Imane: Okay girls...

Imane: It's time to shrink back to our normal heights...

Abigail: Oeh.. It's been fun... but it's also a little sad that it's over...

Natalee: Well let's just... each share a memory that stuck with us thus far...

Imane: I'll start... It's a basic one but... meeting our new young master...

Imane: *shrink*

Abigail: *shrink*

Natalee: *shrink*

Abigail: Mine also involves master...
I've had pleasure keeping him safe on my nipple...

Imane: *shrink*

Abigail: *shrink*

Natalee: *shrink*

Natalee: What else can I really say then.... I liked having sex with him with my huge size....

Me: Uuhh...

Couple of minutes later...

Me: Where am I...

Me: Was all of this a dream or what?

Abigail: Nope!

Imane: Nope!

Natalee: Nope!

Me: It wasn't?

Abigail: I'm really proud of you... Master... For staying on my nipple the whole time...

Imane: That was impressive...

Natalee: I'm proud as well...

Me: Oh yeah...

Me: Totally forgot about it... since it was so damn easy...

Abigail: Thank god it was...

Imane: He is lying Abi...

Natalee: Yeah I think you're bullshitting...

Me: Well... I'm all fine so... I think it was quite easy...

Imane: Well fine... We know you're lying but... you did a wonderful job honey.....

Me: ...

Natalee: Jokes a side... I hope we didn't get carried away... This wasn't really in our plans today...

Me: No you didn't.

Me: I loved all the surprises you threw at me...

Natalee: Thank god...

Natalee: Because at somepoint we didn't really hear or feel you anymore...

Me: I listened to your advice... just hold on as hard as you can haha...

Abigail: Yes... I've got to admit I was a bit careless but... I'm glad you're all okay...

Me: I had nothing to worry about...

Abigail: What do you mean?

Me: I knew I was in good hands... You girls just take the best care of me...

Imane: Aaaw...

Me: Woaah...

Natalee: Aaaw...

Abigail: Aaaw....

Me: What's this for girls?

Imane: It's our maids signature hug towards our master...

Me: A boob hug?

Natalee: It's been done for generations....
When maids really like their master...
that's when they do it....

Me: So you girls like me that much?

Abigail: You're at least my favorite master I've ever had to take care of... I love you very much...

Me: Uuh...

Me: I guess... you're welcome...
I don't know what else to say...

Me: And i've got to admint it's really comfy between you three here...

Me: Could be between you girls forever...

Imane: Sure... but... We've got to start going you know...

Me: Ouch... So much for staying there forever... Haha...

Natalee: Well that was just a taste for you...

Abigail: We can do it mor later...

Imane: I assume when we arrive to the next destination... We could do it there...

Me: I cannot wait...

Imane: Okay let's get moving...
before anyone sees us naked...

Me: Hey...

Me: Not to fast please... I can't keep up otherwise...

Imane: The faster we get to moving the quicker you can have some fun again... Master...

Me: Fine...

Me: Let's get going then...

Imane: That's the spirit...

Abigail: Let's make it a race then...

Natalee: Ooh I'm down!

A bit later...

Me: The easiest win of my life...

Me: But the result was expected tbf...

Imane: Well the winner deserves to be lifted right?

Me: Aah...

Imane: Gotchu...

Me: Woah...

Imane: The winner deserves all the praise... am I right?

Me: Well... I guess so...

Imane: I've got to admit you're a lot heavier than I remember you being...

Me: Oh really...
Maybe I'm just not
a speck anymore...

Natalee: I guess I'll also join in to celebrate the winner...

Abigail: The stage is yours Natalee...
I'll come after you...

Natalee: I feel like a winner is worth a little intimacy... a little tease I'd say...

Natalee: I know how much you like a little tease master...

Me: Mhm... I can feel it working...

Natalee: I can feel it... growing in your pants...

Imane: Even I can admit that I feel you getting warmer...

Natalee: Aaaw... Master...

Me: This is awkward...

Abigail: And now it's my turn...

Abigail: I feel like a true winner deserves a kiss from a lady... don't you agree?

Imane: That's a good one Abi...

Me: I definetly wouldn't mind that...

Abigail: *kiss*

Me: Haha...

Natalee: What are you laughing at master?

Imane: Were they a bit too silly for you? Grown up?

Me: I'm just laughing how lucky can a guy be... And I'm really that guy...

Me: I still can't decide my seat...

Moments later...

Me: The front one solo or the back middle...

Imane: Depends if you want to be boring or not.... Master...

Abigail: Are you calling me boring Imane? I'm a great talker by thr way...

Imane: That's the point Abi...

Me: Okay... whatever...
I'll come to the back....

Imane: You've made the correct decision...
Give me your hand...

Abigail: That's unfair...

Me: Here you go...

Imane: A little lift...

Me: Wooah... oh my gosh...

Natalee: Watch out Master!

Me: You launched me Imane....
What an incredible amount of
power you've got...

Natalee: You okay there Master?

Me: Thankfully a very soft landing. Haha!

Imane: See... I told you it wasn't going to be boring...

Abigail: Haha... I can still hear you Imane...
Very funny...

Me: Abi... how long till we arrive?

Couple of hours later...

Abigail: I'm not sure baby... We've still got ways to go...

Imane: Is somebody looking for some entertainment....

Me: Aah... I wouldn't say no...

Me: What's the plan...

Imane: Care to join Natalee? Or want me to start with him?

Natalee: Oh let him have one for now...
If in need for more than I'll hop in...

Abigail: And the fun begins haha...

Imane: Ooh yes....

Me: Mmmh...

Imane: Yess.... Master...

Me: Ooh mann...

Imane: Mm-hmm... just like that..

Me: Yess...

Imane: Mmm... perfect...

Me: Fuuck...

Natalee: It's really hard to just watch... Could I join in?

Imane: I knew it... Now you've got to wait a couple of minutes...

Me: Aaaah...

Abigail: I don't think she has to...
Felt like Master just shoot something out...

Natalee: Imane... you know... We're veterans alreadt you know... with master...

Imane: Fine...

Me: So now... again... A decision needs to me made...

Natalee: Mhm... Want yourself a blondie?

Imane: Or a thick lightskin?

Me: Uuh...

Me: Why is this so difficult...

Abigail: Haha... Master... want me to make this decision a little easier...

Me: Aaah...

Me: How will you pull that off Miss Abigail?

Abigail: I will make it really really easy for you... Master...

Me: Wooah...

Me: What the? Was that the whole thing?

Abigail: No, silly... Just choose me Master...
I was your first Maid...

Abigail: I deserve to be first, right Master?

Me: You're the worst... It's even ahrder now...

Me: Hardest decision of my life...

Natalee: So who would you pick... Master...

Imane: The choice is yours...
