Me And My Giantess Maid 42

Me: Alright, you sexy giantesses, let's kick off round 2!
Who's ready to make this even more intense?

Me: Stella, I think I'm huge enough for you. You feel so fucking good wrapped around me.

Stella: Ooh, master, keep those skilled hands moving... mmh... it's so sensitive and amazing down there...

Abigail: My turn, Stella. But damn, your tongue was pure magic on me. I'm already craving more.

Stella: Mmh... Master, you're driving me wild, but could you slide out so Abi can take her turn? Please, Abi, show him what you've got...

Abigail: I can't deny, this view of your massive body is fucking amazing. I don't want to budge, hehe. Your tongue feels so fucking good on my pussy, Stella.

Stella: Haha... You naughty minx, Abi, you're making me crazy with your sexy moves.

Me: Girls, girls, no need to argue. You both are scoring here.
It's all good.

Me: So, what do you think? Should we continue with the plans? What's on your minds, girls? I'm all ears.

Me: Alright, Abi, spit it out. What's going through that sexy head of yours? It's your turn to shine.

Abigail: Of course, Master... Please, fuck me already. It's been forever since you've pleasured me. I'm so fucking horny for you...

Stella: Oooh... Master... I've got a plan. Sit on my face, and I'll suck your cock while you eat me out or something with Abi. How does that sound, huh?

Me: Ooh... This is nice... Good idea, Stella...

Me: Your idea is fucking fantastic, Stella. Let's make this happen, girls. I can't wait to see how this plays out.

Me: Holy fuck, this feels incredible.
Your mouth is so fucking talented, Stella.

Stella: Mmmh... Ooh... Suck that thick cock, master.
I love the taste of you.

Stella: Your cock feels amazing, master... ooh yes... mhm... keep fucking my face with that huge dick.

Me: Holy fuck, Stella... you're driving me wild with that dirty mouth of yours.

Me: Fuck, this feels so good. I gotta pleasure Abi too now... what should I do to make her scream? mmh...

Me: You know what? Fuck it, I'm going to use my whole arm for this. I want to make both of you scream and beg for more. Let's see how much of my arm you can take, Abi.

Abigail: Ooh fuck, this feels so fucking good, Master... Ooh yeah, just like that. Your arm is huge and I can feel every inch of it.

Abigail: Fuck, this feels amazing... ooh yes... ooh, I'm already losing control.

Me: Ooh fuck... mmph... yes, Abi, you're so fucking tight.

Stella: Mmmh... Master... Yes, keep fucking her with your arm. I can feel your cock pulsing in my throat.

Abigail: Ooh fuck, I feel a growth spurt coming... ooh fuck... mmhh, I'm getting so fucking big.

Me: Ooh my gosh, for real? You're expanding right before my eyes.

Stella: Ooh here we go, let's see how big you can get, Abi. I want to watch you grow while I suck your master's cock.

Abigail: Ooh my gosh... Everything feels so much tighter... fuck... ooh, your arm is stretching me out.

Abigail: God, this isn't stopping... ooh fuck... it feels so fucking good... ooh yes, I'm loving every second of this.

Abigail: Ooh my gosh.. Aaah... Master... Yess.. Deeper, go deeper, ooh fuck... I need more of your arm inside me.

Abigail: Yess... OOh my gosh... My orgasm is so close, aaaahh... I can feel it building, master. Don't stop.

Me: Holy fuck... Abi, you're becoming so fucking huge... damn, you're massive and growing right before my eyes.

Stella: And so much... heavier... ooh mphh, you're crushing me, Abi. I can barely breathe.

Stella: Goosh... you are so huge... and so heavy already... Abi, you're like a fucking giant, and I love it.

Stella: And master has his head in your pussy... holy shit... This is so hot to watch... I can see how much you're enjoying it, Abi.

Me: Mpppph... you taste so fucking good, Abi. Your pussy is dripping and so fucking tight.

Abigail: OOoooooh... yes, eat me, master. I'm so close to my orgasm. Keep going.

Me: Mpph... ooh fuck... I'm stuck... haha, your pussy is so tight and huge, I can't move. But fuck, it feels amazing.

Abigail: FUUUCK MASTER AAAH THIS FEELS SO FUCKING GOOD...
ooh my gosh, I'm losing my mind!

Stella: Aaabi... get off... ooh... you are so fucking heavy, mphh... I can't breathe.

Me: And I want to be freed as well... please, Abi, you're crushing me.

Abigail: Okay, fine... Damn, but that did feel so fucking good, ooh my... yes, I needed that.

Abigail: But we did wear master out, I think... hehe...
I guess these things happen, you know?

Abigail: And I'm as big as you now, Stella... which is also pretty fucking amazing... I'm finally in your league, bitch.

Stella: You're right up there with me, Abi... Almost at my height...
But I'm still ahead in the points, hehe...

Abigail: Whatever... At least I scored some points. I don't want to fight, let's just enjoy this.

Stella: Same here. The game is fucking fun, hehe...

Abigail: What do you think, master? Shall we wrap up this game or keep going?

Stella: Yeah, I'm with Abi on this. Let's hear your thoughts.

Me: It's fucking exhausting, but that's what makes it so addictive. I'll keep going as long as you both want me to. It's fun, exciting, and I love every fucking second of it.

Me: So don't worry about me. I can keep going. I just need a breather every now and then, if that's cool with you both, hehe.

Stella: Of course it's allowed, master... You're still the one calling the shots here.

Abigail: Exactly, master. You can take a breather whenever you need to. We're here for your pleasure as much as ours.

Me: Ooh... Thanks, girls... I needed to hear that. Thank you both so fucking much for understanding.

Stella: So, shall we just... continue... now, hehe... I'm starting to get really fucking horny again.

Abigail: Ooh, me too, Master... I want you to pleasure us both at the same time again. Let's see if you can keep up with both of us.

Me: Hmm... I think I've got an incredible idea for that. Here's the plan, and I promise you both will love it.

Me: You both just lay on your backs and put your asses together, so I can have easy access to both of your soaking wet pussies.

Abigail: Hmm... That sounds interesting and naughty. Let's see what you've got planned, hehe...

Stella: I think I'm getting a clear picture of what you want, hehe... Let's do it, master. I trust your ideas.

Abigail: Okay, is this position correct, Master? I want to make sure I'm doing this right for you and that you're comfortable.

Abigail: Are we in a good enough spot for you, master... hehe...
I want to make sure you have the best view and access.

Abigail: Speak up, master... I can hear you thinking from here...
What do you need from us?

Me: Yeah, yeah.. one sec, let me take in this fucking gorgeous sight of both of your massive, naked bodies pressed together.

Me: This here is fucking perfect... Just what I wanted... and what I expected from my sexy, obedient giants. Your pussies are so fucking accessible like this.

Me: I can work with this easily... Just stay relaxed, that's all I need from you both. Let me do the rest. I want to explore every inch of your bodies and make you both scream with pleasure.

Stella: Ooh, is that so, master... Mmmh... Oooh.. I'm getting so fucking worked up just thinking about it...

Stella: We'll be your good girls, master... just don't go too hard on us, hehe. We want to enjoy this as much as you do.

Me: Ooh, is that so, Stella... That's the sweetest you've been with me ever... that's something new and exciting.

Me: I'll definitely go extra easy on you both now, haha... just for a little while. You know I can't resist going wild eventually.

Me: Mpppph... Yes... Perfect fit, you two look so fucking hot together. I can't wait to dive in and pleasure you both.

Me: What do you think about this, girls? Is this position good enough for my sexy giants? I want to make sure you're both comfortable and ready for what's next.

Abigail: OOH MY GOSH, MASTER??!? WHAT ARE YOU DOING?
AAAHHHH, that feels fucking insane!

Stella: FUCK, THIS FEELS SO FUCKING TIGHT... OOOH MY GOSH!??!?!
I can barely take it, but it's so fucking good.

Abigail: FUCK, ANOTHER GROWTH SPURT IS COMING IN, I CAN FEEL IT! My body is changing so fast.

Me: Mppphh... you both are so fucking tight and huge, it's amazing. I can feel every inch of you.

Stella: IT'S COMING IN HOT, AAAAAHHHHH, I'M EXPANDING AGAIN! This is so intense, master.

Abigail: *Moans loudly,* "Master, that feels so fucking good, don't you dare stop!"

Stella: *Moans deeply,* "Yes, master, keep going, we're both so close to losing control!"

Abigail: Oooh my gosh... that was fucking amazing, master. I've never felt anything like it. My body is still tingling.

Stella: Gosh... we are so fucking huge now... I can barely move, it's insane. Looking down at my body is trippy as fuck.

Me: Ooh my fucking god... mmh... this is incredible. I can feel every inch of your massive, tight pussies.

Me: I'm literally stuck between your pussies right now... and I can't really escape. You're both so fucking tight and huge, it's like a vice grip.

Me: Fuck... What should I do? This is quite a difficult situation, but I'm not complaining. I could get used to being your human toy. Maybe I can figure out a way to pleasure you both even more from this position. Any ideas, girls?

Stella: Hehe, looks like we did some growing and now master is stuck between our pussies, Abigail. This is a new situation.

Abigail: Hehe, I know. This is so fucking funny. I bet master is also enjoying this, hehe. He looks so cute stuck there.

Abigail: And I think it's time to get him out of there. He can't stay trapped forever, as much as I'd like to keep him there.

Stella: Should I take him out, or do you want to do the honors, Abigail?

Abigail: You can do it. I think it's safer that way, hehe. You have a better angle.

Stella: Alright, I'll do it. Okay, master, here I come. Just don't move too much, okay? I don't want to hurt you or make this worse.

Me: Ooh my gosh... Air finally... yes... Wait, what? Huh? Why are you both so fucking big, girls?? Everything looks huge from down here.

Me: Ooh my gosh... Stella, what happened? Where are we? What's going on? I feel so small compared to you both.

Stella: It's all thanks to you, master... You made us that horny and worked up to grow like this... It's your fault we're so fucking massive now. You should see the look on your face.

Me: My fault??

Stella: Well, whose fault is it then? You're the one who made us so fucking aroused and out of control. Your skilled hands and that talented tongue of yours did this to us.

Me: Ooh... Well... Whatever... I'll take the blame. At least we're having fun, right? And you both look fucking incredible.

Abigail: Ooh my... We did a lot more growing than I even expected... I'm so fucking tall. Looking down from up here is insane.

Abigail: Ooh my... We did a lot more growing than I even expected...
I'm so fucking tall. Looking down from up here is insane.

Abigail: Oh my... I'm so happy to be this big again... this is so much fun... Stella, get up, let's explore this new height.

Stella: Oh my gosh, just look at our cute little master... isn't he adorable? He looks so small and helpless down there.

Abigail: He is so cute... my heart is just melting, aaaw. I want to pick him up and squeeze him.

Me: Oh stop it, you girls... I know I'm small okay, but there's no need to rub it in. I can still pleasure you both just fine.

Stella: Yes, you are, baby... who is our cute little master now? You're our tiny plaything, and we love it.

Abigail: That's right, master. You might be small, but you're our precious little man. We'll take good care of you.

Stella: Hehe... It's so fun to mess with master sometimes... I'm having so much...

Abigail: Fun... Right... That's what you wanted to say, hehe... You're enjoying this way too much, Stella. But I have to admit, it's pretty entertaining.

Stella: Aaah... Abi... aaah... We are in deep trouble?

Abigail: Hahaha... What are you talking about? What trouble?
We're just having a bit of fun.

Natalee: Well, well, well... Look what we have here. It seems like someone has been up to no good.

Imane: What do we have here... This looks interesting. Master, you've been a busy boy, haven't you?

Natalee: Hmmm... So that's where you went, Master... you traitor. I knew you were hiding something from us. And here you are, stuck between these two giantesses.

Imane: You promised us you'd come back, master... why are you with Abi and Stella? Huh? We've been waiting for you. Don't tell me you forgot about us already.

Stella: Ooh no... oh no, oh no, oh no... Master... Aaah.. You've got to say something... Explain this to them.

Abigail: Ooh my gosh.. this is so... ooh my... I'm speechless, Master... Oh my gosh, this is awkward.

Me: Why are you all blaming me? Huh... I'm just a guy in this situation... so tiny, so small... I can't help it if you all find me irresistible.

Abigail: Stella... say something to them, I don't know.

Stella: Aaah... Well, Ladies... I think it's just our turn right now...
You've got a problem with it?

Natalee: Oh, so shorties are moving like that? We had our fun with Master first... he is ours...

Imane: Master, you've got to pay for this... You just ran away from us...

Natalee: I want you to hand Master over to us now...

Imane: Yes, we're waiting...

Stella: No, he is ours... now we will not let you have him back so easily.

Abigail: Ooh my gosh, things are heating up... This is getting intense.

To Be
