

Why can't I move?

I don't understand... ohhh...!...I'm getting warm...

Pharao's Order: I have to cast a spell on you, Medjay.

By Amay2k12

I feel...funny...
M...my new destination?
I'm confused!

That's part of
the spell! Your body
and your mind will
change to fulfill your
new destination

The Pharaoh's wife...

...she died last month.
I don't see what that
has to do with me.

Our king has
chosen you to
become his new
wife, Medjay.

By Amay2k12

You can't be serious!
I'm the best Medjay. No
one won more fights than
I....

...half of my team
are just Farmers most
over the year! Go
and choose one
of them!

True!
But none of them
are female. It would
cost more mana
to change them.

By Amay2k12

What? My...my
breasts are growing?
They are HUGE?!

Sure! Most
of your body is being
changed...

By Amy2k12

Not only my
boobies are growin'?
They are gettin'
heavy...

When the spell
finished his work, you'll
be a fetish based dream
the pharao finds most
desireable. Also your
skills and thoughts
should fits more to
your new destination,
Medjay.

ohhh...
I...i...want to be touched?!

Another success!
Sure my dear, that is understandable! Your body is created to be touched...and giving a lot of fun! Do you want an escort to the pharao's rooms?

N...no...I'll walk...
I need some...I...
i have that urge to...ummm...
see some...

Hehe, sure my dear...walk away...
find your new destination.
