Me And My Giantess Maid 49

Me: Ooh my fucking gosh... A gigantic new maid... bigger than all the rest... I'm so nervous and excited all at once. What have I gotten myself into?

Me: What am I going to do.. fuck.. I'm on her god damn nail... it's huge and I feel so tiny up here. This is insane.

Me: Her finger nail is like a fucking football stadium for me... I'm going to fall and die if I'm not careful. This is way too high up.

Stella: Aaaw... Is someone nervous, little master...? I know you are, hehe... Estella is your new maid. You're safe with me.

Natalle: Estella, please go easy on him... be on his good side... *Her tone is gentle yet firm, laced with protectiveness.* He's new to all this.

Imane: And he will be on yours... he is really great, young master... *Imane's voice is warm and admiring.* You're going to love Estella.

Natalee: Ooh indeed... we are so far back from them... Their pussies must be like fucking chasms.

Imane: My gosh... they are both huge... Even Abi is frigging gigantic... Her tits are massive, and her ass is to die for.

Abigail: Yeah, the other girls are correct indeed... really great he is...

Estella: Oh is that true, Abi...? H*er voice is sultry and teasing.* "I bet he's got a cute little cock."

Abigail: Ooh yeah... nothing like his dad... he is complete opposite...

Estella: Hmm... I might just make the return then... why not...? I think it's time for a change.

Estella: Well, I actually have already, haha... Let's just say, I've taken the initiative.

The Girls: Haha... Indeed you have... You never cease to surprise us, Estella.

Abigail: He is on your fingernail, get him closer to us then... Let's bring him into the fold.

Estella: Okay, I'll try to be really gentle with him then... I don't want to overwhelm him with my massive tits and pussy.

Estella: Ooh gosh... Haven't been this big in a minute... It's crazy to look down at other girls too, haha... I can see right into their tops,

Abigail: Ooh I bet it is... You must have a bird's eye view of everything.

The Girls: We heard you too, btw... Your moans are echoing all the way down here.

Estella: Ooh I gotta squint my eye good... he is so so tiny... compared to us... He's like a little ant on my fingernail.

Abigail: Well we are just huge... very very huge... Our tits and asses are like mountains compared to him.

Abigail: So master amm... This is Estella... aamm... yeah... she is really sweet... and she knows how to use her massive body to please.
Estella: Well hello there... new young master... I'm Estella... a former maid... and I'm here to make all your wildest dreams come true.

Me: Ooh my... aah.. aah... Idk if you can hear me... hopefully... but yeah... nice to meet you... Your presence is overwhelming, and I can feel the heat radiating from your body.

Me: Wooah... Ooh my... Try not to move too much... I'm bouncing over here... Every step you take is like an earthquake, and I'm just a tiny speck in your vast landscape.

Me: But yeah... Aaah.. Nice to meet you two.. ooh wow... sorry for my... amm erection... I can't help it, you're both so stunning and overwhelming.

Estella: Aaaw... That's alright, young master... I'm not bothered by it at all... I like it actually. Your little cock is cute and hard for us.

Abigail: Mmmhmm... we all do, master... it looks great... really great... Your excitement is palpable, and it turns us on.

Estella: Judging from the first couple sentences... you don't act like your pops at all... a lot more shy... I like it... Your innocence is refreshing.

Abigail: Well... Sort of... Not if you known him for a bit... He has his moments, but you're definitely your own person.

Abigail: I think we should do something fun, the three of us... what do you think, Master...? Let's spice things up a bit.

Master: aah.. Aah... Yeah... Sure... why not... I'm game for whatever you have in mind.

Estella: Ooh I'm down for some fun... For sure... I've got plenty of ideas to keep you entertained.

Me: I'm really tiny as it is... I'm grateful I still have a say... Yes, let's do something... I trust your judgment, even if I'm just a speck compared to you both.

Imane: What they will have fun without us, huh... is that for real? They're just getting started, and we're already being left out.

Natalee: Ooh... this is pathetic... we are still here and they don't even see us... They're so focused on each other, it's like we don't exist.

Stella: Haha... This is fun... Drama... Alright, girls... Let's give them a show they won't forget.

Stella: Girls, girls... I think we got some catching up to do now... We can't let them have all the fun.

Stella: Shall we just eat each other out what now and grow like crazy...? Let's show them what real pleasure looks like.

Stella: We could catch up and... just... get even ahead of them... Let's make sure they know who's boss around here.

Natalee: Mmhm... I like where you're going with this... This could be the boost we need.

Imane: Great idea there, tiny... Stella... hehe... Let's show them how it's done.

Imane: Let's just do it right now... we have to... No time to waste.

Natalee: Yes... We are big but... compared to them, we're so tiny... We need to even the playing field.

Stella: Ooh yes... I'm tired of being the smallest... It's time for a change.

Stella: Just looking up there... ooh... I'm so jealous... They're so massive and powerful.

Natalee: We will get there... Mark my words.

Imane: Have to... only option, hehe... We can't afford to be left behind.

Imane: Ooh my gosh.. fuck... Natalee... You are so good at this... Your tongue is magic.

Natalee: MMmpph... yes... mmpph... and I'm also getting ate out, ooh fuck... This is incredible.

Imane: Ooh my gosh... fuck... you are doing such a great job... ooh fuck... Your tongues are magical.

Imane: But we still got a long way to go, girls... lets do it: We need to catch up and surpass them.

Natalee and Stella: Yes, Ma'am... We're ready for whatever comes next.

Abigail: Aaaww... look at them cuties down there... hehe... They're having a blast.

Estella: What are they doing there? It looks intense.

Abigail: They all are having fun already down there... And from the sounds of it, they're not holding back.

Estella: Well, it's only right when we also get it started, then, won't we, Abi...? I'm ready to dive in.
Abigail: Ooh yess... Mmphh... I'm so ready... I hope you are too, Master...
Me: Well, of course... I'm here for whatever you both want.

Abigail: Alright, I'll change positions then... Let's make this interesting.

Estella: Okay... Good girl... You know what to do.

Abigail: So what's the plan, Estella... How can we apply, Master...? I'm all ears.

Estella: Ooh, I have the perfect formula for that one... watch this... You're in for a treat.

Abigail: Okay, I'm intrigued... What do you have in mind?

Estella: Mmmh... right in my mouth... It's the best way to ensure maximum effect.

Abigail: WHAT? ARE YOU CRAZY? Is this even safe at this size...?

Estella: Ooh, he will be fine... the ride of his life... Trust me, I know what I'm doing.

Me: Holy fuck... I'm in the new maid's mouth... Estella, I think she was... about to swallow me whole.

Me: Holy fuck... I'm flying across her mouth... her tongue is so frigging huge... man... I can barely keep up.

Me: And what a beautiful sight this is, wow... my gosh... Her pussy is like a vast landscape, and I'm just a tiny explorer.

Estella: I think it's time, little one... come here... I want to eat you out... Let's take this to the next level.

Abigail: Eat me out... ooh I'm so excited... It's been so long... hehe... I need this so bad.

Estella: Ooh yeah... come here, baby... this feels so good... mmh... Your body is responding perfectly.

Abigail: Ooh my gosh, your tongue work is so good... ooh fuck... You're driving me wild.

Estella: Mmphhh... I know it is... I can taste your desire.

Abigail: And Master is probably inside me, ooh fuck... this is so hot... ooh...
I can feel him everywhere.

Imane: Ooh gosh... girls... I think they started it as well... we have to catch up now...
We can't let them have all the fun.

Imane: OOh, Natalee, you are eating me out so good... fuck, this feels great... Your tongue is magical.

Natalee: Yess... This feels so good... Stella... I think you are up first...
You deserve this pleasure.

Stella: I'm shaking already, holy fuck... ooh fuck... I can barely contain myself.

Stella: Ooh my gosh... I'm starting to grow... I can feel it happening.

Natalee: Wooah... She is... Look at her expanding.

Imane: Is she? This is incredible to watch.

Imane: Ooh my gosh... I can feel the change... It's like an electric current.

Natalee: Yes, I feel it too... It's intense.

Stella: Ooh fuck... This is amazing... I'm getting taller and stronger.

Imane: You're glowing, Stella... It's beautiful to see.

Natalee: I think we should all focus... Let's channel our energy together.

Natalee: What the heck... this growth spurt was massive, what the fuck...
I've never seen anything like this.

Imane: Ooh my gosh... I was just blown off... wow... That was unexpected.
