I-LL
REMEMBER
THIS!

That was quite
therapeutic, wasn't
it Ryouma?

Miss!

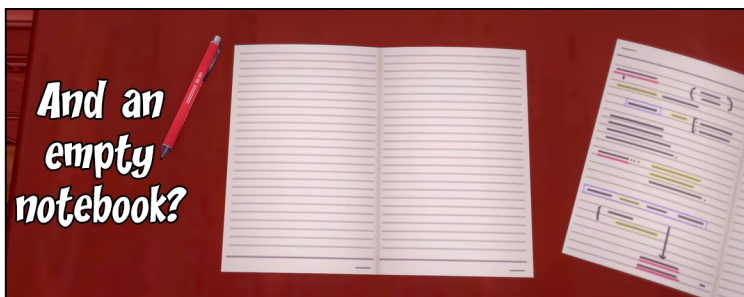

The previous day...

*After the punishment
Michiru brought me
to my new room.*

**This is your new room.
It may not be as grand
as your previous quarters,
but as a maid, what did
you expect. Hehehe...**

**I've given
you tomorrow
morning off while
I prepare a surprise
for you! I'm sure
you'll love it!**

Do they want
me to take notes?

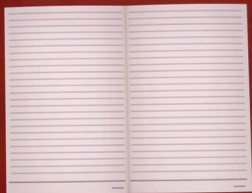

Like I'd
do that...

Wait...

Perhaps I should...?

But if they find it...

No... It's
important that
I do this. I'll be
sure to hide it.

THEY WANT BREAK ME.
MY NAME IS RYOU MA.

A character with long, light blue hair and red eyes, wearing a white short-sleeved shirt, a dark tie, and a dark vest, stands in a room with wood-paneled walls and a red carpet. She is speaking, and a speech bubble is positioned to her left.

*Miss Yuna, it seems
Ryouma-Chan is
fitting in quite
nicely*

*The other maids
took no time at all to
begin to humiliate him.
Ah-hem! Her.*

The same character is shown from the waist up, bowing slightly with her hands clasped in front of her. She has a serious expression. A speech bubble is positioned to her right.

*As per your instructions, I have
devised a plan to facilitate Ryouma's
transition into womanhood. Based on
yesterday's observations, it is evident
that she still has much to learn—not
just physically, but also mentally.
Additionally, it would be beneficial
for her to engage in yoga exercises
to enhance her development.*

*Furthermore, I've received
word that Grand Manor University,
renowned for training maids and
butlers, has accepted Ryouma. They
assure thorough training for her
physical and mental development.*

Thank you, Master.
Your trust in me fuels my
devotion. I will exceed all
expectations to prove
myself worthy of your
confidence.

Is that so? Then
ensure none of the
maids spoil my fruit. I
am to take the first
bite after all.

Fret not. It won't
be for long; I have the
perfect means to
safeguard my prize.
However, it will
take some time
to arrive.

Ryouma

Following a hostile takeover Ryouma was forced to undergo humiliating surgeries to turn him into the perfect maid. Now, she must toil for those she once humiliated. No longer does a cocky master remain... Only a cowardly maid.
