MC Pickup Lines

A nightclub is a place where men and women try to have fun and find one another. A suitable pickup line can help break the ice when meeting somebody new... but if you come over too cheesy it might have the opposite effect. Though if your only aim is to establish eye contact with your prey really any line should do 😊.

Featuring

Mikael...

a guy looking for a fling or two

Tiffany...

a random girl at the nightclub

Lucy...

a female barkeeper at the nightclub

Tessa ...

a girl at the nightclub

Somewhere in a nightclub, a cute girl is sitting at the bar counter thinking about what drink to order.

Hm... what should I get.

Hm... whom should I get...

Well, I guess that chick looks cute.

Er...

Hi! Is this seat taken?

And yet another lame pickup line...

Did it hurt when you fell? Heaven must be missing an angel.

Woah,
what's with
your eyes,
dude?

Did ya
google it
yourself?...

chuckle
Are there
really any girls
impressed by
that pickup
line?

Mesmerizing,
aren't they?
Can't look
away, can
you?

Yes...
mesmerizing.

Can't...
look... away.

In fact, you
don't want to
look away.

You find
me really
attractive.

May I
buy you a
drink?

I... yes,
you may.

But seriously.
You need to
work on your
pickup lines.
giggle

A screenshot from a video game showing a bar scene. A female bartender with short brown hair, wearing a white polo shirt, stands behind a wooden bar. She is looking towards two customers. On the left, a woman with long, wavy pink hair is seated at the bar, wearing a black off-the-shoulder top with pink polka dots and a pink sash. On the right, a man with short blonde hair is seated at the bar, wearing a brown ribbed sweater. The bar is well-stocked with various bottles of beer and wine on shelves in the background. Three speech bubbles are visible, containing dialogue between the characters.

So, guys,
what can I
get you
two?

Pick
whatever
you'd like.

I'll settle
for a gin-
tonic.

A little while later...

Mikael.

Sure.

I really like talking with you.

I'm Tiffany, by the way.

Wanna hit the dance floor?

Calm down, Tiff.

Yes, Tiff.

You don't mind me calling you Tiff, do you?

I... don't mind.

In fact, you like people calling you Tiff.

And you don't mind that I asked you to follow me to the bathroom.

In fact... I never did. It's your idea.

I like being called... Tiff.

It's... my idea?

Yes. You feel
incredibly horny
and you really
want to have sex
with me.

And doing it in
a public toilet is
a huge turn-on
for you.

You really want
to get me to
fuck you in
there.

Doing it in a
public toilet
turns me on.

I really want
you to do me
there...

Shortly later in the girl's room. Mikael has not only used his powers on a security to get in here he also has the guy stand guard, so nobody enters after them.

Fuck!
I'm so wet
right now!

At least this one is mostly clean...

I hate public bathrooms.

Don't mind us.
Just carry on
as normal.

Carry on... as
normal.

Don't...
mind you...

What was that? What did you do?

I don't want fuck in front of her...

Just ignore her presence.

She is not here.

I... yes. She is not here.

I better fix my makeup since I'm already in here.

Oh, god yes. You fuck me so well!

Your cock feels so big inside!

Cumming!

MOMENT

Groan

suck
suck
suck

Oh, Yeah!
Suck me off!
I'm gonna cum
all over you,
Tiff!

Get dressed...
Clean up...
Forget...

Now get
dressed.
Clean up...

And forget
this has ever
happened.

Good girl.

Now that
was a nice
fuck.

Almost done...

Oh, dear.
How did I manage to get that shrimp cocktail all over my face? Clumsy me!

Looking perfect!
Let's get out
there and find
myself a cute
guy!

slurp
Hm... maybe
for the better.
Tastes funny!

After cleaning that “shrimp cocktail” off her face Tiffany leaves the bathroom and can’t believe the pickup lines some guys come up with...

dance

Hi there.
Is your daddy a
thief, cause I
think he stole
the stars.

giggle

LOL.
Is that dude for
real? No girl's gonna
fall for these cheesy
pickup lines!

dance

The End.

Thank you for reading!

Hello, Hexxet here,

With this story, I tried to focus more on the direct Mind Control element. While I usually enjoy writing more story-focused comics, I think this situation-themed one turned out quite nice. I hope you liked it 😊.
