Me: Oh my gosh...

Me: The same outfit. All of you?!

Natalee: Oh my. Imane I knew you still had it in your locker.

Abigail: And now we can be triplets together haha.

Imane: Aaaw... you girls just read my mind like it's nothing.

Me: I'm... speechless...

Me: I feel like I'm a bit undressed now...

Abigail: You're really not, master...

Natalee: I really like a man with that look you've got.

Abigail: You're perfect the way you are...
You don't need to change anything.

Me: Well if you say so.
I'll stick by this.

Natalee: And don’t you worry. The place we’re going will not have any people in there.

Me: Anyone? Then why are you girls dressed like so fine?

Imane: It’s all just for you honey...
We don’t care about anyone else.

Me: So like a private party? Just for me?

Abigail: How did you....

Imane: This was meant to be a secret...

Natalee: We really can't keep secrets can we...

Me: A secret? Haha.... you literally told me what we were going to do...

Me: But that's okay. I'll pretend nothing happened just now.

Abigail: What a sweet man we've got girls...

Imane: I swear to god. He is so much better than his old man...

Abigail: Oh yes...

Natalee: By a country mile...

Me: Yeah yeah yeah... Let's have those conversations later girls... Let's go out now.

Abigail: Oh not this again...

Imane: We've got to squeeze ourselves out...

Natalee: It's our favorite... Let's go girls...

Natalee: Here goes nothing...

Abigail: We're going to have so much fun...

Couple of minutes later...
