MANAPHY BEACH SWAP

Alright James... Jessie and Meowth are distracted which means it's up to me to scout out some valuable Pokémon

This disguise is flawless... absolutely flawless no one will suspect a thing

There is
no way
I'll get caught
looking like
this

We received reports that Team Rocket may be operating near this beach

I'll take a quick look around

Wait
a second...
That face...

Team Rocket is notorious for disguises... I'm not falling for something this obvious

You there! Don't move!

W–What? She saw through it?!

Phi?
Phi...

James of Team Rocket you're coming with me... You can explain everything at the station

W–Wait! This isn't how it was supposed to go!

Phii...
Phiii!

I feel strange for some reason

Huh? What is this light?

W–What?! Why does my body feel different?
I don't know what just happened... But this must be my lucky day!

Phi!
Phiii!

You're having the time of your life aren't you?

Phii?

Phi
Phiii!

What? What is this weird light?

Woof!
Ruff!
Ruff!

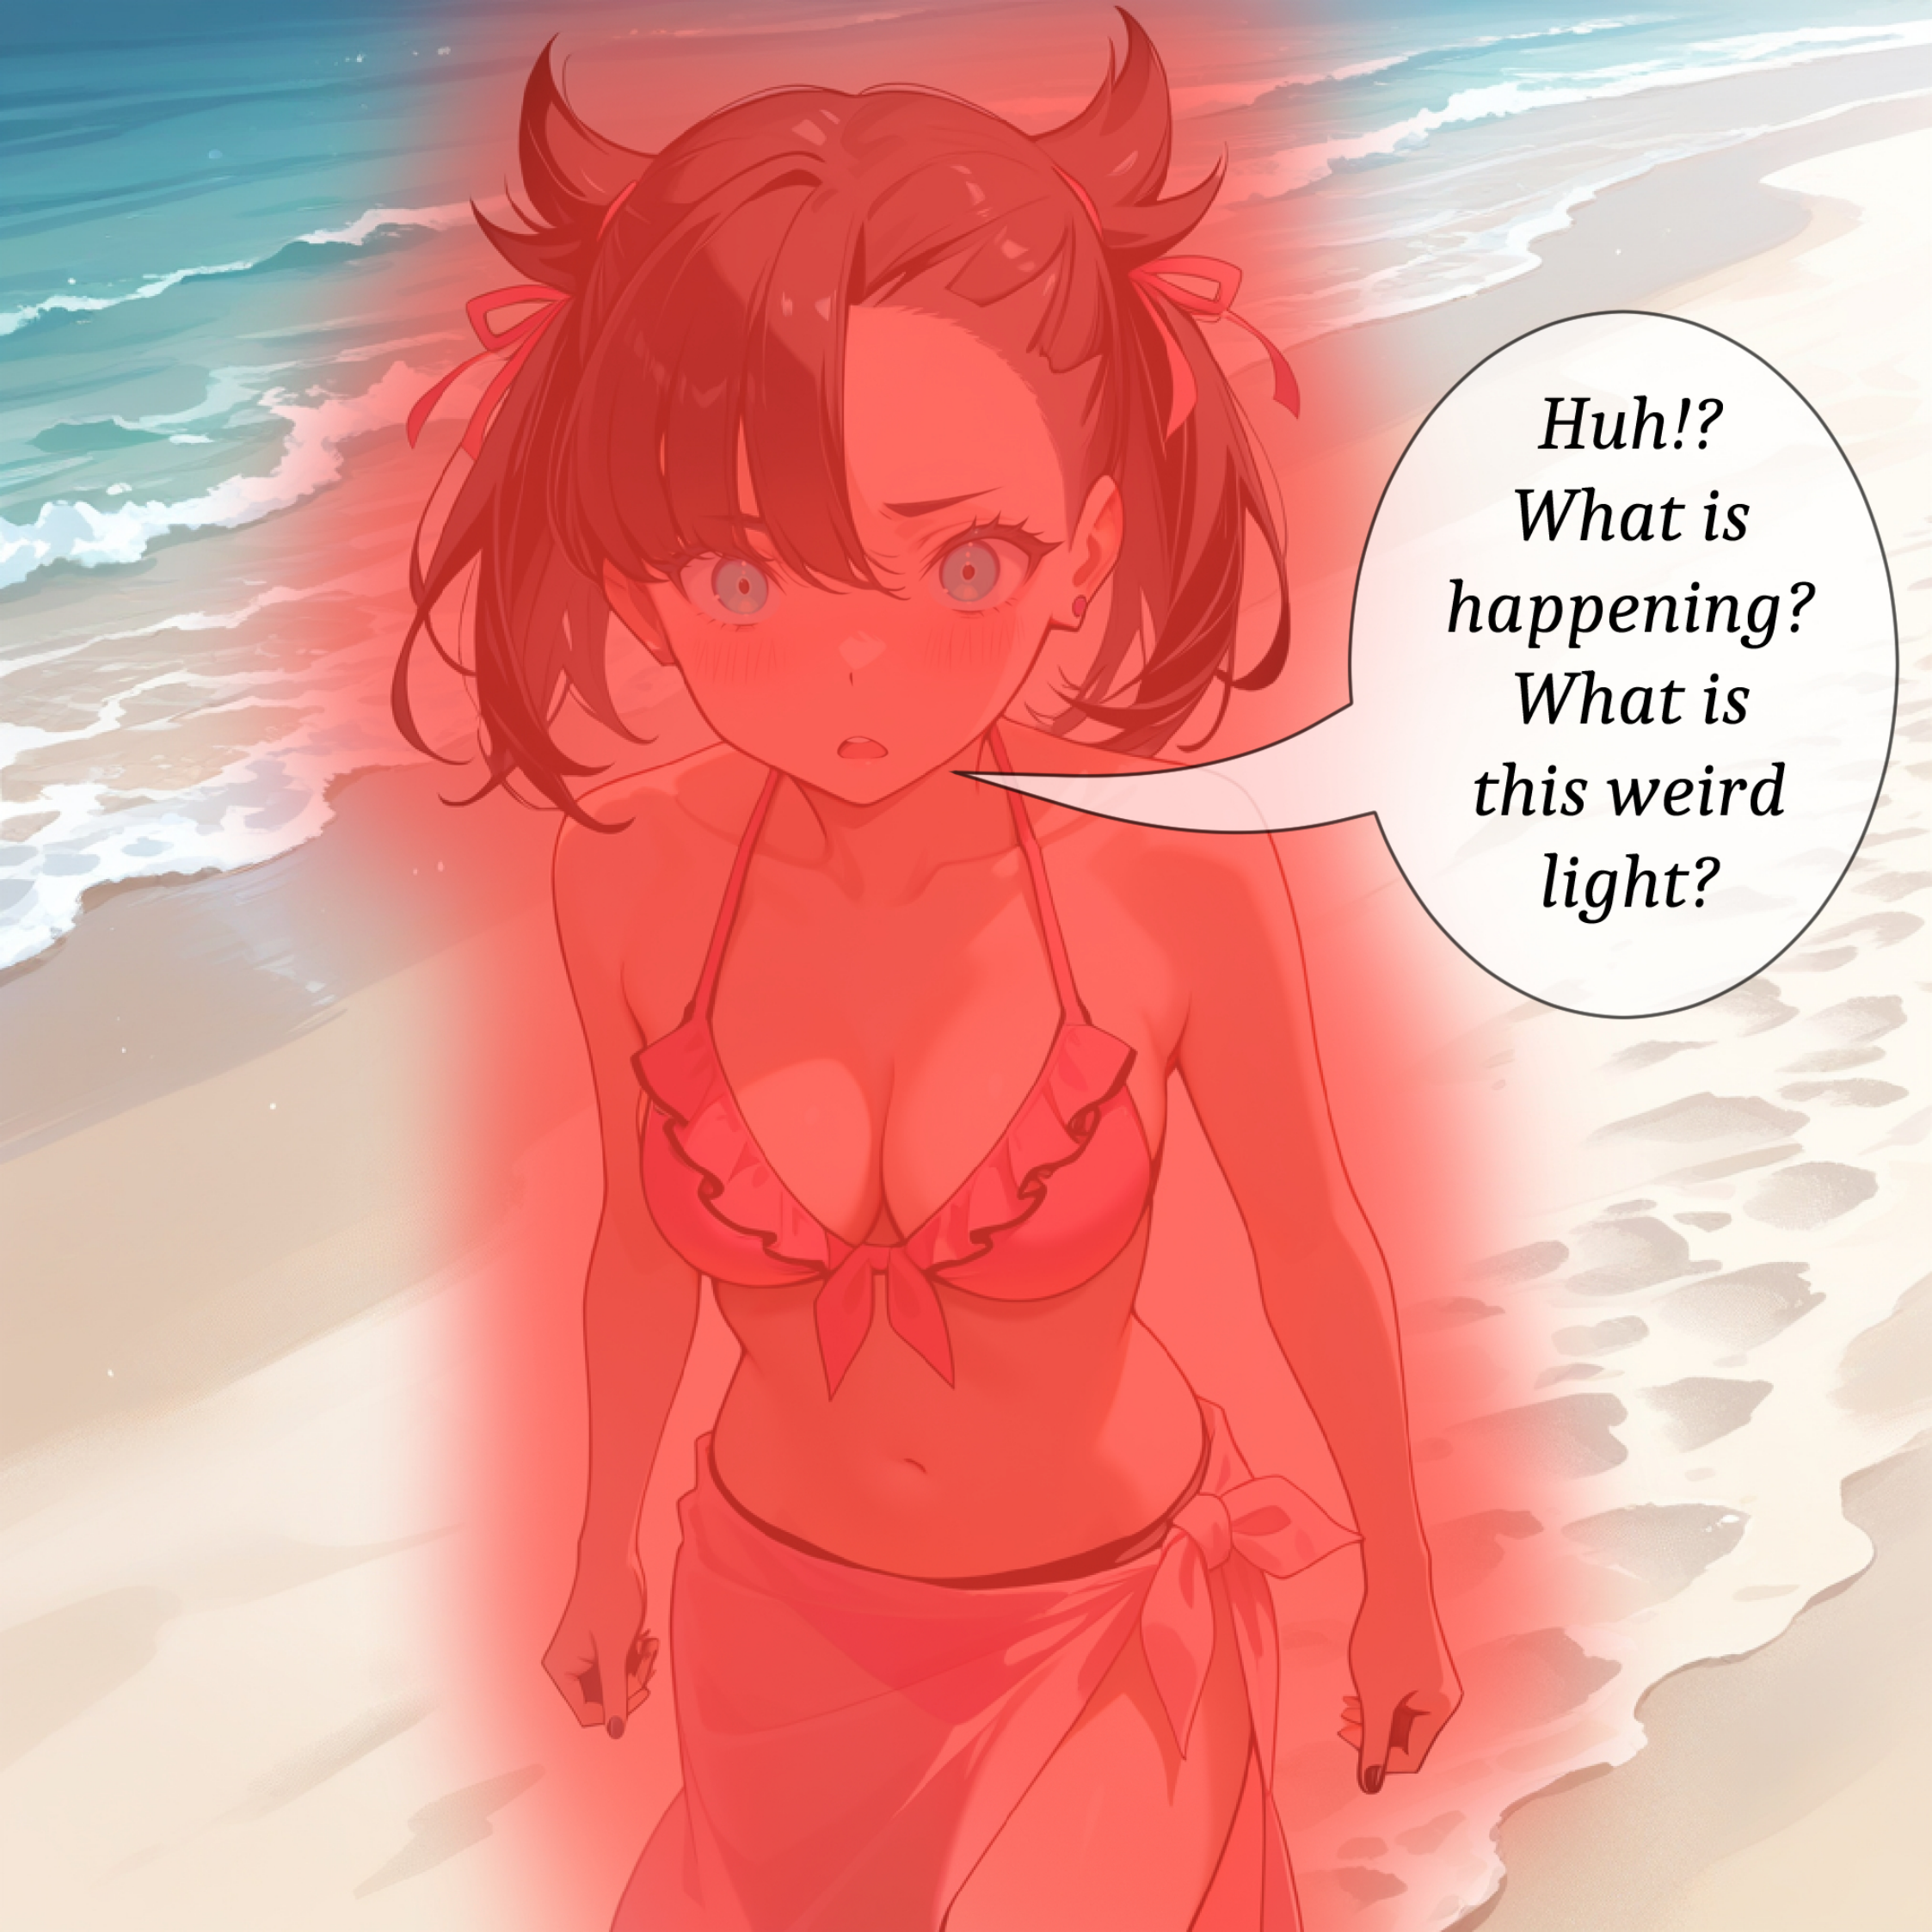

Phii!

Going to the beach was a bad idea... I'm not used to wearing stuff like this

The sun feels perfect today... Just the way it should

Phi...
Phii?

Phii!

Huh!?
What is
happening?
What is
this weird
light?

Mhmm....
My body
feels...
Lighter

Huh...
Why do I feel shorter all of a sudden

Whoa...
This is
definitely
not my
body

W–What?!
Why am I...
In someone
else's body?! And...
Why did it have
to be someone
this... Big

Oh god...
Everyone's going to have their eyes glued to me now!
This is exactly what I didn't want!
