MIRROR, MIRROR!

TGEDNATHAN

It's time to buy some clothes!

Hmmm... This one looks good, but I don't know, lets try it on to see...

I thought someone left this booth.

ZOOM!

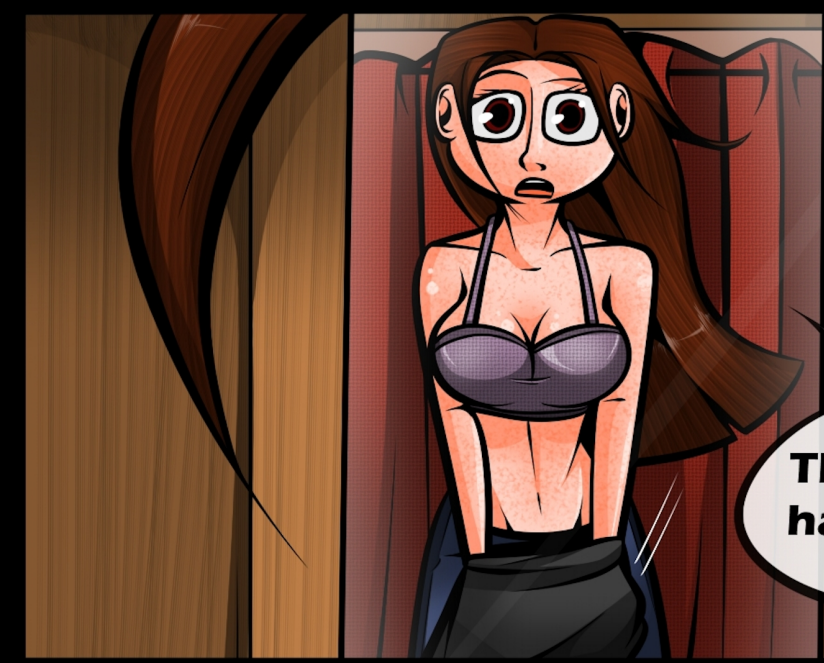

**Hello?
Is there someone?**

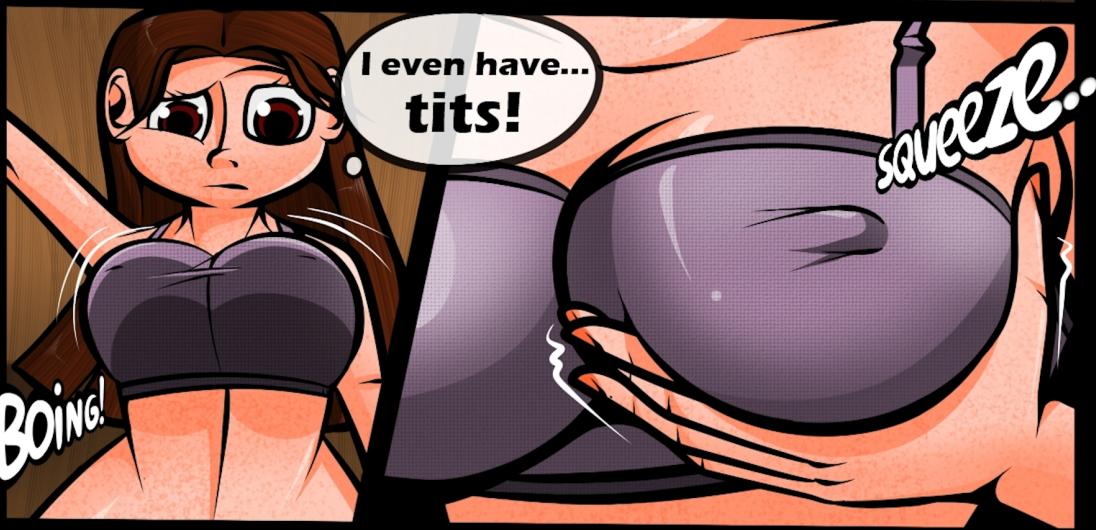

That was strange...
what was that?

My chest feels a bit too tight.

This can't be happening...

Can I help you with anything, miss?

Nah, it's good. Thank you.

Oh no, I'm wearing the lingerie from the store!

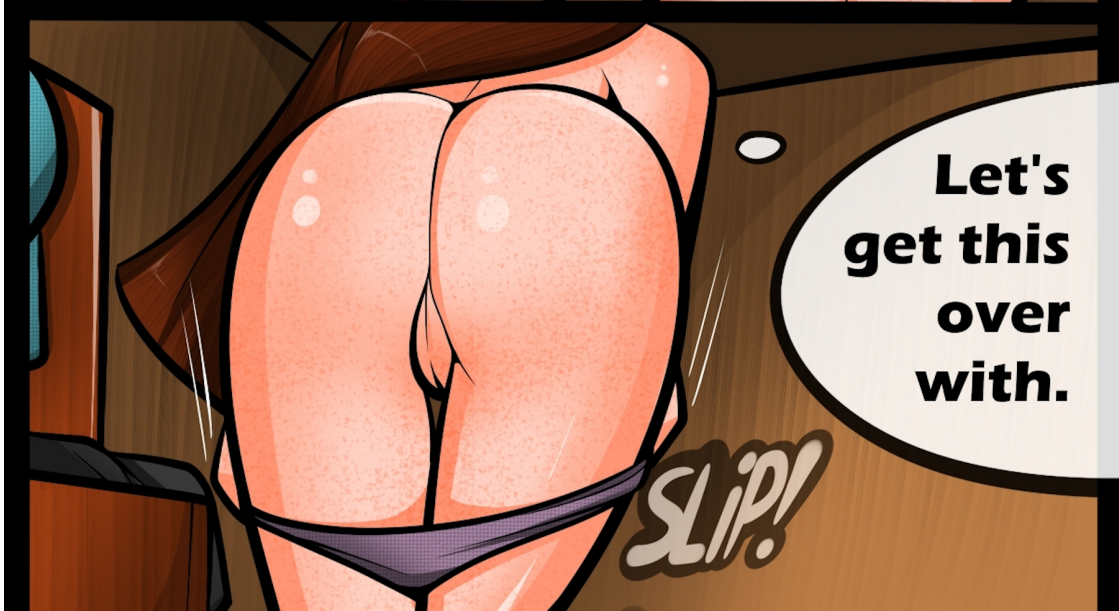

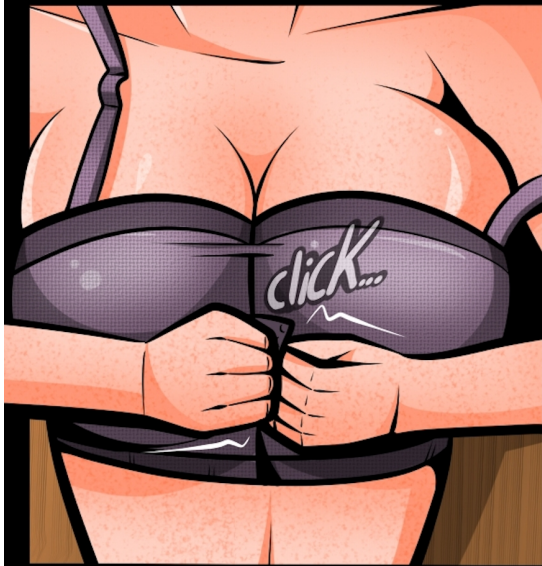

I have to get out of here...

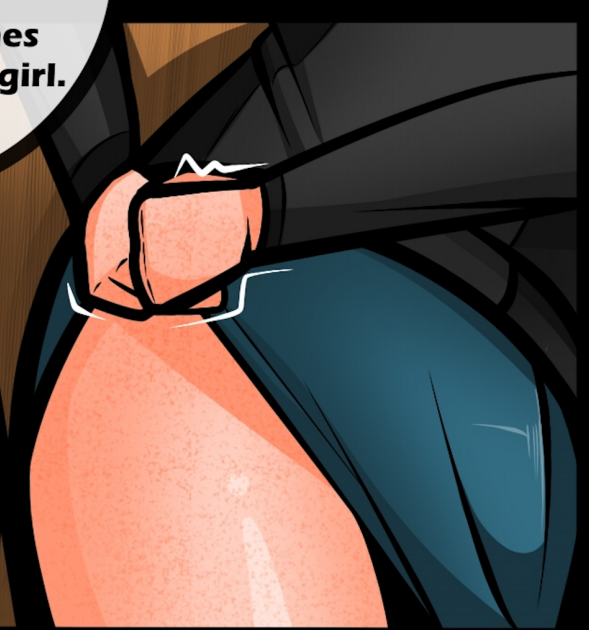

BOING!

I must change my underwear before I go out! Why am I wearing this crap?

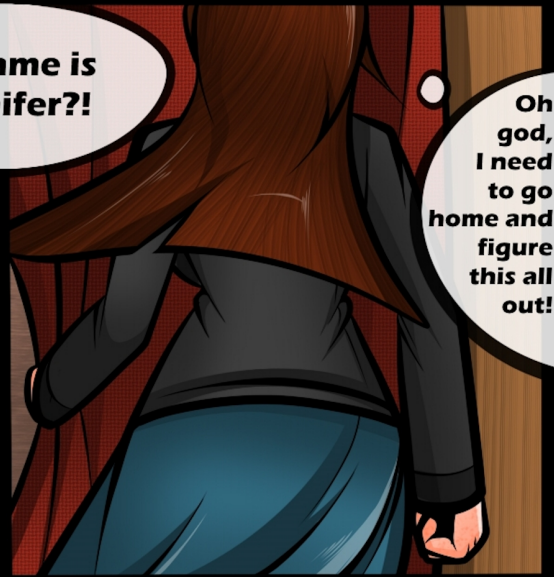

I realize my clothes
are that now of a girl.
Even a skirt...

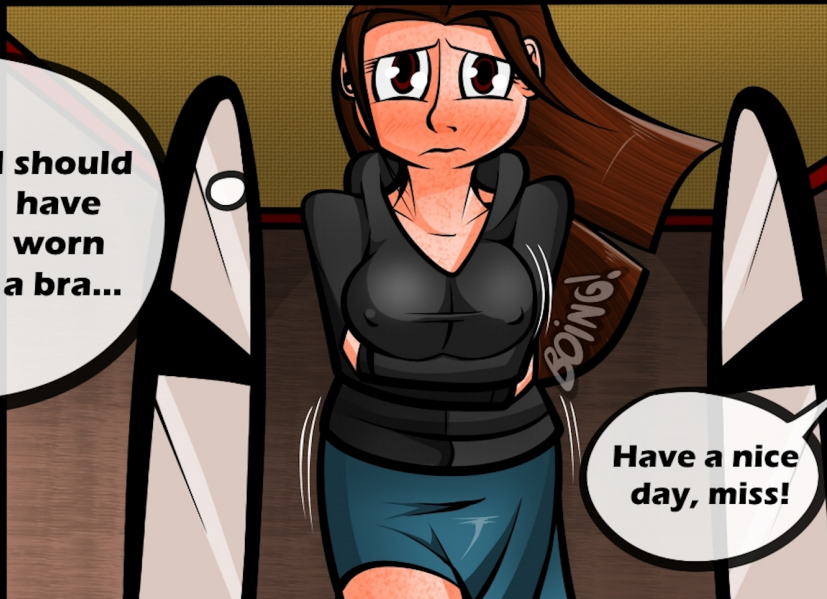

My name is
Jennifer?!

Oh
god,
I need
to go
home and
figure
this all
out!

I should
have
worn
a bra...

Have a nice
day,
miss!

Huh?
Someone
is calling
me.

Hmm... maybe
this person knows
why I have
changed...

Beep!

Hello!
Why did I
changed...

Hey Jennifer!
Where are you
gall? You are
expected to work
at the fashion
store now.
Oh I see you
there!

The
fashion store?

We're
almost
late!

But wait!
I don't work at a
fashion store!

FELIXIA

I work at the big 'Felixia' fashion store?!

Of course Jennifer! You're the opening model for today's show!

Just wait here while I will get the clothes for you.

Oh ehm... Thanks?

wiggle...

Holy crap!
They look pretty hot!

I am back with your clothes!

Let me help you getting this beautiful dress on for the final act!

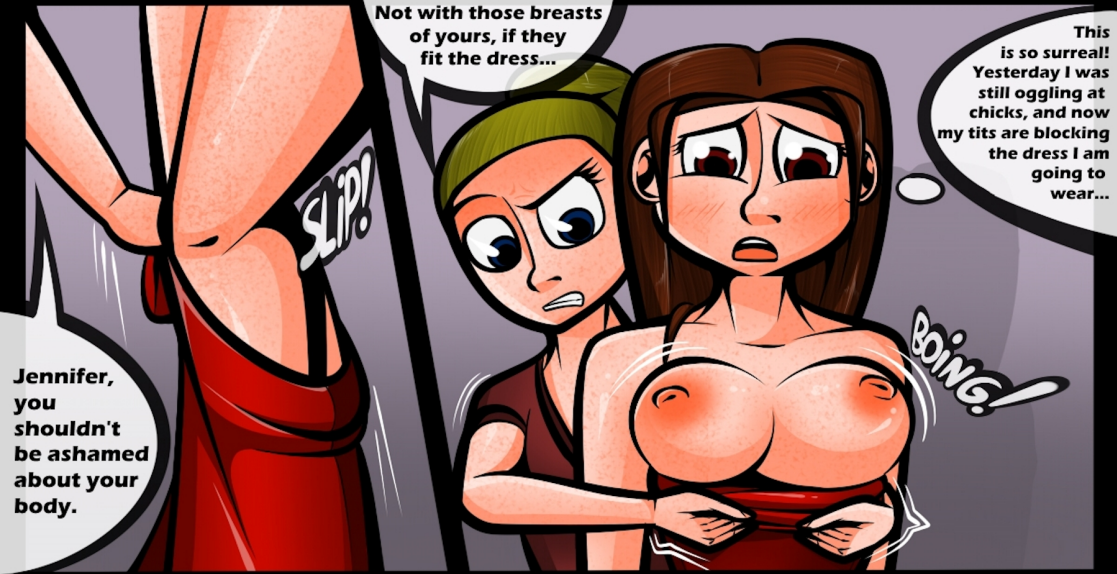

zip!

What the...?!

Stop stripping me... I am not familiar with my... my body!

ding

Squeeze...

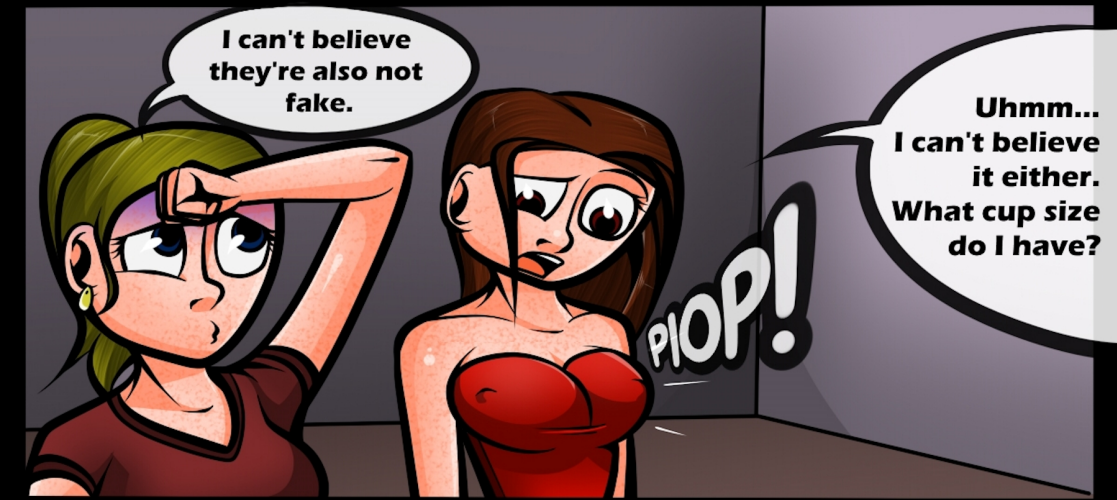

Not with those breasts of yours, if they fit the dress...

This is so surreal! Yesterday I was still oggling at chicks, and now my tits are blocking the dress I am going to wear...

Jennifer, you shouldn't be ashamed about your body.

SLIP!

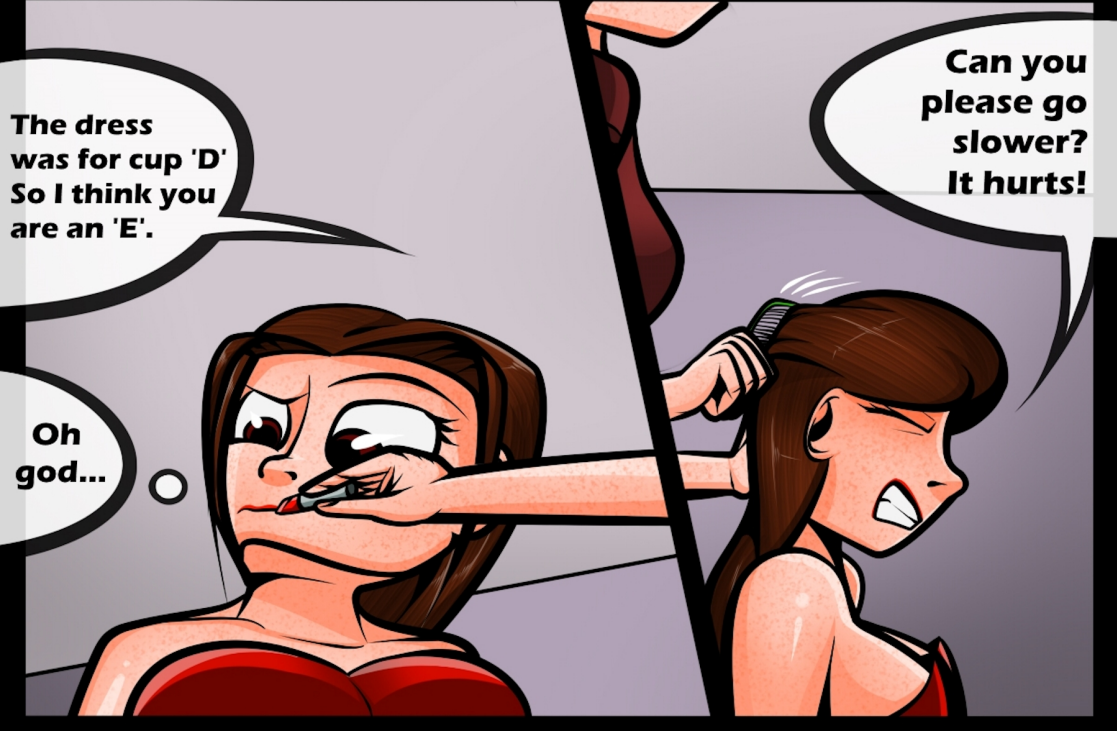

Boing!

I can't believe they're also not fake.

Uhhh... I can't believe it either. What cup size do I have?

PIOP!

The dress was for cup 'D' So I think you are an 'E'.

Can you please go slower? It hurts!

Oh god...

What the...?!

You have to go on stage now!

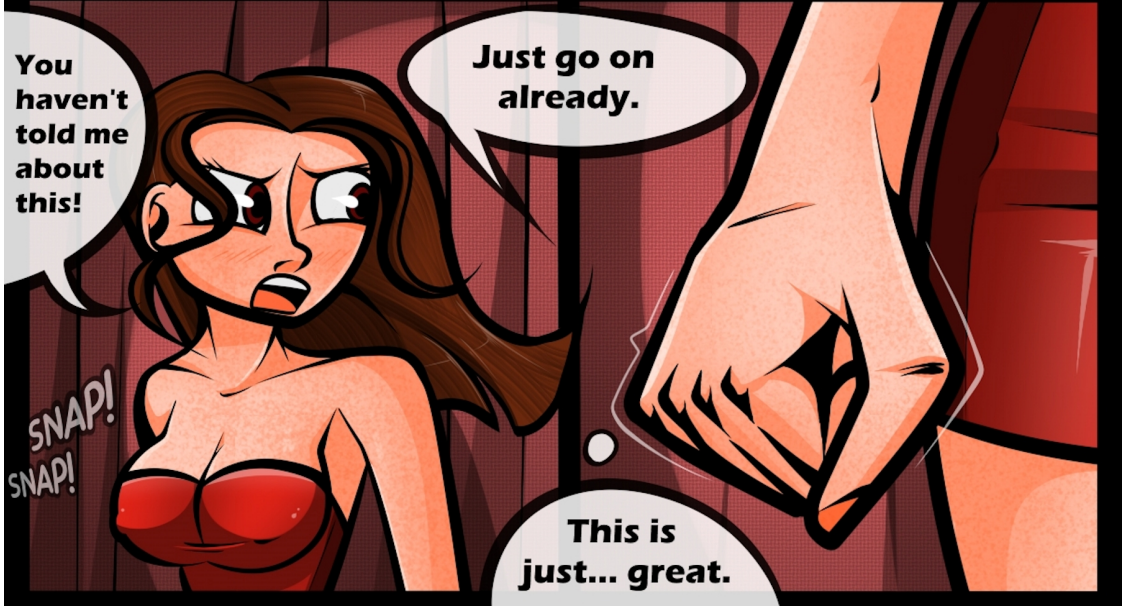

SNAP!

SNAP!

SNAP!

SNAP!

You haven't told me about this!

Just go on already.

SNAP!
SNAP!

This is just... great.

Our next model is Jennifer wearing Felixia's newest red tube dress.

First I got turned into a woman for no reason, then I also have to work as a model in this humiliating catwalk...

SNAP!

SNAP!

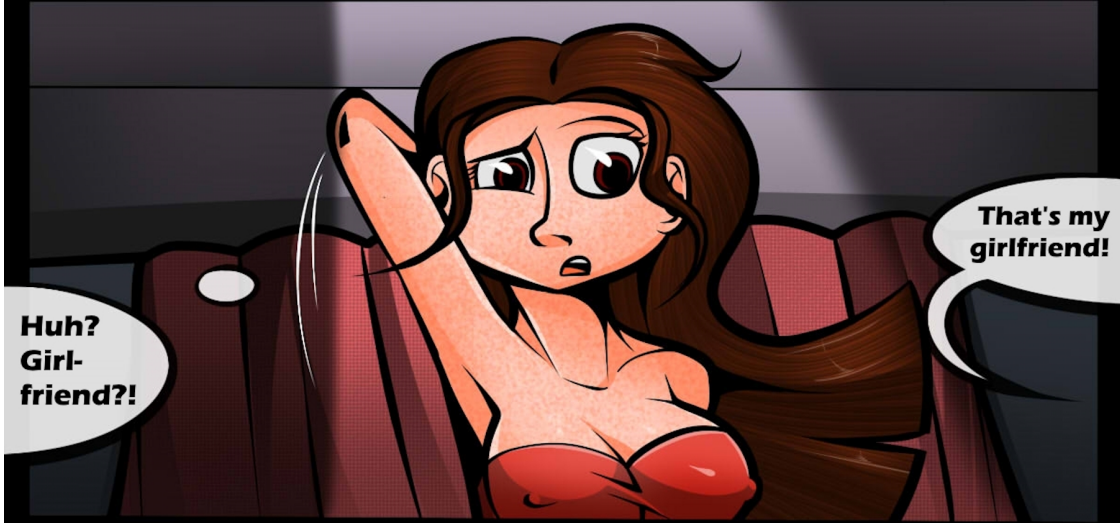

SNAP!

And last:
THIS DRESS IS TOO TIGHT!

Can it become any more worse than it is?!

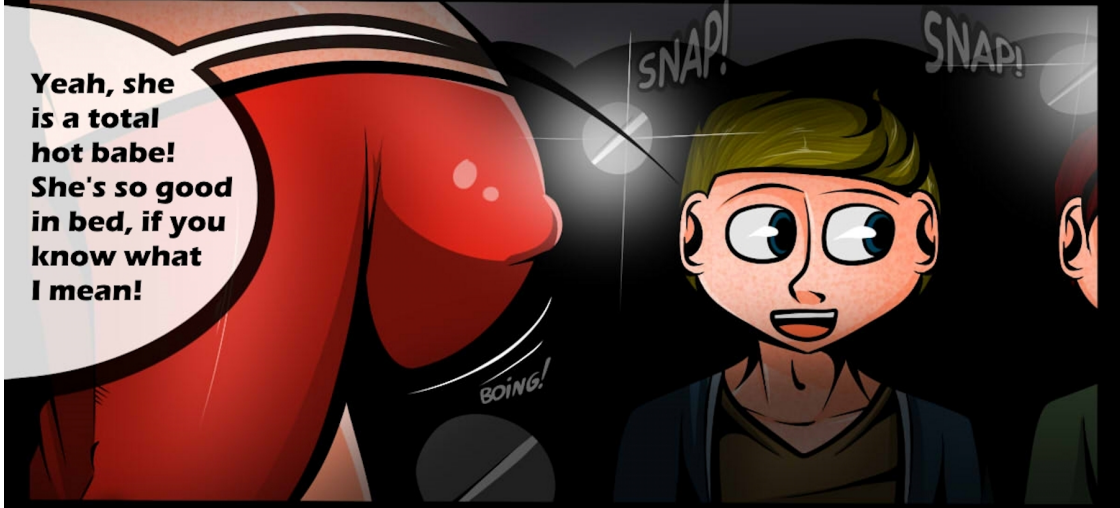

SNAP!
SNAP!

SNAP!

Huh?
Girl-
friend?!

That's my
girlfriend!

Yeah, she
is a total
hot babe!
She's so good
in bed, if you
know what
I mean!

SNAP!

SNAP!

BOING!

My best friend
Mark is my
boyfriend?!

I can't
take this
anymore!

SNAP!

BOING!

SNAP!

I want to be a guy again...
I can't stand having these tits
arround, having an ass
THIS big... and most of all,
having Mark as my
boyfriend!

Are you okay
sweetheart?
You ran off the
stage all of
a sudden...

Don't call me
SWEETHEART!

**It's not
that!**

It's just...
I can't
tell this to
anyone because
no one would
believe me.
I am all alone
in this situation
and I can't
find a way to
fix this.

I'm sorry
for what I
said back
there.

Well, I can't let you sit here with the uncofortable silence...

...so let's get out of here and have a drink!

huh?

oh...

It had to be orange juice...

Shouldn't we bring this dress back to the store? It's revealing my thighs too much.

Don't worry, they can miss it, but they can't miss you. But that's too bad for them.

But there is still something you want to get out of your head, right Jennifer?

Alright, let's do this...

I know this sounds crazy, but I used to be a man until this morning when I suddenly changed into a girl while shopping for new clothes. My reality has also changed making me work as a model and having you as my boyfriend. Now I need to find a way back into a man because I can't take this life as a woman anymore.

Are you alright?

Jeez.... This is a lot to take in right now...

It sounds pretty weird to believe it, but I have trust in my girlfriend!

But I believe you.

You really do? I used to be your best friend...

That's even better! In those two realities we are best friends! It's only logical we would be lovers if our genders were opposite!

hi! Oh... Mark!

hi!

What are you doing?! They aren't toys!

And besides, you should be happy as a girl, check out your breasts! Every girl would be jealous to be you!

Squeeze...

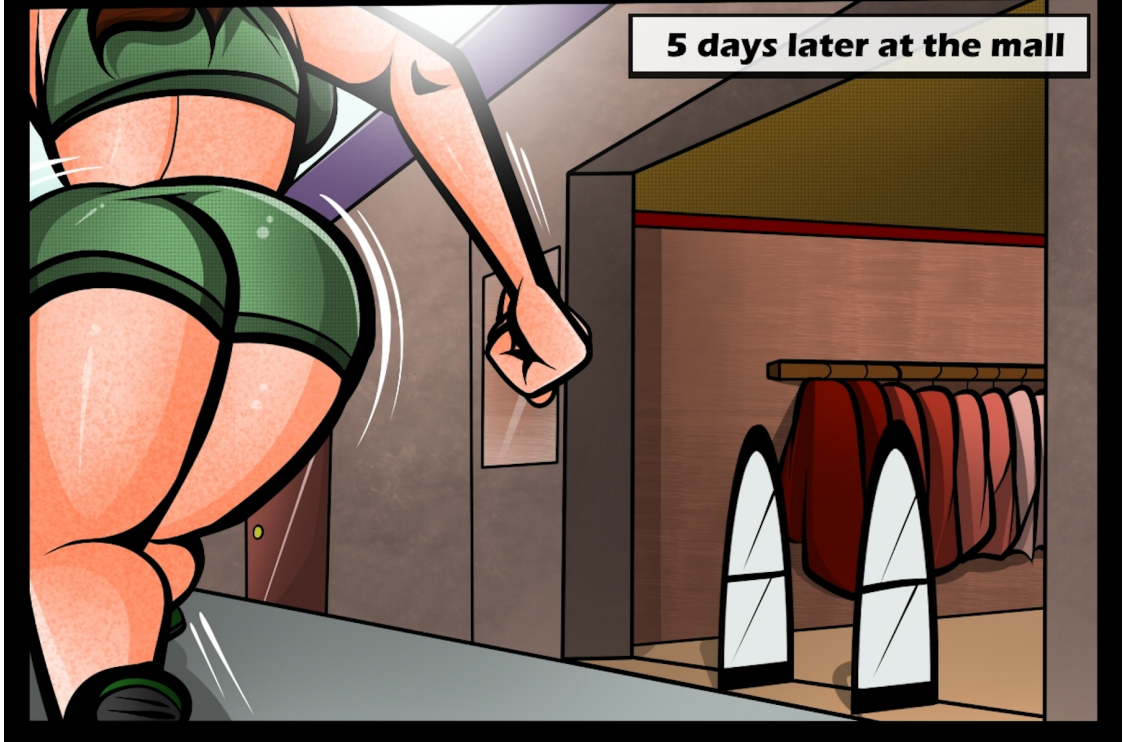

I want to kiss you.

In short, you're the most beautiful and kindest person I've ever met!

I don't care if he believes me or not, he made me at ease in this new world.

5 days later at the mall

Mark, I'll need to catch my breath. You can run without me, I'll be fine.

Alright sweetie, I'll see you at the end.

Boing!

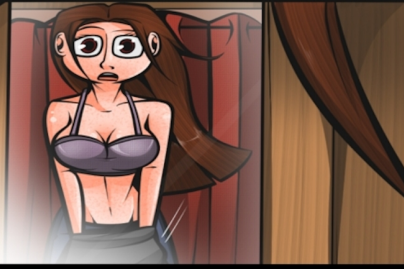

I still need to get to use by my tits bouncing and sweating all the time.

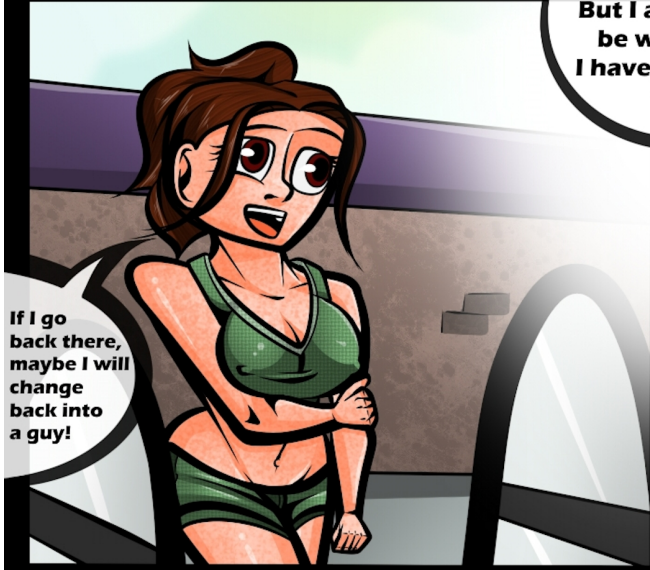

What's that light in that store?

ZOOM!

You have to be kidding me...

It's the same light that turned me into a girl. Why didn't I noticed that earlier?

If I go back there, maybe I will change back into a guy!

But I also want to be with Mark... I have to choose... Grrr...

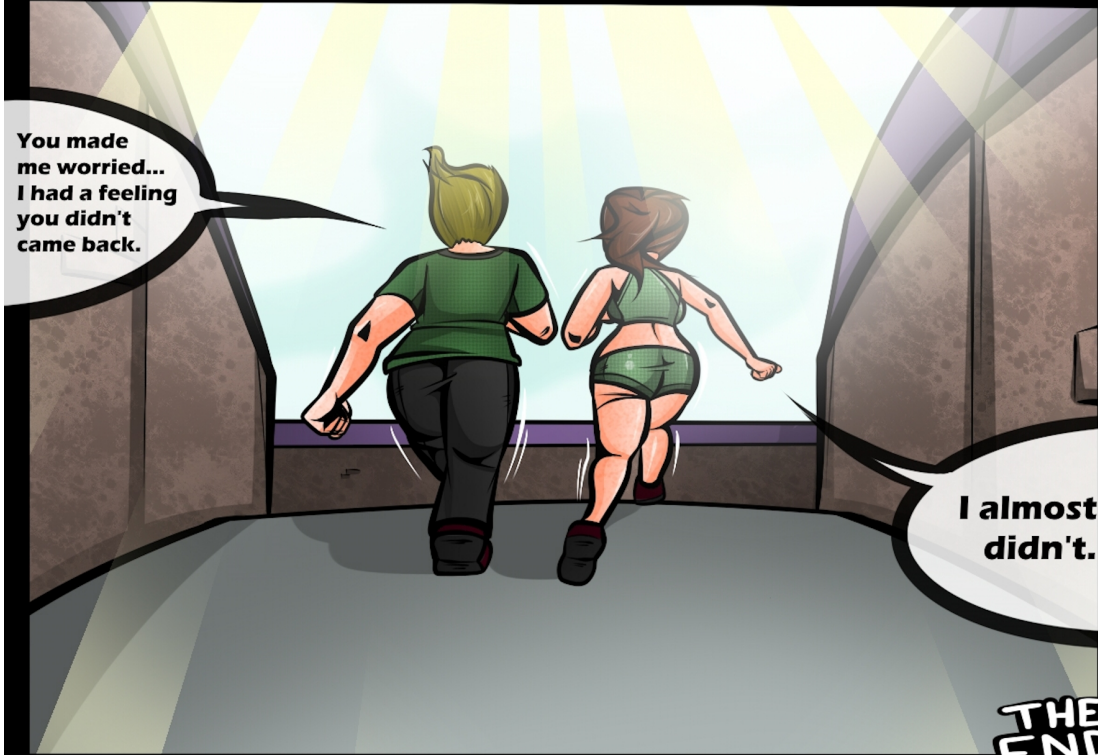

Mark!

huh...

Wait for me!

You made me worried... I had a feeling you didn't come back.

I almost didn't.
