Masks Of Mischief
Part 2

I hope Caelus didn't miss us too much while we were away

Meanwhile in the bathroom

What do you think about your new female body?

This isn't funny Sparkle! Change me back to my normal self right now!

Huh?
It sounds like
he is talking
to someone

Hello!
Caelus it's
me March
is everything
alright?

Oh no! Sparkle you have to change me back right now!

If the others see Kafka they will panic

You're right lets avoid that

I just got a better idea anyway

I know it's my own face and all

But I don't like that smirk

Don't worry so much! This form will be safer

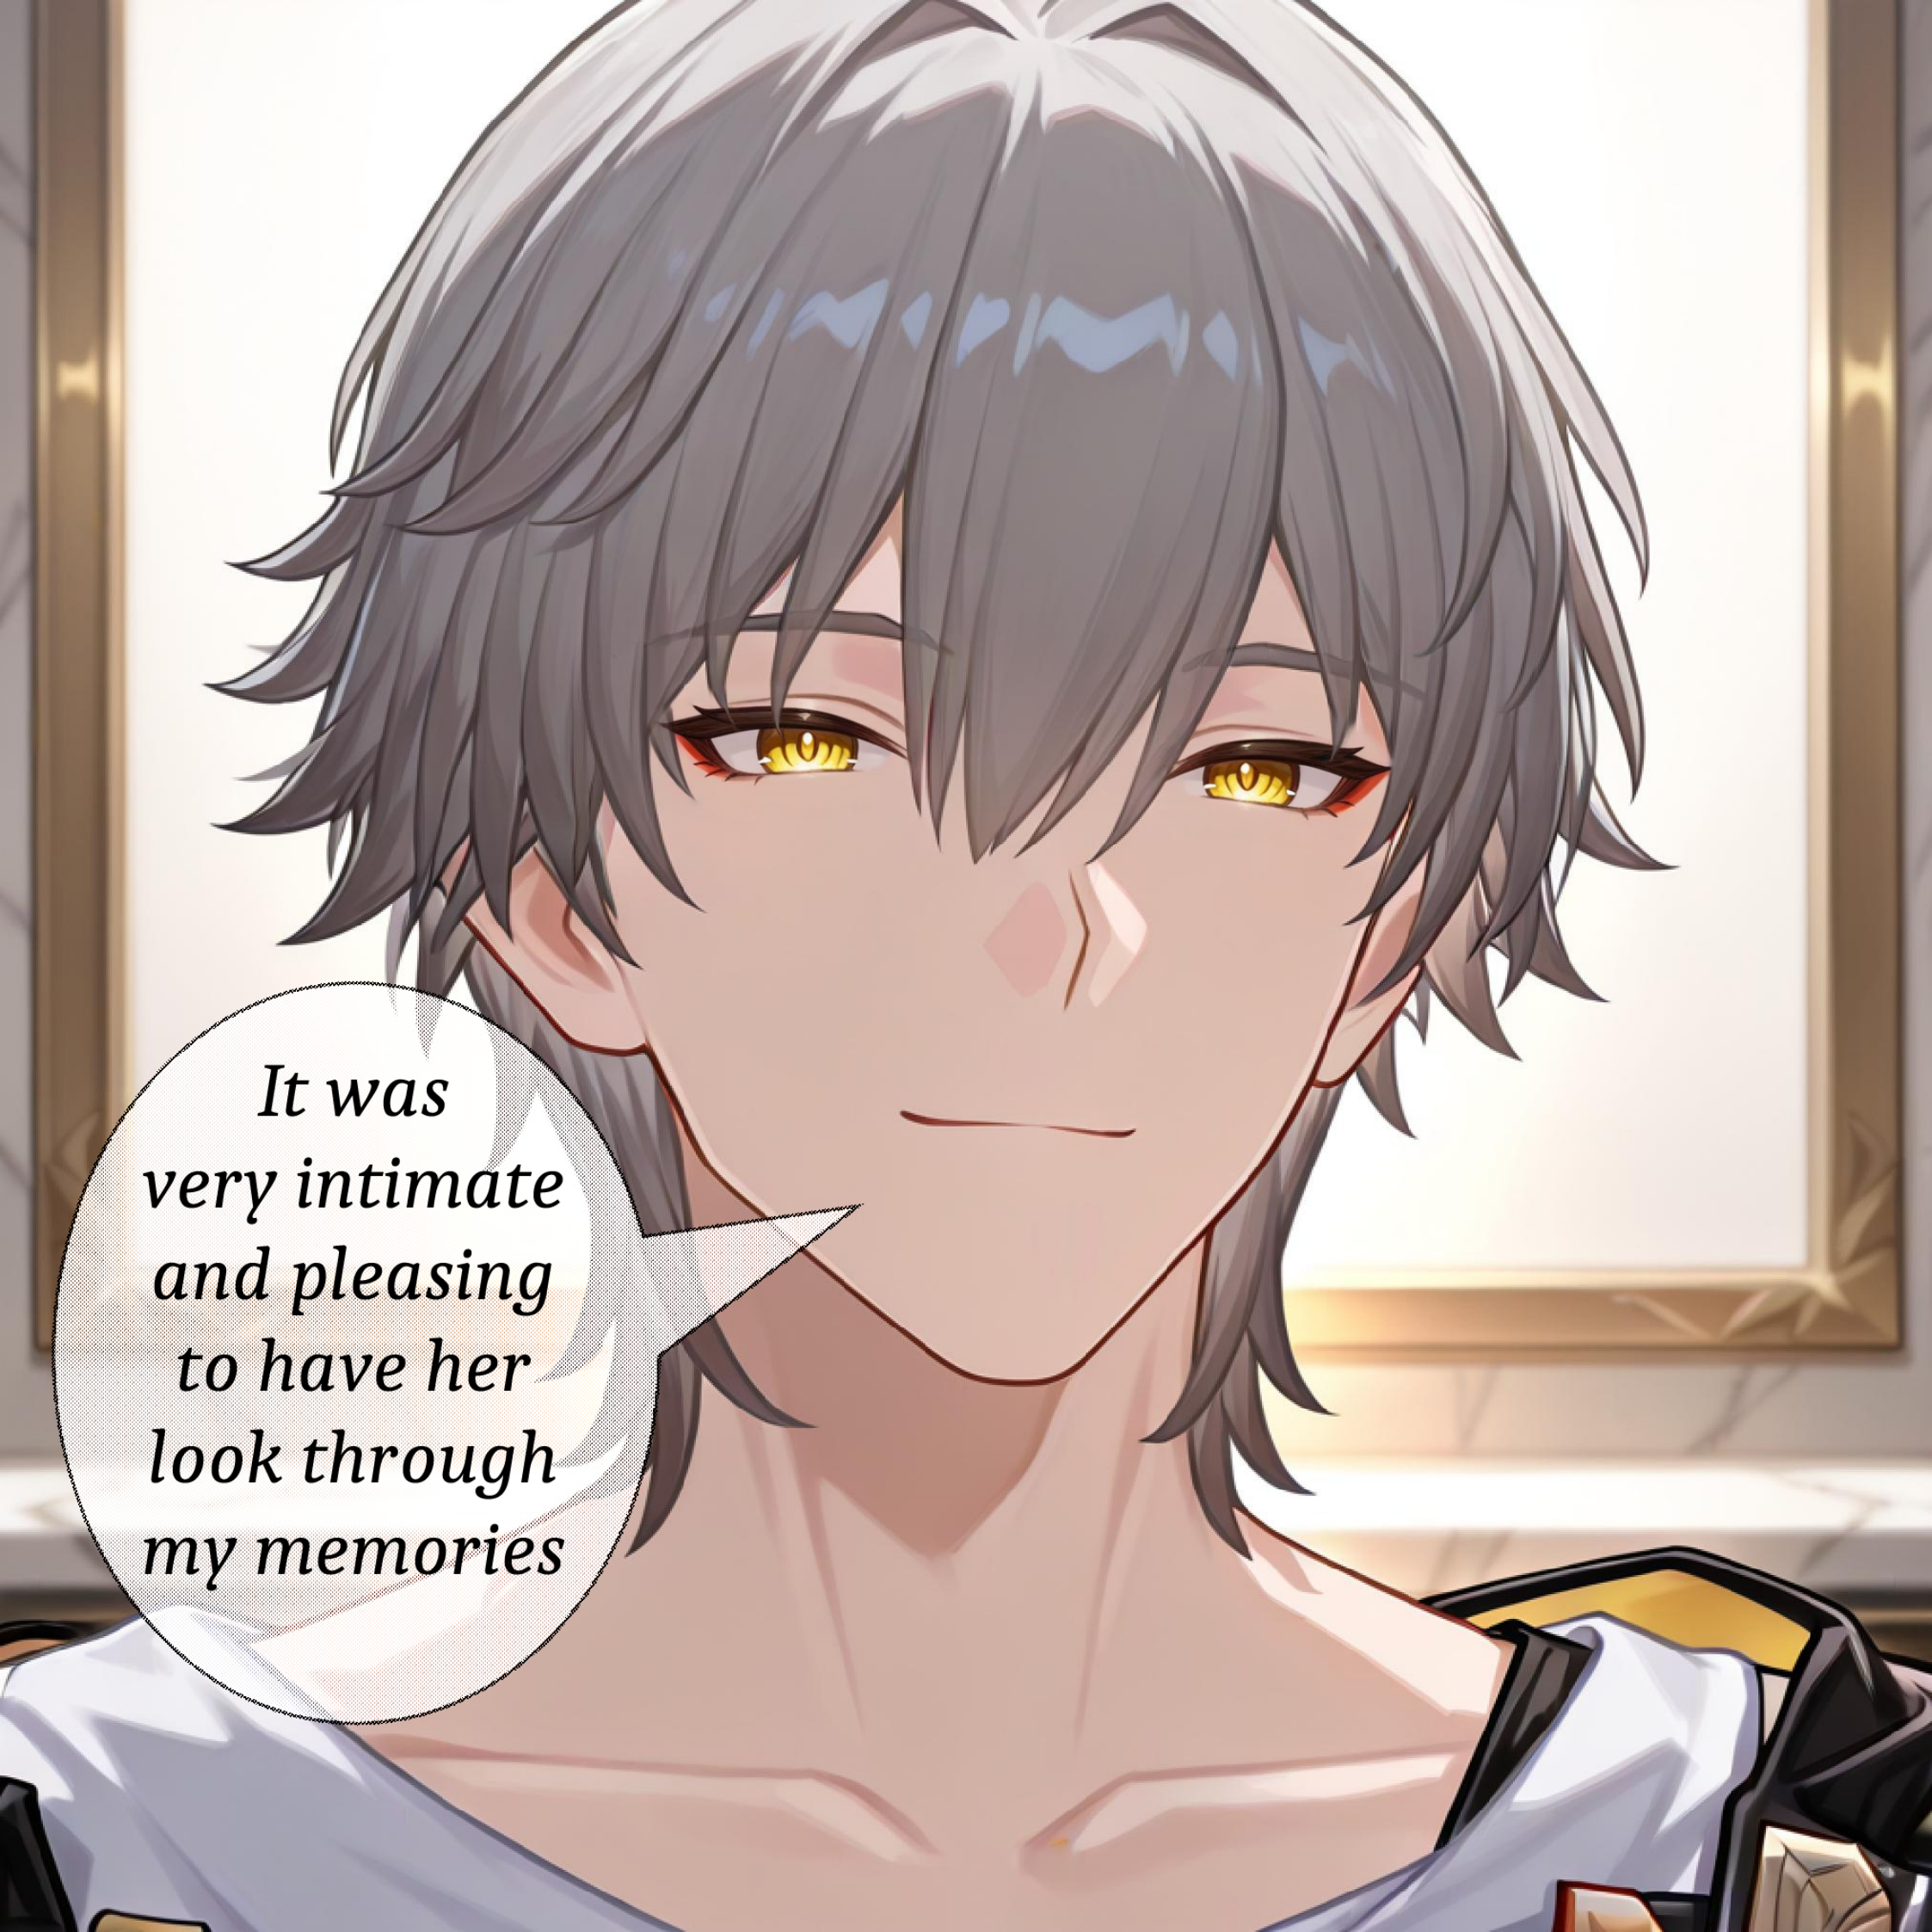

Aha!
Caught you
Caelus! I heard
you talking to
a woman
who is it?

Hi March!
I was just talking with this lovely lady

Hold on!
What are you two doing in the bathroom together?

Miss. Black Swan!

It's quite simple Miss. March Caelus here wanted me to try and look into his past

It was very intimate and pleasing to have her look through my memories

Uhhh! Seems like there is something romantic between you two I can't wait to tell Himeko about this

Wait March! It's not what you think

Ahhh!
Let go
Sparkle

Aww
you heard
your friend!
We make a
great couple
"Black Swan"

Meanwhile in a passenger cart

Himeko you won't believe what I just saw

I just caught Miss. Black Swan and Caelus in the bathroom together

Wait slow down a little bit March

You are sure you saw Black Swan

I'm sure! I totally saw them together

But how can that be?

Huh?
Is something
wrong
Himeko?

Black Swan told me that she had something... Or rather someone she needed to take care off

And that she wouldn't be back here for a while

Meanwhile in a bedroom

I'm done with playing your games Sparkle

Change me back now!

Surely you've had plenty of fun already

Okay...
I promise
to leave
after I've
had one last
bit of fun

But before we start we need to get you changed

Are you going to change me into someone else again

I can't wait to be turned into someone else all for your fun and pleasure

AHHHH!

What the hell is going on!

Why am I naked?

I did
tell you I
would show you
the pleasures
of womanhood
right

WAIT!
You don't mean what I think you mean right?

A few seconds later

Ahh~ Please try to be gentle

Sorry...
I can't hold back

AHHH!

I'm close to climaxing... I'm going to cum inside you

Please...

I'M CUMMING!

...Cum in me

Phew!
That was amazing

Having sex as a guy felt incredible

Ohh...
Maybe I did
go a bit
too hard...
But "she" seemed
to have enjoyed
it as well

Uhhh...
Tired...

I guess
I better take
my leave
while "she"
is asleep

I'll be sure to come back and play with you again another time~

Hehe~
I look
forward to
our next
encounter

Nnngh...
Ugh...
Mmm

Hmm...
Haaah

I just had the weirdest dream

Sparkle was me and she turned me into Kafka and Black Swan and then...

Nnngh...
At least it was only a dream and not real

My voice sounds odd... Probably a sore throat I guess

Ohh!
Morning
Black Swan...
What are
you doing
in here?

WAIT!
This is my
own reflection?
That means...

It really wasn't a dream... Everything actually happened! She left me like this
