Many hours later...

Abi, Nat, and I finally arrived....
somewhere that’s not a field...

It’s been a quite ride today already....
and funny enough this was our stop destination.

Okay... we've arrived Master...

Still a long way to go until our final destination but we're here for a night to pick someone up.

Wait? Still not the final? Damn...okay who are we picking up? My father?

Oh no no... you it's not you father, master...

Don’t you worry about it right now...
You’ll see when she gets here...

I might be tiny but...
I still have some common
logic haha...

Well... nothing has been said yet...
You'll see master.

Well yes there is some suprise still
left there haha.

So amm... when is she coming?

We arrived like an hour
early so we got time to kill.

Let's get dressed then quickly!

So ah... is she... sweet?

She is the kindest person I know, Master...

You'll definetly like her
and she will like you...

If you think we are sweet and kind....
Then that's there Imane comes into the play...

Okay... that's good to know...
I'm a little nervous...

Of course not... I did bring some company...

Hey... I'm...

I’ve heard some many good words about you...

Have you?

Oh, Abi and Natalee are crazy over you.

Uhuh...

Oh don’t be nervous baby... I’m Imane
