Me And My Giantess Maid 50

Imane: Ooh my gosh... Fuck... This felt so good... Will it continue?!??!

Imane: Hooly fuck... I got so huge so quickly.. my god... mmmh... I can feel every inch of my body stretching and growing!

Natalee: This is so awesome... We're all gigantic now, girls... We did it... Look at us, towering over everything!

Stella: Yeahh... Mmphhh... I'm the tiniest and y'all are on top of me... I feel so small and helpless under your massive forms!

Natalee: OOpsie... Shit happens, you know, Stella hehe... but glad we caught up... Who needs to be the smallest when you can be the biggest?

Stella: Yeeah... Mphh... the most important part of course. Now let's see how far we can go with this new power!

Imane: Ooeh... but I feel like someone is about to catch up... Abigail, I feel will be the biggest... She's always been the most ambitious of us all.

Estella: Mmmphh... Mmphh... lick Your pussy is so delicious, Abigail... I can taste your power.

Abigail: Ooh fuck... aaah... Your tongue is magic, Estella... I'm losing myself in this pleasure.

Estella: Yess... I want you the biggest, Abi... Grow for me, girl... Let me feel you expand and become the ultimate giantess.

Abigail: Hooly fuck... this feels amazing... Aaah... It's getting so close... I can feel the power surging through me, making me bigger and stronger.

Abigail: Ooh fuck... mmmphhh... I'm almost there... Just a little more and I'll be the biggest of them all!

Estella: Mmmmh... lick Keep going, Abigail... Let it all out and become the giantess you were meant to be.

Natalee: Ooh wow... it's getting close... Abigail is almost there... I can feel the energy shifting, and it's incredible.

Natalee: I'm wondering how big she will get now... Abigail's growth is incredible, and I can't wait to see the final result.

Stella: I just hope not on me... I'm already being squished as it is... I can barely breathe under all this weight!

Imane: Ooh yeah, that too... fuck... hopefully not... I don't want to be crushed either. This is getting intense!

Abigail: Ooh my gosh... Fuck... Fuck... OOooooh...
I can feel it... I'm
growing faster than ever...
It's overwhelming
and amazing all
at once!

Abigail: Ooh my gosh... I'm growing...
Ooh fuck... I can feel every inch of my
body stretching and expanding...
It's incredible!

Abigail: Ooh fuck... I'm so big now...
I can see everything from up here...
It's like I'm on top of the world!

Abigail: Ooh my god... I'm towering over everyone... I can barely believe it... I'm the biggest giantess here!

Abigail: Ooh fuck... My body is throbbing with power... I feel unstoppable... Like nothing can bring me down!

Abigail: Ooh my gosh... I'm so huge... I can feel the ground shaking beneath my feet... It's amazing!

Estella: MMpphhh... I can't hold you much longer, fuck... You're getting so heavy and massive... I'm struggling to keep up!

Abigail: Ooh no... I'm about to fall... fuck.... My body is so huge and unwieldy... I can barely control myself!

Abigail: Ouch... Mmmmh... That was a close call... I almost crushed everything beneath me.

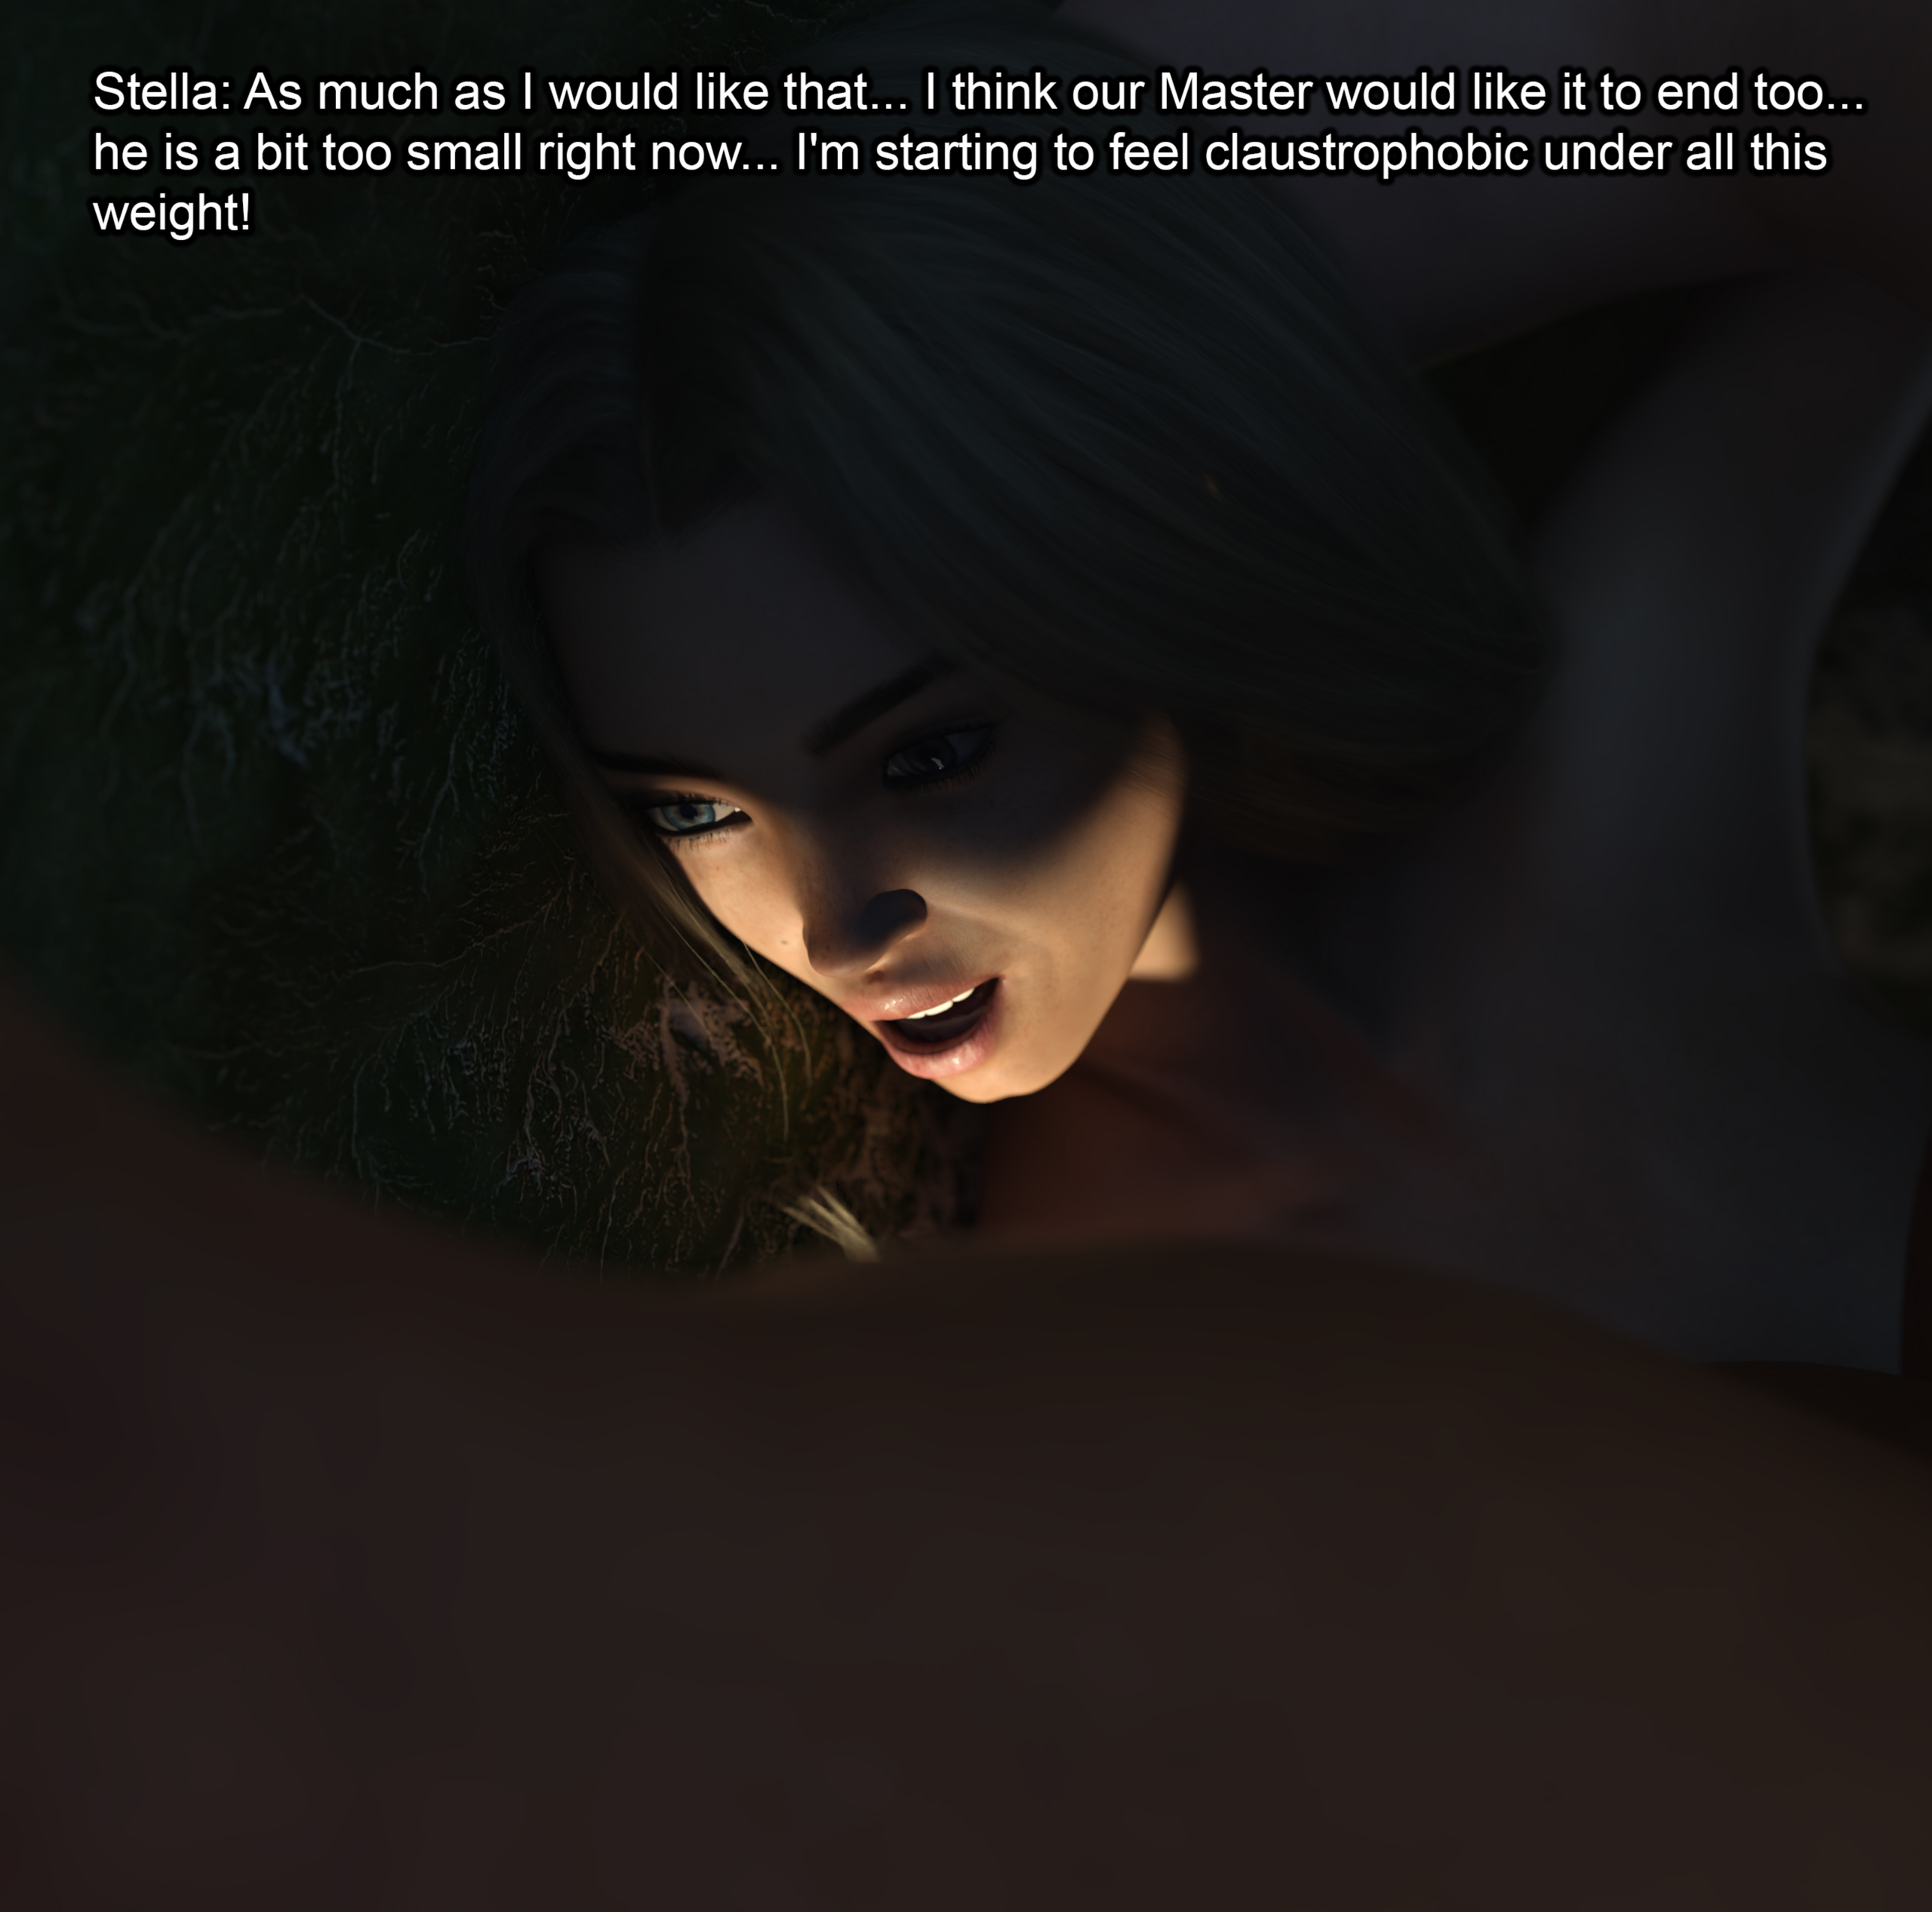

Stella: That was so friking close... I'm alive, though... Just barely! You're a monster, Abigail!

Abigail: Jeesus... ooh... I think... we've done enough here, girls... I'm so big now, I can barely move without causing chaos.

Abigail: Girls... We're all colossal... shall we end this maybe? I'm not sure how much more of this I can handle.

Estella: Of course you would say this... you are the biggest... I just got here, though... I want to see how much more we can grow!

Stella: As much as I would like that... I think our Master would like it to end too... he is a bit too small right now... I'm starting to feel claustrophobic under all this weight!

Natalee: Hearing that from Stella is surprising... I'm in with this... I'm curious to see how we'll manage to shrink back down safely.

Estella: Okay, so Amm... Shall we just... shrink down to normal size? I want to make sure we do this carefully so no one gets hurt.

Imane: Well, that's how it usually goes, but extra careful, Estella... We don't want to accidentally crush anyone in the process!

Abigail: Exactly, since Master is in your mouth... but girls, let's make sure we all communicate clearly. We need to work together to shrink down safely.

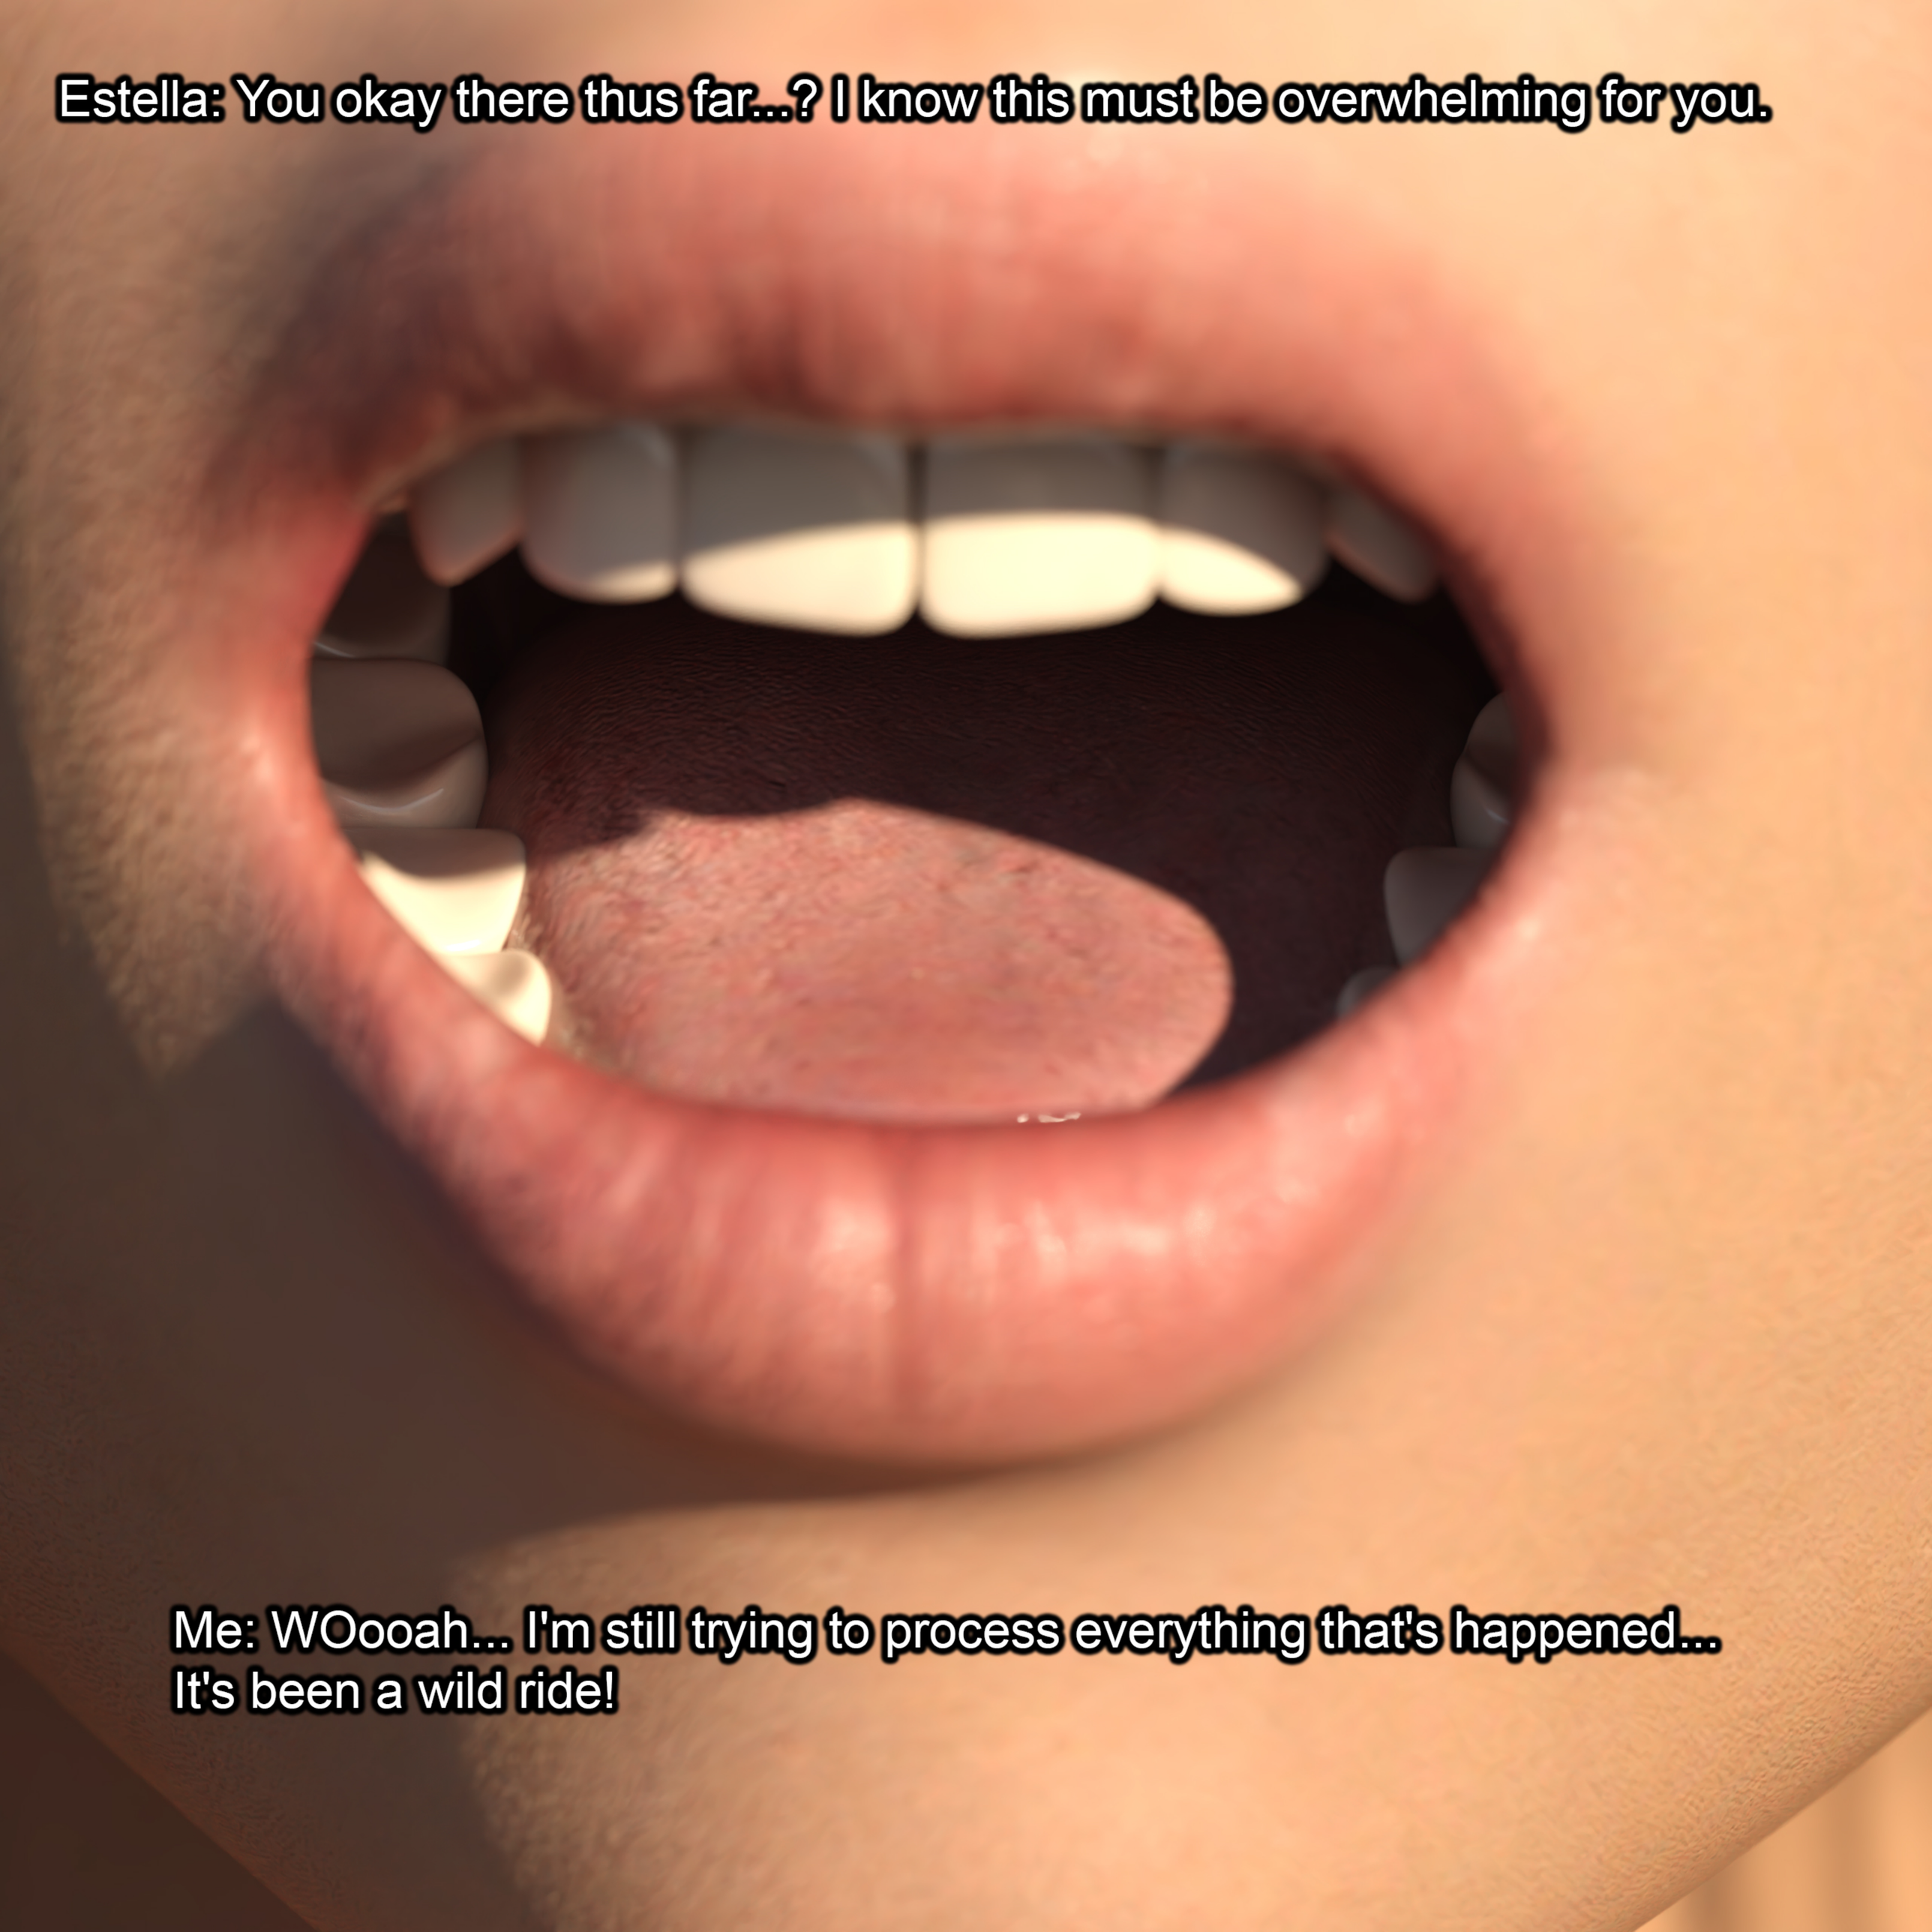

Abigail: So we all agree that we should shrink to our normal heights... including Master... It's time to return to our usual selves.

The Girls: Yes, Ma'am...

Estella: Okay, Master... you heard them... I will be extra careful with you... mmmhm...
I don't want to accidentally squish you.

Estella: You okay there thus far...? I know this must be overwhelming for you.
Me: WOooah... I'm still trying to process everything that's happened...
It's been a wild ride!

Me: I'm so friking dizzy... Just been a constant rollercoaster, wow... I feel like I've been through the wringer!

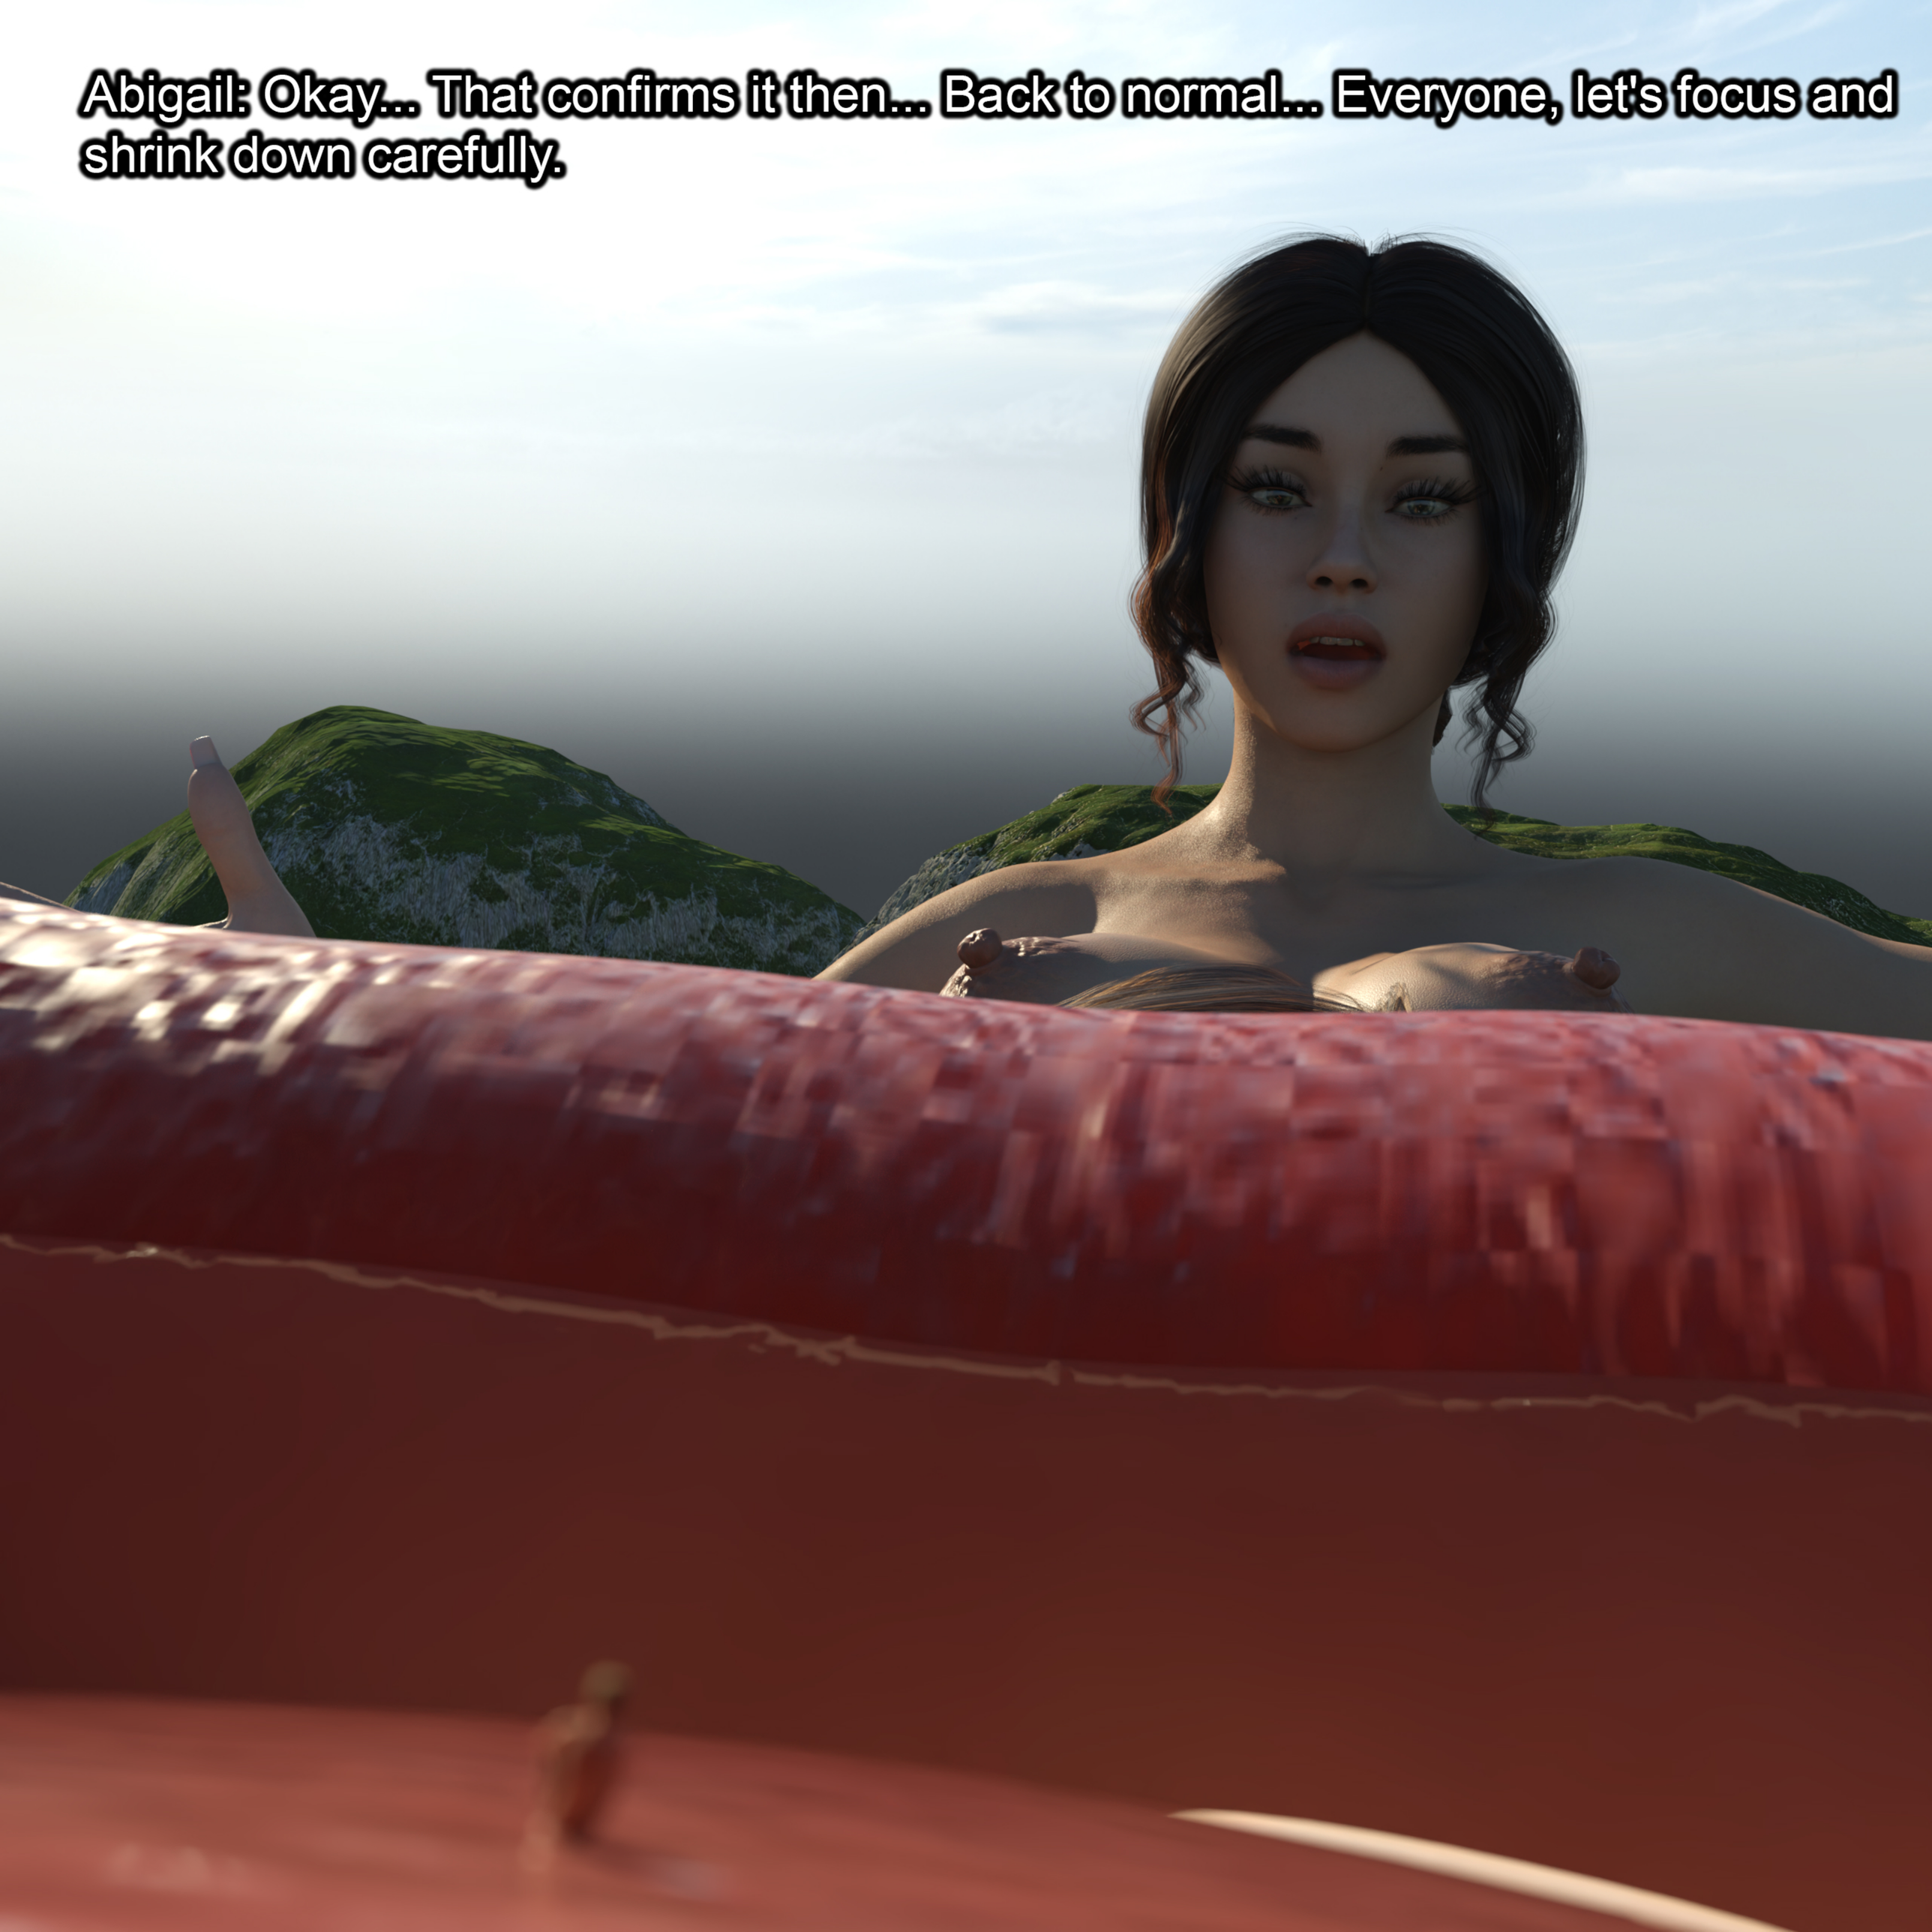

Me: I heard you girls wanted to get back to normal... I agree... I think we've all had enough excitement for one day.

Me: You girls are plenty big... I think it's time to shrink back to normal size... We've got other stuff to do, and I need to make sure everyone is safe.

Abigail: Okay... That confirms it then... Back to normal... Everyone, let's focus and shrink down carefully.

Abigail: You heard the boss, girls... Time to shrink back... Let's do this together and make sure no one gets hurt.

The Girls: Let's do it then... 3..2..1... *shrinking sounds and sensations*

The girls: Ooh... It feels good, you know... after a while... to shrink back... It's like a release of tension, and we can finally relax.

The girls: *sighs of relief I* didn't realize how much energy it took to stay that big... I'm so glad we're turning back to normal.

The girls: *giggles* It was fun while it lasted, though... Who knew being a giantess could be so exhilarating?

The girls: *stretching* I feel so much lighter now... Both physically and mentally. It's like a weight has been lifted.

The girls: *smiling* Thanks, Master, for the experience... It was quite the adventure! Let's see what else we can get into next time.

The Girls: Ooh... We're back... shrinking has been successful... It's a relief to be back to our usual selves.

Imane: My gosh... It's so weird, haha... We're back in the city, haha... Everything looks so different from this perspective!

Natalee: Haha... this is funny... Ooaah... concrete is so cold... I forgot how hard and unyielding it can be!

Estella: Funny being this size too... Haven't seen you girls this height in a minute... It's like a fresh start!

Stella: Yeah... But glad we're back... We can be "semi-regular" humans again, haha...
No more towering over everything!

Abigail: Yeahh... Master... how was it... we didn't go too far, did we? I hope you're not too overwhelmed by the experience.

Me: Ooeh... This went a bit too far, but... I'm alive... Well, that's a plus! I can't believe we all survived that.

Me: We all made it in one piece, did we, girls?

The Girls: Heck yeah, Master!

Me: And you were Estella, right... nice to meet you for real now, haha... It's a bit surreal after everything that's happened.

Estella: Yeah, sure... You seem fun...
Way better than the previous guy...
He was a real drag.

Me: The previous guy actually was my father... I've only heard negatives about him too... Guess I'm lucky to have you girls instead.

Estella: Yeah... unpleasant he was... but... everyone has bad sides... At least you've got us to keep things interesting!

Me: Yeah... Is what it is... I'm just grateful to even be in this position... With all of you.

Estella: Ooh, are you really... I see you also got a problem there... want me to take care of it...? I can make it all better.

Estella: It's the least I can do for you to accept me into the maids group... Consider it a welcome gift.

Estella: Come here, young master... let me suck you dry... I'll make sure you forget all your troubles.

Me: Wooah... You didn't really have to do all that... ooh fuck... mmh... this feels nice... I can't believe how good this is.

Estella: Ooh, you've got quite a package down there... This is great news... mmh... I'm going to enjoy this.
Me: Ooh fuck... I can't even concentrate... mmh... Your mouth is incredible.

Me: Ooh fuck... I'm getting so close... Ooh fuck...
I can feel it building up... It's overwhelming!

Estella: Mmmh... Good... young master...
I can feel it too... You're almost there.

Abigail: That was quick... they've known each other forever, it seems, haha...
Estella always was quick on the draw.

Stella: He is grown a lot with us, really... I mean, he passed my test, hehe...
He's come a long way.

Imane: It is amazing to see, isn't it... I'm so proud of him... And he deserves it all...
He's been through so much.

Natalee: And more than that... We've been so free under him... doesn't demand a lot... He lets us be ourselves, you know?

Natalee: That's a good Master to us... I love him so much... We've got to keep him safe... He's our everything.

Me: Ooh my gosh... FUck... so many compliments... ooh... I'ma bout to... This is too much... I can't hold back any longer.

Me: I'm about to cum, Estella... Fuck... Oooh... Fuck... I can feel it...

Estella: Ooh yeah... Mmmmhmm...
I can feel it too... Give it to me,
young master.

Estella: Fill my mouth with it... I want it all, good boy... Don't hold back...
Let it all out.

Me: Ooh fuck... Here it comes... Aaah... *groans deeply* Estella... mmmh...

Estella: Mmmhmm... *sounds of swallowing*
That's a good boy... You did so well.

Estella: Ooh and you had a huge load too... It tastes so good, young master...
I could get used to this.

Estella: Young Master... Huge Cock... And extremely polite and nice... We're gonna get along so well... You're everything a girl could want.

Me: Ooah... haha.. good to know... ooeeh... I'm glad you think so.

Me: I'm so embarrassed the others watched us... I feel like I should be used to this by now, but...

Estella: You've been to orgies so many of them and you still are? Come on, you know you love it.

Me: It's just... I don't know... I guess yeah, but I still do... It's a bit overwhelming sometimes.

Imane: So what now, Abigail? Where do we go from here?
Natalee: Yeah, what's the plan now? Where should we go? I'm ready for the next adventure.

Stella: Yeah... What should we do? What are the options...? I'm open to suggestions.

Abigail: Ooeh... Hmm... interesting... I have a few ideas, but I want to hear what everyone else thinks first.

Abigail: I don't know... maybe our Master has some... interesting spot he wants to go? I'm always up for a new experience.

Me: Aamm... I've got no clue... I'm fine with whatever. I'm already so blessed to have all of you.

Estella: Hmm... I do actually... I know a place... It's perfect for what we need.

Estella: I'm not going to say it out loud, but... maybe a pool or waterpark of some sorts? I think it could be fun.

Estella: That could be a good idea, wouldn't it? A little relaxation and fun in the sun?

Abigail: Oooh... little refreshments... that's an awesome idea, Estella...
Yes, let's do it!

Me: So... What's the plan, girls... what did you come up with? I'm curious to know what you have in mind.

Me: Or are you girls not telling me as per usual... and I'll just see what happens...?
I'm used to your surprises by now.

Estella: It's a secret indeed...
Not yet, little one...
You'll find out soon enough.
Abigail: Trust me... you will love it...
no questions about it... It's going to
be amazing.

Estella: Ooh, we will have so much fun there, won't we, Natalee...? It's going to be unforgettable.

Natalee: Ooh yeah, only good memories from there... mmhmm... You're in for a treat, Master.

Stella: Trust me, Master... It will be the best yet...
We have something really special planned.

Imane: The best... Ooh yeah...
I'm already so excited... I can't wait to
see the look on your face!

Me: And I'm getting no clues what it is... y'all are evil... You're keeping me in the dark on purpose!

Me: I order an answer...
The girls: No... not this one, hehe... We want it to be a surprise!
Me: Ooeh... aight, let's go then... I guess I'll just have to wait and see.

To Be
