Me And My Giantess Maid 7

How come you girls dress so quick?
I could never...

Sex is fun and all master...

but me and Natalee are still doing a job...

Exactly what Abi said...

We need to keep a certain standard...

Can I my command be that
you girls don't have to do that?

Amm...

Uhh...

From now on you can forget the strict rules... behave however you want to girls.

That's so sweet of you...

I'll take care of him, Abi... don't you worry.

Okay you two. I'll do some chores...
Don't have too much fun without me.

We'll see about that. Haha!

What did you mean by taking care of me, Miss?

You've been so good to me today and to Abi previously... That's what you deserve.

You are very likable young master...
just like your father...

What could I do for you?

I think there
is only one answer.

A titjob would be perfect...

Uhuh... Your wish is my command...

Mmmh...

You love my big tits don’t you... baby...

Uughh... yes...

Slowly... up and down... or faster...

Mphh... faster...

Mphhh... your cock... is so hard...
I can feel it...

Uuuhh...

Yessss!

Mphhh cum all over me... master...

This... was
so good...
Maan...

I'm glad you enjoyed it...

Is there anything else I could do for you?

Could I eat you out?

What? Are you being serious, master?

I've got to return the favour.

Mphhh... yes..

Your tongue is tiny... yet so enjoyable...

Mphhh...

(I'll take that as a compliment...)

Ughh.. fuck....

mphh...

Oh my gosh...

mmm...

I love you girls... both...

Amm... love you too master...

Anything else... baby?

No... I'm good for now...

Okay then. I'll help, Abi out on whatever she is doing.

Should I come to or?

Haha... it's your choice master... you don't have to ask me for permission...

Oops... sorry... It just feels right to me to do so...

What a sweet boy you are... Come when ever you'd like.

Okay... thanks for understanding... Miss Natalee...

I think enough time has passed...

Minutes later...

I’ll go and check what the girls are doing...

I’m not gonna lie Natalee did seem a little scary at first...

But she as sweet as Miss Abigail... and she is the sweetest woman I've ever met.

It’s like I’ve got to pinch myself sometimes so I can realise all of this real... 2 gentle giantess woman... dang I’m lucky...

Hey there... how's it going...

Hey there cutie...

Just in the right time...

There is something we'd like to try on you master...

Right now, Abi? Is this a good idea?

I'm sure he'll like it.

Are you girls talking about...
Shrinking and Growing?

How did you?

Were you listening our talk before?

Just an educated guess..... I'd love to participate.

Just close your eyes...
young master...

Breathe slowly... in and out...

And don't worry... it's not going to hurt...
or be permanent...

Mmhm... let's start...

grow

shrink

grow

grow

Is it working?

grow

grow

grow

shrink

It's over...

It's over...

mhmm...

You can open your eyes master...

Open your eyes and
see if for yourself...

I do feel a little dizzy actually...
but it's not a big deal...

Hey there!

Oh my... what?
How's this...

You too!
Miss...

Yes me too honey... Isn't it exciting?

It is but.. I...

Don’t be scared of us, master...
We’re still the same... just a tad bit bigger...

Let's give him a new experience since we can now do some more fun stuff, Natalee...

New?

I've got a perfect idea in mind...
You'll love it, young master...

Isn’t it nice, Master...

Moments later...

You're so small you can
be between Natalees...
big titties.

Isn't it nice?

Oh my...
It's great...

Not quite inside but in the near future you could be... Isn't it hot?

Ah... It's a lot to take in it... but oh yes...

Imagine the possilibitlies...

Possilibitlies?

Yes. master...

The bigger we grow and smaller you get...
Just thinking about it gets me wet...

Ohh...

Mmhh...

Imagine you completely lost inside my big breasts...

Fuck...

Mmhh...

Oh my gosh...

Moments later...

I can't even reach it without being on my tiptoes...

Oohh... This is so hot... Oh my gosh...

You acting this way makes me so hot inside, master... please continue...

I don't know what I'm doing but...

A quick question... Will I get any smaller during this?

Just fuck me and find out... master... You'll not be dissappointed...

If I could reach it... Mphhh.. yess...

This is heavenly...

Mphh...

Ohh...

Aaahhh..

When will it start?

grow

Holy fuck...

grow

grow

My feet are off the floor!

grow

You're so big, Natalee this is amazing!

Shall we go and see the results?

Sure... I hope I am taller than you now!

Oh my gosh... these are some huge shoes...

This makes me so hot inside...
for some odd reason...

They’re like two skyscrapers...
from down here... so hot...

Look at you go Natalee... you're way taller than me now...

I can't lie I'm really enjoying it...
You could definetly suck my nipple right now.

Maybe I will. haha

And look at how
tiny our master is now...

It makes me so hot inside... mmhh...

Woah... this also turns me on...

We're going to have a lot of fun with this...

Lots of growing
and shrinking...

I'm... so excited...

To Be
