Me: What an incredible night for the girls is what I heard...

Me: And I just had to lay on this big comfy bed of mine... unable to move...

Me: From the sex from earlier...

Me: It’s the next morning and I’m still aching real bad...

Me: But I gotta get up somehow eventually...

Me: Oh man...

Me: *cough*

Me: God I hope I'm not ill...
That's never fun...

Me: I think I’m fine... Is what it is...

Stella: ARE

Abigail: YOU

Natalee: ILL

Imane: MASTER?!?!

Me: WHAT THE!??! Where did you girls come from all of a sudden...

Imane: Is everything okay?
Need any medicine?

Abigail: We've got everything...

Me: I think I'm fine... Just a headache...
I'll drink some water a little later...

Natalee: Want us to bring you some?

Stella: Just ask us master... That's why we are here...

Me: Seriously... I'm fine I can go and take it myself...

Imane: I think he needs something else from us...

Abigail: Your girls thinki what I'm thinking?

Natalee: Well only one of us can do it...

Stella: Who can do it?
The favorite?

Me: I need something from the favorite one? What are you girls talking about...

Abigail: I'll take the matters on my own hands girls.... You girls just help me with it...

Abigail: Mmmh... Young Master...

Me: Ooh my gosh... Woah...

Abigail: I think you were just sexually frustrated... Did you hear us last night?

Me: Uuh... Maybe...

Imane: It's fine... big girls wanted to have...
I hope you don't feel bad because of it...

Imane: And if you do... we're terribly sorry... won't happen again...

Me: It's all good... I'm fine... Why you girls acting so... amm... polite I guess?

Abigail: Because we're the Maids... We need totake care of you...

Me: I guess I can't complain... Rules are the rules... At least I didn't make em...

Imane: You hear it girls over there...
We're fine...

Natalee: Oh thank god... I was so worried for a second...

Natalee: I know he doesn't care but... I have to give a fuck.... since rules....

Stella: *lick*

Natalee: Shh... Stella...

Stella: Mmhm... While we're currently breaking a rule...

Natalee: Mmh... We're not Master I promise... We're being good girls...

Stella: *lick*

Abigail: YESS?!?!?

Imane: You girls are in trouble...

Me: Fuck...

Natalee: Uuuh...

Stella: *lick*

Me: Holy fuck... Damn... I do feel better...
and also... I know there are rules...
I'm not here to punish your girls...
unless you want to of course...

Abigail: See I knew it... Master...
just be honest
with us... And we
will follow the rules...
even if you don't like it...

Imane: Yeah but he doesn't have to... He just took the throne over... It's his rules isn't it??

Abigail: I'm also fine with it but... What will the previous master think of it...

Imane: Well.. everyone had their own little quirks... I guess... You have yours...

Me: So being nice is a quirk... Nice...

Abigail: Well some Maids want to be dominated a little more...

Imane: I personally like both... Drama is always good... But I like to be more feminine of course...

Me: Feminine huh... and just grab my dick like that... Am I missing something... ooh...

Abigail: I also like drama at times... Which I haven't gotten from with you... yet at least...

Me: So you want me to cause more ruckus basically... Got it...

Me: Stop touching my dick then... Imane...

Imane: Mmh... That's more like it...
Sorry Master...

Me: God that sounded so wrong in my head... But I guess I'll run with it.....

Stella: Oh my gosh...
Did you hear that Natalee...

Stella: He told Imane off... or am I just dreaming... Is he always like this?

Natalee: Well she kind of asked for it... but He really isn't like that usually...

Stella: But could he be? Since we all like some drama deep down...

Natalee: Well... I guess we could make him somehow...

Natalee: Me and Stella are not doing anything today...

Stella: Yeah... We're not listening to you Master...

Me: Uh... Is that so...

Abigail: Amm...

Imane: Uuh...

Me: So be it... Do some work tomorrow... but you gotta make me breakfast at least...

Me: I'm bad at this... I know you heard us talk from there... I'll take my time with it... I just like to be nice...

Abigail: This just felt like comedy sketch really... You're really are a sweet boy...

Natalee: Haha... We'll continue this one later... I still want some drama out of you Master...

Stella: But it can happen any time...

Me: Sure haha... I'll try my best next time...

Me: Huh... They already went off to work...
God... Or I'm just 200 IQ master out playing the girls here...

Me: Ahh... Who am I kidding... I'm just a normal quiet kid...

Me: Well normal is hard to say nowdays actually...

Me: 4 Sexy maids at my behalf... is

Me: I'm just a lucky bastard that's all... But I don't care... I'm taking advantage of it...

Me: So Amm... anyways... The dining table is here...

Me: And no food?

Me: Some fruit? Are the girls really serious about this?

Me: I mean I did ask for some...

Me: But I don't know where they could be at currently...

Me: *shrink*

Me: Since I do feel a little weird currently...

Me: *shrink*

Me: Uughh... Gosh.....
