## *A Message from Princess Lacey*

### **Sissyboys Speak Out!**

Dear Sissies,

This publication is probably quite different than any other publication you've ever read. It's our attempt to excite you by getting to the heart of the heart of your fetishes and fantasies.

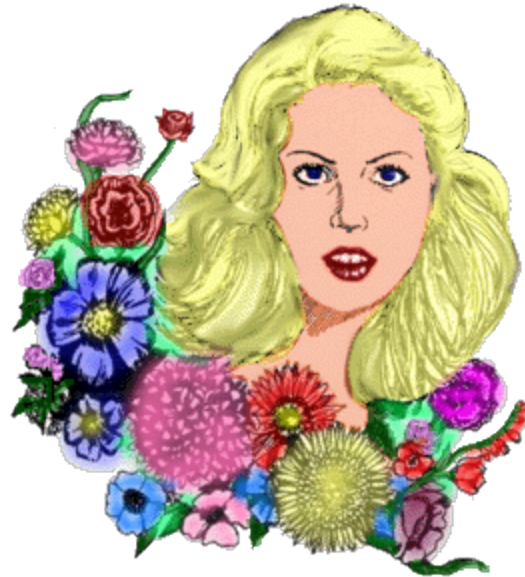

Many people like you get their greatest thrill from being an absolute sissy, at least when they are alone or with someone whom they have been able to share their secret fetish. Others thrive on the thrill of being totally humiliated. Probably caused by a very traumatic incident during their youth, these individuals are happiest by putting themselves in a position to be gravely embarrassed.

However, both types of individuals have highly refined scenarios completely orchestrated in their minds -- their favorite fantasy and reality situations. I've heard from thousands of sissyboys over the years, and they've told me in detail what turns them on the most. And take it from me that what is the most guilt-free, joyous romp through some highly feminine experience for one fellow can be a totally devastating and completely humiliating experience for another fellow. This leads us to the unique format of this particular booklet.

During the 1980s, it was quite popular to use the saying "Happiness is ..." and complete the statement with something you most desired or dreamed about. And during that time, one of our regular readers sent us a typed, fifteen page manuscript listing dozens of "Happiness is..." phrases describing his own sexual needs and wants. That manuscript sat in our files for years, and when we recently pulled it out and took another look at it, we realized that it would be a nice format for a new publication. And here it is!

But we wanted to take the setup one step further, especially since a large segment of sissyboys thrive on humiliation and not happiness! We also realized that most of these sayings worked equally well starting out either as "happiness is" or "humiliation is," so that's how we set up this booklet.

Next we contacted a number of our regular customers and asked them to fill in the blank left by either one of those statements, and we received hundreds of additional bits, quips and abbreviated scenarios. We present them here for you to enjoy however you want to read them, as either happiness or humiliation sayings!

Love,

Princess Lacey

### **Part 1 - Introduction**

Back in the 1980s, a popular way to state one's hopes and dreams was to complete the sentence "Happiness is ..." These sayings caught on quickly and for quite a while, wherever you went, you'd see placards and bumper stickers and hear people stating their favorite "Happiness is ..." saying. They'd say things like "Happiness is a day off work." "Happiness is going fishing." "Happiness is a wife without a mother-in-law," etc.

We did a twist on that old cliché and made up a number of sayings that finish out the "Happiness is" sentence. But we went a bit further, since to many crossdressers, true happiness is humiliation, we made up these little quips so they would fit either introductory phrase -- depending upon your disposition.

For example, for the first entry you can say "Happiness is being forced to wear your mother's panties every day for the rest of your life." Or if you are so inclined, you can read the sentence "Humiliation is being forced to wear your mother's panties every day for the rest of your life."

So with that in mind, we'll leave it up to you to start out each of the sentences by saying, "Happiness is" or "Humiliation is"!

... Having your mother accidentally (?) mix up your sister's panties with your underwear and when you ask for clean underwear, she says, "They're in your drawer; just put them on and be quiet." ... Walking down the street and feeling fresh cum oozing out of your asshole and into your panties.

... Having the boys' locker room at school closed for cleaning and having to use the girls' locker room for gym class and finding the girls have left a lot of used lingerie in their lockers. The coach takes note of which boys get erections seeing the lingerie.

... Finding your father jacking off in your panties!

... Sitting at a lunch counter with your panty waistband peeking out of the back of your trousers.

... Being sodomized by police while you are in a foreign country because they discover that you are wearing lacy panties under your clothes and you don't speak the language, so you can't tell them that you are not a homosexual and can't explain to them that you are simply a transvestite.

... Putting a notice up on the grocery market bulletin board that you are a panty-wearing faggot looking for work baby-sitting young boys.

... Watching your twelve-year-old daughter walk around the house in nothing but her training bra and silky panties with your amputated penis swinging back and forth in the crotch of those panties.

... Having your wife make you take off your panties in the restroom of a bar and give them to her. Then she finds a strange man, and after she jacks him off into your panties, she gives them back to you and makes you go back into the restroom to put on the panties loaded with the other man's cum.

... Playing a game with one of your sissy boyfriends. On a speaker phone, you take turns calling one of the many hotlines sponsored by religious groups and you tell the woman you talk to that you desperately need help guidance because your ex-wife is feminizing your young son and makes him wear little girls' panties and you don't know what to do about it. You get points for how many minutes you can keep them on the line talking about boys in panties and get bonus points for how many times you can get the woman to say the word "panties" (and not the word "pants," "underwear," "drawers," or some other word).

... Hanging around the lingerie department of a store and seeing other boys and men trying to discreetly look at and touch all the lingerie on display.

... Using a silky slip and a pair of panties to give a demonstration of static electricity for a high school science class.

... Having a wife who lets you masturbate in your panties all you want, but each time you must capture your jism in a little bottle and that is kept on a shelf in the living room for all to see. Then when your mother-in-law makes her weekly visit, she decides how you must be punished for being such a childishly wanking sissy. Sometimes she takes the cum and spreads it all over your face, lets it dry and sends you to work that way. You are not allowed to wash it off and it must still be on your face when you come home that night. If anyone asks you what's on your face, you have to tell him or her the truth. At other times she makes you pour the cum on your dessert after dinner, has your seven-year-old daughter take it to school for "show & tell", tells your son that it's cough medicine when he has a cold and makes him drink it up, or tells you to "go fuck yourself" and makes you put it in a turkey baster and inject it up your own asshole while the whole family watches.

... Being present when a boy is first pantied and paraded before his lecherous father.

... Discovering your wife has put a huge glob of Vaseline on her finger as she inserts her hand into your panties.

... Being dressed in your regular boys' jeans and shoes, but instead of a shirt, your mother puts you in a short, pink, fuzzy, midriff-length angora sweater that leaves your tummy bare and your pink panties peeking out above the top of your jeans.

... Having your wife take you to a fur salon with your pantied penis sticking out of your pants zipper. She lets you cover yourself with your hands, but you can't leave the store until you masturbate your penis up against one of the expensive fur coats on display, leaving behind a thick swathe of your jism dripping down the front of the coat.

... Having your mother buy you girls' silk panties because you complain that your cotton underwear constantly irritates your sensitive skin.

... Seeing the little girl next door show your daughter the pretty panties she is wearing and explaining that her father buys all her nice panties for her.

... Secretly giving your wife's birth control pills to your preschool son.

... Showing your sons that you wear panties and coercing them into trying on panties too.

And in full view and hearing distance of other shoppers, your father loudly calls you by your feminine name and asks you to point out various dresses and lingerie you want for your birthday.

... Demonstrating how to perform a proper curtsy for your daughter's Girl Scout troop.

... Being laid over your daddy's lap and having him raise your skirt and slip above your waist and giving you a hard hand spanking on your tender little ass, which is covered only by your thin girls' panties. You are being punished for staining your pretty panties with your cum without receiving permission and for not sitting down on the toilet when you had to pee. After the spanking you have to stand in the corner holding up your skirt and slip around your waist while your panties are bunched at your knees and your reddened ass cheeks are fully exposed, while your mother has a meeting of her church group.

... Going clothes shopping with your boyfriend, who is also a sissy. Both of you have sadistic, macho fathers who demand that you keep your hair cut in a very short butch style so when you go out everyone knows you're not really girls but just faggot sissyboys.
