

Somefme later...

What more could I lose...

M-My Life?

Cocksucking WHORES! How dare mere SLUTS lecture me on bussiness etiquette

Huh?

Uncle?

Uncle?? Do I fucking look like your uncle? This bitch even her staff are...

Shiver

Shiver

Note: Not biologically related. Just a term of respect for someone his dad was close too

Ryouma is that you?

By the gods... There's barely an ounce of masculinity left in him.

Y-Yes, Master-Ah... Uncle.

Hmm. I thought that talk of "feminization" was just a way of saying they'd done away with him. But no he's alive. And the bloodline still runs strong in his veins. With him... I might just reclaim my standing in this estate!

Hah! They can dress you up, tweak your face, and squeeze you into a bodysuit but when the time comes, they won't have the balls to fight back.

Bodysuit?

They have good taste at least...

Indeed. It looks identical to the real thing.

Unc!?

Ahhhhh...!

Grope!

Wait... you're not wearing a bodysuit, are you? They actually gave you tits?

Sigh!

We can fix that later. As long as you have your cock and balls, you're okay.

I... I...  
Gulp...

You've gotta be fucking kidding me.

Show me.

Gulp...

Flat...

Cocksucking Slut...

Tch.

A castrated man...  
No balls, no cock. no power.  
worthless. A fucking disgrace.  
he's of no use to me as a  
neutered sissy.

Even if they gave me a womb... and did this to me... I'm still a man inside.

**A womb,  
you say?**

**THEY SAID I COULD  
GET PREGNANT!  
UNCLE I CANT! I DONT  
WANT TO BECOME  
A MOTHER I WANT  
TO BE A MAN  
AGAIN!**

*I couldn't give a damn what he-she wants. But if you can carry a child... you're more useful than I thought. This could work in my favor.*

*If I were to marry her. I'd become the head of the family. The board would fall in line without question. I'll use you to solidify my position, then toss you aside once you've outlived my use for you.*

**Stop whining, Ryouma, and listen. I can help you, but we'll need to convince the right people. Your... situation, it's something we can use to our advantage.**

**Uncle...**

Remember Ryouma,  
you'll need to play your  
part. When the time comes,  
you'll convince those I  
send your way. Right?

I... I'll do  
anything!

Indeed,  
you will.

To think that waste of  
space turned out to be the  
sluttiest woman I've ever seen...  
Hmm.. I'll thoroughly enjoy you  
soon.

**Even misguided,  
hope is still hope.**

**later...**

All my chores  
are done for today...  
No one's going to bother  
me until morning. I can  
finally take a breath.

**Psst!  
Master  
Ryouma?**

Is that...  
Shintani?

You're looking good, Ryouma.

W-Why are you here Shintani?

I've acquired some information your uncle wanted.

Uh...? Why are you telling me? Shouldn't you give it to him? I don't hold any power here anymore.

Huh?

Shintani

For payment.

Grope!

Grope!

**SHI-AHK!**

**GULP!**

Quiet now, Ryouma...  
Or is it, Ryu-chan now?  
Well, we can stop, but if  
we do, I won't give the  
information to your  
uncle.

**S-STOP!  
PLEASE!**
