Me And My

Giantess Maid 52

Imane: Ooh, girls, look! Look at Natalee and Stella over there by the wave pool! I swear they've grown a bit more since we got our snacks. Their heads are sticking up higher over the water, and their curves are looking even more... impressive. Abigail: You're so right, Imane. They're definitely taller. They were already a few feet above us when we arrived, but now they're clearing that big waterfall by a good couple of inches more. Their bikinis must be feeling so tight right now. Estella: It's the water, I'm telling you. There's something in this park that just... agrees with them. These little swells are turning into full-fledged giantesses right before our very eyes. It's mesmerizing to watch.

Imane: Oh my god, everyone, look at Natalee! She just had another growth spurt right while we were talking! Me: Whoa! I saw it! She just shot up another foot, easy! Her poor little green bikini is looking way too small for her all of a sudden, especially around her chest. Abigail: And Stella's having one too! Look at her legs get longer! They're both getting so big! This is happening faster and faster! It's incredible!
Estella: Wow... just... wow. They're both so tall and curvy now. I can't believe how much they've grown in just a few minutes. They look like goddesses.

Imane: Hehe, well, it looks like the "big girls" club is officially established. I guess they're our official amazon bodyguards for the day. We should start asking them to get us stuff from the high shelves. Abigail: Oh, I know, right? Pretty soon we'll be shouting up to them just to be heard. Someone's already forgotten what it's like to be fun-sized and down here with the rest of us.

Me: This is absolutely insane! Estella, are you seeing this? They're... they're literally growing in front of our eyes. Their skin is kind of glowing. Estella: Woooah... I see it. And I have to admit, I'm... incredibly impressed. And maybe, just maybe, a tiny bit envious of their new vantage point up there. They must see the whole park.

Me: You know, I have to be completely honest... I really, really like this. The whole growth part of this waterpark trip. It's a hell of a feature, not a bug. This is turning out to be the best vacation ever.

Estella: Oh, you like it? Of course you do. You like them getting bigger and curvier and more powerful, leaving the rest of us looking up at them? I'm starting to feel like I'm missing out on all the fun... and the extra height.

Imane: Don't worry, I'm with you, Estella. My bikini is feeling a little loose now that theirs looks like it's about to pop off any second. We're definitely missing the growth spurt train over here. We need to catch up.

Abigail: Well, don't you worry your pretty little heads about it. So what if they're a bit taller? We've still got the best curves and the cutest butts in this whole park. Size isn't everything, you know. We'll have our fun our own way.

Natalee: Okay, stop staring and get over here! Are we gonna just gawk or are we gonna ride some slides? Let's go on the big one! The tornado! Stella: Yeah! We need to slide down this thing now before they close it for "safety reasons" because we're too tall! Come on, we gotta catch up! The slides are this way!

Me: Here we gooooo! WOOOOH! THIS IS AWESOME! Imane: I can see the whole park from up here! I feel like a bird! THIS IS AMAZING! Estella: WHOA! SO WET! I DON'T THINK I WAS PREPARED FOR THIS SPEED! IT'S GOING SO FAST! Natalee: OUT OF MY WAY, SHORTIES! THE BIG GIRGS ARE COMING THROUGH

Me: WOOOOH! I can't believe how fast this is! I'm flying!
Imane: This is insane, Young Master! I'm practically riding a waterfall! Hold on!
Estella: My turn! The curves on this slide are... WHOA! I didn't see that one coming!
Abigail: Here I come, Master! Prepare to be splashed! I'm coming in hot!

Stella: YES! Look at them go! They look like they're having a blast! Natalee: Woooo! Splat! That's gonna be a huge splash! Look at them all getting completely soaked! Me: This is the best slide I've ever been on! PURE EBLISS! Imane: Oh my god! Young Master! Look at the light show as we go through the tube! It's so pretty! Estella: I think I swallowed half the pool! This is so much fun! I'm screaming but I love it! Abigail: HAHA! MASTER! YOU LOOK SO CUTE TRYING TO HOLD YOUR HAIR BACK! THIS IS HILARIOUS!

Stella: Get ready for impact, ladies and Master! This is gonna be a big one! Natalee: They're coming! They're coming! I can see them at the end of the slide! Get ready to get soaked! Me: WHOA! I can see the bottom! It's a blue tunnel of fun! Imane: We're almost there! I'm so excited! Here we go! Estella: I can't believe how fast that was! It's the best! Abigail: I'm coming in! I'm coming in! Look out below!

Me: WHOA! HUGE SPLASH! Imane: OH MY GOD! THAT WAS HUGE! I'M SO WET! Estella: OH WOW! THAT WAS A LOT OF WATER! I'M COMPLETELY SOAKED! Abigail: HAHA! I'M SOAKED! THIS IS SO MUCH FUN! Stella: YESSS! THAT'S WHAT I'M TALKING ABOUT! YOU GUYS GOT SOAKED! Natalee: Hahaha! Look at them! They're like little drowned rats! But happy drowned rats!

Me: That was... AMAZING! I can't stop laughing! Imane: Young Master, you're so funny when you're wet! You look like a little puppy! I'm so glad we did that! Estella: Oh my god, I think I need a minute to catch my breath. That was... so much fun! I feel so alive! Abigail: See, I told you size doesn't matter! We were the fastest ones down that slide! And we made the biggest splash! Yay, us!

Me: I'm ready to go again!
Who's with me? Imane: YES!
Let's do it again! I want to
go faster this time! Estella:
I don't know if my heart can
take it! But okay! One more
time! Abigail: Of course! We
can't let the tall girls have
all the fun, can we, Master?

Stella: That does look really fun. Maybe we should have gone with them. The splash was incredible. Natalee: They do look like they're having a blast. I'm getting a little jealous watching them have all that fun with Young Master.

Stella: Plus, Natalee, you've grown another couple of inches. They might not even let you on the 'normal' slides anymore. Natalee: You're right! I'm getting too tall for my own good! We need to find our own 'giantess' sized fun! Something Master can watch and enjoy from down there!

Stella: Hehe, look at them. They're all laughing and splashing around in the water. And Master is right in the middle of it. They look so happy. Natalee: It's so good to see him having fun. He deserves it. And we're having fun just watching them. It's a win-win. I love our little group.

Me: Ooh, that slide was amazing! I've never been on one so fast and twisty! Imane: Yes, it was! I'm so glad we all went together! It was so much fun! Estella: I'm still buzzing from that! That was the most amazing slide ever! I'm so glad we're here with you, Master! Abigail: YES! THAT WAS THE BEST! I CAN'T WAIT TO DO IT AGAIN! LET'S GO ON ANOTHER ONE SOON

Imane: Oh my god, look at him, girls. Look at our Master, still floating on that little tube, just chuckling to himself in the water. He's so absolutely adorable when he's that happy and content. Estella: He had the biggest, most wonderful smile on his face coming down that slide. Seeing Young Master that pleased... it's genuinely the best feeling in the world. It makes all this working worth it. Abigail: Haha! He's a merry little whirlpool of joy over there, just splashing about. Let's swim over and get a proper congratulations for making such a huge splash for us.

Imane: So tell us truly, Master, be completely honest with your favorite girls. How was it? Was it every bit as amazing as it looked from down here in the pool?
Estella: Did it take your breath away, Young Master? We want to hear all about it. Every last detail of the ride down. We want to know if it made you tingle all over.
Abigail: Give us a full report, my Master. Rate the splash you made, and the adorable little yelp you let out, on a scale of one to ten. We expect high marks for our performance.

Me: Are you kidding me right now? That was... the single most amazing thing I've done in ages. I don't think I've ever screamed and laughed that hard in my entire life. Pure, incredible fun.

Imane: Oh, I'm just so incredibly pleased to hear you say that, Master! Knowing you're happy makes all of this so much better for me.
Estella: It's true. Hearing you say that, seeing that smile... it thrills me to my core. I'm so glad it was everything you wanted, Master. We aim to please.
Abigail: See? Mission accomplished. We know exactly how to show our wonderful Master a truly good time. And we're not even close to being done with you yet.

Imane: Alright, we've delivered your fun, now you can answer one thing for us, Master. What's the real story over here with you two? Why are you both suddenly so much bigger and curvier than you were an hour ago? Estella: Yeah, don't be shy. You've both shot up a good foot since we got our towels. Is there something you're not telling us? A little secret growth club we weren't invited to? Abigail: We want the dirty details. It looks a bit... unauthorized. Like you're getting a head start on all the fun without us.

Stella: Hey, hey, don't you go looking at me! I'm still the shortest one here out of all of us! I haven't grown an inch! I'm perfectly happy with my fun-sized status, thank you very much.

Natalee: Ooh... well, I guess things just got a little bit out of hand. Hehe. I saw how much fun I was having, and I guess... I just wanted to grow a little bit more, to see even more of the park.

Natalee: What? It's not a big deal! It's a waterpark, for heaven's sake! You're supposed to let loose and have a little fun! And... oops... we were kind of planning on doing it anyway, with or without permission. Aint that bad? We're still having a blast with Master, right?

Imane: Ooh, I don't know about that, Natalee... you're being a bit naughty. Did you get explicit permission from Young Master to start expanding? It's important.
Estella: She has a very good point, you know. We have certain protocols for these kinds of... spontaneous growths. It's about showing respect to our Master.
Abigail: You can't just go around getting all tall and gorgeous without the Master's express say-so, sweetie. I'm pretty sure that's in the maid's handbook, chapter five, section 'Giantess Emergencies.'

Me: Oh... wow. Girls, girls, calm down. It's really... okay. I... I love it. I actually really love it. You should know by now that I like... I really like growing girls. As long as we're all having fun together, it's all good. More than good.

Me: See, Natalee? It's really not so bad, is it? Natalee: It's really not, Master. In fact, it's so much better hearing you say you approve of it. It makes this whole day even more perfect.

Natalee: You're always so sweet about everything, Master. It makes me feel all warm and fuzzy inside, and it makes me want to give you a very special... treat... for being so wonderfully understanding. Would you like one, Master? A little reward?

Natalee: I'll take that blush as a yes. [She moves towards him, her body swaying, and positions herself over his floating tube and his very obvious erection.] Don't you mind me. Just... making myself comfortable. [She sits down gently, his hard cock pressing right against her wet bikini bottoms as she starts to slowly grind.]

Me: Oh... oh wow. Natalee... you feel... that feels absolutely incredible. Your soft ass against my cock... don't stop.

Me: My god, Natalee, you look so damn beautiful from down here. The way your long legs are on either side of me, the curve of your hips, your gorgeous tits... it's the most perfect view I've ever had.

Natalee: [Her breath hitches, a wide, blissful smile spreading across her face as she grinds a little harder.] You really think so? Oh, Master... you always say the most perfect, sweetest things to a girl. You're making me all tingly.

Natalee: Everything is for you, Master. Every single inch of me, all this fun, this growth... it's all for you, and only for you. [Me: He lets out a small, shy laugh.] Aww, you're so cute when you get all flustered and shy over a compliment.

Imane: [Looking up at Natalee, who seems to be glowing faintly as she moves] Uh oh... I think we all know exactly where this is going. She gets one little compliment and suddenly you want to grow again? So greedy for attention, aren't you?

Stella: She's already the tallest one here. She has Master right where she wants him. You'd think that would be enough for one girl.

Abigail: Well, she does look rather radiant right now, you have to admit. I suppose it's not the worst thing in the world if she wants to put on a little show and shine for Master. Go on, Natalee, have your fun. He's enjoying it.

Estella: [Watching them from a few feet away, she crosses her arms under her chest, visibly annoyed.] Must be nice... to get all the praise and attention and then get a special treat right after. Some girls really do have all the luck. And all the height.

Estella: He's looking right at me. He's smiling. That sweet, adorable face. There's nothing in front of him... nothing blocking his view... what an absolute opportunity.

Me: Huh? Did someone say something? I thought I heard... oh my god.

Estella: Hehe. Surprised, Master?

Me: WOOAH! Okay! That was...
really, really surprising!

Me: [Cracking an eye open, looking up at the beautiful round flesh pressed against his face] Estella! It's you!

Estella: [Moaning softly as he instinctively starts to kiss and lick] Oh yes... Master... oh, that feels so good. Your tongue... right there... mmm... Natalee: Whoa! What's this all of a sudden? Go, Estella!

Imane: Ooh my. I guess she just saw an opening and went for it. Points for being assertive. Abigail: Hehe, fair play, I guess. Just be careful not to smother our poor Master, Estella!

Stella: Damn. Right for the face. I've got to respect the sheer audacity. She's not messing around.

Estella: [Her grinding gets more purposeful] Oh! OH! Master, your mouth... I can feel it working on my pussy... it's making me tingle all over... so good...

Estella: OH! Oh my god! I'm... I think I'm growing! Already! I can feel my legs stretching, my ass swelling against your face! Oh! YES!

Me: [His voice is muffled by her flesh as he eats her out with enthusiasm] Mmmph! Keep going! Don't stop! I can feel you getting bigger!

Estella: I'm getting so big! I'm swelling! I'm dwarfing everyone! I can feel my breasts getting heavier! Look at me! I'm growing right on top of our Master!

Imane: She's shooting up! It's happening so fast!
Stella: Oh my god... her thighs are like tree trunks now! Abigail: We're all gonna be ants compared to her at this rate!

Estella: [Letting out a guttural scream of pure ecstasy as her growth culminates] AAAAAAHHHHHHHH! YES! I'M COMING! I'M GROWING! I'M THE BIGGEST NOW! OH! OH! IT FEELS SO GOOD!

Natalee: [Looking up, way up, at the now truly giantess-sized Estella]
Well... I guess I'm not the biggest girl here anymore. A tiny bit jealous? Maybe. Just a little.

Imane: Are you kidding? We were already looking up at you two, and now she's a giant. What are we even talking about? We're basically shrimps at this point. Abigail: Hey! Speak for yourself! I'm a very sexy shrimp.

Imane: [Calling up to Estella's giant face, which is now lost in the clouds] Hey! Estella! Down here! That looked like fun! I want to be next! Make me grow like that!

Estella: [Her voice is a deep, rumbling moan that echoes across the park] Ooooh... I'm not done yet... I can feel it... oh, Master... I want more. So much more.

Estella: [Grinding harder on Master's face, a wave of pleasure washing over her] YES! I'M COMING AGAIN! OH! And I can feel another growth spurt coming! I'm going to be HUGE! Prepare yourselves, little ones

Estella: OH! HERE IT GOES!
GET READY! I'M GROWING AGAIN!
AND IT'S EVEN FASTER THAN
BEFORE! I'M SHOOTING UP!

Estella: LOOK AT ME! MY LEGS ARE GETTING LONGER! MY ASS IS GETTING SO BIG IT'S BLOCKING OUT THE SUN! I'M A TRUE AMAZON NOW! YES!

Estella: MY BREASTS ARE SWELLING! I CAN FEEL THEM GETTING HEAVIER! I'M BECOMING A MOUNTAIN OF FLESH AND LUST! AND OUR MASTER IS RIGHT HERE UNDER ME!

Estella: MORE! MORE! I'M GETTING SO BIG! I CAN SEE THE ENTIRE PARK! I'M A GIANT! A SEXUAL, POWERFUL GIANT! OH! OH! I'M GONNA COME!

Estella: KEEP LICKING, MASTER! DON'T STOP! YOUR TONGUE IS MAKING ME GROW! I'M GOING TO BE THE BIGGEST GIRL IN THE WORLD! YES! YES!

Estella: AAAHHHHHHH! I'M COMING! I'M GROWING! I'M THE BIGGEST! I FEEL SO EUPHORIC! I'M THE BIGGEST GIRL NOW AND IT FEELS SO FUCKING GOOD! I'M A GODDESS!

Imane: Holy... fuck... She's... she's a giantess! That's awesome! Abigail: Whoa! Look at her go! She's huge! I've never seen anything like it!

Natalee: WOOAH... she is REALLY big. Stella: Yeah... that's... that's actually kind of awesome! Look at her! She's magnificent!

Natalee: I'm... I'm a little bit jealous, I won't lie. But I'm also really proud. I grew a lot, but she just took it to a whole new level. She looks incredible.

Stella: You know what this means, right, Natalee? You definitely need to catch up now. We can't let her have all the giantess glory. You need to get back on top.

Me: I completely agree. She looks amazing up there. And the view... it's incredible. Natalee, are you going to let her show you up like that? Her pussy is right at my eye level... it's perfect.

Me: [Seeing Natalee still sitting on his stomach, looking up at the giantess Estella standing over him, he sees Estella's massive, glistening pussy, so close he could almost touch it.] Damn... that's a sight.

Natalee: Oh no you don't! You don't get to be the only giantess here! [She started grinding faster on his cock, determined to get just as horny, just as powerful.]

Natalee: YES! I CAN FEEL IT! I'M GROWING! I'M CATCHING UP! MY LEGS ARE STRETCHING! MY ASS IS EXPANDING! I'M GONNA BE BIGGER THAN HER!

Natalee: LOOK AT ME! I'M GROWING SO FAST! MY TITS ARE GETTING HUGE! I'M A GIANT TOO! I'M A SEXUAL GIANT AND I'M GONNA BE THE BIGGEST!

Natalee: MORE! MORE! I NEED MORE! I'M GROWING SO BIG! I'M GONNA SWALLOW THE SKY! I'M GONNA BE THE BIGGEST GIRL IN THE UNIVERSE! OH! OH! I'M GONNA COME!

Natalee: KEEP FUCKING ME, MASTER! DON'T STOP! YOUR COCK IS MAKING ME GROW! I'M GONNA BE THE BIGGEST! I'M GONNA BE THE BEST! YES! YES!

Natalee: I'M GROWING! I'M GROWING SO FAST! I'M GONNA BE THE BIGGEST! I'M GONNA BE THE BEST! I'M GONNA BE THE BIGGEST! I'M GONNA BE THE BEST! YES! YES! AAAHHHH!

Natalee: AAAAHHHHHHH! I'M COMING! I'M GROWING! I'M THE BIGGEST! I FEEL SO GOOD! I'M THE BIGGEST GIRL NOW AND IT FEELS SO FUCKING GOOD! I'M A GODDESS!

Estella: [Turning to Natalee, who is now almost as big as she is] WOOAH! LOOK AT YOU! YOU'RE HUGE! Natalee: I KNOW! AND IT FEELS SO GOOD! LET'S BE GIANTESSES TOGETHER!

Stella: What the fuck...
Imane: They're both giantesses now... we need to catch up. Abigail: Yeah, I want to be that big too! Let's do it! Let's grow!

Me: Oh my god... I'm just looking up in pure awe, being completely squished under Natalee's giant ass and thighs... and I absolutely love every single second of it. Her weight feels incredible.

Stella: This is... Imane: Unbelievable. Abigail: They're actually giantesses. Real life giantesses. I'm in so much awe right now.

Imane: Do you see how fast they did that? One minute they're having fun, the next they're head and shoulders above the entire park. They're both so huge.

Me: I'm just looking up at the two of them now... goddesses, that's what they are. Seeing their huge smiling faces, their enormous curvy bodies... it's the most amazing thing I've ever witnessed.

Me: I can't even make out for sure who is bigger. Not that it matters. I think I'm just in love with seeing bigger girls. Much, much bigger girls.

Natalee: [She turns to Estella, a huge, ecstatic grin on her face] Estella... look at us. Look what we did. We're... ooh... we both grew a lot.

Estella: [A hint of sadness in her eyes as she looks Natalee up and down] Yeah... we did. It's... wow. You're... you're just a little bit bigger than me now, Natalee.

Natalee: Oh, Estella, don't you worry about that. It doesn't matter who's a few inches taller. All that matters is that right now, we're the two biggest girls here. By far.

Estella: You're right.
Natalee: We're the biggest.
Estella: And the best. Both:
[They both break out into huge laughter, agreeing completely.]

Stella: So... that's the start of it, huh? Imane: The growing part. That's what happens. Abigail: Just like that. Wow. Master: I'm looking up at them thinking, yep, that's the start all right.

Natalee: [Looking down at the other three girls and the Master, a sly grin on her face] Yeah, it is. Estella: It's definitely the start. But it's not the end.

Me: Yeah... let it all begin again. The competition is back on. The race to the top... So... who wants to grow next? Who's ready to be a giantess?

To Be
