Me And My Giantess Maid 48

Abigail: Oooh my gosh... fuck... I'm so huge...
I can barely comprehend how big I've become.

Imane: This is so crazy, I love it... Watching you transform is the most incredible thing ever.

Natalee: I'm literally in the same situation as Stella... I can't see a thing from down here.

Stella: What is even going on here?? I feel like I'm missing out on the best part.

Natalee: OOh my gosh... What the hell just happened... I'm standing up and... Abigail is kneeling down and my face is in her pussy... How did this happen?

Natalee: Abigail is kneeling down and my face is in her pussy... This is so unexpected. I can feel her warmth and wetness against my face.

Stella: Huh??? What? I can't see anything from here. What's going on?

Stella: Did Abi really grow that much, Natalee?
I can't believe it. How is this possible?

Natalee: You've got to see that for yourself...
It's insane. She's enormous now.

Imane: Ooh my gosh... This is unbelievable. Abigail, you're a giantess now. How did you grow so much?

Imane: This is just an incredible sight... Abi... You are gigantic...
I can't believe how massive you've become. It's like looking up at a skyscraper.

Abigail: Oooh my gosh... ooh fuck... I'm shivering... The sensation of growing so much is overwhelming. Every part of me is tingling.

Abigail: This has been the best growth spurt ever... I've never felt anything like this before. It's pure ecstasy.

Abigail: Ooh my gosh... The mountains... look quite small now... wow... I can see everything from up here. It's breathtaking.

Imane: Hahaha... This is so funny to see. You're like a living, breathing mountain now.

Imane: I'm in a little disbelief here, haha... We took things quite far...
This is beyond anything I ever imagined.
You're a true giantess now, Abi.

Abigail: I think even a bit too far but... Who am I to complain, hehe...
This is just too incredible to regret.

Imane: Yeah, of course... Since you are the biggest currently...
You deserve every bit of this.

Abigail: Yeah... We did misbehave a bit, I think...
Will the master be angry with us?

Imane: Noo... I think we are fine... He likes this stuff. He'll probably be impressed by how far we've gone.

Stella: Mmmmphhh.... Natalee...

Stella: Could you please... mmpph... stop sitting on my face...
I can't breathe over here.

Natalee: Hehe... Sorry, Stella, but this is just too comfortable.
You'll have to wait your turn.

Stella: Mmphh... You are so mean... Natalee... I can't even see what's going on up there.

Natalee: You are not the only one with a pussy in her face... Everyone's getting a piece of the action today.

Natalee: I've got Abi's huge ass... near mine...
It's like a mountain of pleasure.

Stella: Mmpph... Okay... but... please... Can I at least breathe a little?

Natalee: I know you like it... I love hers in my face too...
It's an incredible sensation.

Abigail: What are you talking back there, Natalee...
I can't hear you clearly from up here.

Natalee: Ooh, nothing...
I'm just enjoying the
view here... It's quite
the sight.

Imane: Haha... Of course, you too...
I bet Stella is enjoying it as well.

Stella: Mmphh... *muffled sounds of agreement*

Abigail: Ooh yess... I forgot... Master is still in my mouth...
I wonder how he's doing down there.

Imane: Oh my gosh, yes... I wonder how he is... I hope he's fine... This must be quite the experience for him.

Abigail: I do feel him on my lip... really tiny speck... but I do feel it's him... It's surreal to have him this small.
Imane: Oo that's good to hear...
I can't even see him, haha...
It's like he's disappeared.

Me: Ooh my gosh... this has gotten way bigger than I would've thought... Everything is so massive now.

Me: All the girls are absolutely huge... I can barely comprehend the scale.

Me: Look how far up I am... this is crazy... damn...
I feel like I'm on top of the world.

Me: And the mountains don't even have a change with them anymore, it seems. Oooah... They look tiny from up here.

Abigail: Okay, Stella, I think you are the smallest.
I'm giving the master to you now...

Stella: Ookkay... nervously Here goes nothing.

Stella: Here you go, master. Now you are on my nipple...
Feel the softness and warmth.

Stella: Just look at these beauties, master... And imagine... I'm the smallest one here... Yet, we are absolutely enormous to you.

Stella: But... Haha... It's funny seeing it... You're so tiny compared to us now.

Natalee: Ooh, shut up, Stella... At least I'm beating you, but... I'm the second smallest...

Stella: Haha... I've already given up... I am the smallest; it's fine... Let's just enjoy the ride.

Natalee: Ooeeh... whatever I do, I can't get bigger than you... this is bullying... It's not fair.

Imane: Haha, bullying you say... What can I say... I guess I'm just more of a grower... I can't help it if I'm naturally bigger.

Imane: But don't worry, I'm not the biggest anymore here...
Abigail has taken that title.

Natalee: Yeah... I'm also surprised.
Someone else is the biggest...
It's insane.

Stella: Haha... what do you think of it, master...
Do Imane and Natalee look big to you...?

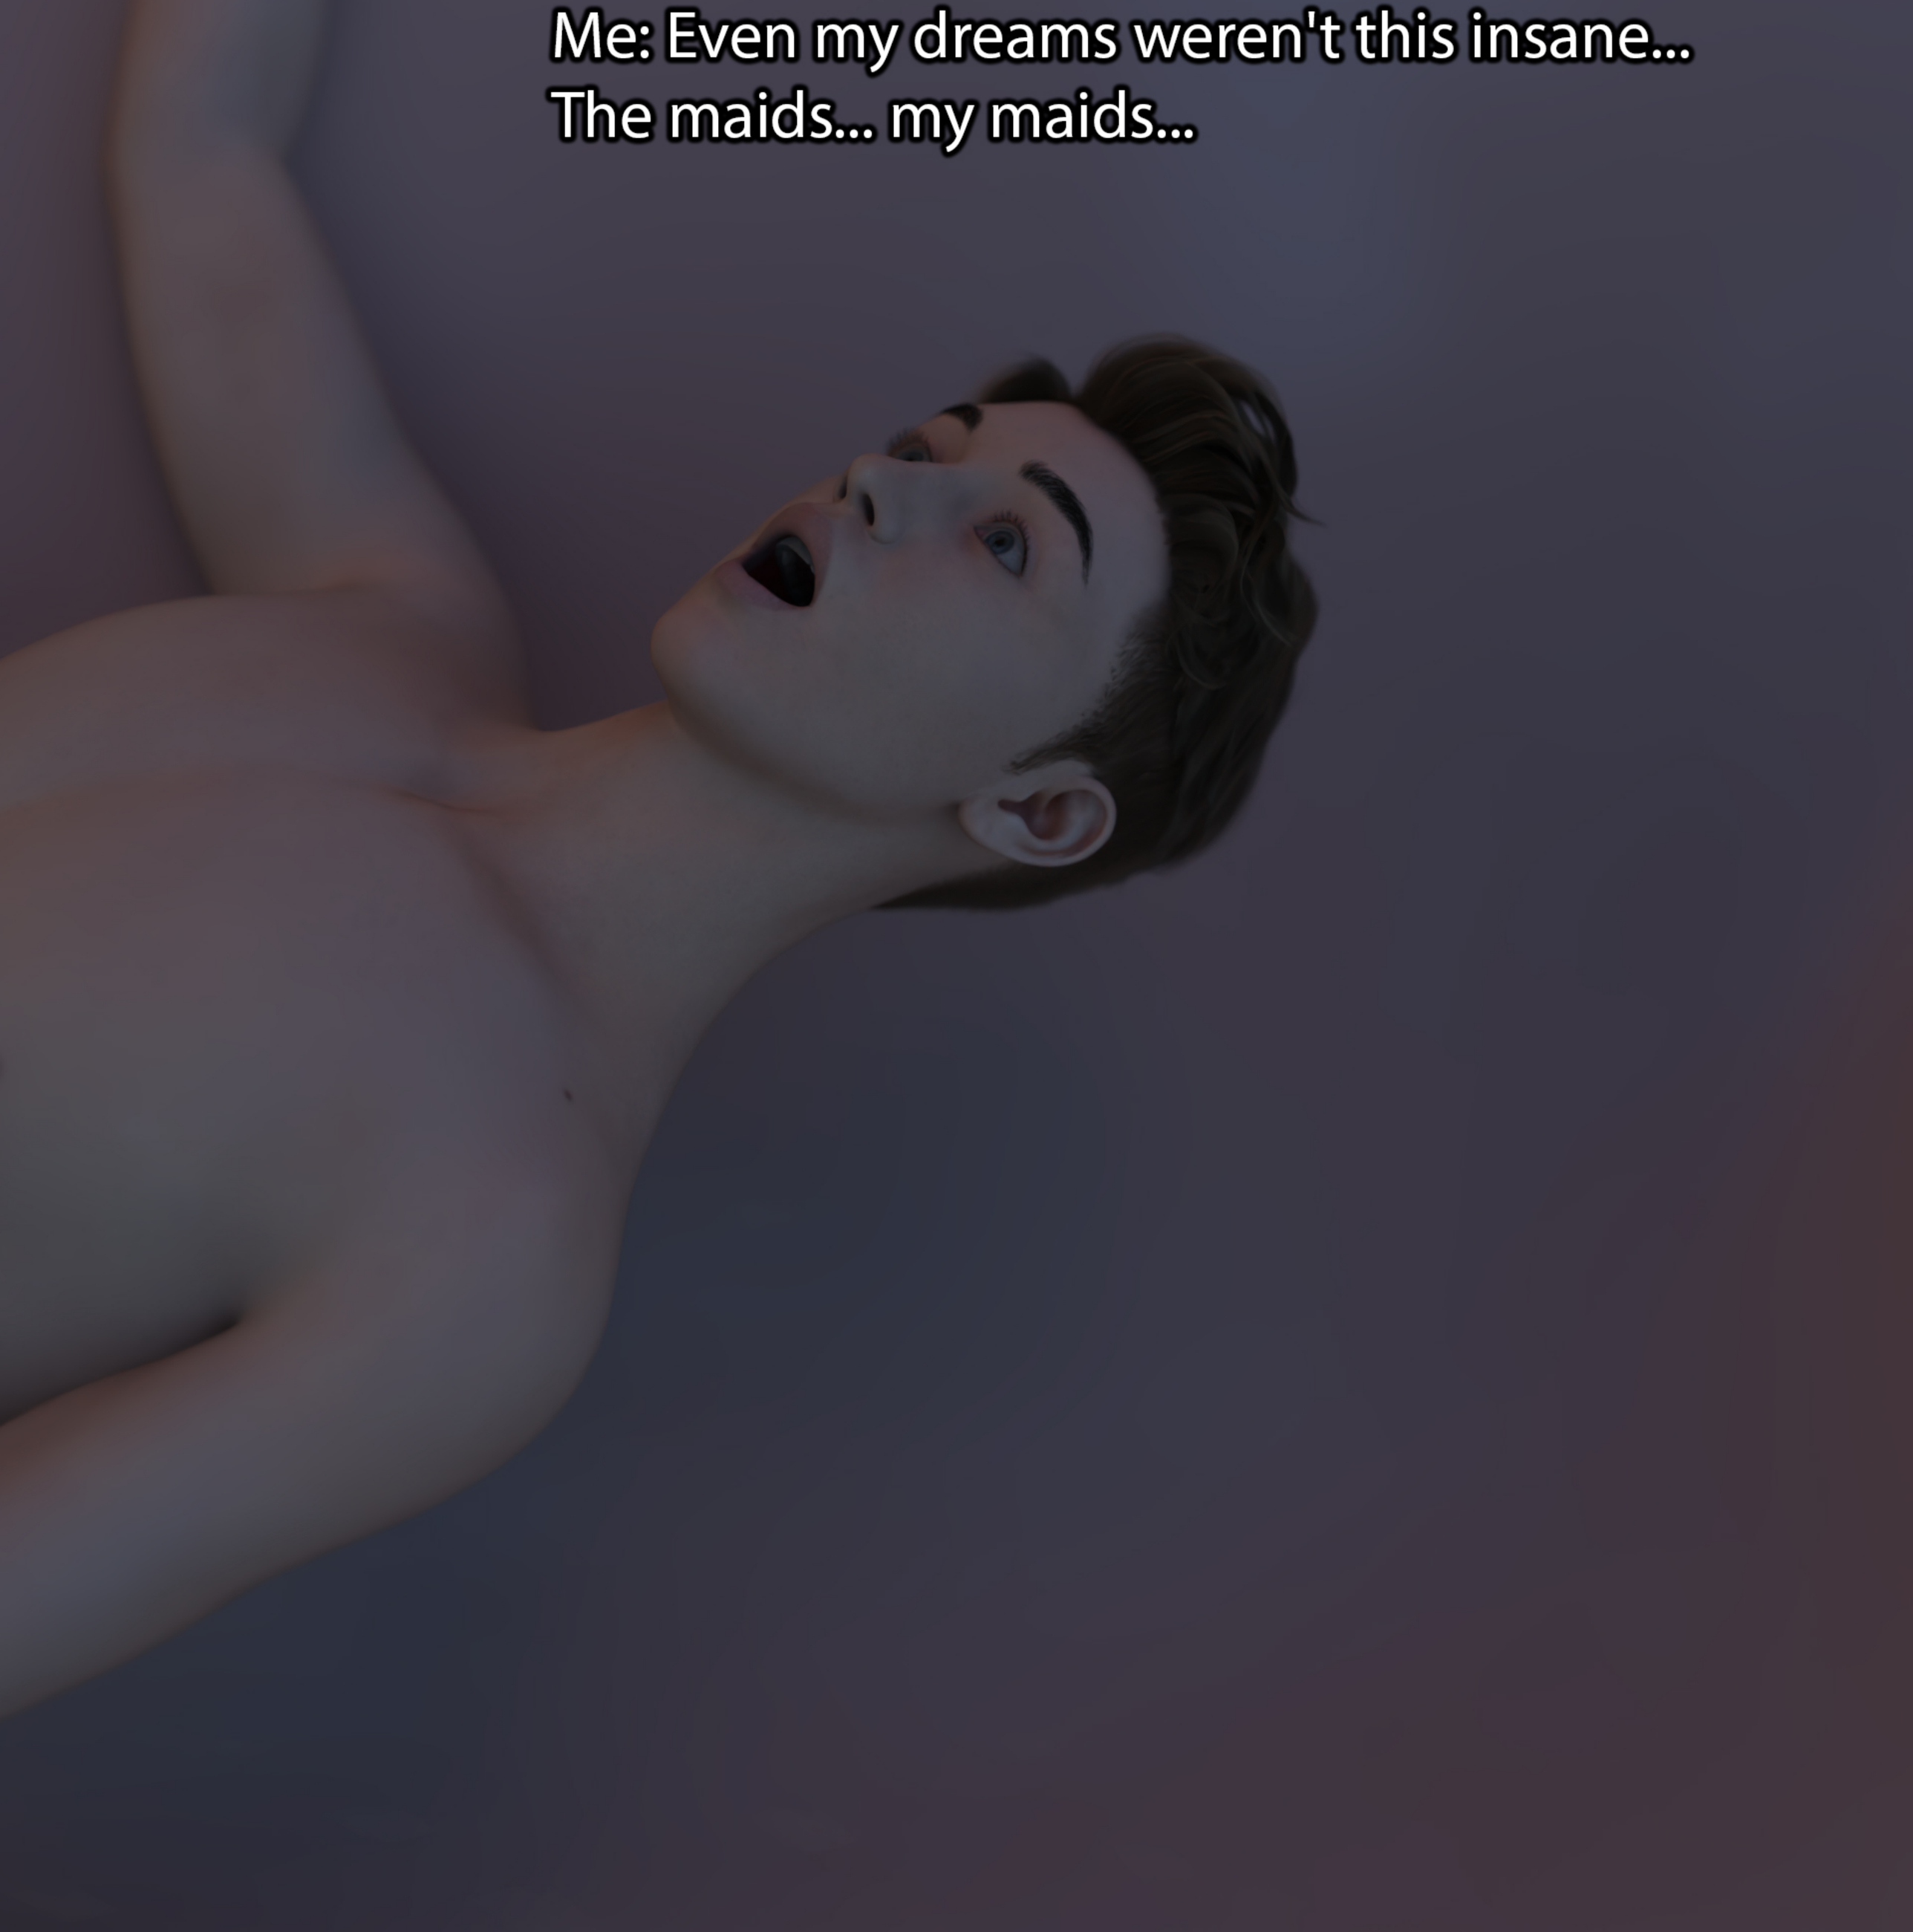

Me: I... I'm speechless... This is all so overwhelming.
You all look like giantesses to me now.

Stella: There is definitely something
you can say, cmon... Don't be shy.
What do you think?

Me: Like... like...

Me: All of this is just... beyond what
I could ever think of... It's surreal.

Me: Even my dreams weren't this insane...
The maids... my maids...

Me: Are just absolutely humongous... all of them... and
I can tell them stuff... It's crazy.

Stella: Hehe... I'm glad you value this spot you've got... makes my heart warm... Knowing I can make you feel this way is amazing.

Abigail: OOoh... Wow... This is indeed pretty awesome, girls...
I can see everything from up here.

Natalee: Can't even lie, happy for you, Abi... You've earned it.

Imane: You do deserve it more than anyone here...
It's amazing to see you like this.

Stella: Don't know about that, but sure... I can agree...
You look incredible, Abi.

Abigail: Hehe... Thank you, girls... It means a lot to hear that from you all.

Abigail: The view up here does seem nice... Everything looks so small and manageable.

Abigail: And you girls down there look so so cute...
like Barbie dolls... It's adorable.

The girls: That was so mean from you, Abi... But thanks, I guess.

Abigail: Hehe... Can I have some fun with you girls too... It's funny, hehe... I want to play around a bit.

Natalee: We are just messing with you a little... No harm intended.

Imane: Of course, you can, hehe... We're all here for a good time.

Stella: I like this side of Abi... More of a personality, hehe...
It's refreshing to see you like this.

Me: Yeah, it sounded weird a little, but... I also like it... It's nice to see you all enjoying yourselves.

Me: WAIT WAIT WAIT!?!?? WHAT THE FUCK IS THAT THERE???
pointing at something in the distance That looks huge...
and it's moving!

Stella: WAIT? IS THAT... Estella?!

Imane: I CAN'T BELIEVE MY EYES HERE...

Nataleе: OH MY GOSH? IS THAT REALLY YOU?!

Imane: OH MY GOD, YES, ESTELLA?!!

Natalee: IS THAT REALLY YOU, ESTELLA?!?!

Abigail: What did you say, girls?
Estella? What?

Abigail: Wait, I do feel something behind me... wait, what... no way is she... Is she really that big?

Abigail: Ooh my gosh... what the... she is so big... how... where did she come from, huh???

Estella: Mmmh.... ooh yess... I've been waiting for this moment.

Estella: I hope I wasn't too late for the party, girls...
Am I big enough?

Estella: Amm... I guess so, hehe... I'm like... a lot bigger than you girls...

Abigail: Late, yes, but... you nailed the height...

Estella: I think I did indeed... You girls do look tiny, hehe...

The girls: You overdid it, Estella... Once again...

Abigail: Where were you... You were supposed to come the same time as Natalee did... what happened?

Imane: Hahahaha... that's like super super late... hehe...
Where have you been?

Natalee: I completely forgot about it... that late...
how did you even find us?

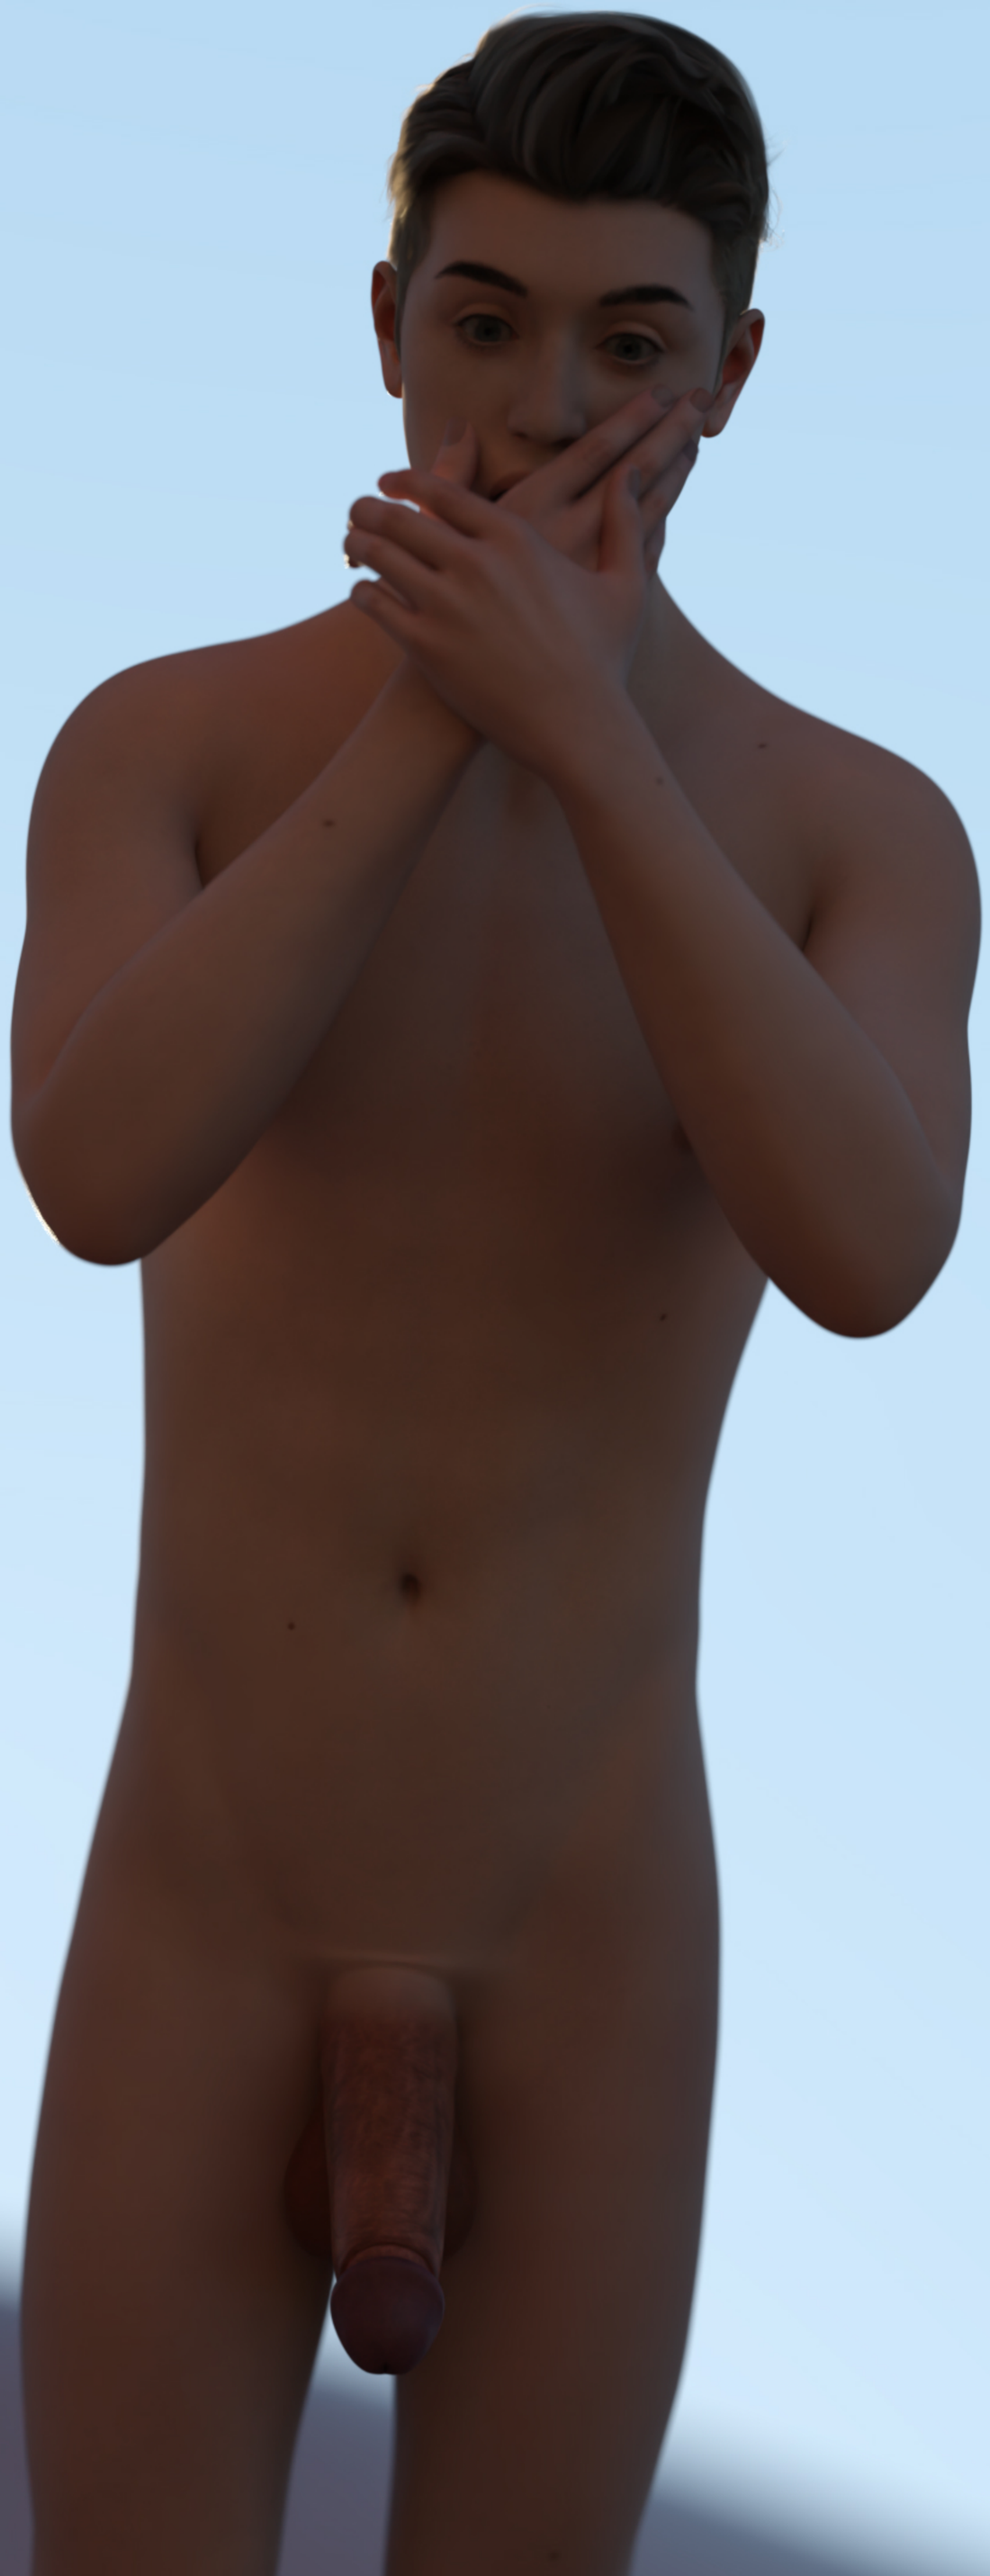

Stella: That early? Like... I've been here forever and...
now you are here... what?

Me: Ooh my gosh... A new girl, what the fuck...

Me: What the fuck is going on... I think I've seen her before... she seems familiar, wait... Is that Estella?

Me: Oh my gosh, is that... The Estella...
My old classmate's sister... wait, wait... huh...

Me: Wait... this this... ooh... I'm starting to overthink here...
This can't be real.

Me: The city as it is, is quite big... the buildings tower over me... But...

Me: But looking at the girls right in front of me... they are so so much bigger... this is just... man...

Me: Stella... Did you hear all of what I just said... was I too loud...?
I'm kind of freaking out here.

Me: Judging by your expression... you are having way too much fun with this. This is crazy.

Stella: Hehe... This is so funny... You know Estella personally...
I didn't expect that...

Estella: Is that the master over here? On your nipple, Stella?

Me: Woooah... What's that??? A fingernail??? It's enormous!

Me: Ooh my gosh... she is so freaking massive...
I'm like a little scared to meet her...

Estella: Let me take a closer look... I want to see him up close...

Abigail: Woooah... You are so tall...

Natalee: She really is... just... wow....

Imane: She is always the biggest for some reason... It's like she's in a league of her own.

Estella: So, Abi... Tell me about him... How is he...

Abigail: You will actually be surprised...

Estella: Surprised? How?

Abigail: Like, he is so so much better than the previous one... You'll love him...

Estella: Ooh, like that... okay... that's a good start...

Imane: I can vouch for Abi... He really is truly nice...
'Like... really...

Natalee: I've seen him the second longest and...
Couldn't ask for a better young master...

Stella: Me the least of course... but... he is actually quite fun... hehe... It's been a wild ride.

Estella: I've got to see that for myself now for real... come here...

Stella: Hehe... Just be careful with him... He is really tiny...

Me: Wooah...

Me: What the fuck... Her fingernail is so massive...
my god... I feel like a speck of dust.

Me: Oooh... This is so overwhelming, like that...
I can't believe how small I feel.

Me: What will happen next... where will this go from now...
how will Estella, the new maid, think of me... ooh man...
This is all so surreal.

THE END OF SEASON 4!

Thank you so much for sticking with this series – it truly means the world to me! I'm thrilled to announce that a new season is in the works and will be here before you know it. Stay tuned for more exciting updates!
