expected my life to go like this, but I'm so glad that it did.

Becoming a maid was the best thing that ever happened to me. It saved my relationship and it led me on a path to self discovery.

Now I have two beautiful women by my side who I absolutely adore, and they adore me. Life couldn't be better.
