

Look  
stupid  
at all...

It fits  
perfectly...

The thin straps  
caress my shoulders,  
pulling the lace taut  
across my chest,

The cups rise  
to meet my **breasts**,  
pressing them  
firmly into place

With the sole  
purpose of making  
my breasts  
stand out...

It's soft, delicate,  
and wrong—I-It  
almost feels natural...  
Almost. But that only  
makes it worse.

**Y-Yuna**, she wanted  
to **humiliate** me, but  
more than that,  
she wanted to show  
that this body...  
my body... was made  
for one purpose...

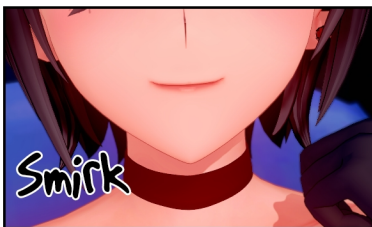

I cant  
deny it...

W-WHY  
ARE YOU...

W-WHAT  
DO YOU  
MEAN?

Why dont  
you get back  
to what you  
were doing~

Oh dont be  
shy we're both  
woman after  
all...

So, How does  
It feel to wear  
Lingerie? Do you  
feel Sexy?

Gulp!
