

Oh, Rito... I could seriously get used to being in this body

What the hell are you talking about, Tajima?

I don't know, man... being a woman feels freaking incredible

A 3D rendered character with short brown hair and a light beard is lying in a hospital bed. He has a distressed expression, with his eyes closed and a small amount of sweat on his forehead. A white speech bubble with a black outline is positioned in the foreground, containing text. The background shows a hospital room with a white pillow and a dark wall.

*Look, we need to find a way to get Harui back to normal  
At the very least, we need to get her back to her senses*

Relax... I'm gonna help with that  
But first, let me enjoy being Harui for a little longer

*That's a bad idea. What about her family?  
You'll have to act exactly like her so no one gets suspicious*

Oh, I think I can handle that part just fine

A 3D rendered image of a man with short brown hair and a light beard, lying in bed. He is wearing a light-colored, patterned shirt and is partially covered by a dark grey blanket. His eyes are closed, and his mouth is slightly open. A white speech bubble with a black outline is positioned above his head, containing the text "You're out of your mind". The background is dark, suggesting a bedroom setting.

*You're out of your mind*

Alright, let's switch it up  
I want to try this position  
Get back in here already

Ooh... damn, this position is intense!

*I better just finish this quickly before someone comes looking for Harui*

You're loving this too, aren't you, Rito?  
Look at how hard you're pounding me...  
even though you know I'm actually a guy

*Shut up! I just want to get this over with!*

Ahh! I can't hold it anymore! I'm gonna blow!

Me too... Let's cum together, Rito!

Oh my god! That felt absolutely amazing!

Okay, Tajima, playtime is over. Take off Harui's skin already

I told you, I'm staying like this for a bit...  
I'll play the part perfectly if anyone comes around

Can I trust you?

Hey, man, you've known me forever

*That's exactly why I'm worried!*

*Come on, I'm helping you guys out for free here!*

Fine. While we figure out how to swap Harui back,  
just... don't do anything crazy with her body

Don't sweat it. You can trust me

*I guess I'll have to take your word for it...*

Perfect! I'm gonna hit the shower  
I'll make sure to give Harui's body a very...  
thorough cleaning

'Sigh'... that idiot..

Time for a little solo fun... hehe
