Hi.

M3DC
Subscribestar.adult/mature3dcomics

My name is Devin.

M3DC
Subscribestar.adult/mature3dcomics

Welcome to my thoughts. Glad you're here... been feeling lonely lately. I have no one else I can trust or talk to about what's happening in my home with my mother and I. Now that you're here I want to share. Tired of holding in all these secrets...

M3DC
Subscribestar.adult/mature3dcomics

My mom's name is Roxanne. Apparently... her nickname is "spice." I will tell you all about that later. And by the way, I'm uncomfortable disclosing my age. Let's leave it to your imagination. Here's my truth... hope you're ready.

M3DC
Subscribestar.adult/mature3dcomics

2 years ago My mom divorced my dad.
The divorce was very nasty.
How could two people who were once in love become enemies? I mean really guys... they hate each other. Anyway... back to what I was saying.

M3DC
Subscribestar.adult/mature3dcomics

My mother won full custody of me in court. My father ran off and started a new family. I don't see him often if not at all actually.

M3DC
Subscribestar.adult/mature3dcomics

The divorce was a mental and emotional struggle for my mother. I gave her a lot of space to let my mom grieve without me getting in the way. But staying out of the way is where I screwed up.

M3DC
Subscribestar.adult/mature3dcomics

My mom forgets I'm home. Especially around midnight because she thinks I'm in a deep sleep. She brings men home and bangs them. I believe that's where she gets the name "Spice" from. I overhear the men she brings home throw that name around a lot while they are having "fun" in bed.

M3DC
Subscribestar.adult/mature3dcomics

She doesn't know that I can hear her and her company. All the screams, moans, bed creaking, headboard hitting the wall or the men making these painful sounds right at the end of their fun is enough to drive anyone insane!

M3DC
Subscribestar.adult/mature3dcomics

Unfortunately... her encounters have a negative effect on me. If I'm being honest, it turns me on actually. And that's a negative effect right? I get a massive boner every single time I hear her having sex. When I hear her come home I become immediately erect! I've had naughty thoughts about my own mom because of this. How could she do this to me with no care? Is my mother a slut?

M3DC
Subscribestar.adult/mature3dcomics

I know it's not normal to think of your mother in sexual ways but can you blame me? Don't judge me... I just don't know what to do. But finally talking about it helps I guess. There's one last thing I would like to share. There was a particular night where my mom brought two guys home. That night was a night I will never forget. It was the first time I saw her in action for the first time ever!

M3DC
Subscribestar.adult/mature3dcomics

It all started with me in bed at midnight as usual...

M3DC
Subscribestar.adult/mature3dcomics

M3DC
Subscribestar.adult/mature3dcomics

HE'S SLEEP.
MY ROOM IS STRAIGHT AHEAD.
Spoke too soon.
M3DC
Subscribestar.adult/mature3dcomics

It's happening again.
I can't help myself.

M3DC
Subscribestar.adult/mature3dcomics

I'm so turned on that I'm literally about to cum hands free right now!

It was in this moment I knew my mom was not normal. Her sex drive was off the rails! She completely forgot her son was across the hallway! I lost count how many men she's been able to bring home each week and month. But her disrespect towards me, neglect and her slutty desires provided the most incredible boners I've ever experienced! On this night, I discoverd cumming hands free was possible!

M3DC
Subscribestar.adult/mature3dcomics

Hmmm!!!
M3DC
Subscribestar.adult/mature3dcomics

I've never cum hands free before. I need to get back to my room before someone see me!

M3DC
Subscribestar.adult/mature3dcomics

I see why they call you Spice. That was hot. But I have a question. If you haven't been with other guys how did you get that nickname that's circulating around town?
Perfect.
M3DC
Subscribestar.adult/mature3dcomics

You two should leave.
What's the rush? My buddy asked a good question. Care to answer?
I said leave... now.
M3DC
Subscribestar.adult/mature3dcomics

M3DC
Subscribestar.adult/mature3dcomics

Devin!
Time for breakfast!
M3DC
Subscribestar.adult/mature3dcomics
THE NEXT MORNING...

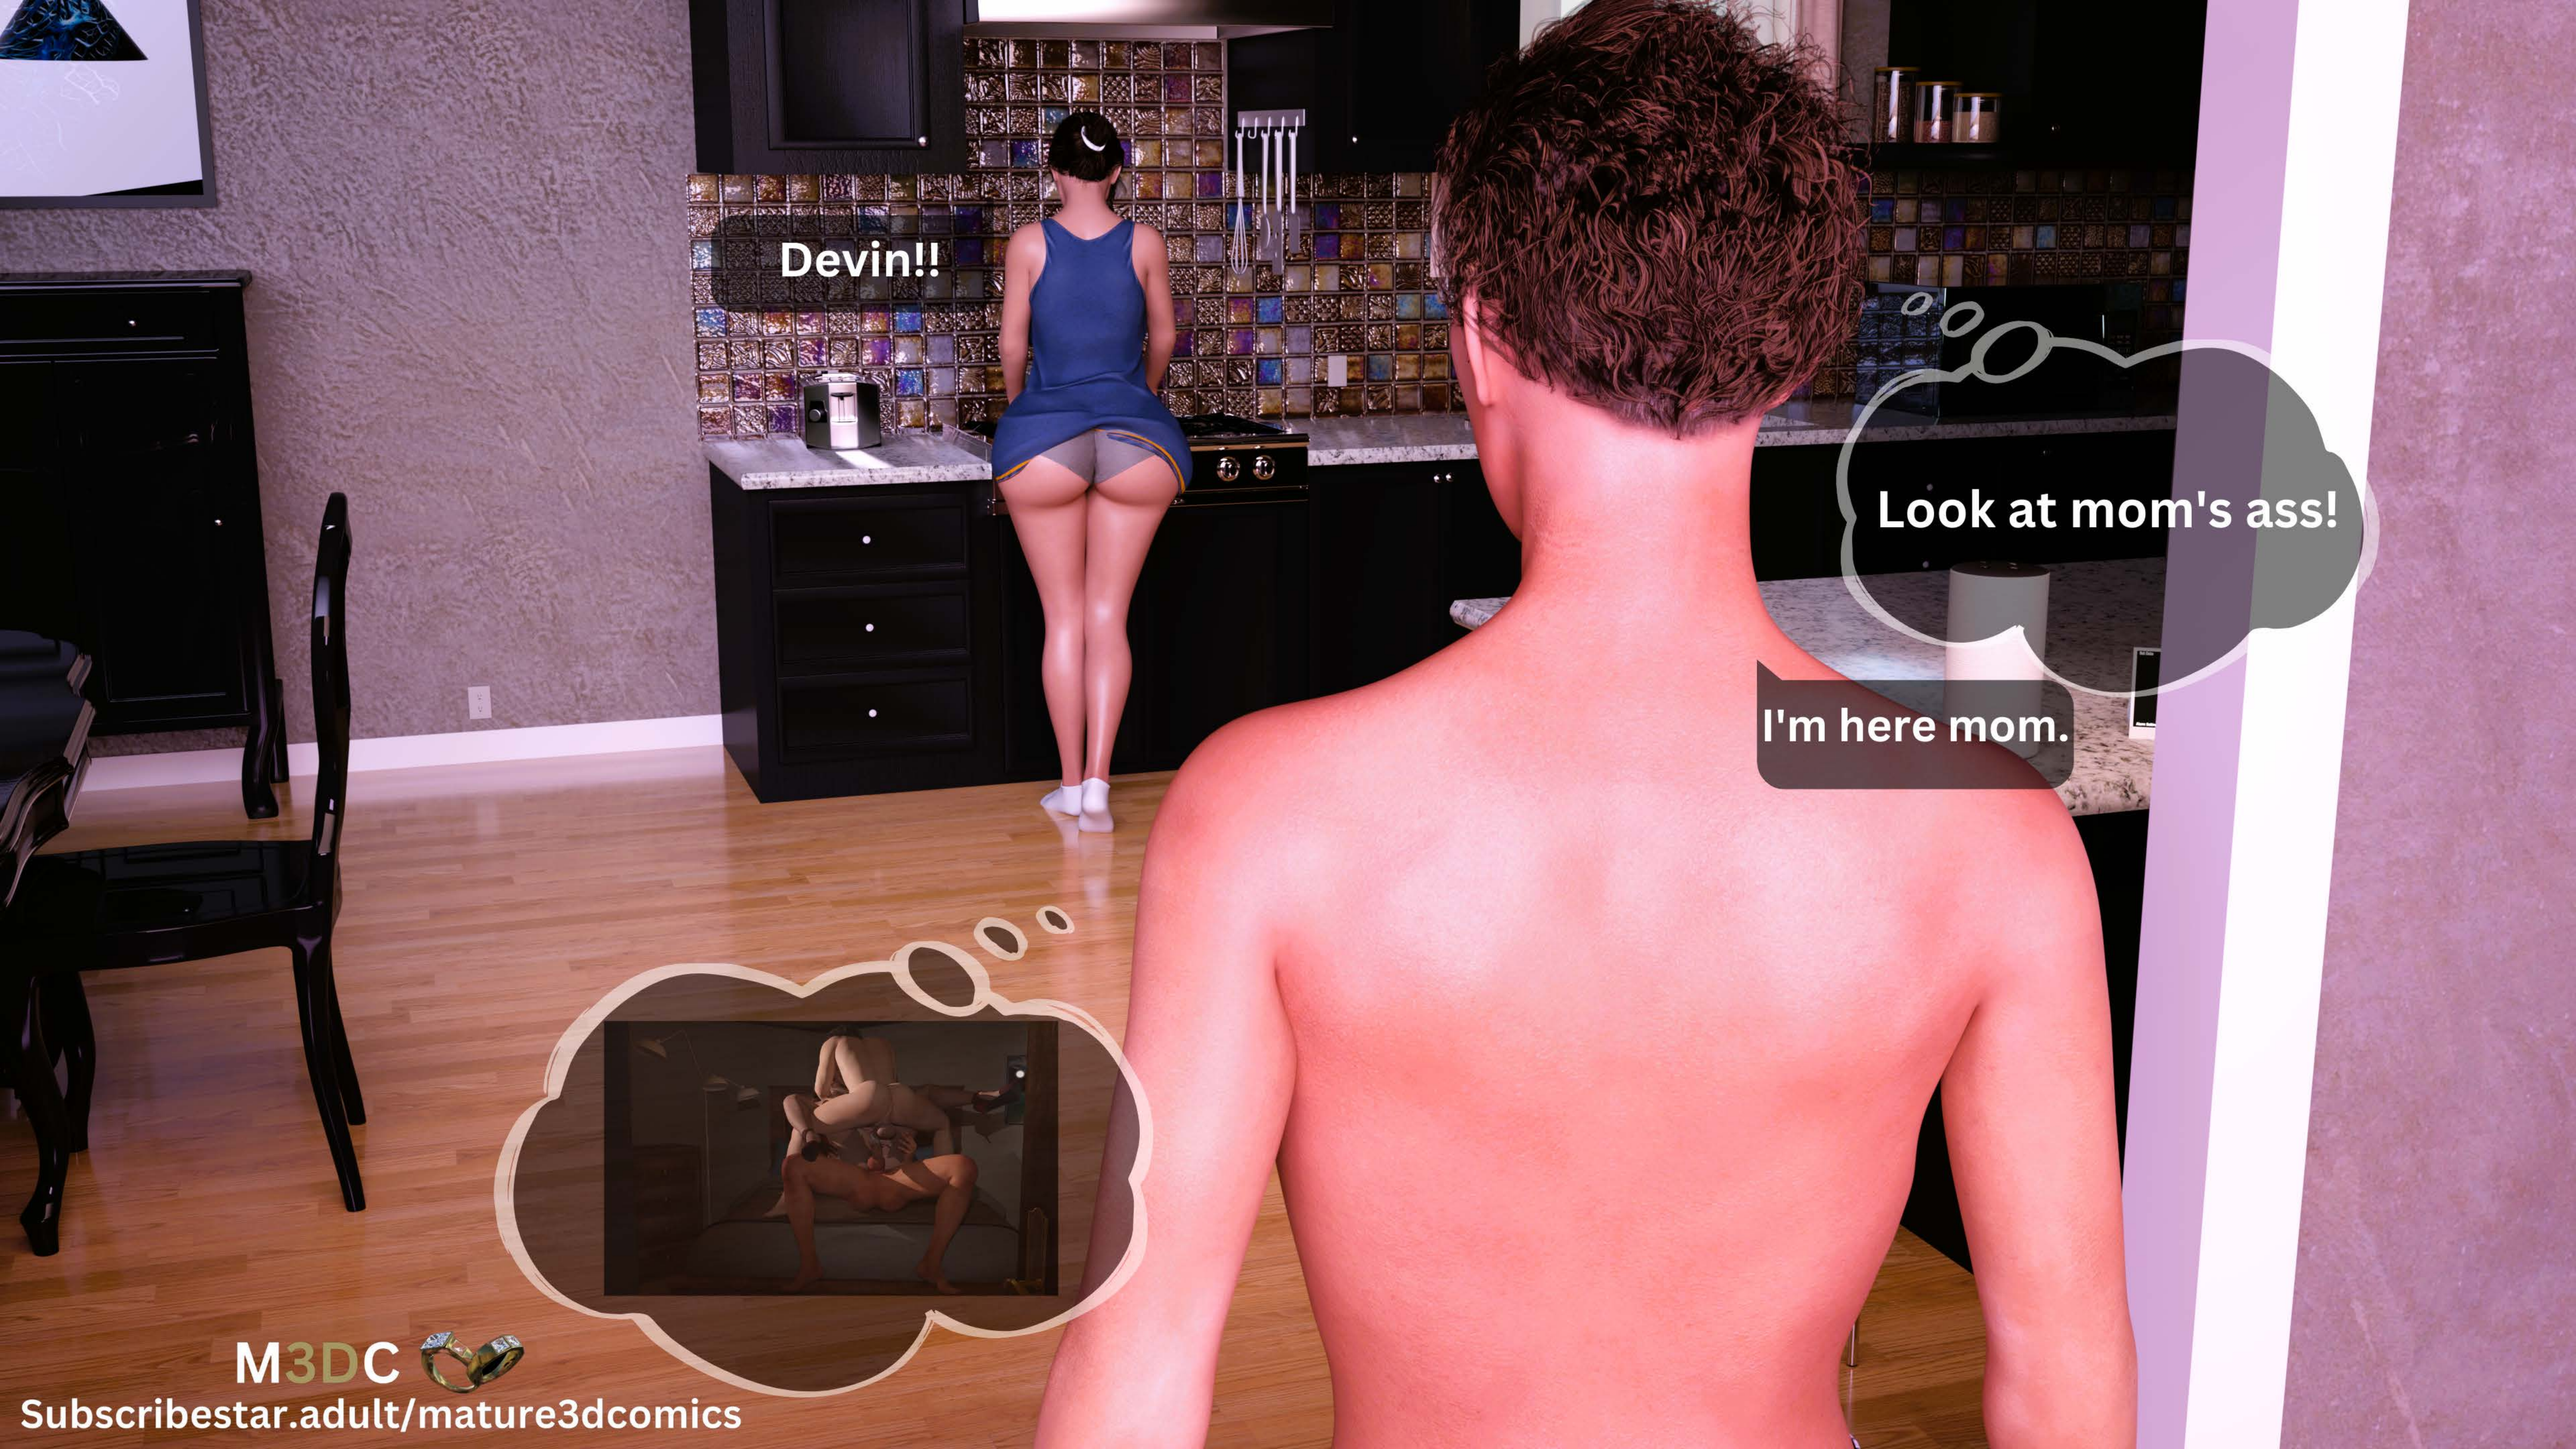
Every morning, afternoon and evening my mother would be a great mom. And she would act as if nothing ever happened the night before. She would do all the right things. She would fix me breakfast, lunch and dinner. We would spend a little time together especially on summer breaks when I was out of school. But she would leave the house when I go to bed at 10pm. She would come back between 12am and 2am at midnight with men.

M3DC
Subscribestar.adult/mature3dcomics

She would always come back with one guy. But that night I told you guys about she came back with two guys. Something changed in both of us I noticed after that night. I remember waking up to her smell good breakfast as usual but this time she had less clothes on. I loved it and would fantasize about her being naked or having sex more and more after that night she banged those two guys.

M3DC
Subscribestar.adult/mature3dcomics

Devin!
Come eat!
Mom's calling me.
M3DC
Subscribestar.adult/mature3dcomics



Devin!!
Look at mom's ass!
I'm here mom.
M3DC
Subscribestar.adult/mature3dcomics

Good morning honey.
Are you hungry?
I am.
Thanks for cooking
breakfast.
M3DC
Subscribestar.adult/mature3dcomics

How did you sleep last night?
M3DC
Subscribestar.adult/mature3dcomics

When she asked me how I slept I couldn't help but get a massive boner! All I kept thinking about was what I heard and witnessed. To see my own mother so slutty was intoxicating for me. Like an addiction. Did you guys see her ass? And did you see her tits and how her nipple was so close to poking out her shirt? It was all too much for me. I wanted to tell her everything I've been hearing. And... I wanted to fuck her! There! I said it. I wanted to fuck my own mother!

M3DC

Are you okay Devin?

M3DC
Subscribestar.adult/mature3dcomics

THERE'S NO EXCUSE FOR MY BEHAVIOR DEVIN BUT EVERY SINCE YOUR FATHER AND I DIVORCED I HAVE NOT BEEN THE SAME. EVERY GUY THAT SHOWS INTEREST IN ME MAKES ME FEEL DESIRED AND HELPS ME FORGET ABOUT YOUR FATHER MOVING ON WITH HIS LIFE.
