

We're not in our twenties anymore but I'm sure not gonna sit, lay around sleeping all day. Who is that young man over there?

You're married I see. I've always been into older woman. There's something fascinating about an older womans body. The curves, stretch marks and experiences of her body makes me so horny. It's too bad you came with your husband.

Was wondering why you chose to pay me attention versus giving all the attention to that "look a like" super model over there. I'm flattered. Been married longer than you've been alive but haven't felt this way before...

Ill... Get
a room!

What a loser. He likes cougars...

I mean, like...
What the
fuck!?

That must be your husband. Oh, I'm telling!

Look at your husband while I fuck your sweet ass!! Beg for him! Call his name!

I'm sorry Richard! I couldn't resist his charm! His hard throbbing cock is so far up my pussy. I'm cumming sweet heart!!! Ohhh... gosh I'm cumming!!!!

WAKE UP, sir! Isn't that your cheating and nasty slut wife over there fucking that young dude!?

MARY!!!

POW
POW
POW

It hurts me to see you hurt. That young man made me feel beautiful. He paid more attention to me on that beach than the girls his age. He was attractive and once I saw his cock I wanted to swallow it... When he put his long thick throbbing cock inside me I felt young again. The pleasure made me forget about everything. There was nothing I wanted more than him to explode inside my cunt... How can you not understand what I'm saying?

A man with a hairy chest and belly is standing in a shower stall, looking towards a woman. The woman is standing in a towel, covering her face with her hands. A speech bubble is positioned between them, containing text.

Nice to know you'll throw
erverything away for a few
compliments from someone who
wants nothing more than to throw
you away after he cums. I think
it's best you sleep in a hotel
tonight. You can think long and
hard about your behaviour. We'll
see if this boy was worth the
many years we've shared.

Hmm... hotel lobby is pretty much empty?

Who is this mature but sexy ass woman?

Not here for drinks. I'm just thinking. Maybe I should head to my room.

You look sad. Can I provide you with a free drink?

What's wrong?
No one is here so you can talk to me.

I fucked a stranger at a beach my husband and I go to every year. The stranger made me feel young again. I hurt my husband but I'm trying to figure out, why am I thinking about the strangers cock more than my husbands feelings. I have to admit. I've never been fucked so good in my life. The pleasure he gave me is unforgettable. But, what am I to do... about the way my husband feels? Oh look at me... talking to you like you can help me or something. I'm sorry... Excuse me.

A woman with long brown hair, wearing a light grey sweater and blue jeans, is sitting on a black bar stool at a bar. She is looking towards a bartender. The bartender is a Black man with short black hair, wearing a white shirt and a black vest. He is standing behind the bar, which is filled with various bottles of alcohol. The background shows shelves with more bottles and a warm, dimly lit atmosphere.

Oh god...
Why am I
Soaking wet from
this mans story?

Oh, I understand
completely!

You do? What's
your story?

Well, you know what they say about men who look like me? You know, how we're always carrying around or delivering big packages? For me it's true. I fucked a married woman before and I was an instant BBC bull lover for her and her husband. I fucked the shit out of that woman 4 times a week in her marital bed while her husband listened to us in the guest room. She always had multiple orgasms and she was always loud as the bed rocked back and forth. We almost broke it one time when she was riding me. I don't know how her husband listened to us but I guess he was a cuck. Your husband should become one. You'll be ok. Just give him some time. I'll walk you to your room. A sexy older woman like you shouldn't be alone.

If you're done with work, I'd like you to come inside. I don't really want to be alone at the moment.

Damn, baby got back!

A man with light brown hair and a hairy chest is standing in a bedroom, looking at his smartphone. He is wearing black and white patterned briefs. He has a frustrated or impatient expression. A thought bubble above him contains text. The room features a bed with a striped blanket and a patterned blanket, two bedside tables with lamps, and a wooden headboard.

Not like her to not pick up
the phone. What could
she be doing at this hour?
Maybe she's asleep. I'll call
one more time.

A man with light brown hair and a serious expression is standing in a bedroom. He is shirtless and wearing black briefs with a white waistband. He is holding a smartphone in his right hand and looking at it. The room features a bed with blue and white striped bedding, a brown patterned blanket, and a wooden headboard. Two bedside tables with lamps are visible on either side of the bed. A thought bubble is superimposed over the scene, containing text.

Ok, guess I should go to bed. Don't want to jump into any conclusions...

There is a wooden headboard, a wooden nightstand with a lamp, and a wooden dresser with a TV on top. A thought bubble is positioned to the right of the man.

Maybe I should call my wife. I shouldn't have made her go to a hotel. She's most likely alone. But the way she told that story before she left pissed me the hell off. However, her staying in a hotel will never fix our issues so I'm going to call.

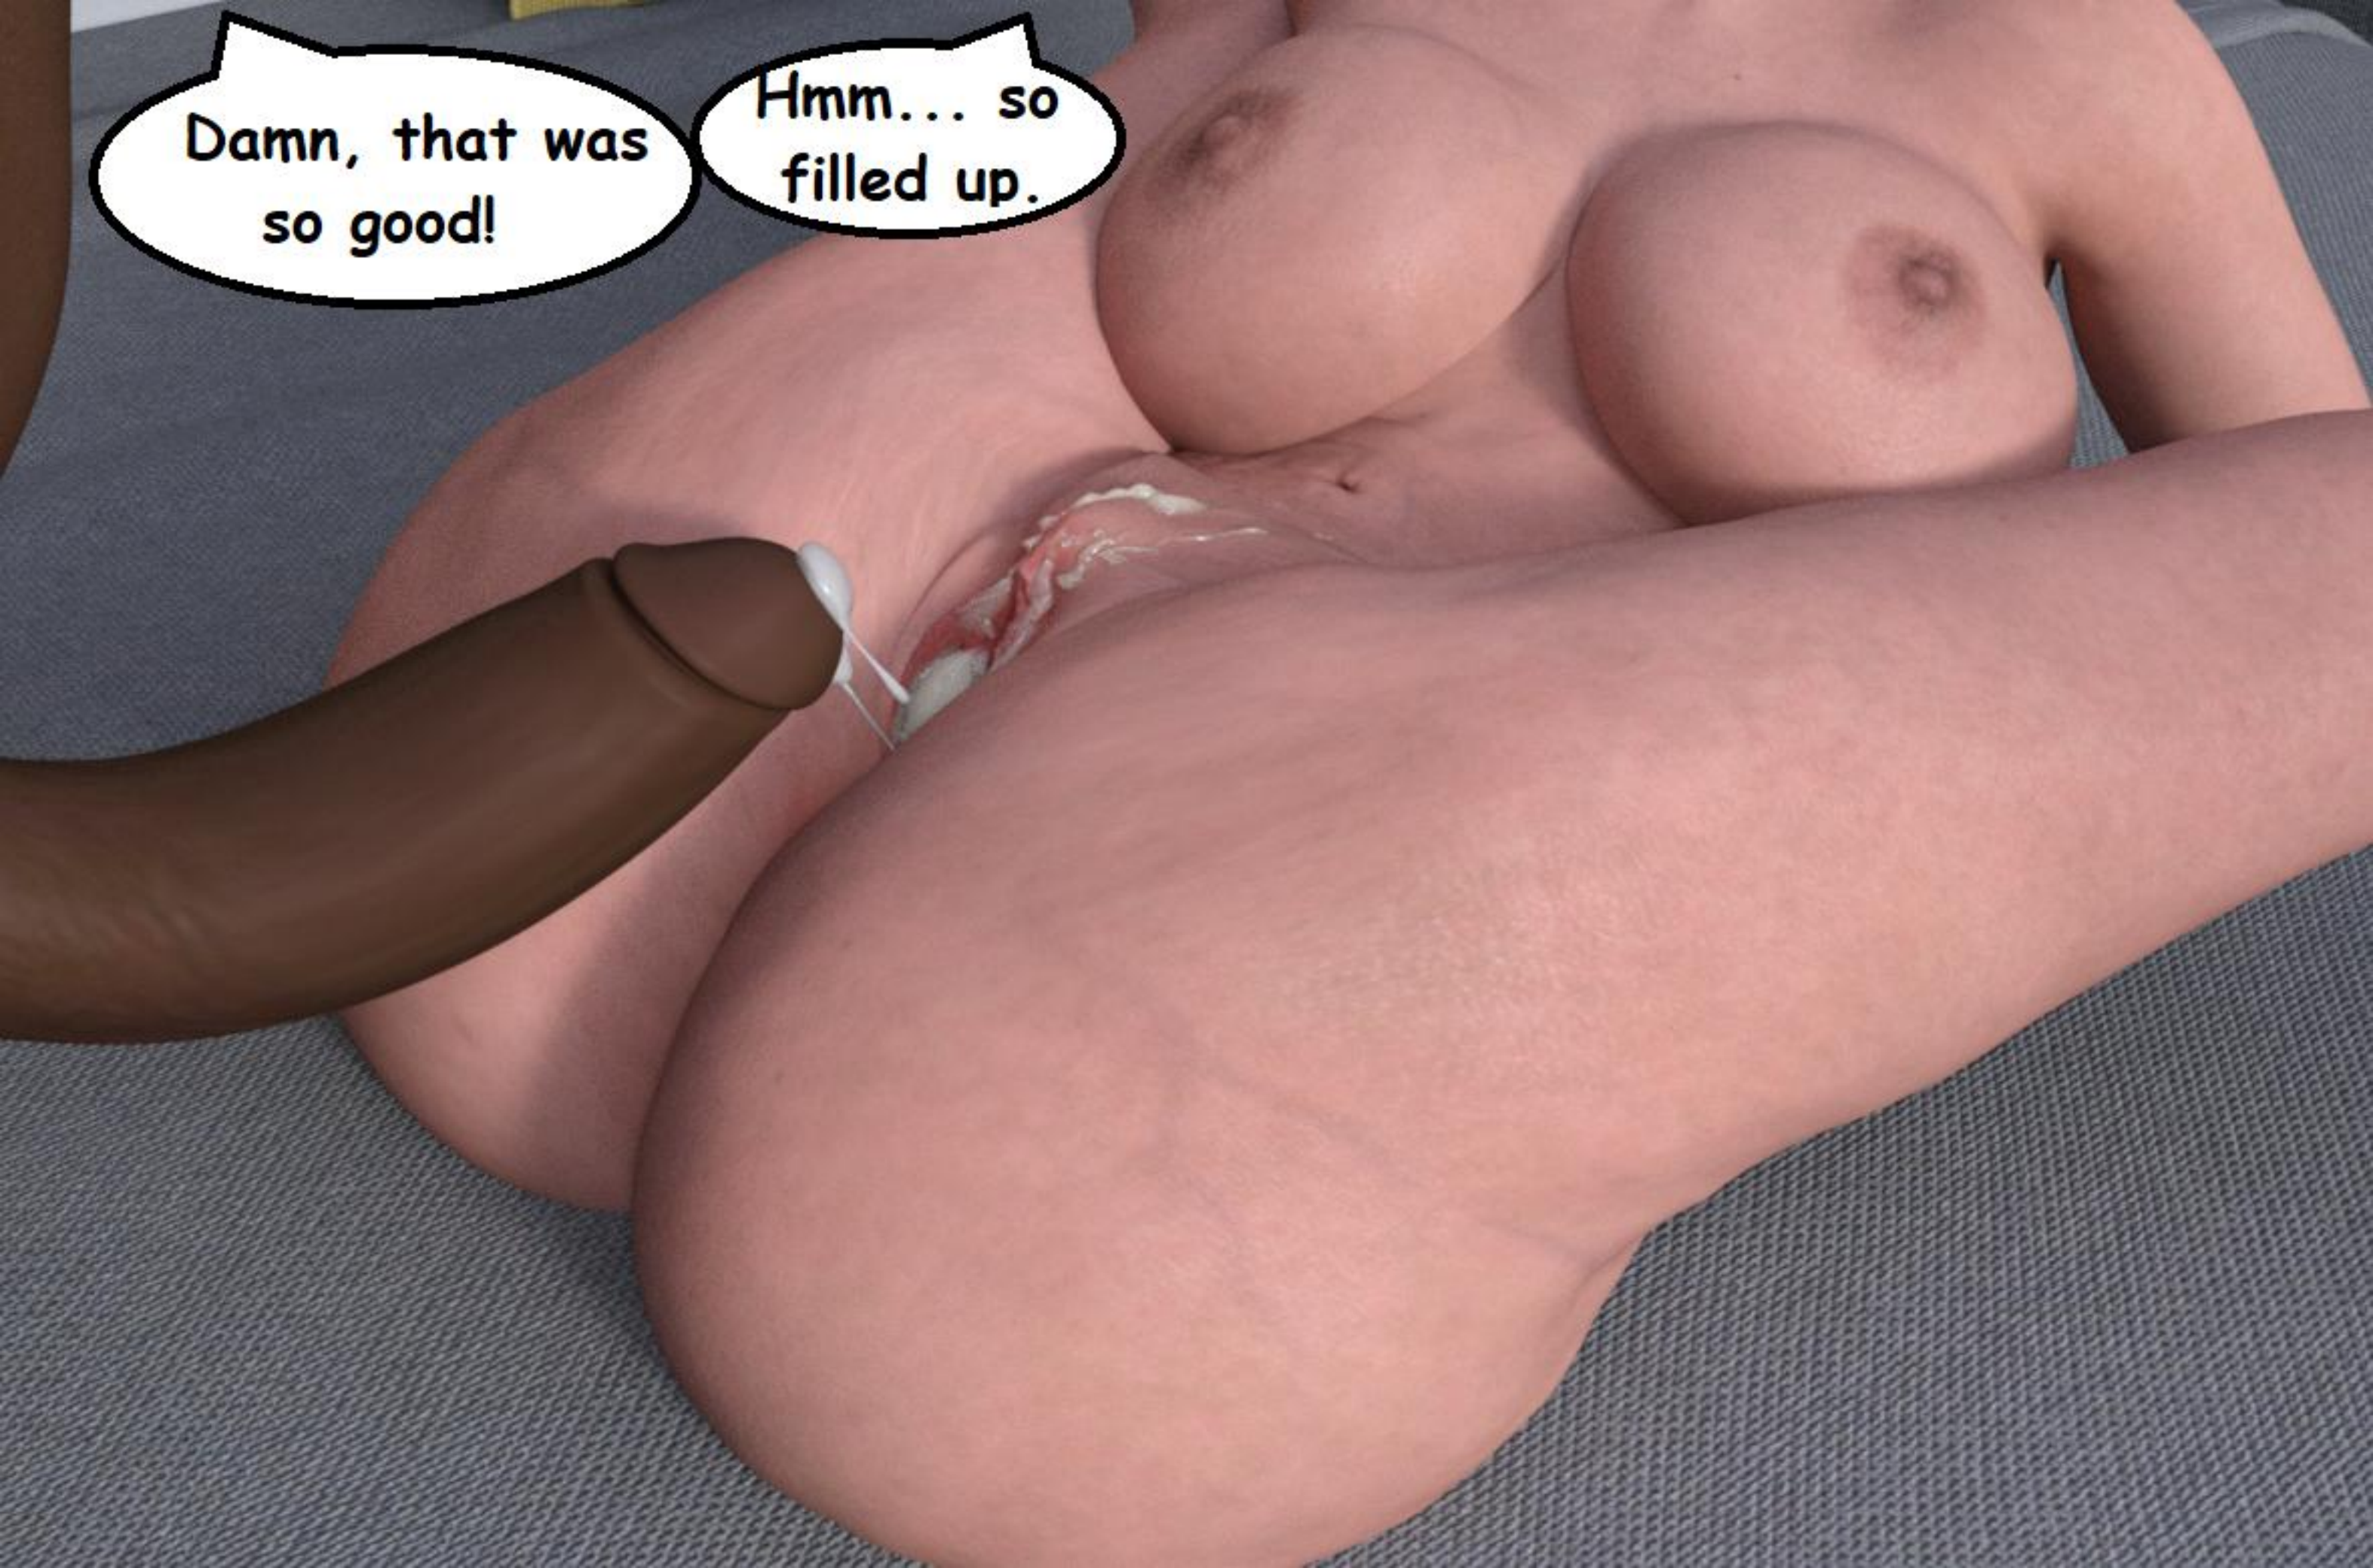

Fuck
me! Fuck me
harder!! HARDER!!
OH YESSS!!

Deep in your
pussy!

A 3D rendered scene showing a person's torso and arms. A large, dark brown penis is shown inserted into the person's vagina. A speech bubble is positioned above the penis, containing the text "Damn, that was so good!". The person's skin is a light, realistic tone. The background is a simple, light-colored surface.

Damn, that was so good!

Hmm... so filled up.

OH FUCK!!! I'M
SQUIRTING!!! I'VE
NEVER SQUIRTED!!!

You were amazing. I'll call my husband now. Good-night!

Goodnight!

A 3D rendered scene featuring a man and a woman on a balcony. The man, on the left, has light-colored hair and is wearing a dark suit, white shirt, and a blue and white striped tie. He has a serious expression and his right hand is placed on the woman's shoulder. The woman, on the right, has dark, wavy hair and is wearing a bright red, metallic-looking bra with blue trim and blue denim jeans. She is looking upwards and to the left with a slightly concerned or surprised expression. A large, white speech bubble with a black outline is positioned to the right of the woman, containing the text: "YOU'VE NEVER BEEN INTO BLACK GUYS SO I HAVE NOTHING TO WORRY ABOUT." The background consists of brown horizontal siding and a window with white shutters. A black metal railing is visible in the foreground.

YOU'VE NEVER
BEEN INTO
