Me: Stella, let's cram into that elevator. I want to see your huge body squeeze through that door. Those massive tits and that huge ass better fit!

Stella: Yes, let's cram into that elevator. Hopefully, we'll fit—hehe, I am pretty fucking huge. I can't wait to have you pressed up against these massive tits and this round ass of mine.

Stella: You know I love it when you're eager. Let's see how much of me you can handle in that tight space.

Me: Maybe I'll start by sucking on those massive, fucking tits. Would you dig that?

Stella: fuck yes, I would. I can't wait to feel your hungry mouth on my hard, sensitive nipples.

Me: And this huge, round ass? Should I give it a firm squeeze and a spank while we're at it?

Stella: Ooh, look at this elevator, there's plenty of room for me to dominate you hehe.

Me: Plenty of room indeed, and plenty to have fun with. I can't wait to explore every inch of your massive, sexy body.

Stella: Ooh, dang it's quite a ride down here, isn't it, Master?

Stella: Ooh, Master... I'm still taller than you, even when I'm down here.

Me: You're enjoying this, aren't you? Making me feel small and helpless.

Stella: Oh, yes Master. I love making you feel that way. It's so much fun to be in control.

Stella: Want to feast your eyes on my massive f ucking rack again, Master? Hmm... I know you do.

Me: Aah, fuck yes...

Me: I mean, they're in my face again, pretty much. Aah...
I'm down for whatever you want, Stella.

Stella: Ooh, you are so innocent and awkward at times, and that's why I love you so much, Master.

Stella: Ooh, master... isn't this fucking view amazing? You love seeing these huge tits, don't you? Mmh...

Me: Ooh, my fucking god, Stella.

Me: They're fucking massive... I can't get enough of them, ever.

Stella: Ehhee, I knew you'd love it, master... they're absolutely gorgeous, aren't they?

Me: Ooh, yes they are, Stella. Your tits are incredibly hot.

Me: They're just... Ooh... I'm completely consumed by them, Stella. I'm drowning in their beauty.

Me: Could you, please? I want to feel your massive tits pressed against the wall, Stella. Let's get this session going and rack up those points, hehe.

Stella: Aaaw, darling, I adore a man who knows how to get what he wants... let's indulge in some naughty fun, hehe.

Me: Oooh, my god, yes, fuck... I'm so turned on, Stella.
Your presence is driving me absolutely wild.

Me: Ooh, fuck yeah, Stella... they feel amazing, yes... your touch is like a dream come true.

Stella: Ooh, do they... feel as good as they look? Mmh... I want to make sure you're enjoying yourself, master.

Stella: I'll move them around for you... So your penis could get extra hard for me... and then I'll take you, master. You'll be mine.

Me: Ooh, fuck yes, Stella... I'm so fucking ready for you.

Stella: Ooh, yessss, Master... you love it, don't you? Mmh... I can see the desire in your eyes, and it only makes me want to tease you more.

Me: They're the fucking most incredible, Stella. I've never felt anything like this before.

Me: Stella, the elevator opened... pauses Please don't pound me anymore, aaaahhh...

Stella: Oh my god, the door opened... My legs are about to give out, ooh, fuckk, Master... gasps I need a second, Master, I'm so close to collapsing.

Stella: Oo hmy gosh... Master... Are you okay under me?

Me: Uggh, fuck, this shit hurts... Oooh... grunts I'm so small and you're so huge, Stella, I feel like I'm going to get crushed.

Stella: Aaah, you'll be alright, hehe... what are the changes that it just opened like that hehe. You're so tiny and fragile, I guess I'll just have to be extra careful not to squish you.

Me: yeah I do feel every bone I've got in my body thankfully... What are the chances haha.

Me: ooh my goossh aaa who are you.. Stella...
Someones also here.. wait... I know her.

Me: ooh my gosh... there is no way is that...

Abigail: well well well what do we have here now...I do reckon I recognize you both hehe.

Abigail: I've finally found you master... I'm the last one huh hehe... and you did it in the elevator, you and Stella... freaky... *smirks*
I have to admit, I'm a little impressed. I didn't think anyone could make it happen, but I guess you two are quite the pair.

Me: aaa aaa aaa... well.. amm... I'm just in their control... I cant do much about it hehe.

Me: Stella, aah... you can explain right...

Stella: hehe master you are funny.

Stella: well I actually found him on accident as well Abi... He was with Natalee and Imane and I just took an opportunity that came by really... smirks Guess you could say I stumbled upon my favorite toy.

Stella: But I'm surprised you here. I didn't know you knew about this place here...

Abigail: Well I just had a business meeting here but... I think I'm going to ditch that now hehe... *winks*

Stella: yeah I get it haha... You need to catch up on some points. *smirks* Guess I'm the one who's going to have to teach you the ropes, Abi.

Abigail: what points Master, that you're so desperately trying to keep hidden from me?

Abigail: Master? What points? You got some explaining to do now to me... The game it was right... I need to catch up... how can I collect them...

Me: aah... soo... it's a long story but I'll give you in short. the more times you make me cum the more points you get...

Stella: heheh... And I think I'm winning this right now...
What are the scores Master?

Abigail: You are winning oh are you really... have you given Master room to breathe or nah hehe, I think he's on the verge of collapse from all the pleasure

Me: I'm being honest. Idk who's in control... I think Natalee still...

Stella: Oopsie... I'm just a girl
that likes to win, yo know...
you can't blame me, can you?

Abigail: Well, who's getting it next? Me, surely. Or do you want to share him with me, Stella?

Me: Imane and Natalee both took turns and scored equally, so if you two are here, it counts as a point each, Ladies. Now, who's next to take a turn?

Stella: Well, perfect... I'm totally okay with this.

Abigail: I need those points badly, so it has to happen, you know...

Me: Alright then, let's get this party started, hehe. Who's ready to have some fun?

Abigail: But what if I could convince you to have me all to yourself, Master? Mmh... I promise I'll make it worth your while.

Stella: Don't listen to her, Master... you know you love my boobies more, don't you?

Master: Ladies, please... we can't be doing this right now. You're both being very distracting.

Stella: Ooh yes, we can... It's either me or her, and I know you want me more. Come on, Master, don't deny it. You love these curves, and you know it.

Abigail: Ooh, Master... What are you going to do now? Mmmh... I'm all yours if you want me.

Me: Oooh... It's a threesome, then. No ifs, buts, or maybes about it. Let's make this memorable, shall we?

Stella; ooh my... mphhh...

Me: This feels so fucking good... ooh yes, just like that.
moans loudly Mmmh, I've been dreaming of this.

Stella: Yes! Just like that, don't stop, I'm so close!

Me: I'm cumming! Oh fuck yes, here it comes!

Stella: That was amazing, but I need a break. Abigail, can you get off me now?

Abigail: You sure? I can keep going if you want round 2!

Abigail: Okay, so I get a point for that, right?
How does the game work?

Stella: And I get one too! We can keep
playing like this if you both want!

Abigail: This is going to be fun...

Me: You both are insatiable! Alright, one point each.
