Giantess Maid

Me: So amm... Girls... Aaah... What's going on here? Where are we headed?

Me: What's the plan? Where are we going? You girls are being mysterious.

Me: Or you girls just... staying quiet and it will be a surprise...? I'm getting curious now.

Abigail: Well... Estella had the idea... ask her about it...
She's the one with the plan.

Estella: Staying completely silent... But I do know you will like it... Trust me on this one.

Me: Ooh, is that so...? You're making me even more curious!

Natalee: I'm with her on this one... It's going to be such a blast there... You won't regret it!

Stella: Ooh yeah... I'm having some good flashbacks from it... It's going to be amazing!

Imane: Trust me, young master... You'll love it.. 100%...
It's going to be unforgettable!

Me: Okay then... I'm fine with it... But I'm starting to become impatient...
How much longer do we have to wait?

Me: Ooehh... What are we waiting for then...? I'm ready to go whenever you are!

Me: When is the vehicle coming to go or what... It's getting a bit cold out here... I could use some warmth.

Me: And it's quite bold to see to...
one tiny man and 5 mini giantesses...
chuckles This is quite the sight!

Me: Hehe... It could be quite a funny watch to pedestrians... I bet they're getting a good laugh out of this!

Me: Like that one meme on the internet... but a bit different... *chuckles* I feel like I'm living in a meme right now.

The Girls: It is exactly like that, hahaha... *giggle* We're making quite the scene!

Me: Yeaah... This is definitely something people don't see every day.

Abigail: Ooh, someone is shaking a bit, it seems, young master...
You're trembling a little.

Abigail: Could it be because you are excited? *winks* Or maybe you're just cold?

Me: I actually am... quite a lot indeed, Ms. Abigail... *shivers* I can't wait to get inside somewhere warm.

The girls: The vehicle has arrived... turn around and close your eyes... We want it to be a surprise!

Me: Okaay... t*urns around and closes his eyes tightly*

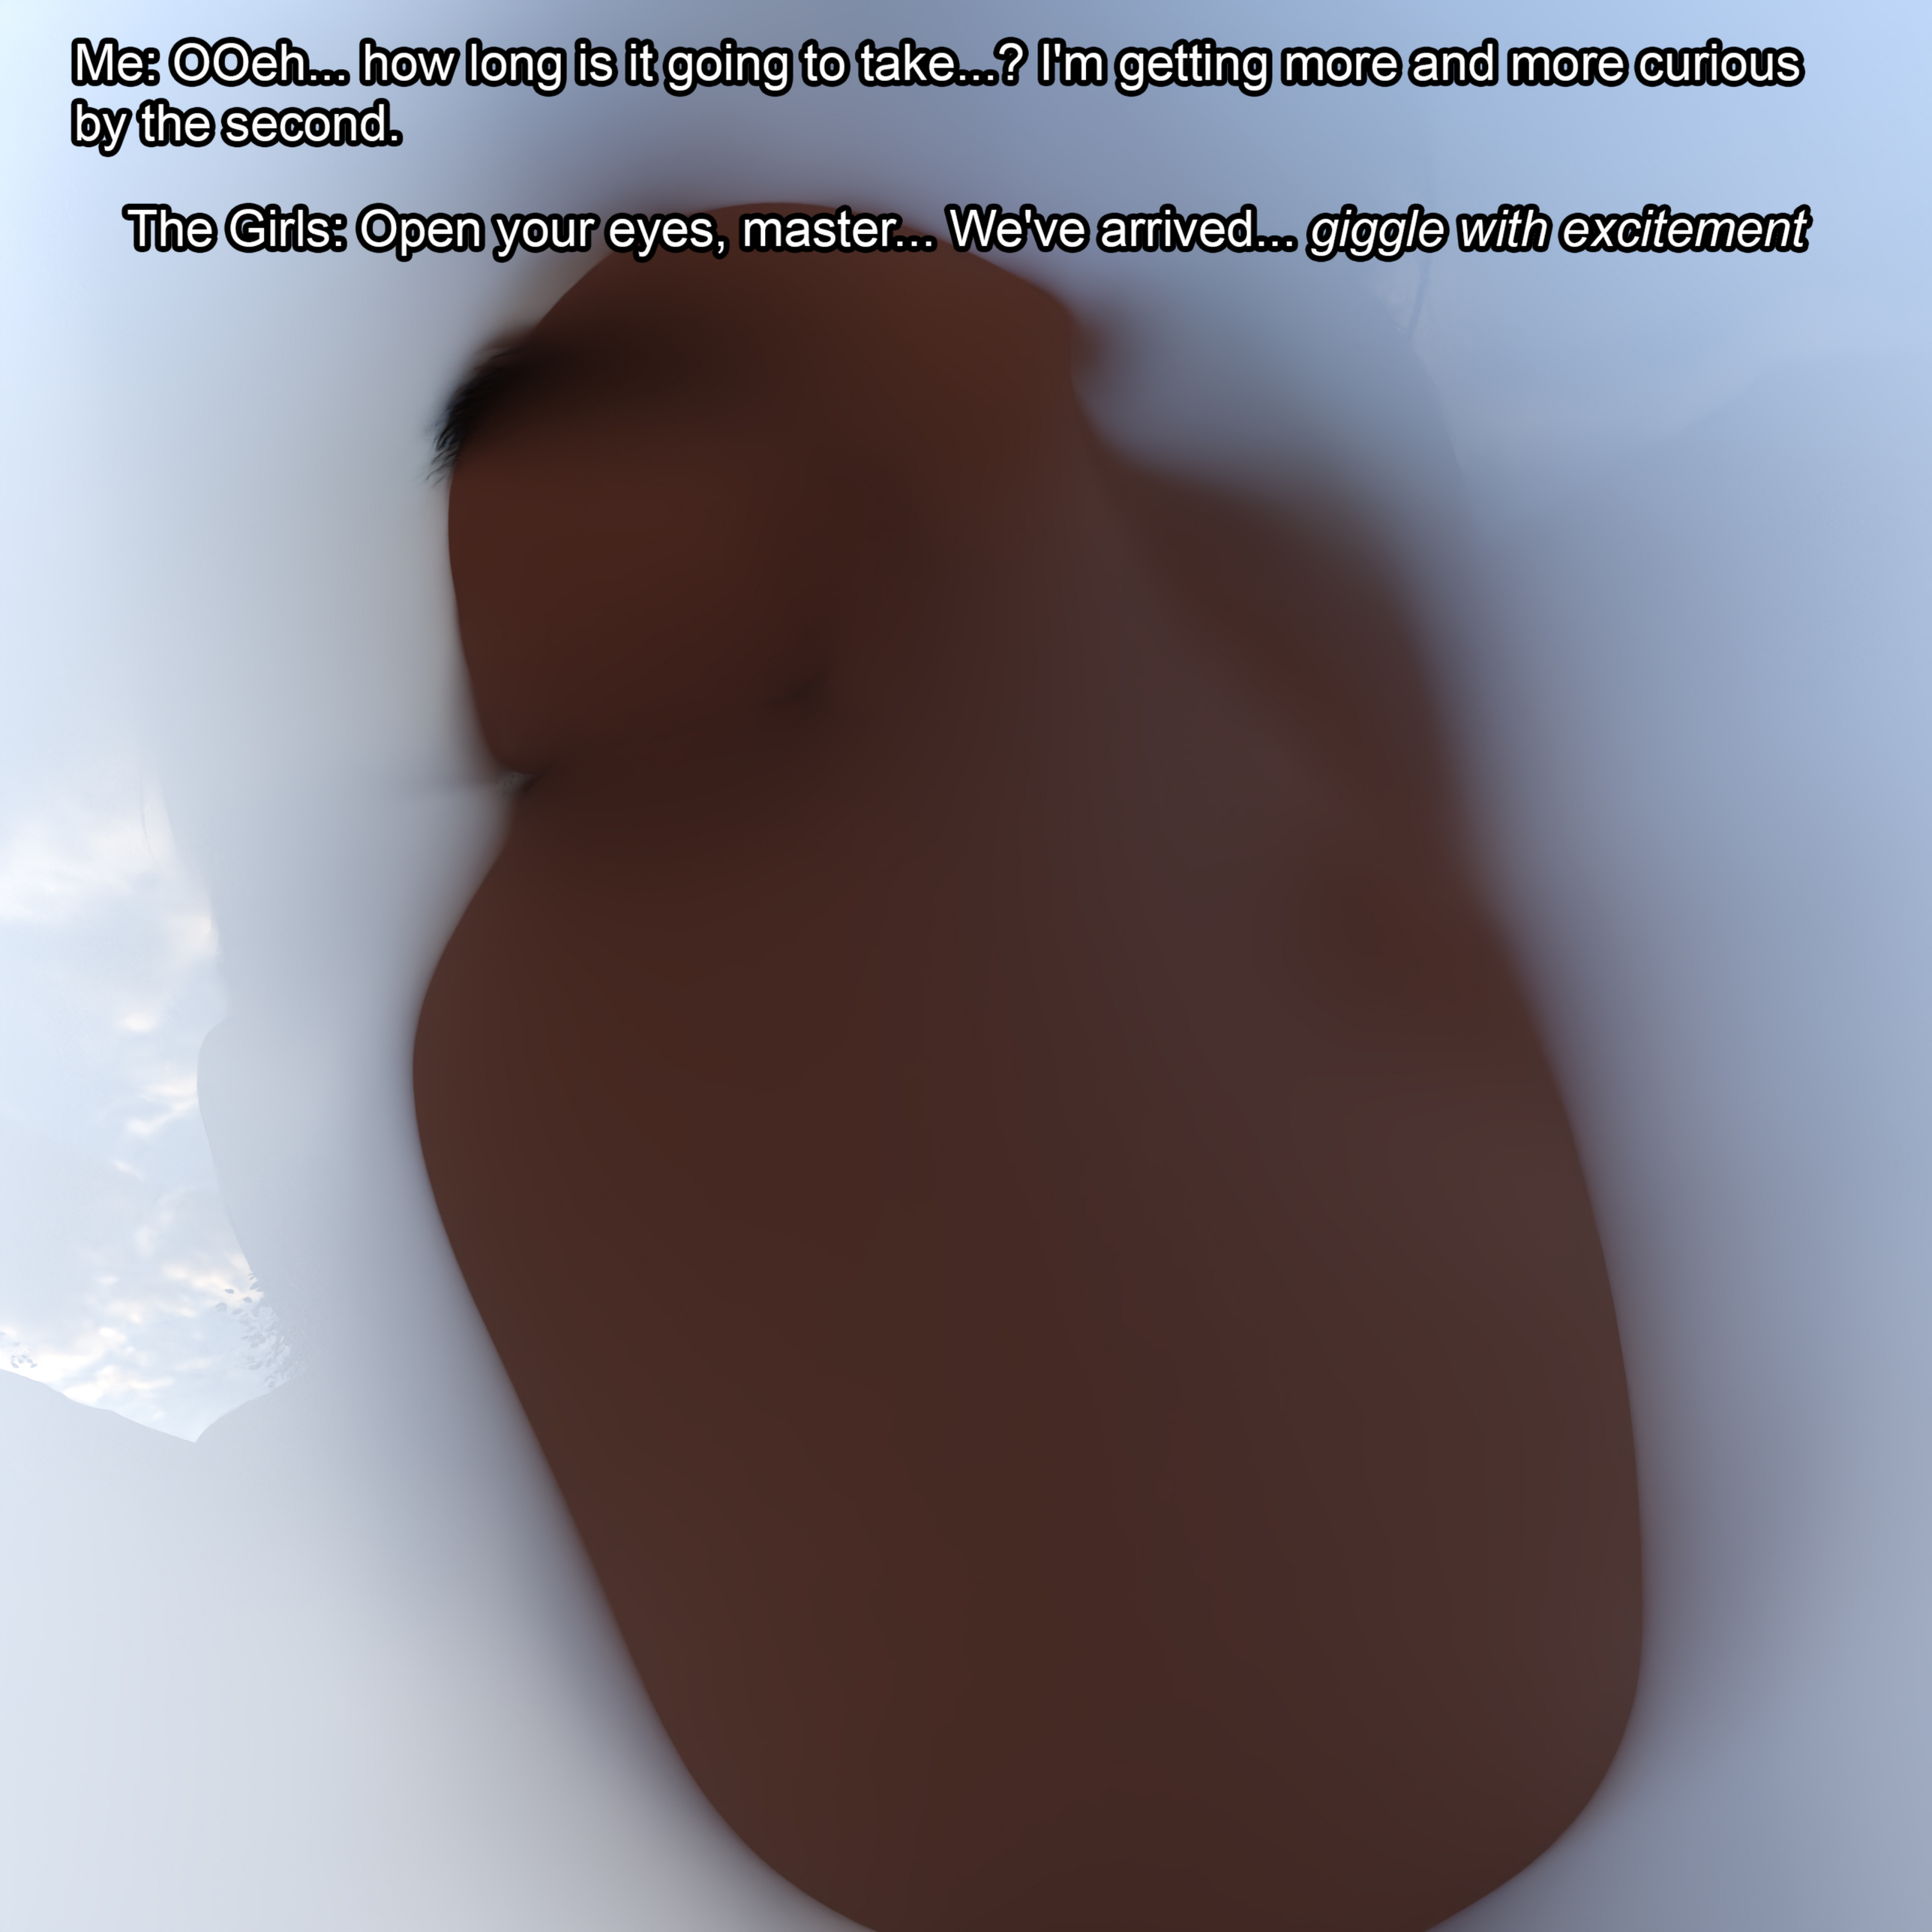

Me: Okay... I'll keep them closed until we are there then... *takes a deep breath*

Me: OOeh... how long is it going to take...? I'm getting more and more curious by the second.

The Girls: Open your eyes, master... We've arrived... *giggle with excitement*

Me: Huh... Where am I? What is this...? opens his eyes and looks around, *surprised* This place doesn't looks familiar...

Me: Wait, what am I looking at... you girls are... still quite naked, huh...?
blinks in surprise

Me: Woaah... *takes in the sight* This is quite the welcome!

The Girls: Surprise, Master!!! *cheer excitedly*

Natalee: We specially picked these for you...
all different colors... Just for you!

Stella: Do you like our outfits... don't they look good
on us...? *strikes a pose*

Estella: It shows our curves perfectly, right, master...?

Abigail: I specially picked all of them for everyone...
I wanted to make sure you appreciated the effort.

Imane: We all look sexy, right...
You look speechless,
Master... *winks*

Me: Well, I am, but... what is the occasion for this...?
still trying to process the sight

Me: What the... no fucking way... girls...
no you didn't... *eyes widen in disbelief*

Me: You brought me to a waterpark.. WHAT THE FUCK!??! *jumps up and down with excitement* This is amazing!

Me: I'm so over the moon... THANK YOU GIRLS!?!?! You've outdone yourselves!

The Girls: We knew you'd like it... No problem, master...
We're just happy to see you so excited!

Me: So many slides, so many rides... this is crazy... *looks around in awe* I can't believe you did this for me!

Estella: And all of them are just for us six... *smiles mischievously* We have the whole place to ourselves!

Abigail: Gosh... I'm a bit scared to slide them...
It's been a while... *nervously bites her lip*

Imane: I can't wait to get on them... this
is going to be so good... bounces with excitement

Natalee: We used to have races on it and all... Takes me back... Those were the days!

Stella: Yeah... and I used to win always, hehe... take that, Natalee... *sticks her tongue out playfully*

Estella: Well, what are we waiting for here then... come here, Master... *beckons him over with a mischievous grin*

Me: Huh, what? *looks confused and a bit hesitant*

Me: Wooah... Ooh my... that was quick... *gasps as Estella swiftly picks him up* I didn't even see that coming!

Estella: Hehe... *chuckles softly* I've got you now, Master.

Estella: Why not, Master...? *smirks* I thought you might need a little help getting started.

Me: Why did you pick me up, Estella...? *squirms in her arms* What are you planning?

Estella: I want to ride with you down the slides... *grins excitedly* It'll be so much fun!

Me: Amm, sure... Me too... *nods eagerly*
I can't wait to see what it's like!

Estella: Then what are we waiting for? Let's get going...

Me: Yeah, but... Maybe you need to put me down...
squirms a bit in her arms

Estella: Haha... What for... Let's go like this... I'll do the running...
picks up speed, holding him tightly

Me: Woooah... so fast... *holds on tightly, feeling the wind rush past* I can barely keep up!

Estella: I can do the running much faster... so we can get there quicker... *chuckles,*

Abigail: Aaaw... Look at them bonding over there already... It's so cute to see them having fun together.

Imane: Yeah... Estella is quite childlike as it is... But that's part of her charm. She brings out the playful side in everyone.

Abigail: Definitely... I know she will take good care of him... Estella has a kind heart underneath all that mischief.

Imane: Amm... You sure about it? Estella can be unpredictable sometimes.

Abigail: You think not? I think she does... Estella might seem wild, but she has a soft spot for him.

Imane: Amm... Don't you remember she is mischievous too...? She might have a few surprises up her sleeve.

Abigail: Ooh my gosh... Master... I'm coming... Aaah...

Imane: Yeah... Hehe...Looks like she's worried about her master.

Abigail: Don't you do something with my master... come back...

Imane: Ooeeh... I guess I'll go too then...
Look after them... I don't want them
getting into too much trouble!

Imane: I'll come with you...
come here, Estella!!!

Abigail: Come back, Estella?!!?!
What are you doing?

Estella: Ooh, they are coming... Have to put the 2nd gear in, Master...

Natalee: Ooeh... they all behave like children, hehe... *watches with a smile*
It's adorable to see them having so much fun.

Stella: Yeah... Imagine us being the grown-ups here... *rolls her eyes playfully* We need to keep an eye on them.

Stella: Shall we go and look over them from the water... Let's get a little wet...

Natalee: Good idea... Why not... Let's do it... It'll be fun to see their reactions.

Natalee: Ooh wow, the water is
a bit chilly... Haha, it's refreshing!

Stella: Aaaw, is someone cold? Let me warm you up...

Stella: Could I do something about it, Natalee?

Natalee: Hmm, what do you have in mind, exactly?

Natalee: Ooooh, okay... I mean, if you're offering, why not? Let's see where this takes us...
Stella: Mmhmm, come here... I want you so badly...

Stella: OOh yeah, mmphh... You feel amazing...

Stella: You taste so good, Natalee...
Ooh fuck, don't stop...

Natalee: Ooh my gosh, this feels so good... Yes, right there!

Stella: Mmmhmm, I know just what you need...

Natalee: Fuck, I'm getting quite close already... Mmpphh, don't stop!

Natalee: Ooh my gosh, Stella... I'm growing again, aren't I?

Stella: Mmm, you're so responsive...
Let's see how big you can get...

Natalee: Ooh, I can feel it... I'm getting so big... Mmpphh...

Stella: You're incredible, Natalee... So hot and so big...

Natalee: Fuck, I'm so close... Keep going, Stella... I'm almost there!

Natalee: Yess, oooh fuck, I'm bigger again... Mmmmh, this is incredible...

Stella: Oooh wow, look at you now!

Stella: Someone definitely did some growing just now... Amazing...

Natalee: Wait until I stand up, you won't believe your eyes...

Natalee: Haha, that was quite a lot... Thanks for that, Stella...
I'm much warmer now...

Stella: You know I'm next, right? Mmmhmm, it's my turn now...

Stella: Okay, meanwhile, what are the kids doing then? Haha...

Natalee: Amm, they seem to be having a stare-down over there...

Natalee: Things are definitely heating up there...

Stella: Yeaah, but we could also continue... Mmhmm, let's not stop now...

Me: Well, well, well... It seems like we have a competition brewing...

Me: There's a race about to happen, and you, Abigail, are my opponent...

Abigail: Ooh, it's like that, huh? I've got an advantage over you...
I'm heavier and stronger...

Estella: And so we meet again, too... My opponent, Imane...

Imane: This is going to be easy, as always... I'm going to win, no doubt about it...

Imane: Oooh, I'm so excited... It's been years since we last faced off...

Imane: Gosh, I'm getting goosebumps all over just thinking about it...

Abigail: Ooh yeah, we're going to win easily...
They don't stand a chance...

Estella: Ooh, what are you talking about? You girls are going down...

Estella: I've got the main man over here... We're winning, right, master?

Me: Of course we are... There is no other option, haha...

Abigail: Ooh, don't get ahead of yourself now, master... You will lose...

Me: Haha, keep telling yourself that, darling...

Abigail: Alright, let's start going then...

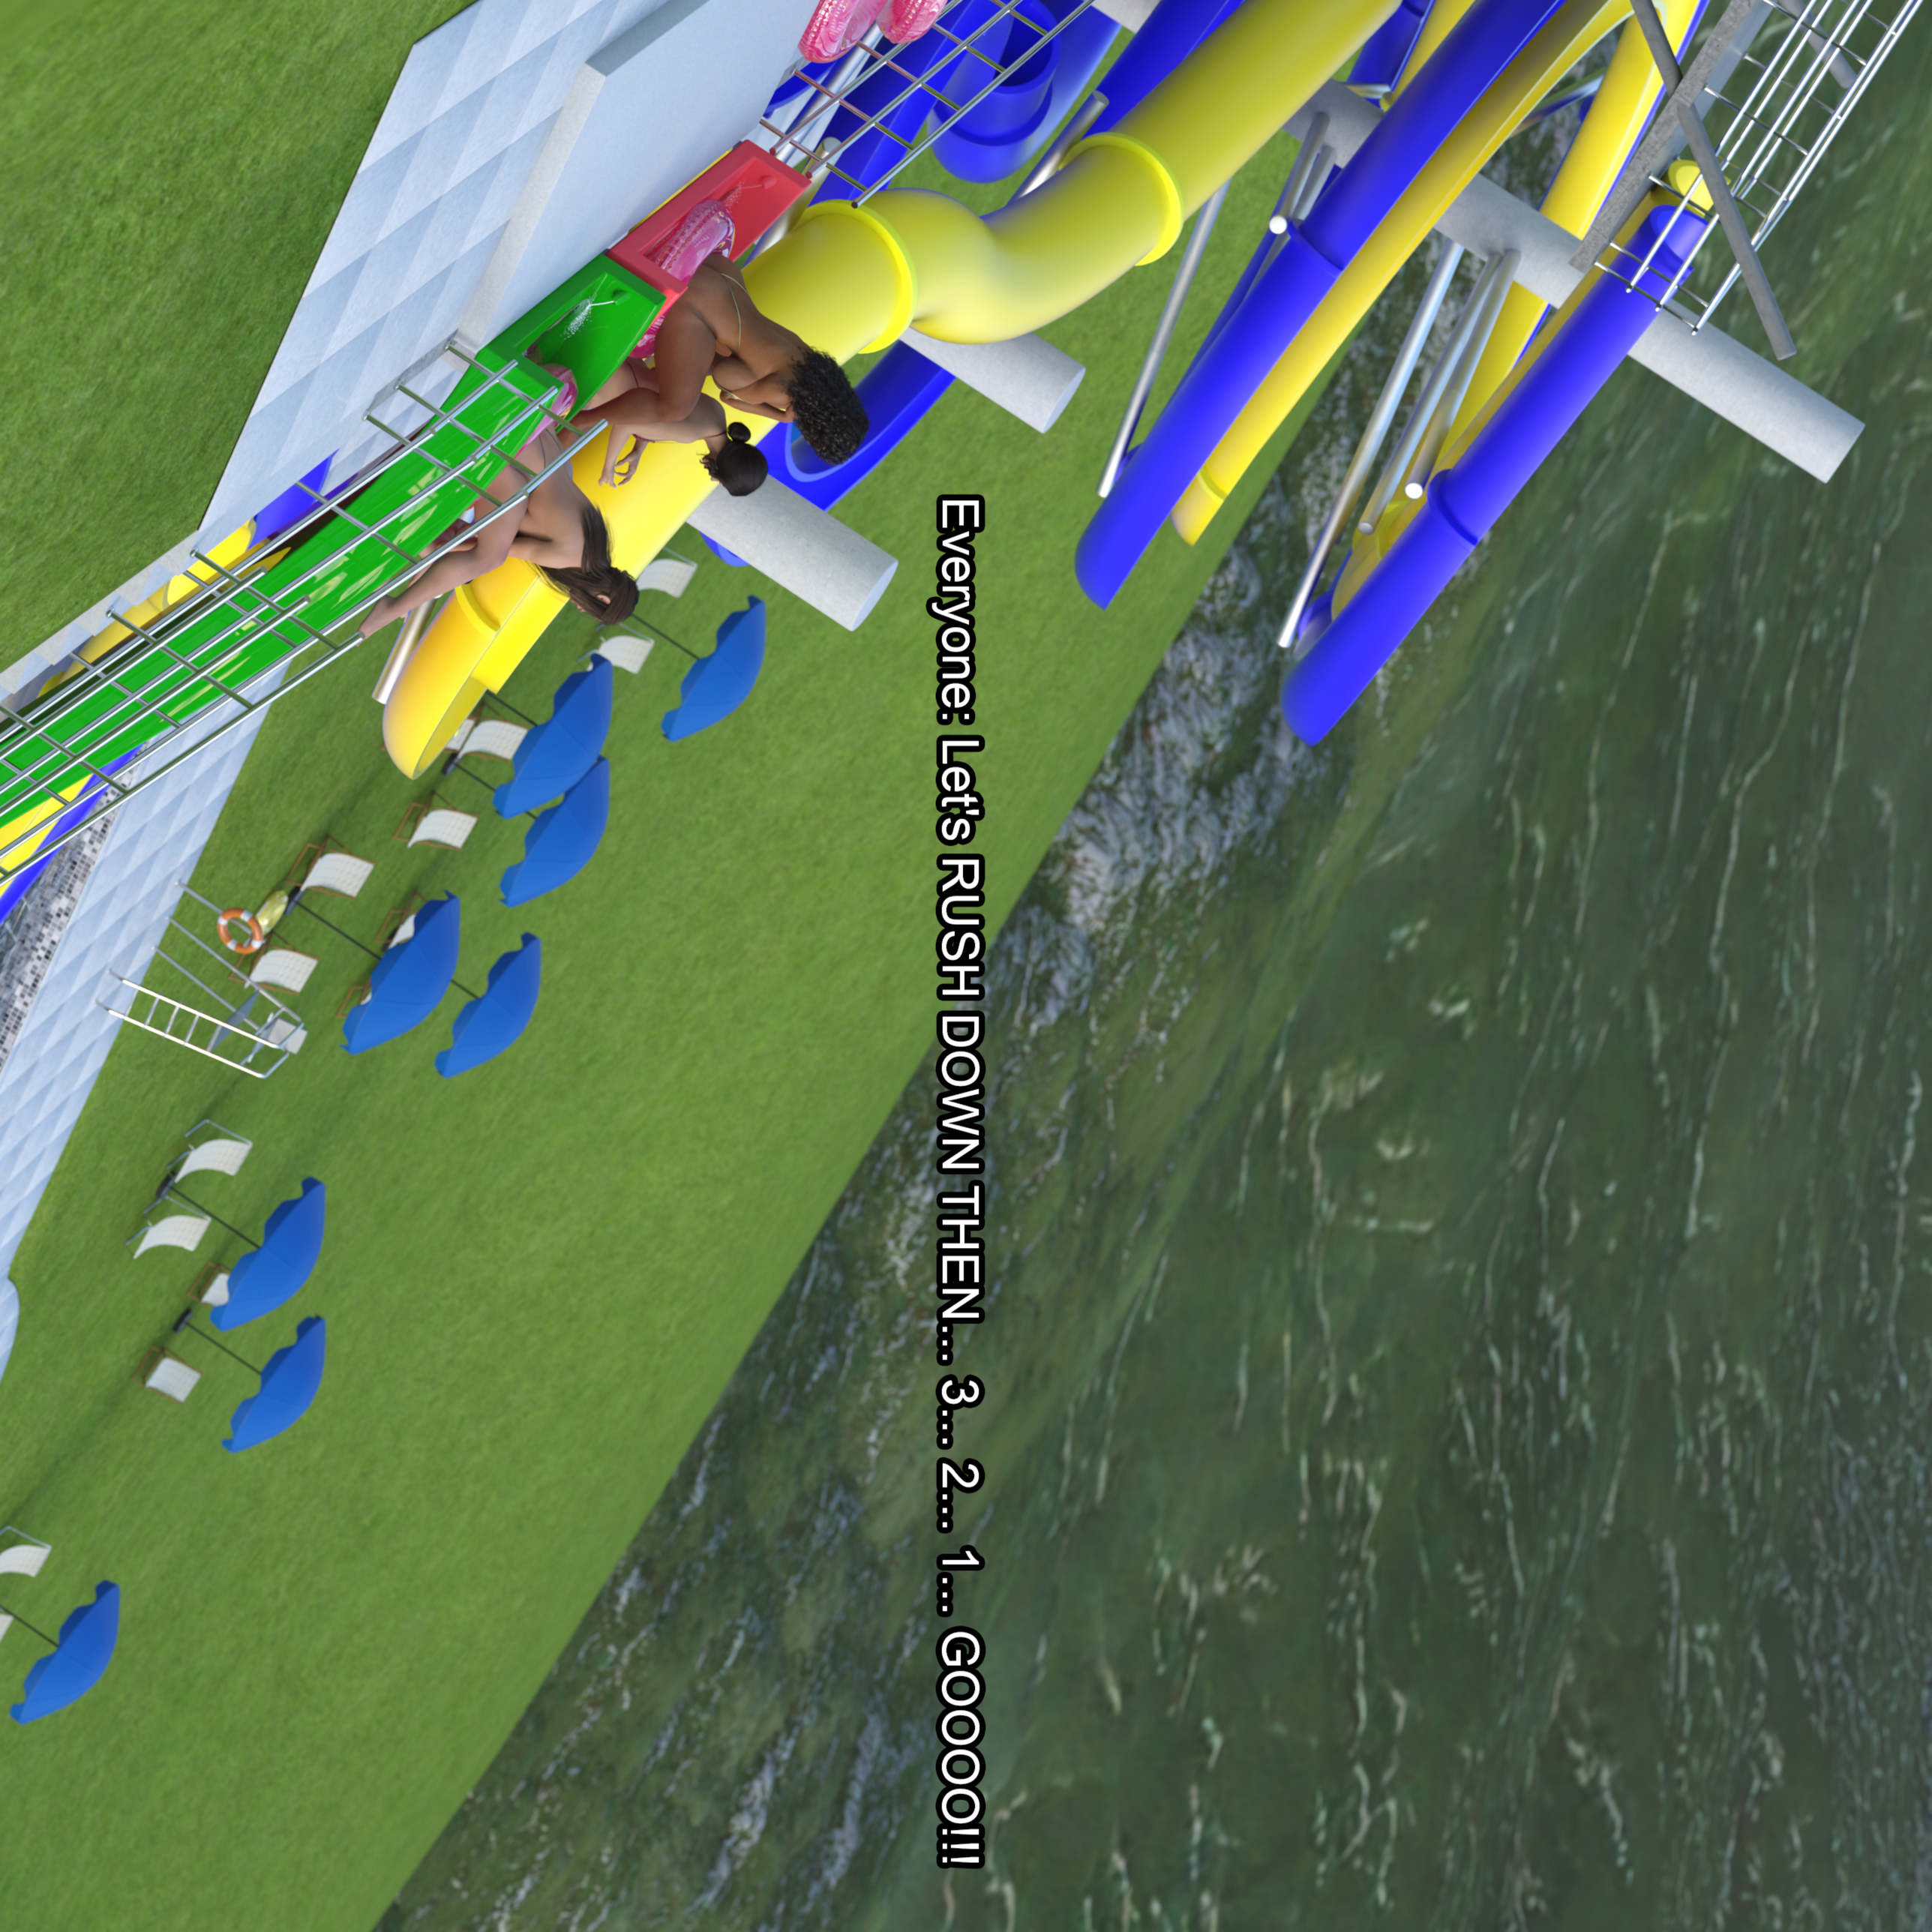

Everyone: WHAAATTT!?!?!

Imane: Some girls are getting busy there, huh...

Abigail: A bunch of sneaky girls they are... doing some naughty things...

Estella: Wow, and so quickly too... Ooh my...

Me: Ooh, like obstacles around us... That could be fun...

Everyone: Let's RUSH DOWN THEN... 3... 2... 1... GOOOO!!!
