Me And My Giantess Maid 10

What did you girls do while I rested?

Regular maid stuff?

Exactly!

Exactly!

And cooked you a delicious dinner right, Natalee?

Oh you will not be dissapointed, master.

I can’t wait for you to taste it...

Woah...

I put a lot of love into it...

Uhuh...

Are you even listening to me?

Uhuh...

Sorry what did you say?

I gotta start putting them away... you can’t even focus properly around me.

I wouldn’t blame him... I can’t even focus around you properly.

You too, miss? We've
got the same problem then.

I wouldn't call it a problem... I wish I had her size cups...

Oh stop it you guys... Natalee
You've got big breasts too don't even lie.

Well they could be bigger...anyway... dinner will get cold if we don’t go right now...

I’m sorry miss... I didn’t want to cause a clash between you two.

Oh baby don’t worry. This was nothing...
We’ll be fine I promise.

Okay... That’s good.

Anyways... Here's your dinner, Master!

...

You're kidding right?

Is... something wrong? You don't like it?

The quantity...

Well if you can finish at lesat 2/3 things here you'll get a special surprise.

Actually yeah.... We've got some really hot outfits you'll definetly like.

Can we do 1/3?

Well... you'd like to see
us in our cute outfits rights?

Well yeah but...

It’s a deal then.
Let’s go Abi...

You sure? Can our master finish it?

Have a little faith Abi... I'm sure he wants us in our sexy outfits...

Well.. good point...

This is some bullshit.

A gigantic pizza... two of them and cake size of me? Fuck me...

I guess I'll start chipping away at something...

So...

What's the plan Natalee?

Thanks for having faith in me but...
I don't know... Let's get naked and
find something to put on...

Going back to our earlier argumen.
This is just not fair.

Your tits are just so much bigger than mine Natalee...

I wish I had those...

Well you've got a bigger ass and you're taller than me.

I’d trade it any day of the week...

You’re lying.

Maybe...

But shall we try something out now?

Acually I’ve got something really nice in mind that our master will like.

What do you think of this?

Well... It is really tight?

Tighter the better, right? He is will like it 100%!

And you've got me beat here again...

They just look amazing to motorboat...

You'd like to try them before our master?

Oh my gosh can I?

Of coure you can... be my guest.

Oooh...

Mphh...

Yes...

Mphh...

This feels so good...

Mphh...

I bet he'll go crazy over it...

Mphh...

I could be between them for hours...

He’ll definetly like this outfit... on you I’m certain but...

Ah stop it, Abi... Why are you self concious all of a sudden... you know he loves us both right?

I guess you're right...

And with that butt of yourse.
He'll definetly like that.

Well... You're right. Let's give him the best show yet after he eats his meal...

That's the spirit Abi...
Let's go upstairs now.

Abigail...

What?

And your complaining that you don't have something over me?

Look at this butt of yourself... you can barely fit through the the doorway.

I'd like some of that for myself for sure.

Ouch!

Was it necessary to
do it that hard?

Absolutely it was. I love your cheeks as much as you love my tits...

It’s dead silent... I don’t hear anything.

Oh my gosh... Is he okay...

I’m sure he is fine... Let’s see it for ourselves...

One the second note...

He snored?
