
Hannah should be here any minute. She sounded so nervous on the phone.
I'm sure she doesn't actually need help with math homework. She's the best student in the class.
I wonder what she really wants.
BUZZ!
There she is. Right on time.
Hi Miss Stewart.
You made it.
Sorry I'm late. Traffic was awful.
No, you're right on time. Let's work in the living room
Can I get you anything?
Maybe a glass of wine?
I'm going to assume that's a joke. How about some nice sparkling apple cider?
Haha, yes, only kidding. Apple cider sounds good.
I can't believe Hannah asked for a glass of wine! Now I know this isn't about math homework.
Have a seat on the couch, I'll be right there.
I can't believe I'm actually in Miss Stewart's apartment. Don't screw this up, Hannah.
She actually lit candles for me. Maybe homework isn't the first thing on her mind, either.
You have a beautiful apartment, Miss Stewart.
Not too bad for a teacher's salary.
Here you go. Sparkling apple cider. It's as close to champagne as you can get.
Sounds good to me.
I definitely don't think Hannah came over here to talk about math. So what *does* she want?

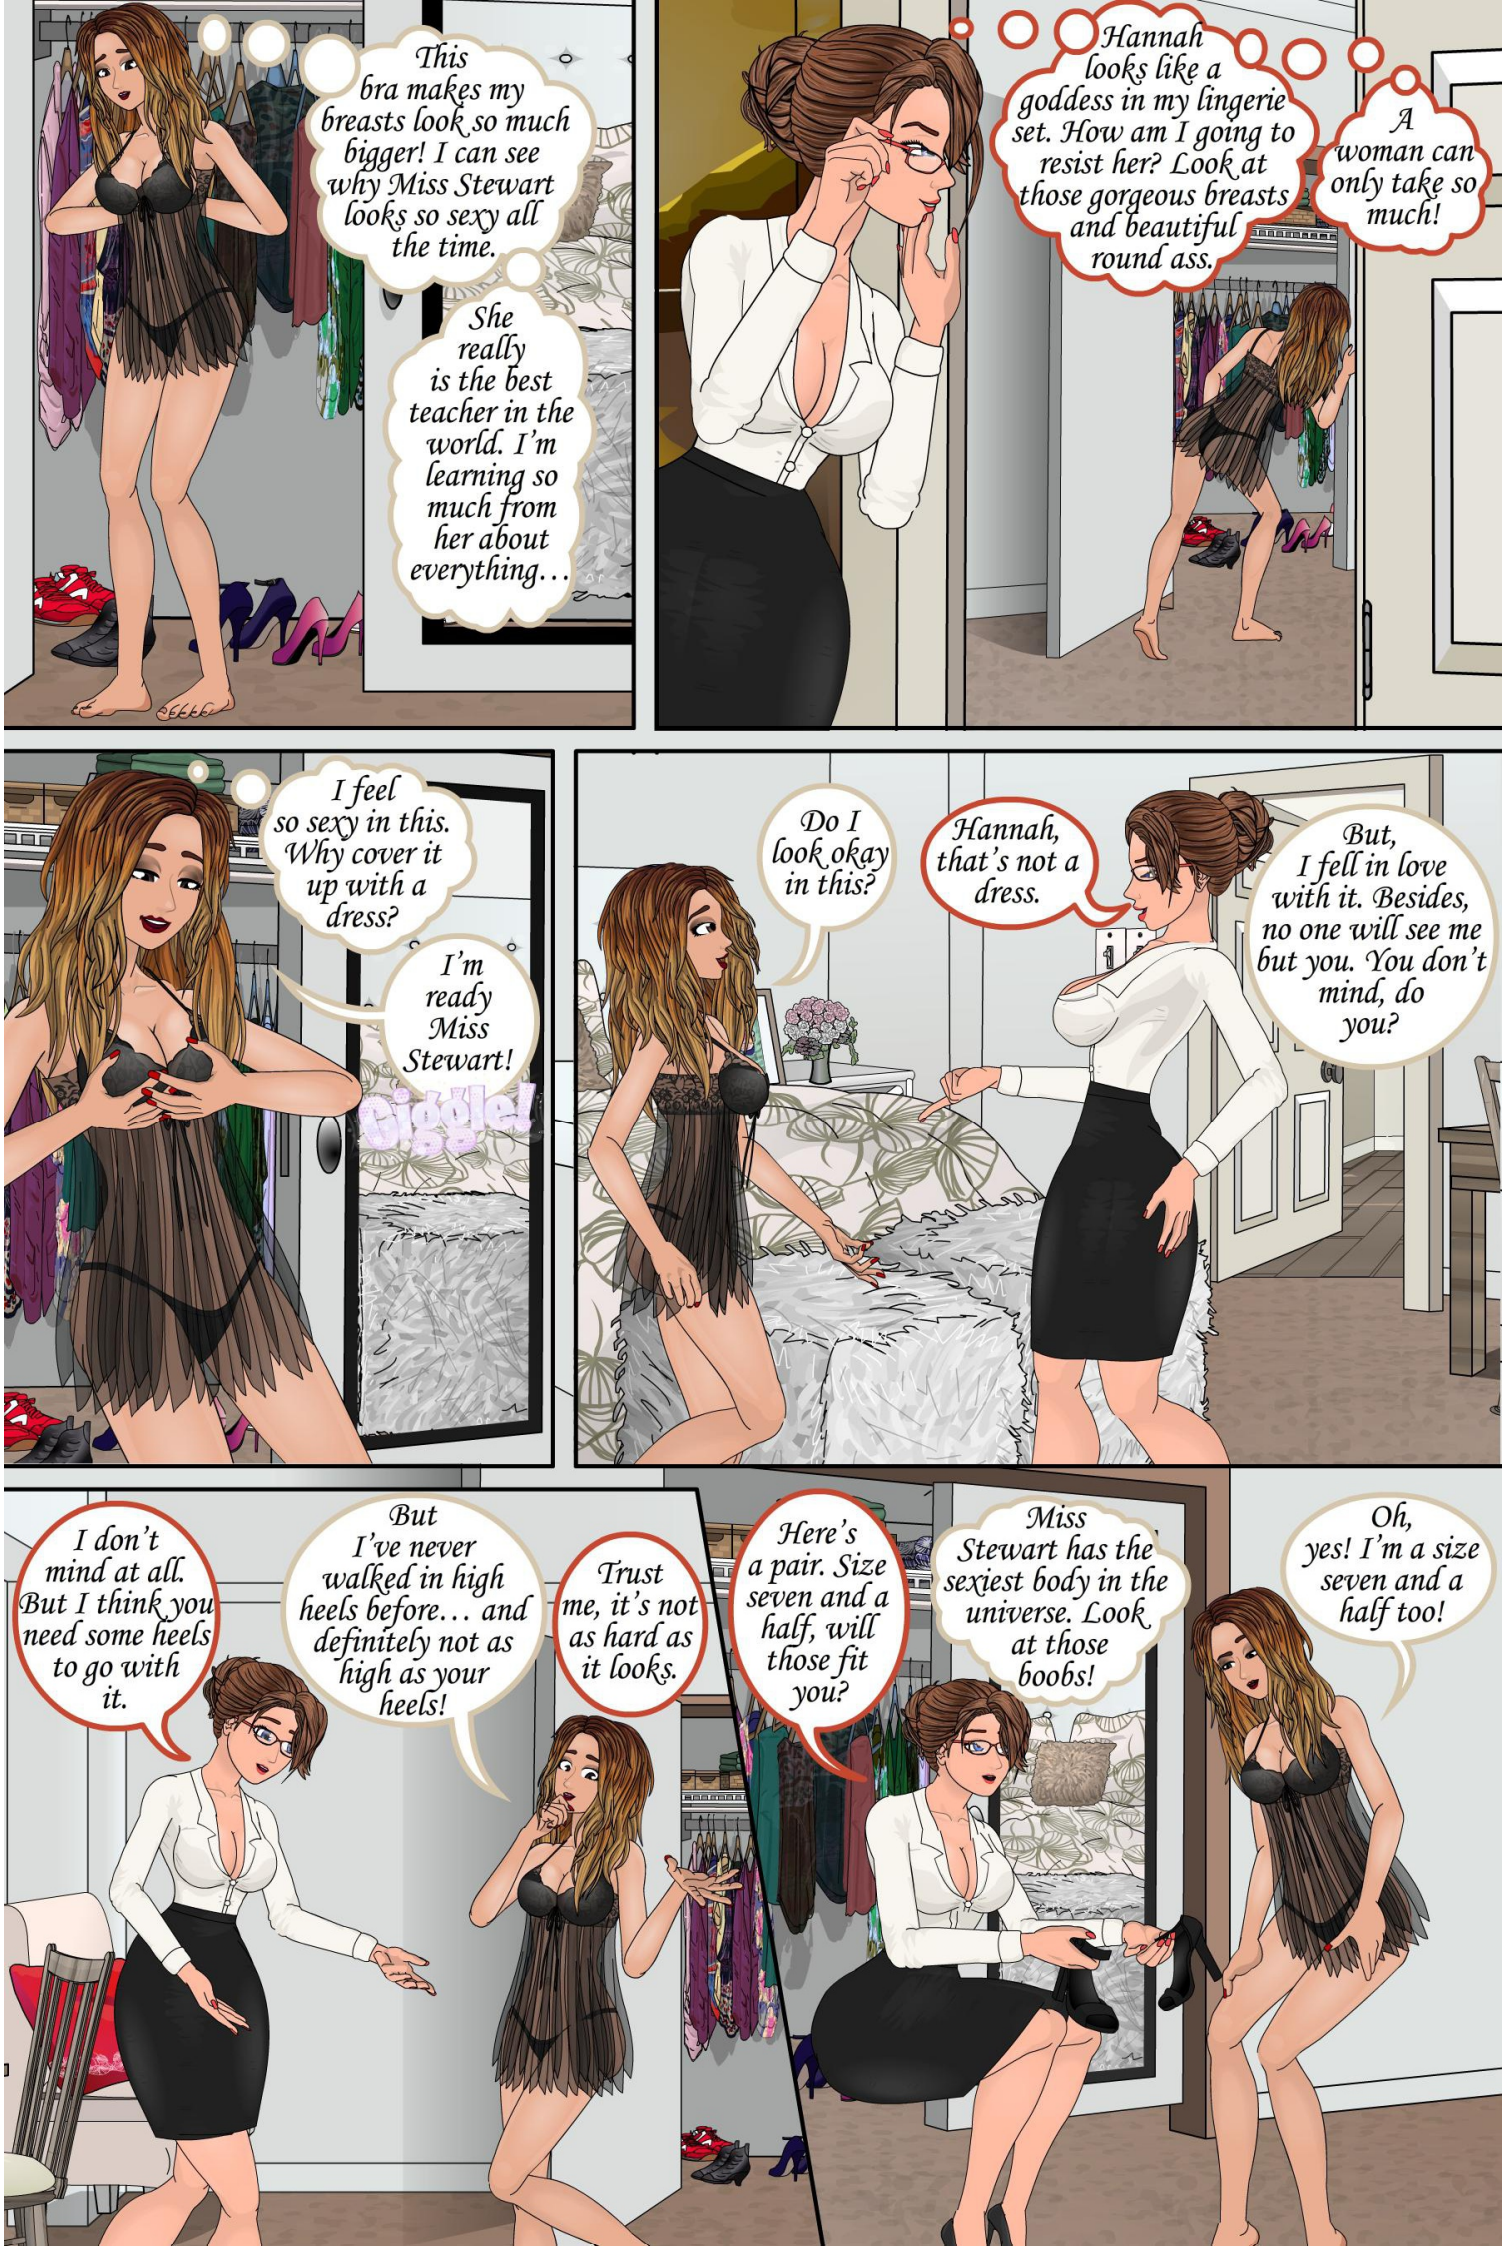

Mm… something smells good. Hannah are you wearing perfume?
Am I? Oh – yeah, I guess so.
Giggle!
Do you like it?
I love it. What's it called?
Sapphic Seduction.
COUGH!
Miss Stewart, are you okay?
Sapphic Seduction?
Yes, I've, uh, just never heard of that perfume.
Well, this is getting more interesting by the minute. But I don't think Hannah has the confidence to actually hit on me.
It's a brand-new fragrance, it just came out. I wanted to try it because I like the name.
So, let's get to work on those equations, shall we? Where's your textbook?
Oh – I didn't bring it.
What a surprise.
You didn't bring your textbook? What are we supposed to work with?
I'm sorry, I guess I thought you'd have textbooks here.
Hannah, this isn't the school study hall. I don't bring textbooks home with me.
I'm sorry Miss Stewart. I don't know what I was thinking. I didn't mean to waste your time.
Hannah is really a nervous wreck. I can tell she's never tried to seduce anyone
She just doesn't seem to realize how beautiful she is. Maybe I should try to make it a little easier for her.

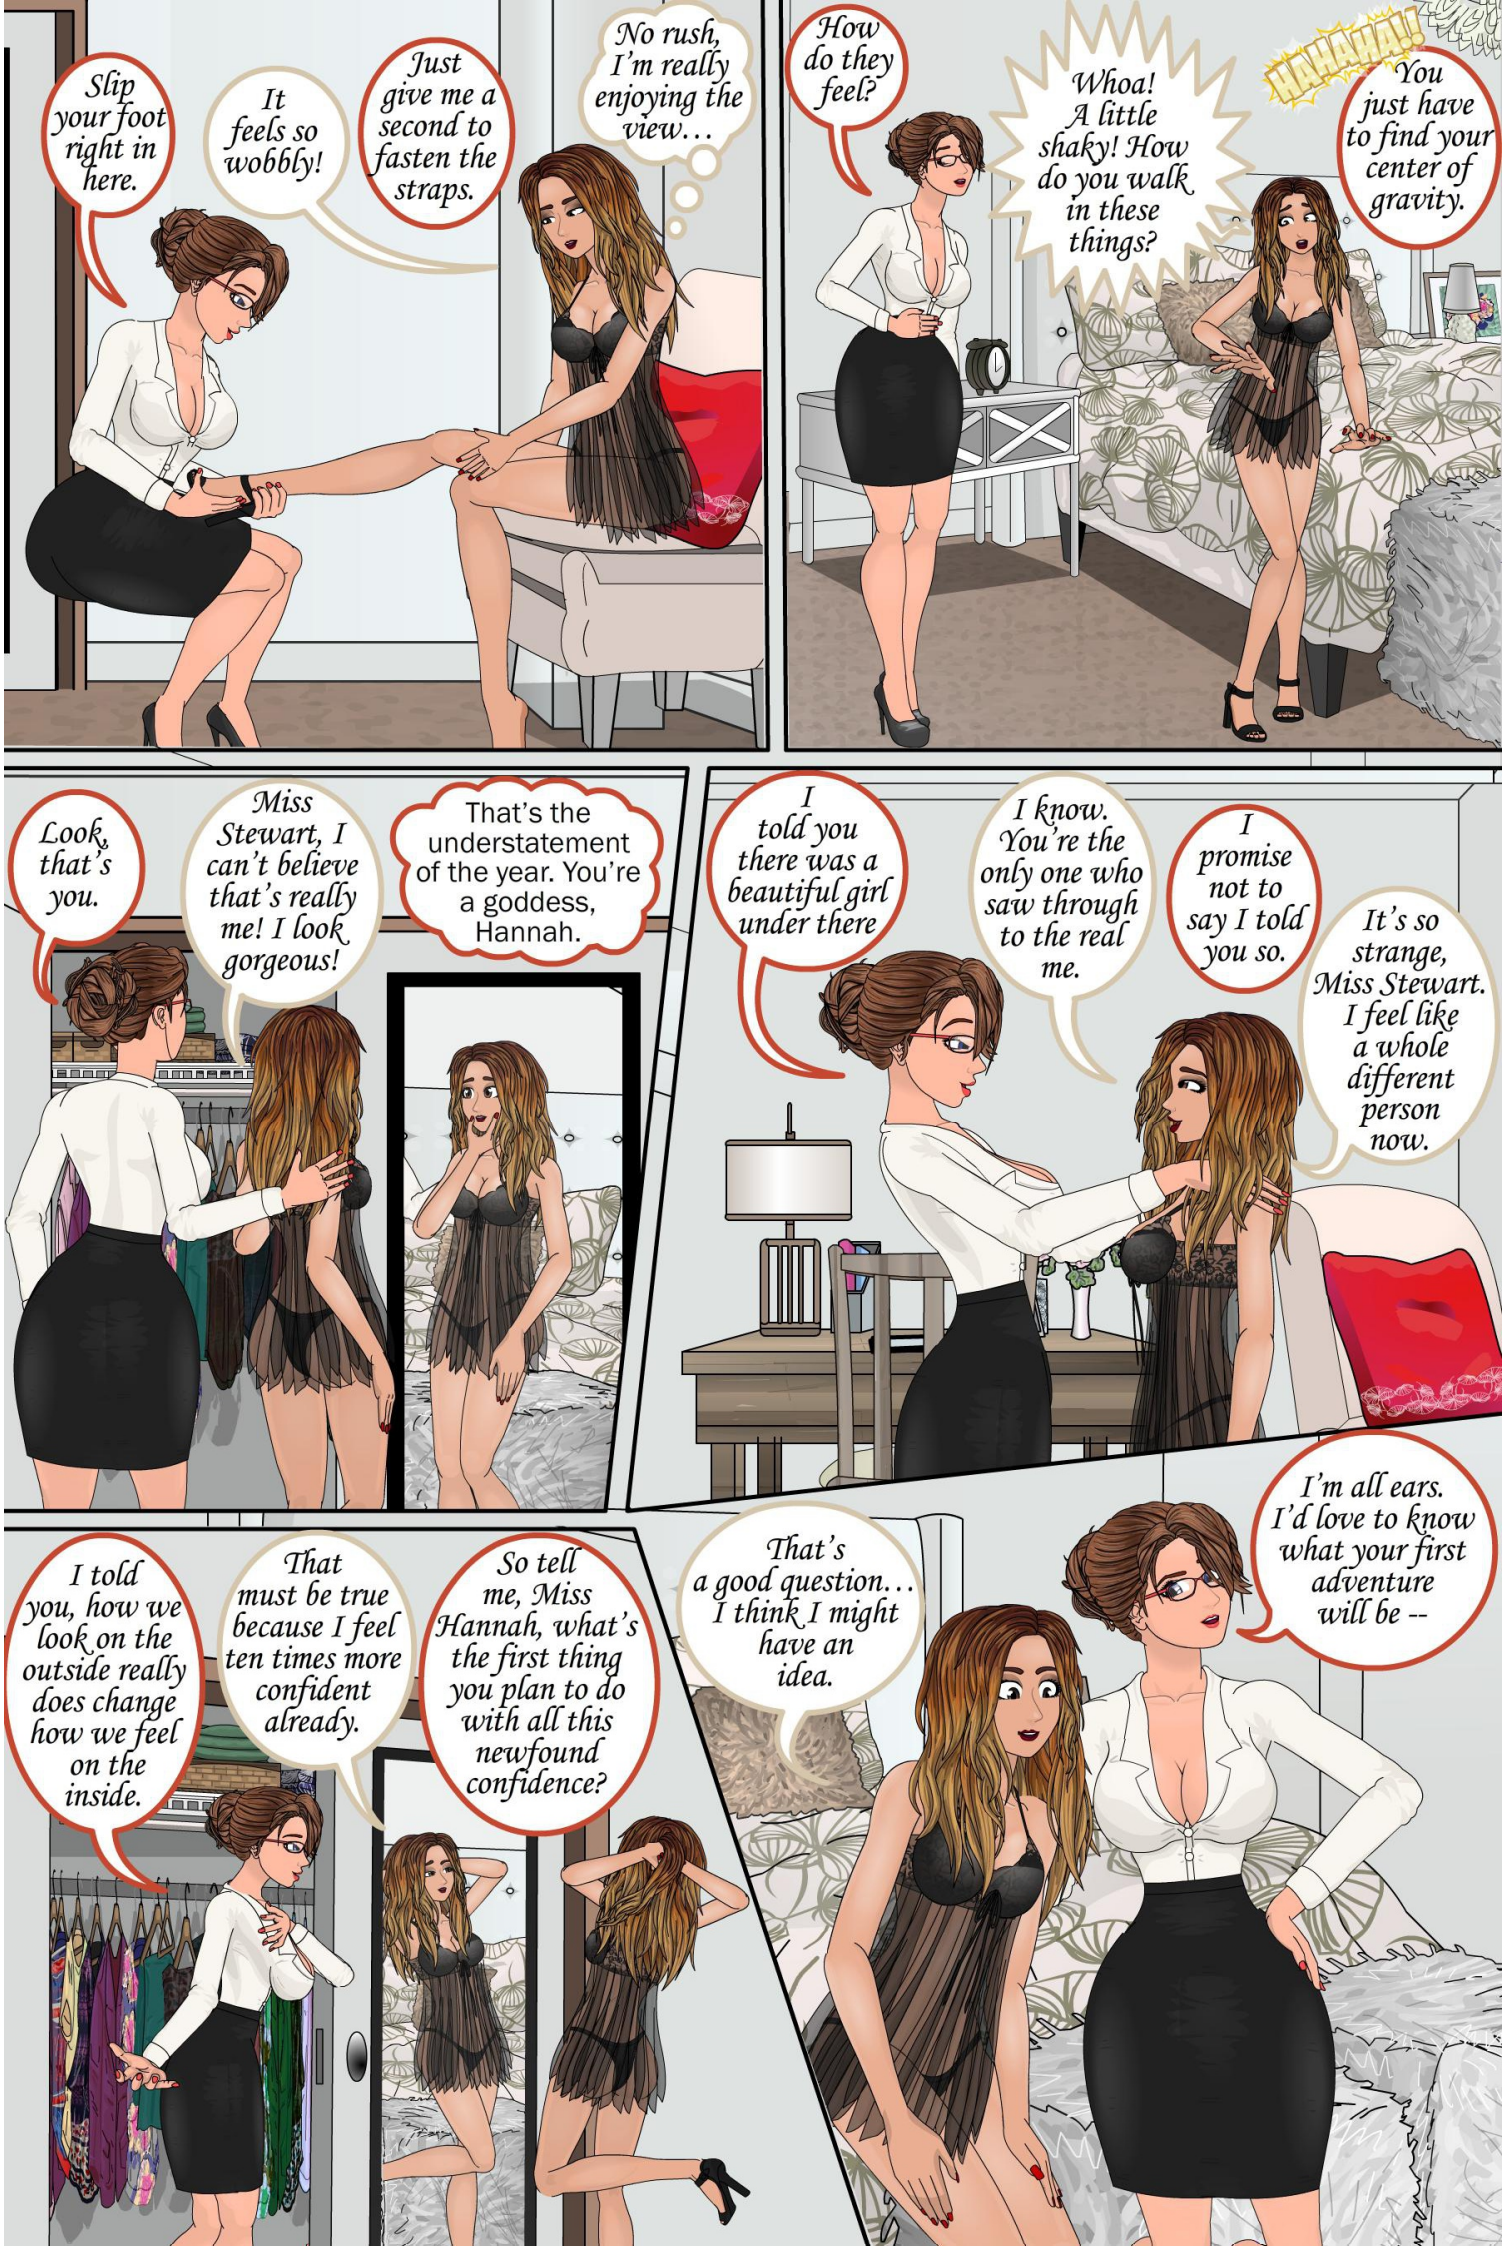

Well, considering you came all the way over… Would you like to do something else instead of math homework?
How about a makeover?
Yes, Miss Stewart! I'd love to!
A makeover? You mean like change my hairstyle?
Hair, makeup, clothes… the whole shebang.
Do I look bad?
Not at all, Hannah. You're beautiful. But you hide it under these frumpy outfits.
Oh my gosh Miss Stewart. You really think I'm beautiful?
Very beautiful. From head to toe.
Giggle!
Am I dreaming right now?
Wait here, I'll go get my makeup bag.
Forgetting to bring my math book was definitely a good idea, if I do say so myself.
I certainly don't need any help with math. It's always been my best subject.
I can't wait to see Hannah transform from a mousy little nerd to a bad bitch.
I think after I give her a makeover, I'll let her raid my closet.
It will be fun to see her in one of my sexy outfits.
Get a grip, Hannah. And don't act like a dork. She said I was beautiful. She must be attracted to me, even if she doesn't realize it yet.
Okay, I think I have everything I need. You ready?
I'm ready.

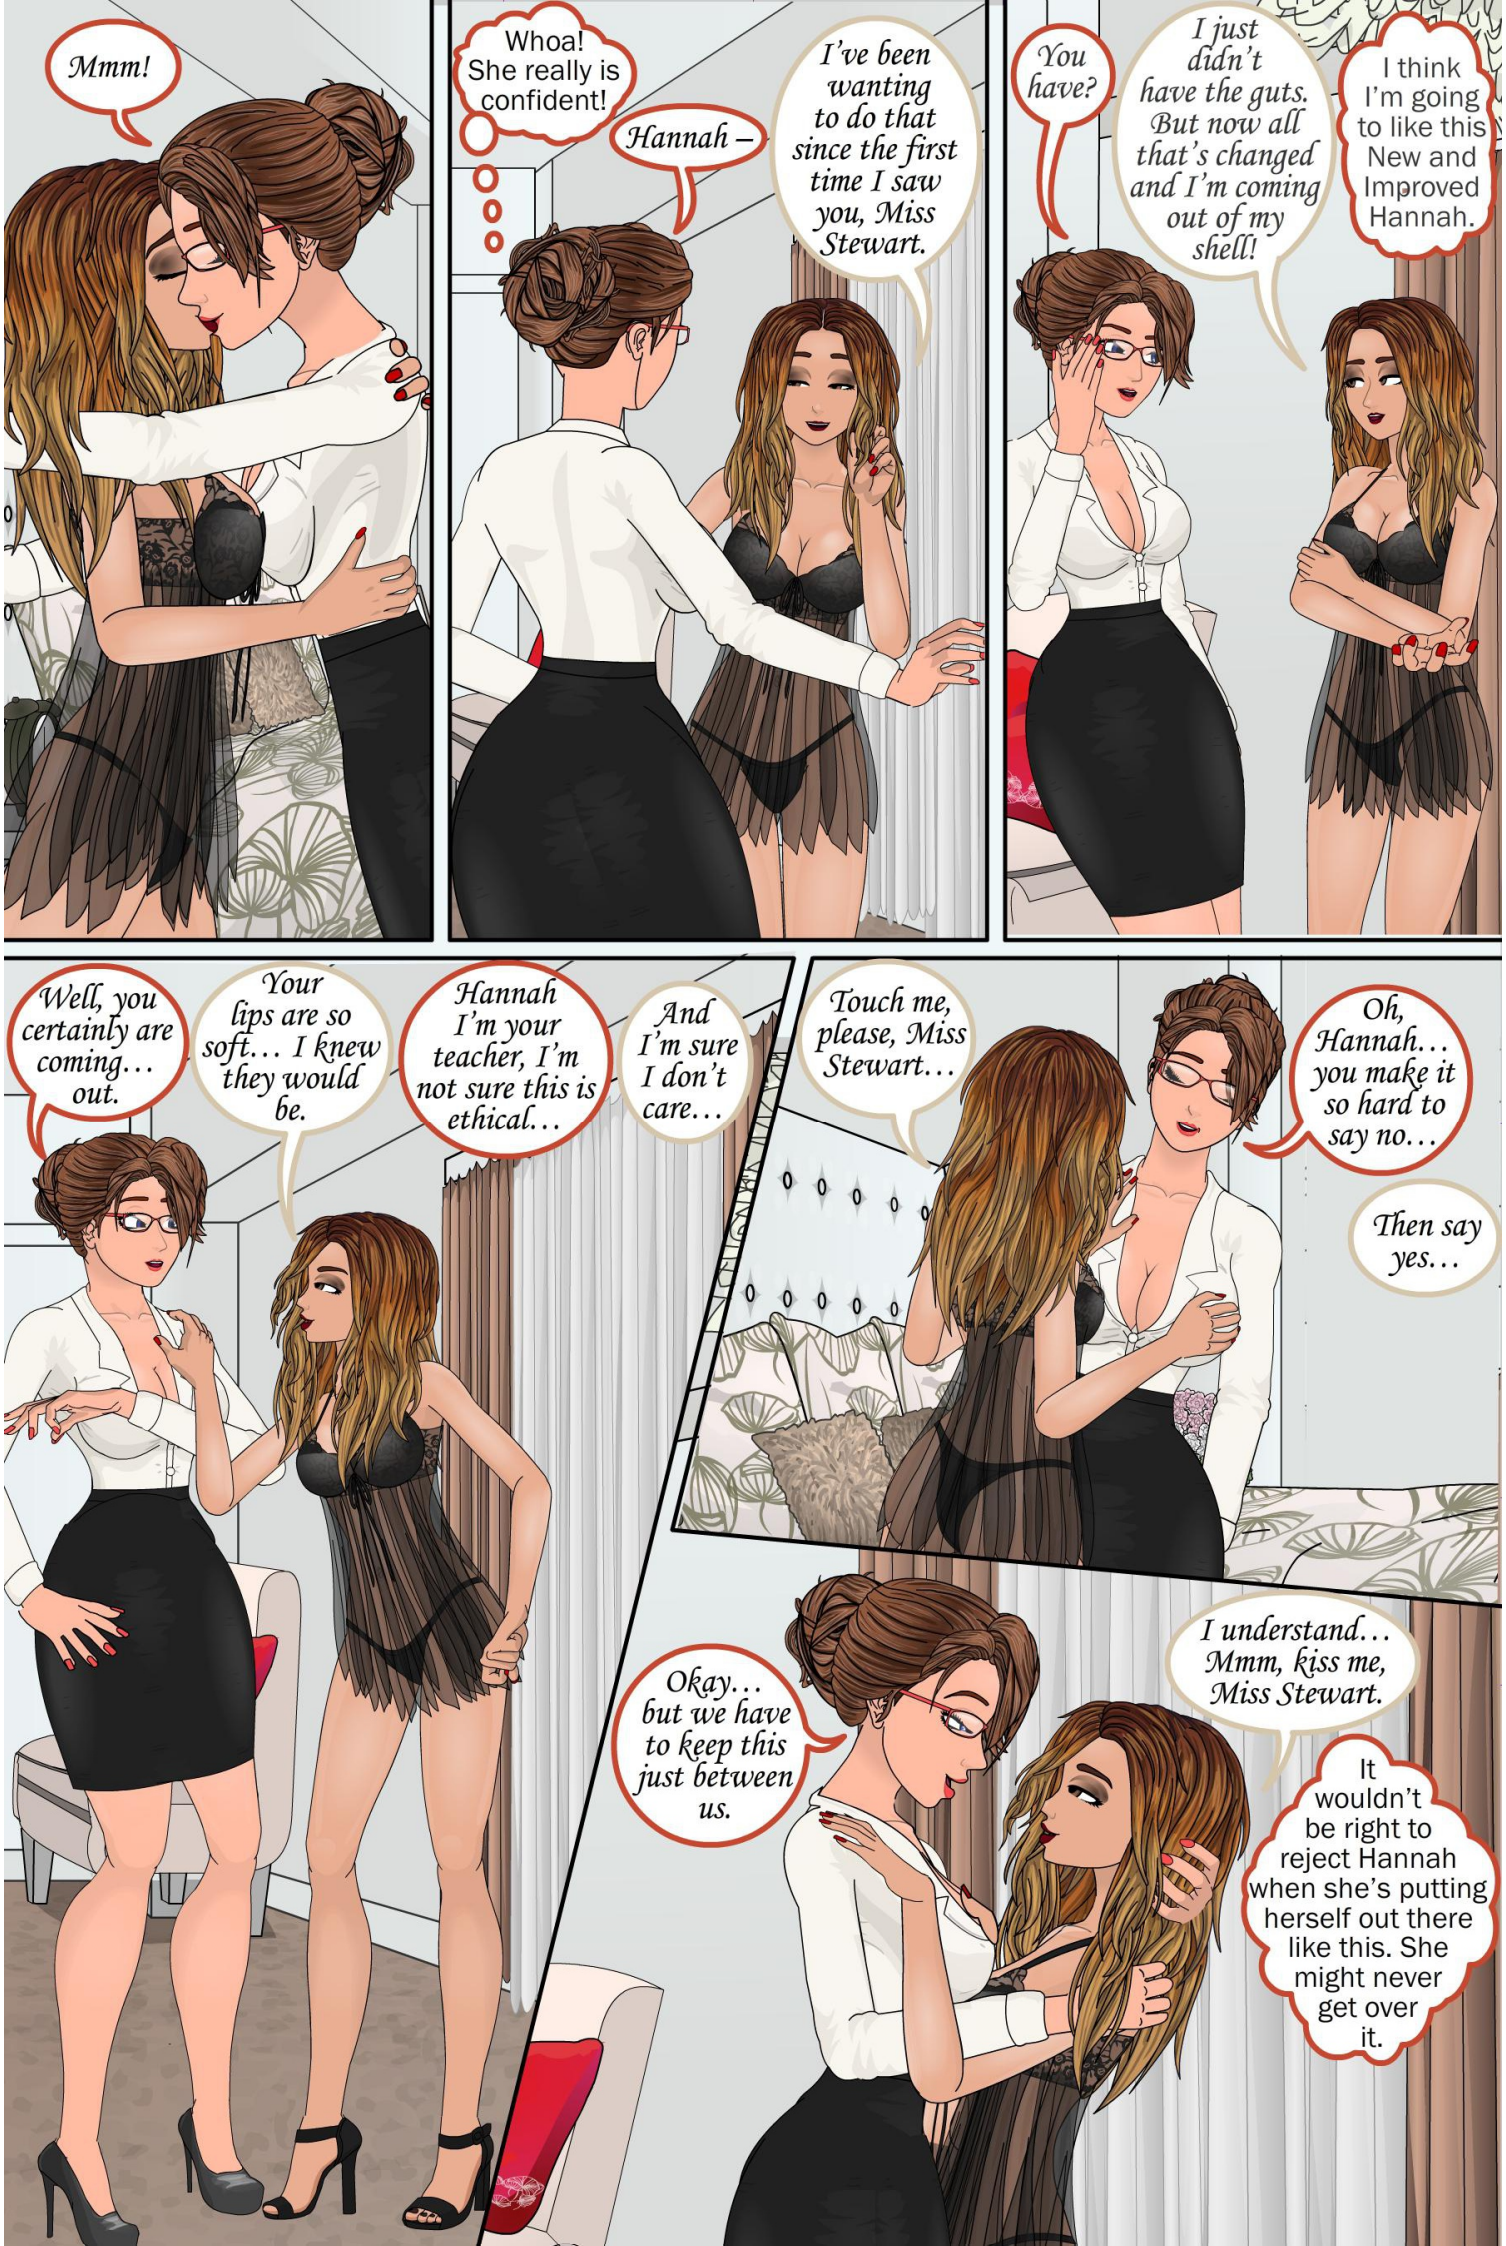

I'm not a professional, but you're so naturally beautiful it won't take much skill to enhance what's already there.
Thank you, Miss Stewart.
Now sit back and close your eyes. I'm going to get to work.
I'm so excited. I can't believe I'm going to be transformed!
Yep. The next time you look in the mirror, you're going to see a brand-new Hannah.
Wow, your hair is so soft. It feels like silk.
I never really know what to do with it.
And not only that but it smells good, too.
This is definitely more fun than math.
Nobody but my mom has ever brushed my hair, when I was a little girl. I forgot how good it feels.
Relaxing, hm?
Very.
That's good. Because from what I've observed, you definitely need to relax.
Everyone always says that. I guess I must seem like a nervous wreck.
You just need to have more confidence in yourself. And this makeover is the first step.
Do you really think just looking different on the outside will change how I feel on the inside?
Trust me, changing your appearance can open up a whole new world of possibilities. Let's take off those glasses.
Okay.

Mm, this makeup is really bringing out your inner seductress.
My inner seductress? Interesting choice of words, Miss Stewart.
Why did I just say that? My attraction to Hannah is making me careless. I better watch those Freudian slips.
Not until you change into a different outfit!
But I don't have anything to change into?
I'm going to let you pick one out from my closet. Follow me.
Almost done…
I'm so excited! I can't wait to see the new me!
I really get to wear one of your dresses?
I can't believe how amazing Miss Stewart is being to me. She's making me feel like a princess!
I can't wait to see what I'll look like when she's finished dressing me up.
Here, you can choose any dress you want.
Wow, really? Anything?
Anything your heart desires.
I can't wait to see which one she picks.
Oh Miss Stewart… I don't know what to say!
I'll give you some privacy so you can try a few things on.
Oh – okay… I'll be fast!
Take your time, I put the whole day aside to spend with you.

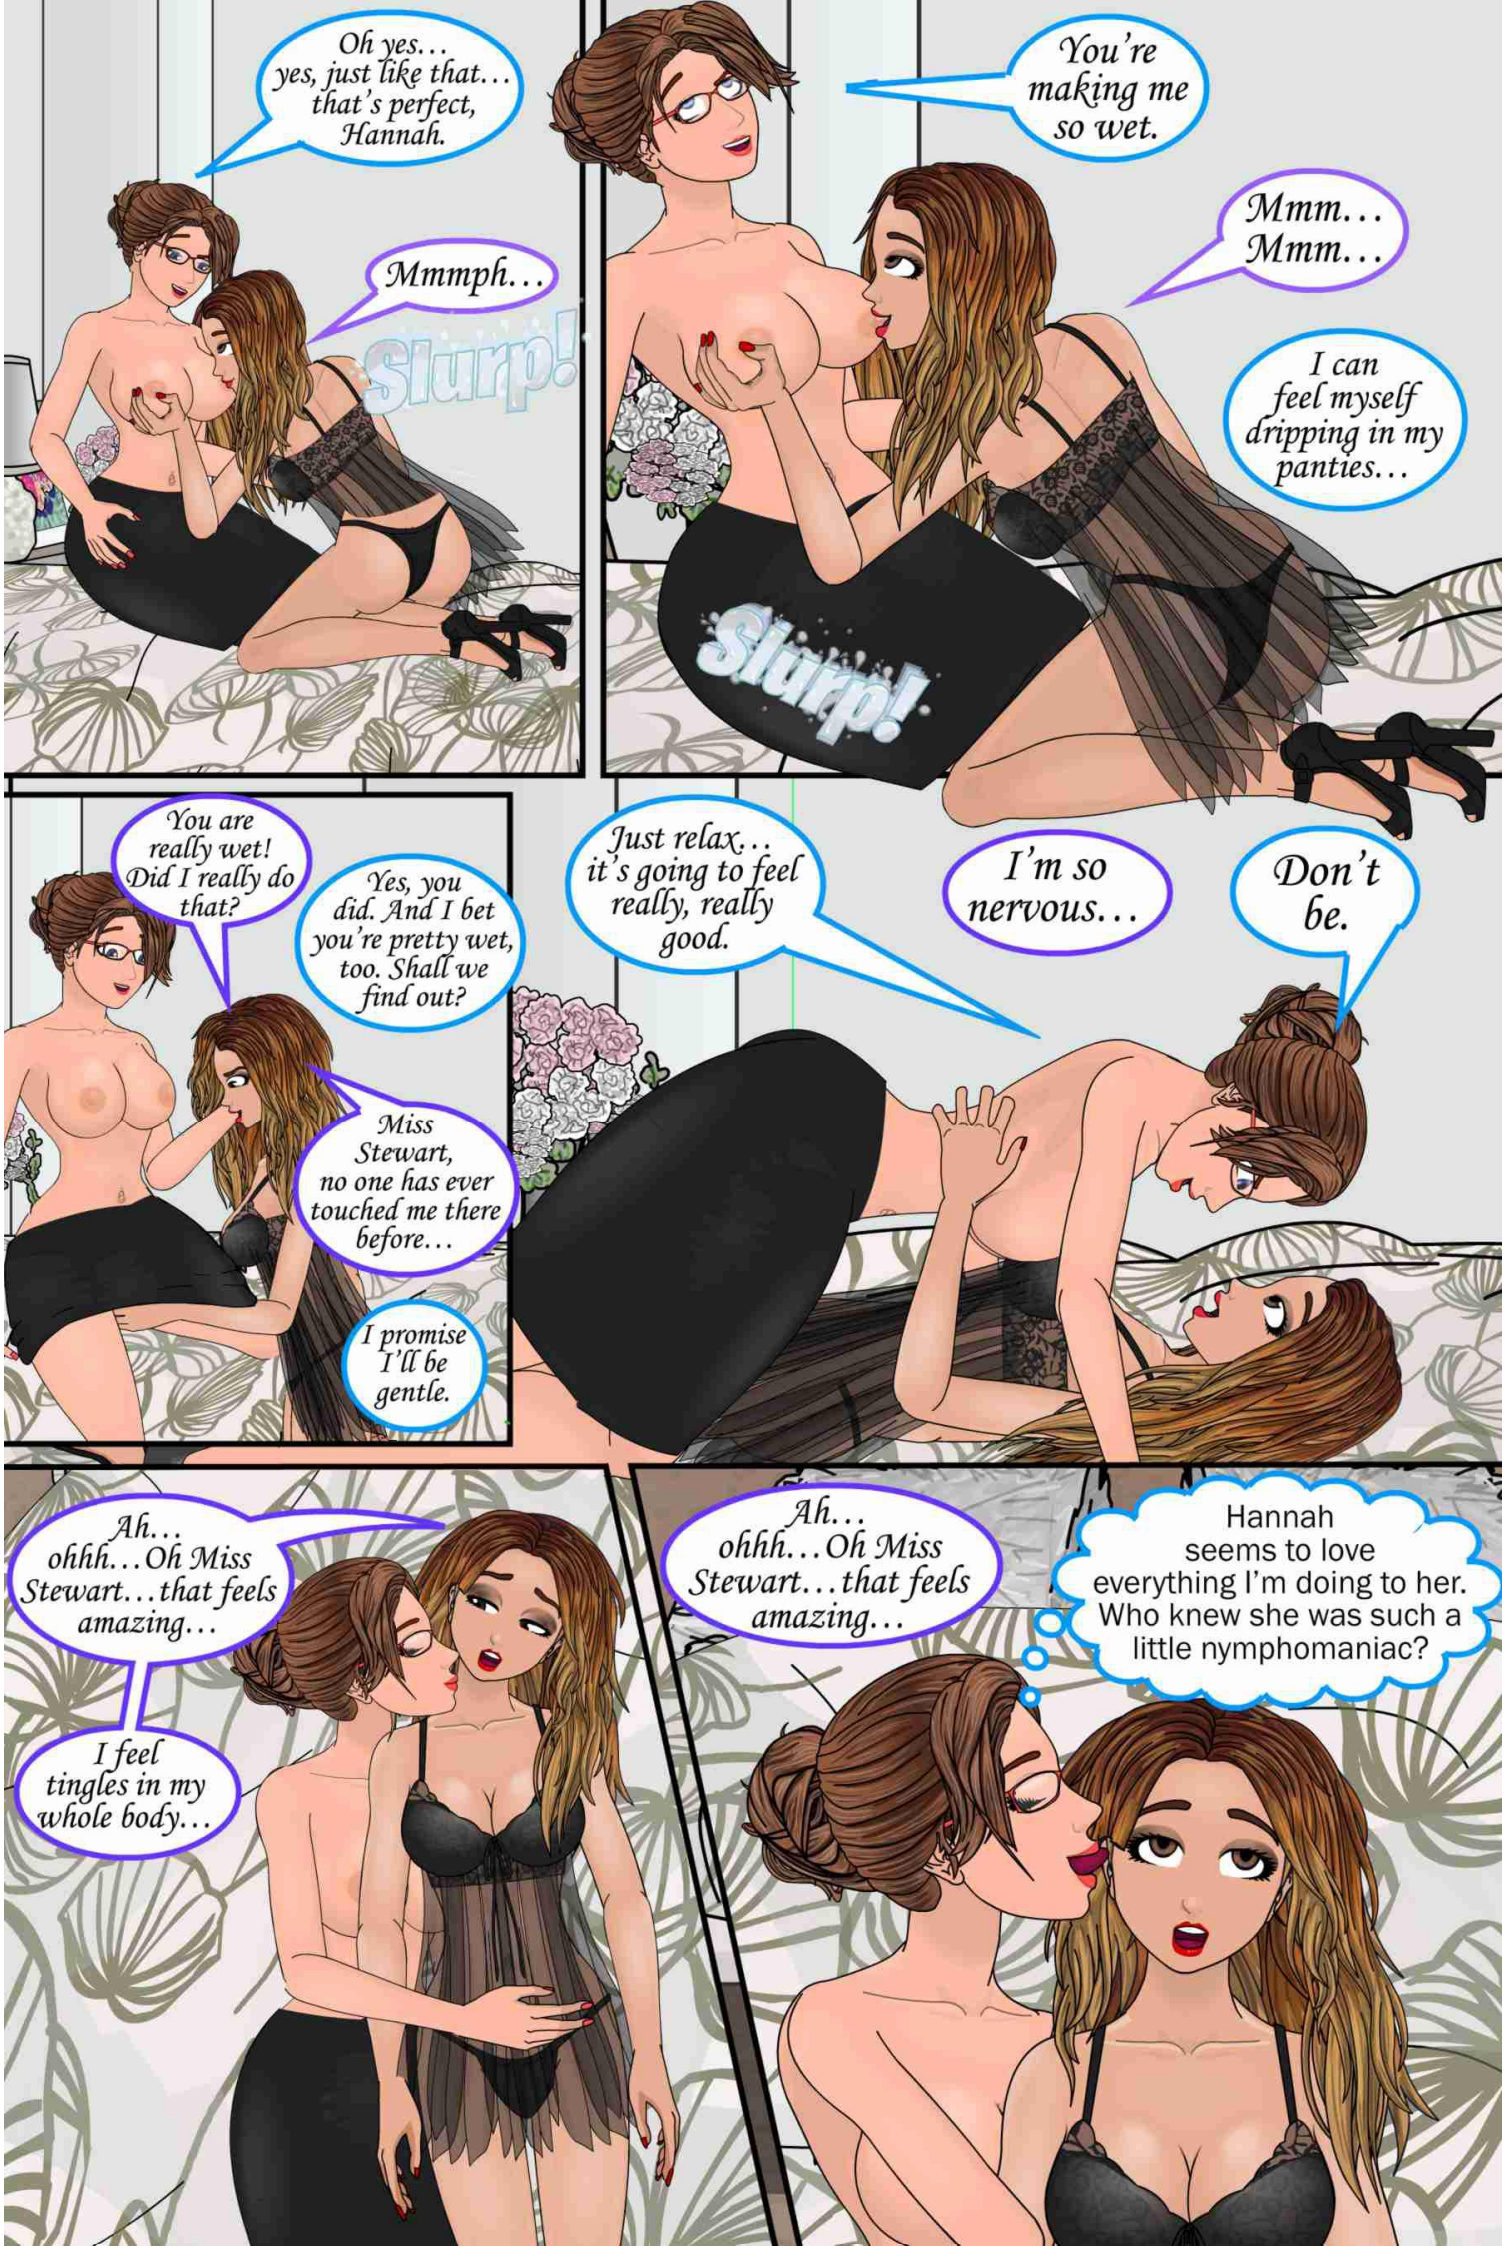

Gulp!
Th-thank you Miss Stewart
I can't believe she just said that to me! I wish I had the nerve to ask her to stay.
I'd love to watch Hannah change into that dress, but I might not be able to control myself if I did.
Maybe that Sapphic Seduction perfume really does work! It couldn't hurt to just take one little peek...
This bra and panties has been against Miss Stewart's naked skin. That's such turn on.
Oh my god, look at Hannah's body. She's spectacular. Oh, great, now I'm horny for my student! And here we are, all alone in my apartment.
Gulp!
Mmm... I think I can smell Miss Stewart on these panties. Or it could be my imagination.
Either way, they smell so good. I just have to try them on.
Oh my gosh, I think Miss Stewart is peeking in at me! I could have sworn I just caught her out of the corner of my eye.
I should invite her in. Or maybe I'll just put on a little show.
She did say I could pick out whatever I wanted. And I think I want to wear this lingerie set.
And only this lingerie set.

This bra makes my breasts look so much bigger! I can see why Miss Stewart looks so sexy all the time.
She really is the best teacher in the world. I'm learning so much from her about everything…
Hannah looks like a goddess in my lingerie set. How am I going to resist her? Look at those gorgeous breasts and beautiful round ass.
A woman can only take so much!
I feel so sexy in this. Why cover it up with a dress?
I'm ready Miss Stewart!
Giggle!
Do I look okay in this?
Hannah, that's not a dress.
But, I fell in love with it. Besides, no one will see me but you. You don't mind, do you?
I don't mind at all. But I think you need some heels to go with it.
But I've never walked in high heels before… and definitely not as high as your heels!
Trust me, it's not as hard as it looks.
Here's a pair. Size seven and a half, will those fit you?
Miss Stewart has the sexiest body in the universe. Look at those boobs!
Oh, yes! I'm a size seven and a half too!

Slip your foot right in here.
It feels so wobbly!
Just give me a second to fasten the straps.
No rush, I'm really enjoying the view…
How do they feel?
Whoa! A little shaky! How do you walk in these things?
HAHAHA!
You just have to find your center of gravity.
Look, that's you.
Miss Stewart, I can't believe that's really me! I look gorgeous!
That's the understatement of the year. You're a goddess, Hannah.
I told you there was a beautiful girl under there
I know. You're the only one who saw through to the real me.
I promise not to say I told you so.
It's so strange, Miss Stewart. I feel like a whole different person now.
I told you, how we look on the outside really does change how we feel on the inside.
That must be true because I feel ten times more confident already.
So tell me, Miss Hannah, what's the first thing you plan to do with all this newfound confidence?
That's a good question… I think I might have an idea.
I'm all ears. I'd love to know what your first adventure will be --

Mmm!
Whoa! She really is confident!
Hannah –
I've been wanting to do that since the first time I saw you, Miss Stewart.
You have?
I just didn't have the guts. But now all that's changed and I'm coming out of my shell!
I think I'm going to like this New and Improved Hannah.
Well, you certainly are coming… out.
Your lips are so soft… I knew they would be.
Hannah I'm your teacher, I'm not sure this is ethical…
And I'm sure I don't care…
Touch me, please, Miss Stewart…
Oh, Hannah… you make it so hard to say no…
Then say yes…
Okay… but we have to keep this just between us.
I understand… Mmm, kiss me, Miss Stewart.
It wouldn't be right to reject Hannah when she's putting herself out there like this. She might never get over it.

And I know I shouldn't give in to temptation, but Hannah is really turning me on!
I've been dying to touch her body, especially that great ass of hers.
I can't believe this is finally happening! I'm going to lose my virginity to Miss Stewart!
Well, I tried to resist... but she won't take no for an answer
Mmm.... Mmm...
I want you so much...
Then take me, my little wildcat.
Ugh, so beautiful.
Touch them, Hannah. I want to feel your hands on my skin.
Oh my god they're so huge. They're amazing.
They're yours to play with. Have at it.
I'm so turned on Miss Stewart. I've never felt like this before.
Lick my nipples, Hannah
Oh, yes, Miss Stewart...

Oh yes… yes, just like that… that's perfect, Hannah.
Mmmph…
Slurp!
You're making me so wet.
Mmm… Mmm…
I can feel myself dripping in my panties…
Slurp!
You are really wet! Did I really do that?
Yes, you did. And I bet you're pretty wet, too. Shall we find out?
Miss Stewart, no one has ever touched me there before…
I promise I'll be gentle.
Just relax… it's going to feel really, really good.
I'm so nervous…
Don't be.
Ah… ohhh… Oh Miss Stewart… that feels amazing…
I feel tingles in my whole body…
Ah… ohhh… Oh Miss Stewart… that feels amazing…
Hannah seems to love everything I'm doing to her. Who knew she was such a little nymphomaniac?

Ahh...
Mmm...
I can't wait to touch those luscious tits of hers...
but I have to take my time. I don't want to rush this.
Oh Miss Stewart... no one's ever touched my breasts before...
I love that I'm the first. It's like you're all mine.
It's so exciting to be with a virgin. Now it's up to me to make it a night she'll always remember.
Ahhh... oh my god.
PANT!
Mmm...
Slurp!
She tastes so sweet and pure... I could definitely get used to this.
Why did I wait so long to have sex? This is the best feeling in the world
Ahh... yes...
I could suck on these nipples all day.
Miss Stewart I wish you could suck on my nipples forever...
Great minds think alike... But there's still so much of Hannah to explore...
Ohhh...

How does this feel...?
Ahh... it feels good...
As much as I want to ravage her, I have to remember this is her first time. It's important to savor every moment.
Oohhh... oh my god... ahhhh!!!
Mmm...
I had a feeling this would be a hit.
Why don't we get you out of these...
Yes...
I think our little virgin is ready to be deflowered.
Such a pretty little pussy you have...
It's all yours, Miss Stewart...
I bet she's as tight as a tiny rosebud...
Your little clit is so hard...
Ahhh... oh yes... I like that...
Very gentle...
Ah... oooh... go slow...
She's so small in there... I better be extra careful.

Mmm...
She tastes so sweet... like a little strawberry.
Oh my god... ahhh...
Oh Miss Stewart... ohhhh...
Nothing has ever felt as good as getting my pussy licked! I want this to last forever!
Slurp!
Slurp!
Slurp!
moan...
Yes.. that's it... you're so nice and wet.
More... I want more...
Don't worry, there's plenty more coming...
That's it... grind your pussy into my fingers.
It feels so good Miss Stewart! Ahhh....
moan...
Mmmpf!
Ahhh!!!!
moan...
I think Hannah's about to experience her first orgasm!
Slurp!
Slurp!
Slurp!
Oh my god, what is this feeling? What's happening to my body?
It feels so good!!!
Mmm...
Ah! Ah! Ah! Don't stop! Oh my go d don't stop!
Slurp!
Slurp!

Mmmpf!
Ahhhhh!!!!!!
I feel like I'm exploding with pleasure! Oh my god this is heaven!
Mmm...
PANT!
PANT!
PANT!
Oh, Miss Stewart...
I can't wait any longer. Now it's my turn.
I'm not done with you yet...
Kiss me, Hannah.
Mmm...
Mmm...
I could get used to this lesbian stuff.
Rubbing my pussy against Hannah's feels incredible.
Does it feel good?
So, so good...
This is almost better than getting fucked by a guy.
This must be better than getting fucked by a guy.

Suck on my nipples, Hannah.
Mmmph... Mmm...
She's getting good at this. Before long she'll be an old pro.
Oh god I'm gonna cum!
Oh yes, Miss Stewart! Yes!
I've never cum this fast in my life!
Yes! Yes!
MOAN!
Oh Miss Stewart, I feel one coming too!
Come for me, Hannah! Let yourself go!
Ahhh! Ahhh! YES!!!!
MOAN!
Uhhh.... Ohhh...
That orgasm must be intense. I can still feel your whole body shaking.
My whole body is vibrating... I can't even move...
You're amazing, do you know that?
No, you're the amazing one. I've never felt anything like this before.
Sex is pretty incredible.
With the right person.

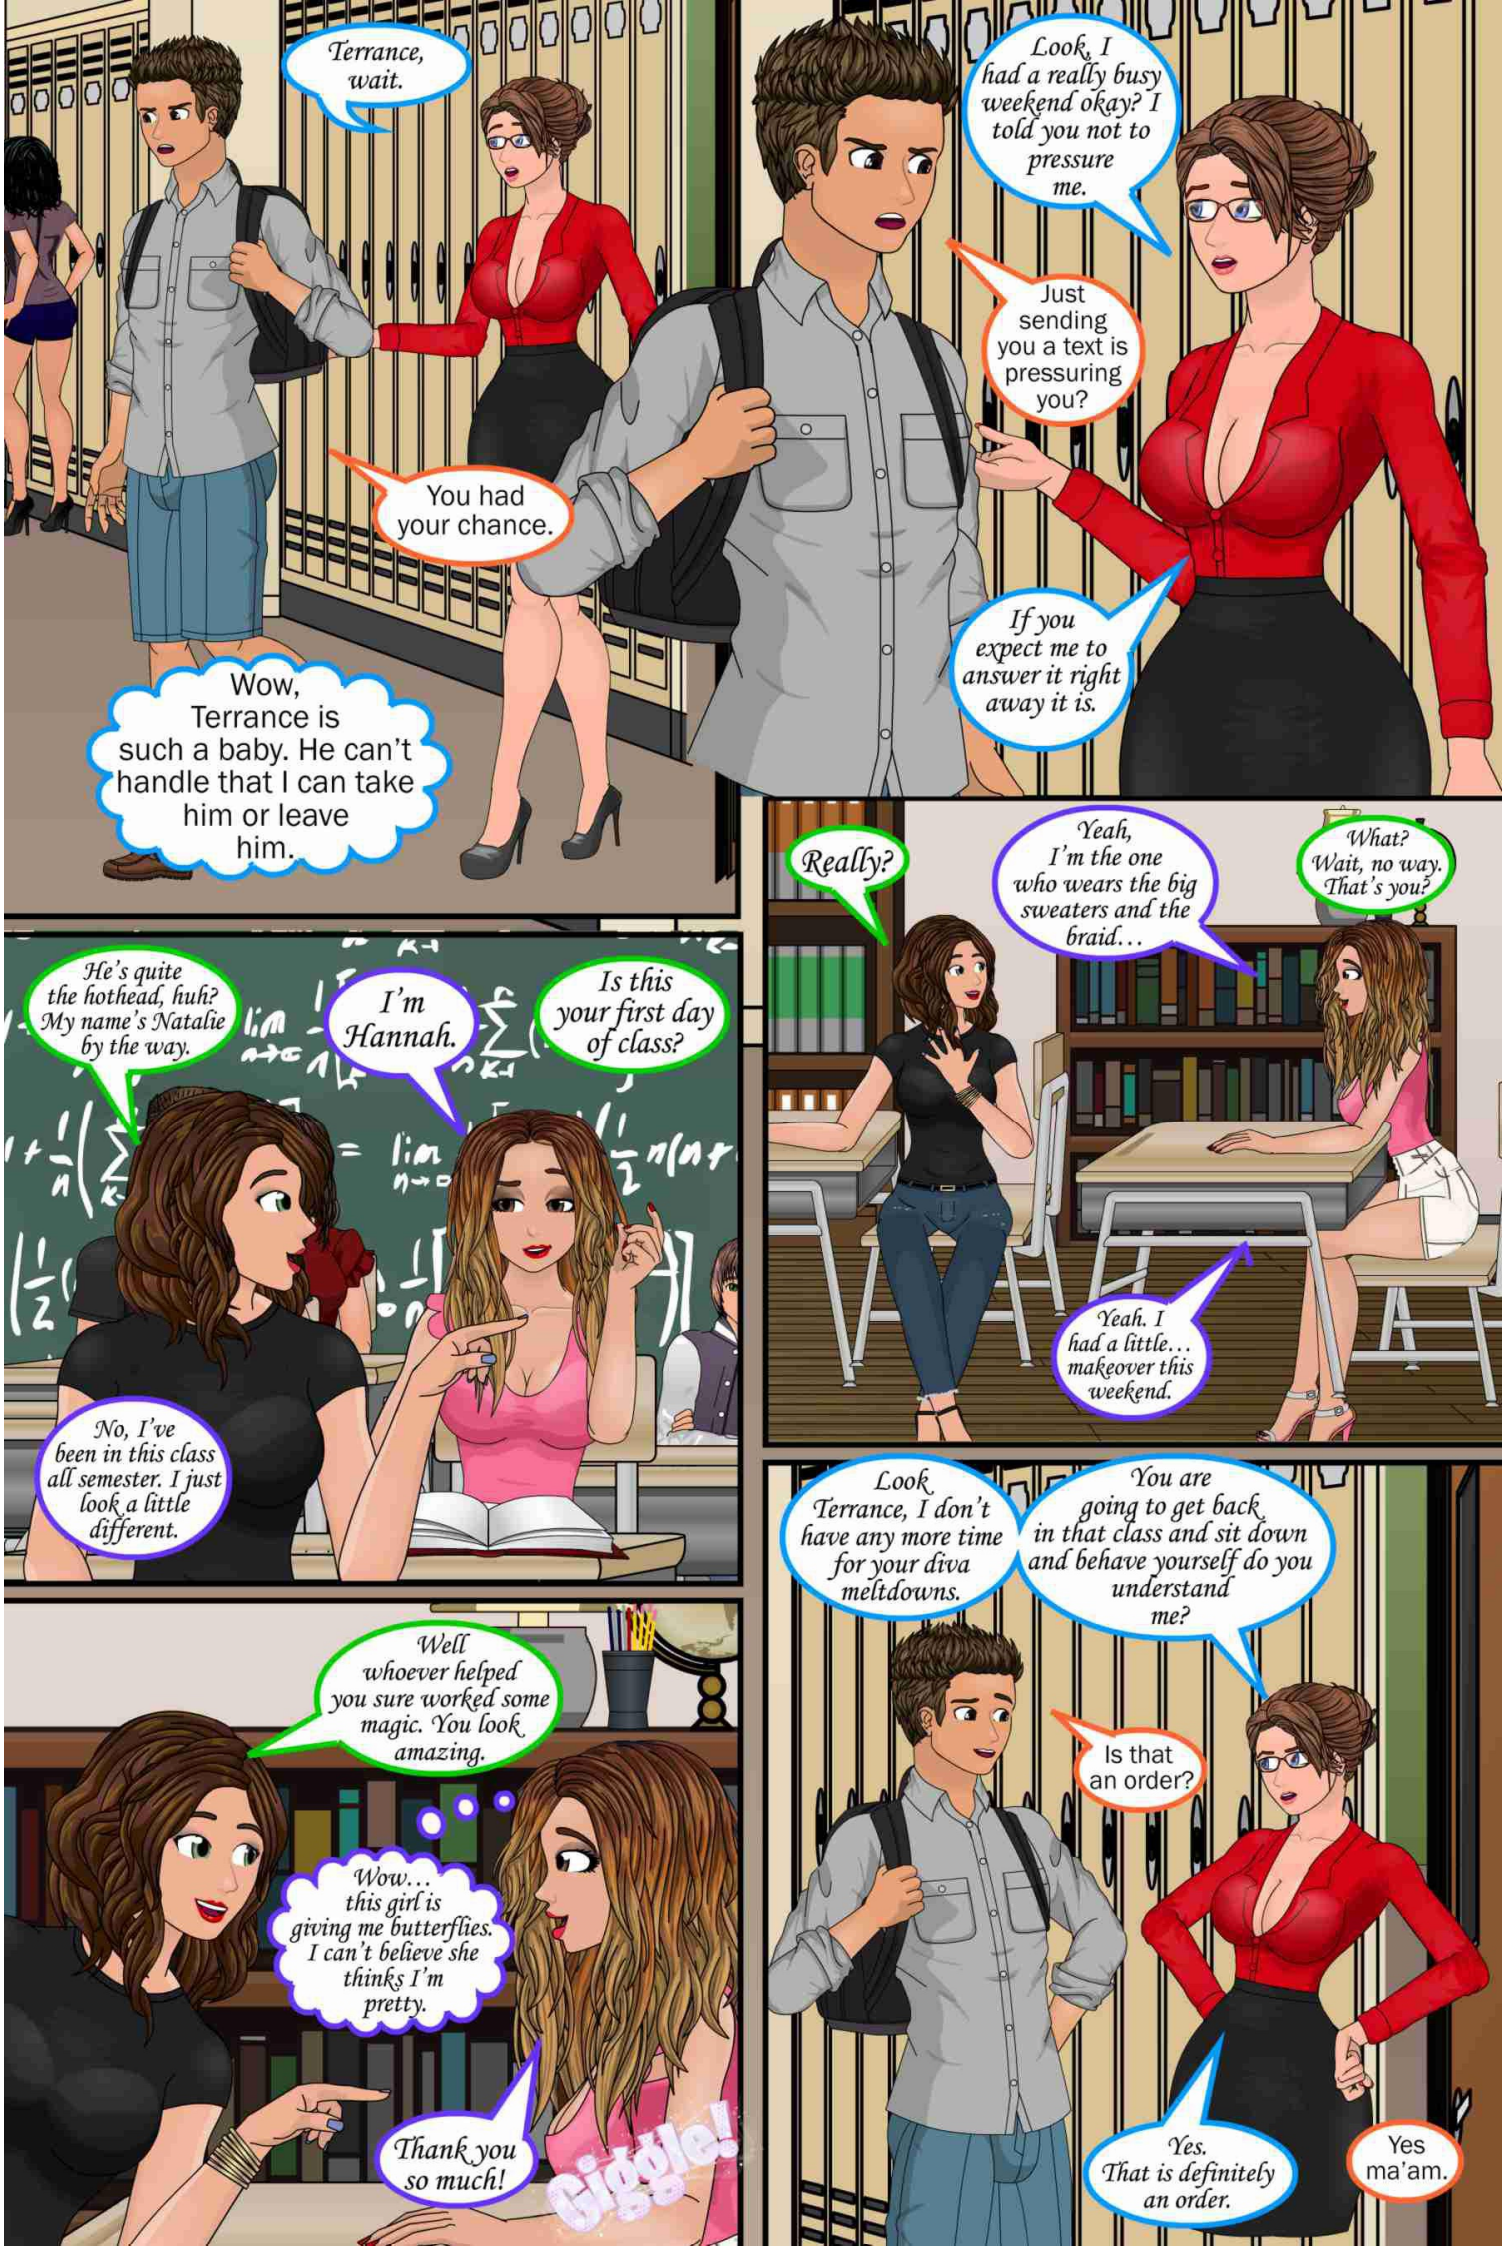

Whoa!
Now it's MY turn to be in charge.
Looks like I've created a monster.
It looks like I'm at your mercy.
Yes, Miss Stewart. You are.
I've never seen a pussy up close before... it's like a little flower.
Mm... you have a nice touch...
Ugh... oh god... that's good...
Am I doing it right?
Perfect
Ahhh.... Put two fingers in... please...
Whatever you want, my queen...
Yes... oh god, yes.
You feel so tight around my finger, Miss Stewart...

Hannah oh my god…
Mmmph…
This girl's mouth is unreal.
Slurp!
moan…
Slurp!
I hope I'm doing this right…
MOAN!
MOAN!
Mmmph…
I can't believe I'm cumming again!
Slurp!
MOAN!!!
Mmmph… Mmm…
I think I made Miss Stewart cum!
Nice and gentle like that… yes…
Mmm…
Slurp!
Slurp!
Hannah, you are unbelievable.
Was I okay?
You just gave me two of the best orgasms I've ever had.
Really???
I'm exhausted.
Me too…

The Next Morning...
Oh no, I overslept. Hannah really wore me out last night.
I can't believe how much sex I'm havingas a woman.
I better be careful, or I could get in over my head.These are my students, after all.
Maybe I should try to dress a little more conservatively today, so I attract less attention.
Nah, what fun is that?
Besides, Jack is going to be in class today.
I definitely need to make sure he notices me
What's this? Hannah left me a note?
I must have been fast asleep when she left.
Miss Stewart, thank you for everything. You've given me a whole new life. P.s. You taste as sweet as I thought you would.
- Hannah.
You tasted pretty sweet yourself, Hannah.
Oh shit, I better get dressed and hurry to class.
I can't start getting sloppy and allow my personal life interfere with my job.
My students are waiting.
I made it to school just in time. I better hurry to class, the bell is about to ring.
An Hour Later...

Wha – is that Jack? What is he doing talking to that girl at his locker? He should be on his way to class.
She's not even pretty. He could do a lot better if you ask me.
I'm going to have a talk with Jack after class today. Maybe he's lonely and just trying to fill the void.
Before I transformed, we used to hang out together every day.
I've got to find a way to let him know that I'm still here.
Hello class. I was running a little late this morning.
Just give me a moment and we'll begin.
Hey. Can I talk to you for a minute?
Terrance, class is about to start, can it wait?
Well you haven't answered any of my texts all weekend. I don't get it, I thought we had something.
This is not the time of place to discuss this –
Whoa, is that Hannah?
Sorry I'm late Miss Stewart… I had a late night. You know how it is.
No problem Hannah, we were just getting started. Terrance, I'll speak to you later.
That's strange, class started five minutes ago and Jack still isn't here.
It's really not like him to be late.
I hope he's not cutting school to be with that girl he was talking to.

Hey Miss Stewart I forgot my textbook, can I come up there with you and share yours?
Thank you, Hannah.
Ugh, just share mine, Terrance.
All right, let's open our textbooks and begin.
I have to admit, Terrance and Hannah sitting rightnext to each other is making me nervous.
I doubt Hannah would ever betray my trust. But Terrance is a different story.
So, you sure look different today.
Yeah, what's it to you?
What's wrong, can't take a compliment?
I don't rememberg getting one.
Got a little attitude going on there too, I see.
Look who's talking.
Excuse me, class. Terrance, this is your last warning.
Wow, I'm getting tag teamed by the two hottest women in the class. But not in a good way.
Stop it Terrance, you're disrupting the class.
Wow. that girl is superhot. I never noticed her before.
I don't come to class to have a bunch of chicks gang up on me. I'm out of here.
Terrance where are you going?
What difference does it make?It's not like you care about what I do.
I think I'll go ahead and drop this stupid class.

Terrance, wait.
You had your chance.
Wow, Terrance is such a baby. He can't handle that I can take him or leave him.
Look, I had a really busy weekend okay? I told you not to pressure me.
Just sending you a text is pressuring you?
If you expect me to answer it right away it is.
He's quite the hothead, huh? My name's Natalie by the way.
I'm Hannah.
Is this your first day of class?
No, I've been in this class all semester. I just look a little different.
Really?
Yeah, I'm the one who wears the big sweaters and the braid…
What? Wait, no way. That's you?
Yeah. I had a little… makeover this weekend.
Well whoever helped you sure worked some magic. You look amazing.
Wow… this girl is giving me butterflies. I can't believe she thinks I'm pretty.
Thank you so much!
Giggle!
Look Terrance, I don't have any more time for your diva meltdowns.
You are going to get back in that class and sit down and behave yourself do you understand me?
Is that an order?
Yes. That is definitely an order.
Yes ma'am.

One Period Later...
Class is almost over, and Jack never showed up. That's not like him.
RING!
He never slacks off, math is his favorite subject. I need to get to the bottom of this.
RING!
That's all for today, class.
I have a few hours before my next class. I'm going to go look for Jack.
He's got to be around here somewhere.
Miss Stewart! I was just coming to look for you.
Oh, great. Interrupted again. I can't seem to catch a break today.
Oh, hi Mr. Sankey. Look for me for what?
I was going to ask you if you'd like to take a little coffee break with me.
I know we both have the next few periods free.
Oh, that's sweet of you. Uh, sure why not?
Terrific. To the teacher's lounge it is.
You lead the way.
Maybe I'll see Jack on our way to the break room... I mean, where could he have gone?
It's not the Four Seasons but there is coffee.
On days like today, that's all that matters.
Tough class?
Oh, just a few interruptions I could have done without.

I hear you. The students can really be draining. That's why I try to sneak away and get a moment to myself in here.
Cream?
Just one.
I forgot how attractive Mr. Sankey is. It's nice to be around a grown man for a change.
I'm getting a little tired of being surrounded by students.
I know exactly what you mean.
It can be tough to not have people your own age to talk to. A little lonely, even.
Yet I can tell that teaching is your passion...e.
I do... but it's not my only passion.
I'm guessing you share that passion. For teaching, I mean.
Do tell.
I should warn you, the coffee is a little strong.
Trying to change the subject are we...?
I wouldn't dream of it. I have a few passions. Hiking. Photography. Romance.
Romance? I thought you told me you were single.
Yes, unfortunately... I can't seem to meet that special lady who makes me feel that spark.
Well, it could be your expectations are too high. Sometimes that dream person doesn't exist.
Oh, I think she does...
How can you be so sure?
Would you look at those breasts. She'sunbelievable. What a perfect ten.

I guess I'm an optimist.
Mr. Sankey looks like he's been working out... I never noticed those muscles before.
Mr. Sankey have you been working out? Your bicep is about to bust out of your shirt.
I guess I have been making some gains.
Why do you hide it under those long sleeves?
Well, school isn't really the place to be flexing my muscles... except the one between my ears, of course.
Wow... hard as a rock.
Oh man, she's touching me... I think I'm getting an erection!
Please don't let her notice, she'll think I'm a CREEP!
Look at the bulge in Sankey's pants... It looks like he's got a pretty nice package in there.
He must be at least nine inches. Maybe even ten.Yet he's so humble. Talk about big dick energy.
Well, what's the point in having muscles if you can't flex them?
Including the one between your legs, apparently.
Whoa, did I really just say that? Pretty risque, Miss Stewart.
Miss Stewart... I'm sorry, this is incredibly embarrassing.
Why are you sorry? I'm flattered.
You don't have to say that to make me feel better.
I'm sure now you think I'm no better than the students who drool over you in class.

This might come as a surprise to you Mr. Sankey, but I find you very, very attractive.
I'm sure you already know that I feel the same way.
Sankey is so much more mature than Terrance. I bet he's experienced in bed, too.
He probably knows how to take his time and really please a woman.
Well, I'm glad we're on the same page.
And what an amazing book it is.
I hear the next chapter is even more exciting.
I can't wait to get there. Miss Stewart?
moan...
Wait. Do you hear that?
Hear what?
Is somebody crying?
moan...
Yes, Mr. Sankey?
Will you go out to dinner with me?
I'd love to. But my schedule is a bit full this week.
How about next Friday?
moan...
moan...
Somehow, I don't think it's crying...
I'm not sure.
I think it's coming from the girl's locker room
I better go make sure everything is okay in there.
Do you want me to come with you?
It's the girls' locker room, I better go alone.
Oh, right, of course.

So, next Friday?
Yes, I'll pick you up at 8. Just text me your address.
Perfect. I'll be looking forward to it, Mr. Sankey.
So will I, Miss Stewart.
I couldn't say it in front of Mr. Sankey but those moans sound familiar.
Very familiar.
In fact they sounded a lot like...
Hannah???
Oh, look who's here... my favorite teacher in the world.
I thought I heard someone crying.
Oh my god it's Miss Stewart! We're going to get suspended!
Natalie??
Surprise, surprise.
Hannah you said no one would come in here!
I'm sorry Miss Stewart, but when I said you opened up a whole new world for me... I wasn't kidding.
Hannah where did you get a dildo?
The sex shop downtown. Wanna try it? It's really fun, right Natalie?
This is so embarrassing!
Natalie since when are you a lesbian?
Since... about ten minutes ago?
Gulp!
I told her how amazing lesbian sex with you is, Miss Stewart... and she wanted to try it out.
Well then... maybe she should have a taste of the real thing.

Two girls at once was my biggest fantasy on earth before I transformed.
It looks like today's my lucky day.
I think you could use a little more training yourself, Hannah.
Give me that dildo.
Yes, ma'am.
Natalie is super hot... and I do have a few hours to kill.
As I was just saying... teaching is my calling.
Now, let's get back to focusing on you, Natalie.
First you have to make sure it's nice and wet...
Now that's impressive.
What is she doing?
Oh, you'll feel it.
Mmm that's intense!
MOAN!
I think she likes it.
Always remember to wet your dildos, Hannah.
This is hotter than even my hottest three way fantasies. Never in a million years did I think I'd ever be in a situation like this.
Transforming into a woman is the best thing that ever happened to me.

Does that feel good Natalie?
Mmhm…
moan…
Good girl.
MOAN!
moan…
Oh my god… what's happening… it feels so good!
I think she's getting close.
I'm ready for her.
Oh my god!!! I'm cumming!
MOAN!!!
Her whole body is convulsing with pleasure. This is beyond hot!
God, that looks like it felt amazing…
Why don't you find out how it feels first hand?
I was hoping you'd say that.
You're a very bad little girl, aren't you Hannah? Making poor Natalie your play toy.
I had a good teacher, Miss Stewart.
Well, class is back in session.
Mmm…
I can't believe this is the same mousy little Hannah that showed up at my door yesterday. What a metamorphosis.

That feels so good…
moan…
Mmm…
You're so hot, Miss Stewart.
Whoa!
Now who's in control?
I think we are, Hannah.
Oh god… oh yes…
Slurp! Slurp!
Mmm…
Mmm…
Slurp!
MOAN!
Yes, don't stop!
I think I died and went to heaven...
Natalie, come make yourself useful.
Mmm… dinner is served.
moan…
Ohhhh!
moan…
MOAN!
I've never had two mouths on my pussy at the same time! This is beyond amazing.
Slurp!
Slurp!
Slurp!
Mmm…

Yes! Yes! Don't stop! Oh god don't stop!
MOAN!
I'm getting close! Lick faster!
Slurp! Slurp! Slurp!
Slurp! Slurp! Slurp!
I'm coming!!!!
MOAN!!!
Oh my god!
Keep licking her while she cums!
Mmm!
Slurp! Slurp!
You've been very good girls… and you deserve something special.
Mmm…
Smooch!
Hannah, get on that bench.
Good girl.
Natalie, lie down on top of Hannah.
Wait – lie down on top…?
Here, I'll show you.
Am I too heavy?
Mmm… not at all. I could stay like this forever.
Ooh… that feels nice.
I can feel your pussy with mine.
Perfect. You two fit together like two pieces of a puzzle.

moan...
Oh wow...
Ahhh... it's so good!
Don't stop, Miss Stewart!
I think she can take it from here. Mm... look at her go.
moan...
You feel so amazing Hannah!
Oh, don't stop Natalie!
MOAN!
You girls are so hot. I love watching you fuck.
Oh my god I'm gonna cum!
Me too!
MOAN!
Ahhhh!!!! Oh my god!
MOAN!!!
Natalie I'm cumming!!!
MOAN!!!
Oh my god I'm gonna cum!
MOAN!!!
Let me clean that pretty little pussy of yours.
Yes, ma'am.

Mmm…
Slurp!
Slurp!
Miss Stewart that feels so good…
PANT!
moan…
Be careful Miss Stewart, you're going to make her cum and then you'll have to clean her up all over again.
Mmm…
Is it my turn, Miss Stewart?
Yes, you dirty girl.
Mmm… make me nice and clean.
That's so hot…
Oh god… mmm…
Slurp!
Slurp!
Slurp!
Oh, Miss Stewart, what you do to me…
MOAN!!!
Ugh…
MOAN!!!
Uh! Uh!
MOAN!!!
Oh Miss Stewart I'm coming again!!!
Oh Hannah!
MOAN!!!
Slurp!
Slurp!

MOAN!!!
Yes! Oh my god yes.
Slurp!
Ahhh....
Aw, I left you hanging, didn't I Natalie? That wasn't very nice.
Oh, Miss Stewart! I want to cum so bad! I'm so close!
Ahhh!!! Thank you Miss Stewart!
MOAN!!!
Mmm...
I'm coming!!!! Ahhhh!!!!
MOAN!!!
Mmmph
Slurp!
Now for the grand finale. Natalie?
I know I am!
Grand finale...?
Mmm...
Slurp!

Ooh… oh that's good…
I love a nice big cock after lesbian sex.
Mmm… I made it nice and wet for you.
Oh god this is amazing…
moan…
Mmm…
slurp!
I can't believe I'm gonna cum again!
Ah… ah…ah…
Keep rubbing her clit, Natalie! She's gonna cum!
MOAN!!!
Oh my god! Oh yes. Oh yes… oh god…
If I wake up and this was all just a dream... I'm gonna be pissed.
Yet I still feel like there was something missing...
Maybe it's some leftover feeling from when I was a man, but...

I have this overwhelming urge to...
That was amazing. Miss Stewart you're incredible.
That was definitely a lot different than being with a guy.
This party needs one more thing to make it complete.
What do you mean?
I think I might know what she means...
I want to feel what it's like to really fuck you.
I hope she picks me...
Which one of us do you want to fuck, Miss Stewart?
Both of you.
I had a feeling you would say that.
Where's the box this thing came in?
It's over there.
I hope what I'm looking for is still in the box.
Why do you need the box?
I bet I know what she's looking for.
Feels like you girls left something in here...
Just some weird belt we didn't need.
Oh but I do need it...

Bingo.
What are you going to do with that?
What do you think she's going to do with it?
Giggle!
Kind of reminds me of the old days... except I didn't have to strap mine on.
Ohhhh. I think I get it now.
Oh my god... I'm getting wet again!
Fits like a glove.
Miss Stewart you look amazing with a cock!
Wow... she really does.
Natalie. Stand up.
Yes, ma'am.
There's something about a big cock that commands authority... I kind of miss that part of being a man.
So why limit myself?
Kiss me.
Yes, ma'am.
The sight of Miss Stewart wearing a big, hard cock is such a turn on... I feel myself getting horny all over again!
I can't wait to use this cock the way it was intended to be used... I think my hip action has gotten better since I became a woman.
Mmm...
I hope Miss Stewart fucks me after Natalie. I can't wait to feel her big cock fill up my wet little pussy!

I don't even know if I can come anymore, I've had so many orgasms today.
I know I can.
There's only one way to find out...
This position is a little tricky on a bench. But where there's a will there's a way.
Like this, Miss Stewart?
Yes, tilt your hips up just like that... so I can slide inside of you.
Ohhh... oh Miss Stewart...
moan...
Natalie is like putty in my hands!
I feel so dominant and powerful. I don't remember ever feeling this way as a man.
I have to admit I like it.
I'm definitely not going to be left out of this.
MOAN!
SIGH...
Go deeper, Miss Stewart... ooh, fill me up!
Mm... my pleasure.
Mmm...
Mmmph...
Hannah is so insatiable. She can't even wait her turn!
But she doesn't have to worry because she's definitely next.
Hannah, play with yourself. Give me something to look at while I fuck Natalie.
Yes, ma'am.
MOAN!

PANT! PANT!
My pussy is so wet!
You like to watch me fuck your friend, Hannah?
I love it, Miss Stewart! Fuck her harder!
MOAN!
Do you want me to fuck you harder, Natalie?
Do you want me to fuck that pretty little pussy until you cum all over my cock?
Yes… oh yes…
moan...
She wants it, Miss Stewart!
That tight little pussy wants to come again, doesn't it Natalie?
Yes Miss Stewart… please make me come again…
MOAN!
Oh… oh… oh Miss Stewart it's happening!!!
PAN PANT!
Fuck her, Miss Stewart! Make her scream!
Yes, Natalie… come for me. Nice and hard.
Come for Miss Stewart, Natalie!
Don't you dare come Hannah. You wait your turn.
Gulp!
Ugh, yes Miss Stewart…
I'm so close… this is torture…
I'm COMING!!!!
MOAN!!!

Natalie is officially exhausted.
Poor girl probably won't be able to walk right for a week.
But my work is not quite done...
You didn't come while I was fucking Natalie, did you?
No, Miss Stewart.
You're a good girl. And good girls get rewarded.
On your knees.
Put your mouth around my cock, Hannah.
You want me to suck it?
One step at a time. First just put it in your mouth.
Mmmph...
That's it... let it fill your mouth. Relax your throat muscles. Natalie, come here and watch this. It's very ... educational.
Yes, Miss Stewart.
Get on your knees, too.
Mmmph...
I'm so bad at sucking dick.
You just need a good teacher.
Now I'm going to push it back into your throat a little bit deeper... relax your throat, Hannah... don't tense up... there you go...
gag
Mmmph...
Wow Hannah... you've got most of it in your mouth!

PANT! PANT!
That's a big cock...
Natalie, you take over. Hannah, you lick under my cock. Where my balls would be.
Extra credit if you can find my clit with your tongue.
I love extra credit.
Slurp! Slurp!
Mmmph...
moan...
You found it... ahh, that feels good.
Slurp!
Mmm...
Slurp!
Mmmph... *gag*
That's it Natalie... relax your... tongue... and your ... throat.
It's hard to focus on teaching. when Hannah is licking my clit! I'm trying not to come but she's so good at eating my pussy.
Oh god, Hannah... keep licking me like that...
Natalie keep sucking my cock... I want to watch you sucking it when I come...
Mmmph....
Slurp! Slurp!
Oh god I can't hold it any longer...
I'm COMING Hannah! Don't stop!
MOAN!!!
Mmmph!!!!
So... do I get extra credit?
You've definitely earned an A plus.
PANT! PANT!

I think I was promised something else, too.
That's right. Come over here, Hannah.
Ooh! Now this is what I wanted.
Let's see how much cock you can handle.
Ahhh.... Ahhh....
Do you feel me sliding into your little pussy?
Yes, Miss Stewart! I feel that big, hard cock!
Good girl. Now I'm going to fuck you Hannah.
Oh yes, please, fuck me Miss Stewart! Fuck me hard!
I can't believe I'm getting horny again! How many orgasms can I possibly have???
moan...
Oh, Miss Stewart your cock is so big!
MOAN!
I want you to come for me, Hannah.
Oh, thank you Miss Stewart!
moan...
Mmmph...
Slurp!
Miss Stewart that feels so good!

Oh Miss Stewart I feel it coming! Please fuck me faster!
Come for me, Hannah. Come all over this cock!
Oh god, this is so hot! I'm going to come, too!
Like this? Does that feel good to your aching little pussy? Is it ready to come for me?
Oh yes, Miss Stewart! Yes! I'm going to come for you!
PANT! PANT!
Me too!
MOAN!!!
I'M COMING!!!!
MOAN!!!
I think that's her most intense orgasm yet!
Yes, Hannah. It feels good, doesn't it?
PANT! PANT!
Oh, Miss Stewart… I can't even feel my legs.
My whole body is vibrating.
Giggle!
That's how you're supposed to feel after great sex.
Now, girls, we better get dressed. The janitors will be coming in here soon to clean up.
Is it that late?
Yes, silly. School ended an hour ago.
Time flies when you're having fun.
And having orgasms.
How many did you have?
I lost count a while ago.

That's enough chit chat, we have to get dressed and get out of here.
Yes, Miss Stewart.
Oh, there's my shirt.
Now that I've experienced the power of this strap on, I don't want to give it back.
I don't think Hannah or Natalie even know how to use it.
They were just going to throw the harness away!
Maybe if I just very inconspicuously...
God, my clothes are everywhere!
I'm missing a shoe.
Giggle!
We really made a mess.
That's what happens during wild sex.
A lot happens during wild sex. I feel like I'm a completely different person now than I was a few days ago.
Yeah, you used to be a quiet little bookworm and now you're a nymphomaniac.
Look who's talking!
Giggle!
Tell him we said hi.
I think I'm going to head home now, I was supposed to go out with my boyfriend tonight and he's probably wondering where I am.
Not so fast, Natalie. We need to talk before you leave.
Is everything okay?
Yes, everything's perfect. I just want to make sure it stays that way.

What do you mean?
I mean, what just happened here between us has to remain our little secret.
Nobody can know about this. Not now, not ever. Is that understood?
Trust me, I don't want anyone to find out!
You have our word, Miss Stewart.
I also want your word that you will never, ever have sex on school grounds again.
If I wasn't so horny today, I might have suspended you both.
We promise, Miss Stewart.
Where's the dildo? We don't want to leave it in here or we'll definitely get busted.
Don't worry about the dildo. I'll be putting it away for safe keeping. Kind of like insurance.
Insurance? For what?
If either of you ever breathes a word of this, I'll turn it over to the Dean and report you both for lewd conduct.
Gulp!
Understood.
Good. You can go now, Natalie.
Don't forget to study, we have a quiz on Friday.
Will there be extra credit, Miss Stewart?
How can you still be thinking about sex after all the orgasms you've had today?
I guess I'm in my sexual prime. Either that or I'm making up for lost time.
You better get home, Lolita. It's getting late.
Back to my boring life at home. I feel like Cinderella when the clock strikes midnight.

So melodramatic.
I'm going to clean up in here a bit before I go. Have a goodnight, Hannah.
I don't think my night could get any better.
Miss Stewart… about that strap on… are you really holding onto it as insurance against me and Natalie?
I've had worse ideas.
Or are you keeping it for another reason?
I'm not going to keep it, I just don't want it floating around on campus.
I'll just toss it in one of the dumpsters on my way home.
I knew you were only kidding about telling on us!
See you tomorrow, Miss Stewart.
I guess Hannah saw through my little story about why I wanted to keep the strap on. Sometimes she's too smart for her own good.
Or maybe I just wasn't very convincing.
I wonder what she'd say if she knew what I really plan to do with it.
Or rather, WHO I plan to do with it.
I have to admit, it's pretty diabolical.
But after seeing how helpless and submissive it made Natalie and Hannah, I feel inspired to use my powers.
To test them out on someone who desperately needs to be dominated.
Someone whose name might just start with a T.
