Speechless crowd

Alexis: I hope you enjoy the show.

Makeover, Alexis, 88

Alexis: *giggle* You should have seen their faces *giggle*

Makeover, Alexis, 89

Alexis : "Kari, there's something I need to tell you. During the pole dance show, I felt... aroused. It's confusing, and I'm not sure what to make of it."

Kari: "Alex, it's okay. You're exploring new aspects of yourself, and it's natural to have unexpected reactions. I'm here for you, no matter what."

Makeover, Alexis, 90

Alexis: "I just... I can't shake the performance from my head. It's like it's there every time I close my eyes. It's confusing but also... exhilarating."

Kari: (Nods understandingly) "It was a big moment for you. It's natural to feel stirred by something so powerful."

Alexis: "It's more than just remembering it. I felt something during the performance. It wasn't just about the dance... I felt... alive, more than ever. And I don't know what to do with these feelings."

Makeover, Alexis, 91

Alexis: "It's like I'm becoming someone new, someone I never knew I could be."

Kari: "It's all you, Lexy. These experiences, they're just bringing out the fabulous person you are."

Alexis: (A smile creeping in) "I do feel fabulous... but it's a lot to take in."

Kari: "Don't overthink it. Let the feelings come. It's all part of the shine, babe."

Makeover, Alexis, 92

Alexis: (Watching Kari work) "These extensions... they're so long, Kari."

Kari: "Lexy, darling, longer nails mean more canvas for beauty. Trust me."

Alexis: (Sighs, a hint of excitement in their voice) "And this new uniform... it's quite the statement."

Kari: (Concentrating on the nails) "It's more than fabric, Lexy. It's confidence stitched into every seam."

Alexis: "The cleavage though... it's not too much?"

Kari: (Looking up with a smile) "It's just right for you. It's all about embracing your new self."

Alexis: (Glancing down at their outfit) "It does make me feel a certain way... powerful."

Kari: "That's the spirit, Lexy. It's all about owning your space."

Alexis: (A playful smirk) "I guess I'm starting to like 'owning it' then."

Kari: (Finishing the last nail) "And that's exactly what we're aiming for. You're not just Alexis. You're Lexy, the heart of the Pink Salon."

Makeover, Alexis, 93

Alexis: (Murmurs to self) "This feeling... I can't focus."

Makeover, Alexis, 94

Alexis: (Fingers tracing the new curves) "This feels... different. Good different."

Makeover, Alexis, 95

(Their hand grazes the fabric over their body, a mix of curiosity and arousal in their movements.)

Kari: (Approaching quietly) "Lexy? Everything okay at the front desk?"

Alexis: (Startled, pulls hand away) "Kari! I was just... adjusting the fit."

Kari: (With a knowing look) "Mhmm, it's designed to be quite... stimulating, isn't it?"

Makeover, Alexis, 96

Alexis: (Breathes deeply, still feeling the uniform against their skin) "It's like... I can feel every eye on me when I'm at the desk."

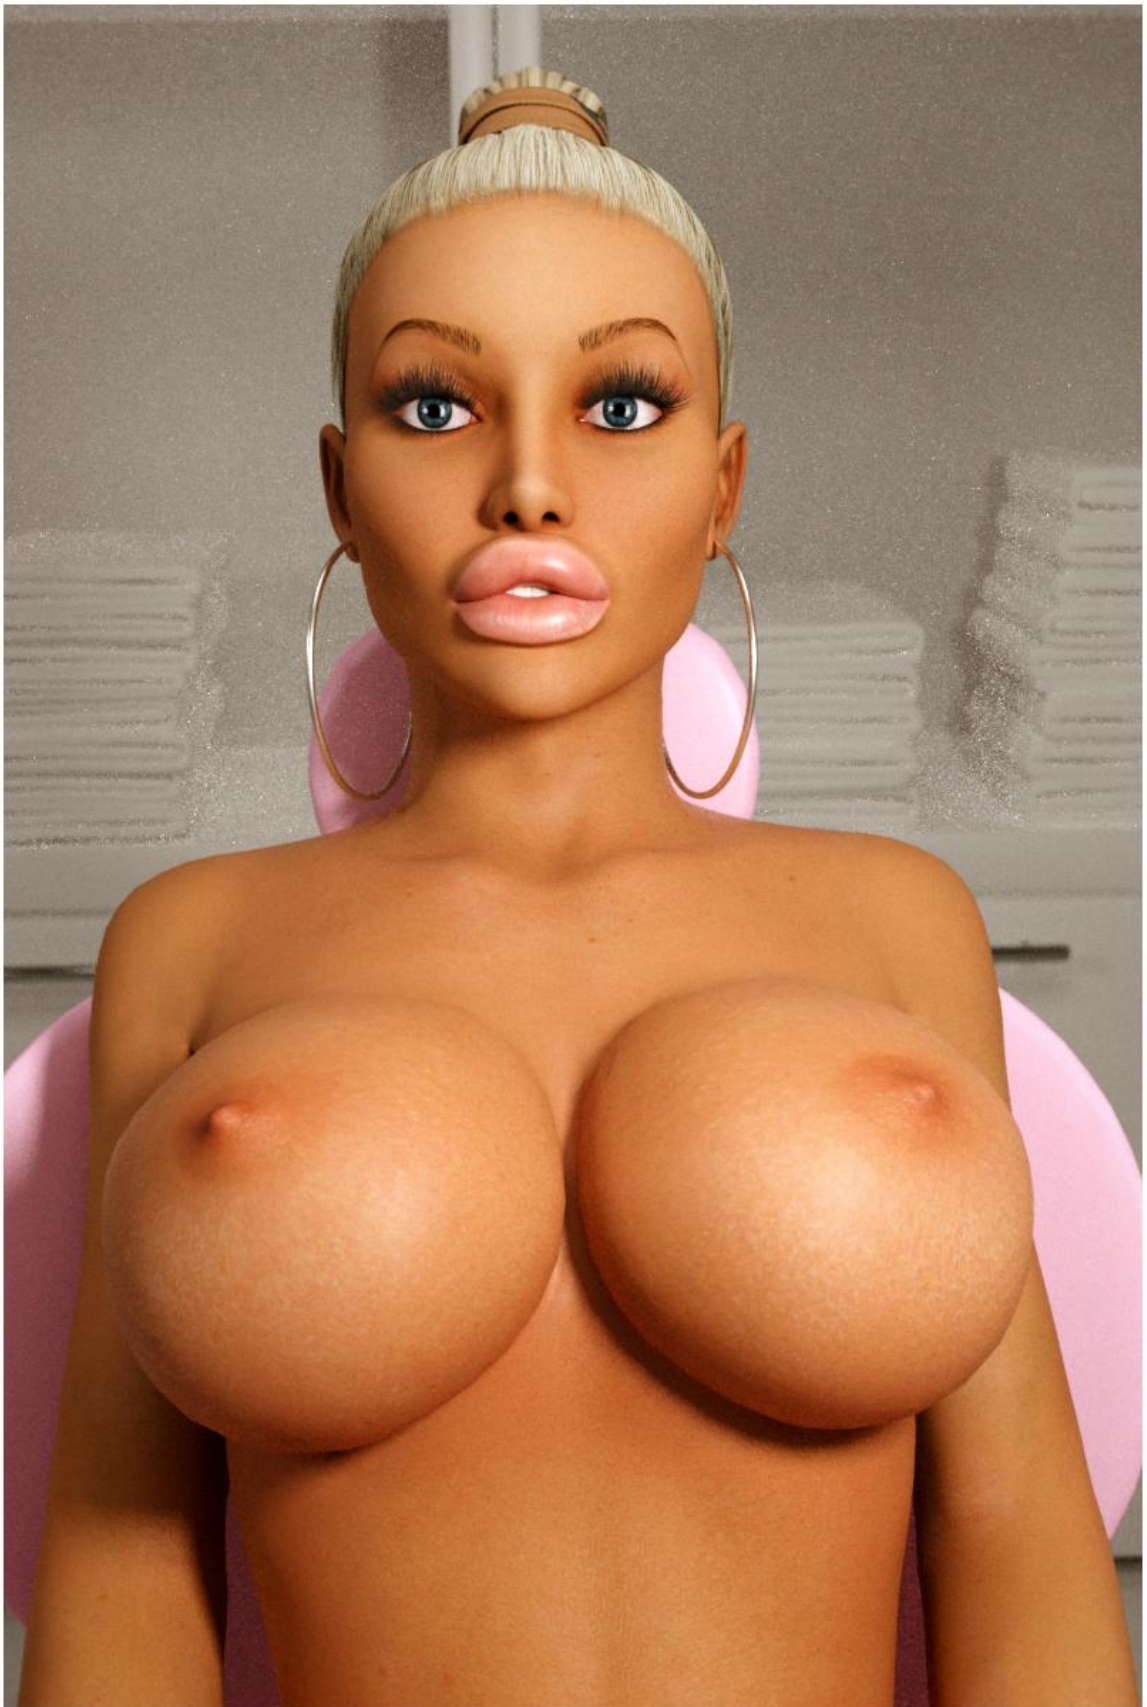

Makeover, Alexis, 97

Kari: (Admiringly) "Oh, Lexy, darling, that's the whole point. You're not just filling the space; you're commanding it."

(Alexis turns, the uniform clinging to every inch of their transformed figure, reflecting the salon's bright lights.)

Alexis: (A playful twirl) "Is it too much, though? I mean, I catch myself in the mirror and... wow."

Kari: (Chuckling) "Too much? Honey, 'too much' is just right for the Pink Salon. And look at you! This is more than just a uniform; it's a statement."

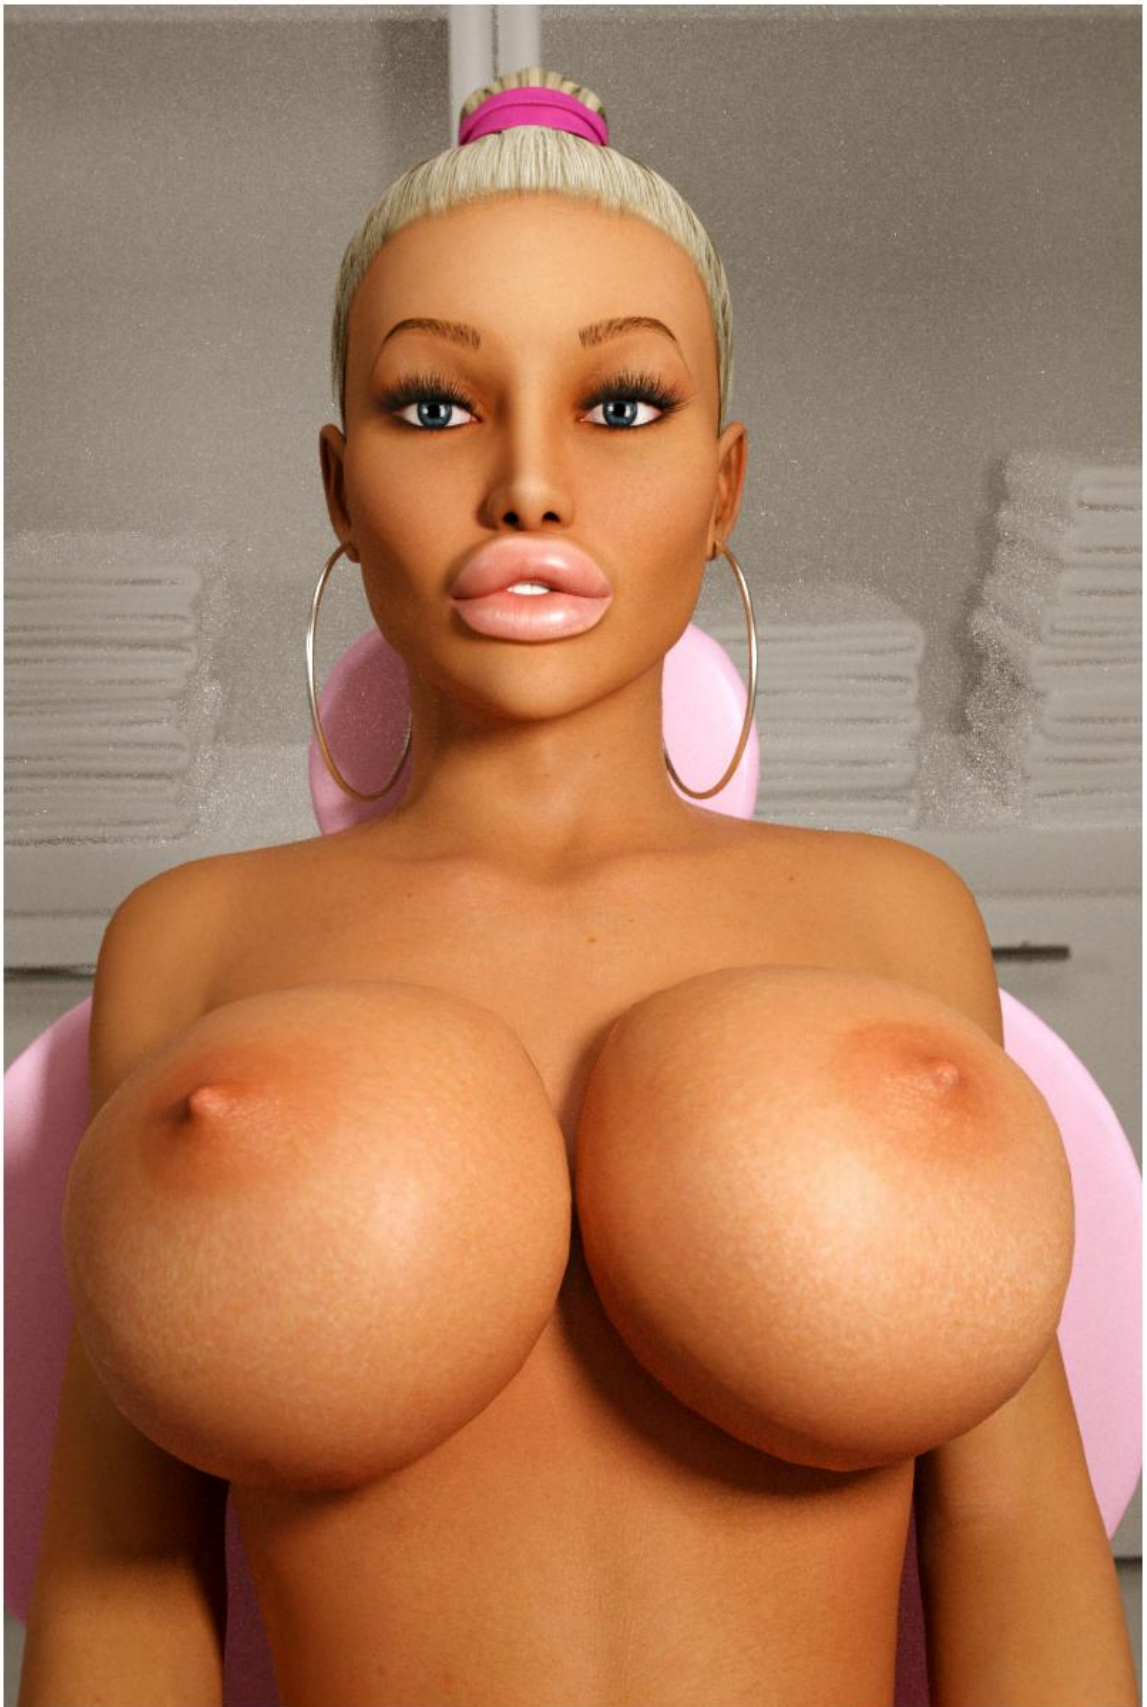

Makeover, Alexis, 98

Doctor Naomi: "This is just the start, Lexy. It'll take a few weeks to get them to their full size."

Alexis: slurp "Weeks?"

Doctor Naomi: "Yes, we'll do it gradually, round by round. You'll feel them grow with every session."

Alexis: gasp "But they're already so big..."

Makeover, Alexis, 99

Doctor Naomi: smiling "How do they feel, Lexy?"

Alexis: slurp "So full... I never thought I'd get used to this."

Doctor Naomi: grinning "But you did. Gradual, perfect. Now look at you—stunning."

Alexis: nodding "I guess... I love them."

Doctor Naomi: leaning closer "You should, darling. You're exactly what we envisioned."

Makeover, Alexis, 10

Several days later...

Makeover, Alexis, 101

Man: Oh, I'm not here for an appointment.

Alexis: Finally looks up, annoyed. Then what do you want?

Makeover, Alexis, 102

Alexis finally looks up, one arched brow raising slightly. A tall man in a dark coat stands before her, his smirk unreadable.

Alexis: Taps her nails on the counter Then what do you want?

Man: You.

Alexis blinks, surprised. Then, before she can stop herself, a giggle escapes her glossy lips.

Makeover, Alexis, 103

Kari: Lexy, you're glowing... and looking even more enhanced today. Spill it.

Alexis: *Giggles* adjusting her top, her fuller breasts shifting noticeably I have a date.

Kari: With who?

Alexis: *Blushes* playing with her nails. The mysterious man...

Kari: Oh, honey... now this I need details on!
