Holy fuck... it stopped... finally...

Mmmh....

I've never been this gigantic before...

If we'd grown even a little bit more...
Don't even want to think about it haha.

How are you, Abi? Everything good?

A bit tangeled but otherwise good.

But somethings a little off... WAIT!

Master! Is everything okay with you?

Oeh...

This is so crazy...

The girls are real giantesses...
This is so sick.

MASTER! Can you hear me!

YES! Give me a second, Miss!

Oh man... giantess girl both ways.
What a view this is.

I’ll go up to, Miss Abigail. I don’t want her to be worried about me.

God... You girls are so huge
I’ve got to jump up on to your arm.

Oh hi there, master. I'm so sorry about this... This got out of hand real quick.

No need to be sorry. This is awesome. I love this current experience.

Oh thank god. I was so so worried for a second...

Haha. I thought you were so I came to reassure you.

Oh my gosh. I can barely see you from up here, master!

Oh wow... You're really are tall, Natalee!

What?!?!

This is so crazy... You're like a skyscraper miss!

Want to see who’s taller, Master?

I... I... sure...

No... This can’t be real...
I’m shorter than her friking heels....

And her stockings... just keep going and going up the sky...

Oh well...

Of course you're the taller one, Abi!

Haha... Just like at normal height,
but don’t worry.

Your at least way taller than our master...

That’s true, Abi!

Hey! I can still hear you from down here.

Oops... Sorry about that, master...

But Abi wasn't lying...

It's all good...

I really can’t tell who’s taller from down here... You’re both giantesses..

Well I'll pick you up then...

So you could see it for yourself.

I’m a bit scared of heights...

Don’t worry. I won’t drop you, Master!
I’ll protect you.

Thanks…I’ll try my best to hold on...

Oh wow... This is close... Amm...

Like really close... You’re both really tall but...

I think the winner is...

Miss Abigail over here...

Aaaaw....

Thank you so much master...

Haha... I didn’t even anything...

Hey that's unfair...

I want to kiss master too...

No he is all mine...

Pretty please...

Master... Can I have a kiss?

Of course you can…

Even if I’m a little shorter...

What a silly question...
That doesn’t matter at all...

Mmm....

I love you both as much...

Aaw... That's so nice master...

You totally deserve this beautiful sea of boobies now...

What? Oh no? I don’t wan to fall..

Mphhh....

Thank god...
I didn’t go through...

That was so mean, Abi...

Ah, stop it... he looks so cute between our boobies...

Mm... We're quite close to each other...

That’s what I was thinking...

kiss

kiss

Hey... this is so unfair...

I want some action too girls...

You thinking what I'm thinking, Natalee?

mmmhm... I know he'll like it...

So how hard should I press him?

This is fine... remember when we used to do this to master's father?

Mphh...

Mmhm... It was his favorite...

Do you like it as well young master?

I hope you do...

Mphh...
(This is so hot... pressed againts a huge tit... a dream just came true.)

A bit later...

So what do you think, master. Have had enough of fun with our giantess forms?

So you mean you'd shrink
back to your original height?

If it’s okay with you, Master...

We don’t want to pressure you.

Oh I’m down for it. We can always do it again girls.

Okay... close your eyes then.
We'll start with it.

Okay... they're closed...

Mhm... Let's start Natalee...

Yes... It might take a minute...

Okay... I can feel someting...

Yes...

shrink

It's happening so fast...

mhm...

shrink

shrink

And stop...

We're back.

It’s all over master.

You can open your eyes, honey!

It happened so quick. I didn't even realise. So does that mean...

If we'd have some fun
you girls won't grow.

You’re so smart... Just for that we’ve got to have some fun...

Mm... Are my tits still big enough of for you master?

Are you dissapointed at me...

Uhh... not at all. mmh...

Mhmm... that’s so good to hear young mater... I’m glad.....

Mphh..
