Fancy Party Dresses for Boys

Yes, this is the most girlie-girlie dress we carry, and your macho little boy will cry when you just hang it up in his closet and threaten to make him wear it if he dares to act up. Once he's in this ultra-feminine confection, he'll cry and beg you not to let anyone see him in it, but don't be put off by his tears, show him off to friends and relatives at every opportunity.

Boys' sizes 7 to 14. \$32.95

**ATTN: MOTHERS WE HAVE EVERYTHING YOU NEED FOR

Boys who fight with their sisters need to be brought down a peg.
Our Mix'n'Match shirts & panties will make him sorry he ever hit her!

The 'Johnny Petticoat'

Here it is, ladies! The hottest item in our store. No matter how many we order, we sell out almost instantly -- the word has gotten out -- this is the perfect petticoat for petticoat punishing naughty little boys. This petti with matching rhumba panties will tame your boy down almost the instant you put them on him! We're so sure it will work, we even guarantee it! However, we must warn you, this multi-tiered nylon crinoline and rhumba panty combination does have a tendency to turn boys into sissies. Most boys petticoated in these garments quickly give up their boyish ways and want to become girls. So unless you want a daughter instead of a son, we caution you to use the Johnny Petticoat (and Panties) with caution! Available in all child, teen, and adult sizes. Pink only! Petticoat and Panty Combo \$64.95.

A photograph of two young girls on a beach at sunset. The girl in the foreground is wearing a white, sleeveless, knee-length party dress with a full skirt and a small floral corsage. She is smiling and has her arms outstretched. The girl in the background is also wearing a similar white party dress and is walking away from the camera. The background shows the ocean with waves and a dark, silhouetted coastline under a twilight sky.

PETTICOATS FOR BOYS!

For several years, mothers and their daughters have enjoyed the big cancan petticoats that are the rage of the fashion industry. However, there is a new market for these lovely frillies. Surprisingly, boys, especially young boys, seem to be highly attracted to them and in ever increasing numbers, they too want to wear them!

Parents, liberal and tolerant enough to indulge their sons in these girlish desires, usually limit their boys to wearing their puffy crinolines at home or in private for obvious reasons. The boys usually do not venture outside in their fancy slips.

Also, the boys usually don't limit themselves to wearing just the pettis; most of them like to dress completely like girls and love to imitate their sisters and mothers as they make themselves as feminine as possible.

We interviewed a number of these slip-loving boys at a recent party hosted for them on Manhattan's Upper East Side. They have a little club and often have parties to show off their pettis and other girly fashions.

We also interviewed many of the boys' mothers. They all seemed delighted with their sons' interest in pettis and girlish things and claimed that the wearing of pretty starched pettis have a great calming and civilizing effect on their sons' behavior.

The petticoats shown here range from \$13 to \$37 and are from Norris Children's Clothiers on West 57th. Their store has a private area for crossdressing boys.

The truth about your brother...

What's your score on this little quiz? Let's find out how much you know about your brother.

Ques.: How often does your brother snoop around in your panty drawer? If you say 'never,' you're probably wrong. If you say 'daily if he has the chance,' you're probably right.

Ques.: Does your brother wear panties under his trousers to school? If you say you don't know, the next time he's getting dressed for school, walk in on him and see what he's wearing. If he's not wearing panties, demand that he put on a pair that you have in your hand and tell him he must wear them under his trousers to school or you will take the panties to school, show them to everyone and tell them that you caught him wearing them.

And we have the perfect panties for panty training a boy. They are our deluxe nylon-tricot panties with lacy edges and pert little bows and they are available in boys' sizes toddler through teen. And for a limited time, these panties come gift packaged in a little red school-house box that will look cute on his dresser and remind him to wear panties to school every day or you will tell everyone his secret and hang his panties up on the school bulletin board!
